## PRESIDENT'S MESSAGE

Joe O'Connell  
President, SCSCAI Board of Directors

# It Has Been an Honor Serving You

**I**t is February, and it is time to vote. Do your due diligence and pick us all some winners. This is my last message and I will try to keep it uncontroversial. Even my last message drew some flak. It is a tough job being on your HOA Board of Directors. If you do not agree with everything that is done. Complain civilly. Sometimes we are wrong, but don't realize it. We try hard to get it right and usually do. We have had some very good board members the last few years and they are not paid anything for their efforts.

I will miss having a ninth say on everything we vote on, but not enough to run again. Hopefully, we will have some new excellent members of our board. Be nice to them this year.

We live in a beautiful place and have many amenities. The price for those amenities is very reasonable when compared with other senior living communities. Keep your New Year's resolutions by working out more, and enjoy yourselves. I know I will this year.

I thank all of you for all the nice comments over the years, and it has been an honor serving you. 

*Joe O'Connell*

# FROM GANDER, NEWFOUNDLAND TO A BROADWAY HIT: FIVE QUESTIONS WITH “COME FROM AWAY” DIRECTOR CHRISTOPHER ASHLEY

The storyline of “Come From Away” might seem unlikely for a Broadway musical. It’s the real-life story of 7,000 airline passengers grounded in Gander, Newfoundland after 9/11, and how the small town banded together to make the newcomers feel welcome and safe.

Yet thanks to the vision of director **Christopher Ashley**, who won a Tony for his direction of the show, it became a heartwarming portrayal of humanity in the midst of dark times.

**Coming to The Smith Center from February 19 to 24, “Come From Away” has received glowing critical acclaim.**

Ashley spoke with The Smith Center about how this incredible show came together.

## 1. How did the idea for this production even come about?

**CA:** Writers David Hein and Irene Sankoff initially received a grant to visit Gander, Newfoundland on the 10th anniversary of 9/11. They gathered countless stories of what happened in the days following the attack, stories that became this beautiful and unique musical.

## 2. What made you want to be a part of this production?

**CA:** I was in New York City during the 9/11 attacks, and like many Americans, was profoundly shaken. When I read an early draft of this script, I was immediately drawn to telling a story about joy and kindness in the wake of such a horrific tragedy.

## 3. How do audiences usually respond to this show? What overall experience do you hope they have?

**CA:** Every audience member brings their own experience of the week of 9/11, and watches the show through the lens of their own story. Hopefully the audience comes away with a positive story of hope and humanity, and a belief that community, generosity and kindness can transcend tragedy.

## 4. How did you approach this show as a director, to make this story resonate with audiences?

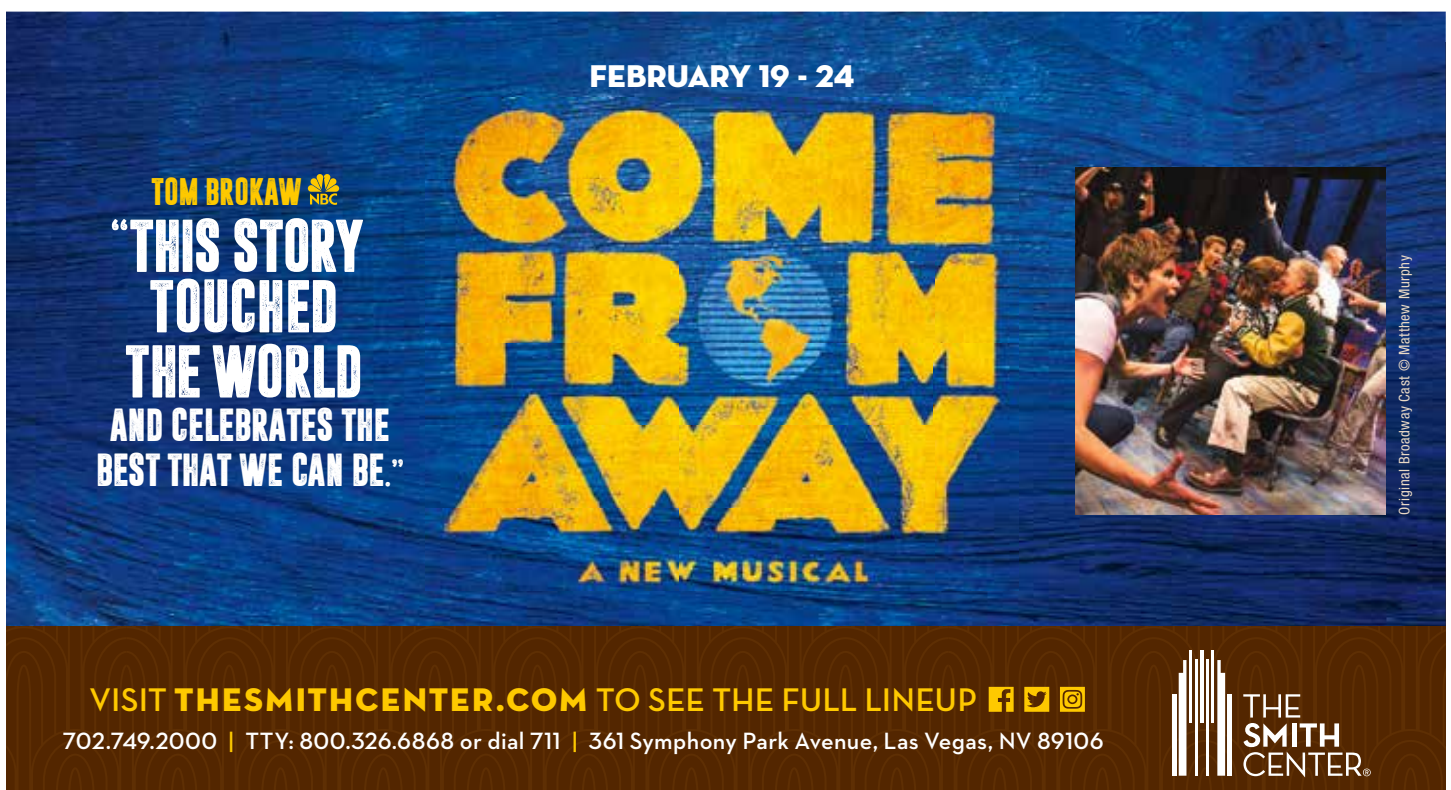

**CA:** We cast 12 superbly versatile actors to tell the stories of 16,000 people. We asked those 12 actors to perform a theatrical coup: transforming from character to character, shifting dialect, physicality and intention in the blink of an eye.

## 5. Is there anything else you would like to share about this inspiring production?

**CA:** As the actors perform a story about generosity, they are constantly helping each other out in large and small ways. Watch closely, and you will see the performers quietly passing each other props, helping with costume changes, repositioning a chair for the next actor to sit in it. This show is not only about kindness, it requires collaboration and kindness to perform.

## Safety First Is Head Driver's Priority

Security Patrol drivers are on the streets of Sun City Summerlin 24/7. That's a lot of wear and tear on the vehicles.

