Let's Stop Talking About Closing a Golf Course

Sun City Summerlin was originally conceived as an active adult golf, recreation and retirement community. Over the years, there have been studies and many discussions regarding the closing of one or more of the golf courses, however the end result always has been to continue to operate and maintain the three golf courses we own.

The Board of Directors is adamant that it is not considering closing a golf course now or ever in the future. Here's why:

- ◆ At a conservative estimate, there is approximately \$1 billion worth of residential property in Sun City Summerlin. Recent Southern Nevada history demonstrates that the closure of a golf course in a golf/residential community results in a significant loss of property value to all property in the immediate course area. It is estimated that residential properties adjacent to a golf course would lose more than 15 percent of their value if a course were to close. I believe that we would lose more

than \$40 million in property value for each course we closed.

- ◆ Based on the zoning requirements of the city we must retain 20 percent of our total property as open space. If we close a golf course we would still have to maintain the area as open space. The maintenance of the open space would still require a significant budget investment every year with less revenue. While the golf courses require a significant portion of our operating budget; they also provide a significant portion of revenue.
- ◆ Our residences were sold to us with the assurance that there always would be golf courses in our community. If we closed a golf course there would be numerous property owners who would bring lawsuits against the Association. These suits would be very costly to our Association and possibly devastating to our continued existence.
- ◆ The golf courses and other amenities in the community have made Sun City Summerlin a very desirable place to live, which secures and sustains our property values.

We are a golf and recreation retirement community and will remain so. **THE GOLF COURSES WILL NOT BE CLOSED NOW OR IN THE FUTURE.** The executive Board and staff are working diligently to maintain the community and specifically the golf courses in top shape. We also are working hard to market our golf courses to increase golf revenues; thereby reducing the burden of golf on our operating budget.

If we closed a golf course there would be numerous property owners who would bring lawsuits against the Association.

PRESIDENT **President's Message**

Possible Changes to Our Trash Pickup

For many years, the city of Las Vegas has operated under a 20-year agreement with Republic Services to pick up our trash twice per week and recyclable materials once every two weeks.

For the past few years, Republic Services has been successful in changing that agreement with the Clark County Commission, the City of North Las Vegas and the city of Henderson. The new agreements provide for trash and recyclable materials to be picked up once per week. In late 2015, Republic opened a \$40 million recycling processing plant that has enabled it to include more residents in the program.

Republic is changing its rolling stock to trucks manned by one employee. The truck will have a device that picks up a container and dumps it into the cargo area automatically. Republic's plan is to provide every residence with two standardized containers, one for trash and one for recyclables. Containers will come in three sizes: 35 gallons, 65 gallons and 95 gallons. It will be up to the customer to decide the size that fits their individual household needs.

This program is in negotiation between Republic Services and the City of Las Vegas. It is expected to begin in 2017 or 2018, depending on those negotiations. The new program will present some interesting challenges:

The new containers could be larger than the ones you currently use and there may be residents who want to store them outside of their home. Sun City's CC&R's are very clear, which state that no container may be visible from a neighboring property or the street on any lot. However, the CC&R's provide for the erection of a wall in the side yard where the containers may be placed behind. Any structure of this nature has to be approved by the Architectural Review Committee.

The retention of trash for a one-week period may present some problems due to the storage of the container in the garage, especially during the hot season. Residents will have to be creative in their methods of storage. Pushing containers on wheels down some of our steep driveways also will be a challenge for some residents. Hopefully, Republic will have a procedure to help with this task.

On September 14, the Resident's Forum will present an evening with Las Vegas Mayor Carolyn Goodman and City Manager Betsy Fretwell. We have asked Betsy to give an update on the change in trash collection in Sun City. We hope you attend this meeting.

Our Wi-Fi Is An Open Network

There are issues with open Wi-Fi, which need to be addressed.

Karl Wiedemann,
Chairman,
IT Committee

The Wi-Fi network at Desert Vista is an open network. What that means is that anyone within the signal range of Desert Vista's Wi-Fi can access it if they know the password.

