## Neighborhood Watch Most Effective Way to Safeguard Community

**Paul Henderson,**  
SCSCAI  
Executive  
Director

*Crime prevention is best accomplished in our community by being vigilant and embracing the Neighborhood Watch program.*

**W**e have had numerous meetings in the community regarding safety and security over the last few months. At the June 27 Conversation With a Cop, the Las Vegas Metro Police Department (Northwest Area Command) staff made a fabulous presentation to a packed audience at the Desert Vista ballroom. The overarching message in the meeting was: Crime prevention is best accomplished in our community by being vigilant and embracing the Neighborhood Watch program.

Some suggestions to accomplish crime prevention include:

- **DEVELOP A NEIGHBORHOOD WATCH** program in your immediate neighborhood. If you need a room to meet in, contact the Office of Community Services, 363-4790, and they can help you find a free room to hold your Neighborhood Watch meeting. Metro Crime Prevention Specialist Kathy Cassell will attend your meeting and assist if requested.
- **GET TO KNOW YOUR NEIGHBORS:** Neighbors watching out for each other is the basic concept of Neighborhood Watch; get to know the neighbors around you and develop a friendly relationship with them all. Learn what vehicles belong in your area and talk regularly, especially if you see something unusual.
- **SECURE YOUR HOME** whether you are at home or not. Burglaries are crimes of opportunity. If a potential burglar sees your home as more difficult to break into than another home, he/she will pass your home by. If it appears you have a vigilant Neighborhood Watch program, a burglar will pass your neighborhood by. Secure your home when you leave even for short periods of time. Deny burglars the opportunity to make you a victim by securing all doors and windows before leaving home!
- **KEEP YOUR GARAGE DOOR CLOSED** whether you are at home or not. Garage burglaries often occur during the day. Thieves walk into an open garage, remove what they want and are gone in a minute or two.
- **SECURE YOUR VEHICLE(s)** whether you are at home or not. The safest place for your car is in your garage. When your car is outside of the garage, keep it locked up. Valuables should be removed from the vehicle or at least placed out of sight.
- **ATTEND NEIGHBORHOOD MEETINGS** to keep informed about crime problems in your area, and discuss what can be done to reduce crime.

If we will all be vigilant and organize ourselves into active Neighborhood Watch groups, we will reduce crime in Sun City Summerlin. Please, let us all do our part to make Sun City Summerlin the safest place in Nevada.

## President's Message

### Benefits of a Volunteer Security Force Outweigh Private Option

Over the years many residents have asked me what the Security Patrol does for our community, and should we replace it with a private security company.

Having enjoyed 15 years of service to our community as a member of the Security Patrol, I believe I am qualified to answer that question. I have held the following positions in the Patrol: chief, watch commander, treasurer, head driver, instructor, driver and dispatcher.

dispatchers, as well as members who serve in our three information centers.

If Sun City hired a private security company, they would patrol our streets only and not perform the many additional duties I have described. The personal touch of neighbors helping neighbors would not exist, and your cost would increase substantially. Currently, each home in Sun City contributes \$10 per annum to the operating budget for the services of an all-volunteer

Photo by Stu Gershon/Link

**David Steinman,**  
President, SCSCAI  
Board of Directors

The Security Patrol provides unique services to the residents of Sun City Summerlin. In addition to patrolling the 73 miles of streets in our community 24/7, the members advise residents of open garage doors, respond to flashing 911 house lights and alert homeowners to water leaks in their yards and from water heaters. Drivers check on residents who do not respond to phone calls and those who have not been seen for hours or days. Calls to 911 by Security Patrol volunteers have saved many residents who were in trouble from falls or illness. In addition, drivers perform house checks on residents' homes when they are on vacation or extended leave. The drivers are backed up by excellent

force. In addition, residents contribute to the capital funds for five Patrol vehicles that are rotated on a three-year cycle, plus some miscellaneous capital items.

The potential of a paid security company working our streets would add several dollars to your annual Association payments without an increase in the value of your protection.

Some of you have noticed Metro patrolling our streets recently. This is the first time Sun City has had an agreement with the Las Vegas Metropolitan Police Department to have their cars enter our community for patrol purposes. We thank Metro for its manpower in taking the time to service our community on a regular basis.

