### The Hot Topic is Golf

**Paul Henderson,**  
SCSCAI  
Executive  
Director

*Improving the practice area will increase revenue through higher green fees and additional outside play.*

If you attended the February 2 Board of Directors' meeting you know that golf is a "hot" topic in Sun City Summerlin. The golf course consultant had a long list of recommendations regarding our golf operations, and following his presentations your Association staff has been evaluating those recommendations. Staff felt that immediate action was warranted on a few of the recommendations, those being: 1. The development of a new Golf Summerlin Website; 2. Implementation of a dynamic pricing tool; 3. Renovation and removal of sand bunkers on Highland Falls Golf Course; and 4. Reconstruction and refurbishment of the Highland Falls Golf Course practice facilities.

**New Golf Summerlin Website on Its Way.** The Board approved the development and maintenance of a golf website by contract with 1-2-1-Marketing, a very experienced golf course website developer. The cost for the creation and maintenance of the site is very reasonable – \$219 per month. For that fee, 1-2-1-Marketing will develop a new website, provide easy tee-time booking, assist with email marketing; collect statistical details; and assist with online pro-shop sales and event registration. An improved website will help solve one of our current challenges—not enough outside play on our golf courses.

**Dynamic Pricing.** Dynamic pricing or demand pricing for our golf courses is similar to the tool used by the airline, rental car and hotel industries that adjusts the price structure taking into account seasonal demand, tourist traffic, market conditions, weather and other factors that affect the value of each individual tee time. Dynamic Pricing is supposed to maximize revenue hour by hour, and thereby maximize revenue.

The Board directed staff to research dynamic pricing tools and bring back a cost-effective solution for implementation at our three golf courses.

**Bunker Removal and Refurbishment.** Recurring complaints from Golf Summerlin golfers is the poor quality of our sand bunkers. To confirm this sentiment, the golf consultant recommended that we remove some bunkers and rebuild others. By doing this, the general feeling is that we will improve the playability of the courses and gain more repeat rounds from golfers.

**Reconstruction of Highland Falls Golf Course Practice Area.** At the gateway to the Highland Falls Golf Course, the practice area is not as attractive as it needs to be and is not functional for larger events, training, maintenance and quality practice. Improving the practice area will increase revenue through higher green fees, additional outside play, improved playing conditions and reduced maintenance expenses.

These improvements will enable us to better fill our tee sheets, while reducing the amount of revenue required from SCSCAI to pay operating costs at all three golf courses.

## Association to Review Proposed Budgets, March 14-16

**Ken Resnik,**  
Finance Committee  
Chairman; Treasurer,  
SCSCAI Board of  
Directors

The formal budgeting process began on January 25 with budget preplanning meetings between our executive director and the department heads. The next step in the process will take place on February 25 at the Finance Committee meeting, 1 p.m., Desert Vista. It will deal with the result of the preplanning meetings and assist in developing the proposed budget.

Hearings on the details (line items) of the proposed budget will be held over three days, March 14-16, from 9 a.m. to 2 p.m., in the Committee Room at Desert Vista.

The Finance Committee will meet on March 24 at 2 p.m. to review the result of the

hearings and make its recommendations concerning the budget to the Board of Directors

On April 5 the proposed budget will be presented to the Board for approval. Since the Board will have participated in the budget and Finance Committee hearings, there is every likelihood that the budget will pass on April 5 or very shortly thereafter. All members will receive a summary of the proposed budget and notification of the Board's approval before April 30.

On June 28, the Board will meet to obtain member ratification of the new budget for the fiscal year of July 1, 2016, to June 30, 2017.

## FOOD

### Team Spirit Helps Boost Golf Experience

If you golf in Sun City you may have met our cart attendants on the course or grabbed a drink at The Summit Snack bar. Perhaps while taking advantage of golf's year-round twilight rates you have enjoyed an early dinner at Tavern at the Falls after a late round? If so, fantastic. But if not, I wanted to give you the opportunity to meet some of our team members and learn about the ways Sun City Summerlin Food & Beverage helps support our great golf community.

Above: Anthony Marrone puts a sweet twist on a classic Manhattan with Honey whiskey at The Summit.

I am excited about some simple improvements that have enhanced service on the golf course. We now offer refreshment carts every day at Palm Valley and Highland Falls golf courses. Although our executive course at Eagle Crest does not have a refreshment cart, it has a snack bar that offers more healthy, grab-and-go snacks along with the popular pizza menu.

At the eighth hole at Highland Falls and Palm Valley, golfers will see new signs reminding them to call in their food orders for a quick pickup at the turn. In addition, our cart attendants have menus and can help you place an order.

### **Quiet, Please!**

Have you ever had the experience of putting on the green with your group and waved off one of the refreshments carts only to see that they park and wait for you to finish your round? They do this because they are trained to let golfers play their game in silence. Our carts can be a little loud and we are very conscious of being courteous to our golfers so that they can have the best experience possible.

