Thanks Aound to All Who Help Make Sun City the Best Place to Live

As I compose the December Link President's Message, I cannot help but think about family and friends during the Thanksgiving and December holidays. This would be a great time for you to get together with friends and neighbors who might be alone.

This month we'll look at the Golf Oversight Committee (GOC), chaired by Ken Resnik. The role of the GOC is defined in our Bylaws.

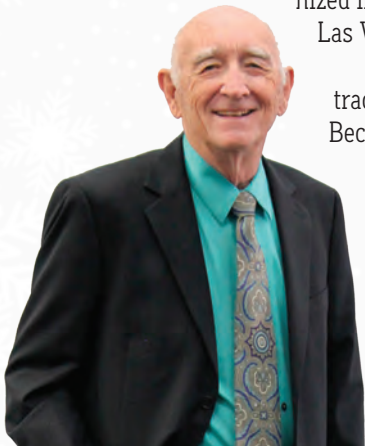

"The Golf Oversight Committee keeps the Board of Directors advised of suggested improvements, enhancements or maintenance to the golf courses and makes recommendations as to: golf operations, golf fees, golf reserve funds, outside play and other pertinent golf issues."

The agenda for a typical GOC meeting might include reports from the several golf-oriented chartered clubs such as the Guys and Gals Club; condition of the courses; a report on getting more golf rounds played; and upcoming golf events. The GOC meetings have the best attendance of all the SCSCAI committee meetings, reflecting the passion golfers have for the game.

Want to learn to golf, improve your golf game, or have a golf outing? Page 6 of the Link lists the telephone number for each of the three SCSCAI golf courses. We are fortunate to have three very good golf courses to choose from. For example, Highland Falls was recognized in the 2019 Best of Las Vegas readers' poll published in the Las Vegas Review-Journal as the Best Local Golf Course.

Important: please do not use the golf courses as walking tracks, to exercise your dog, have picnics, or go sightseeing. Because of safety considerations, the golf courses are for golfing only and only for registered customers.

Lastly, one big **THANK YOU** to all our committee members, our club officers, Residents' Forum volunteers, Security Patrol, Sunshine Service, Sun City Charities/Volunteers and, of course, the SCSCAI Board of Directors and all our other volunteers for a great 2019. Your volunteer efforts help make Sun City Summerlin the absolutely best to live – period. And a **THANK YOU** to our Executive Director and the SCSCAI staff for all your hard work during 2019, keeping our facilities looking great and amenities in tip-top shape.

New Ballot Procedure In Place for 2020 BOD Election

Hardly a day passes without hearing election news. Over the next several weeks, the election news you will be hearing will have to do with Sun City. You will soon be seeing the names of the candidates who have chosen to serve our community by running for election to Sun City Summerlin Community Association, Inc.'s, Board of Directors. As with any election, voting is important, and we look forward to a strong response.

This year's ballot procedure will be different as a new process has been put into place. Unlike previous years when the ballot was delivered inside the February Link, the ballot will now arrive in a separate, first-class, 8x10 manila envelope, starting in early February. Ballots will be mailed to each homeowner, along with information about each candidate. This year, five seats will be available on the Board of Directors. While we are still in transition from two-year to three-year Board terms, the three highest vote recipients will be elected to three-year terms with the next two highest vote-getters elected to one-year terms. Detailed information about how to vote will be included in each packet.

The 2020 Sun City Election Committee consists of Michael Christiansen, Melanie Kirby, Ruth Mintz and Jim Strom. The goal of the Committee is to conduct the election and count the ballots. Ballots will be counted at the Association's annual meeting on Wednesday, February 26, 8 a.m., at Mountain Shadows.

Please be sure to read all the material distributed to you. Also, plan to attend the Residents' Forum's "Meet the Candidates" event scheduled for Wednesday, January 8, 2020, 7 p.m., at Desert Vista.

The deadline to submit your ballot for Sun City's Board of Directors election is Tuesday, February 25. All ballots must be received by the Administration Office at Mountain Shadows by 5 p.m. on that day.

New Year Brings Improvements to Smoke Alarm Replacement Program

Las Vegas Fire & Rescue – (LVFR) is replacing expired smoke alarms in Sun City residences. LVFR inspectors explain that the actual sensor in the alarm runs down over time. After 10 years, more or less, the alarm won't detect smoke, even if you fill the whole house with smoke, and even if you've replaced the batteries.

In 2019, alarms were replaced in more than 250 Sun City homes. The units have a 10-year battery; no more climbing the ladder! In addition, residents generously donated nearly \$1,100 to fund LVFR's purchase of smoke alarms throughout other parts of the Valley.

Below explains how YOU may sign up to get your units replaced in 2020. This process begins on Sunday, December 15, 2019.

How Will I Get MY Smoke Alarms Replaced?

1. Go to the Social Monitor at Desert Vista, Mountain Shadows or Pinnacle community centers.
2. Ask for a Smoke Alarm package.
3. Complete the application, sign the required waiver and write a check ONLY for \$135, made payable to "N.P.T." (Neighborhood Preparedness Team).
4. Please also fill out the blue Emergency Contact form with up-to-date phone numbers and emergency contacts, preferably someone who lives nearby and has access to your home.
5. Return the forms and your check to any Social Monitor.
6. Installations will be done on a first-come, first-served basis as forms are turned in. You will be notified by post-card and/or phone about your installation date.

Meet Las Vegas Fire & Rescue's Certified Fire Inspector Zachary Collins

Zach has been an integral part of the Sun City Summerlin 2019 Smoke Alarm Program. He will be the program leader and point person in 2020.

Zach grew up working hard on a farm in North Carolina. His work ethic, as well as his knowledge of fire prevention and safety measures, serves our community well. Zach has lived in Las Vegas for 30 years with his wife, four children and grandson. His service for 18 years with Las Vegas Fire & Rescue reinforces his commitment to programs like this. He wants Sun City residents to know he "Thanks everyone for taking part in your own safety and by joining the program."

In 2020, Zach will be doing installs, scheduling, troubleshooting alarms, purchasing, education with residents and leading the volunteers during monthly installs. You may even meet Zach at your home when he installs your smoke alarms himself.

