## NOTICE OF ELECTION 2016

The SCSCAI Administrative offices at Mountain Shadows community center will be open for voting until 5 p.m. on Tuesday, February 23. This is the last day to cast your ballot for the election for the Board of Directors.

The staff will be available to supply replacement ballots and tend the ballot box. The ballots will be secured in the Association office until the following day when they will be validated, opened and counted starting at 8 a.m. on Wednesday, February 24 during an **OFFICIAL ASSOCIATION MEETING** open to all residents. There is only one agenda item for this meeting, that being the counting of the election ballots. The results will be announced by the Association secretary and reported to the Board of Directors.

It has been a fast-paced two months since I started on November 30 as the new executive director. I've enjoyed meeting many of you and look forward to meeting other residents of Sun City Summerlin. It is a pleasure to work for you and with you, and I hope that together we can continue to make Sun City Summerlin the best place to live in Southern Nevada.

### Hot Topics For February – Elections And Golf

Each February we elect a part of the Board of Directors – at this month's election, SCSCAI property owners will have the opportunity to select five board members from a pool of seven candidates. Included in this issue of the Link you will find bios and candidate goals, desires and objectives. I encourage you to exercise your right as a property owner to vote for those candidates who will best represent your and the community's interests. When your February Link is delivered, it will contain the ballot and instructions for sending or delivering your ballot to the Association. Please review the ballot carefully and follow the directions so your important vote will be counted.

Our Board of Directors are responsible for the policies and procedures under which our Association operates. For our community, these elected officials oversee the expenditures you approve in the approximate \$15 million annual budget. They also oversee the disposition and use of about \$15 million in capital reserves. It is, therefore, imperative that the owners select individuals

for the Board who have the time and ability to understand the complex operation of Sun City Summerlin. **Make sure you take the opportunity to study the issues and vote!**

Golf is an integral part of our community. How we market, manage and maintain our three courses will be a key element to our continued economic vitality and securing our property values. The golf courses are currently underutilized and provide an opportunity to bring additional revenue to our Association. We have hired a renowned golf operations consultant, James Keegan, to perform an analysis of our golf operations. At the January Board meeting, Mr. Keegan reported the findings of his study and we are now working on the implementation strategies to improve golf in general and improve the financial performance of the courses. More will be coming out soon on this important issue as we finalize our strategic and long-term goals for Golf Summerlin.

# PRESIDENT **President's Message**

## Pay Attention to Where Your Mail Is Deposited

**David Steinman,**  
President, SCSCAI  
Board of Directors

*We strongly recommend that residents deposit all outgoing mail inside a branch office of the U.S. Post Office.*

**D**uring the past 12 months or so, we have noticed an increase in stolen mail. What can you do to lower the possibility of crooks stealing your checks, cash, money orders or gift cards from your mail?

As a member of the Security Patrol for the past 15 years, I have witnessed various crimes in our community. There are methods you can practice to help lower the potential of this federal crime touching your life.

While on Patrol on Sunday, December 20, I noted several holiday cards torn open lying near the sidewalk on the eastbound side of Sun City Boulevard (just east of the intersection of Billy Casper Drive). I collected all of the evidence and called the resident whose name appeared on all of the envelopes. After contacting the person, they advised me that they had deposited their mail in the U.S. postal service box at the Desert Vista community center.

Now we are aware of residents who place outgoing mail in their individual post box in front of their homes and lift the red flag to advise the mail carrier of the presence of mail. By the way, this is a practice that Sun City has been advising residents against for a long time.

However, the crime of sticking a hand into the postal box to steal mail is new to City (within the past 12 months).

To combat both methods outlined lined above, we strongly recommend that residents deposit all outgoing mail inside a U.S. Post Office branch office. Please take the time to drop your mail into the slots provided in the lobby areas.

Although we cannot ever guarantee 100 percent security, we believe the latter method is probably the most secure way of mailing your letters. We would also advise you to remove inbound mail to your residence as soon as possible after the postman has visited your mailbox.

## Architectural Review Committee

### Black and White Is Not Back

**Ken Caroccia,**  
Chairman, Architectural  
Review Committee

**F**irst, Happy New Year to one and all! Thank you for your positive response to the article on painting your mailboxes. We still have some residents who have not taken a hard look at their mailboxes to see if they need painting or replacement. Further, almost all posts that support the mailboxes need painting after five years, and many of these have been sorely neglected. Please take a look before you get a violation letter. For assistance with the maintenance of your mailbox, take a look through the Link where you will find advertisers who offer services that can help.

Now I would like to talk about black and white rocks.

They are not allowed in front or back yards. Black and white rocks are not allowed for any decorated trim around trees, bushes or anything else. Black and white rocks have not been allowed for over six years now. They look very outdated and make our community look tired and outdated as well. Also, when they get other colored rocks mixed in with them, they look unruly and overall disheveled.

If your house has black and white rocks, you do not have to remove them, but if you are thinking about redoing your yards you will not be able to use black or white rocks in your landscape plan. Using them would be an expensive mistake, as you would most likely receive a letter from Community Standards advising you to replace them.

The Architectural Review Committee is always trying to keep our community refreshed and up to date to improve our real estate values. This was the case when the committee updated the community's house paint colors, which were changed over six years ago to darker colors. ARC also changed the colors of the theme walls seven years ago.

We thank all our residents who join us in the spirit of positive cooperation and willingness to help keep our community looking as outstanding as we know it to be.