"We have five cars and whenever there is a manufacturer's recall, that car is at the dealership the same day. Safety is first," reported Norman Cohen, head driver for Security Patrol.

"We keep track of the mileage daily, tire rotation and oil change needs. At 100,000 miles we consider all the information we have on that car when considering a replacement vehicle," Norman said.

Cohen has a team that drives the cars for maintenance – Allyn and Hilda Ayotte, and Bob Sebastian. They also drive regular shifts. Another responsibility Norm has as head driver is training and scheduling new drivers. "First, if possible, I have a phone interview with new trainees," he said. "Then I try to match the person with an instructor that he or she would be compatible with. Very important is the person's willingness to learn."

Cohen has assembled several experienced drivers and trained them as instructors. An instructor is assigned to a four-hour shift with a trainee who begins to learn how to patrol the streets in an assigned area. It is a challenge when the trainee lives in the neighborhood of Sun Shadows Community Center and must learn the streets in the Pinnacle Community Center neighborhood. Drivers are assigned different areas on each shift. Eventually, drivers learn all Sun City Summerlin streets. Next, the trainee learns how to respond to 911 emergency lights, open garage doors and inquires from concerned families or friends about a resident. Security Patrol's manual outlines the responsibilities for drivers on every shift. Each instructor evaluates the driver at

the end of a training session and the evaluation is given to the head driver and the head trainer. At the end of the four training sessions, a completed evaluation is sent to the Patrol's personnel.

In addition to vehicle maintenance and driver training, Cohen also drives two to three shifts weekly and is available whenever a driver is unable to work. When asked about his ideas for improvements to the program, Cohen said "I'd like to begin more driver safety checks. We have a great group of dedicated drivers and I think that a re-check every five years would be beneficial for all of us. I also would like to see us update our safety equipment and training for better traffic control when Metro requests Security Patrol to assist after a traffic accident."

Security Patrol has a ride-along program for residents interested in joining the Patrol. If you are interested in being a driver or would like to learn more about other volunteer opportunities with the Patrol, call 702-254-2303.

- The ballot is the address label for the February Link and a pre-posted return envelope is included in the magazine package.** Instructions are printed on the ballot. A household has four (4) votes.
- After marking the ballot, remove the “Instructions” side to remove your name and address. Insert the ballot half into the envelope so that the bar code, which is used for validation, shows through the envelope’s window.** On vote counting day, Wednesday, February 27, the Election Committee will cut off the bar code before removing your secret ballot. The Committee uses optical scanners to count the ballots and tabulate the votes electronically.
- If you make a mistake marking your ballot, DO NOT correct it. Exchange the old ballot for a new one at the Administration Office at Mountain Shadows.** Before requesting a replacement ballot and envelope, be certain that another member of the household has not voted. Should two ballots be received from the same home, both will be voided. **Casting more than four votes also will void the ballot.** Your votes may be cast for one candidate or divided among two or more candidates. Each member household receives one ballot. Each member household will have four (4) votes.
- Validation and counting of the ballots occurs at an official SCSCAI Association meeting on Wednesday, February 27, 2019, starting at 8 a.m. at**
- Mountain Shadows.** The election results will then be announced by the secretary of the Association. All those who wish to witness the ballot tabulation are invited to attend the ballot counting meeting.

### OBJECTIVES

If elected, I will strive to ensure that the Board of Directors sets policies that will enable us, the residents of Sun City to enjoy our retirement. We worked a lifetime (or may still be working) so that our retirement years could be pleasurable. Whatever your interest is, was or might be, as a board member my primary job is to help you enjoy these years. Whether you are a golfer, card player, swimmer, walker or a member of a club, my goal will be to help set policies that allow you to participate in any and all of these activities without hassles. While being fiscally responsible, I will strive to help members of all clubs, organizations or groups in our community just take joy in our amenities, life and retirement. I believe that my experiences in business and local government, coupled with my work on many boards has prepared me to serve on the Sun City Summerlin Community Association Board.

### PERSONAL AND CAREER

Beth and I will celebrate our 50<sup>th</sup> wedding anniversary in March of 2019. We have two children and five grandchildren. We have been homeowners here since 2010. I practiced law in Michigan for nearly 40 years. I was managing partner of a large suburban firm before becoming a sole practitioner for 20 years. In addition, I was city attorney for one of Detroit's suburbs for over 20 years. Prior to my appointment as city attorney, I was on five of the city's boards and commissions. I attended over 800 city council meetings while serving as the city attorney.

### VOLUNTEER

I worked as a volunteer for the Special Olympics in Michigan for 40 years, serving locally as a coach and fundraiser. I was elected to the Michigan Special Olympics Board from 1978 until 1990 including being president twice, in 1980 and 1990, when there were 25,000 Special Olympic athletes in the state. I was elected to the Michigan Special Olympics 'Wall of Fame' in 1993. This involvement continued until we moved to Sun City Summerlin in 2011. I was also a member of Citivan, a service organization for 35 years.

### BOARD EXPERIENCE

I served as a board member of Community Living Service, the largest network provider of services to those with developmental disabilities in the State of Michigan with \$120 million budget from 1995 until 2014, twice as its president. I also served on its holding company's board from 2000 to 2018, including as president from 2010 to 2018.

I was and still am the managing member of two Michigan companies that bought, sold and rented real estate.

### SUN CITY SUMMERLIN COMMUNITY INVOLVEMENT

Since buying our first place here nine years ago, Beth and I have belonged to many clubs and organizations. Between us we have been, or are, members of the Hiking Club, Aquacize, Quilting Club, Investment Club, Nine Holers, Mens Club and Ladies Executive Golf. However, our biggest commitment has been to Security Patrol.

We are both qualified as drivers and dispatchers and work three, four-hour shifts a week in these roles. In addition, I am a watch commander working the 12-hour p.m. watch every Monday. I have held Security Patrol staff positions as a driver trainer, head driver, assistant chief and in 2017 as the chief.

Finally, I have recently been invited to join the Clubs and Community Organizations Committee.

### VOTE

To borrow the motto of Security Patrol, I would like to see us all be 'Neighbors Helping Neighbors'. You have four votes in this election. I hope to be your first choice, but if I'm not, perhaps you would consider giving me your third or fourth vote. Thank you for taking the time to read this and then vote.

As an active community member for almost three years, I have had the pleasure of meeting and becoming friends with countless members of our diverse neighborhood. I have truly loved living here and always knew that I would retire here when I was younger. Sun City offers so many activities for us, I thought it was time for me to give back and ensure everyone living in Sun City can benefit from all amenities.

**QUALIFICATIOS AND BACKGROUND**

I have lived in and out of the Las Vegas area for the past 43 years. As such, I have become quite familiar with the vast expansion and growth of our fair city and its needs.

A veteran of the US Army. Enlisted from Las Vegas, NV in 1981 and was honorably discharged in 1985 (MOS – Dental Laboratory Technician and Dental Assistant)

Bachelor of Science in Business Administration (Indiana Wesleyan University, Marion, Indiana). Master of Science Degree in Special Education (Chapman University, Orange, California)

A Special Education Teacher and Instruction Facilitator for Clark County, NV and in California (LAUSD and surrounding districts)

**GOALS**

Utilize my knowledge of teamwork as it is the bridge to success.