There are issues with open Wi-Fi, which need to be addressed. One big issue with open networks is that anyone within range of the Wi-Fi access point can connect to the network, and that user has as much access to the other devices on the local network as anyone else.

Someone with bad intentions could lurk within the Wi-Fi's range and try to collect sensitive data, such as passwords, account numbers, logins etc. Since this network was established for our residents it has to be open. If you use an open network such as ours you have to be vigilant. Don't use it to do your banking, shop online or for any other purpose where you have to furnish sensitive information. Sensitive infor-

mation includes, but is not limited to, bank accounts, brokerage accounts, credit card information, Social Security numbers and passwords.

Our Wi-Fi network is throttled, which means that you cannot download large files, such as movies. We also have tried to prevent access to inappropriate materials such as pornography.

Super Summer Theatre at the Spring Mountain Ranch presents

"THE MYSTERY OF EDWIN DROOD"

Thursday, September 15 · \$30 per person includes transportation and show tickets

Bus departs Pinnacle at 5:30 p.m.; returns at approx. 10 p.m.

This wildly warm-hearted musical kicks off when the Music Hall Royale, a hilariously loony Victorian musical troupe, puts on its flamboyant rendition of the unfinished Charles Dickens mystery in "The Mystery of Edwin Drood." The story unfolds as John Jasper, a Jekyll and Hyde choirmaster, is quite madly in love with his music student, the fair Miss Rosa Bud. Miss Bud is, in turn, engaged to Jasper's nephew, young Edwin Drood. Our title character disappears mysteriously one stormy Christmas Eve – but has Edwin Drood been murdered? And if so, then whodunnit? The giddy playfulness of this play-within-a-play allows the audience to vote on one of several hilarious endings! **A concession stand is available for food and drink or bring your own picnic basket. You may bring blankets or regular folding chairs or rent a folding chair at the park for \$1.**

TUACAHN AMPHITHEATRE (IN IVINS, UTAH) PRESENTS

"THE HUNCHBACK OF NOTRE DAME"

Thursday, September 22 · \$75 per person includes dinner at Chuck-A-Rama Buffet and show tickets

Bus departs Pinnacle at 2 p.m.; returns at approx. midnight

From the Oscar®-winning team of Alan Menken and Stephen Schwartz comes a lushly scored re-telling of Victor Hugo's epic story of love, acceptance and what it means to be a hero. Based on the Victor Hugo novel with songs from the Disney animated feature, "The Hunchback of Notre Dame" showcases the film's Oscar®-nominated score, as well as new songs by Menken and Schwartz. High above the Tuacahn stage, the musical begins as the bells of Notre Dame resound through the famed cathedral in 15th-century Paris. Quasimodo, the deformed bell-ringer who longs to be "Out There," observes all of Paris reveling in the Feast of Fools. Held captive by his devious caretaker, the archdeacon Dom Claude Frollo, he escapes for the day and joins the boisterous crowd, only to be treated cruelly by all but the beautiful gypsy Esmeralda. Quasimodo isn't the only one captivated by her free spirit, though – the handsome Captain Phoebus and Frollo are equally enthralled. As the three vie for her attention, Frollo embarks on a mission to destroy the gypsies and it's up to Quasimodo to save them all. Come see the Tuacahn amphitheatre transformed into 15th century Paris and follow Quasimodo on his adventure.

Transportation to all events is provided. All bus trips depart from the Pinnacle parking lot, east of the softball field, near the posted signs. Unless otherwise specified, driver gratuity is not included in the ticket price. Tickets may be purchased at Desert Vista, Mountain Shadows and Pinnacle community centers; cash or checks only. Getting the Most Out of Smith Machine Squats

Squats are one of the best exercises you can do to strengthen your core and legs. Performing squats correctly every day will help keep you in shape and strong enough to do many of your normal daily activities. Using the Smith Machine while doing a squat teaches you how to extend your hips back and behind you, creating less stress on your knees. It also gives you the opportunity to add additional weight as you become stronger.