Next time you're out on the course, come meet our friendly refreshment attendants. Amber White has been with us since last fall. She is a mother of three young boys and is currently adopting two of her nephews. She brings Southern hospitality to Sun City and will brighten anyone's day. Our own Sun City resident Kathy Cornelius moved here with her husband, Darryl, in 2013 from Cannon Beach, Ore. She retired in 2007 from sales and marketing. Kathy is an avid walker and you can see her power-walking the hills of Sun City when she is not golfing or attending her cart. Kathy's positive energy and smile is infectious.

Are you new to golf or thinking about starting? If so, then you have something in common with Anthony Marrone, our lead server at The Summit Snack bar. Anthony joined the Army after high school and is now studying business full time at CSN. He started golfing in the spring when he started working here and plays at Eagle Crest on his days off. Come meet Anthony every Friday Night during the popular Band Night concerts in the main room at The Summit, from 7:30 to 9 p.m. There is a \$10 cover charge and a one-drink minimum with dancing and live music.

# TECHNOLOGY Information Technology

## Behind-the-Scenes Projects Boost Service, Cut Costs

**Leo Crawford,**  
IT Committee  
Chairman

**T**he Information Technology Committee recommends to the SCSCAI Board of Directors new projects that will improve the operations of Sun City. One of the great things about advances in IT is that new technologies often can be cheaper, better and faster, and that is what the IT Committee does when it looks for ways to use IT to improve services to our staff and residents.

Many IT projects are very technical in nature and not readily seen by our residents. Examples include projects for improving our computer backups and making better use of our servers. Other projects directly benefit our residents – for instance, buying Starbright tickets online with reserved seating. No more standing in line before each performance hoping to get a good seat! The most recent IT project that the

Board approved was the replacement of the SCSCAI telephone system that will save about \$30,000 per year while providing a more feature-rich telephone system.

And there are more projects being looked at. To name just two, the IT Committee is exploring implementing WI-FI at SCSCAI facilities and installing electronic message boards.

SCSCAI is lucky to have an IT Committee that has members who have a wealth of knowledge and experience that they are willing to contribute to help improve our Association. Our members have incredible backgrounds in IT that have indeed made IT support cheaper, better, faster with more to come.

Drum roll please: A big thanks to our committee members Sy, Jim, Chuck, George and Tom.

## Eat Right for a Long & Healthy Life

*Food is about 25-30 percent of the reason why certain people live longer.*

**Kristie McWhorter,** MS, CPT, GFI, Director of Fitness  
[kristiem@suncitylv.com](mailto:kristiem@suncitylv.com)  
[fitness@suncitylv.com](mailto:fitness@suncitylv.com)

**E**ver wonder why some people live longer? Research shows that food is about 25-30 percent of the reason why certain people live longer. Eating a plant-based diet with minimal processed foods and eating less is the key to good nutrition and living longer. The Japanese, for example, follow a principle called hari hachi bu, which means eat until you're 80 percent full. By the time your brain catches up with your stomach, you will be full!

Here are some tips, from people who live the longest:

**Eat from a smaller plate or bowl.** A standard 3-ounce serving of protein (the size of a deck of cards) is dwarfed by our 12-inch plates. A half-cup of pasta (the size of a billiard ball) barely covers the bottom of our oversized pasta bowls. Use a small bowl and a salad plate for your meals, and you won't feel deprived.

**Eat less meat.** You don't have to swear off meat completely. Just forgo the beef, chicken or pork one or two nights a week. You'll save money and consume less fat and cholesterol.

### Keep healthy food around and ready to eat.

Wash and chop up veggies, display fruit on the counter in a bowl, and cook healthy whole grains in batches so they're ready to eat. Keep dips and salsas on hand for guilt-free dipping. Veggies and low-fat dip or hummus are suddenly more appealing when you can just grab them and go.

**Eat whole food.** The closer a food is to its original state, the better it will be for you. You can make pasta with a fresh tomato sauce in the time it takes to make a box of macaroni and cheese, but you'll feel much better after you eat it.

It's never too late! With a few small changes, we can all add years to our lives.

