# DIRECTOR

## From the Executive Director

### Vote Yes in April to Keep Sun City, Its Assets and Your Property Values Safe

*If SCSCAI were to cease to exist as a corporation we would lose all of our assets, including all of our meeting facilities, club workshops, fitness centers and pools, etc.*

**Paul Henderson,**  
SCSCAI  
Executive  
Director

**A**s you already may have heard – Sun City Summerlin Community Association, Inc., (SCSCAI) is scheduled to end on June 15, 2039. As a result, SCSCAI’s Board of Directors is seeking to amend its Articles of Incorporation so that our corporation will “live” in perpetuity. We will be seeking a vote of our members to convert the Association from a nonprofit cooperative corporation without stock under NRS 81, to a non-profit corporation formed under NRS 82 – this ballot will come to you with your April Link.

If we don’t make this adjustment in our corporate status before 2039 we will have a catastrophic loss of property and property values. If SCSCAI were to cease to exist as a corporation we would lose all of our assets, including all of our meeting facilities, club workshops, fitness centers and pools, golf courses, etc. This loss of property would have a devastating impact on all of our residential property values. We must stop this from happening – so when the ballot to vote on the change of our corporate status comes to you – with your April Link – please vote to approve the change and return your ballot.

In addition, the Nevada State Legislature has imposed a tax on all non-profit Article 81 corporations, including our Association. This tax will cost us at least \$15,000 per year. We can avoid this tax by simply amending our corporate status to a non-profit NRS 82 corporation. Neither the Association nor its Board of Directors will gain or lose any authority due to this amendment. We can avoid problems in the future by amending the life of the corporation to perpetual rather than the 50-year life we currently have.

These changes have been vetted and recommended by our legal counsel, our finance director and unanimously approved by the Sun City Summerlin Community Association, Inc., Board of Directors.

**Please vote to approve the conversion of our corporation this April. The money and value you will be protecting is your own.**

# LEADERSHIP WITH RESULTS

## A proven record of getting the job done for Sun City.

- Anthony will continue to put tax dollars to work with a priority on quality of life projects, such as revitalizing neighborhoods, parks and recreational facilities, better and safer roads, improved emergency services such as fire and police, and small business development.
- Anthony has consistently voted against using tax dollars for private projects, including the Downtown soccer stadium and the Mob Museum.
- Anthony continues to bring valuable public service events to Sun City, including the popular 'Shred Event', Hazardous Waste disposal, 'Operation Medicine Cabinet' and 'National Night Out'.
- By maintaining a close relationship with the local business community, Anthony has promoted economic development and worked to create a better business environment to grow revenue and jobs.

**The results show that no one has worked harder or more effectively to improve and protect our quality of life than Stavros Anthony.**

# PRESIDENT **President's Message**

*From his work on the Board, Security Patrol and Fire Station 107 to winning a chili cook-off with his wife, Madeleine, David Steinman was involved in all kinds of community activities.*

**Joel O'Connell,**  
Acting President

**D**avid Steinman had a long successful career in banking. At the time of his death he worked for three companies in California as a member of their Board of Directors. I think he worked for these companies as an excuse to travel to California to see his grandchildren. He served the City of Las Vegas as a member of the City Council. He served on the Planning Commission for several years and was reappointed last month. He told me he loved working for the city in that capacity. He also served Sun City Summerlin as a member of our Board of Directors for at least 15 years. He was Chairman of the Architectural Committee for many years, and made sure we had no purple houses or ugly surroundings. He was proud of the fact this committee was the only one the Board could not overrule. He also chaired the Properties Committee for awhile, and this committee required many hours of work to assure our facilities were in proper order. The job he loved most, however, was leading our community as President of the

Board. Before each Board meeting we would meet and discuss the agenda items. His insight was always helpful. At meetings you could tell he cared about our residents, and always gave them time to speak regarding their issues. His leadership has helped result in our community being in pristine condition and in an excellent financial condition.

I never saw him do any recreational activities. I golfed with him only once in a charity tournament, and felt like a caddie. He was a terrible golfer. He really enjoyed going to Myrtle Beach and playing golf for five days in a row each year with his old friends. He said my caddie tips helped him win their money that year.

He was a bad golfer, but a great Director. Being a Director is a lot of hard work. Fortunately we have some good ones on the Board, and some very good candidates this year. This month a new President will be appointed and that person will have some very big shoes to fill. David Steinman will be missed.

# TECHNOLOGY

## Information Technology

### Mission Wi-Fi: Complete

*Telecommunications  
Up & Running  
at Desert Vista,  
Mountain Shadows,  
Pinnacle*

**Karl Wiedemann,**  
Chairman,  
IT Committee

**F**inally, Wi-Fi has come to Mountain Shadows and the Pinnacle. It has been a slow and arduous process, but we finally made it. This project required a great amount of study to identify potential obstructions to signal transmission. Wiring had to be pulled through walls and ceilings without destroying our beautiful, well-maintained facilities. After wiring was completed, routers and other equipment had to be installed. Now, the Wi-Fi system is ready for use. Sun City Summerlin finally joined the new, exciting world of telecommunications.

You will now be able to use your smart phones and tablets in all areas of Mountain Shadows, Desert Vista and the Pinnacle. When looking at available Wi-fi connections, look for SCSCA-Guest. The password is Welcome! Please note that the password is case sensitive and you must type in the exclamation point. After that, log-in requires confirmation of Sun

City Summerlin's terms. It's simply a button that you will need to press to accept. If you should find a dead spot, let us know and we will address it. Keep in mind that these Wi-Fi facilities were installed to make it easier for residents to communicate and to keep in touch with the world; they are not meant to download lengthy files such as books or videos.

