## Sun City Lucky to Have Residents Who Help Keep Community in Top Shape

I think this is the best time of year to be living in Sun City Summerlin; not too hot, not to cold. Enjoy our facilities; maybe time for a miniature golf round? Yup. We have a miniature golf course for you to try at Mountain Shadows. For this month's Link's note, I'll say a few words about our committees and then some suggestions to keep our community looking great.

The Board of Directors relies on our committees (Finance, Golf, Fitness, Common Area Properties, etc.) to investigate and then recommend, with input from the Executive Director, what equipment we should buy; what chairs we should buy, and so on. The committees are chaired by a Board member, with members of the committee being homeowners who volunteer to be on that committee. The committees do some very difficult and serious work for the Association. For example, the Architectural Review Committee (ARC) chaired by Ellen Bachman is the focal point for enforcing our development standards. Working with the SCSCAI Community Standards Office, ARC enforces our standards concerning house paint colors, weeds, fences, etc. The Common Area Properties Committee (CAP) chaired by Bruce Alitt has committee members who, among other tasks, inspect our common properties such as Desert Vista each month for any needed changes or fixes.

We are so very lucky that we have homeowners who are willing to give up their time to help keep our community beautiful and running smoothly. If you have a particular skill set that matches what a committee does, attend that committee and see if you might want to contribute your time and effort to keep SCSCAI the great place to live in that it is. The Link lists the time each committee meets and the chairperson for each committee.

In the April Link, Kate Carroll, our Director of Community Standards, highlighted some of the issues we are having. Kate would be the happiest SCSCAI employee if she did not have to send out any development standard violation letters. When you moved in, you were given a copy of our development standards; please read them when planning something for the outside of your home. If you are going to do anything to the outside of your home, please, please, contact Kate at Community Standards. She and her assistant Barbara Davidson will be happy to discuss what you plan to do and what our rules are. And look at how much postage SCSCAI will save if Kate doesn't have to send out any violation letters!

SUN CITY DANCE COMPANY PRESENTS

# "HOLLYWOOD

Blockbuster Premieres May 11-12 & 18-19 at Starbright Theatre

It's time to purchase tickets! It's our big, biennial show, with a twist!

The Sun City Dance Company is all about blending its traditions with new and innovative ideas. This month's show will be no exception. You may have recently seen our ladies, in costume, out in our community posing for the photos you see here. Yes, for the very first time, we wanted to give you a sneak peek. These are only some of the costumes you will experience at this year's show.

In recent years we have added variety acts, and this year we will continue showcasing them. We have added singing, as well as musicians, comedy and specialty dances. On Sundays May 12 and 18, we will feature guest performers to the lineup.

And here's the twist – On May 12, for the first time, we will be joined onstage by a 17-member international dance team from Canada. The Dancing Ladies, from Midland, Ontario, Canada, will travel 1,933 miles to entertain you with an original number. The team will join our Vegas Vagabonds for an upbeat, lively rendition of "Twist and Shout." Chore-

# LIGHTS!”

*Story and photos by Karleen Craig/  
Sun City Dance Company*

ography and ideas for the dance were shared by video and emails through the two teachers, Fiona Cascagnette and our own Jane Ross.

Put on your dancing shoes, and bring your family and your friends to the Starbright Theatre. Become part of this high-energy show that will combine your favorite movie music with our original choreography and fabulous costumes.

We will have you tapping your feet and dancing in your seat. You will be singing “Hooray for Hollywood” and thinking hooray for the Sun City Dance Company and friends, and “Hollywood Lights!”

## Tickets On Sale Now

Come see what the Sun City Dance Company is about. We are open to all residents. Who knows? Maybe you will be center stage the next time the curtains open.

Saturday shows begin at 7 p.m., with Sunday matinees starting at 2 p.m. Tickets are \$12 each, and are available at all Social Monitor stations as well as online at [Suncitysummerlin.com](http://Suncitysummerlin.com), where you may pay by credit card.

A Residents' Forum fan favorite is back! Mark your calendar for Wednesday, May 8. The fun will start at 7 p.m. at Desert Vista. The doors will open at 6:45 p.m. and, due to the city's fire code, seating will be limited to the first 216 guests.

Residents' Forum once again welcomes Debbie Benkert, a professional Bingo caller who will help us out, call the games and keep things hopping. Residents' Forum provides the Bingo cards ... no markers needed! Refreshments also will be provided and, of course, there will be some great prizes. We always have a great turnout for Bingo, so we are looking forward to another great evening of fun.

All Sun City residents are members of Residents' Forum – no dues, no fees. The volunteer residents who host Residents' Forum hope to see you at Bingo and other events throughout the year. Keep the second Wednesday of each month open.

# THE GREAT COOKIE BAKE-OFF

## Residents' Forum Presents Cookie Bake-off Lining Up Delicious Competition

Event Set for June 12

Who bakes the best cookie in Sun City? Is it you? Could the best cookie be your Granny's molasses cookie recipe that has been a family favorite for decades? How about one that has been passed down for generations – Baklava or rugula? Perhaps it is the salted caramel chocolate chip cookies you have perfected over the years? Bar cookies, that's a great idea, too! Or maybe the winner is the yummy brownie your kids used to beg for?

Calling all Sun City bakers. Sign up for the First Sun City Cookie Bake-off to be held on Wednesday, June 12, 7 p.m., Desert Vista.

