## PRESIDENT'S MESSAGE

Joe O'Connell  
President, SCSCAI Board of Directors

# November is the Month to Get Out and Vote

This is November and it is time to vote. I was a political science major in college, and learned neither party was right for me. As an Independent, I can complain about both parties. If we do not vote, we have no right to complain - VOTE!

As a driver for the Security Patrol on the evening shift, I can tell you we have a really quiet community after eight o'clock. I'm sure it is why a lot of us live here. It has also been a very quiet Board of Directors for the last two years. That is because we have a very good crop of Directors, and an excellent Executive Director. Next month it will be time to decide whether or not you would like to be on that Board. If you have the ability and the desire, throw your hat into the ring. Next year, Amos, there will be some vacancies to fill. I have jumped back into the pool and swim for 400 yards three or four days a week. Last week I came to Sun Shadows to swim and the pool was closed. Someone had defecated in the pool. Please, if you think you may be incontinent, do not swim in our pools. When it happens, the pool has to be drained and disinfected. That is a lot of money for the thousands of gallons of water and chemicals. It is also, quite simply, disgusting.

Now that I have that off my chest, I am a firm believer that exercise is the one thing all of us senior citizens need to stay healthy. Get off the couch and play tennis, pickle ball, swim, golf or just walk outside. All of our courses are in great shape - use them. Even if you just play cards, it is good to get out of the house. We have a beautiful community - enjoy it. We are also financially sound. To help stay that way support our restaurants, Tavern at the Falls, Miller's Café, and the Summit. If we all enjoy a meal once a month, it will do a lot for our bottom line. 

Joe O'Connell  
President, SCSCAI Board of Directors

# A MUSIC NOTE

Nothing gets people in the festive mood like going to a special holiday performance. Naturally, different people want to ring in the season with different music. Maybe your

ideal holiday show is a swinging, jazz take on seasonal classics, or singing along to traditional carols and contemporary holiday tunes.

With this in mind, The Smith Center is serving up something for everyone this holiday season in our 240-seat Cabaret Jazz space, designed for experiencing live performers up close. We will showcase top artists from a wide range of styles, each putting their own spin on music for decking the halls.

Contemporary jazz lovers will enjoy a rare treat celebrating the season with Graham Dechter, a jazz guitarist who's accomplished more in his 28 years than most musicians in a lifetime. Already accustomed to performing with the likes of Michael Bublé and Wynton Marsalis, Dechter is bringing in amazing artists from around the world to feature in his shows on December 10 and 11.

For a taste of something new, singing string quartet Well Strung will perform holiday tunes as you've never heard them before. Taking string music to a new level, these talented young men play famous classical pieces while singing high-energy pop hits. Their infectious holiday shows on December 6 and 7 will include favorites like "Silent Night," "Sleigh Ride," Dolly Parton's "Hard Candy Christmas" and everything in between.

Expect to be out of your seat dancing at new holiday shows with Las Vegas favorites Frankie Moreno and Clint Holmes. Frankie never disappoints with his jazz-infused originals and energizing variations on holiday hits, and Clint's refreshed take on festive classics will leave no doubt why he's received two Grammy nominations.

I guarantee no one will feel like a Grinch after enjoying these incredible shows.

# THANK YOU for Your Service

## Veterans Day Is the Perfect Time to Honor Sun City's Military Men & Women

With the publication of Tony Guiffrida's adventures in the South Pacific during WWII featured in the October Link, the magazine has honored 17 men and women for their service to our country. While there are many, many more tales to be told, this Veteran's Day issue seemed like a good time to pause and honor as many Sun City residents as possible for their bravery and dedication to the United States of America.

Over the past several months, the Link has reached out to residents for help in sharing their names and a few details of their military service. The following list is a result of information that arrived in our office via walk-in, telephone call, email and standard mail by the deadline. If we missed you, please send your name, rank, years of service and a few details about your military record to us at [link@suncitylv.com](mailto:link@suncitylv.com). We will publish the information we receive in a follow-up article.

In all, it has been a pleasure to share in your memories, and it will be a continuing honor to share your stories in future Thank You for Your Service articles. For all that you have done, the Link is proud to honor you!

Come to Residents' Forum for our annual Salute to Veterans in honor of all the men and women who have served our wonderful country. We extend a special invitation to all veterans living in Sun City and hope they will join us.

The Color Guard from Centennial High School will get the evening off to a patriotic start. The program also includes a special guest singer and a speaker. Apple pie and ice cream will be served to top off this very special event. ## AARP Income Tax Program Needs Your Help

AARP sponsors an important program in Sun City to prepare income tax returns for residents. This program is staffed by volunteers who, last year, prepared more than 680 free returns. Each tax return is prepared by a trained counselor and reviewed by an experienced volunteer to assure a high standard of quality service. As the program gears up this year, we need your help. Volunteers should have some knowledge of income tax rules and some computer skills. You will be required to attend a one-week tax course and pass a minimum proficiency exam. You will need to contribute at least four hours a week during the tax season. We work at Mountain Shadows on Thursdays and Fridays, from the beginning of February through April 15. If you would like to volunteer, register online at [www.aarpfoundation.org/volunteer](http://www.aarpfoundation.org/volunteer) by October 31. For more information, contact Mike Sanders at 702-724-0476 or [sandersmichael774@yahoo.com](mailto:sandersmichael774@yahoo.com).