Our facilities are gracefully aging, but we aim to keep them fresh and up-to-date. You can help us by informing the Board and/or management of your observations and wishes for the future.

This month's IT Committee meeting will be held on Friday, March 24, 1 p.m., at Desert Vista.

# PREPAREDNESS **Community Preparedness Committee**

## Sun City BEATNIKS, Watchful Walkers Who Monitor Their Neighborhood Beats

Like members of Sun City's K9 Corps who walk with their dogs while increasing the visibility of the Security Patrol, residents who exercise by walking for their health frequently walk familiar routes. In doing so, they socialize with neighbors along the way and have developed an awareness of what should be typical activity in those neighborhoods. Similar to the K9 Corps, health walkers who cover a routine beat also can stay alert for trouble signs. Sun City's K9 Corps has surpassed Neighborhood Watch Committee expectations.

*Members will be issued tie-dye wristbands to identify themselves as BEATNIKS*

**Karl Wiedemann,**  
Chairman,  
CPC Committee

At the end of January, 108 civic-minded pet owners were monitoring their neighborhoods. Pat Ross, a Friday night Security Patrol dispatcher, confirmed that the dog-walkers are reporting a variety of problems, and "They are identifying themselves when they call us (as K9 Corps)," Pat said. Watch Commander Silvia LaMay added, "We're getting a lot of calls from the K9 walkers, especially to tell us about open garage doors at night."

At a recent Neighborhood Watch Committee meeting, a resident explained how he wanted to join the K9 Corps, but had a problem: "I don't have a dog," he said. "I do walk, every day, for my heart and I would like to join the program. Do I have to get a dog?"

The response from committee members informed the resident that he had just initiated the groundwork for Sun City's Beatniks – dogless residents who walk just for the health of it.

"I always see residents walking for their own health and enjoyment in our community. Walking is the best exercise for your heart and now it also can be the best exercise for keeping our community safer," said Kristie McWhorter, Sun City's fitness manager. "Walking for exercise will strengthen your heart, and walking with another purpose, such as helping to keep our community safe, just makes your heart so much stronger."

The rules are pretty much the same as the K9 Corps, excluding the requirement to carry a plastic waste bag. If you see something, say something. It's still that easy to do.

Although the focus is on crime prevention, the true premise is about neighbors helping neighbors. While walking their beats, health-concerned Beatniks will notice newspapers, advertisements or packages collecting in driveways, or empty trash containers that may not have been returned to a garage. Other indications, like lights that have not been switched off in the morning, or bulbs that are not lit after dark, could point to clues that something is amiss at a home.

Depending on the incident, Sun City's walking Beatniks will call Security Patrol, 254-2303, or if they spot an emergency situation, they may take it upon themselves to dial 911. They are NEVER to confront suspicious persons. Walkers should carry a cell phone to report incidents and might want to have a pen and paper to note an address, a license plate number or a car's description.

If you've been making excuses not to exercise for your own benefit, this is your chance to strengthen your resolve, while also making an important contribution to your community. For more information, contact Karl Wiedemann at 256-1944 or [kdwiedemann@gmail.com](mailto:kdwiedemann@gmail.com), or Ellen Greenspan, 658-4486 or [efgreenspan@cox.net](mailto:efgreenspan@cox.net).

**Mission Statement:** The mission of the Community Standards Department is to maintain, preserve, enhance and protect the property values and assets of Sun City Summerlin. Working closely with two standing committees, the Architectural Review Committee (ARC) and Deed Restrictions Hearing Committee (DRHC), the assignment is carried out with respect to and concern for Sun City's property owners. Kate Carroll manages Community Standards; Barbara Davidson is the department's administrative assistant.

It is Community Standards' responsibility to review and investigate property violation reports, maintain

correspondence and records, and act as the advocate for the Association at deed restriction hearings. Community Standards conducts necessary property inspections, notifies property owners of noncompliance and requires them to remedy violations.

The Architectural Review Committee has approval authority for all new construction, including changes to the exteriors of structures and landscape. The ARC exercises judgment to the end that exterior property changes conform to and complement existing surroundings. Plans for such changes are submitted to the Community Standards office in application form for review by the ARC committee.

**Application Process:** Any proposed exterior modification to a property must be submitted to the Community Standards Department for ARC review and approval. Alteration plans will be reviewed for compliance to the requirements of the Covenants, Conditions and Restrictions (CC&Rs), or simply the development standards guideline. Each request must be submitted on an ARC application form prior to the commencement of any work. The form is available in Community Standards office. According to Barbara Davidson, "If the property to be modified is in a

sub-association, the president of that Association must indicate sub-association approval by signing the application before the resident submits it to Community Standards.”

Authorization can take up to a week.

ARC members conduct necessary inspections and if it is determined that work completed on a property is not in compliance with development standards, the Office of Community Standards notifies the applicant of noncompliance and requires the owner to correct the effort. “We will gladly work with property owners to help them resolve a problem within a reasonable amount of time,” Kate said.

Owners who fail to conform to a Community Standards notice of noncompliance will be requested to appear before a panel of the DRHC, whose members will conduct a hearing on the matter. DRHC members will render a decision, and if their verdict is against the property owner, the committee will impose applicable fines.

Maintaining Sun City’s standards for development ensures that new improvements will not negatively impact the value, use or enjoyment of neighboring properties and will contribute to the overall attractive-

ness of the community. The ARC also is charged with achieving design compatibility between abutting properties, as well as avoiding unsightly views.

Sun City’s Development Standards includes written guidelines defining design, size, location, structure, color and other relevant criteria for exterior property improvements, including landscape. When considering property repainting, there are 56 ARC-approved color combination schemes, using 39 acceptable paint colors. It is noteworthy that pink no longer is one of the acceptable colors.