## Charli's Corner

*The One Exercise That Will Save Your Dignity*

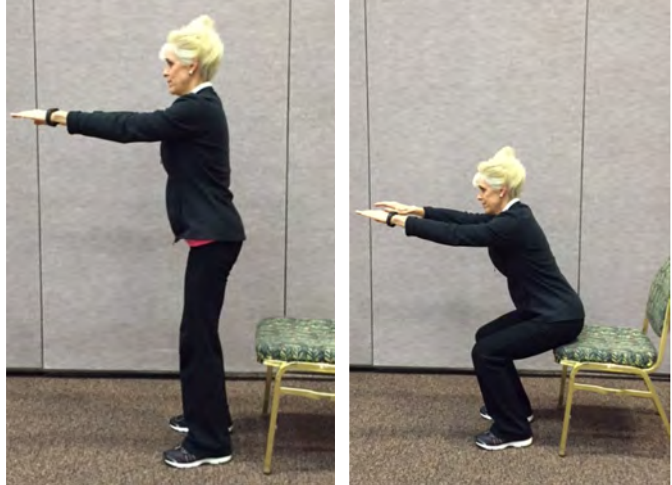

**Charli Sue Douglass**  
SCSCAI Fitness Specialist, CPFT, GFI

**S**quats are one of the most effective exercises you can do in your daily life. Doing a proper squat helps to strengthen your entire body – joints, bones and muscles – increases your flexibility and helps you to stay independent and strong.

### How to do a Proper Sit to Stand Squat:

1. Stand with your back to a sturdy chair, about 12 inches in front of the chair. Your feet should be slightly wider than your hips, toes turned outward 5 to 15 degrees. Look straight ahead, put your arms straight out in front of you, keeping your back straight.
2. Bend at your hips, pushing your butt back toward the chair. Keep sending your hips backward as your knees begin to bend. It's important to start with your hips, followed by your back and knees. Stay centered over the middle of your feet. (I call this position the PPP, "porta-potty position.") If you lead

your squat with your knees, you will end up making a mess on your shoes!

3. Touch the chair with your butt without sitting. Keep everything tight and push yourself back up off the chair by pushing through the heels and balls of your feet, keeping your knees over the center of your feet. Stand and repeat.

If you can't quite reach the chair, go as far as you can and make touching the chair your goal. Practicing your squat will make you stronger and may keep you from having to call someone to help lift you off the potty, saving your dignity. Happy squatting!

## Coyote Season Returns

Due to the hazard coyotes pose to small pets, the Association reminds residents to be extra careful when letting their dogs and cats outside this month. Remember always to keep your dog on a leash on its walk as the practice leads to increased safety. Never leave pet food outside and be sure to seal your garbage curbside to help prevent coyotes from frequenting your neighborhood. Overall, be alert, practice good common sense and you and your pets should be fine.

## Guardianship Law Topic Of Assemblyman's March 12 Office Hours

Nevada Assemblyman  
Glenn Trowbridge

Trowbridge invites all Sun City residents interested in learning more about the state's guardianship law to his monthly meeting at Desert Vista, Saturday, March 12, 10 a.m. to noon. Trowbridge will be joined by Vegas Voice writers Rana Goodman and Dan Roberts, who have covered the issue for over a year.

Trowbridge, who has talked on the subject in Sun City before, said the meeting is designed as an educational opportunity. "The more you know about (the law) the less likely you are of becoming a victim," he said about current legislation that he described as "a form of senior abuse." Trowbridge and other representatives are currently working on a draft for amended legislation, which he hopes will be presented at the next Legislative session that begins in February 2017.

"These meetings are a great way to exchange information," Trowbridge said about the March 12 event. "I often learn more about the topic than I knew before when I hear someone share their experience."

# RESIDENTS' FORUM Monthly Meeting

## Free Bingo With Cash Prizes!

*Wednesday,  
March 9, 7 p.m.  
Desert Vista*

**F**or the first time ever, Residents' Forum is bringing free bingo to the Desert Vista ballroom.

At 6:45 p.m. the doors will open and 216 residents will receive a single bingo card for each of the four games. There will be a cash prize for the winner of each game and multiple winners will divide the cash. Between games enjoy refreshments and socialize with your neighbors. Sun City will provide a bar offering good \$3 California wine, \$3 beer and \$2 soft drinks.

This should be a fun night to play a Vegas game without risking any money, and who knows, you might win!

## Flag Etiquette

According to universally accepted etiquette for the flag of the United States, the American flag may be displayed 24 hours a day; however, it must be properly illuminated during hours of darkness. In addition, did you know that the Security Patrol collects flags that show signs of wear and tear? If you have a flag you would like to retire, you may drop it off at Security Patrol's headquarters at Desert Vista or any of the three information centers. Security Patrol hosts two flag retirement ceremonies a year in Sun City.

## Spring Forward on March 13

Remember to set your clock ahead one hour when you go to bed on Saturday night, as Daylight Saving Time begins at 2 a.m. Sunday morning.

## Catch Band Night Every Friday in March

The popular Band Night series returns to The Summit every Friday night throughout the month. Doors open at 7 p.m., music runs from 7:30-9 p.m. Admission is \$10 with a one-drink minimum.

