# DIRECTOR From the Executive Director

I have had the opportunity to attend more than 20 events and meetings as of November 15, and I have to say there is so much going on here every day that there is really something for everyone. There is no need to go anywhere else for fun, food, exercise or entertainment.

New Year's Eve is quickly approaching and two great parties will be hosted here, so check out Page 10. Tickets will go quick, so get yours soon.

I had the privilege of attending the Security Patrol award night, as well as the Neighborhood Watch get-together. SCSCAI is a safe community because of the residents who volunteer for Security Patrol and Neighborhood Watch. Maybe you do not have the time or ability to give to Security, but you certainly can make a difference by participating in Neighborhood Watch. Check out the article on Page 18 to see how you can become involved.

The Summit offers evening entertainment and food on Monday, Tuesday and Friday nights and the Starbright Theatre has numerous holiday and tribute performances in December and January for you and your guests. Check out pages 38-40 for more information.

I had the opportunity to meet Las Vegas City Councilman Stavros Anthony at the Security Patrol awards banquet and again at the Veterans Day salute during the Residents' Forum. SCSCAI is very dear to Councilman Anthony, and once again he will be sponsoring a Household Items and Hazardous Waste Collection on Saturday, December 9. Read all about it on page 29.

I attend several meetings a week and most of them are at Desert Vista. I am always in awe as I walk by the Model Builders room. The trains will be running during an Open House of the Model Builders Club, December 21-23. What a great opportunity to take your visiting guests, especially those grandchildren to the wonderland of model planes and trains, boats, doll houses and so much more. See page 30 for more information.

The Annual Holiday Party at the Residents' Forum is on December 13. What a great event this will be, and it is open to all. Come celebrate with fellow residents. The entry fee is a gift for a child or a non-perishable food item. See Page 31 for more details about this wonderful and fun event. I hope to see you there, and if we have not yet met I look forward to meeting you.

**Important Bylaw Vote:** You will receive a separate packet in the mail containing the Bylaw postcard ballot and the proposed Bylaw Amendments. Please watch your mail, follow the instructions, cast your ballot and return per the directions. See Page 8 for more information regarding the Bylaw vote.

**Mitzi Mills**  
SCSCAI  
Executive  
Director

**Updates and Memos from Mitzi:** Many of you have asked how you get on the mailing list to receive my informative emails and updates. See Page 6 for instructions on how to subscribe.

In closing, I want to say Happy Hanukkah, Merry Christmas and Happy Kwanza. Whatever your belief, may you have happiness and family around you as you celebrate the things that bring meaning and joy to your life.

# PRESIDENT President's Message

**Joe O'Connell,**  
President, SCSCAI  
Board of Directors

**W**ith the addition of our new ED, my job got a lot easier. Most of my email has been merely forwarded to her for action. She is very efficient and thorough. All of the feedback from residents has been very positive.

December is a slow month for our commu-

nity. I hope you all have happy holidays and enjoy your families. The next year should be a good one for us in SCS. The Tavern at the Falls should be completed, and no further major constructions are planned. Enjoy your community.

*Joe O'Connell*  
President

# HOW TO VOTE SCSCAI Bylaw Election Voting Information

This Bylaw vote is in four parts on the ballot:

- ♦ Ballot item #1 is a “Basket” vote covering changes to 13 sections of the Bylaws.
- ♦ Ballot item #2 concerns changes to Bylaw 5.3 changing the Director Term of Office from 2 to 3 years.
- ♦ Ballot item #3 concerns changes to Bylaw 5.10 adding sections (c), (d) and (e) for filling Vacancies on the Board of Directors.
- ♦ Ballot item #4 concerns changes to Bylaw 6.3 (a) allowing the Board to increase the Term of Contracts to more than one year.

The postcard Bylaw ballot, along with a red-lined copy of the proposed Bylaws and the proposed changes to Sections 5.3, 5.10 and 6.3, as well as any Pro & Con Statements that were submitted, will be delivered to your mailbox in a separate mailing. Please be sure to check your mailbox for the package. If you do not receive it, you may pick up a copy of the inserts and ballot at the Administration Office at Mountain Shadows.

For the proposed changes to the Association’s Bylaws to be adopted, a quorum of 400 households have to vote, with the majority of the 400 voting for the change. As this vote does not require a secret ballot, a post card format is being used.

Each member household will receive one ballot. Before requesting a replacement ballot, be certain that another member of the household has not voted. Should two ballots be received from the same home, both will be voided.