# LANDSCAPING

## Landscape Department

### Conserving Water at Top of Department's List

*The responsible use of water is an issue facing all of us.*

**H**ope all is well with everyone. This month I'd like to talk about what's going on in the Landscape Department. As I have mentioned before, the responsible use of water is an issue facing all of us. For that reason, you may have noticed that we removed some turf around the community. The decision was based on saving water and costs. We also have been working to reduce the amount of plants we have. This also helps us to save on water. Once plants and trees are removed, we cap the irrigation. Plants that are growing close together or that

require more water use are at the top of the list to be removed. After we take out the plants, we add decorative rock when we are ready.

We will continue to look for ways to save on water and still keep the landscape looking nice and clean.

We are watering during the day; turf on Tuesdays; drip on Wednesdays. As before, if you notice any ice in the common areas, please contact us as soon as you can at 254-4092 or 363-7655.

*~ Louis Darling, SCSCAI director of Landscape*

### Volunteers Work Hard to Keep Sun City Safe

**T**he Sun City Security Patrol is your volunteer service that provides the eyes and ears for the Las Vegas Metropolitan Police Department (Metro) for our area. Our service has kept our community the safest area in the Las Vegas Valley. As the eyes and ears of Metro, we do not have any law enforcement authority. That means we cannot cite anyone for traffic violations (the streets belong to the city), we can

for towing, or some other need, or offering car or roof repairs. Continue to practice safety by always answering your front door, but **DO NOT** open it; this will let the person at the door know you are at home. Simply tell the visitor that “I don’t open my door to strangers.” Be cautious about opening your front door to anyone you don’t know or were not expecting.

*Report coyote sightings to Las Vegas Animal Control, 229-6444, ext. 2.*

not arrest or detain anyone, we do not interfere in disputes between neighbors, nor are we empowered to respond to violations of the CC&Rs or Association rules and regulations. We also do not respond to coyote sightings (but the dispatchers do record them on our logs). If you have been affected by coyotes, please call 229-6444, ext. 2 to reach Las Vegas Animal Control.

The December Link had a great article on coyotes and how to protect yourself and your pets from them. A few ideas included: Feed pets indoors, tightly cover garbage cans, don’t leave pets unattended in your yards, walk your pet on leash and carry a protective stick, and make loud noises. Coyotes rarely, if ever, attack humans.

Scammers are still active in Sun City. They are claiming to be new neighbors needing cash

Scammers get your name from your mailbox! During the holiday season, many mailboxes were raided and mail was stolen. We have said this before, but will say it again, always deposit your mail at the post office or in the large blues boxes located at the community centers. The best time to drop off your mail is between the 9 and 11 a.m. pickup time. **DO NOT** drop your mail off in the late afternoon, to let it sit in the boxes overnight.

As you may know, the Patrol checks for open garage doors between 8 p.m. and 4 a.m.

When we see a door open (more than 6 inches) we notify the resident by knocking on the door or by giving you a call. If we cannot reach you by either method, we will call your emergency contact. It is really important that your emergency contact is current, and that the contact is a Las Vegas resident. We call them when we can’t reach you about open garage doors, flashing 911 lights, checks, discrepancies noted on house checks and water leaks emanating from the house or landscaping. The emergency contact form can be picked up at the Association Administration office at Mountain Shadows or at the Patrol office located at the back of the Desert Vista parking lot.

We are here to help you as much as we can. If you have questions or are interested in serving as a Patrol member, call 254-2303.

# KEEP WALKING!

## New Fitness Programs Challenge Residents to Get Moving

By Jeannette Carrillo, Photos by Stu Gershon/Link

**Y**ou see them every time you drive through the community – walkers. Depending on the time of year, they hit the sidewalks before sunrise or catch the celestial orb before it heads to bed. Any way you look at it, walking in Sun City is a popular activity – it’s free, relatively safe and offers a simple way to stay fit or begin a fitness routine.

Thanks to recent popular events, those who enjoy walking have exercised their voices to SCSCAI Fitness Director Kristie McWhorter, who has worked with her staff of Charli Douglass and Heather Senn to develop a walking program that made its debut last month. While designed for all fitness levels, the walks and boot camps should be considered fitness events and not leisurely strolls.

“Residents can expect to participate in a warm-up and stretching after the walk,” said Kristie. “The goal will be to teach participants proper walking mechanics that will help them improve leg, back and core strength, heart health and balance issues.”

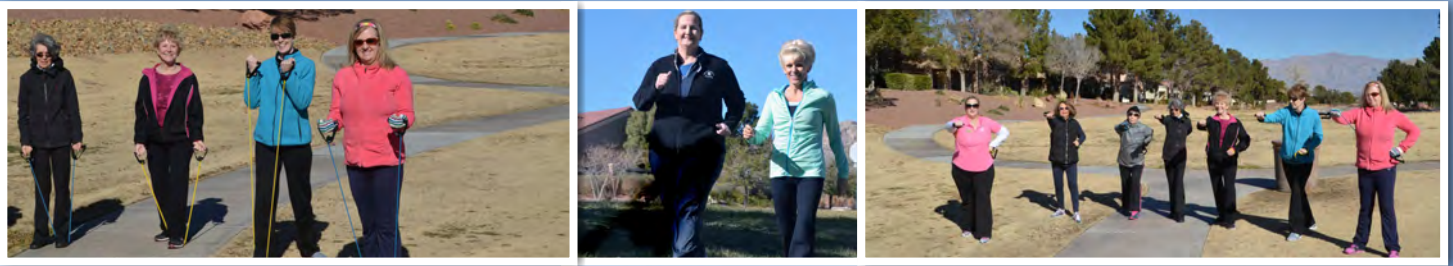

According to Kristie, the walking group will be a fun social and fitness event that offers a great way for new residents to meet people and get to know their community.