"Bring It On" features an original story by Tony Award-winner Jeff Whitty ("Avenue Q"); music and lyrics by Tony Award-winning composer Lin-Manuel Miranda ("Hamilton, In the Heights"); music by Pulitzer and Tony award-winning composer Tom Kitt ("Next to Normal"); lyrics by Broadway lyricist Amanda Green ("High Fidelity") and was nominated for the Tony Award for Best Musical. **A concession stand is available for food and drink or bring your own picnic basket. "THE MYSTERY OF EDWIN DROOD"**

**Thursday, September 15 · \$30 per person includes transportation and show tickets**

*Bus departs Pinnacle at 5:30 p.m.; returns at approx. 10:00 p.m.*

This warm-hearted musical kicks off when a hilariously loony Victorian musical troupe, puts on its flamboyant rendition of the unfinished Charles Dickens mystery in "The Mystery of Edwin Drood." The story unfolds as John Jasper, a Jekyll-and-Hyde choirmaster, is madly in love with his music student, the fair Miss Rosa Bud. Miss Bud is, in turn, engaged to Jasper's nephew, young Edwin Drood. Our title character disappears mysteriously – but has Edwin Drood been murdered? And if so, then whodunnit? The giddy playfulness of this play-within-a-play allows the audience to vote on one of several hilarious endings! **A concession stand is available for food and drink or bring your own picnic basket. You may bring blankets or regular folding chairs or rent a folding chair at the park for \$1.**

**TUACAHN AMPHITHEATRE (IN IVINS, UTAH) PRESENTS  
"THE HUNCHBACK OF NOTRE DAME"**

**Thursday, September 22 · \$75 per person includes dinner at Chuck-A-Rama Buffet and show tickets**

*Bus departs Pinnacle at 2 p.m.; returns at approx. midnight*

From the Oscar®-winning team Alan Menken and Stephen Schwartz comes a lushly scored retelling of Victor Hugo's epic story of love, acceptance and what it means to be a hero. Based on the Victor Hugo novel and songs from the Disney animated feature, "The Hunchback of Notre Dame" showcases the film's Oscar®-nominated score, as well as new songs by Menken and Schwartz. Quasimodo, the deformed bell-ringer observes all of Paris reveling in the Feast of Fools. Held captive by his devious caretaker, the archdeacon Dom Claude Frolo, he escapes for the day and joins the boisterous crowd, only to be treated cruelly by all but the beautiful gypsy Esmeralda. Come see the Tuachahn amphitheatre transformed into 15th century Paris and follow Quasimodo on his adventure.

# LANDSCAPING

## Landscape Department

### Report Water Leaks ASAP to 254-4092

If you notice a water leak in a common area, report it ASAP to the Landscape Department at 254-4092 or 363-7655. You also can call the Security Patrol (254-2303). The Patrol will email the Landscape Department and we will take care of the problem. Please do not try

to stop the running water yourself. In the past we have had people turn off valves, thinking it saves water when, in fact, it creates a problem. If an emitter is turned off, the area may look bad for a bit until it is corrected. However, if a valve is turned off and the irrigator does not notice it the action can result in a prolonged loss of water that ultimately can destroy trees and plants, especially during the summer months.

Please keep in mind that we do not upkeep the irrigation systems in townhomes; those are maintained by individual sub associations. Regarding safety throughout the community, please note that if you spot a trip hazard in any one of the common areas we would like to know about it ASAP. You may report uneven walking surfaces, etc., to the same numbers above, or let any of the social or fitness monitors know about its location.

Thank you for your assistance in helping to keep Sun City safe. I hope everyone is enjoying their summer.

*~ Louis Darling, Manager, Landscape Department*

# LVMPD BOOSTS POLICING

## IF YOU'VE SEEN MORE BLACK AND WHITE POLICE CARS IN SUN CITY LATELY, DON'T PANIC. IT DOESN'T MEAN THAT THERE HAS BEEN A RISE IN CRIME THAT OFFICERS ARE

responding to. On the contrary, it is testament to the Las Vegas Metropolitan Police Department's pledge to work more closely with SCSCAI and its Security Patrol to increase community policing.

The boost in Metro's Sun City presence is a permanent move by the agency in response to incidents that began in April. First, two failed early morning robbery attempts on residents got the Association's attention. Next, a story in the daily newspaper of the attacks captured Clark County Sheriff Joe Lombardo's attention.

As a result:

"Every day officers are driving through the community and checking in with Security Patrol," said Lieutenant Nick Farese of LVMPD's Northwest Area Command. "Officers now check in with your Security Patrol twice during their three daily shifts – day, swing and graveyard. They let the chief or watch commander know what they see and we rely on the Patrol to share similar circumstances."

At the Conversation With a Cop event in June, Lt. Farese took the opportunity to tip his hat to Sun City's Security Patrol before a packed roomful of residents. According to

the lieutenant, Patrol volunteers are doing a great job of patrolling and being seen. "That is their biggest job," Lt. Farese said, adding, "You have resources here who are dedicated. It's a good conduit wherein they can relay information to the police and that's what I need from you."

