Residents Pass NRS82 Ballot Question

The change in status will ultimately guarantee the perpetuity of Sun City Summerlin Community Association, Inc., and relieve us from paying the state commerce tax, which will save us approximately \$16,000 per year.

Paul Henderson,
SCSCAI
Executive
Director

Thank you to all Sun City homeowners for your diligence in returning the ballot question regarding the change in SCSCAI's status from an NRS81 to an NRS82 corporation.

The result of the election, which was certified by SCSCAI's Board of Directors Secretary on April 27, revealed that the Association had met its goal of 50 percent, plus one vote to begin working with its legal team to file paperwork with the Nevada Secretary of State's Office. The change in status will ultimately guarantee the perpetuity of Sun City Summerlin Community Association, Inc., and relieve us from paying the state commerce tax, which will save us approximately \$16,000 per year. In addition, the change also will reduce the amount of other fees paid by SCSCAI. The amount of overall fee savings associated with the sale of tickets to community events is expected to net Sun City thousands a year in savings.

In all, more than 4,184 votes were cast to approve the change. That number represents over 53 percent of homeowners who responded to the ballot less than a month after it was mailed to homes with the April Link.

Department Spotlights

I hope that you have enjoyed learning more about the Association's departments and the individual staffs that make up Sun City Summerlin's service team. Since January, the Link has endeavored to go behind the scenes to reveal what a dedicated crew we have working for residents. So far, we've covered the science of grass with Golf Course Maintenance, the philosophy of entertainment with Community Services, the importance of compliance with Community Standards and the creativity of storytelling with the Link. This month, residents will learn about the *modus operandi* of fitness and how that department strives not only to help residents live longer and healthier lives, but to ensure that they have fun doing it.

After all, fitness is forever.

On that note, I wish you all a great summer. Whether you stay in Sun City or return to cooler climates, take time to enjoy your family and friends!

PRESIDENT **President's Message**

The Heat Is On

If you are on the golf course as much as I am . . . protect yourselves.

Joe O'Connell,
President,
SCSCAI Board
of Directors

It is getting officially "hot." Be careful with the heat, and use a lot of sunscreen. I have suffered many dermatologist visits with removal and freezing of sun spots. If you are on the golf course as much as I am (not as much as before the Board), or out on our tennis or pickleball courts, protect yourselves. Only softball players don't have to worry about the sun. The rest of us need to be careful.

Members of your Board of Directors are not perfect people, but they are volunteers, who spend a great deal of their time trying to do the right things for this Association. If you strongly disagree with a decision or many decisions, maybe you should think about running for the Board next year. This next election is the start of the three-year terms. We need honest, hard-working people to get on the Board.

If there are issues you are interested in, start by going to the respective committee – for ex-

ample, the Finance Committee for the budget, or Golf Oversight for course-related issues. The Common Area Properties Committee reviews all items where significant funds are spent for our Association. When you attend a Board meeting because you an item on the agenda, it is too late to simply state that you do like it.

Most of our residents are pretty happy with the actions of the past Boards. Your volunteers have kept the cost of living here in Sun City very low for what we offer. Please consider being one of the volunteers and sign up this fall.

PREPAREDNESS Neighborhood Watch

Incarcerated Burglars Tell What Does/Doesn't Stop Them Part II

(Editor's note: This is part II of a story that first appeared in the May Link. It was compiled by Link editorial board member Ellen Greenspan from more expansive coverage on community crime that aired in April on KGW-TV in Portland, Ore. To read the full version of the story, visit the community tab of the Link's website, suncitylink.com.)

Kyle Iboshi, a senior investigative reporter for KGW-TV in Portland, Ore., questioned 86 inmates currently serving time for burglary in Portland's Department of Corrections. The burglars responded to questions detailing how they broke into, as well as what they were looking for during home burglaries. What the reporter learned could help keep others from becoming a target.

Did posted home security signs deter you?

Burglars had mixed opinions about home security systems. Some burglars said signs didn't faze them. Others knew how to disable alarms or avoid setting them off, but most said they would leave immediately if an alarm did go off.

If there was a visible security camera, would it keep you from breaking in?

Burglars agreed that security cameras were a deterrent, but added that a camera also signaled valuables inside the home.

If you heard a radio or TV inside the home, would you still break in?

Most burglars feared someone might be home if they heard a radio or TV and said they wouldn't break in. "Absolutely not," wrote a burglar.

Did you ever do surveillance on a home, and if so what were you trying to learn?

"Who lives in the home, what are their weekday

schedules (weekends are too unpredictable), what do they drive, is there a dog," wrote one inmate. "What time the house would be empty," answered another.

Cash and credit cards are the ultimate find. Jewelry and guns are almost as good as cash. "If I got guns, they were easy to sell," said a former burglar. Laptops, phones and other electronics are easy to take and can quickly be sold. "The main thing I hunted for in a home was a removable safe or locked box," one burglar wrote. "I would leave everything else to get a safe that I could carry."

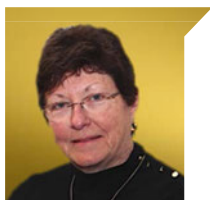

Burglars aren't going to remove a heavy safe from the home. Large safes and safes bolted into the floor or wall are too difficult to deal with. "Safes that cannot be picked up or carried off are too much work for possibly no reward."

What can homeowners do to avoid being burglarized?