This cutting-edge community program signals a huge commitment from Las Vegas Fire & Rescue. LVFR wants to recognize its

partnership with Lowe's and First Alert, which allows them to purchase units at a huge discount. This is important because this program gets ZERO funding from Sun City HOA assessments.

When you see Zach and his red truck with trailer throughout our community, be sure to give a wave and say "Thank You" for his service.

Michael Pennock, Neighborhood Preparedness Team

LVMPD to Lead Women's Safety Class, January 13

Sun City's Neighborhood Preparedness Team will sponsor a 90-minute women's safety class on Monday, January 13, 1 p.m., at Desert Vista. The instruction will be led by Las Vegas Metropolitan Police Department women officers exclusively for women. LVMPD Officer Laura Van Dyke will teach effective tips for day-to-day safety, as well as provide information on certain situations that may be unique to women in Las Vegas. The class is designed to give women a general understanding of how to stay vigilant in their daily lives, as well as how to recognize and avoid potentially dangerous situations. Participants will learn how to make a safety plan to help decrease their chances of becoming a victim.

Walking and running are popular forms of exercise. To stay safe while doing so takes some preparation, said Officer Van Dyke. Criminals take advantage of every opportunity to victimize people, and women must be aware of their surroundings. Don't be so preoccupied with your activity that you fail to notice others around you, she added.

Tips to stay safe include: Avoid walking or running alone. It is better to walk with others or with your dog; skip the headphones while out on your walk as they can be distracting and keep you from noticing people around you; always keep your head up, swing your arms, stand straight up, but be discreet and do not draw too much attention to yourself; avoid night walks; let people know where you are going and when you will return; if you think you are being followed, cross the street and go into a public place; carry a cell phone and identification; do not exercise near bushes where someone might hide; wear bright-colored clothing for high visibility; and consider protection items such as pepper spays, body alarms or whistles.

This Neighborhood Preparedness Team-sponsored event is limited to 50 guests. Required free admission tickets will be available, starting Sunday, December 15, at the Social Monitor stations at Desert Vista, Mountain Shadows and the Pinnacle.

FAMOUS FACE

Santa Is a Year-round Gig for Sun City Resident

By Jeannette Carrillo
Photos by Dale Kavula

Twas the night before Christmas and all through Sun City, Santa Charlie was busy keeping up with his holiday schedule. Actually, Santa Charlie, aka Charlie Bush's holiday routine starts well before the 12th month of the year. Charlie, who is affectionately dubbed Santa Charlie when he's in the red suit, makes, on average, 30 to 50 appearances as the famous elf, starting the day after Thanksgiving and leading up to Christmas Day.

Charlie, who has lived in Sun City since 2007, is quick to point out, "I'm a New Yorker, from Brooklyn," he said with smile and an obvious East Coast accent. In 2007, Charlie and his wife, Edie, moved into the community from their home in Concord, North Carolina.

But the tradition of inhabiting Santa's personality started long before he arrived in the desert.

"Any volunteer activity I've ever done, or organization I have joined has involved children," Charlie said. "I am a Shriner, and back in New Jersey I was an Elk. I've worked to raise money for children's charities and hospitals for a long time."

Recalling back when his daughters were 3 and 5 years old, Charlie said, "I started being Santa when my girls were very young. My wife made me a red corduroy Santa outfit. What would happen was I would come in as Santa and give them their toys, and I'd go out the front door and then down to the basement and I would change. Then I'd go back upstairs and my daughter would say, 'Daddy, you just missed Santa Claus.' I knew that could only go on for so long.

So, I went to my neighbor and told him, 'You be Santa for my kids and I'll be Santa for yours.' Then it evolved into going out and actually volunteering. I even bought a wig set," Charlie said. "Up until coming to Sun City, I had always volunteered."

Then something happened when Charlie signed up to work for the Shriners' annual Las Vegas golf tournament.

"In 2008, I remember walking up to the sign-in booth and the fellow standing behind the table, who had a beard, looked at me and said, 'You, too, could be one of us. You should become a member of FORBS.' To which I responded, 'My finances have been taken care of, thank you.' And he said, 'No, this FORBS is the Federation of Real Bearded Santas.'"

As Charlie learned more about FORBS and later attended a Santa convention in San Diego, he was hooked. Not only did he join FORBS, but he helped charter the local Silver State Santas chapter. Today, the group has 24 Santa members and its own logo. The members meet, in their real, full beards, every month for coffee to discuss the tricks of the trade. In addition to his work with the Silver

State Santas, Charlie attends Santa conventions, oceanic cruises, parades and he even dropped in on the World Congress of Santas that meets annually in Coppenhagen, Denmark.

If all that isn't enough, Charlie was honored to become the honorary Santa of the Las Vegas City Council in 2011. In that capacity, he attends official tree lightings, various Ward events and special appearances at the request of City Council members. The city's calendar alone requires that Santa Charlie begin planning his Christmas calendar in February. As the year progresses, he adds more dates, and by October he is usually booked. It's a cool, seasonal gig. And thank goodness for the Silver State Santas, he said, as the members offer a great backup in the event that Santa's schedule gets double-booked, which sometimes happens.

When he's not appearing as Santa, Charlie works on his hobbies, including making statement belts in the Model Builders' workshop at Desert Vista. The, you guessed it, Santa belts complement the red suit for himself and his Santa buddies.

Why does he do it?

"Because it makes me feel good," he said.

That, and it just must be a kick to be on a cruise ship filled with 300 Santa Clauses. Can you imagine?

Opposite page, Charlie Bush works on his Santa belt inside the Model Builders Club workshop at Desert Vista, where he is a member. Top, Santa Charlie makes up to 50 appearances a year around Las Vegas. Bottom, Santa Charlie and his wife, Edie, represent the Silver State Santas onboard the annual Santa cruise.

Teddy Needs a Name

He's so cute and cuddly that he needs a name. The 3-foot-tall teddy resides at the Mountain Shadows Community Center as the unofficial ambassador of the Toys for Tots toy drive. The bear was donated to the toy drive last year, but because stuffed animals are no longer accepted due to potential allergies, Sun City kept him to remind residents the toy drive is in effect. If you'd

like to suggest a name for the oversized bear, email the Link at link@suncitylv.com.