With that the lieutenant offered residents a rundown of what Metro has been working on in Sun City over the past few months:

Regarding the robbery suspect in the April incidents, Lt. Farese said, "We solved those crimes within a week. The suspect was arrested. He posted bail and did something else (dumb) and now he's back in custody."

Other crimes Farese talked about included three June burglaries; two of which have been solved, the other being the burglary of Chase Bank that occurred after hours. That crime is now an FBI case, he said.

In one of the June burglaries, Lt. Farese explained how the suspect targeted golf-course-facing homes where he would hunt for jewelry and then fence it in Arizona. "We arrested him and now those crimes have ceased," he said.

Other incidents where Metro has partnered with Security Patrol, Paul Henderson, SCSCAI's executive director, and the Board of Directors to resolve community issues involved vacating a house occupied by squatters and two other disturbances that involved homes occupied by rowdy neighbors.

Lt. Farese also described how detectives identified individuals who had been stealing Sun City golf carts following

the discovery of a nearby chop house. Recovered property revealed matching serial numbers from the stolen property.

Overall, Lt. Faresse told residents that compared to the rest of the valley, Sun City Summerlin is a very safe place, something he attributes directly to Security Patrol volunteers, concerned residents and his officers.

"We've been pretty active in the community, solving 65 percent of the crimes within 45 days and having almost 200 visits to Security Patrol (from March to June)."

## Looking for a Few Good Men, Women

Security Patrol's primary mission is to monitor every street in the community, establishing a visual deterrent to crime, 24-7. The Security Patrol's 220 members work as watch commanders, dispatchers, drivers and information specialists. There are six daily shifts, each are four hours long. Thirty-two volunteers are needed to patrol the community for a single day.

Security Patrol officers are not involved in duties performed by law enforcement officers. They do not carry weapons or attempt to arrest anyone.

SCSCAI director Ellen Bachman also is Security Patrol's personnel officer.

"Our volunteers' comfort and safety are paramount," said Ellen adding, "The quality of volunteers who serve the Security Patrol is exemplary and a fundamental reason for their terrific work ethic is clearly apparent – they live here, too."

To learn more about making an important contribution to your community by joining this select group of community volunteers, call Ellen at 966-1453.

## CRIME MAPPING

Residents can track crimes that have been reported to the Las Vegas Metropolitan Police Department over a seven-day period via the agency's crime mapping tool. To use, log onto [Lvmpd.com](http://Lvmpd.com). Click on the Protect Yourself tab and a drop-down menu should open. Locate Crime Mapping (third option down) on the menu and click on it. When the screen opens, enter your address, including your Zip code, in the upper left-hand corner and hit enter. Crimes are identified by symbols representing burglary, stolen vehicle, disturbing the peace, assault, etc. You may also create a crime alert for your address, where you will receive an email following the report of a crime within a preselected distance from your home. According to LVMPD Crime Specialist Kathy Cassell, residents "should limit searches to a half-mile radius. It's easier to see crime in your immediate vicinity. More than a half-mile and it gets overwhelming," she said.

# PROPERTIES **Common Area Properties**

## **Turf Reduction Saves Water, Money, Boosts Beauty**

**Sue Papilion,**  
Chairwoman,  
Common Area  
Properties  
Committee

**W**ater is a very precious commodity in the desert. Three years ago the Common Area Properties Committee and your Board of Directors approved a landscape strategy designed to save water by removing grass. The overall goal was a 20 percent reduction in water use over three years. To date, the Landscape Department has completed 50 percent of this turf-reduction goal, with most greenbelts, the Pinnacle and Mountain Shadows remaining to be xeriscaped. However, as of May, Sun City Summerlin has saved 25 percent on its landscaping water bill, or \$88,000. This savings reflects a greater total than what was recorded last year!

Residents can see the landscape strategy in action along Greenbelt No. 7 on Sundial Drive near Lotus Hill Drive. The greenbelt is one of Sun City's largest and most beautiful. Turf reduction was completed 18 months ago. Today, it is wonderful to walk along Greenbelt No. 7 and enjoy the variety of beautiful plants that flower all summer long. Over the next couple of years most all of the community's greenbelts will convert to a similar look for you to enjoy.

*Turf reduction along Greenbelt No. 7 was completed 18 months ago.*

**The next CAP meeting is Tuesday, August 9, 9 a.m., at Desert Vista.**

# PREPAREDNESS **Community Preparedness Committee**

## **Top Concern Is Helping Residents Stay Safe**

**Karl Wiedemann,**  
Chairman,  
IT Committee

**T**he Community Preparedness Committee's responsibility to Sun City Summerlin works in conjunction with the Security Patrol. The committee's role is to educate residents on ways to help promote security and prepare for disasters in Sun City. For example, CPC will sponsor Certified Emergency Response Training (CERT) classes for interested residents, with Las Vegas Fire & Rescue or another qualified agency providing the training.