"Alert police if you see something suspicious at a neighbor's home. Know your neighbors so you recognize different people in the neighborhood. Be neighborly. Neighbors can be one of the best security systems. Have a true neighborhood watch," recommended a convicted burglar.

To learn how to start a Neighborhood Watch: email neighborhoodwatch@suncitylv.com.

If a homeowner has a big, loud dog most burglars stay away. Smaller dogs don't seem to bother them.

Hole-in-One Counts on Mini Golf Course, Too

A hole-in-one is a hole in one, right? If that's true, then sinking three hole-in-ones on the same course in the same day has got to be some kind of record, and props need to be paid. At least that's what Sharon and Paul Beilman, right, thought when their friend Bob Castille, left, managed the feat on April 14 at the mini golf course at Mountain Shadows. We couldn't agree more. Congratulations, Bob!

HOW SCSCAI WORKS

BOD Members Are SCSCAI Volunteers

Day-to-day operations of SCSCAI are the responsibility of a professional staff that reports to the Executive Director.

In this world, it seems everyone has a boss and SCSCAI is no different. Executive Director Paul Henderson reports to the Board of Directors – nine members who are elected by homeowners. Unlike Mr. Henderson's employees, the BOD are all volunteers. In fact, according to BOD President Joe O'Connell, Board members put in as many as 35 hours each week performing their duties. Collectively, they average 600 hours a month. You might think about that the next time you interact with a Board member.

Continuing along, Sun City's organizational chart looks like this: The Board of Directors, the Executive Director and nine department managers who head up building maintenance, community services, community standards, fitness, food and beverage, golf course maintenance, golf course operations, landscape and link.

All available positions, some full time with appropriate benefits, others part time, are listed on the Association's website, www.scsc.ai.com. To view current job openings and their complete job descriptions, head to the Sun City Info tab and locate Employment, which is the third option on the left-side column. You also will find an employment application link on that page. Job postings change weekly. Positions are open to all qualified applicants, including Sun City residents.

Former BOD President David Steinman's Fire House Legacy Lives On

More than 50 business colleagues, friends and residents turned out to honor the memory of former SCSCAI Board President David Steinman on April 26 as Las Vegas City Councilman Stavros Anthony dedicated Las Vegas Fire & Rescue Station 107's community room to one of Sun City's favorite sons.

Pointing to guests gathered around the engine bay, Councilman Anthony talked about how during the station's construction, David could often be found at the site.

"I believe he was out here every single day to make sure the station was done to his specifications and that it was done correctly," he said. "And this is what we ended up with – a beautiful fire house."

When thinking about how he could best honor his friend in Sun City, Councilman Anthony said that the idea of naming the station's community room came to mind.

The idea was one of several proposed to the city following David's passing in January.

One by one, several speakers took to the podium recalling memories of their dear friend, including Las Vegas City Mayor Carolyn Goodman, Las Vegas Fire & Rescue Fire Chief William McDonald and Mountain View Presbyterian Church Pastor David W. Dendy.

BOD President Joe O'Connell shared a poignant memory of how he and David attended the grand opening of Palm Valley's 9th hole, which had to be redesigned following the fire station's ground breaking.

"David was the first to drive off the 9th tee and I was fortunately the second," Joe said.

"David was a very good friend of mine. He's the main reason I'm on the Board today and the No. 1 reason why I got involved. He loved his family and his beautiful wife, whom he talked about all the time."

With that, Councilman Anthony welcomed David's wife, Madeleine to the podium for the last word.

"Thank you all for coming today," she said. "Thank you for honoring my husband."

State Assemblyman to Hold Office Hours

Newly elected Nevada State Assemblyman Jim Marchant will begin office hours in Sun City this month on June 17, 10 a.m. to noon, Desert Vista, Room 3. The lawmaker will continue to hold office hours at the same time on the third Saturday of every month. The event is not intended to be a campaign stop, rather, it is for residents seeking assistance with a number of day-to-day social service issues.

Do You Know?

How Age Matters in Sun City

“Even though many new residents are in the younger age brackets, the average age has remained virtually the same,” said longtime BOD member Ken Caroccia. In fact, compared to the membership in 2008, Sun City’s current membership is only 2 years older even though nine years has passed. How is that possible? The answer points to how many of us are living longer.

Age Bracket	No. of Residents 2008	No. of Residents 2017
Under 55	438	299
55-60	643	526
60-64	1,364	997
65-70	2,093	1761
71-74	2,531	2,218
75-80	2,455	2,297
81-85	1,874	1,938
85-90	853	1,337
90-94	211	561
95-100	30	122
100+	3	20

Notice the trend: In the past nine years, the number of residents in the 95-100 age bracket has increased more than 400 percent. Where we only had three residents over 100 in 2008, we now have 20, a 700 percent increase. The same could be said of the 85 to 95 brackets, where there has been significant increases.

Throughout the years, the ratio of men to women has remained constant – 45 to 55 percent. Similarly, the average age of our male population has consistently been two years older than our women, 77 versus 75, today. In 2008, it was 74 versus 72.

FITNESS: Team Members Find Fun, Innovative Ways to

THE FITNESS DEPARTMENT OF SUN CITY SUMMERLIN COMMUNITY ASSOCIATION, INC., TOUCHES THE LIVES OF ROUGHLY 1,500 RESIDENTS A DAY. OUR MISSION IS TO HELP RESIDENTS STAY HEALTHY AND ACTIVE FOR A LONGER AND FULLER LIFE. WE PURSUE THAT GOAL THROUGH TWO AVENUES – OUR FITNESS CENTERS AND OUR HEALTH AND WELLNESS PROGRAMS.