Do you need more information, or are you ready to enter now? Either way, contact Julie Zerbel at 512-775-1309 or [juliezerbel@yahoo.com](mailto:juliezerbel@yahoo.com). Sign-ups are open now and will end when we run out of room or on May 29, whichever comes first. Don't delay!

This will be a great event for Sun City bakers, as well as Sun City tasters since residents will be the judges. The Cookie Bake-off will be similar to the Chili Challenge previously hosted by Residents' Forum.

This year, Residents' Forum is trading chili for cookies. Bakers will need to provide sample-size tastes to residents who will vote for the best cookie using ticket ballots.

Who will win the inaugural Cookie Bake-off? We bet you will want to claim your bragging rights, along with the Best Cookie in Sun City trophy, so contact Julie Zerbel and sign up today!

## 2 Weekends Set Aside for Garage Sales

SCSCAI's Board of Directors has designated **Friday and Saturday, May 17-18 and May 31 and June 1**, as the dates for this year's community garage sales. On those dates, residents may host sales at their homes from 7

a.m. to 3 p.m. Directional signs may be posted along the street medians, but residents must remember to remove their signs at the end of their sales. SCSCAI is not responsible for sign cleanup. As this is an annual Sun City event, there is no permit required. To help with your shopping plan, be sure to check out the garage sale ads in the Classified section on Page 83.

## Vietnam Wall Now Available Online

We have all heard, and many of us have seen the Vietnam Memorial Wall. Did you know that there is now a virtual wall available on the Web? At [virtualwall.org](http://virtualwall.org), you can access information on those who served or were lost by clicking on the state, city (or in many cases the neighborhood) where the U.S. veteran lived. The names will appear in alphabetical order. One click and you can access their picture, a short military biography and medals awarded.

## One-of-a-kind Glass Gifts for Sale

The Silver, Lapidary and Glass Fusion Club invites residents to an open house and sale on Wednesday, May 15, 10 a.m. to noon, inside its studio at Mountain Shadows. Members' designs are on display in the workshop's windows, so stop by and take a look. Items make great gifts for Mother's Day, upcoming graduations and Father's Day.

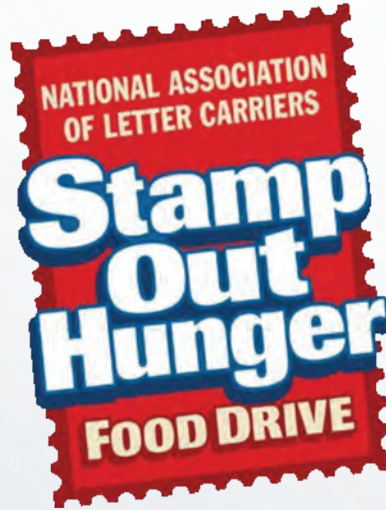

## Walk Your Dog? Pack a Plastic Bag

SCSCAI reminds residents who walk their dogs in the community to please pick up after your pets. Don't let your dog get a bad rap because you leave its business on the sidewalk or, worse, in your neighbor's yard. Thank you

in advance for helping keep Sun City looking great.

## Food Drive Returns May 11

The National Association of Letter Carriers resumes its popular Stamp Out Hunger Food Drive this month on Saturday, May 11. This event helps local food banks stock their pantries. In 2016, Las Vegas letter carriers collected 307,550 pounds of non-perishable food that stayed 100 percent in the valley. On this dedicated Saturday, letter carriers in 10,000 cities are set to collect food along their routes while delivering the mail. To participate, fill a box or bag

(or several) with canned and boxed food items and place the container/s at your mailbox. Letter carriers will pick up the donations. It's that easy!

## U.S. Flag Retirement Ceremony Planned for May 11

Sun City Summerlin's Security Patrol welcomes local Boy Scouts to help conduct its annual U.S. flag retirement ceremony. Residents are invited to witness this living history that begins at 10 a.m. in the picnic area at Desert Vista. It is recommended that you bring a folding chair for your comfort. Following the ceremony will be a picnic for Patrol members only in appreciation of their service to the community.

## Fur Baby Fête Set for May 26

Think of it as a backyard party that's gone to the dogs. Sun City resident Joan Taylor, bottom left, loves her four-legged friends so much she celebrated them last year and the idea was such a hit with her neighbors she decided to invite the whole community. If you're a dog owner looking for a new place to mix and mingle with your pup, head to Taylor's Annual Memorial Day party on Sunday, May 26, 2-5 p.m. To add to the fun, all dogs will receive a prize. Free dog showers if you bring a towel. Limited seating, so please bring a chair. There will be junk food refreshments. RSVP to 702-413-0866.

## Just a Little Bit of History

**N**eighbors, your Sun City Summerlin Security Patrol is 28 years old. Thanks to residents volunteering their time, going through the training and working 24/7, it continues to serve this community making it the safest in Nevada according to the Las Vegas Metropolitan Police department.

A little bit of history will help in understanding how the organization evolved from 1991.

Del Webb's Sun City Summerlin construction company was in full building boom in 1991. Construction equipment and building materials were stored on site. The company needed people to patrol and protect these locations. A new resident, Ronald (Ron) Gagne, a retired Boston detective, and the Del Webb Corporation met and decided to form a patrol of resident volunteers whose mission was to protect the project from thieves.

Twelve residents signed up to work on the patrol. The Del Webb Corporation provided insurance for the volunteers.