The immediate goal of CPC is the promotion and support of active Neighborhood Watch programs throughout our community. Based on the interest expressed in events like Coffee with a Cop, Sun City residents are primarily con-

cerned about their home security. One of the best ways to protect against break-ins and burglaries is to set up an active Neighborhood Watch. According to Las Vegas Metropolitan Police officers, this is the best deterrent against burglaries. CPC will help interested neighborhoods in doing exactly that. In addition to guidance, we can request the free use of a meeting room by residents for Neighborhood Watch events, subject to availability.

Please consider taking an active role by joining either Security Patrol or CPC.

**CPC Does not meet in August.**

## The Benefits of Massage Therapy

**Kristie McWhorter**, MS, CPT, GFI, Fitness Manager  
 kristiem@suncitylv.com  
 fitness@suncitylv.com

**D**id you know that one of Sun City Summerlin’s many amenities for its residents is having a massage therapist located in the Pinnacle Fitness Center? Until recently, Molly Sher, also a resident, has been taking care of residents and providing massage therapy for more than 17 years. With Molly’s recent retirement, we are looking to expand the massage services provided to SCS residents.

Massage therapy or bodywork is generally considered part of complementary and alternative medicine. It’s increasingly being offered along with standard treatment for a wide range of medical conditions. Studies on the benefits of massage demonstrate that it is an effective treatment for reducing stress, pain and muscle tension.

Massage is a general term for pressing, rubbing and manipulating one’s skin, muscles, tendons and ligaments. Massage may range from light stroking to deep pressure. There are many different types of massage, including these common types:

**Swedish massage.** This is a gentle form of massage that uses long strokes, kneading, deep circular movements, vibration and tapping to help relax and energize.

**Deep massage.** This technique uses slower, more-forceful strokes to target the deeper layers of muscle and connective tissue, commonly used to help with muscle damage from injuries.

**Sports massage.** Similar to Swedish massage, but geared toward people involved in sport activities to help prevent or treat injuries.

**Trigger point massage.** This massage focuses on areas of tight muscle fibers that can form in muscles after injuries or overuse.

Massage therapy can offer numerous benefits:

- Alleviate low-back pain
- Ease medication dependence
- Enhance immunity by stimulating lymph flow
- Exercise and stretch weak, tight or atrophied muscles
- Increase joint flexibility
- Lessen depression and anxiety
- Relieve migraine pain

There’s no denying the power of bodywork. Regardless of the adjectives we give it (pampering, rejuvenating, therapeutic) or the reasons we seek it out (a luxurious treat, stress relief, pain management), massage therapy can be a powerful ally in your healthcare regimen.

# HEALTHY Health and Fitness

## Charli's Corner

*Smith Machine  
Chest Press*

**Charli Sue Douglass**  
SCSCAI Fitness  
Specialist, CPFT, GFI

**H**ave you ever wondered what that ominous-looking triangle apparatus with a big bar is in the fitness centers? It is called a Smith Machine and is used to assist with workouts. The Smith Machine allows users to add more weight and have more balanced control with the bar. It may look daunting, but the Smith Machine can be used for hundreds of exercises that can work various parts of the body.

The chest press is a common exercise you can do with weight machines, dumbbells and the Smith Machine. To use it for chest presses:

**SET UP:** Before entering, raise the bar to allow you to place the bench underneath the bar. Lie down on the bench (flat or inclined) and adjust the bench so your chest is directly under the bar and your feet are on the floor or on the end of the bench.

Place the spotter or breaks (only at DV and MS) high enough to catch the bar if it becomes too heavy to lift.

Add weight plates to the bar. The bar alone

weighs about 25 pounds. Beginners should test the bar weight first to see if they need to add weight. If you feel you can work with it, then add weight in small increments.

**DO IT:** Lie on the bench (flat or inclined) with your feet facing out and grab the bar. At DV and MS: Push up and roll your wrists back to take the bar off the rack. At Pinnacle: push up and roll your wrists forward to take the bar off the rack.

Lower the bar until the back of your arms is level with the bench. Press up until your arms are straight out.

Repeat for 10 to 15 reps; re-rack the bar.

## MR. GYM ETIQUETTE

Hand sanitizer is a great product for reducing the number of germs on our hands in between handwashing. However, it isn't a great product for sanitizing equipment surfaces. The gel formula leaves a residue behind that damages the equipment surfaces and it is formulated to reduce but not eliminate germs. Please use the hand sanitizer for hands and the equipment sanitizer for the equipment.