OUR TEAM

The lifeblood of the Fitness Department is our people! Every member of the fitness team is an example of active, vibrant living. You can catch many of our team members during their off-duty time swimming, playing sports, dancing, serving with community health organizations, teaching and more.

Kristie McWhorter, our fitness manager, holds a master's degree in exercise physiology and has been with us for 10 years. She is also a certified senior fitness specialist, an ACE-certified personal trainer and a group exercise instructor, as well as a functional aging specialist. She is an active health ambassador within our community as well as outside. One of her passions has been improving balance and falls prevention. She has spearheaded falls prevention programs in Sun City for several years running. She also represents Sun City Summerlin as a member of the Nevada Goes Falls Free Coalition and promotes falls prevention in the Las Vegas community.

Heather Senn is our assistant to the fitness manager. She is a certified health education specialist, holds a bachelor's degree in public health and is a physical therapist assistant. She is the main coordinator of the health and wellness programs, including the monthly health education

seminars and the annual health fair. Heather began a new diabetes empowerment education program for residents this year that made a great impact in many of our resident's lives.

Charli Douglass, fitness specialist, is a certified senior fitness specialist and ACE-certified personal fitness trainer and group exercise instructor. You may have caught up with her at a fitness center, or read one of her "Charli's Corner" monthly features in the Link that focus on proper technique, types of workout plans and making exercise science easier to understand.

Pam Shields, fitness specialist, is certified senior fitness specialist, an ACE-certified personal fitness trainer and a group exercise instructor as well as a functional aging specialist. She also is a member of the Alzheimer's Association Speakers Bureau. She oversees our fitness department equipment maintenance program, keeping our exercise equipment in top shape. You'll also be seeing more of her as she launches the "Use It or Lose It: Brain Health Program," a four-week program to help residents understand how different aspects of life interact for optimal brain health.

Both Charli and Pam, together with our Certified Group Exercise Instructors Doris Poders-Barsky, Melissa George and Zoe Johnson teach our department-sponsored group

fitness classes at the Desert Vista Fitness Center. These include Sit & Be Fit, Body Sculpting and Core Strength & Balance. Heather joins Pam and Charli in teaching equipment orientation classes for residents at each fitness center, showing how the equipment operates, important safety features and talking about creating basic workout plans.

Our team also includes a top-drawer crew of 40 fitness/pool monitors. They make a busy, multi-faceted job look easy. One thing you may not know is that while they keep things humming along with a smile, they are also keeping a keen watch out for your safety and well-being while you are enjoying the facilities. All monitors are trained in CPR, first aid and basic water safety, and they all serve as "first responders" for residents and guests experiencing health issues while using the fitness centers. While we would wish they never had to use that knowledge, we salute our hometown heroes whose quick thinking and action has helped prevent more than a few serious situations for residents and guests over the years.

FITNESS CENTERS

Our four fitness centers are our most visible, tangible aspect of the Fitness Department. No matter where you live in Sun City Summerlin, there is a fitness center within a couple of miles of you that offers a menu of options to support an active lifestyle. Each center boasts at least one pool and spa, and through the entire network of centers, residents have access to tennis, basketball, racquetball, pickleball, bocci ball, miniature golf, walking paths, cardio and resistance training equipment, and group fitness classes.

Unlike our social halls, fitness centers are private facilities and non-residents must be accompanied by a

If you're looking to increase your understanding of brain health and promote a brain-healthy lifestyle, this workshop is for you.

The four-session course will provide you with all the necessary tools and tips. Numerous studies have shown that brain health is multi-faceted. It is not just about exercise, nutrition or playing brain games. If you are looking to support thinking skills and reduce the risk of serious memory loss, you must engage in different ways. This includes a focus on physical, mental and emotional health.

The Use It or Lose It! program, based on the Cleveland Clinic's 6 Pillars of Brain Health, consists of a series of four two-hour workshops. The workshops include a mixture of lecture, discussion, activities and exercises aimed at improving the long-term brain health in cognitively healthy adults. Because the program focuses on prevention and not treatment, participants must be free of significant memory impairment, such as diagnosis of Alzheimer's or a related memory disorder, or other cognitive compromises that may impact their ability to benefit from the course.

~ Pam Shields, CPT, GFI fitness specialist

resident with a current Association ID to use the facilities as a guest. All households are allotted 24 guest passes per year. As an active adult, 55+ community, fitness centers are not open for children under the age of 19, except for dedicated times for children accompanied by resident adults to use pool facilities at Desert Vista, Mountain Shadows and Pinnacle.

Some of the most important questions around our Fitness facilities have to do with some other accessibility issues:

- ♦ **Caregiver Access** – Contact the fitness manager with a doctor’s letter and she will guide you through the process of getting your caregiver set up to access the center with you. They will be able to get a special ID card and you can preserve your guest passes for family and friends.
- **Longer-Stay Family Caregivers** – Contact the fitness manager with a doctor’s letter and she will authorize temporary access to a family member/s caring for a resident for an extended period.
- **Medical Discharge to Community Exercise** – Need to bring a physical or occupational therapist, a sports medicine physician, or a cardiac rehab specialist with you to help you set up a post-rehabilitation exercise program? Have the provider contact the fitness manager ahead of time to authorize their visit. You will need to use a guest pass for the visit as certain liabilities are at stake. Obtaining prior approval helps ensure a smooth, professional experience for this important part of your plan of care. Additionally, by having your healthcare professional speak with us, we can

exchange valuable information about other resources that will support your continued recovery during the transition.