“Frequently, I suggest that property owners drive around the community to look for paint colors that appeal to them,” explained Kate. “If they see colors that they especially like, all we need is the property’s address to identify the colors on that house,” added Barbara. Then, they can plan their home’s primary color, as well as the color of the garage door and trim colors that they want on their freshly repainted home.

The Community Standards office can be reached at 966-1411, or [communitystandards@suncitylv.com](mailto:communitystandards@suncitylv.com). The office is located at 9107 Del Webb Blvd., behind the fountain at Mountain Shadows. Operating hours are 8 a.m. to 4:30 p.m., Monday through Friday.

# PROPERTIES **Common Area**

## SCSCAI Departments Preparing for Pool Season

**F**or residents who like to know what's happening at the Common Area Properties (CAP) meetings, here are the highlights from our meeting on January 10.

*This month's CAP Committee meeting will be held on Tuesday, March 21, 9 a.m., at Desert Vista.*

**New Business:** A resident has requested that at least one outdoor pool remain open for an additional month each year. After discussion, it was decided that Brandon Balek, building maintenance supervisor, and Kristie McWhorter, SCSCAI fitness manager, will do research as to how much more money it would cost to keep one outdoor pool open past the now-November 1 closing date.

### **Team Report:**

- ◆ Allan Bell did a drive-through with Louis Darling, SCSCAI landscape manager, and reported that they will re-inspect in March or April when plantings bloom and turn green again.
- ◆ John Ankrapp, motor officer for CAP, reported that he reviewed five old trucks and two cars and gave his recommendations to Dennis McGrew, SCSCAI building maintenance manager, and Louis Darling. John's report recommended that the rolling stock cited for replacement be done.
- ◆ Marise Mizel, from the Desert Vista inspection team, reported that the inspection of the community center was completed, and that the Friendship Tree will be cleaned around the bottom.
- ◆ Rhoda Ring reported that 150 chairs need to be redone at The Summit.

### **Staff Update:**

Brandon Balek reported that Request for Proposals have been sent out for the pool and spa decks at Mountain Shadows and the decks and outdoor pool re-plaster at Desert Vista. Brandon also met with contractors to construct the shade cover at Mountain Shadows' outdoor pool, with Louis Darling's crew removing pine trees and placing pavers and planters ahead of construction.

The work is targeted to be done before the pool opens on April 1.

At Sun Shadows, the two sun shades that were approved by ARC and CAP have been installed at the bocci ball courts at Sun Shadows.

Brian Bagwell, golf course maintenance general manager, reported that turf removal is done at Highland Falls and Palm Valley; rock work should be completed soon.

Paul Henderson will look into putting a sign at the Highland Falls parking area for cart service to assist people getting up to the facility.

Kristie McWhorter reported the same color scheme as Mountain Shadows will be used at the pool areas at Desert Vista and the Pinnacle. Old furniture will be sold to residents. The short fences on the pickle ball courts will have plastic covers put on for safety.

### **Special Projects:**

Ken Resnik reported that the project at Mountain Shadows is on track. Highland Falls has a Request for Proposal outstanding, and construction should be scheduled for July and August when golf play is slow. Ken then reminded everyone to vote yes on Article 81-82, and to let all our neighbors know how important this ballot item is.

Paul Henderson handed out a drawing of a new golf cart shed planned to accommodate an additional 20 golf carts to be constructed at Eagle Crest. After discussion, a motion was made to recommend the plan to the Board of Directors to construct a 20-foot-by-40-foot stand-alone golf cart storage shed, not to exceed \$50,000. The motion was seconded and passed unanimously.

## 'Tis the Season to Walk

*Walking will improve your cardiovascular fitness, muscle strength, balance, coordination and metabolism.*

**Kristie McWhorter**, MS, CPT, GFI, Fitness Manager  
[kristiem@suncitylv.com](mailto:kristiem@suncitylv.com)  
[fitness@suncitylv.com](mailto:fitness@suncitylv.com)

**M**arch is one of the best months to get outside and start walking! The weather is perfect – not too cold and not too hot. Plus, walking is one of the easiest, safest and most inexpensive types of physical activity. It's also relaxing and at the same time invigorating. It requires little athletic skill and does not need any special equipment other than sturdy, comfortable shoes. Walking is fun and natural – good for your mind and self-esteem.

As always, consult with your physician before beginning an exercise program. For those with a long history of inactivity, problems with obesity, or who just don't like strenuous activity, walking is an excellent way to begin an exercise program. You can start slowly then increase your speed and maintain a steady pace.

Walking will improve your cardiovascular fitness, muscle strength, balance, coordination and metabolism. Walking gets the heart beating faster to transport oxygen-rich blood from the lungs to the muscles. The heart and lungs grow

more efficient with a regular walking regimen, reducing blood pressure. Walking is even a central element of medical rehabilitation. Recovery from many ailments, including a heart attack, is facilitated by a regular walking regimen. Walking also will improve your lower body muscle strength and balance.

When you're ready to begin, the best way to start is to walk 10-20 uninterrupted minutes at least three times a week. Walk at a comfortable pace, slowing down if you find yourself breathing too heavily. Don't tire yourself. If 20 minutes is too much, cut back to 10 or 15 minutes. You can gradually increase your time and pace as your body adapts to the exercise.

Don't forget to drink lots of water and cool down after exercise by slowing down your pace. Always remember to stretch your muscles.

A great way to start walking is to join us on Saturday, March 25, for our Second Annual Walk Into Spring 5K and 1 Mile Walk. For more information, see page 23.

## **Breathe, Baby: Pure Strength Class Teaches Students to Dig Deep for Maximum Results**

**A**ccording to Phil, “This has been a great class. It’s taught my wife and I a lot about working out. In the past, I have hired many different personal trainers, but Brian’s class has made it easier to get in shape.”