## Do You Know?

### Residents Enjoy Discounts on Sun City Room Rentals

Do you know it is possible to rent some of our Sun City Summerlin facilities for your private events? Imagine a private party in our beautiful Summit, where you can entertain friends and family, or perhaps it is an event inside the Starbright Theatre or the ballroom at Desert Vista. Sun City also offers lush picnic areas, and it is even possible to buy out any one of our golf courses if there are sufficient numbers of golfers for your event. Of course, all rental opportunities are subject to availability with regularly scheduled Sun City events given first consideration.

In the past our facilities have been venues for milestone birthday parties, memorial services, anniversary celebrations, celebrations of lives, farewells to dear neighbors, weddings and much more. Businesses and organizations also can rent our spaces; many of us recall the recent political rallies that put our Sun City in the national spotlight.

But for residents, Sun City aims for special treatment.

The following rental rates are for Sun City residents only, who can show a valid Association ID card. These rates are discounted from the published public rate. Prices are for room rentals only and DO NOT include fees for deposits, setup, attendants, dance floors, BBQs and other additional services. For the complete list of rental rates, services and room capacities, visit [scscai.com](http://scscai.com).

## RESIDENT DISCOUNTS

### Desert Vista

*Fees are based on a two-hour minimum and range from \$100 for Room 1 to \$500 for the ballroom.*

### Starbright Theatre

*Two-hour minimum is \$300.*

### The Summit and Skylight Room

Rentals of The Summit Room and Skylight Room are priced by the hour, ranging from two hours to eight hours. To rent The Summit and Skylight Room together, residents can expect to pay from \$500 for two hours to \$1,100 for eight hours. Skylight-Room-only prices range from \$200 for two hours to \$500 for eight hours.

### Picnic Areas at Desert Vista and Mountain Shadows

*No charges apply.*

While outside caterers are permitted to provide for events in Sun City, the catering firms must have a current business license and meet Sun City's insurance requirements. A recent SCSCAI policy permits Sun City clubs and organizations the use of The Summit at no charge subject to availability. And as in the past, Sun City clubs and organizations are able to use space in our community centers rent free when space is available.

Avoid host and/or hostess stress and let our wonderful employees make your private event so very special.

For additional information on renting The Summit or Skylight Room, or for questions regarding catering, contact Shannon Posatiere, 343-2223. Shannon is also the person with whom you may arrange portable bar service at Desert Vista and Mountain Shadows. # RESIDENTS' FORUM Monthly Meeting

## A Presentation on Your Personal Safety and Security

Wednesday,  
August 14,  
7 p.m.,  
Desert Vista

Edward Norton, a consultant on security for the United States government and Special Forces in the Middle East will make a presentation called "Situational Awareness" to Sun City residents during the monthly Residents' Forum meeting. The program will offer food for thought on the subject of personal security and how to protect yourself in a variety of environments.

Norton was hired by Sun City Summerlin to assess the risk of theft in our community. Over the past several months he has met with staff, the Board of Directors and the executive director to learn about our safety concerns. He

has evaluated things like community lighting, building entrances, the current security system and more, and he has prepared a report that details his suggestions for improving our community's security. The Residents' Forum has invited him to speak in general about safety and how you can minimize your day-to-day risks.

Please join your fellow residents for what should be a wonderful presentation that will provide you with the tools to feel safer in your home, in public or while you are traveling. Doors open at 6:45 p.m. As always, there will be great refreshments.

# THE GREATEST MEETING OF ALL

In September 1999, most of the East Coast of the United States was recovering from Hurricane Floyd, one of the worst storms to hit the area. One of our Sun City Summerlin residents, Sarah Edwards, was preparing to return to Las Vegas after visiting her son Morry, whose birthday had been in July. The flight home would take Sarah from Miami to Vegas.

As she waited in Miami to board her flight, an announcement came over the public address system. The broadcast stated that the airplane was full and there was an elderly gentleman who had to make the flight. The announcement continued to state that the gentleman was not feeling well. After thinking about it for a minute, Sarah said she made her way to the check-in desk and told the attendants that she would be willing to offer up her seat.

"I felt so blessed that I was able to help someone," Sarah said.

After some time, Sarah recalled an attendant approach her who said that the man she had given up her seat for would like to meet her. Little did she know that she was about to meet The Greatest . . . Muhammad Ali.

Ali couldn't speak, Sarah said, but he thanked her and offered her \$400 for the seat, which she immediately refused. He then asked for a hug and Sarah obliged. With a photo to mark the moment snapped, Sarah was left with both the feeling of being able to help someone along with a keepsake of a modern-day icon.

"He was so sweet!" Sarah said, remembering the day she met The Greatest.

# Sunshine Service Practices 'Friend in Need' Philosophy

When the Del Webb Corporation established Sun City Summerlin, a mandate was included for the Sunshine Services organization with space allotted to them adjacent to the Security Patrol offices at the Desert Vista. They knew that everyone needs a helping hand sometime. And when you move into a new community, it takes time to develop friendships.