“We know residents love to walk. We see them out walking all the time,” said Kristie. “Some don’t like to work out in fitness centers, so we wanted to provide opportunities for social involvement with other residents while getting healthy. People enjoy exercising in groups where they can build friendships and motivate each other.”

For those who want to step up their fitness level, the walking boot camp is designed for them.

Classes will consist of a slightly shorter walk

*Top left and right, SCSCAI Fitness Assistant Heather Senn, in blue, demonstrates the types of resistance exercises residents will encounter during the walking boot camps. Center photo, Fitness Director Kristie McWhorter, left, and Fitness Specialist Charli Douglass will take turns, along with Heather, in leading the program. Below, from left, Heather, along with Sun City residents Joan Weiner, Mickey Abrahms, Phyllis Feigenson, Brenda Holland, Karen Trimble and (SCSCAI's) Kristie McWhorter enjoy a brisk morning walk.*

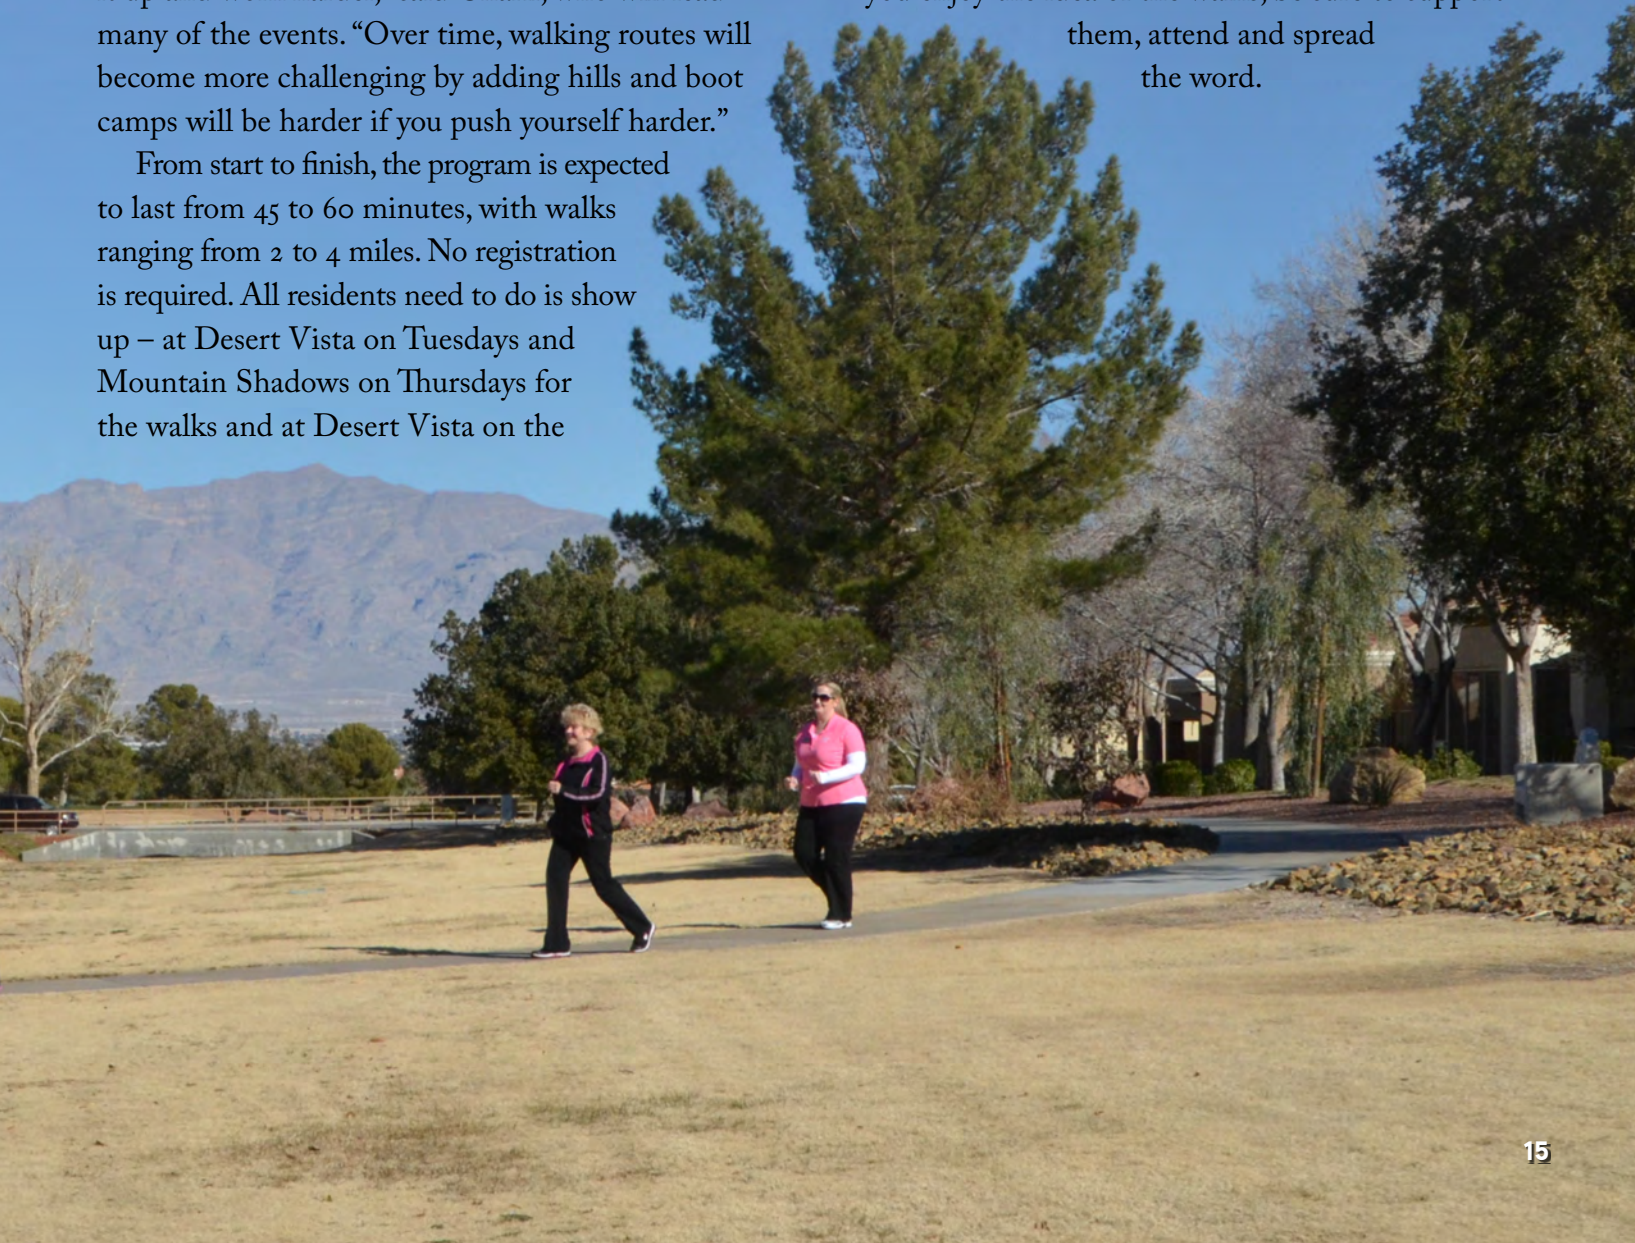

with strength or resistance exercises thrown in at different times. Participants will utilize body weight and tubing of varying intensities, so they can work out at their own level or push themselves a little harder. They will complete a total body workout in every boot camp class. All equipment will be provided.

“Residents will continually be challenged to step it up and work harder,” said Charli, who will lead many of the events. “Over time, walking routes will become more challenging by adding hills and boot camps will be harder if you push yourself harder.”

From start to finish, the program is expected to last from 45 to 60 minutes, with walks ranging from 2 to 4 miles. No registration is required. All residents need to do is show up – at Desert Vista on Tuesdays and Mountain Shadows on Thursdays for the walks and at Desert Vista on the