In March, catch:

# PREPAREDNESS **Community Preparedness Committee**

## **Make Sure Medications Do Not Impair Your Driving**

**W**hen we read about motorists who are stopped by police because they appear to be driving while under the influence (DUI), most readers assume that the driver has had too much alcohol to drink. In fact, under the influence also may be someone who is taking illegal drugs or driving after taking legally prescribed medications.

Many older drivers are taking legally prescribed medications ranging from a simple low-dose aspirin to stronger meds that treat blood pressure, cardiac illnesses or other major medical problems. While taking these medications, whether over the counter or by prescription, it is vital that instructions on the medicine vial are heeded.

Most state laws do not differentiate between alcohol and other drugs when it comes to impaired driving. A driver impaired by prescription or over-the-counter medications could just as easily be arrested and charged with a DUI as

someone impaired by alcohol. Penalties of impaired driving while using alcohol or any other drug, elicit heavy fines, possible jail sentences and revocation of license. Drug Recognition Experts (DREs) are specially trained police officers who follow specific guidelines to determine drug impairment in motorists. DREs closely evaluate a driver's eye movements, behavior and other clues pointing to drug impairment before measuring for the presence of drugs. Sedatives, antidepressants, decongestants and pain relievers are among common medications that can impair drivers.

If a medication you are taking is labeled, "Do not use while operating heavy machinery," that warning includes a 4,000-pound automobile, as well as a golf cart. Remember, while you have a responsibility to maintain your own health, it is important to understand cautious use of your medicines, so as not to endanger yourself or others.

# CCOC Chartered Clubs and Community Organizations Committee

## What Do The Letters CCOC Stand for?

*A resident has the privilege of joining as many or as few of our clubs and organizations as they wish*

**Glenda Rogers,**  
Chairwoman,  
Chartered Clubs  
and Community  
Organizations  
Committee

**A**s a member of the Sun City Summerlin Community Association, a resident has the privilege of joining as many or as few of our clubs and organizations as they wish. The rules and regulations of these clubs and organizations fall under the purview of the Chartered Clubs and Community Organizations Committee (CCOC).

Inasmuch as my term as a director on the Association's Board expires and I am not seeking re-election, I will no longer be chairwoman of this committee. However, I do hope to remain on the committee. Residents are invited to attend all meetings of the CCOC, which are generally held on the first Thursday of each month in the Committee Room at Desert Vista.

The CCOC is composed of residents interested in being appointed to serve on this committee. The CCOC approves charters for new clubs and organizations, mediates problems a club may have as to rules and regulations, assures

that all the necessary financial documents are filed, and it can revoke a charter with the Board's approval. If you wish to form a new club, you need only to obtain 50 signatures of residents interested in forming such a club. Once that is accomplished the club must file an application with CCOC. If CCOC approves the club, it makes a recommendation to the Board of Directors, as the BOD also must approve the charter. With the approval of Sun City's Board, the club becomes an official community club.

Melissa Spina is the Director of Community Services. Melissa sets the agenda of the CCOC with the approval of the committee. She also answers questions concerning the documents a club or organization must file. She holds an annual meeting for all new officers of the various clubs and provides each club with a copy of the Chartered Clubs and Community Organizations Procedures manual. Her phone number is 242-4153.

## Keeping Hungry Rabbits at Bay

*Choose plants that are stinky and gooey to rabbits . . . even plants we might think smell good may be icky to rabbits*

**T**hey can be our furry, cute little friends that make wonderful pets and sometimes even deliver colorful, sweet-tasting eggs, but they also can be very bad for the landscape. Most plants are edible and very tasty to rabbits. As they eat their way through our landscape and as the areas outside Sun City dry out, those fuzzy little friends will be looking at your garden as a smorgasbord with no cover charge.

Rabbits have very sensitive noses so chemical barriers work very well, but you have to apply them frequently. Of course, physical barriers work, too, but most barriers are not allowed in the community unless you are very artistic, and they tend to take away the beauty from your garden. The last option is to choose plants that are stinky and gooey to rabbits. Even plants we might think smell good may be icky to rabbits.

I have included a list of plants here that rabbits usually pass up; however, please remember that hungry rabbits will eat just about anything. If it's a plant that they usually do not like, they may still be attracted to it when the plant is young.

In general, rabbits will stay away from cactus and yucca. The plant's genus, Euphorbia, has more than 200 varieties known to repel rabbits. Some of the varieties around Sun City include the gopher plant, fire stick and Turk's caps. You also might want to search the Internet for rabbit-resistant plants of the Southwest.

Keep in mind the word "resistant" does not mean it's guaranteed that rabbits will not eat it.

I hope this helps as you plan your spring gardens, and that the season is a wonderful time for everyone.

*~ Louis Darling, SCSCAI  
Director of Landscape*

The Landscape Department is now watering three days a week; turf on Tuesday, Thursday and Saturday nights.