Whether you have lived in Sun City Summerlin long enough to establish friendships or you are a newcomer, the day will probably come when you need to call on someone for assistance. Like a good neighbor, Sunshine Service is there.

Although you can't borrow a cup of sugar, the Sunshine Service will lend to Sun City Summerlin residents (with a valid Association ID card) just about anything needed in the way of medical equipment or children's accessories. To give you an idea of its scope, in a recent six-week-period, the Club assisted 246 residents, according to Lou Pasqualin, current president.

Need a wheelchair? Crutches? A cane? A walker? A shower seat? A fold-out mattress? Or perhaps it's not a medical emergency, but let's say your daughter and hubby are visiting to introduce your new grandchild and you need a crib or a highchair. A stroller, a car seat, or that unique child's chair that unfolds to become a small bed are all available at the Club's warehouse.

And what does this cost? That depends on who is paying. There is no charge to the borrower, but there is a cost to purchasing and maintaining the

equipment. The service is supported solely by donations from grateful Sun City residents.

Your neighbors at the Sunshine Service will happily lend you the equipment you need. They ask only that you keep it in good condition and clean it up before returning it on time. Medical equipment is loaned for up to two

months; children's equipment for two weeks. Extensions can be arranged. Lou said, "Most borrowers are very grateful for the service and return the equipment in good condition and in a timely manner."

In addition to lending equipment, the Sunshine Service collects aluminum tabs and Campbell's soup labels for charity. They keep barrels at their warehouse and at Mountain Shadows for donations of non-perishable food items for the Salvation Army.

The organization has 96 members who take turns staffing the office Monday through Saturday, 9 to 11 a.m. About 85 percent are women; the men perform much of the maintenance and repair work that is a normal consequence of lending equipment. There are no dues to belong to the Sunshine Service, all one needs is a caring heart and a desire to help one's neighbor.

It's not all work and no play, however. The group gets together for monthly meetings and social events. It's a great opportunity for newcomers to volunteer, meet their neighbors and get involved in their community.

If you'd like more information about the Sunshine Service, call 341-9741.

## "CALIFORNIA DREAMIN'"

*Saturday, August 13, 7 p.m. · \$20*

Take a nostalgic and moving musical ride in this tribute to The Mamas and the Papas, Simon and Garfunkel, The Carpenters, The 5th Dimension, Peter, Paul and Mary, Joni Mitchell, Burt Bacharach and The Association. Experience the easy listening, feel-good ballads of the musical folk renaissance, along with many of the upbeat and just plain fun songs that filled the radio airwaves back then. Gorgeous harmonies and introspective moments combine with historical narrative, energetic dancing and good laughs to create a truly touching walk down memory lane that will take you back and move you forward!

## "OH, WHAT A NIGHT!"

**A MUSICAL TRIBUTE TO FRANKIE VALLI & THE FOUR SEASONS**

*Friday, August 19, 7 p.m.*

*Saturday, August 20, 7 p.m. · \$20*

From the creators of the recently sold out show "Four By Four," Michael Chapman and Chapquist Entertainment present the long-awaited return of this smash hit show. This exciting musical revue once again teams the award-winning producer/director Michael Chapman with Motown producer George Solomon and choreographer Paul Holmquist. "Sherry," "Big Girls Don't Cry," "Walk Like A Man" and "Can't Take My Eyes Off You" are just a few of the many hits you'll enjoy from the dynamic songbook of those boys from Jersey. Great choreography, boundless energy, humor and, of course, instantly recognizable classic pop songs will make this, "Oh, What A Night!"

## "DUETS . . . THE GREATEST DUETS OF ALL TIME"

*Saturday, August 27, 7 p.m. · \$20*

One big name on a red-hot hit is great, but sometimes two superstar voices come together in an inspired pairing that's truly special. More than 50 years of hits single out the biggest song duets to ever hit the charts. With a superb cast of 8 performers from the Vegas Strip and hits from the pop and country charts, this show presents beloved duets by such singers as Donna Summer and Neil Diamond, Diana Ross & Lionel Richie, Elton John & Kiki Dee, Dolly Parton & Kenny Rogers, and Roberta Flack & Donny Hathaway. Songs include "No More Tears," "Islands In the Stream," "Time of My Life" and so many more. Crossing over to Broadway show duets, as well as some "Popera" pieces, you will enjoy a little Judy Garland and Barbra Streisand with a medley of "Get Happy," "Summer Nights" "All I Ask of You" and other favorites. Top it off with Andrea Bocelli & Celine Dion's "The Prayer." Truly an evening of fabulous music and singers.