Toys for Tots Drive Wraps Up December 13

For the past 25 years, Sun City Summerlin has taken part in this nationwide campaign promoted by the U.S. Marine Corps. The toy drive benefits needy children in Las Vegas. Over the years, Sun City Summerlin residents and employees have donated thousands of wonderful gifts. If you would like to add to the donation, drop off a new, unwrapped toy at Desert Vista, Mountain Shadows, Pinnacle or Sun Shadows community centers through Friday, December 13. When you begin your holiday shopping, think about picking up a little something extra for a child in need.

December 7 Perfect Day for a Sewing Craft Sale

Looking for a one-of-a-kind gift for that someone who is tough to shop for? Look no further than the Sewing Club's craft sale Saturday, December 7, 9 a.m. to noon, inside the members' studio at Mountain Shadows. There will be plenty of stocking stuffers and gifts to choose from.

Place Your Bid Now for Custom Doll House

The silent auction for the Model Builders' beautiful doll house ends Sunday, December 1. Bidding starts at \$100 and increases in \$25 increments. Stop by the Club's studio at Desert Vista to submit your bid. All proceeds benefit Opportunity Village.

Celebrate the Holidays With the Model Builders

The Model Builders Club welcomes visitors to its Desert Vista workshop to see the famous HO model train layout that will be decked out for the holidays, December 23-28, 10 a.m. to 2 p.m.; closed on Christmas Day, December 25. As a special treat to showcase its magical appeal, the train display will be lit for a nighttime run on Friday, December 27, 7-9 p.m. Whether you have visiting grandkids in town, or just love trains, be sure to check out the train layout as it's illuminated by lamplight! It will be a very special evening.

Jingle bells, jingle bells and . . .

BINGO!

Join us for the Residents' Forum's holiday Bingo. Entry into this fun event is open to all Sun City residents with one small requirement – the "admission fee" is one toy donation to the Toys for Tots program. Remember, no plush or stuffed animals.

For your donation, you will receive a pack of eight Bingo cards for eight 8 FREE games. Winners of each game will receive a wonderful restaurant gift card, plus a generous cash prize.

Doors open at 6:45 p.m. Due to the fire code, seating is limited to the first 208 guests. Saving seats just isn't fair and we will try to see that this isn't being done. We urge all residents to be considerate.

In addition to the holiday Bingo games, you will have a chance to participate in the Forum's popular 50/50 raffle. Tickets are \$1 each or six for \$5. Buy one or more for a chance to win some extra holiday spending money!

Even more to look forward to – Who will be this year's winner of Sun City's "Deck the House Holiday Lights" contest? The winners will be announced at the break between Bingo games. If you haven't signed up and want to participate, please do so by Friday, December 6. You can pick up an entry form from any Social Monitor. Winners will be featured in the Link.

Last but not least, the party wouldn't be complete without sharing in the Residents' Forum's holiday refreshments. What a great way to spend an evening – Bingo, prizes, yummy refreshments, socializing with old friends, making new friends, plus you can expect a surprise or two!

Residents' Forum volunteers have done all the planning. All you have to do is show up, bring a toy donation and enjoy. Our motto is, "Where Neighbors Become Friends." We hope to see you at our holiday Bingo party.

Roy Nelson Takes Honors at Huntsman Games

86-year-old Sun City resident Roy Nelson eclipsed more than two medals at the 2019 Huntsman World Senior Games in St. George, Utah, in October. After completing both the 5K and 10K road races in the Men's 85-89 category, Roy was honored with a piece of the rock, literally. In this case, a piece of

the red rock sandstone that makes up the surrounding mountains. The rock trophy is a coveted award presented by Huntsman Games organizers to those who have participated in the Olympic-style competition for 25 years. In addition to

competing in the Huntsman Games, Roy has been a local ambassador for the Games for years, helping seniors stay active and get involved.

Roy joined the Las Vegas Track Club in 1970, where he met and made friends with some of the same runners he sees at races around the country. In July, he was invited to compete in the National Senior Games in Albuquerque, N.M., where he finished eighth in his age category in the 10K.

A lifelong runner, Roy stays in competitive shape year round, starting his local workout as early as 4 a.m.

Happy Birthday, Pancho!

Not only is he the apple of his owner Cliff Talgo's eye, but Pancho, the soon-to-be 2-year-old Chihuahua is a Sun City celebrity. In his short, near-two year residence, this pint-size puppy spreads smiles wherever he goes. Come celebrate Pancho's birthday on the patio at Miller's Tavern at the Palm Valley Golf Course at 5 p.m. on Saturday, December 28. Belly rubs and treats will be greatly appreciated.

Health & Fitness: Year In Review

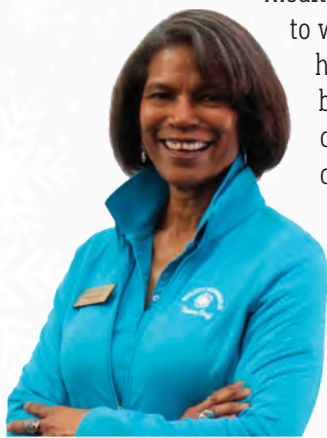

It's hard to believe we're at the end of the year already! It's been a busy, fun-filled year with lots of exciting events. The 2019 Year of Healthy Living featured events and seminars targeted at many aspects of health and fitness, including nutrition, physical fitness, socialization, stress and having fun!

The photos below show how we progressed with each turn of the calendar's page.

More than 2,100 residents participated in 55 seminars, and that does not include our three healthy cooking demos and the meditation class that evolved from monthly

to weekly. There were also several in-house events, including a four-week brain health class, Fall Fitness Week classes and a Heart Health cardio class series. We successfully partnered with some terrific speakers from several different hospitals, physical therapists, authors, chiropractors and more.

Thank you to our residents and community partners who contributed to making 2019 a year of healthy living, learning and connecting! We're looking forward to much more in 2020!

- ♦ Go for walks with friends and family before or after meals.
- ♦ Try to maintain seven to eight hours of sleep per night.
- ♦ Plan out small escapes from all of the holiday activity so you can better manage your stress level.

Quick Healthy Recipes for the Holidays

Here are two easy, tasty and healthy recipes for the holidays provided by Mary Fairhurst, our "healthy cook extraordinaire:"

Vegan Pumpkin Pie Fudge

Prep Time: 5 mins. Total Time: 5 mins. Yields: 24 pieces
This decadent, whole-food-based fudge only requires a few plant-based ingredients to make. It is sure to satisfy your sweet tooth because it's smooth and creamy, and tastes just like pumpkin pie!