second Tuesday of the month (February 9); Mountain Shadows on the fourth Thursday of the month (February 26) for the boot camps. All events start promptly at 8 a.m.

As the events grow, the Fitness Department may collect email addresses of participants so it will be able to remind residents of upcoming classes. As with any new event, participation is crucial. So, if you enjoy the idea of the walks, be sure to support them, attend and spread the word.

# ELECTIONS

## Board of Directors Election Voting Information – How to Vote

**Election Day  
Is Tuesday,  
February 23**

**T**his year Sun City homeowners will elect five (5) residents to serve on the Board of Directors. The candidates will be elected for two-year terms. Each member household will receive one ballot and will have five (5) votes.

The ballot format is the same as used last year and is designed for electronic counting. The ballot has two halves and a pre-posted return envelope. Instructions are printed on the ballot. A household has five votes. After marking the ballot, remove the instructions side to remove

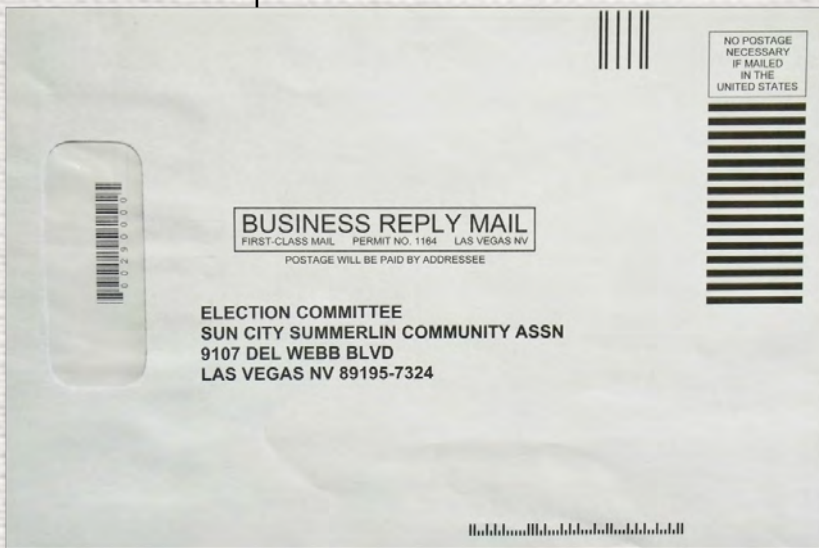

the instructions side to remove the bar code before removing your secret ballot. Optical scanners will be used to count the ballots and tabulate the votes electronically.

If you make a mistake marking your ballot, do not correct it. Exchange the old ballot for a new one at the Administration office at Mountain Shadows. Before requesting a replacement ballot and envelope, be certain that another member of the household has not voted. Should two ballots be received from the same home, both will be voided. Casting more than five votes also will void the ballot. Your votes may be cast for one candidate or divided among two or more candidates.