The first Security Patrol board was made up of Gagne, who became the chief; Dan Carter, assistant chief; Liz Roberts, secretary; and Joseph Stahl, treasurer. Drivers included

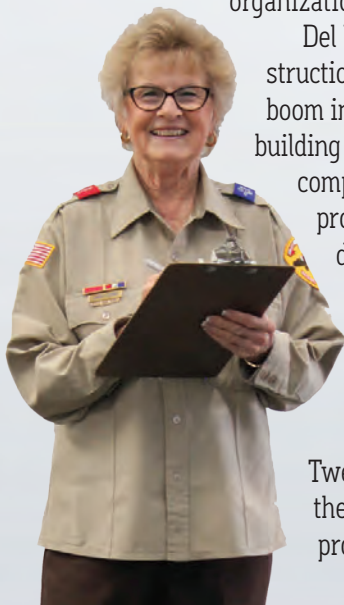

Lonnie Calpert, retired U.S. Army and a member of the legendary Buffalo Soldiers troop, and Jeanne Schmitz, the first female fire inspector for the City of Las Vegas Fire Department. She was also the first female on the bomb squad.

The following year, in 1992, membership rose to 160 residents. Security Patrol sponsored the first free safety seminars for residents. Additionally, Patrol members were on duty at Sun City events held at the Sun Shadows Community Center. These included the first fireworks display, concerts in the park and garage sales. Notification of open garage doors from 8 p.m. (2000 hours) to 0800 was added to the duty list.

Del Webb Corporation donated the first Patrol car in 1993. The fleet grew to its current five cars over the following years. Security Patrol began its 24/7 patrol that year. New duties were added to include patrolling unsold houses, the model homes, construction sites, vacation house checks, and finding lost pets, spouses and grandchildren. Bob Sellers became the editor of the first newsletter published for the membership.

Computers hadn't arrived at the Security Patrol Base in 1994, therefore all logs had to be printed and signed. Drivers on each shift maintained a log as well as the dispatchers. It wasn't unusual to see a patrol car parked in a lot with the driver printing events and actions on his or her shift. There were 8,000 residents in Sun City Summerlin and 250 of them joined security patrol.

The Association found that in 1993 Security Patrol saved the Association an estimated \$300,000 in the cost of security services. Today, the savings is much higher. At the end of the

year, not one house in Sun City Summerlin had been burglarized.

Security Patrol base or headquarters had been housed in several places since 1991. The Community Services building constructed at the Desert Vista Community Center complex became the present Security Patrol base in 1995. It is located at the end of the Desert Vista parking lot next to the Pickleball courts.

At the end of the 20th Century, Security Patrol had evolved into a standing committee of the Association's Board. Training procedures were developed to ensure safety protocols to assist residents. Dispatchers were trained to work efficiently, solving problems and dis-

pense resource information as needed to residents. Security Patrol continued to sponsor safety seminars in conjunction with the Las Vegas Metropolitan Police and Fire departments. More than 15 Security Patrol members graduated from the Las Vegas Metropolitan Police Citizens' Police Academy.

With the arrival of the 21st Century, Security Patrol operations became high tech, and a second generation of residents with hi-tech skills and ideas joined the Patrol, advancing its operations.

Security Patrol is a vibrant and evolving organization. Residents are needed to continue its mandate of – the eyes and ears of the community. For information, please call 702-254-2303, any time, any day.

## Setting the Scene for Service

**Food & Beverage Managers' Responsibilities Extend Beyond Restaurants to Include Beverage Carts and Special Events**

By Tammy Collins/Link

"My staff and I are excited to be able to serve the community with delicious food and excellent service, as well as a home-warming environment," said Anthony Marrone, Sun City Summerlin's Food & Beverage Department Manager. His job is to oversee all aspects of the community's food and drink services. This includes the management of facilities at Tavern at the Falls

Residents dining in the restaurants have witnessed the hands-on willingness of both of these men to pitch in where needed, be it taking orders or clearing tables.

At full staff, employees of the department number 33. Included in this are 11 professional and experienced cooks. There are 13 wait staff members, all of whom possess the

and The Summit. These two venues are owned by the residents of Sun City. In addition, Anthony is in charge of golf beverage carts, special events held at both of the restaurants and catering services that the department provides.

Anthony is aided by Assistant Manager Gage Stringer. Both of these men have past experience in the food management business. Anthony has a degree in Business Management and is engaged in further study in the field. He has been with Sun City Summerlin for nearly five years. Gage, though new to Sun City, has worked in the food industry for several years.

mandated documentation that allows them to serve wine, beer and spirits. All of the wait staff are trained to operate the golf beverage carts that service the three golf courses — Palm Valley, Highland Falls and Eagle Crest.

Both Tavern at the Falls and The Summit are open seven days a week, with Tavern at the Falls serving breakfast, lunch and dinner. The Summit and the Skylight Room also are available for impromptu dining when there are no special events scheduled. The Snack Bar at The Pinnacle is always available during business hours. Friday night buffets at Tavern

at the Falls are quite popular, as are weekday evenings that often offer specials such as prime rib or a Southwestern buffet. The Summit Sunday Brunch features an omelet station, live piano music and a vast array of sweets. In addition, The Summit is also the scene of special dinners such as the recent Valentine's Day Dinner. All of these special events are announced in the Link and, for some, pre-paid reservations are required that can be made on the first of the month for that month's event or any time after.

The Summit and Skylight Rooms offer breathtaking views of the Las Vegas Valley and are available for rent to host special events such as weddings, anniversaries, birthdays, celebrations of life and family reunions.