Ingredients

- 30 fresh, pitted Medjool dates
- 1/2 cup natural smooth peanut butter (or almond butter)
- 1/2 cup pure pumpkin puree
- 1/3 cup coconut oil, melted
- 2 tsp. pumpkin pie spice

Instructions: Place all ingredients in a food processor or a high-powered blender and process until smooth. Spread the mixture into a wax- or parchment paper-lined loaf pan. You can store the fudge in the freezer in a container. www.runningonrealfood.com/5-ingredient-vegan-pumpkin-pie-fudge

Crock-Pot or Instant Pot Cranberry Orange Meatballs

Crock Pot

Prep Time: 5 min. Cook Time: 2 hours. Servings: 10

Ingredients

- 40 frozen, pre-cooked meatballs (homemade or your favorite brand)
- 1 can jellied cranberry sauce
- 1/2 cup orange marmalade
- Zest of 1 medium orange
- 1 Tbsp. dried, minced onions
- 1 tsp. garlic powder
- Non-stick cooking spray

Instructions

Add non-stick cooking spray to your crock pot. Add meatballs and top with remaining ingredients. Stir to coat meatballs. Cover and cook on high for 2 hours. Turn heat to low until you are ready to serve.

Instant Pot

Prep Time: 5 mins. Cook Time: 5 mins. (Time to pressurize and sauce: 15 minutes) Servings: 10

Ingredients

- 1 Tbsp. olive oil
- 1/2 cup water
- 1/2 cup orange marmalade
- 1 tsp. garlic powder
- 40 frozen, pre-cooked meatballs
- 1 15-oz. can jellied cranberry sauce
- Zest of 1 medium orange
- 1 Tbsp. dried, minced onions

Instructions

Spread the olive oil evenly on the bottom of the inner Instant Pot and add meatballs to the pot. Pour the water around and over the meatballs. Add the cranberry sauce, orange marmalade, zest, garlic powder and onions on top of the meatballs, but do not stir.

Place the lid on the Instant Pot, turn vent to Sealing position and hit PRESSURE COOK for 5 minutes. Pot will take a few minutes to reach pressure. Cook for 5 minutes.

When the pot beeps, do a quick release. When the pin drops, remove the lid and stir the meatballs. To thicken the sauce, hit CANCEL and SAUTE for 5 to 10 minutes, or until the sauce becomes as thick as you want it. To keep meatballs warm in the pot, hit CANCEL then hit KEEP WARM.

The above recipe was made in a 6-quart Instant Pot electric pressure cooker. To make in the 8-quart pot, add 1 1/2 cups water, but keep the other ingredient amounts the same.

67 Million to 1: Sun City Golfer Nabs 2 Holes-in-one During the Same Round

The odds of being struck by lightning in your lifetime are about 1 in 3,000; a person's chance of being attacked by a shark, 1 in 11.5 million. Any person has a 1 in 185 chance of being murdered; a 1 in 60,000 chance of being killed in a tornado; and a 1 in 30,000 chance of dying in an airplane crash. By comparison these statistics, gathered by those who study such things, make Sun City's resident Frank Humel's latest achievement on the Palm Valley Golf Course quite extraordinary.

In any given round of golf, an average player has a 1 in 12,500 chance of making a hole-in-one. The odds of making two in a single round of golf jump to a 1 in 67 million. So Frank had a better chance of getting struck by lightning or being attacked by a shark and, well, you get the picture.

"Both times the pitch mark was about 8 inches in front of the hole precisely on both of them," Frank said, recalling his out-of-this-world achievement. "It wasn't like it hit the green and I watched it roll and it dropped in the hole. With the first one, I knew I hit a good shot and I didn't see anything. But then when I saw the pitch mark I kind of assumed it was in. The second one, one of my friends ran up first and cried out."

Frank is not a professional golfer, but one would be hard-pressed to refer to him as a duffer. His first hole-in-one on that day was made on the third hole, 128 yards, using a 9 iron. The second, was on the seventh hole, 163 yards, using a 6 iron.

He started to play the game in earnest at age 43. Other career achievements include shooting a 69, his age at the time, and five additional holes-in-one.

Frank has lived in our community for 17 years and says that he appreciates the convenience of being able to leave his garage in his golf cart and drive to the golf courses.

Fun, friends and exercise sum up the game of golf for Frank Humel.

What does Frank like about the game? He likes being outdoors, the exercise, the fun and camaraderie.

One could argue that the game of golf requires honed physical and mental skills. Some say luck is also a component. Frank considers himself lucky when it comes to the important things, which include his family and marriage. While his skill on the golf course is evident, some could say he also has had at least a fraction of luck on the links.

Double-duty Agenda Keeps Members Busy

The Common Area Properties (CAP) Committee voted to recommend forwarding nearly all 12 items on its New Business agenda to Sun City's Board of Directors during its November 5 meeting at Desert Vista. The meeting, which lasted nearly two and a half hours ran longer than expected due to the fact that the Committee did not meet in October because of a lack of a quorum.

In addition to its consensus to forward to Sun City's BOD the purchase of rental golf clubs for Sun City's three courses and increasing the height of the outfield fence of the Pinnacle's softball field, CAP members listened as SCSCAI directors presented reports on their individual departments. Golf Director Donny Long reported on increased rounds for the community's courses; Director of Golf Maintenance Brian Bagwell told the Committee his crews are currently tidying up course landscape issues around the tee boxes and roughs. "The Bermuda went to sleep quickly this year," Brian said, adding, "Next, we'll be painting the fairways so that they'll look great again soon." As for fitness, Director Pam Shields brought the Committee up to speed on the outdoor pools and pool furniture, explaining that the chairs, lounges and umbrellas have been stored for the season. Louis Darling, Landscape Director, told everyone that the new winter color has been planted, and soon orange snap dragons will be sprucing up the monument entrance signs. Louis also reported that fall palm tree skinning was complete and the irrigation system on Greenbelt No. 1 was being worked on.

As for Food & Beverage, SCSCAI Executive Director Mitzi Mills apprised the Committee on behalf of F&B Manager Anthony Marrone, who was absent.