- **Support Animals** – You can apply for a special permit from the Administration Department. You’ll need supporting documentation from a physician. After approval, your animal will officially join you on your Association ID.

HEALTH & WELLNESS PROGRAMS

Less visible but no less important, our health and wellness programs complement our fitness centers by empowering residents to greater health, function and well-being. We support a healthy community by partnering with about 60 local healthcare providers to bring timely, relevant and accurate health information to you for monthly screenings, seminars and workshops. Through these relationships, in 2016 alone, Sun City Summerlin was able to host 55 health education seminars completely free of charge to residents!

Our Annual Fall Health Fair and Flu Shot Clinic boasts an average attendance of 900 residents, and our Annual Spring Walk brings out about 100 runners and walkers.

THAT LITTLE EXTRA

In addition to all this already great stuff, the Fitness Department contracts with an on-site licensed massage therapist, Deborah Butterfield, whose massage studio is located at the Pinnacle Fitness Center; and two nationally certified personal fitness trainers, Daria Clarke and Cece Ceccarini. Both of these amenities take Sun City Summerlin to the next level of service for our residents.

Have you heard this one:

"Good Fences Make Good Neighbors?"

Boundaries help us respect each other and get along better. One such boundary in our fitness centers is our 30-minute courtesy time limit on cardio equipment, which includes warm-up and cool-down time. Remember, the person waiting could be you – so treat others as you wish to be treated. You can always try out a different machine to get extra time – and get a fitness boost in the bargain!

Spending Some Quality Time

Security Patrol offers a new spin on date night

Remember when you married the person you loved and the kids came along? If you were lucky, Mom got the sitter, Dad shaved the 5 o'clock shadow and you both had a date night – using your first names while enjoying a glass of wine or beer. If not date night, then maybe when the kids were asleep, at the end of the week, there was time for cocktails and catch-up.

who flag the patrol car with questions, along with other duties. The 1,600-hour drivers get to see the deep orange, brilliant pink and purple sunsets in winter. In the twilight hours, these volunteers begin checking on Association properties.

Joseph and Rousana Tao drive the 2000-hour shift (eight to midnight.) “We have been driving for four years. We give back to the community

Left, Joseph and Rousana Tao; and Murray and Linda Rosner enjoy driving their Patrol shifts, which they look at with a sense of adventure.

Well, now you are retired and the kids live a few states away, and there is time. Security Patrol offers a new spin on date night. In fact, about 20 couples are members of Security Patrol, and they drive together for four hours once a week.

Couples who enjoy the magnificent desert sunrise drive the 4 to 8 a.m. shift. Murray and Linda Rosner have been driving the 0400 shift for six years. “We owe something to this community, and there is a sense of adventure driving at 4 a.m.,” said Murray. “Surprising things can show up, like a 911 light or a suspicious situation. Sometimes, Linda and I will go to breakfast at the Tavern at the Falls after our shift is over.”

Early morning-risers drive 8 a.m. to noon. Together, they check homes for neighbors on vacation. Afternoon drivers keep an eye out for suspicious vehicles; talk with the neighbors

doing this,” said Rousana. “We enjoy working with the other drivers on this shift. They are nice people.” Joseph is also on Security’s IT staff.

The 2000 shift isn’t easy. Security Patrol volunteers knock on doors, letting residents know their garage door is open. Other duties include checking Association property doors (all 203 doors, plus gates and restroom doors.) Perhaps not much catching-up conversation goes on during this shift.

The midnight to 4 a.m. drivers are busy keeping our community safe while most residents are sleeping. They check out suspicious vehicles, the 911 lights and the occasional open garage door.

Most important, drivers on all shifts are neighbors helping neighbors. Come, join us. Nice people work here.

ARTHUR PATTON

Another Day, Another Dollop in the Merchant Marine

It wasn't very glamorous duty; it was a job. One that had to be done because without it, the invasion of France in 1944 and the island-hopping campaigns of the Pacific would have been virtually impossible. That job was serving in the Merchant Marine. It was vital because nearly all the troops and every truck, tank, cannon, and the bullets, shells and fuel that they required, was transported by ship — and the enemy knew that. A greater percentage of those serving aboard merchant ships in WWII died in the line of duty than all of the other U.S. Services — 1 in 26 mariners.

One of those serving mariners was Sun City resident and Military & Friends Club member Arthur Patton. When asked why he joined the Merchant Marine, especially in light of the casualty figures, he replied, "We didn't know how dangerous it was." (All through the war the government minimized the damage being done to our shipping to prevent the enemy from learning how

effective the submarine attacks were.) "I was about to turn 18 and the draft was waiting. A friend of mine had signed up for the Merchant Marine and told me the pay was four times higher than the Navy's, so I joined just before my birthday in 1944."