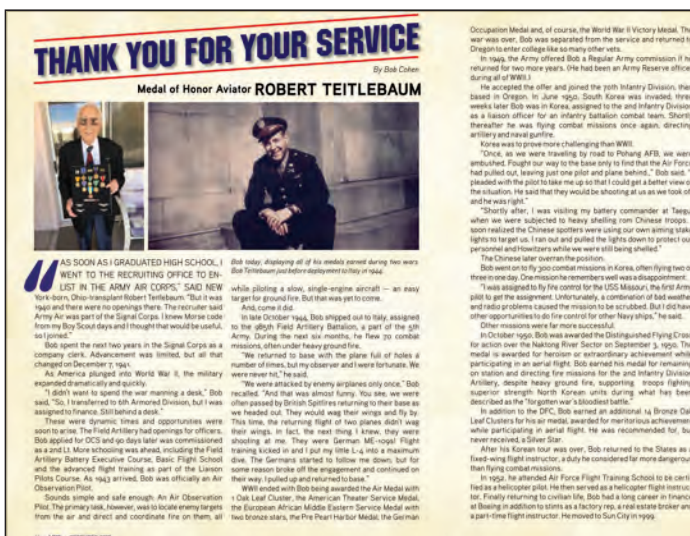

There will be no ‘official’ voting day. Simply mark your choices in the boxes indicated on the back of the ballot and either drop it in the US mail or deposit it in the ballot box located in the Mountain Shadows Administration Office. Ballots MUST be received no later than 5 p.m. Friday, December 29, 2017 to be counted.

If you make a mistake marking your ballot, do not correct it; exchange the old ballot for a new one at the Administration Office. If you have questions about how to properly fill out your ballot or you need a replacement ballot, please call the SCSCAI Administrative office at 702-966-1401.

The ballots will be validated and counted by the Election Committee starting at 8 a.m. on January 3, 2018, in the Mountain Shadows Administration office area. This will be an official association meeting open to all residents convened for the sole purpose of determining the results of the Bylaw vote. This activity will be done in full and open view to any who want to witness it.

The results will be announced to the membership by the Association Secretary.

A clean copy of the approved Bylaws will be provided to homeowners early next year.

## CLARIFICATION:

The November “Thank You for Your Service” article on Sun City resident Robert Teitlebaum featured the headline “Medal of Honor Aviator.” Mr. Teitlebaum did not receive the Medal of Honor for his military service. The headline used the word honor as a way to collectively describe Mr. Teitlebaum’s achievements as an aviator who had received many honors during his service to the United States; it did not mean to state that Mr. Teitlebaum was presented with the Medal of Honor.

The Link corrects mistakes. If you find an error in a story you read in the Link or on the magazine’s website, let us know and we will publish a clarification/correction. Contact Jeannette Carrillo, Link managing editor, at jeannettec@suncitylv.com or 702-966-1436.

# A MINUTE WITH MYRON

I'm sure many of you, my friends in Summerlin, can relate that when I'm planning an evening out I like to have choices. Since we opened our doors over five

years ago, this very idea has driven our programming at **Myron's Cabaret Jazz** at The Smith Center. Each year, our team works hard to explore new and amazing artists from around the world to bring to this intimate, 240-seat club. A different artist lights up our stage nearly every weekend, spanning a wide range of styles. Regardless of your musical preference, I guarantee you will find something you love.

To help you choose from this variety of performers, we have curated six lists of upcoming artists for every taste. You can explore these at your leisure on our website, [TheSmithCenter.com](http://TheSmithCenter.com).

Just to give you an idea, our **Broadway Up Close** lineup offers an intimate evening with stars fresh from the Broadway stage. **Jazz Vibes** presents musicians who get

into the swing of real jazz, while **Pop and More** serves up impressive performers who make chart-topping hits their own.

Our **Something New** list includes groundbreaking artists pushing the boundaries of style and sound. You can enjoy talented Las Vegas artists with **Vegas Favorites**, and explore music from across the globe with **World Rhythms**.

Upcoming Jazz Vibes performers include Steve Smith, the former drummer from Journey, with his jazz fusion band Vital Information NYC Edition. Under Something New, enjoy Time for Three, a trio of young string musicians who have taken classical sounds and given them a pop twist. They were recently featured on "Dancing with the Stars."

I hope you enjoy discovering the many sounds at The Smith Center.

# MAINTAINING SUN CITY

## Facilities Crew Keeps Community Running Smoothly

By Jeannette Carrillo

The responsibility of maintaining a community as large as Sun City Summerlin is serious business. With four community centers, three fully equipped fitness centers, five swimming pools and spas, six parking lots, outdoor lighting, common walls, HVAC systems, daily upkeep and more, SCSCAI's Maintenance Department employees cover nearly a 24-hour clock.

Technically, the department is divided into two groups – facilities maintenance and custodial. In all, 34 employees report to SCSCAI building maintenance manager Dennis McGrew, who has been a part of Sun City's family for 22 years. From Dennis, the organizational chart flows to Custodian Supervisor Toby Gonzalez, who marks 12 years working for Sun City and Maintenance Supervisor Brandon Balek, who has eight years with the company. After that, there's Lacy Schatz, the department's administrative assistant, who keeps it all organized.

Like many of the residents the Link reports on who have seen the community grow, so, too, has Dennis. Albeit, from a different perspective. Topping out at a little over \$2 million a year, the Maintenance Department budget gives Dennis some room to work with to ensure Sun City stays current and on trend.

"Our community was the first to have salt water pools in the valley," said Dennis, describing some of the projects he's overseen. One of the biggest was completed not too long ago that included switching out the community's outdoor lighting to LED technology. Dennis reports that the upgrade has been quick to show a savings on SCSCAI's overall utility bill.

While residents may not see many of the Maintenance Department's crew members at work, they can rest

assured that staff carries appropriate licenses and certifications that ensure they are experts in their field. Some of that paperwork includes pool and welding licenses, HVAC education, painting experience, and even sound and lighting expertise that goes into supporting the equipment at the Starbright Theatre.

In the coming months, the Maintenance Department will be busy remodeling the Human Resources office that moved into the former Link office space, resurfacing the pool deck at the Pinnacle Fitness Center and replacing the monitor stations at the Pinnacle and Mountain Shadows fitness centers.

*THE LIGHTS HAVE BEEN A TRADITION IN SUN CITY FOR 25 YEARS THAT I KNOW OF. THEY USED TO ONLY BE AT MOUNTAIN SHADOWS AND SUN SHADOWS. NOW THEY'RE EVERYWHERE."*

*~ DENNIS MCGREW, BUILDING MAINTENANCE MANAGER*

But in December, it's all about the holidays, and making the community beam with festivity is an added job that falls to the Maintenance Department.

"We enjoy putting up the lights just as much as we do the boulevard flags," said Dennis. "Everyone pitches in from custodians to maintenance – Mike, Toby, Brandon, Greg, Chris, Fred, J.C. and others. The lights have been a tradition in Sun City for 25 years that I know of. They used to only be at Mountain Shadows and Sun Shadows. Now they're everywhere. The guys really enjoy putting them up; it's just testing the bulbs that's no fun."

"I love the lights," said Supervisor Toby Gonzalez. "All around the outside buildings and trees get lights, and residents always tell us how much they love to see the colors."

## Committee Researching Solar Benefits, Costs

The Committee will meet on Tuesday, December 12, 9 a.m., in the Committee Room at Desert Vista

**Ken Caroccia,**  
Chairman, Common Area Properties

**F**or those interested in what's happening in the Common Area Properties (CAP) meetings but are unable to attend, here is a summary:

**Residents' Comments:** Jim Embry attended the meeting in order to notify the Committee that people are walking through the rocks at Mountain Shadows.

Stan Popek, Solar Star employee, presented a proposal for solar panels on community buildings, and a discussion followed. The Committee still needs further information from Solar Star before making a decision. The Committee wants to know, in detail, about tax credit benefits and cost.

**Staff Updates:** Kristie McWhorter, SCSCAI fitness manager, reported that the spin machine is on order and the three arm bikes will be replaced. During winter, pool furniture will be reslung with new fabric.

Brandon Balak, building maintenance supervisor, reported that the Administrative offices at Mountain Shadows are completed. The mini-golf course will have lights installed and the carpet will be patched. In the next fiscal year, the carpet will be included in the budget for replacement. LED light installation at Mountain Shadows is complete. The Highland Falls patio enclosure is finished. The Security Patrol office was reconfigured and new flooring was installed. Exterior walls throughout the community are being repaired and re-painted.

Donny Long, golf course general manager, reported that all courses have been reopened after over-seed. Palm Valley and Highland Falls pro shops were updated and remodeled with a new slat wall, lights and fixtures. The Tuff shed for the golf carts was approved, and Donny reported he is moving forward on installation, which will be done by December 1.

Brian Bagwell, golf course maintenance general manager, reported that the Highland Falls Golf Course is open to cart path only due to over-seeding. It is expected to open for all play by the end of December. The bunker project at

Eagle Crest is done and came in under budget. Turf removal begins now at Palm Valley.

Louis Darling, landscape manager, reported that the date palm trees are being trimmed throughout the community. Seasonal flowers will be exchanged with fall season flowers. The current back hoe needs to be replaced and was budgeted for, as well as the carts and a truck.

**Old Business:** The fire pit at Desert Vista was voted on and will be concreted in to expand the patio area.

**New Business:** The Committee discussed providing golf cart parking at Mountain Shadows as carts park in car spaces. Re-stripping spaces at Mountain Shadows is a possibility, and further research is required. A resident requested that automatic shut-offs be installed in the women's showers at the fitness centers. The Committee discussed and weighed the cost vs. labor. One issue was that residents would not be able to change the temperature. The Committee voted no.

## Holiday Greetings

**M**aking a deliberate choice to give of oneself for the benefit of others is an immensely satisfying resolution. Vol-

unteering is one of the most effective ways to be useful and connected to others. Your happy holidays may be influenced by what others do for you, while a happy new year will depend more on what you do for others.

The past year's Neighborhood Watch/Community Preparedness (NW/CPC) highpoints:

**Communication:** NW/CPC reaches nearly 300 residents by monthly emailed news, and SCSCAI's website has been updated with fresh NW/CPC data. Changing informational displays also are posted at two greenbelt kiosks on Sundial Drive.

Community Preparedness equipment was inventoried at Mountain Shadows, the Pinnacle, and in the CERT Room at Fire Station #107. Inventory items were redeployed to SCSCAI as appropriate for future use.

National Night Out was celebrated at participating Sun City Neighborhood Watch groups on October 1. NW/CPC participated at the

**Metro (LVMPD):** A NW block captain meeting was held with Metro's Northwest Area Command liaison. Kathy Cassell retired after 35 years as the area command's crime specialist. Metro's Randy Klenosky is the new crime specialist. LVMPD Captain Rich Fletcher retired from the NW Area Command and Captain Sasha Larkin has assumed the new lead role.

**Growth & Goals:** NW increased from 29 to 60 block captains. The goal for 2018 is to reach 100 neighborhood volunteer groups. Fifty-five Sun City streets have NW coverage and a map was created to provide a visual of Neighborhood Watch coverage, as well as to show areas that still need NW volunteers.

NW/CPC committee members Bruce Spitzer and Bill Holden completed Community Emergency Response Training (CERT) with the City of Las Vegas. Bruce and Bill have developed resident-appropriate CERT training for Sun City with scheduled class signups in December.

### Neighborhood Watch/Community Preparedness Committee Mission statement:

*"To support our community, and to ensure that we all work together to identify threats and improve our local capabilities to prepare for, protect against, respond to and recover from any hazards, including natural, manmade, or terrorist that face our community."*

Sun City residents improve their community's welfare by volunteering with the Neighborhood Watch/Community Preparedness Committee. If you admire the concept of neighbors helping neighbors, we would like to meet you.

The NW/CPC will meet Wednesday, December 20, 9 a.m., in Desert Vista's Committee Room. Residents always are welcome; the coffee's hot and our donuts are the best in town.

# TECHNOLOGY Information Technology

## A Few Tips to Help Avoid Hackers, Scammers & More

**F**or this month's IT Committee note, we will go over some of the things you should do or not do to help keep your computer safe from hackers, viruses and scams.

1. Never, never provide your user ID and password in an email in response to an email from some company because of a supposed issue with your account. If you receive such an email, directly log onto that company's website and see

friend. What has happened is that someone, again, got your email address by hacking the computer of one of your friends and is trying to insert a virus into your computer. If you open the attachment, you will have been hacked. In the case of going to a bad website, similar problems will occur. When you send an email to a friend with an attachment or refer them to a website, be sure to insert a personal note so the person knows the email is from you.

3. When you send an email to a lot of people, I recommend you use the blind copy (BC or BCC) option in the message to insert addresses into the message header. Do not use the TO: or CC: options for that many addresses. This is especially appropriate for SCSCAI clubs, where you might be sending notes to many people about club activities. When you send an email with open addresses using to TO: or CC options, everyone receives a list of those emails. The addresses are then stored in your computer, and if a hack occurs, the hacker now has all the email addresses to send bad stuff to. If you want everyone to know all those email addresses, use paper or, as a less preferred option, send the emails in an attachment.

4. If it's too good to be true, it likely is not true. If someone sends you an email saying they need help moving money or for a small stipend they will repay you a bunch of money for the help – for example, "I have money in Nigeria and I need help moving it out of the Country," or "I have a winning lottery ticket but cannot cash it. If you do that for me I will share the proceeds with you. Send me a few \$\$\$ for good faith and I will send you the lottery ticket," etc. Delete the email ASAP. It is a scam.

5. If you get an email asking you to send money via Western Union to help a friend or relative get out of jail or receive medical treatment, do not rush to the Western Union office. Instead, if you think the request might be valid (it probably is not), contact the friend directly to see if it is a real request from them.

IT will meet on Friday, December 22, 1 p.m., Desert Vista

**Leo Crawford,**  
Chairman,  
IT Committee

if there is, indeed, a request to change your password; or email the company directly asking for clarification. Most likely, someone got your email address, probably from a hacked computer from someone you know, and if you reply as requested, you could get hacked, too.

2. When you receive an email from supposedly someone you know with either an attachment or referring you to a website, be careful! If the email says something like, "This is really funny" and that is all it says, I suggest you delete the email. There is a good chance the email is not from the

## Use It or Lose It: How to Take Control of Your Brain Health

**Pam Shields**  
Fitness Specialist,  
SCSCAI Fitness  
Specialist, CPT,  
FAS (Functional  
Aging Specialist)

**W**hat do you want out of the rest of your life? To see your grandchildren grow up? To travel the world? To volunteer? To leave a legacy? We all may have different life goals, but most of them require that we maintain a certain level of health and independence.

We are living a lot longer than we used to. In the year 1900, the average life expectancy was 47 years. Today, it has risen to 79 years. The good news is that we're living longer; the bad news is that our bodies, including our brains, are experiencing more age-related issues due to the natural aging process.

The Centers for Disease Control (CDC) reports that Americans fear losing their mental capabilities twice as much as they fear losing their physical abilities.

Why is brain health so important?

The brain controls all organ systems in the body. It determines who we are and how we are. It controls everything we think and do, and how we do it. You may be surprised to discover that only 30 percent of your brain health is determined by genetics and a full 70 percent is determined by lifestyle choices – the decisions you make on a day-to-day basis.

You can take charge of your brain health by making small changes in your everyday life. There are seven key actions you can take that will positively impact your brain health. They are:

- ◆ Get regular physical exercise
- ◆ Consume a balanced diet
- ◆ Challenge your brain with mental activities

- ◆ Be socially active
- ◆ Get quality sleep on a regular basis
- ◆ Manage your stress level
- ◆ Manage your medical health

You can take control of your brain health starting today! Choose one area to focus on. Make a list of things you can do within that area to positively impact your brain health.

Looking for healthy recipes, free classes, exercise programs, brain games or medical information? Whether you prefer to do your research online or at the local library, there is a wealth of information that is readily available, and much of it is free.

Choose one or two things to start doing, stop doing or make a change to what you are currently doing. Make it a habit.

The important thing is that you do something. Make a choice. What will you do?

Once you have incorporated those changes into your daily life, choose another area to focus on. Make it an adventure!

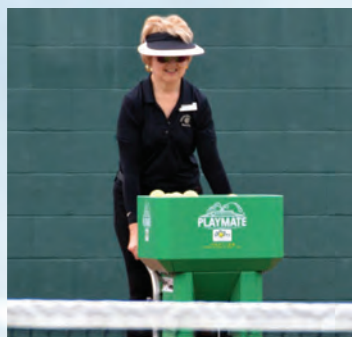

Your brain health can determine the quality of your life. You can improve your brain health and set yourself up for a longer, higher-quality life. Live the life you choose, on your terms!

If you are concerned about your own brain health or just want to make sure that you are living your life in a way that enhances your brain health, consider signing up for the Fitness Department's newest education offering: "Use It or Lose It! Healthy Brain Program."

Keep an eye on the Link for upcoming dates for this course!

## Charli's Corner

*Learning to Work With Medicine Balls*

**Charli Sue Douglass**  
SCSCAI Fitness Specialist, CPFT, GFI

**M**edicine balls can add variety to your workouts. Every workout needs a tune-up now and then, and adding a twist to current exercises is an easy way to add variety. Changing your exercises or the fitness equipment you use is a first, easy step.

Medicine balls are weighted rubber balls small enough to hold in two hands that are a fun fitness toy to use to tone your core and increase your strength, balance and coordination. You can hold medicine balls in your hands, between your knees, toss them to a partner or roll them on the floor. Just remember, they're not slam balls and should not be thrown on hard surfaces. They are located in all three fitness centers on an upright rack.

If you have never used a medicine ball, you will want to start with a lightweight ball (2-4 pounds) to perfect your form before moving up to a heavier one. There is a chart on the wall at each fitness center demonstrating various exercises you can perform with the ball. Here are just a few exercises to get you started.

**Squat With Overhead Press.** Target muscles/areas: Quadriceps, hamstrings, upper back, core and shoulders.

Stand with your feet a little wider than hip dis-

tance apart. Place the medicine ball at chest level and lower your body into a squat. As you press up and out of your squat, push the ball over your head. Find your balance; lower arms and repeat.

**Ab Twist – Standing or Seated.** Target muscles: Core (abs and back).

Hold the medicine ball at waist level, bracing the core (pulling your belly button toward your spine). Rotate your upper body slowly to the right, keeping the ball at your waist and hips in place. Return to the starting position then rotate to the left. Small, controlled movements will make the biggest impact.

**Pullover.** Target muscles: Upper back and shoulders.

Lay on your back on the floor/bench with your feet on the floor or bench. The medicine ball should be in your hands with your arms extended to the ceiling. Slowly lower your arms over and behind your head toward the floor/bench while keeping your arms straight. Pull the medicine ball toward your knees. Repeat.

If you would like more ideas on how to use the medicine balls, ask one of our fitness specialists or sign up for an Equipment Orientation class at your favorite fitness center.

# CCOC Chartered Clubs & Community Organizations

## Lots of Changes Coming to Club Charters

The CCOC will meet Thursday, December 7, 1 p.m. Desert Vista. All residents are invited to attend.

**Barbara Holden**  
Chairwoman, CPC/  
Neighborhood  
Watch Committee

**A**t the December Board of Directors' meeting, a number of changes were proffered to change the CCOC procedures manual. These changes were presented at the November Board of Directors meeting for final approval.

**Requirements to Start a Club.** A motion to change the 50-member requirement to start a new non-craft club to a 25-member requirement was passed. Clubs will then be required to maintain these 25 members as required by the CCOC.

**Once-a-Quarter Evening CCOC Meetings.** This passed motion would allow for a once/quarter 5:30 p.m. meeting of the CCOC to begin in January 2018. The regular meetings take place at 1 p.m. at Desert Vista.

**Club Business Notices.** Meeting notifications that require a membership vote, including elections, must be made with a written notice in the

Link 30 days prior to the meeting.

**Clubs Can Decide Members' Dues Structure.** A motion to allow a club to make its own determination regarding whether or not to allow a single household family membership in an amount that is less than double the single membership was passed. A club's charter would have to be amended to reflect this change.

**Authorized a Club to Have Co-presidents.** A motion passed to allow a club to elect co-presidents.

**Reducing Quorum Requirements.** There was discussion about changing the required number of club membership needed for a vote to a lower percentage. It was decided that more consideration and discussion should take place at the next meeting.

## Do You Know? Let the Craft Clubs Help You With Your Holiday Shopping

Do you know many of our Sun City Summerlin craft clubs offer items for sale throughout the year, not just during our craft fairs? It is no secret that many skilled artisans and crafts people are members of these wonderful clubs. Clubs that offer items for sale on a year-round basis include: Art, Ceramics, Krafty Kritters, Quilting, Sawdusters, Sewing, Silver, Lapidary and Glass Fusion and Stained Glass.

The Art Club wall display in the lobby at Mountain Shadows features the work of a different club member each month. Many of the works displayed there are for sale. The Photography Club also sells photos, greeting cards and mats for displaying photographs.

If you are not familiar with the work of our many talented Sun City residents, please take an opportunity to shop at club rooms located at Mountain Shadows, Desert Vista and the Pinnacle. Items are unique and hand-crafted, and make perfect welcome gifts, as well as beautiful additions to our own homes.

Many of these clubs have members who are willing to fulfill orders for specific and custom-made items. To determine if you might be able to commission an art or craftwork, contact the particular club president. Club presidents' telephone numbers can be found on Pages 50-51 of this month's Link.

## Hazardous Waste Collection Set for December 9

Get ready to clear out your garage as the hazardous waste collection event returns to Sun City on Saturday, December 10, 10 a.m. to noon, at Mountain Shadows. The event is sponsored by Las Vegas City Councilman Stavros Anthony to help promote the safe disposal of unwanted household items. Acceptable items include paint, motor oil, car batteries, old cell phones, computer hard drives, old television sets and used syringes. In addition, there will be an area where residents may turn in expired prescription medications.

Left, Judy Auerbach and Judy Arbuckle met in Sun City's dance clubs more than 20 years ago. Today, the two keep their friendship and toes in step, performing with the Dance Company.

## Now & Then

### The Two Judys (AKA The Blue Jays)

The two Judys (also known as the Blue J's because of their blue dance costumes) formed a close friendship more than 20 years ago when they both belonged to three dance clubs in Sun City Summerlin – the Folk or Ethnic Dancing; the Dance Connection and the Dance Company. Additionally, both ladies were members of a performing clogging group called the Sun Country Cloggers, and they participated in many dance-outs (performances and competitions) throughout the area.

Since their last names are so close alphabetically, Arbuckle and Auerbach, the ladies were often confused, with each receiving phone calls and emails intended for the other.

But the love of dance, in its many forms, has been the thread that has linked these two ladies, and they have become the best of friends.

Over the years, each Judy has served her respective clubs in different capacities. Judy Arbuckle was a class representative in her tap class of the Dance Company, and Judy Auerbach was treasurer of the Folk Dance group, president of the Dance Connection and vice president of the Dance Company. She is currently president of the Women's Club.

It is refreshing to learn that Sun City has provided the environment in which these two ladies, with similar affections for dance, could find each other and maintain a close contact over the years.

## Toys for Tots Collection Ends December 15

For the past 23 years, Sun City Summerlin has taken part in this nationwide campaign promoted by the U.S.

Marine Corps. The toy drive benefits needy children in Las Vegas. Sun City Summerlin residents and employees have participated each year to help this wonderful cause, where they have donated thousands of gifts. If you would like to take part in this year's Toys for Tots drive, drop off a new, unwrapped toy now through Friday, December 15, at Mountain Shadows, Desert Vista, Sun Shadows and Pinnacle community centers.

## Model Builders Open House

The Model Builders Club welcomes residents and their visiting families, especially grandchildren, to come out and see what the creative club members have been building all year. The Model Builders studio is located at Desert Vista and will host a

holiday open house Thursday to Saturday, December 21-23, from 10 a.m. to 2 p.m.

On a daily basis, model builders work on their individual projects, including model airplanes (many are radio-controlled), boats, intricate model ships, doll houses with all the furniture and the ever-popular HO model railroad layout. Affectionately named Lone Mountain Railroad, the layout can accommodate six locomotives that pull up to 40 cars.

Don't forget to put this stop on your holiday tour of Sun City. Club members will enjoy meeting you and your kids/grandkids will love seeing the railroad in action!

# RESIDENTS' FORUM Monthly Meeting

## Get Ready for the Annual Holiday Party

*Wednesday,  
December 13, at  
Desert Vista.  
Doors open  
at 6:30 p.m.*

**Y**ou're invited to the annual holiday party on Wednesday, December 13, at Desert Vista. Doors open at 6:30. Entry into this festive event is either a Toys for Tots gift or a non-perishable food item for Catholic Charities. (Gifts to Catholic Charities are distributed to families regardless of their religious affiliation.) Both of these worthy causes benefit local families in need. Keep in mind that Toys for Tots does not accept stuffed or plush animals.

Residents will receive a raffle ticket for their gift, so keep your fingers crossed, maybe this will be your lucky night.

Once inside the ballroom the fun will begin! Entertainment will be provided by Mama's Wranglers, Jackson Family Band and Cloggers.

If you enjoyed their show last month at the Starbright Theatre you already know why they were voted Young Entertainers of the Year. If you missed the show, here's your chance to see what your friends have been talking about.

In addition to the wonderful entertainment, enjoy sweet treats, punch, coffee and a cash bar. The raffle will top off the evening. Lucky residents can win gift cards to local restaurants.

Come and join your friends and make new ones at the Residents' Forum Annual Holiday Party. Yummy refreshments, fabulous entertainment and a fun raffle add up a great evening. Remember, all Sun City residents belong to Residents' Forum.

## Many Thanks for Service, Commitment to Community

**A**s my year as chief of the Patrol draws to an end, I find myself filled with mixed emotions. It has been a journey filled with opportunities to work with some of the most generous and caring people that I have ever met. The members of Patrol care about the community that we all live in and care about. The residents of Sun City should remember that every member of the Patrol is their neighbor. We live next door to you. We play golf and cards with you.

I am writing this article four weeks before it will be published and eight weeks before the end of the year. I have taken the liberty of projecting some figures based on the first 10 months of 2017. Although we award members double time or time and a half for certain hours worked, I have subtracted or backed out all such hours so that I could determine the correct number of hours that our 240 members contribute to the community each year. Note that we have dispatchers, watch commanders and drivers working six four-hour shifts every day of the year. Our three Information Centers are open eight hours a day, every day of the year, as well. We also supply volunteers to every community event that takes place in Sun City, and there are more than 30 events that we attend each year.

By year's end, we will have driven 180,000 miles in Sun City. We will have responded to 600 911 lights, performed over 7,000 house checks and made over 3,600 residents aware that their garage doors were open. The Information Centers will have answered more than 2,500 questions posed to them by visitors and residents. The total number of hours volunteered by Patrol members this year will exceed 56,000.

Please thank a Patrol volunteer for their service to our community. As I try to thank all of the Patrol members who have provided me with so much help this year there is the risk that I will forget someone. The other four members of the Patrol board, the heads of each of the disciplines, the watch commanders, the 40 members who have taken on additional administrative duties, ranging from washing cars and making phone calls to fixing computers and radios, as well as training all members on our procedures, just to name a few. I would especially want to thank my wife, Beth, for allowing me this opportunity.

My thanks go out to each and every member of the Patrol for all that you do to make OUR community a better and safer place to live.

**Dick Clark**, Sun City Summerlin Security Patrol Chief

# COMMUNITY STANDARDS

Happy  
Holidays,  
Y'all

**W**ith the increased television and Internet options, many homeowners are installing satellite receivers and antennas. By Federal Communications Commission (FCC) law, these items cannot be prohibited. Therefore, the ARC will no longer require applications for these installations. However, Sun City does have regulations regarding their installation.

Any transmission cable from the dish/antenna to the house must be buried underground. Any exposed transmission cables on the exterior of the dwelling must be painted to match the color of the surface on which it is mounted.

Attached homes (sub-associations) must still submit applications to their Association for all exterior projects, including dishes/antennas.

**Paint Colors.** The ARC did listen to the many requests from residents regarding additional paint colors for front doors. At its August ARC meeting, the Committee voted unanimously to add seven new paint colors to

the approved palate. We now have some greens, reds and even a blue.

**Coyotes.** Many areas of Sun City are seeing coyotes traveling through the streets. Please, do not leave your dogs unattended in your yard. Coyotes can jump a 6-foot wall or fence and have your little fur baby in seconds. If you are walking your pet, carry an air horn, an aluminum can filled with a few coins or anything that will create a loud sound to scare the predator away.

**Flag.** Only American flags and the Nevada state flag can be flown together on a free-standing flagpole. If you do chose to fly the American flag, we ask that you replace or remove it once it gets worn or torn. If possible, the flag should be illuminated if displayed at night. A reminder: Only one (1) wall-mounted flag receptacle shall be permitted on any single-family dwelling.

One final reminder: Holiday lights and decorations may be installed after Thanksgiving; they must be removed by January 15.

# CLUB SPOTLIGHT

## SWIM CLUB *By Carol Rudolph and Stu Gershon/Link*

### Club Takes Medals at Senior Games

Over the weekend of October 7-8, the Sun City Summerlin Swim Club (Carol Rudolph, president) participated in the annual Nevada Senior Games held at the Pavilion Community Center Pool in Summerlin. There were participants from seven states represented at the Games this year (Arkansas, Arizona, California, Florida, Michigan, Nevada and Virginia).

The Swim Club team won 32 of the 158 medals awarded, totaling nearly 20 percent of the victories.

"Make no mistake about it, the Nevada Senior Games is the most exciting competition in athletics, and the fact that our Sun City Summerlin Swim Club has competed in these Games since the early 1990s is a phenomenon many in our community are excited about," said swim team coach Darlene Rogers. "Our Club has contributed such talent as Freddy Leipziger, Paul Gwin, Ann Kmit and Walt Butler, who have competed and medaled in their swim heats in events such as the freestyle, butterfly, breast stroke and backstroke, in medleys, 500 yards, 200 yards, 100 yards, 50 yards, and as individuals.

"Our team this year has continued this tradition in fine style!"

Sun City's medal winners Rita Barcus (six golds); Tina Shannon (four golds and one silver); Karen Kretchmar (three golds); Judy Morgan (one gold, two silvers and one bronze); Pam Conboy (three golds, one silver); Paul Brandt (five golds, one silver and one bronze); and David Kretchmar (three silvers) has qualified the swimmers to compete in the National Senior Games to be held in 2019.

For Paul Brandt, who recently recovered from a broken right hip, said, "I've never had so much fun doing something healthy. I'd never swum competitively until last year when I entered the Nevada Senior Games."

"Come on in," he invites residents. "The water's fine. Join the Swim Club and get in on the fun!"

"Great experience. Very well organized and lots of fun," said another Swim Club member, Judy Morgan. "The teenage swim club members that work the lanes are great cheerleaders for us seniors."

During competition, Karen Kretchmar said that she pushed through the feeling of not being able to complete the race. But as she approached the last lap of her 200-meter freestyle, she just kicked into gear.

"I told myself that I can do it!" she said.

Carol Rudolph, Darlene Rodgers and the other members of the SCS Swim Club have kept this group together, swimming three times each week. They inspire newer members, and Sun City is proud to say that they are ours!

*(To read the full story of the Swim's Club's performance at the Nevada Senior Games, visit [www.suncitylink.com](http://www.suncitylink.com) and click on the Clubs page.)*

*Caption: From top, Sun City Summerlin's Swim Club members brought home 32 medals from the Nevada Senior Games that was held in October. Medal winners included: Rita Barcus, Tina Shannon, Karen Kretchmar, Judy Morgan, Pam Conboy, Paul Brandt and David Kretchmar. The Club is led by Carol Rudolph, president, and coach Darlene Rogers. Left, David Kretchmar ruptured his achilles tendon in October 2016, and for months walked laps in the pool to learn to walk again. His opinion of the Senior Games, "The heats were stressful, but afterwards I realized this was the second-most fun I ever had without smiling!" Below, Gold-medal-winner Rita Barcus said, "I swam in the Senior Olympics this year and enjoyed it immensely!"*

### **Golf (Men's) 18 Hole**

Annual election of officers will be at the members' general meeting on Thursday, December 7, Desert Vista, immediately following golf, 1 p.m. Our President, Gerry Sokolski,

has published the list of nominations for officers. Besides our regular Thursday golf events, December brings with it our annual Tournament of Champions on December 7. From all the 18 Holvers, Merry Christmas and Happy New Year. Be safe and return to us for 2018. You may have noticed there are new out-of-bounds markers for Hole #18 at Palm Valley. The area has been extended and the white stakes are for 18 only. The reason is for safety and this rule will be covered in the ongoing rules publication. Also, you may have noticed that there are a few more large containers of divot fill at Highland Falls. You are encouraged to fill in as many divots as you can while waiting to hit your fairway shots. For questions, visit our website, [18holers.org](http://18holers.org), or call Colbert, 859-979-4376.