Brian, a former chief of the Security Patrol, and whose resume could go on for pages, approached SCSCAI Fitness Manager Kristie McWhorter and our Board of Directors with a

proposal for the new class. He found a time when gym equipment was available and after his plan was approved by all required parties, began teaching the class last summer. The Pure Strength class is currently under the sponsorship of the Fitness Club.

Phil and his wife, Mari, attended the first class and have enjoyed the experience and the rejuvenation it has added to their lives.

“When you go into a gym, the scariest thing is the equipment and how it works,” said Phil. “Brian teaches the members of the class how to use the equipment correctly and how to progress the workouts. Plus, he teaches you how to breathe. I never realized the importance of breathing the right way. I just took breaths. Now, I breathe the proper way and it really helps!”

Brian designed the class to accommodate 10-13 people in 12 60-minute sessions he calls “terms,” like parts of a school year. Registration for the next term will take place this month.

For more information, please send an email to the Fitness Club

at [scsfit@fastmail.us](mailto:scsfit@fastmail.us), or find contact telephone numbers under their club listing.

## Charli's Corner

*How to Use the Treadmill to Get the Best Results*

**Charli Sue Douglass**  
SCSCAI Fitness Specialist, CPFT, GFI

**D**on't Use Hand Weights. Using hand weights while walking on the treadmill is NEVER a good idea. Cardio training is to keep your heart and lungs strong, as well as burn calories. Lifting weights while walking diminishes your cardio capacity and is unsafe for you and others around you if you happen to slip or trip. You're not able to do a full range of motion, making the exercise ineffective for building muscles. Keep your cardio training focused on cardio and weights in the weight room.

**Use Proper Posture.** Holding on to the top of the treadmill prevents your improvement in balance and coordination, and creates poor posture. Swinging your arms helps with balance and increases your cardiovascular fitness. Walking without holding on to the handrails will burn 20 percent more calories. Slow the treadmill down and/or lower your incline so that you can swing your arms naturally as if you were walking outside. As you feel more comfortable, increase your speed or incline.

Dr. John Whyte, M.D., M.P.H. and chief medical expert for the Discovery Channel, says, "Holding on is horrible for good posture, and developing your core. It causes problems with your spinal alignment, weakening your lower back muscles. Rather, walking naturally on the treadmill with arms at sides will help to create better balance."

Use the side rails or front handles if you use a walker, or to momentarily hold on while changing your program, sipping water or taking your heart rate.

**Treadmills Move Us Forward.** Walking backwards or sideways on the treadmill may seem like a wonderful way to challenge yourself. It's also a great way to trip, fall and hurt yourself and others. Plus, it is NOT allowed. However, the elliptical machine is designed to be used in a forward and backward motion, allowing you to work your gluts and hamstrings more efficiently than forward walking can. To train your hips, and outer and inner thighs, use the cable machine to do weighted side leg lifts. You will gain more strength in your hips, glutes, core, and outer and inner thighs.

To learn how to use the elliptical or the cable machine for new exercises, sign up for an Equipment Orientation class. Check with your Fitness Monitor for times and dates.

## Hall-of-Fame Golfer Pays a Visit to Former Coach

Left, Sun City residents Kelsey McCall and his wife, Susan, welcomed LPGA golfer InBee Park and her husband, Gihyeob, to a party at their home. The event was attended by several Sun City golf club members. Kelsey coached InBee while she was a student at Bishop Gorman High School in Las Vegas. ~ Special to the Link

Las Vegas legend InBee Park is one of the greatest women players in golf history, and it all began here in Las Vegas. InBee and her husband, Gihyeob, attended a recent party in their honor in Sun City.

Residents Kelsey McCall and his wife, Susan, hosted the event at their home.

Kelsey, now a dean of students at Bishop Gorman High School, had the privilege to coach the Hall-of-Famer for two years, while she attended Bishop Gorman. According to Kelsey, he knew then that InBee would become one of the world's best golfers in the LPGA.

Guests of the day enjoyed listening to InBee and Coach McCall tell stories of their times together playing golf and competing for the Nevada

State Championship for Ladies Golf in 2004 and 2005. Throughout her history, InBee has won 17 times on the LPGA Tour, including seven majors, and she took home a gold medal at the 2016 Rio Olympics.

Several Sun City residents attended the event, including Highland Falls Golf Professional Jim Neighbors, the president of the Sun City's Guys and Gal's Golf Club, Amos Barcus, and Debby Smith, president of the Sun City's (Ladies) 18-Hole Golf Club.

InBee was so gracious to pose for photos, and she gave everyone an autographed golf ball. She also signed copies of the winter edition of Las Vegas Golf & Leisure magazine, where she is featured as the cover story.

# ∞ BEVERAGE

## FOOD

### STRATEGIC PLAN CARVES OUT A DEPARTMENT OUTLINE

(EDITOR'S NOTE: THIS STORY COVERS THE EVENTS OF THE SECOND FOOD & BEVERAGE STRATEGIC PLANNING MEETING. FOLLOWING THAT WORKSHOP, AN OFFICIAL F&B PLAN WAS DRAFTED AND PLACED ON THE FEBRUARY 7 BOD AGENDA. DURING THAT MEETING, THE BOARD VOTED TO TABLE THE ITEM TO A FUTURE AGENDA. DETAILS OF THE PLAN MAY BE VIEWED ONLINE AT SCSCAI.COM.)

Roughly 20 residents turned out for a working session of SCSCAI's Board of Directors on the topic of Sun City's Food and Beverage Department. The workshop, which took place in mid-January, marked the second time the Board had met to develop a strategic plan for the Food & Beverage Department. The meeting was called to order by SCSCAI Executive Director Paul Henderson.