If you have questions about how to properly fill out your ballot, or if you need a replacement ballot, call the SCSCAI Administration office at 966-1401.

No candidate information will be available from this source.

Validation and counting of the ballots will occur at an official SCSCAI Association meeting on Wednesday, February 24, starting at 8 a.m., in the Mint and Sahara rooms at Mountain Shadows. Following the count, election results will be announced by the secretary of the Association. All those who wish to witness the ballot tabulation are invited to attend the meeting on February 24.

## KARL WIEDEMANN

- QUALIFIED
- DEPENDABLE
- PRACTICAL

I love Sun City! My wife of 53 years, Julie, and I moved here in 2006 and have never looked back. We love our community and the active lifestyle. I ran for the Board last year and, although I lost by a narrow margin, I have continued to work on my ideas. For example, Mountain Shadows card room has new blinds and there is a railing to help residents handle the entrance slope. Currently I'm working on designing and replacing the A frames used to announce special events. If I am elected, I will continue to work to improve our existing facilities and amenities and will bring new energy and new ideas to the Board.

Currently I am president of my sub-association, Fairway View Drive HOA, and have been for 5 years. My ability and drive to get things done have served the residents well. My responsibilities include:

- Finances
- Budget, no increase in assessments for 3 years
- Reserve Funding, secure and totally funded
- Day-to-day operations, including a beautiful conversion to xeriscaping
- Working closely with our Association Manager to keep our association fiscally sound

I believe this involvement will make me a good addition to your Board of Directors. My previous business background adds additional qualifications to serve on the Board.

- 10 years as National Sales Manager for Melitta, an international company; manufacturers of coffee makers, filter bags, gourmet coffee, etc.
- 34 years as a small business owner responsible for all aspects of running a business. They include:
- 5 years as a plumbing contractor (10 employees)
- 13 years as a subcontractor for many builders in Florida including Del Webb's Sun City near Tampa (over 55 employees plus subcontractors)
- 15 years as a consultant for federal and state safety and health regulations throughout the U.S.
- 4 years, US Marine Corp 1958-1962

**I believe in a Sun City Renaissance!** Our community is 25 years old. It is still a great place to live but it is time for a Renaissance. One of my goals is to make a great community even better. I want to maintain and improve existing facilities, keep our community vibrant and attractive to Boomers while continuing to support our current residents and their interests. I believe we can improve our property values without an increase in your HOA assessments. I am a problem solver, a decision-maker, and a "do-er". I support current good ideas that will improve our community and I am always open to new ideas.

**JOIN ME IN BELIEVING IN A SUN CITY RENAISSANCE! LET'S MAKE A GREAT COMMUNITY EVEN BETTER!**

**I WANT TO SERVE ON YOUR BOARD OF DIRECTORS AND ASK FOR YOUR VOTES**

REMEMBER, 5 VOTES PER HOUSEHOLD. VOTE, HAVE A VOICE IN YOUR HOA!

### **Sun City Summerlin Experience:**

My wife and I have been residents of Sun City since 2010. I am a five year member of Sun City 18 hole Men's Golf Club, and currently serving as President. I have served on the Golf Oversight and Finance committees. I am currently serving as the chair of the Investment sub-committee. I also served as a member of the Steering committee for the Ronald McDonald House Classic Charity Golf Tournament.

### **Work/Career Experience:**

I enjoyed, for 35 years, a fulfilling career in private industry, with a variety of senior leadership and management positions. I participated in both large and small businesses in the Pharmaceutical, Analytical Instrumentation, Electronics, Photonics and Telecommunication Industries.

### **Military Service:**

USARNG Artillery Officer – 6 years

### **Academic Experience:**

BA Chemistry – Boise State University  
MBA Management, Finance, Marketing – University of Southern California  
(4 year evening program)

### **Purpose Statement:**

My wife and I feel fortunate to be members of the “best run” community in the valley, and maybe the country. I decided to run for the Board of Directors to continue the good, but unfinished work for the community. I felt an obligation to contribute my time and talent, as many have so unselfishly done before me. As we renew our community with new residents, we need to continue to renew and refresh our aging common facilities and landscape. Needed updates and upgrades will help protect the asset value of both our facilities and grounds, while increasing real estate values and pride in our community.

## Sun Shadows Pool Sports a New Cool Deck

Residents gave the new pool deck at Sun Shadows a unanimous thumbs up, saying it looks and feels great. The Board of Directors approved the replacement of the entire deck area during the December Board meeting. The emergency work took 10 days to complete during the last month of the year at a cost of \$20,000. The project was completed by Ultimate Concrete and carries a three-year guarantee on parts and labor.

## Pinnacle Bids Bye-Bye to Pine Needle Problem

The Landscape Department removed five pine trees in December that had been responsible for showering the area between the swimming pool and tennis courts in pine needles. In addition, the work crew removed several flowering bushes that impeded the Fitness Monitor's view of the deck area near the entrance to the pool. Those same bushes also were reported to have been attracting many bees to the deck during warmer months. According to SCSCAI Board member and Fitness Committee Chairman Jim Akers, the projects have improved safety at the pool by improving visibility and removing the bee issue that plagued sunbathers.