### Being a Leader Means Making No Excuses

*Are there born leaders, or can one learn to be a great leader?*

All of us are a leader of one sort or other in our current life. We may be a leader in our church or synagogue, the head of a family, a civic leader, a leader on the Patrol board or in a lead staff position, a club president or just leading by the example we set wherever we may be.

So what are the principles and tactics of leadership? Are there born leaders, or can one learn to be a great leader?

Jocko Willink and Leif Babin, two U.S. Navy SEAL officers, present four principles and eight tactics in their book "Extreme Ownership (How U.S. Navy SEALs Lead and Win)." Both were

combat veterans tasked with bringing Ramadi, Iraq, under control. Chris Kyle, America's best sniper, was on their team. After their combat duty was completed, Willink and Babin became instructors in leadership at the West Coast SEAL training center in California. They now consult with large and small business leaders that want to be better.

The first principle is in the title of the book – Extreme Ownership. One bad day in Ramadi the team experienced friendly fire, where a friendly Iraqi soldier was killed by a member of the SEAL team. Upon hearing about the incident, a meeting with all concerned personnel was called. Team leader Willink gathered the facts from the team

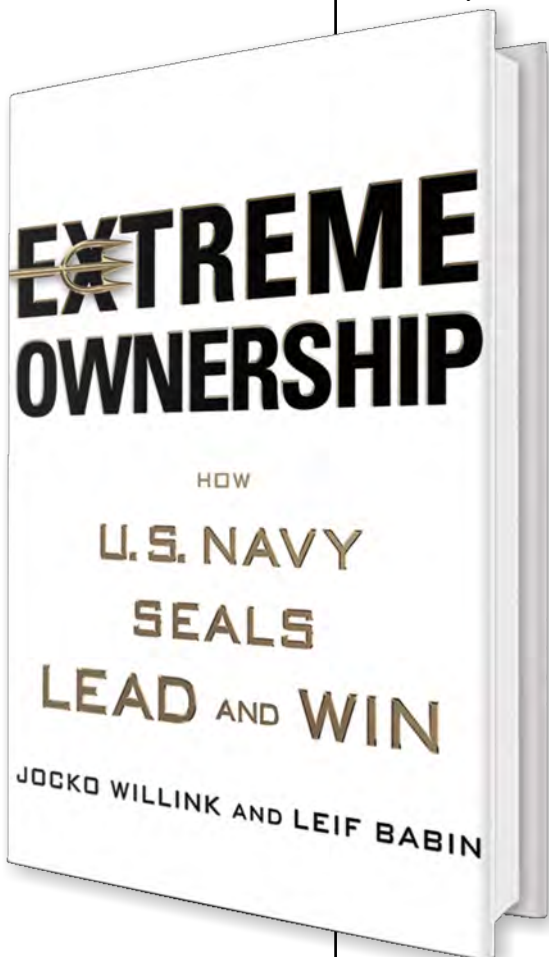

members and prepared a PowerPoint presentation. After reviewing what he had prepared, he stewed about it for several days as he thought something was missing. It finally dawned on him that he was missing. When the meeting started several days later he asked the group, "Whose fault was this?" Interestingly, each member claimed the incident was his fault (taking

extreme ownership), and stated why. Each time Willink said, "No, it wasn't your fault, and he again asked, "Whose fault was it?"

After all members had responded, Willink said, "There is only one person to blame for this: Me. I am the commander. I am responsible for the entire operation. As the senior man, I am responsible for every action that takes place on the battlefield. There is no one to blame but me. And I will tell you right now: I will make sure that nothing like this will ever happen again."

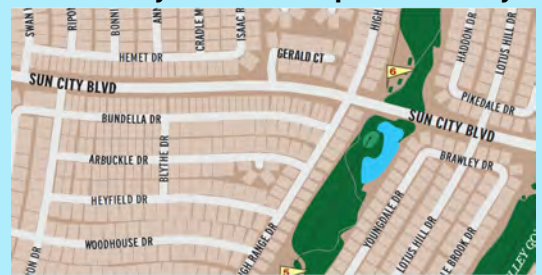

The top leader took full (extreme) ownership of the event, as did the subordinate leaders. No excuses, no blaming others, no pointing fingers at anyone else. The team leader also indicated he was going to fix the problem.

None of us are perfect; we are human beings very subject to making mistakes. No leader expects perfect performance, he/she only expects the best effort and a willingness to learn from the mistake or error, and then improve our performance.

**Bill Henriod,**  
Security Patrol  
Chief

### Do You Know? How Many Streets Comprise Sun City

Do you know there are 73 miles of Las Vegas city streets within our Sun City Summerlin? These streets are controlled and maintained by the city of Las Vegas. Any issues pertaining to these public streets should be addressed directly to the city. The Sun City Summerlin Security Patrol has no jurisdiction over these public streets. However, our all-volunteer Security Patrol does drive these 73 miles 24 hours a day, seven days a week, observing and reporting happenings that help our residents to enjoy a more safe and secure community. So the next time you see a neighbor/volunteer passing by in one of our patrol cars, give them a friendly wave of thanks. Or better yet, consider becoming a member of this fantastic group.