"We're looking at closing the gap between expenses and income," Mitzi said, explaining her continuing effort to analyze the Food & Beverage Department.

Bruce Alitt,
Chairman, Common
Area Properties Committee

"The Summit lunch sales are strong, almost as great as the Tavern's. We seem to have found our niche up there." Mitzi said as she updated the Committee on a recent Sunday brunch she attended where she was able to meet with and listen to residents' concerns over their expectations of the community's restaurants.

"The Summit lunch sales are strong, almost as great as the Tavern's. We seem to have found our niche up there." Mitzi said as she updated the Committee on a recent Sunday brunch she attended where she was able to meet with and listen to residents' concerns over their expectations of the community's restaurants.

Mitzi also told Committee members that Food & Beverage is booked almost every night in December with holiday parties, and that the groups are paying what they should.

"Anthony does a fabulous job, all the credit goes to him for that," she said.

As is customary toward the end of every meeting, CAP Chairman Bruce Alitt reviewed the Approved Projects list and removed five of the 10 items that have been carrying over from previous months. The completion of the following projects was noted: Installation of grab rails in the men's and women's restrooms throughout all community and fitness centers; installation of wind screens at the Pinnacle and Desert Vista; the widened driveway in front of the Highland Falls clubhouse entrance; replacement of the Security Patrol shed; and replacement of the kitchen floor at Tavern at the Falls.

The Chief's Review

This past year, as Chief of Sun City Summerlin's Security Patrol, has been fun for me because our volunteers are such great people with huge hearts. At the start of the year, I was a little anxious about how to approach my duties. A friend and Patrol member said, "Just be yourself." A simple enough statement, but it worked for me.

Our goal this year was to be the best at "Neighbors Helping Neighbors" – our motto. I believe we reached that goal when I received a call from Sun City's Executive Director, Mitzi Mills, that Desert Vista needed to be patrolled 24/7 because the fire department found the alarm system needed repair. The fire department notified Mitzi that Desert Vista would have to be closed down until the repairs were made unless the facility was patrolled. That meant the residents would not be able to use the pools, workshops, or have meetings.

Sandy Lyons,
Security Patrol Chief

It took one phone call from me and the

Patrol received the information it needed to begin monitoring Desert Vista. Patrol volunteers were able to ensure that the building was patrolled according to the fire department's requirement without a change in the daytime shifts. For the night shifts, members signed up for extra four-hour duties. With Patrol on the job, our neighbors were able to use Desert Vista without interruption in their schedules.

I was so proud of the Patrol and how they stepped up and did the job. A great big Thank You for that. This year has flown by with lots of activities that had to be accomplished.

I would like to thank all who helped me get through the year. I leaned on the knowledge and experience of the past chiefs and our Board of Directors. They kept me on the right path. Again, thanks to all. I am so happy and proud to represent Security Patrol as its Chief. It was a great year.

THANK YOU FOR YOUR SERVICE

LEN KREISLER: RETIREMENT NO MATCH FOR FORMER MEDICAL DIRECTOR OF NEVADA TEST SITE

Left, Captain Leonard Kreisler M.D. at Fort Sam Houston, Texas, in 1958. Above, Len today in his Sun City home.

To some extent our life experiences are governed by when and where we were born. For example, if you were a male born in Depression-era America you grew up expecting to get your driver's license at 16 and register for the draft at 18. At that point, you became an obligated volunteer. In other words, you waited for the draft board to call and volunteer you, or you elected to volunteer for service in the branch of your choice. One way or the other you expected to serve, whether it was immediately after high school graduation or delayed until college completion.

"My formative era was decidedly different from the current world of social media. I experienced a victorious and prosperous United States emerging post-World War II. America was perceived as noble and righteous; a triumph of good over evil," said Sun City resident Len Kreisler M.D.

"In June 1957, I married Joan Dorfman and graduated from the University of Vermont School of Medicine. I had taken and passed parts I and II of the National

Board of Medical Examiners and would be eligible to take part III at the end of a year of postgraduate, rotating internship training. Passing that would make me eligible to practice medicine in most states.

"After completing the internship in 1958, I had to make a choice. Either I could go into private practice and wait for the draft board notice, or I could take advantage of the Berry Plan, a federal program enacted to make it easier to recruit MDs. I

elected to choose the Berry Plan and signed up for a two-year hitch in exchange for which I received the rank of captain and a \$100-per-month volunteer enlistment bonus, plus the usual \$8,000 per year captain's pay. At that point, I officially became an obligated volunteer."

Len was sent to Fort Sam Houston in Texas for basic training.

"The trip south was like going to a foreign country for a Jewish boy from New York; segregation signs, unfamiliar accents and menu items needing further explanation — grits and collard greens, no way," Len recalled with a shrug.

"I had been a devotee of our military campaigns in WWII. I stuck to my goal of becoming a physician, but a contingent military career had always been in the recesses of my mind. I now had both, and I was determined to be a model officer and the best military physician possible. The Fort Sam experience was totally enjoyable, even crawling under live machine gun fire during the night training exercise. We had lectures on general military protocols, as well as specialized medical topics such as burn care, treating bullet and shrapnel wounds and helicopter evacuation capabilities. At the completion of basic, I was given the opportunity to request a duty assignment. I requested Europe. I got Fort Detrick, Maryland. My assignment: Classified."

Fort Detrick was the U.S. Biological Warfare research center. Officially, the center's programs were aimed at developing defenses against attacks using anthrax, plague, botulism, tulare-

mia, Q-fever, brucella and others. Important work to be sure, just not what Len envisioned when he became an MD. Against the advice of some of his fellow officers, he requested a transfer. It could have been anywhere in the world and there were many undesirable posts available, but he hit the jackpot – assignment to Fort Richie, Maryland, as post surgeon. Finally, a command of his own and the ability to practice medicine. Life couldn't be better. Fort Richie's primary task was supporting nearby Site R, a mountain bunker designed to house government officials in the event of nuclear war.

"My first visit to Site R evoked the feeling of entering a Hitleresque WWII bunker. Among other things, the medical facilities were extensive with surgery, X-ray, pharmacy and hospital beds. Should the need arise, my medical unit was to move here for the duration. (Our families were not invited.) Our duties included regular inspection of the facility and ensuring that all was stocked and ready. The military personnel who worked there were stationed at Fort Richie and thus were my patients. Richie had just one doctor (me) and one dentist, plus support staff."