## Senior Lunch Program Open to All

Holy Spirit Lutheran Church and Lutheran Social Services of Nevada serve free, nutritious meals to seniors age 60 and over Monday, Wednesday and Friday, noon to 1 p.m. (except holidays) at the church, located at 6670 W. Cheyenne Ave. "It's an opportunity to get out of the house and enjoy a meal and some conversation," said Sun City resident Penny Hauser, who helps administer the program. In addition to the meal, Peggy said the congregation has noticed that the socialization that comes naturally with the lunches has helped to fill a great need among guests. Meals are prepared by the Culinary Institute and served by church volunteers. For more information, call Peggy or Joe Hauser, 823-4651.

## DO YOU KNOW?

### Where Your Golf Cart Is Welcome

Do you know where golf carts can and cannot go within our Sun City Summerlin? Sun City is designated as a golf cart permissible community. As such, golf carts are permitted on city streets within the community. It is illegal, not to mention dangerous, for golf carts to cross Lake Mead Boulevard other than via the tunnels beneath the thoroughfare. Tunnel entrances are at Lake Mead on either side of Thomas Ryan Boulevard. Signs indicate the entrances to the tunnels. Golf carts also can be driven in commercial areas within Sun City Summerlin and those adjacent to it. Smith's supermarket gate at the corner of Smokey and Prairie Hill drives provides access to the Smith's Shopping Center at the northwest corner of Rampart and Lake Mead boulevards. An access code, posted at the Sun City side entrance, is required to operate the gate. Golf cart parking is available on the south side of Smith's. It is not advisable to take your golf cart into the larger parking lot in front of Smith's.

**Special Note:** Unless equipped with a handicap parking pass, golf carts are not allowed to park in handicap spaces.

## Building Better Balance

*One-third of people over the age of 65 fall at least once each year*

**Kristie McWhorter**, MS, CPT, GFI, Director of Fitness  
[kristiem@suncitylv.com](mailto:kristiem@suncitylv.com)  
[fitness@suncitylv.com](mailto:fitness@suncitylv.com)

**M**any of us are looking for balance in our lives. Balance in both the social and physical sense is indispensable to healthy living, particularly as people live longer. If we are going to live long and well, a good sense of balance is essential.

Research shows that one-third of people over the age of 65 fall at least once each year, and these falls can have devastating consequences. But bruises and broken bones are not the only unfortunate results from a loss of balance. People prone to falling can end up limiting their activities; many experience unhappiness, anxiety, loss of independence and even life-threatening complications.

A fall can result in decreased activity, which reduces stability, increasing the chance of falling again. Studies show that if you take care of yourself by improving your posture, strength, flexibility and endurance, you are much less likely to fall.

Your Fitness Department staff is dedicated to creating programs and classes that will improve your quality of life. We will discuss “Building Better Balance” this month on Thursday,

February 11, at noon. Join us for an interactive workshop where you will receive balance tips to use at home and in your daily life.

### Stepping On Falls Prevention Program

Your Fitness Department staff will hold another falls prevention program called “Stepping On.” This program begins with a fall risk prevention screening session on Monday, February 22, by appointment only. **Residents may sign up for an appointment with the Desert Vista Social Monitor.** The screenings will determine participation in the Stepping On classes that begin on Monday, February 29.

The Stepping On Falls Prevention classes will be held on Mondays, 1-3 p.m., February 29 to April 11 (7 weeks, two-hour sessions). Class size is limited. When the class is full, a waiting list will be set up for future classes or cancellations.

For more information, contact Kristie McWhorter, Director of Fitness, at 363-1486 or [kristiem@suncitylv.com](mailto:kristiem@suncitylv.com).

## Charli's Corner

### Strength Training: Why Do I Need to Do It?

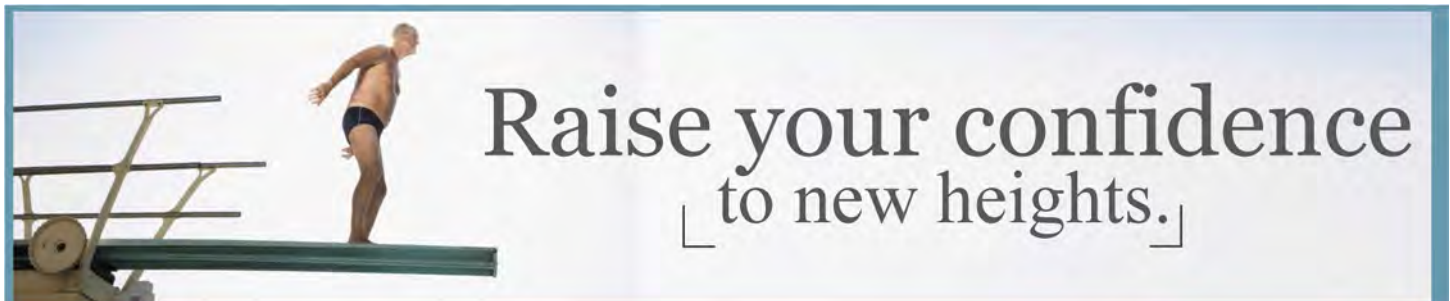

**Charli Sue Douglass**  
SCSCAI Fitness Specialist, CPFT, GFI

**E**veryone, no matter how young or old, needs to be doing some kind of strength training. Here are some important facts why strength training will make a big difference in your life:

- ♦ **Builds Muscle Strength.** Adults lose between 5 to 7 pounds of muscle every decade after age 20. Strength training helps prevent this muscle loss while rebuilding what you have lost. Studies show we can gain muscle into our 90s, even without previous strength training experience.
- ♦ **Improves Your Ability to Perform Everyday Activities.** The stronger your muscles are, the easier it is to get groceries out of your car, pick up a grandchild or do yard work.
- ♦ **Improves Your Balance and Stability.** The stronger your muscles are, the better your balance is. You will be safer in your daily activities with less chance of falling or accidents.