## “REMINGTON RYDE AND FRIENDS”

Monday, March 7  
6 p.m. · \$15

Together for 12 years, Remington Ryde and Friends are bluegrass crowd-pleasers. Just nominated for 2016 Best Vocal Band and Best Fiddle Player awards by Bluegrass Music of America, the band has performed each year throughout the United States. Their sixth studio album “LIVE at the Ryde” and old-time flair can be attributed to the members from which they hail and borrow their sound. On guitar and lead vocals, Remington Ryde; on bass vocals, Richard Egolf on bass and on fiddle and baritone vocals.

## “THE NITEKINGS”

Sunday, April 3, 2 p.m. · \$18

A streetcorner R&B doo-wop sound would best describe the group the NiteKings. The NiteKings consists of Angelo Mastro, Vic Moea, Skip Petronzio and Eddie B. The groups’ repertoire of songs from the 1950s, 60s, 70s and 1980s consists of pre- and early Motown or classic soul. Performances have been in major Las Vegas casinos such as the Gold Coast, Barbary Coast, Sam’s Town and Rio. The group has performed at the Miracles, Drifters, Coasters and Club for Leslie Gore at Sunset Station. They want to get up and dance. A portion of their scholarship program for advanced private students.

## “CARY LONG’S COMEDY ACT”

Saturday, April 2, 7 p.m. · \$15

Cary Long is a fresh new face on the comedy scene. He got his start on the hit television show “Star Search” with Ed McMahon and has been seen on “Evening at the Improv,” “VH-1 Stand-up Spotlight With Brian Regan,” as well as two appearances on the “Tonight Show.” His act is full of everyday situations that everyone can relate to. Cary combines accents, cultures and nationalities into a rib-tickling performance that will have audiences laughing at themselves. His comedy is observational, and he gets a lot of his routine from people he sees that day. So, if you are in the vicinity, be warned! Cary’s take on relationships between men and women will have couples pointing at each other saying, “I told you so.” In short, he is clean, funny and a must see!

## “WHITNEY PHOENIX “I LOVE A PIANO”

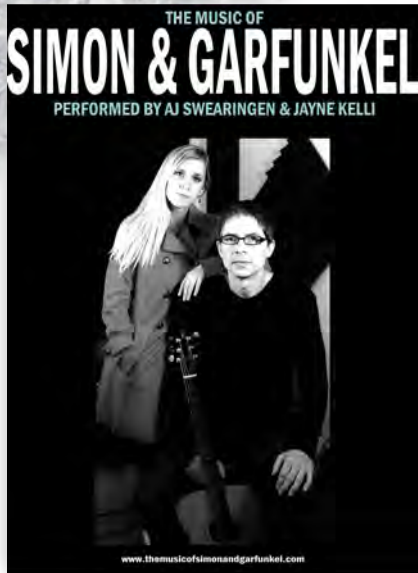

Sunday, March 13, 3 p.m. · \$20

Gateway Arts Foundation is privileged to present Las Vegas pianist Whitney Phoenix in a rare concert appearance featuring a range of favorites from standards to Broadway to film to pop to classical. Since 1993, Whitney has performed as a solo artist in Las Vegas, appearing at Caesar’s Palace and MGM Grand, and currently at the Bellagio. What sets Whitney apart from so many other pianists is his depth of expression and his ability to touch hearts. He will draw you gently into his world of emotion and paint musical images on the canvas of your imagination. In addition to his own program, Phoenix will highlight the talent of one of the young Gateway Arts scholarship recipients. Don’t miss this extraordinary concert experience!

Shows may be made to provide additional shows if possible. Tickets may be purchased online at [www.scscai.com](http://www.scscai.com), and all ticket prices include Live Entertainment Tax. ## **"TRIBUTE TO SIMON & GARFUNKEL"**

*Saturday, April 16, 7 p.m. · \$22*

The magic of this iconic duo is reimaged in impeccable vocal harmony. AJ Swearingen and Kelli re-create the music, memories and magic of the most famous folk-rock duo of our time, Simon and Garfunkel. Swearingen has been performing this music for 20 years with the mastery of Paul Simon's intricate guitar playing. His deep baritone blends perfectly against Kelli's angelic vocals that invoke a true sound in the spirit of Art Garfunkel. The duo has been performing since 2010. Together and separately they have shared the stage with Kenny Rogers, Crystal Gayle, Livingston Taylor, John McCutcheon and more. Two voices in perfect harmony balanced against one acoustic guitar delivers a true tribute to the sound of the 1960's Greenwich Village coffeehouse performances.