Points on the agenda included:

- ♦ How to best accommodate golf tournaments at Highland Falls
- ♦ Gaming
- ♦ Catering
- ♦ The Summit

On the subject of golf tournaments, Paul explained there are plans in the works to go out for bid on projects that will enclose the patio at Highland Falls and expand the Tavern's dining room in an effort to accommodate 144 seats (the size of a full-size golf tournament). In addition, the current kitchen layout will be evaluated and appliances updated, and there was a new idea proposed to build an outdoor kitchen on the lower patio at a cost of around \$20,000.

"The major objectives are to support golf course patrons, provide a food and beverage amenity for residents and a source of revenue to offset the cost of providing the amenity," Paul said.

A third plan under consideration at Highland Falls targets expanding the parking area by paving over the drainage culvert at the east end of the parking lot. Paul said that a plan for the parking lot would be submitted to an engineering architect for feasibility and cost. According to Paul, adding more spaces to the lot should

help the Golf Department attract more tournaments.

The proposed work at Highland Falls would take place in June, July or August in an effort to limit the disturbance to golf play.

As the discussion transitioned into the actual work needed to be done at Highland Falls, ie: potentially reconfiguring the kitchen layout or remodeling the bar area, the subject turned to gaming.

As residents may be aware, the restriction on gaming in Sun City expires in 2018.

"I don't want to come across as the advocate for gaming, but I believe adding gaming will bring us revenue," said Paul. "The restaurant will be more successful with gaming."

While Sun City has not seen an official proposal from its current gaming tenant, 5 Star Tavern at the Palm Valley Golf Course, Paul said that the owner of that business has expressed an interest in bidding on a gaming route if the Board decides to go in that direction.

Overwhelmingly, the Board expressed a tepid interest in gaming and agreed that it did not want to enter into competition with 5 Star Tavern.

The Summit was next on the agenda. Paul began the session by saying that before anything can be done at that venue he needs clear direction from the Board as to whether they seek a commercial enterprise or a resident amenity.

One by one, Board members agreed to reserve The Summit for resident use.

"I do not support using it as a profit center," said Ellen Bachman.

"I agree with Ellen, but only with a lengthy commitment," said Karl Wiedemann, who explained how ideas have come and gone at The Summit with insufficient time allotted for them to succeed.

Following a discussion that welcomed resident input, Paul wrapped up the meeting with a reminder that clubs can reserve The Summit for free for their events; the snack bar will remain open to service golfers; a policy needs to be established for when the room isn't being used; and, most importantly, SCSCAI needs to create a master calendar that schedules the main room on a first-come, first-served basis.

## City Council to Vote on Sun City Speed Bumps This Month

The Las Vegas City Council is scheduled to vote on whether or not to install speed bumps along several Sun City thoroughfares, including Button Willow, Villa Ridge and High Range drives, during its April 19 meeting. Before the vote, however, residents will be given the opportunity to weigh in on the issue at a special meeting in Sun City with Las Vegas City Councilman Stavros Anthony this month. Look for the date and time to be posted on an upcoming Tuesday Newsday at [suncitylink.com](http://suncitylink.com), as well as an Association e-blast. In addition to sharing their opinions, residents living along Button Willow Drive will be able to offer their feedback on a test cushion that was installed along their street several weeks ago.

Because the streets in Sun City are public, they fall under the jurisdiction of the city. And, it is city officials who have been working on a solution to remedy the complaints they have been receiving from residents about speeders along several community streets.

## Vote Early at Mountain Shadows March 18 - 19

The Clark County Election Department will hold early voting for the primary election at Mountain Shadows, **Saturday, March 18, and Sunday, March 19.** Voting will take place in the Mint Room, from 10 a.m. to 6 p.m.

## Volunteers Needed for 2017 Classic Car Show

Still Cruisin' in your little deuce coupe? The Department of Community Services is excited to bring another classic car show to Sun City! The 2015 show was wildly success

ful thanks in part to resident Dennis Nicpon, who will be helping again this year. If you are a classic car enthusiast and would like to volunteer to help plan this popular event, contact lead volunteer organizer Dave Holman at 439-0405 or trishholm@outlook.com. This event promises to be a day of cool cars, BBQ and great live music! The exact date in October is to be determined.

## Dollar Tree Eyeing Fresh and Easy Retail Space

SCSCAI Community Standards Manager Kate Carroll has confirmed that Dollar Tree, Inc., has submitted an application for signage approval to the Architectural Review

Committee for the space formerly occupied by Fresh and Easy at the intersection of Lake Mead and Del Webb boulevards. It has been further confirmed that Dollar Tree, Inc., has filed for building permits with the city of Las Vegas and Clark County. If approved, Dollar Tree, Inc., anticipates a grand opening in the third week of April following interior renovations. Dollar Tree, Inc., is a national retail chain that sells a variety of items for \$1 or less.

## Sign Up to Have Your Taxes Prepared for Free

AARP volunteers have returned this year to provide free federal income tax preparation for Sun City residents. Appointments are under way through April 13. This service takes place in the Mint Room at Mountain Shadows on Thursdays and Fridays only. Appointments are required and must be made in person with the Social Monitor at Mountain Shadows. Volunteers are utilizing a new software system this year; no historical information will be provided. Program participants MUST bring a copy of last year's return, their

Social Security card/s and some form of picture ID. W2s, 1099R, INT, DIV, Social Security SSA1099, W2G, broker statements, proof of health insurance and any receipts for miscellaneous deductions are required. Volunteers will prepare returns for electronic filing, so no paper returns will be available. Also note that volunteers cannot prepare state returns, rental property deductions, business or partnership (K-1) income other than simple interest, dividends or capital gains. For questions, call Janice Confrancesco, 429-0765.