Things went well until a new post commander took over. Initially, people like the post surgeon and the chaplain had little contact. Slowly that changed. Rumors started circulating about irrational orders, inappropriate comments and threats of court martial. Eventually, one of those court martial threats was against an enlisted staff member, a World War II vet with what Len considered to be an excellent work record. Things began to escalate; records were kept, observations shared. The colonel was a West Point graduate so Len knew that it would be difficult to get the Army to take action against him. On one hand, that made Len doubt the wisdom of making a career of the Army, although if he had been single he would have pursued a regular Army commission regardless. But he was married, so he used his last weeks in uniform to put a negative medical evaluation in the Colonel's file and to file a complaint with the Inspector General.

His obligation complete in 1960, Len pursued his first love opening a family practice in upstate New York. In 1973, he was hired as Medical Director for the Nevada Operations Center, Department of Energy (Nevada Test Site). With that position, of course, came a move to Las Vegas. While working for the DOE, he became involved with the University Medical Center, eventually serving as Chief of Staff. When the DOE job ended, Len wasn't quite ready to retire so he signed up as a cruise ship doctor sailing on a number of ships between 1990 and 1995 at which time he officially retired. But, of course, retirement didn't mean sitting home and watching TV. Len has served on the Sun City's Board of Directors and has written five books, both fiction and non-fiction, and maintains an active MD license in Nevada.

Saturday, January 18, 1:30 & 7 p.m. • \$30

Remember all the wonderful variety shows we grew up on in the 1970 and '80s? Now is your chance to see them live and re-created by Las Vegas' No. 1 impersonators of all time. All your favorite legendary superstars come alive in "An Evening with The Stars." The NBC "Today Show" reported, "It's one of the most extraordinary shows we have ever seen." Sonny & Cher, Billy Joel, Elton John, Neil Diamond, Lionel Richie, Stevie Wonder, Ray Charles, Lady Gaga, Celine Dion, Rod Stewart, Bette Midler, Barbra Streisand, Andrea Bocelli, Tom Jones, and many more tributes are hosted by The Edwards Twins from Las Vegas. Each star sings a No. 1 hit, as well as other favorite songs.

MISTINGUETT PRODUCTIONS PRESENTS
"BARITONES OF LOVE"

Sunday, January 26, 3 p.m. • \$20

Reminiscent of the award-winning musical "Forever Plaid," "Baritones of Love" is fast paced, well told and genuinely funny. In a world where tenors dominate the vocal landscape, four brave baritones struggle against that tyranny and fight to claim their own piece of the lyrical pie. With just a tube of greasepaint, a deep resonant tone and a dream, these men sing and dance their way into your hearts, and if they have any say in it, a show in Branson, Mo. Starring some of the Las Vegas Strip's best baritones, the show features classic baritone standards such as "That's Life," "You Raise Me Up" and a piece from "Don Giovanni." From Frank Sinatra to Josh Grobin, "Baritones of Love" is the perfect tonic to a world of too many tenors. Top notch from start to finish, this is pure entertainment you don't want to miss!

Silvertones Present 'A Holiday Chorus'

Photos by Stu Gershon/Link

The Silvertones have done it again! Fresh from their much-acclaimed spring show, the multi-talented chorus is topping itself once more. Whether you "Light the Candles" or plan to "Have Yourself a Merry Little Christmas," you will want to make certain you're at the Silvertones' holiday show, "A Holiday Celebration" at the Starbright Theatre, Saturday, December 7, 7 p.m., or Sunday, December 8, 2 p.m. From the opening strains of "It's Beginning to Look A Lot Like Christmas" to the closing "Rocking Around the Christmas Tree," audiences will be treated to a vocal concert that embraces the wonderful music of the holiday season. The opening song sets the proper musical tone that will set toes tapping to favorites like "Santa Baby," "Coll Yule" and "Feliz Navidad." Then there

will be music to stir the heart, such as "God Bless Us Everyone," and music that will bring a smile like "Z'at You, Santa Claus?," plus one or two musical surprises. An original holiday song by Musical Director George Pucine, "Come December," also will be part of the lineup. All songs have been carefully arranged and crafted by Director Pucine to appropriately fit the vocal ranges and talents of the chorus. Tim Cooper's skilled craftsmanship and artistry at the piano completes the musical team for the Silvertones' winter concert. Tickets for "A Holiday Celebration" are \$12 and may be purchased online at www.suncitysummerlin.com, as well as at any Sun City community center. The Silvertones' concerts have been sellouts, so make your reservations early!

ARE YOU AWARE OF THE NEW MEDICAID LAWS?

A brother and sister came to my office, mom had passed years earlier and Dad, dying from Parkinson's disease, was entering hospice. He had been in a skilled nursing facility for the last ten years. The two kids had worked extra jobs to keep dad's house hoping for him to return home one day. Worst case the kids figured, when dad died they could recover their funds by selling the house.

Medicaid has changed from being a benefit to a loan. Every dollar spent by Medicaid is tracked. When you die, Medicaid expects to be paid back from your Estate. Instead of 200,000 people previously on Medicaid in Nevada, we now have over 600,000. Politicians have created a huge hidden tax, naming it a "recovery" rather than "a tax", has confused most people.

I explained to the brother and sister that Medicaid was no longer a benefit, but a loan. In their case, Dad was in a skilled nursing facility, \$8,000 a month (average cost in Nevada), 12 months a year, \$96,000 for 10 years or \$960,000. The end result was Dad's home was forced to be sold to pay Medicaid back. The kids received no inheritance and the years of working extra jobs to try and keep Dad's house rendered useless.

While most people can afford the cost of assisted living for a spouse. Few can afford the \$8,000 monthly cost of a skilled nursing facility. To qualify for Medicaid assistance a single person is allowed to keep \$2,000 in assets and if both spouses need assistance the amount increases to \$3,000. If you can't pay the \$8,000 a month, you'll be forced to reduce your life savings to impoverishment levels and have no safety net in order to receive Medicaid's help. There is a way to avoid this.