Inspire spirit of cooperation and respect for board members and residents to create a thriving, safe and secure community

Be available to all residents when issues arise they feel must be addressed to the board and treat everyone with respect and dignity

To ensure all residents are treated with respect from the employees, staff members and board members

Ensure all amenities of Sun City are treated equally

As a Sun City denizen, I have very much enjoyed the many benefits of our little hamlet, particularly the pools and surrounding areas. I am eager to be an advocate for our swimmers, as well as for our golfers, club members, support staff and anyone else who enjoys Sun City's boundless amenities.

## Sandy Krause

*Candidate for Election to Sun City Summerlin's Board of Directors*

My name is Sandy Krause and I feel fortunate to have lived in Sun City for the past ten years with my miniature dachshunds. I look forward to my continued residency and participation in this special community for many more years.

I enjoy volunteering. I am an active current member of the Finance Committee and I have served as a member of the Legal Services Committee and the Insurance Sub Committee. I was privileged to be asked to chair the first community-wide Sun City Summerlin National Night Out event that was held on October 2, 2018.

I am currently President of a 42-home, self-managed sub association within Sun City. The administrative responsibility for a self-managed sub association requires me to be well-informed and knowledgeable about the management of an HOA in the State of Nevada, as well as skilled in fiscal management to avoid unnecessary assessment increases. During my years as President of the HOA sub association, our individual property owners' have realized a \$15 decrease in their annual assessments.

I understand and appreciate the diverse responsibilities of an Association Board member for a corporation the size of Sun City Summerlin. Although we are an HOA, we must always remember that we are a business. My years working in the insurance industry have provided me with the vast corporate experience necessary for me to be an effective Board member for our Association. I have long advocated and will continue to advocate for the development of a business/strategic plan for Sun City that would incorporate the short term and long term operational and personal amenity requirements for the entire community. I am convinced that a business/strategic plan would benefit the HOA in both long-term planning and budgeting that would result in improved fiscal communication to residents. I believe in transparency, not secrecy, regarding good or bad issues that impact all residents within the Association. I believe that increasing the HOA assessment should never be the first, but only the last solution to achieve a balanced budget.

Development standards and regulations are essential to maintain the quality of life we have become accustomed to and enjoy in Sun City. Compliance, however, should not be overly burdensome or perceived as oppressive by residents. If I am elected, I will actively advocate for more "win-win" outcomes in addressing issues and concerns that affect all the residents.

I am running for the Board of the Sun City Summerlin Community Association because the above issues matter to me. If they matter to you, I ask for your votes in this election so that I can make a difference in the HOA on your behalf.

You are welcome to email or call me with your concerns. I encourage it.

I would appreciate your vote **and I'll work to earn your support.**

SUN CITY SUMMERLIN'S BOARD OF DIRECTORS

**CREDIBILITY**  
**DEDICATION**  
**INTEGRITY**

**EXPERIENCE**  
**KNOWLEDGE**

I moved to beautiful Sun City Summerlin from Colorado, six years ago, where I lived for 35 years. As a Sun City homeowner, I believe we must retain the principles that have made us strong, while developing new and innovative ideas to meet the challenges of changing times.

Since my arrival to our lovely community, I was a member of the SCS Security Patrol, men's Golf (Niner's ), a past Chairperson of Community Preparedness Committee. Presently, I am playing and managing the American League team in the Sun City Summerlin Senior Softball League. I also play a lot of golf on our three beautifully maintained golf courses.

I recently retired from my position at the American Red Cross, where I was a staff manager for major disasters. My involvement in logistics and personal deployment are still an asset to the group. One never stops volunteering, but one must learn their limits in being deployed to disaster areas. After 20 years, I have experiences that help, educate and provide a clear plan for keeping all personnel working towards one goal. It has been a wonderful experience for myself and my family!

I'm asking for your votes, so I can be that voice, be that Board Member that listens and follows through on a promise. Getting it done and following up, builds a strong community as well.

Always understanding what's needed and the way you achieve it, by promoting mutual respect among community and our fine tuned employees. My passion for Sun City and devotion to its residents is my reason for being your one and only choice for a better and brighter community, Sun City Summerlin!

I hope my candidate statement proves that I am worthy of your SUPPORT!  
Thanks and stop me anytime. I do walk a lot in our community ...

- Association Board Member for six years
- Treasurer of Sun City [2 terms]
- Chair of Finance Committee [2 terms]
- Chair of Legal Services [1 term] and Committee Member for eight years
- Member of Properties Committee
- Member of the Security Patrol for five years
- Military Veteran

My wife Phyllis and I are beginning our 14<sup>th</sup> year as residents of Sun City. Every day we enjoy the activities, clubs and friends that we have made.

I have used my 45 years of experience as an attorney and a judge to help our community. I have gained much insight and experience as a Board Member. Cautious expenditure, prudent investment and transparency are my guiding principles. Although we have engaged in many improvement projects, we have maintained our assessments with only a modest increase, and maintained a high level of reserves over the past six years.

My Board colleagues and I are proud of the many accomplishments, changes and improvements we have made, bringing Sun City into the 21<sup>st</sup> Century; a **RENAISSANCE**.

I have been instrumental in, and supportive of

Renegotiating old banking arrangements and establishing new ones with the resulting savings of many thousands of dollars per year. ALL of our funds, – both reserves and operational, – are now insured by the FDIC or invested in U.S. Treasuries. I am committed to maintaining our financial security and strength:

Creating new library space, and adding dining space to the Tavern at Highland Falls; installing WI-FI in our buildings and pool areas; obtaining a new computer system and software, which enables us to better track our revenue and expenses; installing display monitors in our buildings; purchasing a new telephone service that will save thousands of dollars every year; beautifying and improving our streets and common areas; installing new lighting in buildings and common areas;

Refurbishing, rebuilding and beautifying our golf courses and surrounding areas, making play and the view more enjoyable for our members and resulting in more outside play and increased revenue. The Las Vegas Review-Journal named Highland Falls “Best Golf Course in Las Vegas” the last three years in a row.

In my view, our efforts have resulted in being named by **MSN – MONEY**, as **ONE OF THE 21 MOST LUXURIOUS RETIREMENT COMMUNITIES IN AMERICA.**

I ask for your continued support and vote. Thank you.

# DEBBY SMITH'S BOARD OF DIRECTOR'S CANDIDATE STATEMENT

## PURPOSE STATEMENT

The current Board of Directors has done a superb job of updating and modernizing our community landscaping, golf courses and recreational facilities. It is my goal to contribute to continuing this great effort and, in doing so, make SCS one of the best retirement communities not only in Nevada but in the US.

In short, if elected, it is my objective to maintain, preserve and improve where possible the uniqueness and specialness that brought all of us to SCS.