## Shred Fair

Just in time for spring cleaning, Las Vegas City Councilman Stavros Anthony brings the popular Shred Fair back to Sun City's Mountain Shadows Community Center on Saturday, March 18, 10 a.m. to noon. The automobile/golf cart line starts early, snaking around Echo Mesa Drive and into the parking lot. Practice extra caution while maneuvering through the lot as it remains open to pedestrians. The limit for shreddable items is five (5) containers. Refreshments will be available while supplies last.

## Community Garage Sales

The Board of Directors approved the spring garage sales to take place at residents' homes this year. The events are scheduled for two consecutive weekends, Saturday and Sunday, April 15-16 and 22-23. Approved hours for the sales are 7 a.m. to 3 p.m. The Link will feature a special page for garage sale ads in the April classifieds section. **If you would like to advertise your sale, you may do so at the Link office at Mountain Shadows.**

## Daylight Saving Time Starts March 12

Before you go to bed on Saturday night, be sure to set your clocks ahead one hour as Daylight Saving Time kicks into gear on Sunday, March 12, at 2 a.m.

According to "The Old Farmer's Almanac," the idea is attributed to Benjamin Franklin. The purpose of changing the time is intended as a way for people to squeeze more activity into daylight hours.

## Make Your Pet Proud

Sun City's softball field is beautiful. The Association receives lots of compliments on its well-maintained athletic field, and we'd like to keep it that way. Lately, some have noticed that fans of the four-legged variety are seeming to enjoy the lush, grassy areas in and around the field as much as players and

the fans who come out to watch the games and practices. If you walk your pet at the Pinnacle, please note that the softball field is off limits to dogs, as is the walking track that surrounds the field. The surrounding grassy areas are OK to exercise your pooch on, but please be mindful to pick up any deposits.

## Club Etiquette: A Friendly Reminder

Crafting club presidents and members are eager to welcome new members all the time. If you think you'd like to learn how to sew, create a piece of jewelry, or fashion an item out of wood or stained glass, that's awesome. As part of the introduction process, many clubs offer required safety training or beginners' workshops to help those just starting out become familiar with equipment, materials and more. So please, if you sign up for one of these classes, remember to show up. There's a lot of preparation that goes into putting these classes together and it's no fun to have to cancel them at the last minute because someone forgot to write themselves a reminder.

## Do You Know? Information for Renters

Do you know that as a renter in Sun City Summerlin it may be possible to purchase an activity/ID card that grants access to the amenities Sun City Summerlin has to offer? These include the use of all three fitness centers, the tennis courts, racquetball court, as well as indoor swimming pools and spas.

In order for a renter to obtain an activity card, he/she must take a copy of the lease agreement to the Administration office as proof of his/her residency. Once that is done, the renter may purchase an activity card for \$100, which is valid for 12 months. If there are two renters residing in a home, each must pay the \$100 fee to obtain an activity card. For those who rent on a month-to-month basis or for a period shorter than a year, they must continue to show proof of their lease each time it is renewed. Failure to do so will result in suspension of the card's privileges.

Each household is entitled to 24 guest passes per year, and guests must be checked in by the activity-card holder. Additional guest passes after the original 24 may be purchased at \$5 each for adults; \$2 each for those 18 and under who must be accompanied by adult.

For more information on specific situations, contact the membership services staff at the Administration Office at 966-1401, 966-1432 or 966-1439.

Renters also may participate and hold offices in Sun City clubs. Having the activity card entitles a renter to a copy of Sun City Summerlin's official magazine. The Link lists information on club events, community activities, Association news and fitness opportunities for the month.

# LANDSCAPING Landscape Department

**Rampart Entrance Gets a Face-lift**

**S**CSCAI Landscape Department crew members, from left, Marciano Oliva, Jose Salazar and Nelson Martinez, along with Nicolas Martinez (kneeling) take a quick break from planting colorful kale along the newly renovated community entrance at Rampart and Del Webb boulevards.

According to CSCAI Landscape Department Manager Louis Darling, the overall cost

of the project, which included building two accent walls, as well as the addition of junipers, lantanas, yaupon hollies and kale to each street corner and the median, was around \$3,500.

As for the feedback from residents who've stopped by the Link office to ask about the project: "Wow! Absolutely beautiful. A job well done."

# SECURITY

## Security Patrol • Call 254-2303

### Watch Commanders

**S**un City Summerlin Security Patrol functions on four levels: Dispatchers, which you read about in an earlier edition of the Link; drivers; Information Center officers; and watch commanders. Watch commanders supervise all disciplines during their 12-hour watch. The shift schedules are 11:30 p.m. to 11:30 a.m. (the next day), and 11:30 a.m. to 11:30 p.m. The assistant chief monitors them.

mander takes information about the vehicle and photos of damage done to the property. Then, the appropriate forms are filled out and sent to the Association. When Metro police is involved, the watch commander obtains an incident number from the Metro officer and logs the information.

A report from a patrol driver or call from a neighbor about a suspicious situation is immediately forwarded to the watch commander. Upon arriving at the location, the watch commander assess the situation and, if necessary, contacts Metro police. Many times, the situation is resolved by talking with a resident or neighbor.

During a vacation house check, a patrol driver may see something suspicious about

the house. Perhaps a screen door is opened or a window is slightly opened and was not reported earlier. The driver will radio the dispatcher and the dispatcher will alert the watch commander who then goes to the residence and checks the situation attempting to resolve the problem. Most often a phone call to the resident's emergency contact resolves the problem.

In addition to their regular duties, watch commanders will act as dispatchers or drivers if a shift is short of personnel. Watch commanders must qualify as a dispatcher and a driver. Therefore, candidates for watch commander must complete both dispatcher and driver training programs.