Start with no weight or light weight on the bar. You can add weight as needed and as you get stronger. Always do slow and controlled repetitions with your core engaged at all times (drawing your belly toward your spine).

Place the bar at shoulder height, step under the bar and place your shoulders up and under the bar. Un-rack the bar onto your shoulders and keep your feet hip distance apart. Walk forward 12 to 18 inches, leaning back into the bar and slowly lower your body into a squat keeping your knees behind your toes. Make a 90-degree angle at your knee and hip, engage your abs and keep your back flat. Push up and return to the starting position. Repeat 10 to 15 reps for two to three sets.

While using the Smith Machines at Desert Vista and Mountain Shadows fitness centers you can face the wall or toward the center of the room because the bar is straight up and down. At the Pinnacle fitness center, you will need to face toward the wall because the bar is angled away from the wall. You will want to let your hips extend behind you, keeping your spine at a 30-degree angle, push up and repeat.

If you have further questions on how to perform a Smith Machine squat or a squat with other equipment, sign up for an equipment orientation class or ask a SCS fitness specialist.

*"This has been great in many ways. I found out that I am not alone in my balance and other problems. I think I have gained confidence."
~ Mary Jo Richards*

The SCS Fitness Department will be sponsoring another falls prevention program called "Stepping On." This program begins with a falls prevention screening session held on September 20 by appointment only. Residents may sign up for an appointment with the Desert Vista Social Monitor.

During the screenings, participants will fill out a questionnaire and perform a few simple balance and stability tests in which an individual's risk of falling will be assessed. Recommendations will be given depending on the results of the individual tests. Some participants will be recommended to attend the Stepping On Falls Prevention Program classes beginning on October 5. Others may be referred to their health care provider for further intervention as necessary.

The Stepping On Falls Prevention classes will be held on Mondays from 1-3 p.m. (except for class #1) from October 5 to November 14 (seven weeks, two-hour sessions). Participants must be pre-screened to attend these classes during the screening session held on September 20 and commit to attending all classes. Sign up for both the screening and the class with the Desert Vista Social Monitor. Class size is limited. When full, a waiting list will be collected for future classes or cancellations. For more information on this program, contact the Fitness Manager, Kristie McWhorter at 363-1486.

The Stepping On Falls Prevention program is designed to challenge the older adult to appraise his or her risk realistically and to provide a forum for gaining knowledge about safety practices. The Stepping On program's aim is to facilitate the older person's taking control of their situation, explore different coping behaviors and encourage follow-through on safety strategies in everyday life. The seven-week series will consist of education, group discussions, physical exercises and guest speakers. The classes will be taught by Kristie McWhorter, SCS Fitness Manager, and Heather Senn, Fitness Assistant, who are certified group leaders for the Stepping On Falls Prevention Program.

SCSCAI Strategic Plan, Part I: A Vision for Landscape and Golf Maintenance

(These stories are part of a series on a community strategic plan presented by SCSCAI's Executive Director Paul Henderson to the Board of Directors in July. Coverage of other department plans will be featured on suncitylink.com and in future issues of the Link. All meetings are open to residents. Check suncitylink.com or scsc.ai for meeting dates and times.)

How to deal with deferred maintenance dominated the first day of SCSCAI Executive Director Paul Henderson's presentation to the Board of Directors over a two-day strategic planning session.

According to Paul, the meetings were designed to outline a one- to two-year vision for Sun City and pull together a BOD-approved plan that would become the strategy for the staff to accomplish. The presentation began as the current strategic plan nears its completion.

"These items are designed to promote pride in ownership among our resident owners and maximize return on investment," said Paul as he presented slides that prompted a review of "Where Are We Now," "Where Do We Want to Be" and "How Do We Get There."

In assessing "Where Are We Now," many BOD members agreed that deferred maintenance projects have earned their way to the top of the community's to-do list.

"Some buildings are not as neat and clean as they should be," said Paul. "The problem is deferred maintenance and we need to stop the deferred maintenance and get to working on things like building landscape, streetscapes and golf peripheral maintenance."