## SUN CITY SUMMERLIN EXPERIENCE

While we have lived here since 2012, I have participated in the community as:

- SCS Hawaiian Club Secretary 2013 and 2014
- SCS Women's Golf Club President 2016 and 2017
- SCS Women's Golf Club Parliamentarian 2018 and 2019
- SCS Guy's and Gal's Golf Club Vice President 2015-2019
- SCS Dance Connection Active Member 2015-2019
- SCS Boomer Connection Active Member 2012-2019

## PERSONAL INFORMATION

Born and raised on Kauai, HI, I received an Associate Science Degree from Mount Ida Junior College in Boston and a Bachelor of Arts Degree in Marketing from University of Arizona in Tucson. I lived in Phoenix, AZ and the San Francisco Bay Area with my husband of 31 years, Barry. We always wanted to retire to a golf course community. When I retired from United Air Lines as a Flight Attendant, we finally had our chance. It was time for us to make the move. My husband and I looked at many communities in other states as well as other communities in Nevada.

When we came to Sun City Summerlin we were quite impressed, to say the least. As we drove around SCS and looked at the golf courses, the clubhouses, the work out facilities, the pools, the landscaping and all the other amenities and how well they were all maintained, we were more and more convinced. It wasn't long before we made an offer on our first house and we joined this very special community.

# KARL WIEDEMANN

Julie, my wife of 56 years, and I have lived in Sun City since 2006. We love this community and the active life style. From February 2016 until February 2018, I was honored to serve on your Board of Directors. I chose not to run for re-election last year due to 2 scheduled surgeries. They are over and done with and I'm ready for action! I still believe in a Sun City Renaissance and want to continue to be part of the process. I am proud that I played a part in bringing our outstanding Executive Director, Mitzi Mills, to Sun City. I share her vision for a friendly, vibrant, young-at-heart

community. Sun City is a great place to live and one of my goals is to maintain and improve existing facilities, support our current residents and their interests while making it attractive to new residents. Golf has its place but I strongly support the interests of all residents from card players to pickle ball.

My family immigrated to the USA when I was 14 years old. I graduated high school, served 4 years in the US Marine Corps and proudly became a naturalized US citizen. I am not a retired lawyer, CPA or corporate executive. While I don't have the same level of formal education as other candidates for the Board, I have worked hard all my life and was a successful small business owner. I brought, and want to continue to bring, my practical, common sense approach to your Sun City Board of Directors. I am experienced in finance, budgets, reserve funding and day-to-day operations and have a drive to get things done. I have always been a "do-er" as many of you know. When you call me, I listen and, whenever possible, I act or get the ball rolling. I am a problem solver and a decision maker. I support good ideas and I am always open to new ones that will help improve our community.

I currently serve as President of Residents' Forum. We have brought many interesting events to Sun City and will continue to do so. As President of my sub-association for over 8 years, my ability and drive have served our residents well. I also organized and am chairman of all 39 sub-associations in Sun City. We meet every 2 months to consider and act on common interests.

## MY GOALS INCLUDE:

- **Golf:** We need to find a way to increase revenue and/or cut expenses
- **Term Limits:** Encourage new candidates who will bring fresh outlooks and new ideas
- **Budget:** Solicit more bids, encourage new vendors and so we can continue to improve our community
- **Reserves:** More realistic requirements based on our community's experience
- **Assessments/Fees:** I'll work to keep them affordable and reasonable
- **Landscaping:** Encourage "desert landscaping" while preserving old growth trees

**Please vote. You have 4 votes per household.**

**Together we can make a great community even better.**

**I WANT TO SERVE YOUR INTERESTS AND ASK FOR YOUR VOTES.**

**Jeff Wilkinson**  
**Candidate for Sun City Summerlin Board of Directors**

My wife and I have lived in Sun City for three years. During this time, I have attended many board and committee meetings, which gave me insight into the complex operation of our community. I believe that I can make a positive contribution to our community as a member of the Board of Directors.

Having corporate middle management experience, as well as experience starting and running a small business for 25 years, has provided me with a comprehensive and varied background. This experience gives me a multi-view perspective on complex issues, which I believe will prove invaluable as a director. Attending committee meetings and listening to the pros and cons of many different proposals is very informative. While procedures are indispensable, occasionally, common sense must prevail, and a pragmatic decision is determined to be best.

We must make use of available technology, integrating the information derived from newly available data, and using it to our full advantage. This will allow fine and continuous tuning to better manage costs.

We are fortunate that we have an excellent maintenance program. We must continue this high level of maintenance to our facilities, which is directly reflected in the intrinsic value of our reserve funds, our property values, and our properties' appreciation. I will strive to keep this important balance to avoid assessment increases and special assessments, and maintain the value of our reserve funds.

We should continue our path to be energy efficient as responsible citizens and to minimize costs, incorporating technology wherever possible. Our clubs must continue to evolve as premier attractions to our community and reflect our diverse lifestyles. We must utilize modern technology to the fullest to serve our existing residents and attract new technology savvy residents.

I grew up in San Francisco, attended Cogswell College, and worked in Silicon Valley for 25 years at Watkins-Johnson Company, a defense contractor. In my positions as an engineer, project engineer, program manager, and section head, I had responsibility for sales and profit, staffing, sales support, and vendor selection. I started my own company in 1991 in the heart of Silicon Valley and ran it for 25 years. In 2005, I set up a private network and ran the company from our home on Little Sebago Lake in the state of Maine. I have experience signing both sides of a paycheck and am cognizant of the need for fiscal responsibility and common sense in any business endeavor. If elected, I will treat our association as a business.

I moved to Sun City Summerlin in May of 2010 with my son Trey and our Border Collie Thunder. I am a second generation resident and had been visiting here for extended stays since 1996. As I became familiar with the community I came to believe that this was a place that offered everything nearly anyone could want.

At the first board meeting that I went to someone made a comment that the fiscal responsibilities of our Board of Directors was equivalent to the City Council of Boulder City! That has stayed with me as I made my decision to run for the Sun City Summerlin Board. I realized this was not a simple or easy decision to make and would take a lot of thought and research. To run a community the size of a small city you need to know what that entails, what decisions are made and how to make right choices. I began by starting the Boomer Connection Club with four others, which helped me to meet hundreds of others, mostly new to Sun City. I learned why they moved here, what they hoped the community offered them and how they wanted it to enrich their lives. This provided me with a great learning experience and my first insights into how our committees function and why certain decisions are made.

I live in a sub association and decided to run for its board of directors because I was interested in knowing that every homeowner would be represented and I wanted to make sure that we were well-run and fiscally sound. I was elected as President my very first term and have held that position ever since. Through this I have learned how an HOA needs to run and I became familiar with Nevada HOA laws and what is entailed in keeping an HOA healthy. I have been attending monthly classes given by the Nevada Real Estate Department's Ombudsman's office to further my education in HOA rules, laws and management, as required by the state.

I also joined committees and learned how they helped the community to function and provide residents with services they need and expect. I have met many employees of Sun City and learned how their departments work and what the daily running of our community is about. I take pride in being able to connect with people and listen to them. I know that by listening to the residents and employees I can make the best informed decisions to help improve our community.

What has always helped me accomplish my goals are these three things: organization and follow through, work ethic and dedication and, most importantly, my ability to communicate with others. I don't shy away from long hours, hard work or tough decisions. I don't do things half way or "just enough". If I take on an assignment I commit to it totally, until the assignment is complete.

Now, with eight years of experience, and being involved in many aspects of Sun City Summerlin's operation, I am both ready and qualified to be a useful and highly productive member of our Board of Directors. I am asking for your confidence to continue what I have started, and I ask for your vote. I promise to always see the whole picture, to understand why decisions are made, and to always vote in the best interests of the residents of Sun City Summerlin. Thank you for your confidence!

### Annapolis Awaits

By Bob Cohen/Link

Sometimes our career paths are determined by fate, sometimes by birth and sometimes it is none of those things. Otherwise, why would a boy born and raised in the Detroit area, a product of the Catholic school system and the descendent of people who were neither professionals nor veterans, turn down an opportunity to attend Notre Dame and opt for a career in the Navy? But that is just what Bruce Adams did.

USS Sample

“I was born in Farmington, Mich., a member of the Baby Boomer generation. There I attended the local Catholic grade school and attended a boys’ Catholic high school in Detroit (Detroit Catholic Central). As a kid, I was fascinated by all things military. Watching every episode of “Victory at Sea” and “Men of Annapolis” was a high priority. I never missed a military movie and devoured military novels and military history books. Looking back, I realized I knew almost no one who served or made a career in the service. Almost all my relatives manufactured war material during WWII, in the Arsenal of Democracy, Detroit. My father manufactured parts for Sherman Tanks.

“Three friends had received appointments to the academies. That was certainly an incentive to make me feel that, if they could do it, so could I! My teachers at Catholic Central were closely aligned with Notre Dame University and certainly pushed qualified students to

attend there. But you got a pass if you attended a Service Academy. I did apply to, and was accepted by Notre Dame, which was my backup school. But I really wanted Annapolis,” Bruce said.

The entire process of applying to the Service Academies was both lengthy and difficult. Certainly the path to Notre Dame was much easier, but it paid off. Bruce was accepted to West Point. It wasn’t his first choice, but he

USS Preble

was resigned to becoming a member of the Long Gray Line until, at the last moment, he received a telegram stating that he had been accepted at Annapolis.

“It was a life-altering reprieve, and it didn’t take long to make my decision. I showed up at the US Naval Academy on 30 June 1965, to be sworn in as a Midshipman, a

USS Rupertus

member of the Naval Academy Class of 1969,” Bruce recalled.

He was prepared. He had read a lot and pretty much knew what to expect, and was never surprised by anything that happened.

“I might have been scared, hurt, disappointed or angered, but never surprised. Except for the weather. Annapolis,

Maryland, in the summer is truly the most miserable place on earth. The heat and humidity took a lot to get used to. And Bancroft Hall (our gigantic dormitory building) was not air conditioned. Nor were there screens on the windows. Humidity, heat and flying bugs became something to live with, along with all of the misfortunes of being a Plebe under constant mental and physical assault.”

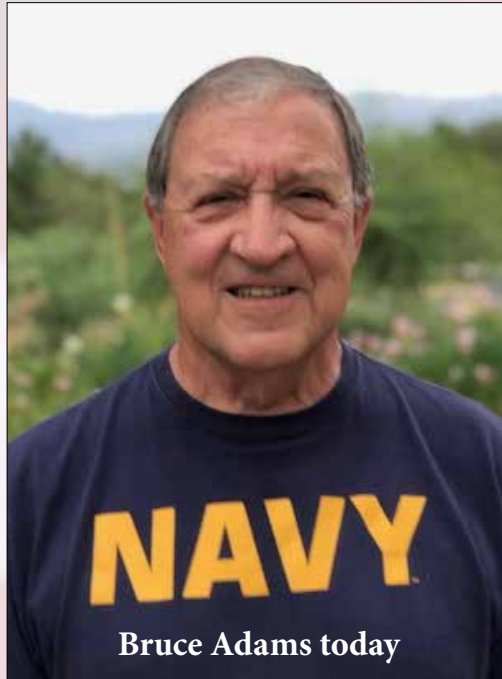

Life at any military academy is very ... structured and Annapolis is no different. The course work is rigorous and the Naval Academy had a regular curriculum of engineering, science and math, as well as courses geared specifically to the military profession. But it was not all course work. There were sports and, of course, summer training cruises.

“At the end of our first (Plebe) year, we spent two months in at-sea training, where we were ordinary seamen,

rotating through the various departments on our assigned ship. I was lucky enough to be assigned to a ship

whose home port was Newport, R.I. Being in Newport was fabulous, but being at sea was equally fascinating. After our junior year, we were again assigned to ships for the summer, but this time as junior officers (Midshipmen First Class). I was assigned to the USS Cromwell, about the smallest warship in the Navy. The Cromwell was a destroyer escort, 300 feet long and outfitted with all the weapons necessary to escort convoys in WWII.

“But this was 1968 and we were bound for a show-the-flag visit to all the major Northern European ports. (Copenhagen, here I come!)

New homeowners began moving into Sun City in 1989, and in 2019, SCSCAI is preparing to celebrate this momentous anniversary. Further details on events will become available in upcoming Links, so be sure to check this section monthly. For now, the Link is planning to create a time capsule that will be buried in the community toward the end of the year. If you have a suggestion on what would be a good item to place inside the capsule, send your ideas to the Link at [link@suncitylv.com](mailto:link@suncitylv.com). We look forward to hearing from you.

## RESIDENTS' FORUM

## Meet Sun City

### Rick Szuran

Food & Beverage  
Department

Rick Szuran of our Sun City Summerlin Food & Beverage Department is also a Sun City resident and neighbor. Though only an employee for eight months, Rick is no stranger to our Del Webb community. His parents have lived here for 20 years. Rick is part of an ever-growing group of residents who have followed their parents to Sun City Summerlin.

Born and raised in Dearborn, Mich., Rick lived in the Detroit area for 31 years. While there he managed many restaurants in and around Detroit. Then he moved to Las Vegas, where he has lived for the past 30 years. During his time in Nevada he owned and operated a 7-Eleven store.

Rick shares his love for Southern Nevada with his parents, daughter and son-in-law, and brother. All have followed him here to Las Vegas. Rick is so grateful to have family members nearby. He is the proud grandfather of a 2-1/2-year-old grandson, Brady.

Echoing several of his fellow Food & Beverage employees, Rick said, "I like the people here. They are interesting and never dull." He is fascinated by the backgrounds of Sun City neighbors, and he loves hearing of their past experiences.

Rick can be found at The Summit Sunday brunches, making certain all is in order with coffee cups never empty and used items always cleared from tables. He also works at Tavern at the Falls and mans a golf food cart. Rick's smile and cheerful attitude are appreciated by all with whom he comes in contact.

When asked what his favorite menu items are at both The Summit and Tavern at the Falls, he said, "Anything the cooks prepare. We have fantastic cooks here."

Rick keeps fit by working out every day. He also enjoys playing tennis. Reading mysteries is a more relaxed pastime. A history buff, Rick's plans for retirement include visiting various historical sites in the Eastern United States and a visit to Rome.

Stop by The Summit for Sunday brunch, one of the many music events, or just a snack, patronize a golf food cart and get to know Rick. He would love to get to know of your past adventures and what brought you to our Sun City Summerlin.

# The Neighborhood Preparedness Team Progress and Forecast Report

Erik Braun, Co-Chair

Neighborhood Watch/Community Preparedness Committee

All Sun City Summerlin residents are encouraged to take advantage of services provided by the Neighborhood Watch/Community Preparedness Committee, which has transitioned from an SCSCAI standing committee to the Neighborhood Preparedness Team, a community service organization. Benefitting participants of an educational program are all Sun City residents, including those who rent their homes, as well as property owners.

“With a name change to the Neighborhood Preparedness Team, our mission will remain the same, but the organizational structure will be more inclusive of everyone who lives here,” said Erik Braun, the Team’s co-chairman. The Neighborhood Team will continue to teach residents to be more self-sufficient in knowing how to respond to emergency situations.

## Business Meetings

The Neighborhood Preparedness Team provides its annual schedule of meetings to the Community Services Department, which coordinates notification of all monthly meetings in the Link, Sun City Summerlin’s official publication.

## Mission Statement

The purpose of the Neighborhood Preparedness Team is to educate all community residents to safely respond to consequences of a natural, industrial or crime-related adversity by means of a communitywide network, and to heighten awareness of crime prevention techniques through a partnership with the Las Vegas Metropolitan Police Department. The neighborhood team benefits Sun City residents as a nonprofit organization with all funds used for community organization purposes.

The next meeting is Wednesday, February 20, 9 a.m. in Desert Vista’s Committee Room. For more information on the Team, email [Neighborhoodwatchesuncity@gmail.com](mailto:Neighborhoodwatchesuncity@gmail.com).

## Forthcoming Planned Neighborhood Preparedness Team Missions:

- A plan for operational inspections of residents’ home smoke detectors.
- A comprehensive community-wide educational event to present assistance products and programs that support independent senior living.
- A group meeting of all block Neighborhood Watch captains to share lessons learned, best practices and strategies for new leaders as well as seasoned captains.

Everyone is encouraged to attend the community organization team’s monthly meetings.

“This is your community organization and we’re anxious to hear questions, as well as your ideas for future classes and programs,” said Erik. Currently, 78 Neighborhood Watch groups are keeping a sharp eye on Sun City. Residents, however, are not required to have an active Neighborhood Watch on their street to take part in ongoing educational presentations.

*Footnote: Minor changes to the community organization constitution were requested by the BOD, which has delayed approval of the Neighborhood Preparedness Team until the February 5 Board of Directors meeting.*

## A Full Calendar of Work Awaits Committee in 2019

December 11, 2018, was the last meeting of the year for the Common Area Properties (CAP) Committee. As members brought 2018 to a close there were several issues reported that might be of interest to residents, as well as some new and exciting projects to ring in the New Year. Winter play at the golf courses was slower due to the irrigation project, but SCSCAI Golf Director Donny Long reported that the numbers were expected. Donny reassured everyone that a great spring turnout is expected.

### December 2018

The “12 Days of Christmas” promotion began at our pro shops on December 13 and was very successful. When someone paid for a green fee, they received various gifts and raffle tickets. Lots of gift cards were purchased for merchandise and food and beverage.

### January

- The new carpet at the Mountain Shadows miniature golf course was to be replaced, but due to bad weather on the East Coast, the project was delayed. It is expected to start as soon as the carpet arrives.
- The Desert Vista Social Monitor’s station, as well as the Mountain Shadows Social Monitor’s station will be remodeled. Bids are expected by the January Board of Director’s meeting, with work to start when the funds are approved.
- The window treatments for Tavern at the Falls arrived with installation set for this month.
- The twisted Junipers at the Mountain Shadows Community Center have been removed, and that project is complete.
- Louis Darling, SCSCAI’s Director of Landscape, reported that he is waiting on BOD approval to start a project at the Desert Vista pool area patio. That work will include the installation of new pavers and removing certain trees.
- The Golf Maintenance Department reported that spraying work on the test fairway at Palm Valley was complete.

### March

Repairs to the shuffleboard courts at Mountain Shadows have been put off until March because warmer weather is needed to repair courts 3 and 4, which had been done unsatisfactorily.

### June to September

A second irrigation project at Palm Valley is expected to close the course, starting June 3. The work will include replacing the irrigation project along the back nine. The work is estimated to cost \$2.4 million and should be complete by September 16.

### Health & Fitness Department

Along with the new flooring at various centers and the two new fitness monitor stations, different layouts are being reviewed that would allow for more efficient movement throughout the gym. The department is also evaluating adding new equipment to several centers. Every month throughout 2019, the Health and Fitness Department is projecting “A Year of Healthy Living,” with each month covering a new theme. SCSCAI Fitness Director Pam Shields reported that the use of the new antimicrobial spray is working, and that the spraying of the equipment, door handles, lockers, mats, etc., has proved to be highly effective.

### Food & Beverage Department

Anthony Marrone, Food & Beverage Manager, was unable to attend the meeting, but SCSCAI Executive Director Mitzi Mills filed the report in his stead, announcing that Mr. Gage Stringer, who has worked with Anthony, will be staying on staff as the new Food & Beverage Assistant.

A New Year’s Resolution (though a bit late in reporting), I’d like to report that all department directors are working hard to improve and help our community thrive and grow in 2019. We are very fortunate to have the staff we have aiding us in our vision to see Sun City Summerlin continue to be the very best retirement community to live in across the country. 🍷

*Ken Caroccia,*  
*Chairman, Common Area Properties Committee*

CAP’s next meeting is scheduled for Tuesday, February 12, 9 a.m., in the Desert Vista Committee Room.

## Model Builders, Golf, Neighborhood Watch Seek CCOC Assistance

**D**ecember 2018 was a busy month for CCOC. Some of the highlights were:  
 The Model Club made a presentation regarding the cost of its new and modernized Lone Mountain Railroad exhibition. Club members informed CCOC that they had spent about \$10,000 from the Club and private donations to date. They asked for an Association contribution of about \$6,000 to completely finish the project. Our Executive Director agreed to make the request a Conceptual Idea and to bring it forward to all stakeholders.  
 The CCOC reviewed a proposed constitution for a new community organization, the Neighborhood Preparedness Team Community Organization. It was explained that this new community organization

would eventually take the place of and do all the things presently being done by the Neighborhood Watch/Community Preparedness Committee.  
 The presentation detailed how the change in status to a community organization from an Association standing committee would make the group more inclusive to all residents because membership would not be limited to only SCSCAI members. The request was approved for forwarding to Sun City's Board of Directors.  
 SCSCAI Executive Director Mitzi Mills presented an issue on behalf of the Sapphire golf members who are not all SCSCAI members. According to Ms. Mills, the members, who are a valuable asset to our golf program, would like to participate in golf club activities and tournaments. After an interesting discussion, the CCOC proposed that all Sapphire golf members be allowed to participate in golf club activities so long as the club members approve and they pay all associated costs and fees. This matter will be forwarded to the Golf Oversight Committee for review and possible forwarding to Sun City's Board of Directors.