- ♦ **Decreases Your Risk of Osteoporosis.** A sedentary lifestyle leads to a decrease in bone density, leading to brittle bones. Consistent strength training can increase bone density and prevent and reverse osteoporosis.
- ♦ **Increase Calorie Burn.** The more muscle you have, the more fat-burning capability your body has. It increases your metabolic rate, allowing you to burn more calories even at rest.
- ♦ **Reduces Low Back Pain.** Research shows that proper strength training increases lower back strength and alleviates lower back pain.

Whether you work out in the weight room or in the pool, or take group fitness classes, strength training helps you to stay strong and healthy. If you need to add strength training to your program, attend an equipment orientation class to learn how to use the machines in the weight room. See Page 33 for the equipment orientation schedule.

## This Year, Be Your Own Valentine

*Tavern at the Falls*

**T**his year for Valentine's Day, instead of thinking of ways to pamper your sweetheart, pamper your own heart. The best way to show the ones you love how much you care is by making sure you stay healthy and happy. Be your own Valentine.

I wanted to share a recipe that is not only delightful but a heart-healthy alternative to the traditional chocolate truffle. The flavonoids and antioxidants in dark chocolate can be a pleasant health benefit if eaten in moderation. Truffles are the perfect portion size to reap the benefits and feel indulgent. The smell of chocolate increases theta brain waves, which triggers relaxation. So even the act of making these decadent treats can add to your health.

The perfect accompaniment to chocolate is wine. After enjoying your chocolate, come visit us at Tavern at the Falls or The Summit snack bar. Our house wine is \$3 per glass every day.

# RESIDENTS **Neighbors**

## Conversations From Lane 4

By Ann Kmit

Shortly after moving to Sun City I met my new neighbor who gave me some useful advice: “You have made the perfect choice to live here. The winters are wonderful, compared to almost any other place in the States and, better yet, you will find lots of new friends. But the best thing of all is that you will no doubt lengthen your life because you will be happier in Sun City than you ever dreamed!”

I wasn't sure of his prophetic words, but now that I'm an old-timer, I realize that he was right! As an example, let me introduce you to some faithful folks who come to the Desert Vista indoor pool – Lane 4 nearly every day. They are the Hungarian, Nick Szegedi from Chicago; Joe Young, The Big Apple; Ed Turken, California; and a varying

*From left, Jerry Mork, Nick Szegedi, Joe Young, Betty Weltman, Marilyn Mendell and Ed Turken.*

assortment of guys like Mr. Micky Abrams (not to be confused with his wife, Mrs. Micky Abrams) from Chicago; and Jerry Mork and Arlene Goodman, also from Chicago. This group of water walkers is a good-natured collection of mostly men aged from the high 70s to Ed, who is the senior at 92.

I asked the gents, “Well, what do you talk about while you are in the water?”

Ed piped up, “We discuss world news and the local newspaper stories concerning Las Vegas. Of course, we listen to the debates and that’s always good for some conversation. Some of us are Democrats and some are Republicans, so that generates some heat. But we respect each other, and no one has been dunked in the pool yet for getting too riled up! Actually, we exchange a wide variety of information and we have a good time doing it!”

Joe reminded us that, “We take UKOSH Hungarian smart pills to elevate the level of discussion of Sun City issues, and most importantly resolution of international problems.”

“Yeah,” agreed Ed. “And if the Republicans win the election, Nick is going to take us all to lunch. Aren’t you, Nick?”

Nick grinned and said, “We’ll have to wait and see.”

“Are you going to McDonald’s for this feast?” I asked.

“Yeah, I like the Happy Meals. You know, they are giving away those cute Minion toys nowadays,” said Joe. “By the way, another meaning of minion refers to a religious quorum in the Jewish faith to say religious prayers.”

“Well, I didn’t know that. I learned something new today,” Ed said.

The conversation goes on and on, sometimes in circles but always in the spirit of fun. I have come to the conclusion that the net result of the (not quite a ‘minion’) gathering in Lane 4 of Desert Vista pool provides a much appreciated therapy – for the soul, the mind and the heart. These gentlemen and the occasional gentle woman receive the physical benefits of easy exercise in the pool, as well as keeping their minds sharp.

My neighbor was right! Sun City does help us spend our later years with friends, they are easy to find and because of them, I know we are living a happier and no doubt longer life.

# CHARTERED CLUBS **Look What's in the Window**

## CLUB SPOTLIGHT: Ceramics Club

**F**or all the newcomers to Sun City and the people who don't go to Mountain Shadows to play cards or know that the library is there to check out books for free, we would like to tell you about the windows in the Mountain Shadows lobby. Throughout the year, each one of the crafts clubs is featured for a month, with members showing off their creations in the three display cases. This month you can enjoy the work of the very talented members of the Ceramics Club. Everything you see is made by Ceramics Club members. If you have an interest in joining the Club, members can teach you the basics. All residents can visit any club twice before deciding if they'd like to join. You will be welcomed with open arms. From there, it's up to you to try it and see if you like it.

The Ceramics Club studio is located in the crafts wing of Mountain Shadows behind the large Sun City fountain. The Club holds open studio hours. For information, call Club President Angie Smith, 463-9175, or the studio, 966-1480.

Top: Ceramics Club members, from left, Shirley Kling, Joyce Newlin, Sherin Garber, Janel Lincks, Carol Hicks, Joyce Davison, Sandy Chupnick and Bev Pasco. Center: Shirley Kling carefully paints the face of her soon-to-be pixie. Left: Animals were the theme for January, said Sandy Chupnick. Every month members decide on a new inspiration. Right Airbrushing gives these ceramic birds their super-smooth finish.