In the landscape and golf maintenance departments, seemingly smaller projects have been moved to the back burner over the last three years as crews have been reassigned to take care of compelling needs like turf reduction and resulting capital projects. While those jobs have netted the Association savings in water and its monthly utility bill, the progress has dead-ended work on several fronts. Add to that a reduction in full-time labor and a shift to seasonal and part-time workers and the departments are finding themselves in a hole that's hard to get out of. To keep up with the work, the Association has outsourced jobs like the recent cleanup of Thomas Ryan at Lake Mead Boulevard. But while the cleanup part of the job went well, Landscape Manager Louis Darling pointed to peripheral items that

didn't, namely broken irrigation lines and sprinkler heads, as well as displaced rock that his crew had to go in and fix after the paid contractors had left.

To BOD Treasurer Ken Resnik's question, "Do contractors make life easier?" the reply would seem to straddle the fence.

When talking about deferred maintenance, the topic is, of course, money. Projects get deferred because there is not enough money or manpower to do everything that needs to be accomplished. When that happens enough times wear and tear begins to show its age.

For some Board members, the topic transitioned naturally into a discussion on the current annual assessment, with several directors agreeing to an evaluation of the \$107-a-month fee that has remained the same for four straight years.

In an attempt to avoid a cycle of funding outsourced catchup projects, Paul said, "I think we need more staff." The statement resonated strongly with several Board members who agreed that some of the points brought up during the meeting will need to be addressed this year despite not being included in the 2017 budget.

SCSCAI Strategic Plan, Part II: A Vision for Food & Beverage

Controlling costs, gaming and reviewing the current business plan for Tavern at the Falls and The Summit were top topics during the second of three department strategic planning sessions. The meeting was presented by SCSCAI Executive Director Paul Henderson and Food & Beverage Manager Barbi Meinel to the Board of Directors. The meeting was open to residents.

Using the current strategic plan as a guide, Paul began by reporting that "Restaurant business activity is increasing, jumping from \$200 to \$300 a week two years ago to \$2,000 to \$3,000 a week today at Tavern," he said. At The Summit, receipts have improved to nearly \$500 a week while rental revenue has remained static at around \$30,000 a year for the last three years.

Paul said that while The Summit operates mainly as a snack bar for golfers, the room has welcomed residents during successful events such as the recent Fourth of July BBQ. Going forward, Barbi added that she would like to plan more events for residents in the room that enjoys one of the valley's best views of the Las Vegas skyline. Last month she welcomed Sanders Family Winery in Pahrump to present a wine tasting event and this month she is looking forward to scheduling a tiki lounge night on September 28. As far as The Summit goes, Barbi said that consistency with hours has been a problem and that oftentimes the business plan has seem muddled.

“Do we want to focus on golfers or attracting outside rentals?” she asked.

For BOD member Ken Carocchia, the subject of targeting corporate rentals to occupy daytime hours and social events for residents after 5 p.m. is an idea he’d like to explore. While BOD Secretary Ellen Bachman likes the idea of The Summit getting outside use, she wanted to be clear about expressing her opinion that the room is an amenity for residents and clubs should be considered in whatever plan materializes for the room.

Switching gears from The Summit but staying on the topic of rentals, BOD member Jim Akers said he’d like to see the dining room at the Tavern expanded and the kitchen redesigned to offer something more than hamburgers. His idea would increase the current seating area from 60 to 120 or so with the intention of attracting more golf tournaments (a full golf tournament is composed of 144 players).

“Spend the dollars and go straight out from the dining room to the pond,” Jim said. Such a renovation would create a tunnel for the cart path below. Adding to the idea, Paul said that he’s considered such a buildout and could see taking either one-third of the pond to create additional parking spaces or look to a valet service.

When not booked with a golf tournament, Barbi said, “Right now I’d like to utilize my talents as a chef to work on the menu and create a full-service, casual dining experience at the Tavern.”

One of the last items addressed concerned the subject of gaming.