## Nominations Open for SCSCAI's 2019 Board of Directors

Letters of interest must be received by 5 p.m., Friday, November 30, 2018.

There will be four seats open for the 2018 Board of Directors. The top two candidates will serve three-year terms; the two receiving the lowest votes will serve a one-year term.

The Administration Office, located at Mountain Shadows Community Center, is now accepting letters from Association homeowners for positions on the Board of Directors. Each letter of application is to be accompanied by a signed "Candidate Disclosure Statement" available from the Administration Office. The names of eligible candidates will be given to the Election Committee. SCSCAI NEEDS YOU!

## SCSCAI Committed to Helping Local Charities

Sun City Summerlin Community Association, Inc., offers charitable organizations an opportunity to place a donation box inside each community center. Boxes must be clearly marked as to the charity seeking assistance, along with a brief description of the beneficiaries of donated items. All requests for charity boxes must be emailed to SCSCAI Executive Director Mitzi Mills at [MitziM@suncitylv.com](mailto:MitziM@suncitylv.com). Once selected, the charity will be notified of its assigned month. All charities will have 30 days to display their donation boxes. Volunteers must check the boxes daily and keep the areas clean.

## Election Day Is November 6

At Desert Vista, voting will take place in Room 5; at Mountain Shadows, residents may cast their ballots in the Mint and Sahara rooms.

## Electric Open Jam Set for November 14

The Electric Open Jam runs the same way open Electric Jams are done at the clubs outside of Sun City. Our host Band, the extremely popular Rockin' Blues Squad opens with a few songs and then resident and guest Jammers, who would like to perform, put their names on a sign-up sheet. If they have their own band, they come up as a group and use our backline to plug in their own instruments. If someone signs up as a single player, for example, a bass guitar player, the host band's bass player sits out and this person plugs in to his amp and plays their bass with the band for their set of songs. Each act gets to play a specific # of songs or # of minutes TBD. The same rules apply for vocalists who would like to sing with the band. If there are not many musicians wanting to play or sing, people can go up and perform more than once.

This event is free to all residents and guests to listen, dance, and make friends, while enjoying the yummy food and beverages at our beautiful Summit.

If you ever wanted to perform with a live band here's your chance! Don't miss this exciting new event, Wednesday, November 14, 7 p.m., The Summit. If you have questions, text Mike, 310-422-1184. Dance On ... Rock On!

## NPA Honors Link for Ad Design

The Link Magazine, Sun City Summerlin's Official monthly notification to residents, took home third place for ad design in the 2018 Nevada Press Association's Better Newspaper/Magazine Contest on Saturday at Palace Station. Link Managing Editor Jeannette Carrillo; Advertising Coordinator Sharon Bishop; and Link Committee Volunteer Bob Cohen attended the annual banquet, where 24 magazine awards were presented to publications in categories ranging from Best Feature Photo to Best Ad Series and Best Profile/Interview to Best Special Project. In all, more than 150 awards were presented for general excellence to publications throughout the state.

"The Link is very excited to participate in NPA and its annual convention," said Jeannette Carrillo. "The magazine is two for two now for awards, having been accepted into NPA in 2017. As the magazine continues to grow, the Link staff and volunteers pledge to continue the tradition of excellence we've created, reporting on the Nevada's largest homeowners' association."

## Shred Fair Returns November 17

Las Vegas City Councilman Stavros Anthony and his efficient staff bring the popular shred fair back to the Mountain Shadows on Saturday, November 17, from 10 a.m. to noon. There is a limit of five boxes per car. Two lines enable residents to drop-and-go or stay and watch as their material is shredded. The car line starts outside the main entrance to the Mountain Shadows Community Center and backs up along Echo Mesa Drive. As always, please be mindful of pedestrians as the car line moves slowly through the parking lot.

## Summit Piano Player Celebrates 1 Year

Did you know that there is a Sunday Brunch at The Summit every weekend? Did you know that The Summit Sunday Brunch has a regular piano player, Rod Quano? Did you know that on September 9 Rod celebrated his first-year anniversary of playing for residents during the brunch? To mark the moment, Rod's wife, Gloria, provided a sheet cake, while Sun City's Pastry Chef Nicole Holland baked up her own sweet contribution to celebrate with fans. In addition to great food and cake, residents enjoyed beautiful music by Rod.

## Meet Sun City

The following series is designed to introduce residents to staff members. Profiles will feature information on employees and departments to help provide insight into not only the people who get the work done, but a sneak peek behind the scenes.

**Tom Moore**

Fitness Monitor and U.S. Navy Veteran

laugh at the thought of a Navy man in arid Arizona. After serving four years, he extended his service for an additional two years in Sicily, Italy. Those two years were truly a highlight for Tom and his wife, Cindy. Their location provided them the opportunity to travel Europe. Born in Greeley and raised in Loveland, Colo., Tom graduated from the University of Northern Colorado after serving in the Navy. He proudly says he and his wife, of soon-to-be 50 years, were married in Las Vegas. The Las Vegas location was a compromise as Tom was stationed in San Diego at the time, with Cindy and his family in Colorado and Illinois. Wedding-goers were able to attend their wedding and experience Las Vegas, some for the first time.

Tom and Cindy have been Sun City Summerlin residents for two years. Before that, they lived in Las Vegas for 28 years. Tom now works as a Fitness Monitor and Cindy as a Social Monitor. Tom's main work location is Desert Vista, but he often can be found helping out at the Pinnacle.

When asked what he enjoys most about his job, Tom said without hesitation, "Residents' stories." He so enjoys getting to know fellow residents and loves hearing neighbors' tales of their lives before coming to live in Sun City Summerlin.

**Delfina Muñoz**

Food & Beverage Department; The Summit

For 18 years, Delfina Muñoz has quietly and efficiently served our Sun City Summerlin as a member of our Food & Beverage staff. She has worked at the then-Vista Grille (now Miller's Tavern at Palm Valley Golf Course), Tavern at the Falls (The Highlander) and The Summit. In addition, she has helped with various special events held

at Desert Vista. Prior to moving to Las Vegas, Delfina worked as a waitress in Palm Springs and at various California banquet facilities.

Delfina credits her employment here to networking. Her husband worked with former Summit maître d' and retired Desert Vista custodian Joe Uuken. Delfina's husband, Froilan, learned of a waitperson position opening at our Sun City from Joe and told Delfina. Delfina applied for the job and 18 years later is still here. Born and raised in Zacatecas, Mexico, Delfina wished to be a teacher. She attended one year at Manuel Avila Camacho University. Then love intervened. She married Froilan Muñoz and raised three children: Vanessa Rocio; Froy, Jr.; and Delfina Maria. She is the very proud grandmother of Daliah, Diego, Evie and Myan.

Her answer to a question about hobbies and pastimes got her talking. "My grandchildren," she said, admitting that she loves to "spoil" them. Evie and Myan live in Las Vegas, while Daliah and Diego live in California. While Evie and Myan have their grandmother nearby, Delfina enjoys visits to California to see Daliah and Diego, as well as other family members.

In 2003, Delfina became a proud citizen of the United States of America. She says she studied hard to be able to know the answers to the questions to earn her citizenship.

Her favorite menu items at The Summit are tacos and the salads — many of which have been recently added as Summit menu choices.

Without a moment's hesitation, Delfina's answer, when asked what she likes most about her job, said, "The people." This statement is emphasized by her smile and twinkling eyes when serving customers.

Those who attend evening events at The Summit are served by Delfina, as are those who dine at the Sunday breakfast buffet. So, when you see Delfina, please let her know how we all truly appreciate her service throughout her 18 years here.

## Golf Carts and Driver Safety

Hole

**Congratulations!**  
**Joe Buonanno**  
Eagle Crest No. 6  
September 11

When it comes to golf in Sun City Summerlin, safety is the No. 1 concern for residents and visitors, alike.

The most obvious question about golf carts in use is who has the right of way at street crossings? The answer:

The automobile ALWAYS HAS THE RIGHT OF WAY.

If a vehicle stops on the street and waves a golf cart across, cart drivers should REFUSE and wave the car through. Golfers can never count on other traffic stopping.

For an automobile driver in the community, it is imperative that when driving on the streets that border the golf courses, always slow down to a crawl but do not stop. Motorists always have the right of way. Always remember to use that right-of-way with a slow caution.

## Germs Be Gone!

Flu season is upon us and we've got you covered! Recently, Sun City Summerlin's three fitness centers and Sun Shadows Community Center were treated with an antimicrobial coating called MicroShield 360. This coating was applied to all fitness equipment in the gyms, locker room and lobby surfaces. All door handles and knobs were treated, as well as the computer, keyboards, etc. at the monitor stations.

MicroShield 360 constantly self-disinfects treated surfaces 24/7 ensuring contamination is no longer an issue. It is preventative in that it does not allow pathogens to live on it, killing bacteria, viruses, mold, fungus, mildew and odors. It is colorless, odorless and hypoallergenic, as well as EPA/FDA-approved. This coating will last for one year. Surfaces will be tested quarterly by MicroShield's certified technicians to ensure that the coating is performing and pathogens are prevented from living on the surfaces.

Once a surface is treated with MicroShield 360 it is maintained with normal cleaning procedures. We will be installing wall-mounted wipe dispensers in the fitness centers to be used to wipe down the equipment after each use.

Previously, we used a spray-on antibacterial agent, Cavicide, on our fitness equipment.

In addition to the obvious health benefits, MicroShield 360 will result in a reduction in our operating expenses. For more information on MicroShield 360, including exactly how it works, statistics on its effectiveness and case studies, visit [www.microshield360.com](http://www.microshield360.com). You also can contact the local rep, Wes Hazlett, at 702-850-7070 or [wes.hazlett@microshield360.com](mailto:wes.hazlett@microshield360.com). *by Pam Shields*

# Mountain Shadows Fitness Center Adds a Rowing Machine

Jessie Miles/SCSCAI fitness assistant

The Fitness Department is pleased to announce a new piece of equipment at Mountain Shadows Fitness Center. The Concept 2 Rowing provides a low-impact, high-calorie burn, as well as a total body conditioning workout. Variety is always important to your workouts and the rowing machine is a nice alternative to more traditional equipment like the treadmills, ellipticals, bikes, and NuSteps. Rowing is a very natural motion and most people pick it up quickly. To get started, focus on proper technique. There are four phases that make the rowing motion smooth and fluid:

**Phase 1** – Starting position is called “the Catch,” where arms are held straight, head is neutral, shoulders are level and not hunched. Lean your upper body slightly forward to the 1 o’clock position. Shins should be vertical or as close

to vertical as is comfortable for you. Your shins should not move beyond perpendicular; heels may lift as needed.

**Phase 2** – Work phase is called “the Drive.” Start by pressing your legs back; your body will move through vertical and finally add the arm pull. Shoulders stay relaxed and away from the ears, and hands move in a straight line to and from the flying wheel.

**Phase 3** – Called “The Finish.” Your upper body is at a slight lean to the 11 o’clock position and you’re using good support from your core muscles. Legs are extended and the handle is held lightly below your ribs. Wrists should be flat.

**Phase 4** – “Recovery.” This position gets you back to your starting position. Extend your arms until they straighten before leaning from the hips toward the flywheel. Once your hands have cleared your knees, allow your knees to bend and gradually slide the seat forward on the monorail. Practice each phase slowly until your rowing stroke is smooth and fluid. The goal is to keep 22-26 strokes per minute until you are comfortable and then you can adjust your speed.

We held three equipment orientations for the rower in October, but can always offer more if there is an interest. Please feel free to call the Fitness Department with questions or concerns. It’s time for us to start rowing our way into the New Year of healthy living!

Sun City resident  
Bea Lieberman, 93,  
demonstrates the correct  
way to use the rowing  
machine for maximum  
benefit.

### Fitness Committee Meeting

Join representatives of the Fitness Department as they discuss issues of concern and/or address residents' questions about new classes and other fitness-related topics. The meeting is scheduled for Thursday, November 8, 10 a.m. in the Desert Vista Committee Room.

### MS. POOL ETIQUETTE

How do you get to use the swimming pool lanes? All pools have designated swimming lanes (except the Pinnacle outdoor pool). The pools also have a designated area, which does not have to be requested, for free aqua-type exercise or walking. If you wish to request a lane, check with the pool or desk monitor on duty. Do not get into an open lane without checking, as it may have been assigned. During busy times, when all lanes are occupied, the monitor keeps a waiting list. As soon as a lane becomes available, the next person is assigned a lane and so on. Once you are assigned a lane, your 30-minute period begins. Spending extra time in the locker room or socializing prior to entering the pool will eat into that time. If no one is waiting when your 30 minutes are up, you can signal the monitor to ask for more time and a new 30-minute period will be started. Between 6-8 a.m. and 4-6 p.m., swimmers get priority in certain lanes. At other times of the day (open swim) lanes can be used to swim, walk or exercise. Check with the monitor. During busy times, the fitness monitor may ask you to share a lane. Keep in mind, when the pools are being used by the various aqua clubs, the lanes are not open or available for use by non-club members unless the club invites you to use lanes that will not interfere with their club activities. As always, please remember that you must shower before entering the pool.

### MR. GYM ETIQUETTE

Getting the perfect temperature in a gym can be a challenge. Taking into consideration the number of people working out, the size of the room and the temperature outdoors, it can be a moving target. Also, each individual in that room may have a different preference. Some like it hot and others like it a bit cooler. We aim to keep the temperature in our gyms at 68 degrees, using the fans to circulate air and reduce the temperature when necessary. You may request that the fitness monitor turn the fans on or off, keeping in mind that others might not agree with your choice or your request. The monitor will do his or her best to accommodate you.

# Best Friends for 53 years Residents Reunite in Sun City

By Jessie Miles, CSCAI fitness specialist

Just 8 years old going into the third grade, Lori Knight McKeogh moved to Warren, Mich., two doors away from Debbie Tilotti-Kozel. Their friendship was instant. It was a time when you played in the neighborhood and didn't come home until the street lights came on, each recalled. Debbie and Lori were inseparable, spending day and night at each other's houses. They loved playing games outside like hide and seek and kick the can. They spent the summers in Debbie's swimming pool. Lori says they would "call each other out." She remembers that she would go to the front door and yell, "Debbie, Debbie will you come out and play? I didn't ring the doorbell; I just shouted," she said. The ladies laugh about it now. Cheerleading was what the two girls loved the most. Lori

Lori Knight McKeogh, left, and Debbie Tilotti-Kozel say cheerleading was one of their favorite youthful activities.

and Debbie recalled that they drove their parents crazy with their constant cheering. It wasn't until the seventh grade when they both joined the cheerleading team and continued to cheer through high school. Lori got married and had two children; Debbie got married a little later and had two children. Their lives were in different stages as their children are 10 years apart, but they managed to keep in touch. Over the last 10 years, Lori and Debbie would meet for dinner every month and meet for walks. They walked and talked a lot. Their friendship is the kind that always picks up right where it left off; it doesn't matter how much time has passed. Debbie said: "Lori made the first plunge to retire and move out of state. She left me there!"

Lori and her husband knew they wanted to retire someplace warm, so they sold their house, put everything in a POD, got in the car and headed west. "Moonbeam and Sunshine were their nicknames," Lori recalled as they headed to California unsure of their final destination. Along the way, the couple stopped in Las Vegas to visit her sister-in-law and family. Their relatives said for them to think about Vegas instead of Florida, which was where they were headed after spending time with their daughter in California. Lori and her husband did, in fact, drive to Florida to stay for a month. But then made the decision to move to Las Vegas. It was about two years later when Debbie was ready to retire. She and her husband thought about moving to the Carolinas. They did a little exploring and decided to come to Vegas for a visit. Debbie remembers thinking, "Oh, I could do this. I could live here." When she and her husband got back to Michigan, they packed things up and moved to Las Vegas.

Together again, Debbie and Lori are like peas in a pod. The women spend lots of time walking and talking; they actually have a goal of walking every street in Sun City

Debbie, left, says she and Lori are blessed to have known each other for so long, calling their 53-year friendship a full-circle one.

(which is 76 miles!) They take fitness classes together, and their husbands – who didn't really know each other – have become great friends.

"It's hard to move to a new city. Born and raised in Michigan, it's scary. When you're older, it's scary," Lori said. "When you're younger you have the kids and it's easier to meet people. I met nice people here before Debbie moved here, but there's nothing like a friend that you've had forever. They know your past; they know everything about you." "We are so blessed," Debbie said. "It's been so great – full circle!"

## A Potpourri of Committee Issues

I wanted to give you an update about some Architectural Review Committee issues. First, a big shout-out to the very hardworking and dedicated ARC members: Ken Carocchia, D.J. Minella, Dan McDonald, Bruce Petrie, Wendell Phillips, Tom Romano, Mike Wuebker, Bruce Alitt and Julie Zerbel. They spend an enormous amount of time reviewing applications and conducting inspections to make sure that our homes conform to our Development Standards. And, an equally big shout-out to our Director of Community Standards, Kate Carroll, and her assistant Barbara Davidson. Thank you all.

Every two years the Development Standards are reviewed to see if changes should be made. It's time to do that again. So, if anyone has any suggestions for changes to our Development Standards, please email them to our Executive Director, Mitzi Mills (mitzim@suncitylv.com), Kate (katec@suncitylv.com), or me (ebachman@embarqmail.com). We will start discussing possible changes at our November ARC meeting. We already know we will be clarifying allowable color palettes for driveway concrete coatings. We anticipate there will be other changes needed to help maintain our beautiful community.

Regarding other topics, please be sure to trim overhanging tree and shrub branches. Some homes have branches that hang over the sidewalks, which create a hazard. A number of residents are installing outdoor lights. Be considerate of your neighbors, as some lights shine directly into your neighbors' yards. Please, also, do not direct the lights upward. Rather, direct the light to the greatest extent possible to your own property.

Please do not take your trash containers out before 3

p.m. on Monday, and please move them away from the curb by 7 p.m. on Tuesday. Remember, trash containers stored outside the garage are not supposed to be visible from the street. Any enclosure needed to keep your trash containers from being visible from the street must have ARC approval and must be in place no later than March 1, 2019. Each sub-association will make its own determination about the location of outdoor storage for trash containers. Any sub-association's outdoor trash enclosures also need ARC approval. We will try to make the ARC approval process for outdoor trash enclosures as easy as possible.

Our hardworking staff and ARC volunteers are not mind-readers. If you see something that appears to be a violation of our Development Standards, please contact our Community Standards office so your complaint may be investigated. The Community Standards office is located at Mountain Shadows near the fountain. You can call the Community Standards Department at 702-966-1411.

Also, any exterior additions, modifications or other improvements, such as painting or new awnings need the approval of the Architectural Review Committee. Kate and Barbara are always willing to help guide you through the process. If you are in a sub-association, you will first need to obtain the approval of your sub-association before ARC can review your application for any changes to your townhome.

Ellen Bachman  
Chairwoman, Architectural Review Committee  
ebachman@embarqmail.com  
702-966-1453

ARC meetings are held on the second Thursday of each month at 1 p.m. in the Desert Vista Committee Room. Hope to see you there.

## Sun City Turns Out Big for Safety Campaign

Sun City Summerlin joined hundreds of celebrations across the valley in support of the 35th Annual National Night Event on October 2 at Desert Vista. The program, supported by Sun City Summerlin Community Association, Inc., and sponsored by the Neighborhood Watch/Community Preparedness Committee welcomed more than 400 residents, who turned out to enjoy free hot dogs, refreshments and entertainment by Sun City's own Blues Squad. In addition, several education tables were prepared by Nevada Wildlife, NW/CPC, Optum Care and XQZ-MEI mailbox services. Residents even got a chance to

meet the owner and general manager of Miller's Tavern at Palm Valley Golf Course. In all, the evening, which aims to bring communities together through fellowship to help promote safety, was a success said Las Vegas Metropolitan Police Department Crime Prevention Specialist Randy Klenosky. "Sun City outdid themselves tonight! A great job by all!" he said.

"National Night Out was an event that demonstrated the heart of our Sun City Community when we are partners with Metro, Security Patrol, city government, Neighborhood Watch and our residents," said NW/CPC Chairwoman Barbara Holden. "Sun City really hit it out of the park and set the example for other communities in the valley. A big thank you goes out to Sandy Krause, who chaired the planning committee. She demonstrated innovation and leadership in working with staff and all areas throughout to make this a National Night Out to remember."

Las Vegas Fire & Rescue Station 107 firefighters, as well as LVMPD officers and volunteers were in attendance to meet with and take questions from residents. Las Vegas City Councilman Stavros Anthony kicked off the event.

## Serving Together ... Again

**T**his month we celebrate United States of America military veterans. Security Patrol has more than 30 veterans who did service the Air Force, Army, Navy and Marines. The Coast Guard appears to be missing in representation in Security Patrol. Perhaps because we live in a desert.

The veterans' military experience brings to Security Patrol the discipline and understanding of command that provides sustainability to the organization. Their core drive is to serve the community.

"Serving is fundamental to many veterans. It begins when you raise your hand and swear allegiance to this great nation and to defend her with your life if necessary," answered Wendell Phillips in response to the question: "How has your military service affected your approach to your duties in Security Patrol?"

Phillips continued, "The military teaches discipline, integrity and the notion of teamwork, working together toward a common goal. Joining the Security Patrol six years ago fulfills, again, in some ways, that feeling of service to our wonderful community."

"So many military experiences made me strong in character and impacted my drive to contribute to my community. I desire to give back and contribute to the safety of this grand neighborhood," added Daisy Parrish, a Security Patrol driver.

Security Patrol emphasizes training and the uniform. "In the military, we had many regulations and we followed the chain of command. Being exposed to that environment gave me a better understanding and easier

transition into Sun City Security Patrol. We have a uniform code in the military as does Security Patrol. That has to be followed," said Judy Pugmire, dispatcher. "Being in the military and volunteering for Patrol gives me a sense of pride for my country and community."

According to Gary Cummings, a Security Patrol driver, "I can say the greatest thing I learned from my Air Force training was discipline and respect for the uniform. This is what I could apply to the Security Patrol."

One of the newest members to Security Patrol, James Carey said, "I think my Army service makes me take the Security Patrol position more seriously. It also increases my desire to help and protect people." These men and women, who served in our country's military, now continue serving together again on the Sun City Security Patrol team. They are an example to us civilians who also have joined and serve. Security Patrol is always in need of volunteers. Please call 254-2303 and begin a new experience in serving this community.

The Jersey Girls have proudly become one of Chicago-land’s most popular and beloved cover bands. They were invited to perform the lead piece from the soundtrack of the Broadway musical “Dreamgirls” on FOX television in the summer of 2017. In November of the same year, the Jersey Girls had their debut on the national music scene, performing a sold-out show at the Paris hotel, Las Vegas. They are currently organizing their first East Coast tour. The Jersey Girls are now, as venue owners often like to say, “Raising the roof” every weekend in the Chicago-land area and all around the Midwest. With their harmonies, choreographies, eye-catching costumes and high energy they easily become the heart of every celebration. # Club Spotlight

You're Invited:  
Fun, Free Photography Show  
Saturday, November 17  
10 a.m. to 3 p.m.  
Desert Vista Ballroom

Bring your family, friends and neighbors: Everyone is welcome to the Sun City Photo Club's Annual Show & Sale on Saturday, November 17.

This year's event will be bigger and better than ever — more floor space and more enticing prints for your enjoyment. Many genres of photography will be presented at the show, including action shots and cityscapes, conceptual and fine art photos, landscapes and nature (both local and outside Nevada), still life, portraits and street photography, plus scenes and scenery from local and exotic locations.

Styles will glide from sharp-as-a-tack realism through impressionism to abstract art. All photos displayed

are provided by members of the Sun City Summerlin Photography Club. A variety of equipment was used to obtain these remarkable works — everything from sophisticated DSLR cameras to iPhones.

You never know what gems you might see. Some of the matted photos will be for sale at reasonable prices. The photo show offers a convenient place to pick up unique, one-of-a-kind gifts for those special people in your life. Photo Club members will be available to answer questions; extra chairs will be scattered throughout the area so you can sit, relax and discuss the interesting works.

Come and have fun looking at some truly unique photography!

**Golf (Men's) 18 Hole** - "If you think it is hard to meet new people, try picking up the wrong golf ball," Jack Lemon. We continue to get new residents each year and as a part of that we get new golfers. Over the last year we have had many new golfers join us here in this great community. We offer the best in the west for retirement living and for any avid golfer around. Sure, you can play any TPC course and it will probably be pristine, but for those of us who live here and are avid golfers, we have the best of both worlds. First, we have three great layouts for our passion - golf. Second, we have one of the best, if not the best, deals in the USA for a 55+ community. Third, the community is made up of residents who, for the most part, want to live in a golf course community. We are proud of our courses and of the amenities this community offers. It runs on the efforts of volunteers and a professional staff that caters to our needs. I am making one last attempt to try to foster participation from those who can and are willing to give time and effort to maintain the core of this community. The goal is to have as many new residents as possible volunteer for some kind of board or committee. Personally, I am looking to the new golfers who can and want to be a part of our Men's Golf Club (18 Holvers') board. It is not too late to enter the

fray and run for one of the positions that will be voted on at our December 6 general membership meeting. If you have questions, check out our website, [18holers.org](http://18holers.org), or call Colbert, 859-979-4376.

**Golf (Men's) Niners** - A very special event to start November will be our overnight trip to Primm Resort for a two-day tournament, November 5-6. Two rounds of golf will cost \$98. Make your own reservations for the night of November 5. The room rate is \$54 when you use the special code SG52018. We will have four Thursday tournaments in November. No golf on November 22, Thanksgiving. Starting time will be 8 a.m. Important that you make your nominations for the 2019 board positions by early December. Elections for new board members will take place at our general meeting in December. As always, you may join the Niners. Applications are available at our pro shops, or go online, [www.scsniners.com](http://www.scsniners.com), to join.

**Golf (Women's)** - As our year comes near an end with Board Elections on November 20 at the Desert Vista Ballroom, 1 p.m., we give a big thanks to the outgoing 2018 board members. Nominations will be accepted from the

## Solution to Last Month's Puzzle

Mitzi Mills, SCSCAI Executive Director

## Executive Director's Report

**Dear Sun City Summerlin Homeowners,**

The Governing Documents of Sun City Summerlin Community Association, Inc. (SCSCAI) give the SCSCAI Board of Directors the authority to create and amend Rules and Regulations for SCSCAI. At the October 2, 2018 SCSCAI Board of Directors Meeting the Board

adopted two resolutions to make amendments to two existing Rules and Regulations.

The revised amendments to SCSCAI's Rules & Regulations are noted below. The amendment to the existing Rules & Regulations will appear in **red** along with a brief explanation in **blue** as to why this amendment was made, the black lettering indicates existing wording. These amendments represent ONLY the revised section of the Rules and Regulations that were adopted at the October 02, 2018 Board of Directors meeting and are hereby published in the November Link for official notification to SCSCAI homeowners of the amendment and change.

### SUN CITY SUMMERLIN COMMUNITY ASSOCIATION RULES & REGULATIONS

#### Section V. General Membership Rules and Guidelines

##### Item G. Garage Sales

1. Garage Sales are not permitted in Sun City Summerlin except for:

- a. The SCSCAI annual garage sale held at Mountain Shadows as determined by the Board of Directors.
- b. An All-Sun City Summerlin Annual Garage Sale at individual homes that shall take place as determined by the Board of Directors. All unsold items must be removed from the driveway, yards, etc. immediately upon close of sale each day. Any remaining items intended for pick up by a

liquidation company and/or charity must be stored inside residence until day of scheduled pick up.

- c. (Addition 10/02/18) **Two-day sale due to moving or death of a resident, resident is required to obtain a permit from the Association prior to holding the sale.** All unsold items must be removed from the driveway, yards, etc. immediately upon close of sale each day. Any remaining items intended for pick up by a liquidation company and/or charity must be stored inside residence until day of scheduled pick up.