Residents of Sun City enjoy a 50 percent discount on room rental fees at The Summit and Skylight Room.

As the weather warms, patio service will become available at both restaurants. An early happy hour at The Summit or Tavern at the Falls is a perfect place to meet neighbors and friends.

"Our Friday Night Bridge Club had our own Sun City Food & Beverage cater two events for us in 2018," said Club President Jan Edwards. "One was a deli buffet and the other a holiday dinner. The food was excellent both times. I can't say enough about Anthony, the manager. He is so eager to please, really pays attention to detail and is truly a pleasure to work with."

## Area Crime Analysis

**B**urglaries and break-ins reported here are located within 2 miles of a center point in Sun City Summerlin. Crimes include those committed on homes, businesses and automobiles in neighborhoods in and adjacent to Sun City Summerlin.

During a recent four-week analysis there were 86 crimes reported in the charted Summerlin area, only four of which happened in Sun City Summerlin. Forty-two of the 86 crimes involved burglaries, including two at businesses on Del Webb and Sun City boulevards, and two in private Sun City homes on Boca and Faiss drives. Each of the six burglaries within the community occurred on perimeter streets.

**Focusing on Summerlin area crime reports:** There was one theft from a car in Sun City, near the Cheyenne Avenue perimeter wall. Generally, there was a spike in car thefts in neighborhoods to the east and north of Sun City. Drivers should make sure their cars are locked and valuables are out of sight. Safer still, park the car inside a locked garage and do not leave the remote garage door opener inside the car. During the same period, 38 other reportable crimes were handled by Metro's Northwest Area Command, involving assaults, DUI, drug abuse, vandalism and fraud. All of those crimes were located outside the boundaries of Sun City Summerlin.

**Breakdown of incidents by days:** 10 percent of burglaries were reported on Sundays; 24 percent on Mondays, 19 percent on Tuesdays; 9 percent on Wednesdays; 10 percent on Thursdays; 23 percent on Fridays; and 5 percent on Saturdays.

**Burglary locations:** There were 36 automobile and building burglaries committed outside of Sun City in nearby neighborhoods, including 11 burglaries between Cheyenne Boulevard and Alexander Road to the north, 11 burglaries east of Rampart Boulevard in the Desert Shores community, 11 burglaries south of Lake Mead Boulevard in the Hills area and three burglaries west of I-215 in a new residential area.

**Barbara Holden,**  
SCSCAI BOD liaison,  
Neighborhood Preparedness  
Team

**Reported times of the day:** 17 burglaries were reported between 6 a.m. and noon; one burglary was reported between 6 p.m. and midnight; 23 burglaries were reported between noon and 6 p.m.; three burglaries were reported between midnight and 6 a.m. Ninety-nine percent of area burglaries were reported during daylight hours, when residents are more likely to be out of their homes.

*(Information in this report was provided by the Las Vegas Metropolitan Police Department's (Metro) official crime-reporting website, crimemapping.com.)*

Neighborhood Preparedness Team meetings are held the third Wednesday of the month, 9 a.m., at Desert Vista. This crime analysis was prepared in conjunction with Sun City's Security Patrol.

## Don't Think Twice: Automobiles Have Right- of-Way at Golf Crossings

**W**hen it comes to golf in Sun City Summerlin, safety is the No. 1 concern for residents and visitors, alike.

The most frequently asked question about golf carts in use is who has the right of way at street crossings? The answer: The automobile always has the right of way.

If a vehicle stops on the street and waves a golf cart across, cart drivers should refuse and wave the car through. Golfers can never count on other traffic stopping.

For an automobile driver in the community, it is imperative when driving on the streets that border the golf courses to slow down to a crawl but do not stop. Motorists have the right of way, and must always remember to use that right-of-way with a slow caution.

## BILL STEINBAUGH: A LIFE AT SEA

By Bob Cohen / Link

**H**e was born in Erie, Pennsylvania, and grew up just two blocks from Lake Erie. By the time he graduated high school, World War II was in full swing. Fifty-eight years later, Bill Steinbaugh would move to Sun City Summerlin.

"I was pretty frail as a kid. Had asthma. I registered for the draft in 1943, but they kept rejecting me as 4-F," said Bill. "Four times I was called to take the physical, four times I was re-

jected. There were lots of jobs on the ore boats plying the Great Lakes, so I went to the local Coast Guard station and got a Seaman Certificate. I had planned on getting a job on an ore boat, but the Coast Guard must have notified the War Shipping Administration of my certification because I was quickly contacted by them and offered paid transportation to New York. I grabbed it.

"In those days, in the Merchant Marine, your expenses on

shore were your own. You only got paid when you were assigned to a ship. I was an 18-year-old kid with very little money, so when I got to New York I found a cheap hotel and started looking for a job. The first place I went to was the hiring hall, but it was jammed. I started to get worried because I was low on cash and needed a job fast.

"Then I thought to go to the War Shipping Administration Office; after all, they had paid my transportation to New York. I went there, introduced myself and was greeted with 'Are you ready to go to sea?' Right then and there I was signed on to a brand new tanker, the Chesapeake Capes."

The Chesapeake Capes was a 523-foot tanker capable of holding just under 6 million gallons of gasoline, a product that was in high demand in Europe. It was powered by a 6,000-horsepower turbo-electric engine and was capable of doing 14 to 16 knots.