Arthur served on a number of ships in both the Atlantic and Pacific, mostly troop transports. He sailed from New York to Liverpool, England, and Le Harve, France, bringing fresh troops to that theater before transiting the Panama Canal to support the fighting in

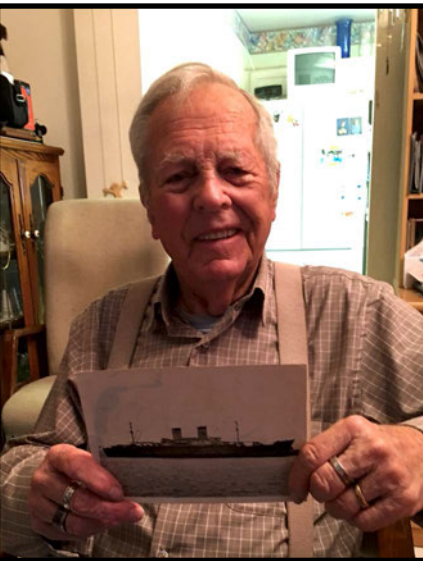

Arthur Patton as he served in the Merchant Marine. Arthur today displaying a photo of his favorite ship, the S.S. General John Pope, a troop transport.

the Philippines, Guam and Saipan.

The ships he served on weren't the famous ones we all know. They were the S.S. General John Pope, the S.S. Cody Victory, the S.S. Marine Dragon and the S.S. Sheephead. Names that were little known then, except to those who sailed on them and certainly forgotten now. Both Arthur and his ships were among the lucky ones; they never became a part of the 1 in 26 who died.

"Most of the time, I served on troop transports. When the war ended, our job did not. All of those troops had to be ferried home. So, we made runs from Japan to Seattle.

Later, we returned to the East Coast to bring German POWs home to Bremen, Germany. That may have been the greatest crossing. I had five POWs assigned to help me in my duties as storekeeper. One of them spoke excellent English and that made my job much easier."

Arthur left the Merchant Marine in 1947. Like so many of his generation, the war is just a distant

memory. He moved on, became an auto mechanic, married, raised a family and eventually came to Las Vegas in 1962, finishing his career with Nevada Energy.

(Thank you to the Military & Friends Club for helping the Link locate and share the stories of our community's servicemen and women. If you are a United States veteran and have a tale to tell, we'd sure like to hear it. Contact Bob Cohen rmc@ureach.com.)

Sun City Couples Committed to Supporting Golf Program

Sun City Golf Ambassador Committee members are, clockwise from top left, Amos and Rita Barcus, Dave and Chris Klee, Debby and Barry Smith, Eileen and Bob de Doelder, Margy and Carl Johnson, Mona and Larry Waisanen, Mick and Luka Jadowski, and Lois McCallum and Peter Arfman.

Bet you didn't know that for the past six years eight couples have been acting as ambassadors to folks from all over the country and other parts of the world. Why?

Think back. We all moved to SCS from someplace, and making that big decision was not easy and would directly affect the rest of our lives. Various factors influenced us, but we had some common things to consider: Will we like it? Will we fit in? Will it be hard to make friends?

In 2010, a golf marketing ad hoc committee came up with the idea that, as a golf community, we needed to be more competitive with the newer, developer-marketed retirement projects. Otherwise, we would face a substantial reduction in the proportion of SCS residents that support our golf programs. Reasons: Many of our existing, older residents were playing less or moving away and potential new golfing residents were relocating elsewhere without even knowing about SCS. As a matter of interest, in the early 90s we had approximately 2,500 golfing residents, whereas currently that number is closer to 1,000. While outside play has taken up some of the slack from a financial standpoint, the community still needs to increase the percentage of people that live and play golf here in order to properly support our golf facilities in the future.

So, the Golf Ambassador Committee stepped in. The idea was to provide a resource to those looking for a retirement community with lots of amenities, particularly golf. A link was set up on the SCSCAI website where

potential homeowners could request information and talk with a resident to get a feel for what it's like to live here. The Ambassador Committee eventually grew to eight couples and more will be needed to handle the growing number of boomers that we expect will be coming our way.

During the past six years, ambassadors have served more than 180 people. Of those, we have 50 new residents. Many of the others could still move here, as they may be waiting on the sale of their home or remaining in their current job for a while longer. These are active people who not only enhance our golf programs, but are also taking a leadership role in the future of our community.

Special thanks to SCSCAI BOD President Joe O'Connell, for his help in bringing the initial idea to fruition; Jim Neighbors, SCSCAI head golf professional, who assists ambassadors with golf and lunch arrangements; Tom Burt, who has been a big help in coordinating our Internet activity; and, of course, our ambassador couples who give a minimum of a full day to be with the invitees, as well as much preplanning and follow up.

For those of us involved, we receive much joy and satisfaction by having the opportunity to help others with their very important decision. A win! Win!