Paul reminded the Board that the restriction on gaming machines in Sun City as outlined in the Howard Hughes Corporation charter will expire in 2018.

“If we want to consider gaming then we’re going to need to start thinking about it now,” he said, adding that the application process to install gaming machines at Tavern and/or The Summit is at least a year-long process. And because you can’t have a discussion on gaming in Sun City without talking about the Association’s tenant, Five Star Tavern, Paul said that it might be a good idea to get some feedback from residents on what they think of the restaurant that has been operating in the community for nearly three years.

According to Paul, Five Star’s owner has committed to renewing his lease for Five Star Tavern and is interested in discussing additional gaming opportunities in Sun City.

Special Classifieds Section Dedicated to Garage Sale Ads

If you're planning on having a garage sale in October during the community-wide event you may want to think about advertising it in the Link's classifieds. To help residents get the edge on their event, the Link is offering a \$10 classifieds special, where residents can advertise their garage sales leading up to the October 8-9 and 15-16 weekends. Garage sale classified ads are limited to one classified ad sheet (a \$4 savings) and will appear in a special section in the October issue. Ads also will be posted online, at suncitylink.com, where they may contain up to 4 four photos for free. The deadline to place an ad in the October Link is Thursday, September 1. For more information, call the Link, 966-1434.

Red means S-T-O-P!

Las Vegas City Councilman Stavros Anthony is doing his best to ensure Sun City residents see and obey STOP signs throughout the community. As such, he has worked with the city's traffic engineering department to have red reflective sleeves installed on all STOP sign poles located at multi-side intersections in Sun City. The red poles, like the flashing lights placed atop many of Sun City's STOP signs, are intended to increase visibility and safety. The red sign sleeves are fully reflective for better nighttime viewing. All drivers are required to stop at STOP signs. It is the LAW. In the city of Las Vegas, failure to stop at a STOP sign can result in a ticket up to \$395.

Administration Office Closed for Labor Day

The Administration office at Mountain Shadows will be closed on Monday, September 5, in observance of Labor Day. All other community buildings, fitness centers, restaurants and the golf courses will be open for normal business hours.

Do You Know?

Sun City Allows Three Types of Sales

Do you know there are three types of sales that are permitted from a Sun City residence? Each type of sale is clearly defined in our Sun City Summerlin Rules and Regulations. They are: Sun City area garage sales, moving sales and estate sales. Landlords are encouraged to remind tenants of regulations regarding these three distinct types of sales.

A recent decision by the Sun City Summerlin Board of Directors was made to discontinue the previous spring Sun City Garage Sale at the Mountain Shadows parking lot. In its stead, home garage sales will now be permitted in the spring as well as the fall. Residents may conduct garage sales at their homes on days designated by the Association. There will be two weekends this fall (October 8-9 and 15-16) and two weekends next spring (April 15-16 and 22-23) when home garage sales will be permitted. Garage sales at any other time are in violation of our Sun City Rules and Regulations, and those conducting sales on un-authorized days may be subject to a penalty. (Note: The City of Las Vegas Code permits only two garage sales at a residence per calendar year.)

A moving sale is considered anything where a resident moves out of Sun City, while an estate sale is defined as a sale that follows a death in the immediate household. A permit is required for each sale.

Permits for moving and estate sales must be obtained prior to the event from the Community Standards office located in the craft/patio area of the Mountain Shadows Community Center. These sales are limited to two days only, with the days selected by those conducting the sale. The validated permit for the moving or estate sale must be displayed for all to see next to the house number. Failure to obtain a permit for such sales could result in a penalty.

All properly conducted moving and estate sales are posted on the Link website, at suncitylink.com, on Thursday afternoon. Thursday postings advertise sales scheduled for the upcoming weekend.