Call President Marianne Jagmin, 243-3932.

### **Art**

## CLUB SPOTLIGHT: Chicago/Midwest Club: Friendly Is as Chicago/Midwest Club Does

**M**y kind of town...Detroit, Des Moines, Milwaukee, Indianapolis, Lincoln, Syracuse, Cleveland, Pittsburgh and CHICAGO!

Webster's Dictionary defines the Midwest as a region in the north central United States, including the area around Great Lakes and upper Mississippi River valley from Ohio on the east to North Dakota, South Dakota, Nebraska and Kansas on the west.

Midwesterners are widely considered to be open, friendly and straightforward. A recent visit to a Chicago/Midwest Club meeting supported this generalization. Myra Feldgreber, the vice president of the Club, put it this way: "I think people from the Midwest are friendly. When they meet each other, they have a kind of bond. The people are down to earth."

Elaine Ruda is from suburban Chicago. She made it clear that she doesn't miss the weather, which was the sentiment expressed by most, but agreed that Midwesterners are a friendly bunch.

If you hail from the "middle" you probably know that the Midwest is the Land of Lincoln, Mark Twain, the Wright Brothers, Henry Ford, Ernest Hemmingway, Ray Kroc, Walt Disney, Benny Goodman and Jack Benny.

Chances are pretty good that, if you are not from the Midwest, you don't know what a Hoosier or a Buckeye is. You might never have tasted a Vienna beef hot dog, a loose meat sandwich, deer sausage or Lake Superior whitefish.

*Clockwise from top right, Club President Jerry Minsky, and members Ceci Schreiber and Marla Modes.*

And while Midwesterners might not recollect fondly the winters in this part of the country, they share a constitution made tough by their long ancestry of adverse conditions and the hard work of farming.

Jerry Minsky is the new president of the Chicago/Midwest Club. He hopes to increase the participation and bring some new activities to the Club's 42 members.

You don't have to be from the Midwest to join the club, but if you are interested in meeting a friendly group that shares a similar heritage, contact Jerry at 360-2776.

Rosenthal, Vice President Jolene Carter, Secretary Joanne Hess and Treasurer Phyllis Whited. Congratulations! Our next business meeting is March 9, Desert Vista, Room 5. Doors open 10:30 a.m. The spirit of giving is still very much alive as members generously give back to the community by donating their time and talent to teach tap classes at Kermit R. Senior, Innovative Elementary School. This initiative was spearheaded by Lida Derrin of the Razzle Dazzlers class and supported by Jane Ross, director, who will be instructing the children. The Club and students of Booker E.S. will perform at the school on March 1. To join this dynamic dance company, please contact Suzanne Rosenthal, 901-4947.

#### Dance Connection

The club is now offering another great class called Absolute Beginner Movin' & Losin'. This easy-going, easy-to-follow dance class is designed for those who

have never danced before, feel they have no rhythm or who are a little older and need a class just to keep moving while enjoying getting together and having fun. No partner needed. There is no jumping or twisting with only modified, low-impact moves. The class meets at 1:30 p.m. on Friday at the Pinnacle. Dance Connection also offers Absolute Beginner Line Dance, Hula, Round Dance, Absolute Beginner Ballroom, Movin' & Grovin', DanZfit, Flamenco, Line Dance 1 and 2, Ballroom, Island Style Cardio, Movin' & Losin' and Z-Moves. A few of these classes meet on Saturday and Sunday for those who want to continue moving on the weekends. Pick up the new Dance Connection schedule at any fitness center or Dance Connection class. Call Kris, 443-8759. Come join the fun!

#### Euchre

Euchre is a card game usually played with four players per table (two partnerships). It is a trick-taking game with a trump suit and played with only 24 cards (cards below 9 are removed from the deck). We rotate tables and partners, so euchre is a very social game for all levels. No partners are necessary. Lessons are available. Join us at 6 p.m. Wednesdays at Mountain Shadows. Call Dolores, 838-7902.

#### Fishermen & Friends

The Club meets the second Saturday of each month, 10 a.m., Desert Vista. At our meetings we share fishing information and make plans for local group trips. Please call Bob, 242-4240, or email bobmccauley2@cox.net.

**CLUB SPOTLIGHT: Musicmakers**  
**New Director, Dennis Gazso, Extends His**  
**Chorale Legacy in Sun City**

**S**un City resident Dennis Gazso is currently the music director of the Musicmakers. This has been a lifelong dream of his. Dennis is a music addict. He always has sought the great choral sound, the infrequent feeling you get when you're listening to music and hoping to hear the sound of a great choir. He says the sound is addictive, and it is why he chose to get into music education as his career.