"When I woke up in the morning, we were already underway. As we passed the Statue of Liberty, the Queen Mary was coming in from England to pick up another load of soldiers as part of the D-Day buildup. We were not only carrying

the full load of gasoline, the top deck was loaded with new P-51 Mustangs. We were heading to England.

Outside of New York, the Chesapeake Capes rendezvoused with a large number of cargo ships and oil tankers, along with their Navy escorts to form a convoy.

"I never did see any submarines or other German ships, but the destroyers accompanying us sure seemed to be busy. Every once in a while, they would detect an enemy submarine and go to work with their depth charges. We made it across safely and, in

fact, all of our crossings were pretty routine and brought our cargo up the Clyde River to Glasgow, Scotland. The interesting thing there was that they used Italian POWs to unload the planes," Bill recalled.

"We returned to New York, loaded up again and shuttled back to England. In late 1944, we pulled into Cherbourg, France, and unloaded. There, as in most places, we anchored off shore and pumped our fuel to on-shore storage tanks.

"Right after the war, I shipped out on the Robin Adair, a 425-foot cargo ship built in 1920 and powered by a single steam engine. By 1945, she was already pretty old, which contributed to this being the most

### Land, Sea & Air Stories

The Link staff has been busy working on an addition to the online version of the Thank You for Your Service articles that appear on Suncitylink.com. Starting with the March edition, a new tab was added to the Table of Contents that features the continuation of all TYFYS stories that originate in the published Link. The section also includes a new feature, Land, Sea & Air Stories that showcases the work of other talented residents. These first-person accounts of resident veterans will be available online only.

Life in the military can be routine, 8 a.m. to 5 p.m., or the exact opposite. In many cases that boredom (or the horrors of war) is spiced up by events that could be considered comic relief. In the Navy, those stories are called "sea stories." Ground pounders often refer to them as war stories, even if they are not actually combat related. Writers may call them vignettes.

In the first story, U.S. Navy veteran Bruce Adams relates the trials and tribulations of merely trying to report to his first duty station.

The Link invites all resident veterans to submit ideas for future columns. Accepted pieces will be published under your byline, so here is your chance to be a published author.

Submit your ideas to Bob Cohen at [rmc805@icloud.com](mailto:rmc805@icloud.com), or call him at 702-982-2588 with any questions.

**MISTINGUETT PRODUCTIONS PRESENTS BILL FAYNE'S "BACKSTAGE CABARET"**

**Tuesday, May 28, 7 - 9 p.m. | \$10**

Bring spring in this May to The Summit, where the popular "Backstage Cabaret" will present the talented singers/performers Randal Keith and Kirbi Long. Randal has been seen around Las Vegas in several productions, including "Les Miserables," "The Phat Pack" and Steve Wynn's "Showstoppers." He has been seen in several productions at the Starbright Theatre, as well, but never like this in such an intimate, up-close-and-personal way. Kirbi is equally visible around town, seen in Bally's "Jubilee!" "Divas 3" and Mistinguett's "Showstoppers" at the Starbright. Bill Fayne brings only the best to his "Backstage," and this one will not fail to impress.

# CLUB SPOTLIGHT

## Zoom Zoom Club

GET CARRIED AWAY WITH EXERCISING THAT'S FUN!

Zoom Zoom Club President Marla Fair, center, invites everyone to get moving at the May 21 demonstration at Desert Vista.

Front: Instructor Ruth Cuti. Second row left to right: Elma Quinn, Bonnie Edney, Dolly Marzlender, Jane Lanag, Mary Beth Nissen. Back row, from left Anthony Cuti, Carol Rudolph, Donna Messenger, Marion Eash, Doreen Drinan, Sandy Stromme

"Nobody is going to stick to anything they're not having fun with, and in Zoom Zoom we have fun," said Club President Marla Fair.

A relatively new chartered club in Sun City, Zoom Zoom offers residents the chance to work out in and out of the water as all classes take place at Sun Shadows, some in the fitness studio and others in the swimming pool. In addition, the Club has the ability to offer sit-down classes for those who need a chair for stability. While not a regular offering at this point, a chair class can be added if Marla receives enough requests for one.

"I have always been an athlete and could do anything, Marla said. "But when I had to have an unexpected back surgery my ability to exercise changed. For me, the water classes are perfect because the water offers great resistance for a workout."

For those who may be familiar with Zumba®, don't be fooled by the Zoom Zoom name. This workout is not a copy of the popular franchised program. According to Marla, the Club's instructor, Ruth Cuti, is a certified Zumba® instructor, and she employs the same exhilarating Latin-themed music that's tailored for seniors.

"There is such a variety of music designed for every fitness level," Marla said.

"The whole point about the Club is moving. Everyone says walking is the best form of exercise, and it's great. But it doesn't necessarily address your arms, head and shoulders," Marla said.

Plus, oftentimes walking is done alone, she added, whereas in class, there are lots of members, women and some men, who are learning the exercises and having fun.

"When I first started exercising with the Club there was a little hop that I couldn't do," said Tony Cuti. "But now, I can jump and my pants are loose as I change from fat to lean. The exercises really work the body in a different way and I can see results."

## CHARTERED CLUBS

(The deadline for June 2019 chartered club articles is Wednesday, May 1. If you have any questions, contact Jeannette Carrillo, Link managing editor, at 702-966-1436 or email her at [jeannettec@suncitylv.com](mailto:jeannettec@suncitylv.com).)