If It's Too Hot for You, It's Too Hot for Your Dog

Please take note of the high temperatures as you contemplate a walk with your pet. It doesn't take long for a dog to overheat in temperatures over 100

degrees. If your dog is used to a daily walk, start out early in the morning or after the sun has set. Always carry fresh water for your dog and keep the walks short – 10- to 15-minute walks are good for summer. Be sure to check your dog's paws for any blistering following a walk and be aware of the symptoms for heat exhaustion. Some include excessive panting, limping, lethargy, salivation, bloody diarrhea, bloodshot eyes, vomiting and constantly laying down. If you think your dog is overheated, cool it with a cool towel on its abdomen, give it water and rest. Be alert and take your dog to the vet if you fear it's having a heat stroke.

GOLF Golf Oversight Committee

Investment Continues on Community's Courses

The next Golf Oversight Committee meeting is Wednesday, September 21, 1 p.m., in the Committee Room at Desert Vista.

The next Golf Oversight Committee meeting is Wednesday, September 21, at 1 p.m., in the Committee Room at Desert Vista. The golf course staff and golfing clubs in Sun City will be represented. The agenda can be found on the Association website, scscai.com. Please plan to join us. We welcome your participation.

Golf Club Membership: Membership in the various golfing clubs in Sun City continues to grow. With planned tournaments for men, women and mixed teams, there are opportuni-

shops for more information.

Eagle Crest: A new superintendant has been hired for the Eagle Crest Course. He is an experienced local resident. We continue to work on EC greens and expect them to return to healthy shape soon.

Bunker Project at Highland Falls and Palm Valley: The progress of this project has slowed due to the unavailability of sand. Only a couple of holes remain at Highland Falls, with work on Palm Valley to follow. We want to thank you for your continued patience as we improve our

courses with as little impact on play as possible.

Highland Falls

Practice Area: The practice area at Highland Falls is now complete with the arrival of the practice mat on July 28. The area will continue to be closed to allow the grass to grow. The expected opening date is October 1. The golfing staff will schedule limited use on tournament days from the mats only.

As mentioned previously, this area will not be available for normal range practice until Octo-

ber 1. The smaller putting green behind the first tee will be available. For this period, please schedule your practice sessions at either Palm Valley or Eagle Crest. Thank you again for your patience as we continue to invest in our golf course assets and improve our beautiful Sun City Community.

The Art of Tree Removal

Three Palo Verde trees replaced four pines removed at the tee at Hole 5 on Palm Valley. Palo Verdes are more conducive to Las Vegas and will grow fast to provide needed shade.
~ Photos by John Asay

Sun City Summerlin has a tree policy that can be accessed online at www.scscai.com under Policies and Procedures. The policy concerns any tree located in the landscape common area or on any one of the three community golf courses.

Trees are planted throughout the golf courses and serve many purposes. On the golf course, trees can provide safety and protection from errant golf shots. Trees also provide shade and beauty for our residents, golfers and the wildlife we enjoy here in Sun City

Summerlin. Trees help with cooling and cleaning our air, and they are a benefit for our environment. That said, situations can arise when it is discovered that a particular location may not be the best spot for a tree. For example, sometimes the shade a tree provides may be detrimental to Bermuda grass growth. In this case, the tree/trees are removed.

Over the years, the golf courses have made many changes in the landscape. When originally planted, most of the trees were located in grassy areas where they received all the water they wanted because they were being watered with the grass. Most recently, Sun City has participated in many turf conversions that have resulted in very different watering schedules for some trees. The new drip-style irrigation has left some trees struggling. My staff recently removed four pine trees at Palm Valley No. 5 tee location. Golfers were quite upset as these trees provided shade when they waited for the group ahead to continue their golf game. However, the trees were not in good condition and needed to be removed. We replaced the pines with three multi-stem Palo Verde desert museum trees. These trees grow very well in Las Vegas and will grow at a fast rate, providing shade again as quick as possible. The fourth tree was not replaced. We plan to finish the area with landscape plants to help beautify the location.

When requests for tree removals come in for the golf course, please understand that there are many factors we must consider before making the decision to take out a tree. The tree may not block golf balls for you, but it very well could be what is saving your neighbor.