Contacting an Elder Law Attorney and planning for Medicaid as part of your Estate Plan NOW can save financial and emotional heartache for you and your family. I urge you to not let this happen to you and your family. **Protect yourself and find an Elder Law Attorney to speak with today.**

MOTION by Bruce Alitt to refer the bids from Greenscapes in the amount of \$62,624.00, WestDeck in the amount of \$68,137.00 and NRC Concrete & Landscape in the amount of \$76,050.00 to the Fitness Committee, the Common Areas Properties Committee and the Finance Committee for comment and recommendation to the Board of Directors at the Board of Directors meeting following all committee recommendations. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

Executive Director's Spending Authority - Submittal of proposed designations of Level 1 Projects or Level 2 Projects for the 2019/2020 budgeted Reserve Fund Expenditures and Capital Expenditures:

MOTION by Ken Resnik to approve the designation of Level 1 or Level 2 to each line item of the Reserve Fund and Capital Fund budgeted expenditures for the remainder of the fiscal year per the schedule included in the Board packet for the November 12, 2019, meeting and to include that schedule as an attachment to the minutes of this meeting. **SECOND** by Jim Akers.

APPROVED with seven (7) of the Board members voting in favor of the motion, and Bruce Alitt abstaining because he had not reviewed the expense schedule in advance of the meeting.

RFP #20-13 – Mountain Shadows Spa Tile Replacement:

MOTION by Bruce Alitt to accept the recommendations from the Finance Committee and the Common Area Properties Committee to accept the bid from Adams Pool Solutions in the amount of \$12,635.00 to remove the tile from the

Mountain Shadows spa and resurface it with their pebble product. This item will be paid for out of the Reserve account and was budgeted for in 2019/2020 in the amount of \$10,000.00 and is over budget in the amount of \$2,635.00.

SECOND by Ken Resnik. **APPROVED UNANIMOUSLY.**

RFP #20-14 – Mountain Shadows Resurface Outdoor

Pool: MOTION by Bruce Alitt to accept the recommendations from the Fitness Committee, the Finance Committee and the Common Area Properties Committee to accept the bid from Adams Pool Solutions in the amount of \$71,117.00 to resurface the Mountain Shadows Outdoor Pool with Quartz Plaster and replace the waterline tile. This item will be paid for out of the Reserve account and was budgeted for in 2019/2020 in the amount of \$60,000.00 and is over budget in the amount of \$11,117.00. **SECOND** by Gerry Sokolski.

APPROVED with seven (7) Board members voting in favor of the motion, and Jim Akers abstaining because he would like to see the over/under report that will become a part of the approval process in December.

RFP #20-17 – Rental Club Replacement for all three Sun City Summerlin Golf Courses: MOTION by Ken Resnik to accept the recommendations from the Golf Oversight

Committee, the Finance Committee and the Common Area Properties Committee to accept the recommendation of Director of Golf Donny Long to purchase 30 sets of clubs from Callaway for \$39,878.31 as specified in the RFP. This item will be paid for out of the Reserve account and was budgeted for in 2019/2020 in the amount of \$37,000.00 and is over budget in the amount of \$2,878.31. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

RFP #20-18 – Golf Cart Replacement: MOTION by Ken

Resnik to accept the recommendations from the Golf Oversight Committee and the Finance Committee to accept the recommendation of Director of Golf Donny Long that we accept the bid from EZGO in the amount of \$994,817.50, including tax, shipping and trade-in of all 210 carts. This includes escalating the trade-in and purchase of 130 golf carts that are not scheduled for replacement until the 2020/2021 fiscal Reserve Fund budget to allow us to take advantage of the volume purchase discount and to have the all of the Sun City Summerlin Golf Course carts be the same with a 5-year warranty on the carts that includes the lithium batteries and without a mechanical brake system. This makes the cost of each cart \$4,737.23. This item will be paid for out of the Reserve account and was budgeted as follows in 2019/2020 budget: \$412,000.00 for the replacement of 80 carts at Palm Valley Golf Course. In the 2020/2021 budget: \$257,500.00 for the replacement of 50 carts at Eagle Crest Golf Course; and \$412,000.00 for the replacement of 80 carts at Highland Falls

Golf Course. The total combined budget for 2109/2020 and 2020/2021 for all three golf courses is \$1,081,500.00. This purchase is under budget by \$86,682.50 if you combine the 2019/2020 and 2020/2021 budget for golf cart purchases, justifying replacing all the carts now because next fiscal year we would need to replace the remaining 130 carts as they will be out of warranty. This purchase also changes the purchase cycle from a 3-year cycle to a 5-year cycle. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

RFP #20-19 – Sun Shadows - Resurface Indoor Pool Deck:

MOTION by Bruce Alitt to accept the recommendations from the Fitness Committee, the Finance Committee and the Common Area Properties Committee, upon confirmation that Vegas Hardscape will extend the expiration date of their bid to May 31, 2020, to accept the bid from Vegas Hardscape in the amount of \$28,800.00 to resurface the Sun Shadows Indoor Pool Deck. This item will be paid for out of the New Capital account and was budgeted for in 2019/2020 in the amount of \$30,000.00 and is under budget by \$1,200.00. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

RFP #20-22 – Plate Compactor for Concrete Repairs or Paver Installation:

MOTION by Bruce Alitt to accept the recommendation from the Common Area Properties Committee to approve the bid from Rhino's Equipment in the amount of \$1,894.36 for the purchase of a plate compactor for concrete repairs and paver installation. This item will be paid for out of the New Capital portion of the operating account and was budgeted for in 2019/2020 in the amount of \$1,650.00. This item exceeds the budget by \$244.36. **SECOND** by Ken Resnik. **APPROVED UNANIMOUSLY.**

RFP #20-23 – Concrete Saw for Concrete Repairs or Paver Installation:

MOTION by Bruce Alitt to accept the recommendation from the Common Area Properties Committee to approve the bid from Fasteners, Inc., in the amount of \$1,731.88 for the purchase of a concrete saw for use by our Landscape Maintenance Department and other departments as needed. This item will be paid for out of the New Capital portion of the Operating Account and was budgeted for in 2019/2020 in the amount of \$2,525.00. This item is under budget \$793.12. **SECOND** by Ken Resnik. **APPROVED UNANIMOUSLY.**