### Aquacize

There is truly nothing better than summertime at the pool, unless it is Aquacize classes at the pool! Check out our great classes that combine socializing and aerobic exercise. Summer Aquacize class hours have started. Mountain Shadows classes are outside, 8 a.m. and 7 p.m.; Desert Vista class is outside at 8 a.m.; Sun Shadows class is indoors at 10 a.m. All classes are offered Monday-Saturday, except the Mountain Shadows 8 a.m. class does not meet on Saturday. \$10 a year lets you come to any of our four class times. You can try out two sessions without charge before you join the Club. We also have three business meetings/socials per year. Our next general meeting will be a pizza party on October 16. More details will be available as we get closer to the date. For questions, call our President Jill Robinson, 217-836-6099.

### Art

Monday, May 20, will be the last general meeting until September. We're proud to have Bobbie Ann Howell, a Nevada artist, as our guest speaker this month. Ms. Howell taught drawing, sculpture, design and painting at UNLV and CSN for many years. She is now program manager for Nevada Humanities and a consultant for a number of cultural and art organizations. Summer workshop information will be sent via email or published in the Link. Mai Zimbleman will have her work on display at Mountain Shadows this month. For Club information, log on to [suncitysummerlinart.com](http://suncitysummerlinart.com), or contact Steve Brenner, 749-7737.

### Arthritis

Do those painful joints keep you from exercising? We have a solution. Slip into your swimsuit and join us in the pool for soothing exercises that get those joints limbered up and relieves pain. These exercises safely move every part of the body. Stretch-

ing, range of motion, flexibility and balance improve health and wellness. This low-impact pool exercise club meets Tuesdays and Thursdays, 10:30-11:30 a.m., Desert Vista indoor pool. Check with your doctor to ensure you are fit enough for the class. Annual membership dues are \$35. Please call Alan Gill, 708-309-4995, or Colette Gill, 630-639-6740.

## CHARTERED CLUBS

### Band Jam

If you are a Sun City Summerlin musician or vocalist who has no one to play or sing with, the Band Jam Club is looking for you. We are creating a musician's directory that will be available to all Club members. Use this directory to find your musicians and singers to create your unique band. Reserve the Pinnacle Music Room through the room scheduler or at the Social Monitor's desk if the date is within a five-day window and create your own musical magic. Annual dues are \$10. Please call or text Mike at 310-422-1184, or email [bandjamclub@gmail.com](mailto:bandjamclub@gmail.com).

Our members are extremely friendly and we love to welcome new players. We play partners format and everyone strives to reach 400 points in a round. In March, one player reached that goal, John Mahan scored a 419! Great round, John. Any questions? Call President Randy Wick, 949-307-0013, or Vice President Rhoda Merrey, 622-3735. Hope to see you at the tables!

## Dance Company Las Vegas

"Mamma Mia," "Nine to Five," "Blues Brothers," "Hello Dolly," "The Pajama Game." What do these movies have in common? We will dance to music from all of them and many more in our big show on May 11-12 and 18-19 at the Starbright Theatre. It's not too late. If you haven't gotten your tickets to "Hollywood Lights" yet, don't miss out. Great music! Great dancing! For more information about the Club, contact Jane Ross at 255-4100 or email at [sewdancer5678@gmail.com](mailto:sewdancer5678@gmail.com). (All photos of the Dance Company in the April and May Link issues were taken by Karleen Craig.)

## Dance Connection

Dance Connection added another great class, Be Moved, in April. Be Moved will be held on Tuesday and Thursday at 1:45 p.m. and Wednesday at 5:45 p.m. at Pinnacle. Be Moved inspires participants to embrace dance as a lifelong path to health, joy and fulfillment. Come try your first class for free! Other Dance Connection Classes – Get Movin', Just Dance, Get Up & Dance, Sittin' & DanSin', Absolute Beginner Line Dance, Beginning Hula, Round Dance, Absolute Beginner Ballroom, Dance Fit, Absolute Beginner Flamenco & Intermediate Flamenco, Line Dance 1&2, Ballroom, Advanced Hula, I-Moves, Kahiko-Ancient Style Hula, Island Movement and Beginner Round Dance. The Dance Connection serves all abilities at all levels, whether you're an excellent dancer, or if you're confined to a wheelchair or use a walker. We have a class especially designed for you! Dance Connection welcomes new members to any of our classes at any

time. Your first two classes are always free. Check out our new website, <https://scsclubs.wixsite.com/dance-connection>, or pick up our schedule at any fitness center or class. Call Kris, 443-8759, with questions.

### Euchre

Euchre is a card game usually played with four players per table (two partnerships). It is a trick-taking game with a trump suit and played with only 24 cards; cards below 9 are removed from the deck. We rotate tables and partners, so Euchre is a very social game for all levels. No partners are necessary. Lessons are available. Join us on Wednesdays at 6 p.m. at Mountain Shadows. Call John, 330-603-7863.

### Fitness

We offer a variety of classes, such as Cardio & More, Strength & Toning, Total Body Conditioning, Yoga, Pilates, Sculpt, Beginner's Yoga, Yin Yoga and Stability Ball Balance/Strength Training. The Club's full class schedule, registration details and updates are posted on the Club's bulletin board at the fitness centers. Extra copies can be obtained from the monitors. Annual dues are \$10 and are pro-rated at mid-year. Sun City residents who are not Club members may attend two classes to measure appropriateness before joining. Fitness Club members not registered for the term of a class may attend single classes, space permitting, for a \$3 fee (non-members, \$5). Contact Daisy Greve, 808-368-6881, or email [scsfit@fastmail.us](mailto:scsfit@fastmail.us).