Architectural Review Committee

Development Standards: Roadmap to Keeping Sun City Beautiful

Ken Caroccia,
Chairman, Architectural Review Committee

This article is about understanding the Development Standards of SCSCAI, and how it works within our Architectural Review Committee. Our staff and committee volunteers work continually to help Sun City Summerlin maintain high standards of appearance and thus upkeep our property values. As Committee volunteers we all reside in Sun City, and we all live by the same community rules as you do.

Each year ARC processes and inspects hundreds of applications for a variety of homeowner requests to alter, add to and maintain their homes and landscaping. We do our best to accommodate every request and assist residents through the process. Sometimes, though, what the resident wants to do is clearly outside of our guideline and we simply cannot approve.

We rely on a comprehensive list of Development Standards or basic architectural rules and regulations that we are to abide by. These are standards set many years ago when the commu-

nity was founded, and they were put in place to protect our property value and enhance our Sun City living experience.

Sun City Development Standards is not something that most folks deal with every day. The Development Standards is a 25-page document that isn't necessarily meant for your reading enjoyment. It is, however, the guideline used by ARC.

Our experience in working with neighbors over time has taught us that it might be worthwhile to remind residents that we have an obligation to follow the architectural and landscaping rules – The Development Standards. By checking out these guidelines before starting an unapproved outdoor project, a resident may find that he/she has saved a lot of headache and/or a financial investment. Never assume that it is OK to begin altering your outdoor space without first checking the Development Standards.

All Patrol Volunteers Are Residents Who Generously Give of Their Time

Bill Henriod,
Security Patrol
Chief

Security Patrol volunteers complement the activities of the Las Vegas Metropolitan Police Department by consistently patrolling every street in the community 24 hours daily. Patrol volunteers watch for and report unusual situations or suspicious activity to the proper authorities. The Patrol's mission is to protect residents and property by its highly visible presence.

Security Patrol volunteers are not armed. They do not confront or restrain suspects, or stop drivers for traffic infractions. At Patrol headquarters, a dispatcher maintains radio contact with Patrol drivers and, if needed, will summon the police or emergency assistance. If anything concerns you, call the Security Patrol at any time.

Security Patrol volunteers live in Sun City. They are all residents who generously contribute their time to serve their community. Volunteers who join the Patrol agree to support an estab-

lished program that includes certain expectations of conduct and a willingness to perform essential duties. Security Patrol managers are committed to treat members with respect and professionalism, as well as provide them with a safe and comfortable work environment. A new volunteer may choose to train as a Patrol car driver, a dispatcher at headquarters, or serve in one of our three information centers at community entrances.

Any resident with a valid SCSCAI membership card is welcome to inquire about joining the Security Patrol. A patrol driver must have a valid Nevada driver's license.

If you would like to make an important contribution toward making the community safer, and meet and make new friends, and the Security Patrol interests you, please call 254-2303. We would like to meet you and tell you more about the Patrol and answer your questions.

Krafty Kritters is a craft club that meets Tuesday afternoons at 1 p.m. and Saturday morning at 9 a.m. We are located in the multi-purpose room at Desert Vista in the atrium. The Club is very dedicated to helping babies in need at the hospital with baby hats and blankets. We help the homeless with hats and scarves all year long, and we donate our time and efforts to elderly people in homes with lap blankets. Donations of yarn are always welcome, as well as material, notions, flowers, buttons, etc. A fun, very popular project is our plastic water bottle holders. They are a big seller for walkers, golfers and hikers. The water bottle holders are very durable and last a very long time. Every week, members craft projects for personal use or to sell. Be sure to put the Sun City Falls Art & Crafts Show on your calendar for October and come see all of our projects, especially the snowmen.

The friendliness of the ladies is very special with lasting friendships being made daily. Dues are \$10 for the year. Krafty Kritters has a monthly meeting the first Saturday of the month with refreshments. Everyone is invited to stop by our studio to see what we are all about. If you find yourself at Mountain Shadows this month, be sure to stop by the lobby area display cases, where many of our members' work is on display.