# Getting to the Heart of the Matter

February is Heart Health Month! What comes to mind when you think about heart health? High blood pressure, diabetes, congestive heart failure, etc. While genetics can play a role, these conditions are largely the result of choices we make over the course of our lives. Your heart pumps blood throughout your body, carrying oxygen and other key nutrients vital to your survival. Anything that disrupts this blood flow (smoking, dehydration, poor diet, lack of exercise) increases your chances of contracting heart disease and other chronic conditions. The good news is it is not too late to improve your heart health. We've got some suggestions below that don't cost a lot, don't involve drugs and will put a smile on your face!

## 5 Interesting Facts About Your Heart:

1. Your heart is about the size of your clenched fist and weighs slightly less than 1 pound.
2. Your heart pumps about 2,000 gallons of blood every day
3. A woman's heart beats slightly faster than a man's heart.
4. The beating sound of your heart is caused by the valves of the heart opening and closing.
5. It is possible to have a broken heart. "Broken heart syndrome" has similar symptoms as a heart attack but is caused by a rush of stress hormones from an emotional or physical stress event, versus heart disease.

## 5 Lifestyle Changes to Improve Your Heart Health:

1. Laughter is good for your heart. It reduces your stress level and boosts your immune system.
2. Stand up and move around. The USDA recommends at least 30 minutes per day of physical activity, but even if you get 30-60 minutes of exercise per day, it matters what you do with the other 23 hours. Move around frequently throughout your day.
3. Hydrate, hydrate, hydrate. Getting plenty of water improves your circulation.

4. Eat a heart-healthy diet and maintain a healthy weight. Processed and fast foods produce inflammation. Whole foods are anti-inflammatory. Eat more fruits, vegetables, whole grains, beans, nuts and fatty fish.
5. Get your zzzz's. Lack of sleep increases the risk for heart disease. The sweet spot seems to be between 6 – 8½ hours per night.

## 5 Easy Nutritional Changes:

Isatu Isuk, R.D., L.D.N., a dietitian at the Johns Hopkins Hospital, suggests simple dietary adjustments.

1. Choose nuts over chips.
2. Choose coffee or tea over soda.
3. Choose dark chocolate over baked goods.
4. Choose broiled or grilled salmon over steak.
5. Choose green side dishes over white ones (potatoes, breads, rice, etc.).

## 5 Recommended Check-ups for Heart Health:

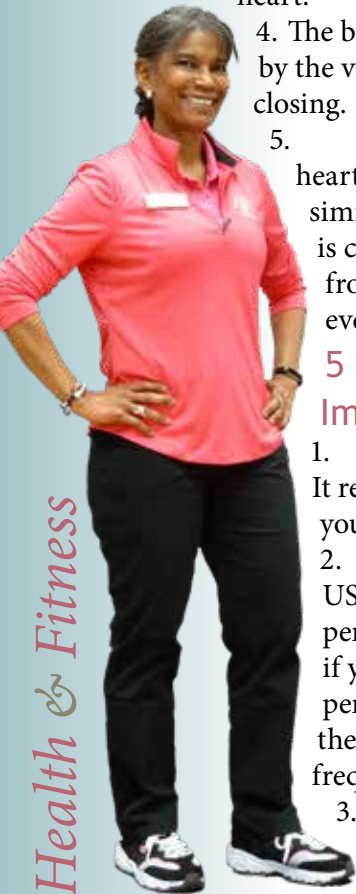

1. Blood pressure checks
2. Blood glucose
3. Cholesterol
4. BMI – Body Mass Index
5. Waist circumference

## 5 Types of Exercise to Improve Your Heart Health:

1. Walk
2. Swim
3. Dance
4. Tai chi
5. Strength training

Whatever you choose to do, know that you can improve your heart health, starting today. As always, check with your health care provider before beginning a new exercise program. It is normal to feel some soreness when you do something new and/or different. Start slow and listen to your body.

# It's Time to Decide Where to Permanently Store Your Trash Cans Outside

## Trash and Recyclable Pickup

We understand that the new Republic Services schedule may be confusing to residents as we continue to receive complaints that residents are putting their trash out too early for Tuesday pickup. Some residents also think that trash will be picked up on Fridays if they put it out. Others are storing their trash carts in front of the garage and putting trash bags out for pickup.

1. Trash should not be at the curb prior to 3 p.m. on Monday for Tuesday pickup.
2. Until February 28, 2019, trash carts **THAT ARE NOT STORED IN THE GARAGE** must be stored on the side of the home, behind the front line of the dwelling; not in the front of the garage. **As of March 1, 2019**, the carts must be stored in a manner so as not to be visible from the street, unless at the curb for scheduled pickup.
3. If you plan to build an enclosure for the carts, it must first be applied for and approved by the Architectural Review Committee (ARC). The carts can be concealed by:
  - a. A masonry enclosure with a stucco finish painted to match the color of the house
  - b. A wrought iron enclosure with metal mesh screening painted to match the color of the house
  - c. Bushes or shrubs that are tall enough to cover the carts at the time of planting.
4. Republic will no longer pick up loose trash bags unless it is on bulk pickup day, which is every other Tuesday. Check the calendar you received from Republic when your trash cans were first delivered, or

see the calendar posted on [SunCitySummerlin.com](http://SunCitySummerlin.com). You may also call Republic Services (702-735-5151) to have a calendar mailed to you.

5. Trash containers must be placed in the street with wheels against the curb at least 2 feet apart from each other and away from objects.
6. Each sub-association may determine where trash containers can be stored, as long as the containers are not visible from the streets.

## PODs and Dumpsters

A Barricade Permit is required from the City of Las Vegas Public Works Department to store a POD or Dumpster on the street for any length of time. For information, call 702-229-6276.

PODS or Dumpsters can be stored on private property for a maximum of 14 days without a permit. Longer than 14 days requires a permit from the City of Las Vegas Planning Department. For information, call 702-229-6301.

## City of Las Vegas Parking Services

Recreational vehicles (RVs) and mobile homes may not park in residential streets without first obtaining a temporary RV permit. A permit allows street parking for a maximum 48-hour period. If an additional permit is desired, a minimum of 72 hours from the previous expiration is required.

Permits are issued Monday to Thursday, 7 a.m. to 5 p.m., at the Parking Office in Las Vegas, 500 S. Main St., or online at <https://secure3.lasvegasnevada.gov/eparking>. For information, call 702-229-4700 or 800-228-3332.

Come join us for a fun game of golf on a beautiful course with a warm bunch of golf enthusiasts. We play every Tuesday morning at the Sun City Eagle Crest Executive course. Tee time in February is 8 a.m., with check-in by 7:30 a.m. To learn more about our Club, visit [www.scsleg.com](http://www.scsleg.com) and browse through several of our slide shows and discover we are not just about golf. You also can try out our club twice before joining. We accept beginning through seasoned golfers, and each week you can elect to play either 9 or 18 holes. Contact our Membership Chairwoman Sandy Wright, 661-478-0076, for information. Our general business meeting with a light lunch (\$10) is held at Desert Vista the fourth Tuesday of the month. This month's meeting is February 26. Mark your calendar for our May 7 Invitational, with the theme of "Breakfast at Tiffany's." We would love to have you as a new member. Come join us!