*~ Bob and Eileen de Doelder, Chairmen,
SCSCAI Golf Ambassador Committee*

What's Happening in the CAP Meetings

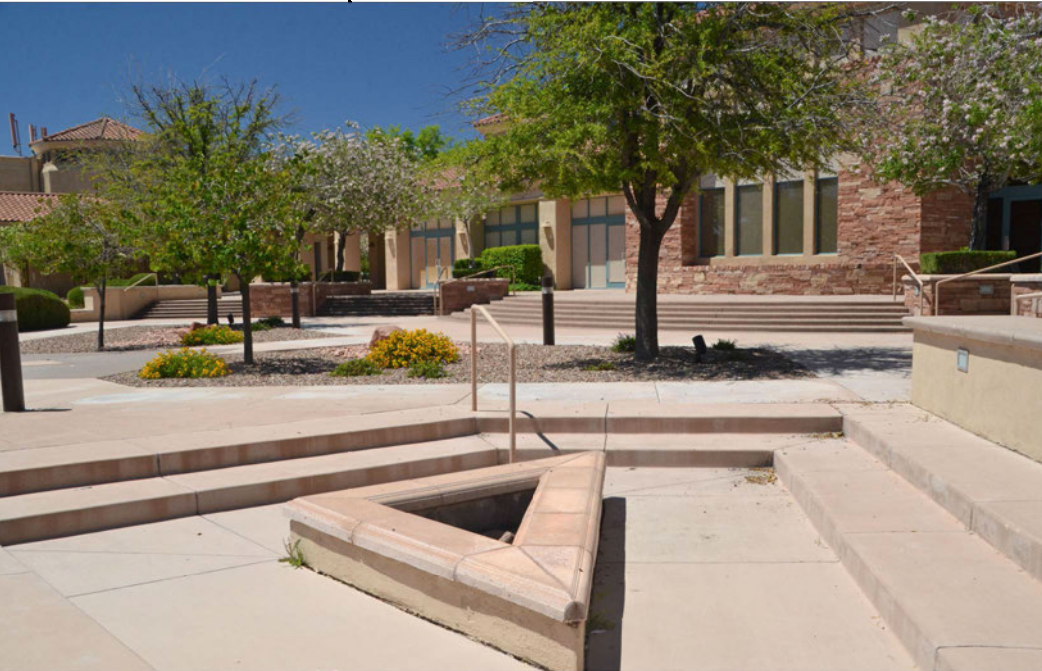

Following are highlights from the April 11 meeting:

Old Business: Sun City resident Henrietta Rapp asked about bocce court shades that were installed at Sun Shadows. Henrietta said that they

- ◆ The curb drop-off area in front of the Highland Falls entrance is being evaluated for expansion as the area is often blocked by delivery trucks, etc. After considerable discussion, Paul Henderson, SCSCAI's executive director, Dennis and Brandon will look into the idea. A call will be placed to the fire marshal as there is a fire hydrant in the area.

Staff Update:

- ◆ Louis is rocking the greenbelt at Sun City and Lake Mead boulevards, which also includes finishing the corner area.
- ◆ The contractor for the Mountain Shadows pool shade cover is still trying to get the permit. The city has asked for an additional survey.
- ◆ Work is progressing on the Mountain Shadows enclosure. The contractor has framed the area and the new AC unit is expected soon.
- ◆ SCSCAI Fitness Manager Kristie McWhorter reported that the shades at

do not offer enough shade for the players. After considerable discussion, it was decided that Ken

Caroccia, CAP chairman, Dennis McGrew, SCSCAI building maintenance manager and Henrietta would re-assess the shades after the meeting. Next, following a recommendation by SCSCAI landscape manager Louis Darling, the committee unanimously passed a motion to remove the fire pit at Desert Vista. The fire pit has not been used for 18 years.

New Business: Brandon Balek, SCSCAI building maintenance supervisor, reported that LED lights will be installed at all three buildings at Mountain Shadows. The original estimate a year ago was for approximately \$50,000. Since then, prices have dropped and Sun City is now looking at an estimate closer to \$30,000.

- ◆ The pools are all in compliance with the new Clark County Health District requirements.
- ◆ The insurance inspector will be joining the building inspectors.

Desert Vista and the Pinnacle fitness centers are being replaced. Pool furniture was replaced at the Pinnacle. More umbrellas have been ordered for Desert Vista. Sun Shadows will receive more lounges on the patio for residents to use.

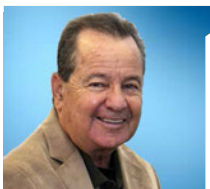

Team Leader Reports:

Allan Bell inspected with Louis and reported that there are many trees in the community that have broken branches and need to be looked at.

BOD member Karl Wiedemann reported that the front entrance of Mountain Shadows needs more lighting. Paul Henderson talked with the city, and reported that the lights closest to the entrance have been turned up so the lighting should be better.

It was brought to the committee's attention that the framed photos in the card rooms at Mountain Shadows are very small. Decorating sub-committee member Rhoda Ring will look into updating the photos after the lighting is changed.

The meeting was adjourned at 10:42 a.m.

Tammy Wynette Graham is one of the most talented, dynamic, passionate and high energy performers you will ever see. Singer, piano player, show-woman extraordinaire and named after Tammy Wynette, this girl was born to sing! Performing in a touring band at the age of 14 with her parents, Tammy was nicknamed "Little Miss Jerry Lee Lewis" in her teenage years. When she came to Las Vegas, she was named the youngest entertainer on the Las Vegas Strip taking the title from Wayne Newton. She was signed to a contract to perform at Caesars Palace for 40 weeks a year for more than eight years. In 1996, Tammy was signed to Arista Records Nashville and spawned three Billboard hits: "A Dozen Red Roses," "Tell Me Again" and "Cool Water." "The Tammy Graham Show" is a combination of amazing singing, musicianship, storytelling and a variety of music, including country, rock, gospel and her chart-topping hits.