The job of watch commander is vital to the success of your Security Patrol. Watch commanders are your friends and neighbors who care about the health and safety of their community. If you are interested in joining your Security Patrol, please phone Security base at 254-2303.

~ Dorothy S. Macchio/Security Patrol

*Left, Sun City Summerlin Security Patrol Watch Commander Judy Hunt, left, reviews notes with dispatcher Sandy Lyons. Right, Watch Commander Pat Glass makes a quick stop at one of Sun City's Information Centers to check in with Jackie Page.*

Watch commanders need to have at least 500 hours and two years of service as either a driver or dispatcher. Training begins with qualifying in the missing discipline i.e. driver or dispatcher. Once that requirement is achieved, then training as watch commander begins. The experience gained from both disciplines gives a watch commander a greater depth of knowledge, allowing them to handle problems as they arise; and ability to restore calm to residents when there is an emergency.

When an accident occurs on Sun City property, a call for help concerning a neighbor or parent, the watch commander receives the calls and investigates. Keeping in radio contact with the dispatcher, the watch commander will visit the resident or neighbor inquiring if help is needed. If the resident needs health care, the watch commander will call Metro at 311 for a welfare check. For a safety problem, the watch Commander will call the appropriate service, such as the gas company for gas leaks.

At the scene of an automobile accident that involves Sun City property, the watch com-

# Open Mic Night Keeps the Music Coming

**G**iven the size of the Sun City Summerlin population, you would expect that there are a number of talented people living here. Given that this is Las Vegas, you might be willing to place a small wager on that being true. And, if you did, you would be a winner. That talent will be on display at the upcoming Open Mic night at The Summit. The event takes place the third Wednesday of every month.

Open Mic just celebrated its second anniversary; over 20 performances by gifted musicians residing here in Sun City.

Open Mic is the brainchild of resident Melanie Spector, designed in part to provide a warm, welcoming atmosphere for talent and, in part, to better utilize our facility at The Summit. Melanie, herself a talented musician, is very active in the group opening each performance with a guitar solo or as part of a small group. From that point, almost anything goes. Would-be performers are welcome to sign up for that evening's Open Mic performance up to 30 minutes before the show begins, so even Melanie is never quite sure what or who will be on stage that night. The music tends to focus on the 60s and 70s – everything from country to folk to rock 'n' roll, with an occasional show tune thrown in!

Musicians of all persuasions perform, especially now that the group has its own piano. Throw in an occasional singer or dancer to spice things up and you have the makings of a great evening of entertainment.

To make the evening more complete, food and snacks, as well as a variety of very reasonably priced beverages are available for purchase during the performances.

So, whether you are new to Sun City or a 20-plus-year resident and want to experience the thrill of performing in a non-judgmental atmosphere, Open Mic will welcome you. If you are not a performer, but would like a relaxing couple of hours of great musical entertainment, perhaps accompanied by an evening cocktail or beer and some nachos, come on up.

Open Mic is available to residents and their guests at no charge. Doors open at 5:30 p.m. for sign-up; the show starts at 6 p.m.

For information, call Melanie, 254-5369.

The 88th Oscars will add one more award-winning song to the other 87 winners that we highlighted in our "Oscars" show last year. We featured every Academy Award-winning song, but what about the losers? We noticed how many amazing songs that were nominated but didn't win. That's when we knew we had to do the music justice and feature all the amazing songs that Hollywood forgot. To keep the scope of this show under control, we are going to highlight all our favorites. Songs like "Cheek to Cheek," "I've Got You Under My Skin," "What's New Pussycat," "Alfie," "The Look of Love," "Live and Let Die," "How Lucky Can You Get," "Hopelessly Devoted," "On the Road Again," "Eye of the Tiger," "Footloose," "Power of Love," "Somewhere Out There," "Kiss The Girl" and more. With a cast of the best Las Vegas musicians, Bill Fayne, singers and Mistinguett dancers we will delight you with the songs that deserve their own show... and this is it!

Be sure to get your tickets early for all Starbright Theatre shows. If an event sells out, every attempt will be made to sell tickets as well as at the Mountain Shadows, Desert Vista and Pinnacle community centers. All tickets can be purchased online with a credit card, or pay with cash or check at the community centers (except for the Pinnacle community center).

THE GATEWAY ARTS FOUNDATION PRESENTS  
**"TONY ARIAS"**

Sunday, March 19, 2 p.m. · \$20

Tony's voice is one of the most recognized in the world of voice-overs and announcers. You may remember his face from 30 years in Las Vegas showrooms as a master of ceremonies, musical-comedian and the other half of "The Funniest Singers of Las Vegas, Tony & Lloyd." Standing 6 feet, 4 inches tall and with a personality twice as big, it's no wonder Tony is still gracing stages with his boyish charm and commanding voice. Born and raised in California, Tony moved to Las Vegas after high school with the goal of performing in showrooms on the Las Vegas Strip. "I had no act, no professional stage experience, and I knew no one in Las Vegas. The only thing I did have was this unusual voice that seemed to get me a lot of attention. So, I started banging on radio station doors," Tony said. It's not a path I would suggest to young aspiring stage performers but somehow it worked for me."

They have previously appeared with the UNLV Jazz Bands and Jazz Vocal Ensemble, the Master Singers, at the College of Southern Nevada, Southpoint Showroom, "The Dennis Bono Show," the KJUL Radio Network, The Dispensary, the E-String, Vegas Voice "Twilight Hour" and for the Las Vegas Jazz Society.