(The deadline for March 2016 chartered club articles is February 1. If you have any questions, call Jeannette Carrillo, 966-1436, or email jeannettec@suncitylv.com.)

### Aquacize

You are invited to join our active, fun club. Current classes meet Monday to Saturday, 8 a.m. and 7 p.m. at Desert Vista; 8 and 10 a.m. at Sun Shadows. In the summer, some classes will move

outdoors. Try out a class before paying the \$10 annual fee. If you haven't already paid your 2016 dues, please see a class representative to make payment. Fees are payable by check to "Sun City Aquacize Club." Our Valentine's gathering will be Thursday, February 11, 1 p.m., Desert Vista. Sign up with your class representative if you wish to attend. ## CLUB SPOTLIGHT: Bridge Club Three Bridge Clubs Meet Players' Needs

**B**ridge is a game people of all ages and all degrees of skill can enjoy. It is an active blend of skill, luck, psychology, friends and far-out fascination!" said resident Peg Cundiff.

Did you know that we have almost 400 residents who belong to three bridge clubs who meet and play the game every week in the card rooms at Mountain Shadows?

One of these clubs is Duplicate Bridge, whose president is Dick Colwell. Duplicate Bridge is the largest of the three groups and the most complex. Dewy Cundiff and his wife, Peg, are the directors of the Club, who have set up a system that records the percent, score and rank of each hand played. That data is then made available to each player.

When the session opens, cards are dealt to a "board" and then the players must play the hands in the board. Bidding is done with cards and there is very little talking during the hand. When a table finishes its first "board" it is passed on to another table (in a specific order), and that table plays the same cards. Players receive points for their bidding and efficiency in playing the same cards. After all 27 hands have been completed, a score sheet is submitted to Peg, who inputs all the data into a computer before a winner is selected by how they played the "board."

Peg and Dewy assure each player that the joy of the game of bridge is not only the challenge of cards, but the friends one makes while enjoying the game.

The other two bridge clubs in Sun City are Rubber Bridge and Friday Night Bridge, which is also referred to as "party bridge."

The groups meet Monday through Thursday (president is Renee Simon) and Fridays (president is George Horvat). Rubber Bridge has about 100 members, while Friday Night Bridge has 70 members.

With these last two bridge clubs, fun is the focus, and as with most clubs in Sun City, there is coffee and various kinds of refreshments are served, along with lots of hugs, well-wishes and, sometimes, even some gossip. Most of our clubs have a large social component and these clubs are no different. As long as people come out smiling, the clubs are successful.

## Golf (Men's) Niners

No matter if you are a hacker or an experienced player, if you feel that four-plus hours of the day dedicated to playing golf is just too much, then this is the club for you. The Niners have weekly tournaments alternating among our three great Sun City golf courses. You will be teamed with players of similar abilities and it is a great way to meet new golfing friends. We play nine holes when we play Palm Valley or Highland Falls, and alternate between 9- and 18-hole scrambles during our monthly visits to Eagle Crest.

Planning for our spring trip is well under way and you won't want to miss it. If you are interested in sharing in the fun, visit us at [www.scsniners.com](http://www.scsniners.com), or contact Membership Chairman Vin Richards, 233-2618.

## Gun Club

If you're new to firearm ownership, have been considering purchasing a firearm, or are an old hand at firearms and are looking for others to practice with, we encourage you to join our club. The next Gun Club meeting will be held on Friday, February 12, 1 p.m., Desert Vista. The Club provides a resource for CCW permits, maintaining/cleaning firearms, looking for resources for local range facilities, ammunition/firearm purchases and participating in Club practice shoots. Dues are \$10 per year. Contact Allen Sakaguchi at [scgunclub@yahoo.com](mailto:scgunclub@yahoo.com), or 331-3390, for further information.

**CLUB SPOTLIGHT: Yoga Club  
Members Assume the  
Position of Peace  
(Mind, Body and Soul)**

~ Beth Nappe, photo by Stu Gershon/Link

It's been around for 5,000 years and today more than 20 million people in the United States are said to practice it. Yoga, it's a Sanskrit word meaning union. The reasons for its popularity are varied. Practitioners cite relief from stress and back pain, as well as improvement in flexibility and overall health. Studies cited by the United States Department of Health and Human Services suggest other health benefits, such as "a reduction in heart rate and blood pressure, as well as relief from anxiety and depression."

Sun City has its share of devotees. The Yoga Club has about 60 members. Classes are held on Tuesdays, Thursdays and Saturdays, from 8 to 9:45 a.m., and there is a charge depending on how many classes you want to attend.

Yoga Club President Carolyn Palubinskas has been doing yoga for nine years.

"I would recommend it to anyone," she said.

Eva Wardlaw has been practicing yoga for 10 years. It has helped her more than any physical therapy and has improved her balance.

"I enjoy the good feeling I have in class," Eva said.

*Thursday morning yoga class offers members a great way to greet the day. From left, Rita Blandow, Marilyn Chernov, Debbie Wainscott (instructor), Kay Taylor, Connie Bucki and Karen McMillan.*

Class instructor, Debbie Wainscott, has been teaching yoga for 17 years. She says that the No. 1 benefit of yoga is strength. She teaches the hatha method, which combines postures and breathing exercises to help form the union of peace of mind, body and spirit.

The club welcomes new students at all levels who are not limited by complex physical problems. For more information, call Carolyn Palubinskas, 243-3758.