Be sure to get your tickets early for all Starbright Theatre shows. If an event sells out, every attempt will be made to sell tickets as well as at the Mountain Shadows, Desert Vista and Pinnacle community centers. All tickets can be purchased online with a credit card, or pay with cash or check at the community centers (except for the Mountain Shadows).

## HOOTENANNY

**HICKORY WIND PERFORMS**

### **"A GOOD OLD FASHIONED HOOTENANNY!"**

*Wednesday, August 31, 7 p.m. · \$12*

When is the last time you went to a good old fashioned hootenanny? A place where you could hear those great folk songs you sang along with back in the day. Hickory Wind brings those feel-good songs back to life for your enjoyment with a sound inspired by Peter, Paul and Mary, The Kingston Trio and New Christy Minstrels. If you have never been to a hootenanny, the experience will give you a feeling of the music that shaped our culture and reflected the times back in the 1960s, and '70s. Don't pass up a chance at some real history in folk music. Break out the tie-dye, love beads and granny glasses. Peace and love!

Sun City's Community Theater is proud to present a delightful, light-hearted fantasy, starring a life-sized rabbit, a raven, witches and fairies. Things have not been right in town for a long time and they are about to go from wrong to awfully wrong if a bewitching mystery is not solved today! Since not even the local fairy godmother, her junior fairies, the resident raven or the big, befuddled funny have a clue, it is time to send for some out-of-town talent. Will the horror of Franzalvania Hollow remain horrible, or will a heroine save the day? Come and find out.

### **"BILL FAYNE – 60 YEARS OF MUSIC, FAMILY AND FRIENDS"**

# CHARTERED CLUBS

## Look What's in the Window

### CLUB SPOTLIGHT: Stained Glass Club

The Stained Glass Club began in 1990. At first, only men were allowed to join the club but that all changed in 1993 when the first woman added her name to the group's roster.

"Patience is the key for beginners as creativity comes along as you set up your project," said Club member Georgia Rutkowski. "Once it's done your project can be placed on an open shelf, ready for use. I personally make windows for our home." And, if you need help while working on your project, Georgia said there are always experienced members around to assist. According to Vice President Walter Medla, the Club has an extensive library of pattern books that members can use as a guide to help gather ideas for their second and subsequent designs. Why second? That's because after completing the required instructional class, members are assigned their first project – a tulip, which builds on all the basics of assembling a work of art. The required class also instructs new students on the safe and proper use of all the equipment. Once their tulip is completed, members are on their own to let their imaginations run wild. As for the Club's studio, Walter points out that Sun City's two dedicated studio rooms are equipped well beyond many setups he has seen in the valley with grinders, equipment, lockers, miscellaneous supplies and surplus glass inventory.

The Stained Glass studio at Mountain Shadows is open daily from 8 a.m. to 9 p.m. Club dues are \$25 a year and formal meetings are held quarterly. Following the business meeting, members show off their work where they share tips and tricks and talk through problems and successes of their individual projects.

If you're interested in starting or rekindling a hobby, drop by the studio or call Club President Sam Policicchio, 704-4492.

## Fitness

The Summer term is in session with spots available for some classes. New members now pay half-year membership dues of \$5. This term ends September 17. That also will be the paid-by deadline for fall class registrations. Our daytime and evening classes are taught by certified instructors under contract. Members are emailed each term's full schedule of daytime and evening classes, registration details, news and updates. The term's schedule is posted at each fitness center and monitors have extra copies to give out. The Club website, <http://scsfitnessclub.us>, has the schedule and more. We keep waiting lists to track interest in proposed classes (at least 10 required), such as a fall session of Pure Strength at the Pinnacle weight room, as well as a second session of Stability Ball Strength Training. Other classes include Cardio and More, Chi Ball Flexibility, Pilates (day and evening), Yoga (day and evening), Strength and Toning, Total Body Conditioning, Zumba, plus Zumba Gold. The fee for the 12-week term is \$25 for all classes except PS and TBC, which are \$5 each. Partial-term registration fees are on our website. To contact us, call Kim, 253-347-5608, or Mery, 228-8417, or e-mail [scsfit@fastmail.us](mailto:scsfit@fastmail.us). To stay healthy and strong, keep moving with Fitness Club classes!

## SPOTLIGHT: Information Center Volunteers Are Obliging Know-It-Alls

**H**elen Bubenheim is the volunteer in charge of Security Patrol's Information Centers, known more familiarly as the ICs. Helen supervises the Patrol's 38 volunteers who staff the three ICs at Sun City's community entrances. IC volunteers are committed to greeting and providing information to visitors every day. Two shifts a day, each four hours long, keep greeters on the job from 8 a.m. to 4 p.m.