RFP #20-24 – Jack Hammer for Concrete Repairs or Paver Installation:

MOTION by Bruce Alitt to accept the recommendation from the Common Area Properties Committee to approve the bid from Fasteners, Inc., in the amount of \$1,948.49 for the purchase of a Jack Hammer to be used primarily by our Landscape Maintenance Department, as well as other departments as needed. This item will be paid for out of the New Capital portion of the Operating Account and was budgeted for in 2019/2020 in the amount of \$1,700.00. This item is over budget \$248.49. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

RFP #20-25 – Pinnacle Ball Field Fencing (Raising of the Outfield Fence): **MOTION** by Gerry Sokolski to accept the recommendations from the Finance Committee, the Common Area Properties Committee and staff to table further Board discussion on raising the Pinnacle Softball Outfield Fence at this time because the bids received are not apple to apple bids and exceed the budgeted amount of \$15,000.00. This will allow staff to do more research, meet with the contractors and bring this proposed project back to the Board with additional information and options on how to proceed. **SECOND** by Ken Resnik. **APPROVED UNANIMOUSLY.**

Republic Services Contract Agreement: **MOTION** by Bruce Alitt that due to new information that the Executive Director just obtained in the last two days and because time is of the essence that authorization be given to the Executive Director to amend the current Republic Services agreement for Sun Shadows Community Center to upgrade the current 1-yard bin to a larger bin because the 1-yard bin is overflowing with trash on every collection day, and we are being penalized. The new monthly agreement is not to exceed \$180.17; or to enter into a monthly agreement with Republic Services to have up to a 3-yard bin installed at the Mountain Shadows maintenance area to collect the trash that is currently being hauled to Sun Shadows in a monthly agreement amount not to exceed \$180.17; or a combination of increasing the size of the bin at Sun Shadows and adding a bin at Mountain Shadows with the combined amount of the agreements not to exceed \$180.17 per month. It was noted that the current agreement at Sun Shadows for a one (1) yard bin is \$70.40 and the agreement for Mountain Shadows was terminated several years ago and staff has been hauling trash from that area since then. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

Board Vacancy – Determination of Action to be Taken:

MOTION by Leo Crawford that due to the resignation of Barbara Holden from the Sun City Summerlin Board of Directors, coinciding with the beginning of the 2020/2021 election period for Board members, the vacancy created by the resignation will be left unfilled and will be filled in February 2020 when the election is completed. Ms. Holden's seat is one of the five seats that are open for the upcoming election, so this action does not increase the seats available for the 2020/2021 Board member election. **SECOND** by Dick Clark. **APPROVED** with seven (7) Board members voting in favor of the motion, and one (1) Board member, Barbara Holden, abstaining from the vote, as the motion pertains to her seat on the Board and her resignation. It is noted that Barbara Holden is resigning as she has sold her home in Sun City Summerlin.

Ratification of Reconstitution of the Election Subcommittee:

MOTION by Leo Crawford to ratify the e-mail vote taken on October 11, 2019, in which seven (7) of the nine (9) Board members responded to the request. All seven (7) voted in writing by email in the affirmative to reconstitute the Election Sub-committee immediately to identify, contact

and vet members (owners) of the Association to serve as the Chairman of the Election Committee, and to re-appoint Ellen Bachman as the Chair of the Election Sub-committee and Bruce Alitt and Barbara Holden as members of the Election Sub-committee. **SECOND** by Ken Resnik. **APPROVED UNANIMOUSLY.**

Dissolve Election Sub-committee: MOTION by Leo Crawford to dissolve the Election Sub-committee, which was appointed on October 11, 2019, as of this November 12, 2019, Board of Directors meeting, as they have completed their assignment and made a recommendation to the Board President, Leo Crawford, that he accept and seek the consent of the Board members to appoint Lynn Kasner-Morgan as the Election Committee Chair. **SECOND** by Ken Resnik. **APPROVED UNANIMOUSLY.**

Ratification of Appointment of New Election Committee Chair: MOTION by Leo Crawford to ratify the e-mail vote taken on October 16, 2019, in which eight (8) of the nine (9) Board members responded to the request. All eight (8) voted in the affirmative (seven by email and one by phone) to appoint Association member Lynn Kasner-Morgan as the Election Committee Chair. **SECOND** by Ken Resnik. **APPROVED UNANIMOUSLY.**

Appointment of Members to the Architectural Review Committee: MOTION by Bruce Alitt on behalf of the Architectural Committee Chair, Ellen Bachman, to appoint the following four (4) Association members to serve on the Architectural Review Committee as members of the Committee: Jola Oliver, Carol Ohl, Jerry Adams and Frank Martin. **SECOND** by Jim Akers. **APPROVED UNANIMOUSLY.**

Microsoft will end support for Windows 7 on January 14, 2020, and the computers running on Microsoft 7 need to be changed out prior to that date. **SECOND** by David Putney. **APPROVED UNANIMOUSLY.**

Emergency Repair of the Underground Gas Storage Tank Spill Bucket at Palm Valley Maintenance Yard – Ratification of Expense: MOTION by Ken Resnik to ratify an emergency repair in the amount of \$5,682.00 on October 9, 2019, paid to Petroleum Systems and Maintenance to replace the direct bury spill bucket on the gasoline tank that failed testing. The new proposed maintenance contract raises the quarterly fee by \$111.00 to \$641.00 a quarter effective January 1, 2020. The Executive Director is to contact the manufacturer to see if, as stated by CG&G, if the Association uses another company to do the quarterly maintenance the manufacturer will void the 8-year warranty on the materials, and if it will not, get names from the manufacturer of companies that are authorized to perform the quarterly maintenance to adhere to the warranty requirements. The Google Map showing each of the five (5) sections are to be made a part of the minutes of this meeting. It is noted as well that this item was single-sourced in order to keep all roof replacements and repairs at Pinnacle Community Center with the same vendor for warranty purposes, so there is no question who needs to be called in the case of issues with the roof. **SECOND** by Ken Resnik.

APPROVED with Seven (7) members voting in favor of the motion and one (1) member, Jim Akers, out of the room at the time the vote was taken.

Lowering One Toilet in Each Restroom to Accommodate Homeowners Who Have Trouble or a Disability That Limits Their Access Ability:
