A MESSAGE FROM THE CHIEF

*"With 210 active volunteers, Security Patrol is always looking for a few more members. The organization offers many chances to give back to this community, and I urge you to consider joining us if you have the time to do so."*

The primary mission of the Sun City Summerlin Security Patrol is to provide a presence in the community to discourage crime and provide assistance within Sun City Summerlin Community Association. This is accomplished through patrolling the streets of the community, establishing a visual deterrent and inspecting association property after normal operating hours.

Patrol drivers travel the streets of the community 24 hours a day, every day of the year. Through the use of these uniformed, volunteer Patrol drivers, dispatchers and information center

members, as well as watch commanders, our mission has been exceedingly successful.

Statistics show that the crime rate in Sun City Summerlin is far lower than in surrounding areas.

A secondary mission of the Sun City Summerlin Patrol is to serve and support the Association and our neighbors with specific duties.

With 210 active volunteers, Security Patrol is always looking for a few more members. The organization offers many chances to give back to this community, and I urge you to consider joining us if you have the time to do so.

This month, the Link features a great article on Page 10 about the Patrol by our beat writer and Patrol volunteer Dorothy Macchio, who captured insight from our board of directors. I hope you enjoy reading more about the Patrol's philosophy through the eyes of its leadership.

I am honored and proud to be the Chief of this great group of volunteers. We love our community and are proud to serve each and every resident. We are neighbors helping neighbors.

**Sandy Lyons,**  
Security Patrol Chief

PRESIDENT'S MESSAGE

## Volunteers Make Sun City a Special Place to Be

**Y**ou know what really makes Sun City Summerlin such a great place to live? The people who live here and give their time and talent to help make SCSCAI the wonderful place that it is. Rather than discuss another Sun City committee this month, I want to put the spotlight on two of our truly gem volunteer organizations that do so much to help our residents – the Sun City Summerlin Sunshine Service and Sun City Charities/Volunteers.

What do those folks do for all of us? Glad you asked.

Do you need a high chair or stroller for visiting grand kids? Do you need a walker or a wheelchair while you recover from a knee operation? Do you have a visitor who needs one of those medical devices? How about crutches or a shower chair while your knee heals, or a day bed for visitors? Sun City Sunshine Services stocks all those items and more. And, guess what, all their equipment is available for free. Sunshine Services relies on donations to restock, so if you use their services do donate so they can continue to offer their services.

Now, what if you need a lightbulb or a furnace filter replaced, or have other minor household repairs you just can't do anymore?

Getting on a ladder can be a scary thing for some folks. How about a smoke alarm that beeps that incessant chirping noise because it needs a battery?

Well, Sun City Charities/Volunteers has a group of dedicated volunteers who may be able to help you out. They also can help you get to a doctor's appointment or assist with other transportation needs.

Thanks a bunch to both organizations for being such caring people. Both of these organizations are always in need of volunteers (and donations), so how about joining them in keeping our community great. Contact Sunshine Services at 702-341-9741, or Sun City Charities/Volunteers at 702-254-5831. For more information, both organizations are listed in the Club Directory of each Link.

As a final note, there's lots going on in SCSCAI, and the Link, online and printed editions, is a good place to keep track of our activities. For up-to-date, late-breaking information on SCSCAI news, we send out regular updates via email. If you are not on the email distribution list for updates, send Mitzi Mills, our Executive Director, a note with your email address, name and telephone number asking to be added to the email notifications. You may reach Mitzi using email at [MitziM@suncitylv.com](mailto:MitziM@suncitylv.com). Also note that every month in the Link, on Page 6, you can find the contact information for every Sun City Board member.

# A MUSIC NOTE

You've probably heard by now that our 240-seat Cabaret Jazz at The Smith Center is the best space in Vegas to experience live performances up close. While you can hear incredible artists there across all musical styles, we pride ourselves on spotlighting performers who explore and reinvent jazz music in ways we never imagined.

But it gets even better.

These artists also offer amazing stories.

In fact, we have three upcoming artists who each perform strikingly different forms of jazz – allowing people of all musical preferences to find a style they love – and who also impact the world through their music.

Take pianist and composer Keiko Matsui, a gifted multi-instrumentalist who is truly an inspiration.

Performing two concerts on September 28, Keiko's built a global following with her smooth jazz that's unlike any other, combining world rhythms with her virtuoso keyboard skills.

She's even collaborated with Miles Davis and Stevie Wonder. But she goes further still with her music. Keiko ties all of her compositions to global causes, and she often tours and

performs to support world hunger and breast cancer.

Then there's Pete Escovedo, a visionary artist who has changed jazz as we know it.

Taking the stage on September 13 and 14 with his legendary Latin-jazz orchestra, this two-time Grammy-nominated percussion master was among the first to fuse jazz with many other musical styles, including salsa, Latin and contemporary music.

Be sure to listen for the influence of Escovedo's personal mentor, music icon Tito Puente, in this powerhouse performance with the industry's top horn players.

And I can't forget to tell you about drummer and bandleader Antonio Sanchez, who takes the spotlight on September 27. A five-time Grammy winner, Antonio has become famous in both jazz and film, after he composed and recorded the fiery percussion solos for Oscar-winning movie "Birdman." Beyond pushing the boundaries of rhythm, Antonio is known for incorporating strong social messages in his music.

I hope you have the pleasure of experiencing at least one, or all of these inspiring artists at Cabaret Jazz.

# MAKING TRACKS

## Runner Roy Nelson to Receive Top Huntsman Honor

By Jeannette Carrillo/Link

"I recall I started running with my son," said Roy Nelson II, who will be honored for a quarter-century of participation in the Huntsman World Senior Games in St. George, Utah, this October.

"There were two races back then, a 5K and a 10K and my son said I'll do the 5K and you run the 10K dad."

That was around 1966.

In 1970, Roy joined the Las Vegas Track Club, where he met and made friends with many of the same runners he sees today at races around the country.

"My first marathon was in October 1993. Since then, I have completed 14 marathons, including the Boston Marathon in 1995," Roy said.

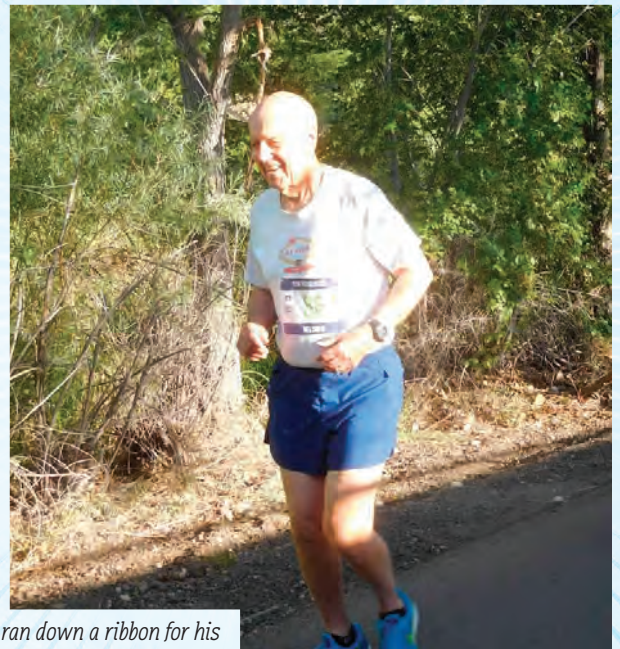

"One of the funniest things I ever heard when I ran a marathon was a guy who told me, 'Keep going, you're almost there. Only two more miles to go.' Have you ever heard anything as crazy as that? When you run a marathon, you don't want to hear only two more miles to go. I could have killed the guy."

Originally from Detroit, Roy graduated from Ferris State College in Big Rapids, Mich., in 1959 and from the University of Wyoming Law School in 1962. That same year, he passed the Colorado State Bar and moved from Denver to Las Vegas. From October 1967 to October 1969 he worked as an Assistant United States Attorney. In 1969, Roy went into private practice, where he stayed for 30 years. He retired in December 1998.

In addition to running, Roy has enjoyed other sports. An all-around athlete, he played and lettered in baseball in college in 1958. Later, in 1994, he took up softball.

"In February 2017, I stopped playing softball when my wife, Phyllis, contracted Alzheimer's. Phyllis has been an inpatient at Desert View Senior Living since September. The prognosis for her is not good, but she is a trooper and will hang in there as long as she can."

Last month, Roy was invited to compete in the National Senior Games held in Albuquerque, N.M. He said it took him 25 years to get a second invitation. His first race in the Games was in 1994 in San Antonio, Texas, where he placed fifth in the 10K. Today, at 86 years old, he finished eighth in the same race. Although he doesn't think he turned in an impressive time, Roy finished high enough in the rankings to bring home a ribbon.

Roy Nelson ran down a ribbon for his finish in the 10K at the National Senior Games in Albuquerque, N.M., last month. Photos by Maria Riach.

To be sure, Roy is his toughest critic.

Roy keeps in competitive shape year round, running several miles a week, starting as early as 4 a.m. in the summer.

With regard to the upcoming Huntsman Games, Roy has been an ambassador for the events since 1995. As a result of his membership and drive to promote the activities, he received a ring to commemorate 10 years and a watch after 15 years. In October, he will have completed 25 years and will be honored with the Red Rock trophy, a tribute to Red Rock Mountain.

If you would like to support Roy in St. George, he will be heading up there for his races, scheduled for October 7 and 10. If you would like to sign up to run alongside Roy or compete with him, the deadline to do so is September 1.

# Meet Security Patrol's Leadership

## Volunteers Cite Fresh Ideas as Vital to Organization's Future

By Dorothy Macchio/Sun City Summerlin Security Patrol

*From left, communication policies pushed forward by Fred Baily, treasurer; Judy Foy, personnel; Sandy Lyons, chief; Jim Strom, assistant chief; and Barbara Aimone, secretary, help keep the Patrol in touch with the community and Sun City's master association. Photo by Jeannette Carrillo/Link*

**T**he success of an organization lay with its Board of Directors and membership. Security Patrol is fortunate to have a dynamic and progressive board that is engaged with the members, the neighbors and the Association.

Interviews with the board members reflect their individual and combined goals that are inclusive of our community. Training and recruiting are the priorities. Each board member has years of experience in Security Patrol, and each brings his/her business and professional expertise to the job to help achieve the goals of improved communication, training and volunteer appreciation.

Chief Sandy Lyons serves as dispatcher and driver in addition to her duties as Chief.

"Mostly, I fill in when a volunteer can't make his/her shift," Lyons said. "When I accepted the position, I knew I wanted to change the working environment to create a more pleasant, happy place to be in, and improve communications between the volunteers and the board. Since we work 24/7, it is difficult to let the midnight and 0400-hour drivers and dispatchers know what is current. I send out e-mail blasts to all members informing them of what is happening during the daytime shifts. I also wanted to improve communications with our Executive Director, Mitzi Mills. She supports Security Patrol, and together we work out issues that affect the community and Patrol."

"My goal as a board member hasn't changed in my second year as secretary," said Barbara Aimone. "It continues to be to

bring my unique experiences and perspectives to the board. Good happens when people have different perspectives and are able to compromise on important issues."

Barbara has worked as a dispatcher for six years and is a dispatcher trainer.

"We are fortunate to have volunteers, including newer members, who come to Patrol with dedication, ideas, energy and willingness to take on responsibilities. I see the Patrol continuing to serve the Sun City community well into the future."

Jim Strom is also serving a second year on the Board. "Last year as treasurer I worked with Fred Bailey to prepare the budget for Security Patrol that would meet its goals and reward the membership. This year, as assistant chief, my focus is on supporting the Chief, Sandy Lyons, improve communications with the Association Board, as well as continuously reinforcing the mission of Security Patrol."

Jim is also responsible for watch commander training.

Presently, four new watch commanders have been added to the roster. "We are also very concerned with demonstrating to the membership how much the board appreciates their time and service. We are always looking for ways to reward the hours each member volunteers to Security Patrol," Jim said.

Recruiting and upgrading training is important to maintaining a viable organization that can assist the changing needs of the Sun City community. Fred Bailey, treasurer, echoed this concern. "This is a community of retired seniors and, of course, there is attrition due to health issues. Recruiting and training are my goals for the year. We need to increase membership, particularly for the midnight and 0400 shifts. Security Patrol is present at as many events as possible. At the new residents' orientation, we inform the new neighbors of the mission of Security Patrol and encourage new neighbors to join.

Membership is open to all residents, but recruits must take the training and understand the responsibilities. I emphasize that it is NOT a dangerous job. We observe and report."

As treasurer, Fred is responsible to the budget. "Last year, I was assistant treasurer, working with Jim Strom. He brought the department into the new age, creating forms, updating the computer program for accounting and record-keeping. The goal is to the Association Board of what Security Patrol is doing. Security Patrol costs the Association about \$100,000 per year and saves \$3 million."

That savings, he stressed, filters down to each homeowner.

Recruiting and interviewing new recruits falls to Personnel Director Judy Foy.

"I am a dispatcher and have been a driver and head of training," she said.

With that background, Judy brings an understanding of the training process.

"I enjoy working with people, interviewing and guiding them into the disciplines. This year's focus on training in each of the disciplines is so important. We use the experiences of members in specific disciplines and stories. It is situational training, as well as the policies and procedures manual. Multi-tasking, particularly for dispatchers is very important. For drivers, being able to communicate with the neighbors is essential, particularly if we have a concern for resident call," she said.

"Updating training for members and training methods for new recruits is the common goal among board members, Chief Sandy said. "That's my biggest goal. At the general meeting, held once a month, the board initiated mini training sessions in each discipline to communicate changes and approaches to improve our service to the community. I love the general meetings. I get to see and talk with people on all shifts," she said.

The future of Security Patrol is dependent on new recruits.

"I don't see a drastic change for Patrol, but a younger force with new ideas to facilitate what we do, and do it better is the future," said Jim.

That appears to be the consensus of this dynamic board, whose concern for Security Patrol will continue to guide the members to serve the community of Sun City Summerlin.

## You Are the Captain of Your Own Health Care

**T**hose of us who are 55 and over know the feeling of getting older. Whether because of a known medical condition or standard age-related changes, things just don't quite work like they used to. Some things slow down, some parts hurt more, and tasks may seem more difficult. The Center for Disease Control (CDC) estimates that more than 25 million people experience daily pain. Although many seniors experience regular pain associated with arthritis, joint disorders and other chronic conditions, pain with aging is not a foregone conclusion. It is NOT a natural part of aging!

Traditionally, chronic pain has been managed with pharmaceutical treatment. Cost, negative side effects and mixed results are causing many to explore non-pharmaceutical options to treat pain such as acupuncture, cognitive behavior therapy, CBD, meditation and exercise to name a few.

If you have a healthcare provider you trust and are comfortable with, consider yourself lucky. However, you must continue to be the captain of your own health care, examining all options available to you to promote good health and improve the quality of your life. It is too easy to simply blame doctors and the medical community for our pain. We must look

at the only thing we truly have control over, and that is what we individually think and do. Do we have lifestyle habits that could be causing or contributing to our illness and pain? Do we blindly accept all prescriptions? Do we thoroughly research our conditions and medications that are prescribed? Are there possible natural alternatives available?

Conventional medicine (also referred to as Western or traditional) is medical treatment based on the use of drugs and surgery to treat symptoms of illness, and it is primarily reactive and treats the body part or disease symptom. Non-conventional medicine covers a wide variety of treatments and therapies who emphasize education, disease prevention and holistic (mind-body) treatment. Integrative medicine

is the bringing together of conventional and non-conventional medicine. An example of this is chemotherapy for cancer combined with acupuncture for associated pain management. Many non-conventional or alternative treatments (i.e. Ayurveda, acupuncture, herbal therapy) can be traced back thousands of years, but you must do your research as many of these treatments are still unregulated.

This month we have several seminars aimed at helping you better understand some of the alternative treatments available to you. In addition, we will be offering our meditation class weekly during the month of August.

## Palm Valley Irrigation Project Update

**T**he irrigation replacement project along the Back Nine at the Palm Valley Golf Course is going well. The contractor is on schedule and work is progressing nicely. Installing the mainline pipe has been the focus thus far. The mainline road crossings have all been completed and the sidewalks should be repaired soon. We are hoping to be installing lateral lines and sprinkler heads within the next couple of weeks. During this process we are working on improving the grass on the fairways. We will be using areas in the rough to move sod into the fairways. The grass in the roughs will grow back within a couple of weeks and completely fill back in. Thank you for your patience as we work through this project.

## Who You Gonna Call for Help?

The Neighborhood Preparedness Team prepared a list of important telephone numbers residents should keep on hand.

**911** – Only call 911 in an emergency situation. Such calls should be restricted for events that require immediate assistance from police, the fire department or ambulance.

**311** – Call 311 for police non-emergency response such as disturbance calls involving loud parties, a break-in or vandalism discovered upon returning home and all suspects have left the scene.

**702-254-2303** – Sun City Security Patrol. Call if you observe any of the following:

- ◆ Suspicious vehicles, persons or activities
- ◆ Flashing porch lights
- ◆ Open garage doors at nighttime
- ◆ Lost or found residents, friends, relatives or pets
- ◆ Vehicles parked on a sidewalk
- ◆ Issues leading to concern for a resident – newspapers piling up in a driveway, someone who has not been heard from in a while, or is not answering the phone.

If in doubt, call Security Patrol and the dispatcher should be able to direct you to the appropriate person or agency.

## Suncitylink.com Gets an Update

**New Club Calendar Debuts; Contact Link Office to Get Your Information Posted Today** – Suncitylink.com rolled out a fresh new look in July, building on resident's suggestions. The website added video headers to help boost visual interest and simplified its navigation list to make finding information easier. Alongside the same great features like Top Picks of the Week and Community coverage, readers will notice a larger, super-easy-to-use calendar that allows clubs to input their meeting information and photos. Clubs will now be able to share their information via social media, as well. If you are in a club, you need to check out the new calendar on the Clubs tab. We think you will like it and hope that you contact us to start getting your information posted. To get started, email [StacieC@suncitylv.com](mailto:StacieC@suncitylv.com) at the Link office. Club presidents should appoint one representative to reach out to Stacie and receive an access link to the calendar. Stacie will lead designated members through the process and answer any questions.

In addition to the new club calendar, the website added a few new columns that offer tips on nearby businesses, suggestions on how to keep visiting grandkids busy and an educational column on a vintage art form. Stay tuned for an upcoming column on animal news and pet fostering opportunities.

We hope you enjoy the Link website's new look. As always, if you have an idea to share, don't hesitate to contact us at [link@suncitylv.com](mailto:link@suncitylv.com). Happy scrolling!

# Residents' Forum

MONTHLY MEETING

## WHERE NEIGHBORS BECOME FRIENDS; WHAT WE'RE ALL ABOUT

Residents' Forum, sort of a boring name, isn't it?

Picture old fuddy-duddy Roman senators sitting around a table in their dusty old togas! Not us! The name once described our purpose when Residents' Forum was founded. Back in the olden days, before chat rooms, emails, eblasts and other electronic information, RF's goal was to keep Sun City residents informed. And it did. The monthly programs were informative rather than social.

Over the years, our goals have changed. The name "Residents' Forum" may be somewhat misleading, so we have adopted a motto that reflects our new goals more adequately – "Where Neighbors Become Friends."

All Sun City residents are members of Residents' Forum. There are never any dues or fees. We receive no financial support from Sun City's Administration; RF is totally self-funded. Our wonderful monthly programs are free to all residents.

We host several informational programs throughout the year, and in January we welcome "Meet the Candidates" for Sun City Summerlin's candidates for Board of Directors. Residents have the opportunity to listen to the candidates, and they can even submit written questions. The event also provides a chance for residents to meet one-on-one with each candidate. This program is a great opportunity to

help residents make an informed decision before they vote.

Club Fair in February provides residents the chance to explore Sun City's many clubs. It could be your chance to find a new hobby or rejuvenate an old one!

Upcoming programs include September's Team Trivia Night, October's Chili Challenge and November's annual Salute to Veterans. This is a special evening as we honor the men and women who have served our wonderful country. RF elections will be held prior to the program. If you are interested in running for a position on the RF Board, contact Julie Zerbelt at [juliezerbelt@yahoo.com](mailto:juliezerbelt@yahoo.com). Plan on attending the annual Holiday Party in December. It will be another fun-filled evening.

Residents' Forum committee members are all volunteers and work hard to host all events. We are all Sun City residents and welcome others who would enjoy working with us. We have fun planning and hosting our monthly events and always appreciate new ideas, such as the Cookie Bake-Off held in June.

Residents' Forum meets the second Wednesday of the month at 7 p.m. at Desert Vista; the committee gets together to plan events on the first Wednesday of the month, 1 p.m., at Pinnacle.

We hope to see you at our upcoming events.

### Save the Date: National Night Out

Mark your calendar and get set to stand up for community safety when Sun City Summerlin joins the nation in celebrating National Night Out on Tuesday, October 1, 4-6 p.m., at Desert Vista. Planning for the event is currently under way. If you are interested in volunteering for the event, contact the Office of Community Services at 702-363-3581.

**State Law FAQs Subject of August 20 Meeting**

The Office of the Ombudsman resumes its monthly workshops this month on Tuesday, August 20, 2-4 p.m., Desert Vista, with the topic of Advisory Opinions & Frequently Asked Questions. State law can be confusing, come discover opinions published by the Nevada Real Estate Division to help clarify certain provisions.

**Sub-HOA Officers to Meet August 7**

The Sub-association officer's meeting will be on Wednesday, August 7, 10 a.m., at Desert Vista. The group is chaired by Julie Zerbel, President of the Argents Hill Drive sub-association. Join the presidents and officers of the 39 sub-associations that operate in Sun City Summerlin as discussions are designed to help the governing process. This month's meeting topic will be on painting.

For more information, or to start receiving email reminders of upcoming meetings, contact Julie at [juliezerbel@yahoo.com](mailto:juliezerbel@yahoo.com) or 512-775-1309.

# THANK YOU FOR YOUR SERVICE

## VINCE LOMBARDO: GUARDIAN OF THE OUTPOST OF DEMOCRACY

Left, Vince Lombardo at Fort Leonard Wood, Mo., 1956. Top center, Vince today. Right, Vince's travel pass in Russian.

**S**pandau prison was already 70 years old with a sordid past when the Allies commandeered it to house Nazi prisoners sentenced at Nuremberg for war crimes. Originally built as a military prison in 1933, Spandau was designated as a holding area for opponents of the Hitler regime until the completion of the first Nazi concentration camps. From 1946 to 1987, Spandau was operated by the Four-Power Authorities, England, France, the Soviet Union and the United States on a rotating basis. In addition to the prison administrative personnel and military police, the walls and watchtowers were manned by infantry troops from each of four powers — again on a rotating basis, which explains how a boy from Chicago found himself manning a machine gun in a Spandau tower.

Vince Lombardo grew up in the Chicago area, graduated from high school in June 1956 and, along with a friend, volunteered for the draft. In August, he was drafted into the Army and proceeded to Fort Leonard Wood in Missouri for basic training after which he was sent to Fort Dix in New Jersey for advanced infantry training.

"On New Year's Eve 1956, I boarded a plane at McGuire Air Force Base heading to Germany as part of the 6th Infantry Regiment. Plane troubles forced us to land in Newfoundland (where we spent three days) before flying to Scotland and finally to Frankfurt, Germany, where we boarded a train for Berlin. At this point, Berlin was still in Russian-controlled East Germany," Vince said.

As part of their duties in Berlin, Vince and his fellow soldiers stood guard at Spandau one month on, three months off. Originally, seven Germans were confined at Spandau. By the time Vince arrived in January 1957, only four remained — Walter Funk, who was released in May 1957; Albert Speer and Baldur von Schirach, who were released in 1966; and Rudolf Hess, who died in prison in 1987.

"So, most of the time there were 60 of us manning the watch towers and walls to ensure that these guys didn't escape. It was pretty boring to tell the truth. We never had contact with the

prisoners although we could see them when they were allowed out to work in the prison garden. Speer particularly liked to work there.

"But, as I said, it was pretty boring. Nobody tried to escape and nobody tried to break in to rescue them. I guess the most exciting times were when we turned over the guard duties to the Russians. My first impression was that they are kids just like us and the second was they were sharp. Of course, we were, too. I mean our boots were polished, we wore the blue infantry scarfs, our khakis were pressed (mostly by the German nationals we hired) and our helmets were polished. It was almost a contest. But other than that, there was no interaction with the Russians. They didn't make any secret of the fact that they didn't want us there."

The 6th Infantry also stood guard at the Joint Command Center, along with troops from the English and French detachments. The Soviets were there until they pulled out of the agreement.

"When we weren't standing guard, we were training — a lot of training. These were mostly live-fire exercises held out in the

countryside of West Germany. The thing that I remember most about them is the local kids who would come through the training area to pick up the brass to be sold for scrap. Since I was part of a machine gun crew, and we went through lots of bullets, we were pretty popular with them," Vince recalled.

"One of the best things about being stationed in Berlin was the proximity to France and Italy. On leave I was able to go to Paris, Rome and Venice. I also got to visit some relatives living in Metz, France. The only bad part of traveling was the Russians. We had to travel through East Germany and they harassed us as often as possible, demanding to see papers, etc. My travel orders had to be in English and Russian!

"In Berlin, we weren't allowed to leave the western sector. The only time I saw East Berlin was on a tour the Army gave us upon arriving in Berlin. It was pretty depressing. By that time, West Germany, including Berlin, was pretty much rebuilt but not East Berlin."

After completing his two-year tour, Vince returned to Chicago and got a job in sales, a career he stayed in until he retired in 1992 as the Regional Marketing Manager for the National Enquirer. Along the way he met and married Judith in 1967. The couple moved to Sun City in 1992.

## Fred Comes 'It's Time to Give Back'

By Stu Gershon/Link  
and Paula Winslow

*Fred Comes has amassed over 1,100 volunteer hours with the Ronald McDonald House charities this year, for which he was presented an award. In addition, Fred volunteers with Security Patrol and the Red Rock Canyon Visitor Center, where he is a desert tortoise wrangler.*

*Photo courtesy Friends of Red Rock Canyon*

**A**s we've written many times in the Link, our community runs on volunteerism. Many people work hard for this community and that's what makes it work. One of our residents, Fred Comes, was recently selected as Volunteer of the Year for his work at the Ronald McDonald House Charities. For the past five years, since his retirement, Fred has driven the parents and relatives of sick children at University Medical Center, Sunrise Hospital and Summerlin Hospital to be with their children on Tuesday and Thursday mornings. I can directly appreciate this effort because when I had my heart attack 26 years ago, in Anchorage, Alaska, the hospital I was in had a similar program that housed and took care of my wife. As anyone who has needed the help of such a service knows, one of the most difficult things in the world is to have to make accommodation plans when dealing with tough family medical issues.

Every Thursday, Fred drives to RMCDH (Ronald McDonald House), loads a refrigerated van with lunches made by other volunteers and delivers them to several hospital locations for the families of patients. He also assembles and delivers bags of little projects, complete with a toy, for children waiting at the hospitals. On occasion, Fred also has done handyman work at the House.

The Ronald McDonald House program provides a home away from home for families so they can stay close to their hospitalized child at little or no cost.

According to Christine Fernandez, RMCDH's Volunteer Manager, Fred's volunteer hours totaled 1,134.75 since 2012.

Those hours, she added, equate to roughly \$24,000!

For information on volunteer opportunities at Ronald McDonald House, visit [www.rmhlv.org](http://www.rmhlv.org), or call 702-252-4663.

In addition to his work at RMCDH, Fred volunteers one day a week at the Red Rock Canyon Visitor Center, where he is a tortoise wrangler. He answers questions from visitors about the tortoises, while he waters and cleans up the enclosures.

"I took the assignment because I can keep up with the tortoises," he laughed.

The desert tortoise is the official state reptile of Nevada. The Red Rock Canyon Visitor Center is home to seven females in the largest enclosure, and two males that each have their own pen. To see the most tortoise activity, visit the Red Rock Visitor Center on Wednesday or Saturday at 9 a.m. during feeding time. For volunteer opportunities, call 702-515-5350.

As if all of that wasn't enough, Fred also works as a driver on our Security Patrol one afternoon each week, which, he says, gives him a real "sense of community." After moving here two years ago, Fred realized that the Security Patrol team was a great way to "get and be connected."

To volunteer with Security Patrol, call 702-254-2303, or visit the Patrol's Office at the rear of the Desert Vista parking lot.

As you can see, Fred wears many hats, and after compiling all this information, I asked him, "Why do you do it?"

His answer, "It's time to give back!"  
It's just that simple.

# Pat Conway Quilt Lady

By Tammy  
Collins/Link

Quilting Club member Pat Conway took home a first place (blue ribbon), a second place and an honorable mention for her original designs during the recent Desert Quilters of Nevada show.

Pat Conway, a member of the Sun City Summerlin Quilt Club, said she always knew she wanted to quilt. This desire began when she browsed antique shops in her native Massachusetts and viewed all the quilts on display. But she delayed her desire until her full-time job became part time. In 2004, she took a very basic quilt class at JoAnn Fabrics.

Fast forward to April 2019 when Pat recently won three awards for her quilting talents at the Desert Quilters of Nevada Show in Henderson. She took home, a first (blue ribbon), a second and an honorable mention, for her all-original designs in the art quilt category.

According to Pat, she always has 15 to 20 projects in mind ready to be completed. By that she means she has the design ideas and the materials for the quilt pieces. Bright colors and Southwestern palettes on batik fabric are top choices for her art work. For those who know quilting, Pat is a machine quilter employing the free motion technique.

Before joining the Sun City Quilt Club, where the avid

quilter also teaches classes and co-leads the Club's art/landscape group, Pat was a member of the Desert Quilters of Nevada. She still belongs to the quilt guild. A sub-group of the guild is Silver Threads, and it is with this group that Pat enjoys making quilts for the Linus Project – quilts for children in need. Also, with this group, she said she enjoys the quilting bee sessions, as members bring all their quilting equipment and materials to a central location and just enjoy sharing the quilting experience with each other.

A fellow Sun City Quilt Club member and a student of Pat's art/landscape group, Sue Zager, said of her instructor, "Pat is a talented fiber artist. She is generous with her time, teaching, and offering encouragement and advice. We are fortunate to have her in the Quilt Club."

Pat is truly an inspiration. She exemplifies the retiree who begins a new learning experience, masters and excels, and then shares her knowledge with others. This seems to echo the experience of many Sun City Summerlin residents who learn, master and then share.

## Volunteers Step Up When Fire Monitoring System Fails

**O**n Friday, May 31, a serious electrical malfunction caused the Desert Vista Community Center automatic fire monitoring system to shut down.

This important location houses Sun City Summerlin's main ballroom, a fitness center, club space and Administration offices, along with an indoor swimming pool and the Board of Directors' meeting room.

The local Fire Marshall ordered the buildings, set among 48,000 square feet, to be manned 24/7 until repairs could be made. He ordered monitoring records be kept of key locations in order to confirm that those locations remained secure while the alarm system was being repaired.

Without round-the-clock monitoring, the buildings would have had to be closed until repairs could be made.

Upon learning of the breach, SCSCAI Executive Director Mitzi Mills immediately contacted Sun City Security Patrol Chief Sandy Lyons and requested that a plan to monitor the facility be set in motion to assure that the Fire Marshall's orders were carried out.

Chief Lyons quickly sent out an e-blast to all 215-plus Security Patrol volunteers, requesting assistance in monitoring the buildings. She reassigned some volunteers from their regular duties to cover the Fire Marshall's dictate, and assigned others to cover the 24/7 requirements while repairs were being made.

Patrol volunteers walked the entire facility every 30 minutes, 24 hours a day, seven days a week. They recorded appropriate time, location and condition information in special logs provided by the Fire Marshall at eight designated locations throughout the buildings.

Security Patrol volunteers remained on duty for 20 straight days until Wednesday, June 19. In all, volunteers turned in more than 480 hours, walking an estimated 110 miles to help protect all of the Desert Vista facilities.

This unexpected turn of events, and the need for a quick response points to the value of the Security Patrol team and the ultimate goal of Sun City Summerlin's Neighborhood Preparedness

*Security Patrol volunteers Richard Becker and Terry Carey review a schedule made up by Terry to ensure that every fire alarm check was covered while the system was down.*

Team. With more than 80 Neighborhood Watch groups, NPT volunteers are ready to assist in a community emergency. These three co-operative organizations, some with common member/volunteers, are in place to promote safe, secure surroundings for all residents of Sun City Summerlin.

We salute Security Patrol Chief Lyons and our Security Patrol organization for stepping up to help manage a difficult situation. We send special "Thanks" to those volunteers who devoted many extra hours of service.

When you see a Patrol volunteer, give a special wave to the folks who work tirelessly to help keep us all secure around the clock.

The Carpenters Tribute Concert stars Sally Olson as Karen Carpenter and pianist Ned Mills as Richard Carpenter, along with their live band. Sally is unsurpassed in her startling representation of Karen Carpenter and captures the essence of the late singer right down to her hairstyles, costumes, makeup, gestures and voice. Sally's stunning vocals combined with historical commentary, musical arrangements and a live band takes audiences on a journey into the world of the Carpenters, and offers a glimpse of the woman behind the music. It is THE definitive show celebrating the legacy of the famed brother-sister duo, featuring hits including, "We've Only Just Begun," "Close to You," "Superstar," plus Karen's drum feature.

American Eagles USA, an Eagles tribute band, is made up of some of the best musicians anywhere, including players who have performed with legendary artists like John Paul Jones of Led Zeppelin, The Righteous Brothers, The Who and Cheap Trick. "The Eagles Their Greatest" album has made its mark as the No. 1 best-selling record in music history. "Lyn' Eyes," "Desperado," "Best of My Love" and "Take It Easy" provide the framework for the landmark album. As the centerpiece, the band plays the entire album track to track. As an added bonus they also perform the best-loved Eagles songs that came afterward, including "New Kid in Town," "I Can't Tell You Why," "Life in the Fast Lane" and their definitive masterpiece, "Hotel California." ACTORS GEAR UP FOR

# GREASE

By Bob Cohen/Link

Director Audra Duvall

Some of you will remember back to the "Our Gang" movies of the 1930s when Alfalfa and friends would think of ways to earn money — one of which was to put on a show. It's easy, right! Well, it was Hollywood easy, not real life easy.

When the Community Theatre Club got together to plan its next big thing, one thing was certain, they wanted to do a Broadway musical. Less certain was which of the hundreds of available candidates should they do.

Enter director Audra Duvall.

"When the committee approached me to direct their play, they left it to me to suggest a title. After some thought, I suggested 'Grease' — a suggestion that was enthusiastically welcomed. I had previously directed a rendition of 'Grease' at Forest Grove High School in Oregon and it was a smashing success."

"Grease" was originally performed in 1971 and by the time it closed on Broadway it held the record for the most Broadway performances at 3,388. Since then, "Grease" (which was named after the working class sub-culture of the time known as "greasers") has become a staple of community theater and high school drama groups across the country. During that time, the script has undergone a metamorphosis. The original play, in keeping with the greaser sub-culture, was a vulgar, raunchy epic focused on teen pregnancy and gang violence.

Adaptation as a Hollywood movie required significant modification into a relatively wholesome teen love story. The ver-

sion being produced by the Sun City Community Theater is akin to the movie version.

Educator by day, director by night, Duvall has been involved with local theater groups since her teen years. She acted in school plays while in middle and high school, and received an award as the Best Student Director at her high school before going on to major in Theater at college.

"As a theater major we acted, directed and produced plays. It was just part of the course. Later, I directed plays at the local community college, again receiving an award, and was an Education Professor at the University of Phoenix for 10 years."

## So It Begins

On May 25, members of the Community Theatre Club and the Sun City Dance Company met for their first rehearsal. Before the curtain goes up on the first of three performances, set for Friday, September 13, to Sunday, September 15, at the Starbright Theatre, this group of 18 actors and numerous backstage personnel will have met 40 times and collectively put it well over 2,100 performer/hours. All so that, to the audience, it looks easy.

Tickets for "Grease" are available at the Starbright Theatre box office, and at the Social Monitor stations at Desert Vista and Mountain Shadows.

Happy hours, check; in-home parties, check; lunch, brunch, ethnic dining, sushi, check; bowling, hand and foot, Mexican train, check. You remain with the same partner all evening. Winners advance to another table. Dues are \$10 a year and \$1 each time you play. Snacks and coffee are served. Partners who have placed recently are: Bruce & Sherry Gunderson; Barbara Watts & Mary Jo Spigelmeyer; Pat White & Mary Bird; Rod & Doris Hamburg; Earl Pratt & Jan Goldwasser; Chuck & Julie VanCise; Russ & Donna Roskens; Jane Atencio & Saralee Treese; Marilyn Pekrul, & Doris Lemelin; Eric Young & Nadine Robetor; Bob & Peggy Cushman.

### Cribbage

If you know the score 15-2, 15-4, run of 3 for 7, find fellow cribbage players at Mountain Shadows Wednesdays starting at 6 p.m. sharp. Please plan to arrive at least 10 minutes early to sign in. Our members are extremely friendly and we love to welcome new players. We play partners format and everyone strives to reach 400 points in a round. In June, Debbie Weed had back-to-back 400s! She scored 410 on the 12th, and 413 on the 19th. Join the Club before August 7 when we have our annual summer feast. Call President Randy Wick, 949-307-0013, or Vice President Rhoda Merrey, 622-3735. Hope to see you at the tables!

### Dance Company Las Vegas

Meet our tappers! We have dancers who are in their early 50s, others who are in their 90s and everywhere in between. Some have been dancing for more than 20 years; others for just a few months. We have men and women in our com-

pany. They hail from all over the country – and world! We are a happy, busy group, and we would warmly welcome anyone who would like to give this wonderful dance form a try. Come to our Open House on September 26, 6-7 p.m., at the Pinnacle Fitness Room to see if this is the right club for you! Contact Jane Ross at [sewdancer5678@gmail.com](mailto:sewdancer5678@gmail.com) or at 255-4100.

### Dance Connection

Dance Connection is adding another great class for the summer! Our newest class is called Showstoppers and will meet on Thursdays at 11 a.m. at the Pinnacle. This class is a basic musical theater jazz dance class, where you'll be dancing to a sound track of current Broadway Shows. If you can't make our daytime classes we are offering an evening class called BeMoved that takes place every Wednesday at 5:45 p.m. at the Pinnacle. Give it a try! It will change how you feel about yourself and give you a much more enjoyable evening. BeMoved is also on Tuesdays and Thursdays at the Pinnacle, beginning at 1:45 p.m. Our other Dance Connection Classes are: Get Movin', Just Dance, Get Up & Dance, Sittin' & DanSin', Absolute Beginner Line Dance, Beginning Hula, Round Dance, Dance Fit, Ballroom (dark for the summer), Absolute Beginner Flamenco & Intermediate Flamenco, Line Dance 1&2, Advanced Hula, I-Moves, Island Movement, Beginner Round Dance (dark for the summer). The

Dance Connection serves all abilities at all levels whether you're an excellent dancer, confined to a wheelchair or use a walker. We have a class designed for you. Dance Connection welcomes new members to any of our classes at any time. Your first two classes are free. Please feel free to check out our website, <https://scsclubs.wixsite.com/dance-connection>, or pick up a schedule at any fitness center or class. Call Kris, 443-8759.

### Euchre

Euchre is a card game usually played with four players per table (two partnerships). It is a trick-taking game with a trump suit and played with only 24 cards; cards below 9 are removed from the deck. We rotate tables and partners, so Euchre is a very social game for all levels. No partners are necessary. Lessons are available. Join us on Wednesdays, 6 p.m., Mountain Shadows. Call John, 330-603-7863.

### Fitness

We offer a variety of classes, such as Cardio & More, Strength & Toning, Total Body Conditioning, Yoga, Pilates, Sculpt, Beginner's Yoga, Yin Yoga and Stability Ball Balance/Strength Training. The class schedule, registration details and updates are posted on the Club's bulletin board at the fitness centers. Extra copies can be obtained from the monitors. Annual dues are \$10 and are pro-rated at mid-year. Sun City residents who are not Club members may attend two classes to measure appropriateness before joining. Fitness Club members not registered for the term of a class may attend single classes, space permitting, for a \$3 fee (non-members, \$5). Call Daisy Greve, 808-368-6881, or email [scsfit@fastmail.us](mailto:scsfit@fastmail.us).

### French

"Parlez-vous francais?" Do you want to learn a little French? Update your rusty French? Learn more about France and French-speaking countries? Then come to the French Club, which meets on Fridays, 2-4 p.m., for three separate groups in separate rooms at Sun Shadows. There are beginners, intermediate and advanced speakers. Dues are \$1 per year. Beginner and intermediate groups learn the basics of the language through reading, conversation and instruction. Course materials are included. For information on a new beginner's conversation class, call Jenny Bruce, 503-807-6486. The advanced group spends the first hour on conversation. At this level, grammar is only taught to correct members' errors. In the second hour, the group will read in French from a handout. The topic could pertain to fashion, culture, gastronomy, etc. Call Arlene Krane, 255-6667, or Joseph Skibinsky, 233-3548. *Bienvenue!* (Welcome!)

treasurer, handicap chairman, tournament chairman and co-chairman, plus special events and co-chairman. All positions are open for election and re-election for 2020. We will soon be kicking off our annual drive for nominations for our nine-member board of officers, culminating in the election on December 12 at the general membership meeting at Desert Vista. We have other volunteer (non-voting). Some of us have served for multiple years, and we feel privileged to have done so. We all would run again if need be, but it is our hope that you would consider running for office. This is a 55+ retirement community and the experience level runs deep. August will bring two major events – Beat the Pros on Thursday, August 8, and Member-Member on Thursday, August 29 and September 5. We moved these events to Thursday because we decided to give back a regular day to the Club for open play. Check our website, 18holers.org, for the August Golf Oversight Committee meeting date, time and place. This one is important as we will be briefed on the results of the last two years of marketing efforts to increase golf course outside revenue. Call President Colbert, 859-979-4376.

### Golf (Men's) Niners

It is the middle of summer, so we start at 7 a.m. for all our Thursday tournaments in August. A lot of scrambles to keep things moving on the golf course. With only 9 holes open on Palm Valley, we need to move along to get 70 members through in time. This helps our golf courses put more golfers out and more income for our courses. We will schedule some special tournaments in the fall when it is cooler. Make sure you sign up in time for all tournaments. If you have to cancel, let our tournament director know several days in advance. Want join a great group of golfer? Our pro shops have applications or you may go on line, [www.scsniners.com](http://www.scsniners.com). Call Pete Bentivega, 941-223-6550

### Golf (Women's)

This is a great job to have when you have good news to share! Last month was our team victory and this month we have a certified gold medal winner in our own Rita Barcus! Rita won the gold medal in the over-70, 50-meter freestyle event at the National Senior Games in Albuquerque, N.M. Rita also placed in three other events. I realize this is not golf news, but SCS golfing

ladies are always proud and ready to brag when one of our own makes it big. We are a close-knit gaggle of gals. Consider joining us and becoming a part of this golfing community. We will match you with a buddy who will show you the ropes, introduce you to our members, and to our great golf staff. In the summer, our shotgun is Tuesdays at 7 a.m. We have a general membership meeting with lunch monthly. Check our website, [www.scswwomensgolf.com](http://www.scswwomensgolf.com), for membership forms and information. Email Vice President Billie Dauk, [b.dauk1951@gmail.com](mailto:b.dauk1951@gmail.com). All skill levels are welcome. "Go for the Green" with us!

## Gun

All regular meetings are held on the second Friday of the month, 1 p.m., Desert Vista. Whether you're new to firearms, are considering purchasing your first weapon, or are an old hand at shooting, the Sun City Gun Club is looking for you. Our membership includes retired firearms instructors, armorers and range safety officers from the law enforcement and military communities. We maintain lists of beginner's classes, places to shoot, local gun-smithing and concealed carry weapon (CCW) permit instructors. During our regular meetings, we host an invited speaker. In May, a pizza social is held; in December we hold a catered holiday party in lieu of a meeting. Our meeting is suspended in August, restarting in September. Club officers for the upcoming year are elected at November's meeting. Contact Scott Decker at [scgunclub2019@hotmail.com](mailto:scgunclub2019@hotmail.com), or visit us at [www.scsgunclub.com](http://www.scsgunclub.com).

## Hiking

There are no meetings scheduled in August. Meetings will resume in September. There will be informal hikes only. Hikes take place on Mondays (easy/moderate) and Wednesdays (moderate/challenging). Club members will receive email notifications of any hike details, including departure times. (Departure times will depend on

temperature and weather conditions.) Non-members should call Ann Cronin, 737-5758, for time and details. Hiking carpools will leave from the northeast corner of the Pinnacle parking lot. Visitors are welcome. Call Ann for information, including fitness-level recommendations.

## Investment

The Investment Club is on vacation during August. We will be enjoying the summer and probably reviewing our financial portfolio during that time. Our next meeting with a great speaker is September 25, 7 p.m., Desert Vista. We also will have our 2020 officer nominations at the September 25, October 23 and

ard E-Z Play #200 "Best Songs Ever" book, as well as other songs. The instructor, Sandy, teaches every other Tuesday. Club meetings are on the second Tuesday of the month.

## Pan

Pan has everything the card player looks for – it's fast action with a combination of skill and luck. It is played with eight decks of cards with the 8s, 9s and 10s removed. It's played at poker tables with six to eight players. There are various stories, some risqué, about the origin of this game. Our Club plays Tuesdays at Mountain Shadows, 10:30 a.m. to 3:30 p.m. with varied start and end times. Bring your lunch as we break about half-way through for refreshments. You can also find Pan played most every day and night at open cards at Mountains Shadows and at many Sun City homes. We will be forming new tables, as well as a beginner's table. Learning is free! Our election of officers will be at Mountain Shadows, November 12, at noon. Dues are \$12 per year. Club officers are Linda Harrington, President; Pat Jenkins, Vice President; Anita Cohen, Treasurer; and Judy Williams, Secretary. Call Linda Harrington, 778-1436, or Judy, 992-0786, or email [judy.sisters@gmail.com](mailto:judy.sisters@gmail.com)

## Photography

Photography Club is for photographers of all levels. The Club meets the second Thursday of the month at 7 p.m., Desert Vista. We welcome visitors to attend their first two meetings for free. Annual dues are \$10. Our calendar and monthly theme are on our website, <http://www.photography-scslv.club>. Contact Secretary J. Filangeri, 473-1153, or [snapsclsv@gmail.com](mailto:snapsclsv@gmail.com).

## Pickleball

Are you looking for a way to have fun during August? Come see what Pickleball is all about. The Sun City Pickleball Club has 10 courts at Desert Vista by

the Security Patrol Office. We meet on Tuesdays, Thursdays, Saturdays and Sundays. Start time is 7 a.m. We offer doubles with many levels of players, or singles if you are more adventurous. From beginner to those who qualify for tournament play, you can find a game, as well as players who are willing and eager to teach you the game. We have all the equipment you need to try the game. Please wear tennis or court shoes and bring water. We are a fun-loving group and enjoy teaching new players. In October, we will host the Senior Pickleball Games, October 3-5. Call President Augie Constanzo, 375-4533, or visit our website [scspickleball.com](http://scspickleball.com).

## Pinochle

Are you new to pinochle, or do you need a couple of brush-up lessons? We have members who can book time to meet with you

prior to playing with this Club. The Pinochle Club meets for double- and single-deck pinochle every Tuesday at Mountain Shadows. Players check in for play no later than 4:45 p.m. Play begins at 5 p.m. This Club is so much fun. Challenges, laughter and meeting new folks top the evening – honest! Call Sandi, 925-642-6764.

### Quilting

The Quilt Club meets the second Monday of the month, 9:15 a.m., Desert Vista. Stop by the Pinnacle Quilt Room to purchase handmade items, or to buy raffle tickets for this year's beautiful quilt that features an eight-point star at the center of the

quilt with surrounding fanciful shapes. The intricate design is enhanced by floral and geometric quilted lines. It is made of 100 percent cotton fabrics in creams, greens, gold and warm rosy tones. The quilt measures 105 by 105 inches square. Tickets are \$1 each or 6 for \$5; purchase at the Quilt Room or call Joni, 951-533-5455. The winner will be announced at the October craft fair. We have an active Art Quilts group and are teaching classes using our new long arm. Call Sandy Lawlor, 877-9887, or visit [www.scsquiltclub.org](http://www.scsquiltclub.org).

### Racquetball

The Sun City Racquetball Club welcomes new members who want to give the sport a try or resume play. The Club offers reserved court times at Mountain Shadows Fitness Center for singles and doubles play at all skill levels. Lessons can be arranged for new members or those who would like some additional playing tips. Members will be alerted by email or the court-side Club bulletin board about special events. ## MEDICAID IS NOW A LOAN, NOT A BENEFIT.

This is an Advertisement.

**"I don't need my estate plan reviewed, it's done, it's already been taken care of."**

We hear that phrase A LOT. We offer free thirty-minute estate plan reviews, so the phrase "I already have my planning done, we are prepared" is a common occurrence. Most married couples who tell me they are prepared, are unfortunately wrong. They have been misinformed and this can end up costing them and their families hundreds of thousands of dollars.

**Remember Medicaid is now a loan, not a benefit.**

The majority of married couples have not planned for Medicaid. "A long time ago" Medicaid was still a benefit. That is not true now. Most estate plans do not take advantage of a rule that can save half of their community property from Enhanced Medicaid Recovery.

When the first spouse passes away, their will should have a Supplemental Needs Trust (SNT) for the surviving spouse. This protects their half of the community property from Enhanced Medicaid Recovery. The SNT is exempt from Medicaid, the assets placed in the trust do not qualify and will not be available to Medicaid when they try to recover assets. The SNT protects the assets from the five year look back period.

**For example:** John and Mary have been married for 45 years and have a net worth of \$1,000,000. John dies tragically hanging Christmas lights. Because their wills have the SNT Provision that creates a Supplemental Needs Trust for Mary, John's half of their community property is now protected from Enhanced Medicaid Recovery. If Mary is later diagnosed with Alzheimer's, Parkinson, Dementia or any condition that requires a skilled nursing or memory care facility, the SNT provisions the family funds for Mary's care for 5 years, then Medicaid will take over. The family funds have a pool of money in the amount of \$500K. This can be used to supplement her care and go to her heirs after she passes.

If John and Mary had not had the SNT Provision within their wills, their family would have been forced to pay for her care for about ten years until Mary only had \$2000 in assets left (impoverished). Only then would she be eligible to have Medicaid kick in.

## R.V.

R.V. wagons are rolling through the countryside as the RV Club holds campouts at locations throughout the Southwest. We've enjoyed kayaking in Morro Bay, Calif.; Shakespeare on stage in Cedar City,

Utah; and bluegrass music on the beach at Lake Havasu, Arizona. We've also strolled through historic San Diego, meandered Sedona, ridden a train that provided breathtaking views, and enjoyed a festive dinner while looking out on the rugged Colorado River's Black Canyon from Willow Beach. Plans are taking shape for upcoming trips through 2020 that will include a mix of old and new destinations. For example, join us as we travel to Flagstaff, Ariz.; St. George, Utah; Death Valley and Valley of Fire. If you have an RV, travel trailer, or want to rent one, join us! Make new friends, marvel at what this uniquely beautiful geographic area has to offer, and help us determine where we want to go! Please feel free to call President Tim Troxel, 719-331-9770. We meet at Desert Vista, 7 p.m., on the second Monday of the month.

## Sawdusters

Our next meeting is Wednesday, September 4, 9 a.m., Desert Vista. Members must wear name badges while in the Pinnacle Wood Shop. If you don't have one, notify an officer or leave your name in the lock box. Clean up after using any equipment in shop. We accept donations of wood and tools. New members are welcome. Call Bev, 838-2621, or Wood Shop, 240-1325.

## Security Patrol

Members serve as drivers, dispatchers and Information Center volunteers. Contact the Patrol at 254-2303, or visit us at base (located at the rear of Desert Vista's parking lot). We're here 24 hours a day, 365 days a year. Membership meetings are held on the fourth Tuesday of the month, 7 p.m., Desert Vista, Room 5 (except December). Our annual elections for the 2020 Board will be November 26. If you are interested in joining the Patrol, we are happy to take you for a ride-along.

The Club's qualified instructors can teach non-swimmers how to swim, swimmers to swim better and even help you train to swim in the Nevada Senior Games and other competitions. Over 35 people have learned how to swim through individual attention from our coaches, while our competitive swimmers took more medals at the 2017 Nevada Senior Games than any other group. There's also plenty of time for helping each other and for socializing. We have monthly luncheons, a spring picnic and a holiday party in December. The Club has exclusive use of the Desert Vista pool Monday, Wednesday and Friday, 9-10 a.m. Membership is \$10 per year. # CLUB SPOTLIGHT MODEL BUILDERS CLUB

## TICKETS ON SALE FOR DOLLHOUSE RAFFLE

"Everyone loves our beautiful dollhouse," said Model Builders Club Secretary Jim Twohig. "The dollhouse gets lots of attention at every open house we hold, almost as much as our HO train."

As anyone who has seen it knows the dollhouse is large (almost 41 inches tall), and beautifully furnished. It features seven rooms with special features and custom furnishings created by Club members. "Unfortunately, the dollhouse takes up a full table, and we need the work space for new members," said President Bruce Adams.

That is why the Club decided to create an exclusive raffle for the dollhouse, with the drawing to be held during Sun City's annual craft fair on October 5.

"Because so many people have asked about it, we thought a raffle would be the fairest way to re-home the dollhouse, as well as help to raise additional funding for the Club," said Vice President Stephen Linder.

The dollhouse was created about 15 years ago, when an unfinished kit was dropped off at the Club.

"There were no directions, just a large bag of parts. Several of us started to work on it," said member Glenn Williams.

The work was a labor of love by Vickie Ashenfelter, Stan Roach, Glen and his wife, Laura.

The three-story dollhouse is painted, wallpapered and electrified. The structure sits on a rotating base for ease of access and display. It includes landscaping, windows, curtains, opening doors, furniture and rugs. There is even a basement storage area.

Only 300 tickets will be sold for the raffle. Tickets are available at the Model Builders studio at Desert Vista and cost \$10 each; half the proceeds will go to the Club, with the other half benefitting Opportunity Village.

*The Model Builders Club seeks to re-home its custom dollhouse by raffle. Tickets are available at the Club studio for \$10 each. The winner will be announced at the October 5 craft fair.*

FROM THE EXECUTIVE DIRECTOR

**Mitzi Mills**  
SCSCAI Executive  
Director

## **What Does It Take to Be a Board Member?**

In the next couple of months you will receive notice in this magazine from the Sun City Summerlin Election Committee notifying you that if you are an owner of home in Sun City Summerlin and in good standing you are eligible to run for the Board of Directors.

While there are only two qualifications to be a Board member (1) an owner of the home and (2) a member in good standing, as a Professional Community Association Manager (PCAM) I like to share with homeowners what they need to know not to just be a Board member, but to be good Board member and I also like to share what, if elected, they might expect as far as time commitment and meetings.

## **How many hats can you wear? A Board member at SCSCAI wears more than one hat!**

**Owner:** As a Board member you are still a homeowner and have all the same obligations, responsibilities and opportunities of every homeowner. Board members pay the same assessment and fees that homeowners pay and do not receive any compensation or perks. As an individual owner you cannot speak for the Board. While you can share information that is available in open session minutes, publications or on the Web, you cannot commit the Association, Board or staff to provide services, purchases or maintenance of any kind. You can bring items forward through the committee process and the Board meetings, but until voted on and approved by the Board it is an idea and not a commitment.

**Director:** As a member of the Board of Directors you are one of nine directors. All decision making is done at a duly called meeting with a properly stated motion that receives a second and is voted on. Majority prevails. There will be times you are happy about the outcome of a motion and there will be times you are not. In the end, as a Board member you should support the decision and not speak out negatively about other Board members who may not have voted the way you would have liked them to.

The Board as a whole, as well as each individual Board member, is assigned mandatory duties by the SCSCAI governing documents as well as the state of Nevada.

As a Director you are charged with protecting, maintaining and enhancing all of the common elements. This is important to note because it does not say just those you personally think are important or those with the largest use or those that you participate in. As a Director on the Board you have to be able to separate your personal interests and the interests of your friends or club members and look at the needs of the entire

Association. It is interesting to note the duties do not just say protect and maintain, it says enhance. Enhancing a property is a duty well above just keeping it clean and fixing things when they break. It means evaluating and replacing things that are obsolete and adding new things to keep the property from aging in place. There is also an obligation as a Director to make sure the business affairs of the Association are being managed properly and to ensure the Association is in compliance with the governing documents. One thing all Directors are made aware of is they can delegate action and jobs but they cannot delegate responsibility, and both the governing documents and Nevada State Law hold the Board responsible for Association business and Association care and Association financial stability now and for the future, whether or not the task itself was delegated to a staff member or contractor.

As a Director you have a fiduciary responsibility to the Association and will exercise the business judgement rule. As surprising as it may be this may be your biggest challenge on the Board, not because you are not honest or not a good business person, but because almost every decision you make will impact someone you or your spouse or significant other personally know in the community, one of your neighbors, someone you are in a club with or someone who voted for you. Whether it is a decision on the operations of an amenity or on the budget, you cannot let your own personal needs or the needs of someone you know play into your decisions on what is right not only for the community as a whole, but the future of the community 30 years from now. This is especially difficult at budget time as each Board member has a fiduciary duty to evaluate the information presented and make the best financial decision for the Association not for themselves or their neighbors. Every five years this decision is escalated because of the requirement for a full reserve study. The reserves are a driving force in preserving, maintaining and enhancing the community and the adjustments every five years can lead to larger increases in dues than in the previous years.

**Officer:** Once the election is over and the incoming Board members have been seated, the entire Board will elect officers. If you are elected as an officer you will be obligated to the duties set forth in the SCSCAI governing documents as well as Nevada State Law. Again, there are some of those duties that you can delegate, but the responsibility remains with you. Officers can make certain decisions, but those decision making powers have to have been delegated to them by the governing documents or by a vote of the Board approved by a majority of Board members in a duly called Board meeting.

**Committee Chair:** Each Board member serves as a Committee Chair. The only member who sometimes does not Chair a

committee is the Board President, primarily because of the other duties they perform. As a Committee Chair you will meet monthly and have a Committee of roughly 8 to 10 people. Each committee has a designated duty and your job is to direct the agenda and help staff prepare for the meeting, make sure items that need to go to the Board are presented to your committee and your committee votes on a recommendation you will carry forward to the Board.

### **How Much Time Should I Expect to Spend on Board Duties:**

Since each Board member is different this list provides the things that all Board members do to prepare for and attend meetings. The monthly minimum hours spent on Association business for the average Board member equals 68 hours a month.

In preparation for their monthly Board meeting, Board members attend an average of six of the nine monthly Committee meetings. Each meeting is at least 2.5 hours long. This includes the monthly Committee meeting that they chair. **15 hours**

Review of financial statements in preparation for the Finance Committee meeting and Board of Directors' meeting. **2 hours**

Review of the agenda and back-up material prior to the committee meeting they chair. **1 hour**

Property inspections for committees they serve on or Chair where applicable or meeting with staff to review documents for meetings such as finance and legal services. **2 hours**

Review of the Board agenda and back-up material for the Board meeting. **3 hours**

Attendance of open Board of Directors' meeting. **3 to 4 hours**

Attendance of Executive Session. **1 hour**

The Board members receive an average of 10 emails a day regarding Association business. While they are only copied on these and do not need to respond, they do need to read and be aware of them. **5 hours**

Budget Hearings. Four consecutive days minimum – late March or early April (4 hours each). **16 hours**

Budget ratification meeting. **1 hour**

Coffee with the Board. Monthly. **2 hours**

Each Board member is different on how many times they contact staff or the committee they are responsible for, or how many homeowners call them or email them direct. In talking with Board members over the years most agree that, on aver-

age, they spend at least four hours a week on Association business that includes talking to, emailing or being stopped by homeowners. **17 hours**

In fairness, I have used the minimum of what time commitment is needed. Many of our Board members dedicate many more hours to the Association, but most people who are considering running for the Board want to know what I think the minimum hours are for meetings they should attend, meetings they are expected to attend, preparation for meetings and interacting with staff and homeowners.

If serving your community as a Board member sounds like something you would like to do, remember the only qualifications you need to have are:

Be a unit owner in good standing

No unpaid assessments

Disclose any potential or actual conflicts of interest

Cannot stand to gain from a matter before the Board

Cannot reside with or be related to a Board member or candidate

Cannot be related to the Executive Director

Being a Board member can be a rewarding experience. I have found that the Board members who enjoy their time on the Board are those who went into the election knowing that (1) every decision is a decision made by the Board in a Board meeting; (2) the governing documents and state law have to be adhered to, and while changes can be made to the governing documents it is not only tedious and costly but many times takes an overwhelming vote of the homeowners in order to pass; (3) that while caring for the homeowners and their wants and needs is important, the fiduciary responsibility is the obligation; (4) there is a time commitment to being a Board member, and it is more than a three- to four-hour meeting each month.

In the next election there will be five available seats. While I have been here I can honestly say we have fantastic Board members. They are all in a small group of the best and most professional I have worked with. If you are interested in joining some wonderful men and women who take all of their duties seriously, think about throwing your homeowner hat into the ring.

I want all of you who think you would like to be a Board member to be empowered by the knowledge of not only what makes you eligible but what some of the duties and commitments are once you are elected. If you think you plan to run, start attending the Board meetings, Coffee with the Board and committee meetings now so you are well versed on the issues when you participate in Candidates Night!