Then come to the French Club, which meets on Fridays, 2-4 p.m., for three separate groups in separate rooms at Sun Shadows. There are beginners, intermediate and advanced speakers. Dues are \$1 per year. Beginner and intermediate groups learn the basics of the language through reading, conversation and instruction. Course materials are included. The advanced group spends the first hour on conversation. At this level, grammar is only taught to correct members' errors. In the second hour, the group will read in French from a handout. The topic could pertain to fashion, culture, gastronomy, etc. For further details, call Arlene Krane, 255-6667, or Joseph Skibinsky, 233-3548. *Bienvenue! (Welcome!)*

### Golf (Men's) 18 Hole

The first general membership meeting of 2019 is Thursday, May 9, 12:30-2:30 p.m., Desert Vista. Put this on your calendar. I will post the agenda and other pertinent information prior to the meeting on our website, [18holers.org](http://18holers.org). "Golf is so popular simply because it is the best game in the world at which to be bad" -

A.A. Milne; It is played mostly by amateurs who seek to be like the professionals. May brings us our President's Cup Tournament. It will be played May 21 and 23. With the coming of warmer weather, we need to start to be prepared. Drink plenty of water and seek the shade. This will be our last month where we have all three courses at full capacity. Beginning June 3 through September 15, the second phase of our new irrigation project will begin at Palm Valley. This means that the back nine will be under renovation and only the front nine will be available for play. Our Club will be playing Highland Falls during this period except for the few times we will play Eagle Crest. We saw course improvement in the front nine renovation. Come September, we should see marked improvement in all Palm Valley fairways. At our March Golf Oversight Committee meeting it was agreed that the Committee will start meeting once a month. We will post pertinent information about these meetings on the website. As owners of the golf facilities your participation is greatly appreciated. If you have questions, check out the website or call Colbert, 859-979-4376.

Applications for membership are available at our golf shops and at [www.scsniners.com](http://www.scsniners.com). Questions? Call Pete Bentivega 941-223-6550.

Wednesdays at the same time are reserved for sectionals when needed, except for the month prior to the concert when that day is also a full rehearsal. Our director, Joey Spinella, provides us with top quality direction, and our accompanist Vicki Massie, with her talented fingers, helps prepare us for our fun and enjoyable concerts. Contact Darlene Vaughan, 307-330-8421, or email [popoagieranch@hotmail.com](mailto:popoagieranch@hotmail.com). We always welcome other singers from Sun City!

Members of the Club are at all skill levels so there's no need to feel uncomfortable. The Club meets on Tuesdays at 9 a.m. We play selections from the Hal Leonard E-Z Play #200 "Best Songs Ever" book, as well as other songs that may be of interest to the group. ### R.V.

Wagons Ho . . . That's the goal of the RV Club as we hold campouts at a variety of locations throughout the Southwest. We've gone to the Shakespeare Festival in Cedar City, Utah, enjoyed Bluegrass music on the beach at Lake Havasu, strolled through historic San Diego, meandered around Sedona, ridden a train that provided breathtaking views and enjoyed a BBQ turkey dinner while looking out on the rugged Colorado River's Black Canyon from Willow Beach. Plans are now taking shape for upcoming trips that will include a mix of both old and new destinations. Join us as we travel to Morro Bay, Calif., to enjoy the best of beachcombing and Central Valley wine tasting. If you have an RV or travel trailer of any type, or want to rent one, please join us! Make new friendships, marvel at what the geographic area has to offer and help us determine where we want to go! For information, call Club President Tim Troxel, 249-3239. We meet at Desert Vista the second Monday of each month at 7 p.m.

## Sawdusters

Stop by the shop and see all the new equipment – a planer, two saw stops, a band saw, a chop saw and a few smaller tools and a drum sander. If you have an interest in making things out of wood, we are now taking names for future beginner classes. We accept wood and tool donations. We are open daily from 8 a.m. to 7 p.m. All members must take a stop saw class on the saws before using them. We have installed security cameras; no tools are allowed to be taken out of the shop. For information, call Bev at 838-2621 or the shop at 240-1325.

## Security Patrol

Security Patrol is a volunteer organization made up of residents of the Sun City Summerlin community. We are the eyes and ears of the community, providing 24-hour patrol of the Sun City roads. Members serve as drivers, dispatchers and Information Center officers. Contact the Patrol at 254-2303, or visit us at base (located at the rear of Desert Vista's parking lot). We're here 24 hours a day, 365 days a year. Our membership meetings are held on the fourth Tuesday of each month at 7 p.m., Room 5, Desert Vista. If you are interested in joining the Patrol, we are happy to take you for a ride-along.

## Sewing (Just Sew)

It is officially spring and time for spring cleaning. The Just Sew Club will have its annual Purge Party Auction (formally White Elephant) on May 1 at Desert Vista, starting at 1 p.m. Each member and/or guest is asked to bring a new and un-needed or gently used and unwanted item from their home to auction. Most of the fun for the auction comes from the creative wrapping/presentation of these items. So, if you love to sew and love good company, join us on Wednesday, May 1. You also can visit us in the Sewing Room at Mountain Shadows any Thursday, 9 a.m. to noon. On those days, you can see our state-of-the-art sewing machines in use or browse items made by members that are for sale. As always, we appreciate any donated fabrics, notions and yarn. Contact President Sue Voigt, 457-8953, or visit our website, <https://scsclubs.wixsite.com/scsjustsew>.