CHARTERED CLUBS

CLUB SPOTLIGHT

KRAFTY KRITTERS Club Crafts a Valuable Service

In 1992, Kathy Walls began the Krafty Kritters Club in a small room at Mountain Shadows. In 1994, Kathy helped design the club's current facility at the then new Desert Vista Community Center. The members worked on all different sorts of crafts, which were sold at the store located inside Desert Vista (currently occupied by the Fitness Department). Along with Eleanor Wenzel, one of the founders of the Club, Sally Edwards, Sue Lawrence and Dee Moshy are longtime members who supply residents with invaluable experience.

Krafty Kritters' studio is open for members to work on their projects on Mondays, from 9 a.m. to noon and Thursdays from 1 to 3 p.m. The Club began with about 50 members and has pretty much stayed consistent at that number.

One of Krafty Kritters' categories of creativity includes the tole painters, members who paint on canvas, wood and various other *objets d'art*. Tole painters meet in the studio on Thursdays from 9 a.m. to 3 p.m.

Along with crafts, the Club does crocheting, knitting, scrapbooking and painting. The members sell some items in the window of their room, as well as at the annual arts & crafts show at Desert Vista. They make the very popular water bottle holders out of plastic grocery bags that the Red Rock Canyon Gift Store sells for the club.

Jeanene O'Shay is one of the club's members who collects many of the items that are donated to benefit homeless teens, newborn babies and nursing home clients.

Krafty Kritters' general meeting takes place on the first Saturday of the month, 9 a.m., at Desert Vista. Members learn what's going on and everyone is invited to check out what's going on. According to Club President Marilyn Pittman, many ladies join because they are new to Sun City and want to meet people and share ideas. Marilyn says the club takes donations of materials, and if they can't use something they find another club that can.

For information, Marilyn Pittman, 240-0517, or Secretary Mary Graves, 228-0218.

CLUB SPOTLIGHT

ZOOM ZOOM CLUB Exercise in Disguise

The newest club at Sun City Summerlin, the Zoom Zoom Club, was formed to offer residents a well-rounded Zumba® experience. Unlike single-focus classes/workouts, Zumba® class participants get a combination of aerobics, interval training and resistance training. The workouts provide three results – 1. High calorie output, you can burn up to 1,000 calories during class and continue to burn calories for up to four hours after class even while resting; 2. Cardiovascular benefits; 3. Total body toning, you look and feel better. Zumba® classes are exercise in disguise. It's so much fun you don't even know you're exercising, so you want to do it again and again!

Near the end of 2016, residents who participated regularly in a water class had a substitute instructor who taught an Aqua Zumba® class. They asked Teresa Gusel, a class member and Zumba® class participant, if they could have a regular Aqua Zumba® class. When Teresa asked Zumba® instructor Ruth Cuti if she could teach such a class, they both realized that it would be most economical for residents if all Zumba® classes could be offered in a Zumba® club. Ruth, who already was licensed and teaching Zumba® and Zumba® Gold, traveled to Phoenix to become licensed in Aqua Zumba® and Zumba Toning®. Because of copyright laws, the Zumba® LLC organization would not allow Sun City's new group to be called Zumba® Club, and so organizers decided to name the new exercise group the Zoom Zoom Club.

There are five different classes offered, and if you join now the fees will cover the rest of this calendar year.

- ♦ Zumba® – Tues. & Thurs., 9:05 a.m., \$58.41
- ♦ Zumba® Gold – Tues. & Thurs., 11:05 a.m., \$58.41
- ♦ Aqua® Zumba – Weds. & Fri., 11 a.m., \$58.41
- ♦ Zumba® Toning – Saturday, 11:05 a.m., \$28.7
- ♦ Zumba® Gold Chair – Saturday, noon, \$28.71

The base price is 99 cents per class, payable for six months from July 1 to December 31. Other payment options are available. First two classes are free. Club dues are \$5 a year. Zumba® classes are faster and more intense than Gold. All classes take place at Sun Shadows. Call Ruth, 546-5465, or Teresa, 838-5301 before attending.

Mah Jongg

The Board of Directors met and passed the following motion to approve a change to Article VA (1b) of the CCOC procedure manual to all clubs to determine

whether club members may use their guest passes for non-Sun City residents to attend club functions more than twice a year. There will be a club vote on this motion on Tuesday, June 6. You must be present to vote and Sun City membership cards will be checked before the vote is taken. We urge anyone who lives in Sun City and knows how to play Mah Jongg to come and join the club. Dues are \$10 a year. If you have questions, feel free to call Stephanie Schwartz, 240-6353. For lessons, call Sharon Chaiken, 243-8271.

Men's Club

Great program, great breakfast, great events, great friends. Men in Sun City are doing it! You should, too! Join us for our monthly breakfast meeting (last Tuesday of the month), Desert Vista, 9 a.m. Yearly dues are \$10, continental breakfast meetings are \$3 each. Our club has monthly happy hours, discussion breakfasts at a local restaurant, small group get-togethers, poker games, volunteer projects to help our community, a men's discussion group, monthly lunch outings and many other special events for men and their significant others. Military and Friends

Our annual picnic honoring Vietnam veterans was a huge success. Our speaker, Vietnam Veteran Chuck Dean, who is the author of two books, gave an inspiring lecture. Steve Grater, a highly decorated Vietnam veteran and a deceased member of the Military and Friends Club, was represented by his widow, Barbara Grater. All other attending Vietnam veterans were given a special T-

shirt by our Club President Larry Jones. Thank you to all Vietnam veterans for your service to our country. June will be dark. Contact Herman Bishop, 255-9625, or Larry Jones, 405-8684, for information about our club. Remember, June 14 is Flag Day. Visit our website, scsmilitaryandfriends.com.

Model Builders

Our next meeting will be Wednesday, September 13, 10:30 a.m., Desert Vista. There will be no meetings in June, July and August. Meeting dates are the second

Wednesday of the month. The club's goal is to provide a creative environment that allows our members an opportunity to achieve excellence in scale model building (in plastic or wood), as well as to enjoy model railroading, featuring our extensive HO layout. Members are also involved in leather crafting, wood carving and doll house building. We welcome new members. For information, call Bruce Adams, 463-9921.

Musicmakers

The Musicmakers recently completed its very successful spring show, "Music of Our Time." We performed music

from the artistry of Norman Luboff, Randall Thompson, Morten Lauridson, John Denver and the Beach Boys, among others. A little something for everyone. The Musicmakers are on a break until September, at which time we begin working on the holiday show to be performed in December. The Musicmakers is a diverse group of seniors, about 30 strong, who love to sing. Under the direction of Dennis Gazso and accompanied by Eddie Fluellen, we have a great time learning and performing quality music from a variety of genres. Proper technique and interpretation are stressed while we strive for excellence. If you love to sing, please feel free to come and check us out. We meet Mondays, 1-3 p.m., in the Music Room at the Pinnacle. Our rehearsals will begin September 11. We look forward to meeting you. As with every other club, you may attend two meetings/rehearsals before you make the decision to join. Contact Pat Vaughn at scsmusicmakers@gmail.com.

R.V.

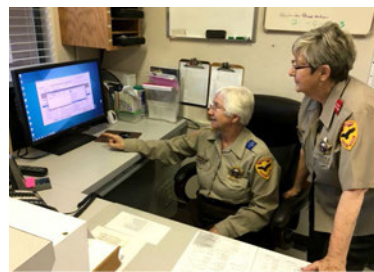

June will find us traveling to Mountain Valley Resort in Heber City, Utah. Don't forget to sign up! No business meeting in June. We will be observing Flag Day, June 14; Fathers' Day, June 18; and summer begins this month also. July and August will be dark as most members are doing their own traveling.

Enjoy the summer. Meetings

resume on September 11, on the second Monday of the month, as usual, Desert Vista, 7 p.m. Come join us for goodies and good company. Please feel free to call our President, Don, 240-9748.

Sawdusters

Sawdusters Club is a group of men and women who enjoy making items out of wood. Our quarterly meeting is Wednesday, June 7, 9 a.m., Desert Vista. We accept donations of wood and tools. Please call before dropping off items. We do some repairs at the shop for residents. For information, call Bev, 838-2621, or the Wood Shop, 240-1325.

Security Patrol

Security Patrol is a community volunteer organization made up of residents of the Sun City community. The motto of "Neighbors Helping Neighbors" is indeed

an accurate description of the group's purpose. New members can serve as drivers, dispatchers or information center volunteers. Call us at 254-2303, or visit us at our base (located at the rear of Desert Vista's parking lot). We are there 24 hours a day, 365 days a year. Our membership meetings are the fourth Tuesday of each month at 7 p.m. in Room 5 at Desert Vista. We would be happy to take you for a ride-along if you would like.

Sewing (Just Sew)

This will be our last monthly meeting for members and those who are interested in joining the Just Sew Club until September. To celebrate, this meeting will be on Wednesday,

June 7, 12:30 p.m., Desert Vista, and will be a sandwich luncheon. Bring a sandwich cut in quarters to share with those in attendance. We promise a fun and yummy time will be had by all. A big thank you to all who attended our craft sale. We know you will enjoy your purchases, and please know that your money went to buy material for the items we make for our charities. Although we won't have monthly meetings in July and August, the charity and craft workshops will still be held on Thursdays, 9 a.m. to noon. Come and meet the friendly, fun-loving members who make up the club. Call Sue Voigt, 457-8953.

Shuffleboard

The Club is always open to new members. No experience is necessary. Equipment and a short coaching session is provided at the beginning of play to acquaint newcomers to the game and membership. Play is available Tuesdays, Thursdays and Saturdays. Due to the summer heat, starting June 1, start time will be adjusted to 8 a.m. The courts are located behind Mountain Shadows between the tennis courts and putt-putt golf. Any questions, call Andy Lawson, 242-1540.

Silver Foxes

Please join us for exercise classes to Richard Simmons tapes at Sun Shadows. We welcome new members to

get moving at our classes on Mondays, 10-11 a.m.; Tuesdays and Thursdays, 10-11 a.m.; Saturdays, 10-11 a.m. The club's yearly dues are \$8. For information, call Amy Pennington, 656-5019.

The Many Benefits of a Reverse Mortgage:

- You still own your home.*
- No monthly mortgage payment.*
- Get tax-free** money you can use for anything.
- Eliminate your existing mortgage.

How do Reverse Mortgages Work?

The application process is very similar to any other home loan. If you have sufficient equity in your home, your current loan (if you have one) will be paid off with your new reverse mortgage. This will eliminate any current monthly mortgage payment you have! Any additional money after your mortgage is paid will be available to you tax-free.**