**SPOTLIGHT: Dance Connection
Plan to Attend the Club's Free Expo, Thursday,
September 29, 5:30 p.m., Desert Vista**

The Dance Connection will host its Annual Dance Connection Expo, **Thursday, September 29, beginning at 5:30 p.m. in the Desert Vista Ballroom.** There will be a DJ, light refreshments and instructors who will demonstrate basic steps of the various dance classes offered by the club.

The Showcase is free and unique in that it is not a show, rather it is an opportunity for residents to drop in, view and try out different dance styles. You do not need a partner to attend. This is your chance to see if any of our classes work for you!

Dancing is beneficial to your health and well-being. It is also a wonderful way to make friends, exercise and have fun. So, get some friends together, dust off your dancing shoes and join us for an evening of fun and exploration.

Even though the event is free, tickets are still required. Tickets will be available from any Dance Connection instructor or by calling Kris, 443-8759, starting September 10.

Dance Connection offers Absolute Beginner Line Dance, Hula, Round Dance*, Absolute Beginner Ballroom, Movin' & Groovin', DanZfit, Flamenco, Line Dance 1 & 2, Ballroom*, Island Style Cardio, Party Line, DanZercise, Sittin' & DanSin', Movin' & Losin' and Z-Moves (*partners preferred).

are only \$5 annually. We serve coffee, tea, cookies and snacks – all free – enjoy! Election of officers for 2017 will be during the luncheon at the Suncoast buffet, Wednesday, October 19, 11:30 a.m.

Quilting

We're going back to school! September is here and that means getting back to class and learning new stuff. Lots of classes are being offered during the fall season. Come by the Quilt Room and check it out. This is the last month to purchase your tickets for our beautiful raffle quilt, which you could win at our Sun City craft sale in October. Get tickets at our Quilt Room or see a Quilt Club member; only \$1 each or 6 for \$5. Elections for 2017 officers will be held at our November 14 general meeting. Board meeting, September 8, 11 a.m.; general meeting, September 12, 9:15 a.m., Desert Vista. For information, call Theresa, 421-2150, or the Quilt Room, 240-1322.

Racquetball

We have doubles and singles games for every level of play. Our scheduled club court times are posted on the bulletin board at the Mountain Shadows Fitness Center and on the court there. Whether you want to get back into racquetball or you're a squash, handball or tennis player who would like to try it, we welcome you. Club elections will take place December 5, noon, at the Rampart buffet. For information, call President Liz Anderson, 873-0972, or 413-2108; Vice President Larry Feinman, 804-5543; or call Secretary-Treasurer Alan Aimone, 778-1216.

Residents' Forum

On November 9 the Residents' Forum will vote for officers who will serve in 2017. The proposed slate is as follows: Karl Wiedemann, president; Julie Zerbel, vice president; Jay Sesto, director of programs; Linda Genovese, at-large directors. The Forum needs a secretary and treasurer. Anyone who would like to have a position on the Residents' Forum ballot may do so prior to and including the date of election. No previous experience is necessary. If you are a resident of Sun City, you are a member and are eligible to be on the board. If you have any questions, please do not hesitate to call me to place your name on the ballot. Hopefully, we'll be inundated with volunteers. Glenda Rogers, president, 255-7755. Residents' Forum will be dark in October. This is because our Jewish friends and neighbors use the Desert Vista Ballroom for their High

Holy Day Services. We wish them all a very happy and healthy new year. In December, Residents' Forum is planning a very special holiday party. We have already confirmed our entertainers (Steve & Jack) and we're working on other surprises. To attend this gala, we ask only that you bring an unwrapped toy for a tot for the Marines to distribute.

R.V.

This month will take us to the world monument of the Grand Canyon. We will visit the North Rim and explore one of Mother Nature's

wonders. This is also the time to consider applying for a seat on our board, for November is the month we elect our 2017 officers. Club elections will take place Monday, November 7. Please contact our president with an application or any suggestions for the coming year. Our general meeting is the second Monday of the month, September 12, 7 p.m., Desert Vista.