Chris Kenner, the executive producer for David Copperfield, calls Greg Devereaux a "Corporate Magic Powerhouse." And for good reason. Devereaux performs nightly on the Las Vegas Strip. Devereaux's magic is heavily influenced by Copperfield himself, but also his love for great heist movies and a taste for exotic travel where he can learn hidden cultures and practices all while picking up an interesting artifact or two that he can incorporate into his performances. The Las Vegas Review-Journal stated, "Expect a lot of 'How Did He Do That?' moments!" Not only that, but you will be treated to a performance that will make you laugh, wonder and cheer as everything comes together at the end – just like a well-planned heist.

It may be made to provide additional shows if possible. Tickets may be purchased online at [www.scscai.com](http://www.scscai.com), prices include Live Entertainment Tax. Tickets are non-refundable. Purchases may be made (cash change required). For information on Starbright Theatre shows, call 240-1301.

MISTINGUETT PRODUCTIONS PRESENTS  
**LAS VEGAS TO  
BROADWAY  
AND BACK**

Saturday, April 22, 7 p.m. · \$20

From Las Vegas to Europe, on Broadway and every major cruise line, Mark Preston is an international entertainer passing through Vegas for this very rare performance. He performed as a member of the recording group The Lettermen for 11 years when the group was nominated for three Grammy awards. Michelle Murlin, a versatile singer/dancer/actress, has appeared on Broadway in "Joseph and the Amazing Dreamcoat," "Les Miserables" and "Cats." Between these two dynamic performers and a swinging band, you can expect to hear world-class music from swing to pop, Broadway to country with comedic antics, impersonations with showmanship and ease. From "Vegas to Broadway and Back" is the route this couple have taken to bring their two shows together into one exceptional performance.

Saturday, April 29, 7 p.m. · Sunday, April 30, 2 p.m. · \$10

Come one, come all to the Musicmakers' spring show "The Music of Our Time," a spirited presentation of some of the most beloved contemporary music ever written, some familiar, some not. Selections include many of John Denver's and the Beach Boys' greatest hits, such as "In My Room," "Run, Run, Run," "Take Me Home Country Roads" and "Thank God I'm a Country Boy." Also, a rousing chorus from Vivaldi's "Gloria," the Dutch fantasy bedtime story "Wynken, Blynken and Nod" and "Song for the Mira," a contemporary folk song in the Celtic style that speaks of a longing for and return to the serenity of the Mira River Region of Cape Breton, Nova Scotia.

# CHARTERED CLUBS

## CLUB SPOTLIGHT: Art Club Fabulous Show Awaits Guests to Annual Event

The annual Fine Art Show will be held over the weekend of Saturday, April 1, and Sunday, April 2. Steve Brenner, president of the Art Club, shared with us that the title of this year's show is "Brush into Spring." The show is representative of more than 100 artists, with new creations in watercolor, acrylic, oil, mixed media and drawing.

The show will be held at Desert Vista, inside the ballroom, and will be open from 10 a.m. to 3 p.m. each day.

In keeping with previous years, the show will be judged, with the awards ceremony being held on Saturday at 11 a.m. The artwork will be displayed as framed pieces, most of which will be available for purchase. Guests also are invited to peruse the Art Bin, a popular section of the show that features matted and unframed works, along with framed miniatures that are all available for sale. Original, hand-painted cards also will be sold.

"Raffle tickets will be available, where visitors can win original paintings by our professional instructors, along with other donated prizes," Steve said.

Admission to the show is free, and Club artists will be on hand to demonstrate their techniques and answer questions.

Refreshments will be served.

*~ Story and photos by Stu Gershon/Link*

*Art Club President Steve Brenner stands next to one of his paintings he hopes to enter in the spring exhibit. Below, Penny Collins shows off one of her latest sketches during class. Visitors to the Club's April show will get to vote on works in oil, watercolor, mixed media and more.*

(The deadline for April 2017 chartered club articles is Wednesday, March 1. If you have any questions, call Jeannette Carrillo, 966-1436, or email [jeannettec@suncitylv.com](mailto:jeannettec@suncitylv.com).)

## Conservatives Club

The March 16 meeting will be an evening of education about our political process. The recent election produced a lot of discussion about our Electoral College instituted by our founding fathers. The first design of the Electoral College lasted through only four presidential elections. One of the accidental results of the development of political parties was that in the presidential election of 1800, the Electors of the Democratic-Republican Party gave Thomas Jefferson and Aaron Burr (both of that party) an equal number of electoral votes. The tie was eventually resolved and led to the adoption of the Twelfth Amendment to the Constitution in September of 1804. Join us for an in-depth look at this truly American process. We meet at Desert Vista. Doors open at 6 p.m.; meeting starts at 6:30 p.m. Contact President Jay Sesto, 760-500-9133, or Vice President Connie Sieber, 750-0754. ### Gun Club

If you're new to firearms ownership, have been considering purchasing a firearm for home defense or concealed carry or are an old hand at firearms and looking for others to practice with, the Sun City Gun Club is the place for you. The

club is a resource for all things gun related. We offer free in-house training courses that will teach you all about firearms, help you select a firearm, show you how to clean/maintain your firearm and teach you about the legal aspects of a defensive shooting. Additionally, the Gun Club hosts guest speakers, an annual spring BBQ and a holiday luncheon in December. Contact Allen Sakaguchi at 331-3390 or scgunclub@yahoo.com.

### Hawaiian

If you enjoy eating (and who doesn't) come to our next meeting, Tuesday, March 14, 6 p.m., Desert Vista, Rooms 1 and 2. By popular demand, we are having another pot luck. In January, we were entertained by Alii, who spoke on what it takes to become a Kumu (hula teacher). Everyone was impressed as he was an excellent speaker. We have some interesting speakers/entertainers lined up, so bring a friend and see what we are all about. Questions? Call Sandy, 612-5908.