He was born in Michigan and lived in Flint, Traverse City and Petoskey, and worked in the public schools. His choir at Petoskey High School (about 900 students) grew from a six-member group to the Outstanding Public High School Choir in the State in 1980!

Dennis then went on to teach music in some private schools, and he and his wife, Shelle, finally decided to go west in 1994. They used Las Vegas as their entry point to Southern California, and after four interviews there decided to come back to Vegas where he found a music job and they became permanent residents.

In 1996, Dennis started work at Cheyenne High School and was offered the job of both choir and orchestral director at the new Centennial High School in 1999. He worked there until 2002 when he retired from teaching due to the development of hyperacusis, a condition he said, causes "a collapsed tolerance to normal environmental sounds and the ears lose most of their dynamic range." It was painful and quite distressing for a man, who, so dearly loved the sound of perfect music.

Dennis and Shelle moved into Sun City Summerlin and have lived a quiet life since 2008. Recently, his sister Sandra, who also lives in Sun City and is a member of the Musicmakers, told the other members of the group about her musical brother and his special talents. After discussions and interviews, Dennis was named music director of the Musicmakers. He is currently rehearsing for the Club's upcoming concert in May.

About his new job, Dennis said, "The rehearsals with the Musicmakers every week are two of best hours of my life. I try to have them be two of the best hours for the members of The Musicmakers, as well.

## CLUB SPOTLIGHT: Table Tennis Sun City Hosts Anthem Players for a Day of Friendly Competition

Our club recently hosted a fun and play event at the Pinnacle table tennis center with our friends from Sun City Anthem. More than 30 players participated. The format was a mixer, double play. Each team was made up of one member and one guest partner. After each game we changed partners and/or rotated to a different table so that everyone ended up playing a lot of games. All players had a good time.

The activities lasted about two hours with a lunch break in between outside on the patio area. Our friends from Anthem also brought with them some USA Table Tennis-ranked players to exhibit their skills. They were generous enough to share some of their techniques with our members. It was a very memorable and exciting event for both clubs.

From the photo, you can see the fine facilities at the Pinnacle table tennis center with four tables. Our guests and members are all very active seniors in the Sun City communities. Table tennis helps keep one mentally sharp and improves hand-eye coordination, along with offering many other health benefits.

This summer, world-class table tennis players will compete in the 2016 Olympic in Rio de Janeiro, Brazil.

Table tennis started in England around 1900, modeled after the lawn tennis game, except that players used the dining room table. Rumor has it that players used the lid of a cigar box as the paddle. Nowadays, the table tennis game is truly global in scope.

Our members meet and play in the mornings from 9 to noon at the Pinnacle on Sunday, Monday, Wednesday and Friday, and Tuesday evenings from 6-8 p.m. We welcome all levels from beginners to advanced. The annual membership fee is \$10, and the Club is open to all Sun City residents. For more information, look for our club's flier posted in each of the Community Center's bulletin board.

**CLUB SPOTLIGHT: Book Club  
Inspiring Conversation a Real  
Page-Turner at Monthly Meetings**

**T**he Sun City Book Club is one of the oldest chartered clubs in our community. It was formed in 1991. The president is Jean Smith, who works very hard with the other officers to ensure members get a chance to share their opinions.

Jean says her goal is “to keep us reading all types of books that you might not otherwise read, and to share your thoughts with others.” The Club charges annual dues of \$2 and meets the second Thursday of the month at 2 p.m. At the beginning of the year (September/October), a committee meets and compiles a list of books that the members should consider reading. It is very important to note that the members are given a number of books to vote on and they decide what they are going to read the coming year.

After the books have been selected, each is assigned a specific month and the members work through their lists on all sorts of devices – traditional paper, Kindle and audio. When the Club meets (at Sun Shadows) members discuss the book of the month, its author and any ideas related to the topic or writer.

Occasionally, the Club has a guest speaker, usually an author, who tells the members about his/her book, which usually includes a Q&A.

Last year local author Laura McBride, a teacher at the College of Southern Nevada, spoke to the Club. “She was bright, entertaining and very open to sharing the process of becoming a best-selling author,” said Jean. Her fictional novel, “We Are Called to Rise” is loosely based on a real event in Las Vegas history.

Club membership fluctuates depending upon the time of the year, and when the members meet, “it’s about friends sharing an experience.”

~ Stu Gershon/Link

Mark your calendar next month as the Art Club presents its annual juried fine arts show, this year titled “IMAGINE!” during the weekend of April 2-3, 10 a.m. to 3 p.m., at Desert Vista. Entries will include watercolor, acrylic, oil and mixed media. The much-anticipated show highlights the creativity of members and will again feature the popular Art Bin, where matted, unframed works will be available for sale. There will be raffle tickets to win paintings donated by Sun City’s professional instructors and refreshments. Admission is free.