## Shuffleboard

New members are always welcome. Play is Tuesdays, Thursdays and Saturdays at 9 a.m., weather permitting. Courts are located behind Mountain Shadows between the tennis courts and putt-putt golf. You are welcome to play the days that best fit your schedule. Any questions? Call Dori Gonzales at 303-929-4482.

## ANSWER TO LAST MONTH'S PUZZLE

## ARE YOU AWARE OF THE NEW MEDICAID LAWS?

A brother and sister came to my office, mom had passed years earlier and Dad, dying from Parkinson's disease, was entering hospice. He had been in a skilled nursing facility for the last ten years. The two kids had worked extra jobs to keep dad's house hoping for him to return home one day. Worst case the kids figured, when dad died they could recover their funds by selling the house.

**Medicaid has changed from being a benefit to a loan.** Every dollar spent by Medicaid is tracked. When you die, Medicaid expects to be paid back from your Estate. Instead of 200,000 people previously on Medicaid in Nevada, we now have over 600,000. Politicians have created a huge hidden tax, naming it a "recovery" rather than "a tax", has confused most people.

I explained to the brother and sister that Medicaid was no longer a benefit, but a loan. In their case, Dad was in a skilled nursing facility, \$8,000 a month (average cost in Nevada), 12 months a year, \$96,000 for 10 years or \$960,000. The end result was Dad's home was forced to be sold to pay Medicaid back. The kids received no inheritance and the years of working extra jobs to try and keep Dad's house rendered useless.

While most people can afford the cost of assisted living for a spouse. Few can afford the \$8,000 monthly cost of a skilled nursing facility. To qualify for Medicaid assistance a single person is allowed to keep \$2,000 in assets and if both spouses need assistance the amount increases to \$3,000. If you can't pay the \$8,000 a month, you'll be forced to reduce your life savings to impoverishment levels and have no safety net in order to receive Medicaid's help. There is a way to avoid this.

Contacting an Elder Law Attorney and planning for Medicaid as part of your Estate Plan NOW can save financial and emotional heartache for you and your family. I urge you to not let this happen to you and your family. **Protect yourself and find an Elder Law Attorney to speak with today.**

# THANK YOU FOR YOUR SERVICE

*Continued from page 37*

'exciting' voyage of my career!

"We left New York and brought a load of automobiles to Capetown, South Africa. The Robin Adair could only make 12 knots maximum, so it was a pretty leisurely run. After unloading our cargo and filling our holds with other cargo, we headed north up the east coast of Africa, stopping to pick up a load of exotic animals for delivery to Boston. Along the way, a fire broke out in one of the cargo holds. Try as we might, we couldn't get it out so we headed to Puerto Rico and anchored in the bay. Our insurance carrier insisted that we bring the smoldering cargo on deck, fully extinguish the flames and then reload it into the hold. That took 21 days! All this time, the wild animals were caged on deck.

"The ship headed north again, but when they were about 300 miles off Cape Hatteras, North Carolina, disaster struck again. The ship's sole engine died and they were adrift! A Mayday call eventually brought a Navy ship that towed them to Bermuda for repairs. Two weeks later, they were back underway to deliver the animals to Boston. Fortunately, all arrived safely even though the trip took about five weeks more than expected."

---

"I never did see any submarines or other German ships, but the destroyers accompanying us sure seemed to be busy. Every once in a while, they would detect an enemy submarine and go to work with their depth charges."

---

Much of the time after that voyage, and until the Vietnam War, Bill sailed the Great Lakes. But with the war came the need to ship tons of fuel once again.

"We were flying bombers out of Thailand for runs over Vietnam," Bill said. "We would sail to Saudi Arabia, pick up a load of jet fuel and deliver it to Thailand. We would also make cargo runs from the states to Vietnam."

All told, Bill spent some 40 years in the Merchant Marine, earning his Coast Guard certificate as a Chief Engineer/Steam Vessels in 1980. He also received a discharge from the U.S. Coast Guard for his service time in World War II.

After retirement, Bill used his steam engine knowledge to land a job at the Hillsborough County, Florida, courthouse. He met his wife, Marla, who, unbeknownst to him worked in the county tax collector's office, at single's dance. "It was a ladies' choice dance and choosing him was the best decision of my life," Marla said. "It was two days later that I learned he worked at the courthouse and that he was the chief engineer of all their buildings."

Bill and Marla will soon celebrate their 42nd wedding anniversary.

- III. **Introduction of Board Members**
- IV. **Verification that all in Attendance are Owners** (this is a members meeting and you must be the owner of the home to attend). Secretary, Bruce Alitt

The Finance Committee recommendation stated that Budget 1B provides for the day to day operations of the Association, funds the Reserve Account as recommended by the reserve study specialist who analyzed the assets of the community and provides for the addition of new assets if needed. By adopting 1B the contribution to the Reserve Fund is increased from \$60.00 per home per year to \$159.35 per home per year and will keep the Association Reserve Funding in the range of 67% to 76% which is deemed adequate for an Association of this size where the assets are properly maintained. The Association is now 30 years old and will start seeing major assets or equipment needing replacement. A summary budget is distributed to the homeowners via the May issue of the Link Magazine and includes among other things, the estimated annual revenue and expenditure of the association and the contributions to be made to the Reserve Account. The complete budget will also be available on the Web page and available for review at the Administration Office. Copies of the budget will be provided upon request.