*This wording (above in red) was inadvertently removed from the Rules and Regulations in the last publication. This reinstates the Rules and Regulation as previously adopted by the Board in order to allow for our residents to engage in a Garage Sale in the event they are moving from the home or there is a death of a resident as long as they obtain a permit in advance.*

REV	REV DATE	DESCRIPTION
1.	October 02, 2018	Revised and approved by the Board of Directors Article III: Association Rules, Sec. F. Garage Sales
2.	October 02, 2018	Revised and approved by the Board of Directors Article IV: Common Facilities, Sec. A General Facility Use

## SUN CITY SUMMERLIN COMMUNITY ASSOCIATION RULES & REGULATIONS

### Section IV. Common Facilities

#### Item A. General Facility Use

- a. Alcoholic beverages consumed in any Sun City managed restaurant shall be purchased from Sun City licensed staff. During a chartered club function, or other function, ~~that is not held at the Summit or at a SCSCAI restaurant alcoholic beverages may be furnished by club members or others, provided the beverage is opened and served by a licensed Sun City Employee. Unused portions must be corked and returned, or properly disposed of.~~ individuals may supply their own alcoholic beverages (BYOB) or contract with SCSCAI for a catered bar service to provide alcoholic beverages. A combination of BYOB or Catered Bar cannot

be used and SCSCAI must be notified when the room is reserved which method of alcohol service will be used. Individuals sponsoring the event are responsible to make sure attendees are aware in advance that if there is a Catered Bar then participants cannot bring any alcoholic beverages into the event.

All the above shall be in accordance with the Las Vegas City Ordinance 6071 sec 6.50.430.

(Amended 10/02/18)

This wording (above in red) was adopted by the Board to allow our residents to choose between BYOB events or to Catered Bar events without the worry of violating local ordinances or requiring staff to be present to oversee events when alcohol is being brought in by participants.

## Bridging the Community Gap

National Night Out was such a wonderful community event. As the Executive Director of Sun City Summerlin, one of the goals I have in building community is the

joining of Board members, committees, community organizations, chartered clubs, staff and residents in an activity that brings everyone together for the betterment of the community and procurement of friendships old and new. National Night Out did that and more. It also brought government agencies and services into Sun City to join us in a night of fun, education and entertainment. Under the direction of homeowner Sandy Krause, we all did a little to make her “big plan” for a successful event come to life. Thank you, Sandy, for your vision, guidance and hours and hours of planning, scheduling and roll-up-your-sleeves hard work. You have set the bar high for this event that we hope will turn into an annual crowd-pleaser!

### A Note of Gratitude From Sandy Krause, Chairwoman, Sun City Summerlin National Night Out

As Chairwoman for Sun City Summerlin’s National Night Out on the evening of October 2, 2018, I want to thank everyone who helped to make this year’s event a success. Even with the threat of inclement weather, Mother Nature could not disrupt the fun. But, National Night Out at Sun City Summerlin would not have been possible or run as smoothly as it did without the assistance of countless people who helped organize the event ahead of time; those who tirelessly worked during the event; and those who cleaned up after the event.

Much appreciation and a heartfelt thanks to Marsha Klein and Blues Squad Band members Michael Klein, Marc Cerrato, Kenny Pietrafeso, Bert Beatty, Doug Greenwald and Clark Nagle for their personal and musical contribution to the event. They made Desert Vista’s Ballroom rock, keeping the dance floor crowded for most of the evening.

I also want to extend a special thanks to the committee members who came to every organizational meeting and shared their ideas; to those who worked the event, including Cecile Schreiber, Julie Kisosondi, Amber Fleisher, Evelyn Combs, Freddie McFinn, Glencora Lannen, Carol Heierle and Ellen Greenspan; to the many exhibitors; to Brandon Balek, Fred Scarrone and their staff; to Miriam Block and all the volunteers from Security Patrol; to Anthony Marrone and his great staff from The Summit Restaurant; to Bill Holden for arranging the presence of the firetruck and the men from our local fire station; to Bob Altomondo for his fine-tuning of the marketing materials; to the staff at the LINK and SCSSLIVING.COM for getting the message about the event out to the residents at Sun City Summerlin; to Bruce Spitzer for showing everyone how to shut off the water or gas in an emergency; to Melissa Spina and her staff for their help and their patience as we ran in and out of their office on the day of the event; to Randy Miller of Miller’s Tavern soon to open at the Palm Valley Golf Course for his contribution of the delicious cookies and the four gift cards to his restaurant for door prizes; and to Michael Derhake and Phillippe Calva of Wells Fargo for their donation of the Keurig for a door prize; and to all those residents who attended and supported the efforts put forward for National Night Out at Sun City Summerlin.

To Barbara Holden who had the vision for this event, I want to thank you for asking me to chair this event and for your unwavering support and help during the planning of National Night Out at Sun City Summerlin. To Executive Director Mitzi Mills, thank you for so willingly and professionally supporting the efforts of the committee and making it happen when it was the most needed.