According to Helen, "Some IC volunteers are also dispatchers at Patrol headquarters, or they drive Patrol cars in addition to the time they contribute to the ICs. Longtime Patrol members who no longer drive often staff the ICs as an excellent way to continue to serve their community."

As well as dispensing a wealth of community information, IC staffers provide directions to Sun City properties that are advertised for sale in real estate listings. Also, newer residents who need Association credentials often ask for information about the community's administration department, as well as the departments and services that are accessible to them at the four community centers.

A Sun City resident who was new to the community stopped by one of the Information Centers, lost, confused and unable to follow directions to find her way home. After reassuring the resident, the IC staffer contacted her son to stop by so that he could help his mother drive home safely.

The IC buildings are comfortably heated and air conditioned as well as equipped with computers, microwave ovens, televisions and a restroom. In addition, they are stocked with hot and cold beverages for the volunteers.

When a visitor gave an IC staffer a keychain she had found while walking her dog, the Patrol volunteer noted a rabies tag on the ring and used its information to contact a veterinarian who traced the owner. The lost keys were then returned to a relieved Sun City resident.

Approximately 300 drivers stop at the information centers every month. Aside from being greeted warmly and welcomed to the community, visitors may receive a community map, directions and a copy of the Link magazine.

~ Ellen Greenspan/Link

**SPOTLIGHT: Italian Club**  
**Members Share Love of Food, Culture, Spirit**

Italians are known as warm, welcoming people who love to celebrate and socialize with family and friends typically around the table. In Italy, enjoying conversation and Italian cuisine is at the center of life. Good conversation and good food is what you'll find at any meeting of the Italian Club. The Club meets once a month, September to May, for Italian food and entertainment, including four dances with a live band. The club has been chartered since 1994, but met informally a few years prior. Currently they have 175 members and you don't have to be Italian to join in the fun. Del Bennett, the Club's president, has been a member for 11 years and she is not Italian. She went to a club meeting with friends and found that she really enjoyed it.

Yearly dues are \$15 with an additional charge for the monthly dinners and entertainment. If you are interested in joining this vibrant group, contact Del, 240-8584. Italian language lessons are also offered to members.

## **SPOTLIGHT: Ladies Executive Golf Colorful Presentation Brings Historic Golfer to Life**

**T**hanks to one of our members, Julie VanCise, the Ladies Executive Golf Club was honored with a special guest on May 24. Don Fisher, a resident at Las Ventanas, was our guest speaker that day.

Don has entertained many groups, appearing as Walter Hagen. For those not familiar with Walter Hagen, he was an American professional golfer and a major figure in golf during the first half of the 20th Century. Hagen won 45 PGA tours. He was born in 1892 in Rochester N.Y., and died in Traverse City, Mich., in 1969.

Don arrived at our meeting dressed as Hagen, complete with props. He shared some highlights from Hagen's life as a professional golfer and as a ladies' man. He also shared some highlights from his own life as Don Fisher. Don's presentation was entertaining and full of information about the historic Hagen and the world of golf during that time.

## SPOTLIGHT: Table Tennis - Seniors Turn Back the Clock New Ball Machine Gives Players a Better Workout

**S**un City Summerlin Table Tennis Club members through their generosity have raised funds to purchase a robot ball machine for training purposes.

On June 7, two local pros from Lee's Table Tennis Club came to Sun City to provide a workshop on drills using the robot machine as a training aid. The drills involved forehand and backhand strokes, footwork, spins and counter spins. Under the supervision of the experienced coaches, Club members reaped the benefit from knowing the correct skill to execute the shots. The robot ball machine will provide our members with multi-ball training as the machine can spit out balls at the high speed of 100 balls a minute. It will be a guarantee for a great workout. However, the speed and frequency can be tailored to individual players of different levels.

The ball machine as a training aid is similar to the baseball batting cage or hitting golf balls on the driving range. It provides a high degree of aerobic exercise in a relatively short time, such as 20 minutes using forehand and backhand strokes running from side to side. Members can practice on their own or as a group on a daily basis according to their own schedules.

Citing several recent studies, the USA Table Tennis Association confirms many health benefits in playing table tennis. Those benefits include:

- Cardiovascular exercise
- Improves fitness and overall coordination
- Improves hand and eye coordination
- Gentle on the joints
- Stimulates concentration
- Calories burned are equivalent to leisure cycling

- Stimulates the brain – aerobic chess game
- Helps elderly feel “awakened” and more mentally alert
- Improves cognitive skills
- Improves balance, increases blood flow to the brain, and provides a significant benefit for brain disease patients diagnosed with Alzheimer’s and dementia.

Our members are all active seniors who play three to four times a week from one to two hours each time at a high-to-medium recreational level. We enjoy the sport, fellowship and friendships within the community. The annual membership dues are \$10. For information, call Jim Ko, 586-7787.