**Golf (Men's) 18 Hole** - Don't play too much golf, two rounds a day is plenty." - Harry Vardon. Well, with that quote we are looking at springtime just around the corner, offering ample opportunity for those to take advantage of his words. Our courses were spectacular over the winter. The over-see and other efforts at Highland Falls and Eagle Crest proved to be the best we have had in a long time. Great job! Palm Valley also was in great shape, though the painted fairways were not liked by many. I, like those many, would like to know what the next step is for Palm Valley fairways, as this winter proved painted fairways are not preferred. Please take time if you can to help us by participating in our Golf Oversight Committee. It meets every two months and when it is scheduled we will post the information on the 18Holders website, [18holders.org](http://18holders.org). At this time I know of two important 2019 issues: 1. Advertising our golf community nationwide and 2. Support for over-see for Palm Valley this fall. I am sure as we continue in 2019 there will be other issues/items that we will want to surface. With that, please continue to address any issues/items you have via email to our Executive Director Mitzi Mills, or send them to me and I will address them. There has been a scheduling change for February. The Home and Home with Revere has been moved to March (hopefully better weather than last February). We will update the yearly tournament calendar on our website, and we will advertise for our team players in February. We won it back last year, so our theme is Keep the Trophy! February also brings us Saint Valentine's Day. Happy Valentine's Day to

**Golf (Men's) Niners** - We have four Thursday tournaments in February, all starting at 8 a.m. Please sign up online in advance, or on the board at Highland Falls. Our membership continues to grow and we hope if you are thinking about joining, please do. There will be several golf outings planned for out of town in 2019 and, of course, our great picnic in the spring and our Xmas party in December. Applications for membership are available at our golf shops. You may go on line, [www.scsniners.com](http://www.scsniners.com), for an application. Any questions, call our Membership Chairman Pete Bentivegna, 941-223-6550.

**Golf (Women's)** - December was a busy month for the SCSWGC. The Fleur de Lis finale on December 4 determined the winners of our yearlong efforts to capture the gross, net and putts top prizes. Then, on December 11, we played our "Rudy Sez," a wacky play day where each hole presented a fun challenge. December 18, ABCD teams played a partner's scramble followed by a rules-focused luncheon given by Sue May, an LPGA rules official. Thanks, Sue, for sharing your knowledge with us and to Win Wilson for all her efforts to coordinate. Winners are all posted on our website. A new year is a great time to dust off your clubs and come join our golfing gals. A very friendly and welcoming membership, we will assign you a buddy to show you the ropes. If you are a party girl, we do that too! General information about our Club, as well as membership applications for 2019, can be viewed on our website, [scswomensgolf.com](http://scswomensgolf.com). You can join any time during the year and play with us twice before making a commitment. **R.V. - Wagons Ho ...** That's the goal of the RV Club as we hold campouts at a variety of locations throughout the Southwest. We've gone to the Shakespeare Festival in Cedar City, Utah, enjoyed Bluegrass music on the beach at Lake Havasu, strolled through historic San Diego, meandered around Sedona, ridden a train that provided breathtaking views and enjoyed a BBQ turkey dinner while looking out on the rugged Colorado River's Black Canyon from Willow Beach. Plans are now taking shape for upcoming trips that will include a mix of both old and new destinations. For example, join us as we travel to Morro Bay, Calif., to enjoy the best of beachcombing and Central Valley wine tasting. If you have an RV or travel trailer of any type, or want to rent one, please join us! Make new friendships, marvel at what the geographic area has to offer and help us determine where we want to go! For more information, you are invited to call club President Tim Troxel, 249-3239. We meet at Desert Vista the second Monday of each month at 7 p.m.

all residents of our community. The Club's qualified instructors can teach non-swimmers how to swim, swimmers to swim better and even help you train to swim in the Nevada Senior Games and other competitions. Over 35 people have learned how to swim through individual attention from our coaches while our competitive swimmers took more medals at the 2017 Nevada Senior Games than any other group. There's also plenty of time for helping each other and for socializing. We have monthly luncheons, a spring picnic and a holiday party every December. The Sun City Summerlin Swim Club has exclusive use of the Desert Vista pool Monday, Wednesday and Friday, 9-10 a.m. Membership is \$10 per year. Contact us at [scs.swimclub@gmail.com](mailto:scs.swimclub@gmail.com), or call Paul Brandt, 725-600-3771.

**Table Tennis** - In addition to the light-hearted challenges our members enjoy when playing in the best of three (3), eleven (11) point games, they really like the exercise, fellowship and laughs this ping pong club provides. Below is the list of times and Sun City Centers where the Club plays. The Club has extra paddles for guests. Improving one's shots can be accomplished during the many single or doubles matches. This Club has and welcomes rusty, beginner to advanced levels of play. At any of the Club's playing times, feel free to stop in to see the smiling faces and high energy action that goes on. Our annual spring breakfast buffet is planned in March. Hope to meet you soon. Times reserved for play at the Pinnacle: Monday (robot machine setup), Wednesday and Friday, 9:15 a.m. to noon; Sunday, 9 a.m. to 2:30 p.m.; Tuesday, 5-8 p.m. Time reserved for play at Sun Shadows: Thursday, 5:30-8 p.m.; What to wear: Tennis shoes and clothing that works for moving around. Cost: \$10/year. Borrow one of the Club's paddles or bring your own. Questions? Call Lauren Lentz, 909-648-1397.

**Tai Chi** - Annual dues of \$5 per calendar year are due for 2019. Class instructors have pre-printed envelopes for you to complete. Dues may be given to Blanche York, Judith Filangeri, Mery Finkle or your class instructor. Tai Chi is the perfect exercise for seniors. All classes for all levels are held at Desert Vista Fitness Center. For information, call Mery Finkle, 228-8417, or Jim Ko, 586-7787. Mitzi Mills, SCSCAI Executive Director

## Executive Director's Report

**H**appy New Year to each and every one of you. I hope you had a wonderful holiday season. As we start off 2019, I am looking for your opinion on some items we are considering. If any of the items below apply to you please respond by sending me an email (MitziM@SunCityLV.com) or letter, no verbal responses will be taken as we need to log and document each response. You only need to reply to those items that are of interest to you, and you do not need to reply if none of them pertain to you. This is just a way for me to get the community pulse from residents who use the facilities being addressed.

**Basketball Court** – If you use the basketball half-court at the Pickleball courts at Desert Vista, please let me know. We are considering moving the half-court to a different location or possibly getting rid of it all together. But we want to hear from those who use it before we do.

**Horseshoe Pits at Desert Vista** – It appears that the horseshoe pits at Desert Vista are not used. We would like to make changes to this area and add some other type of activity for our residents to enjoy. If you presently use this area, or if you have ideas for a new outdoor activity for the area we want to hear from you.

**Fitness Center and Community Center Hours** – Do you use the fitness centers or community centers? We are interested to know if you think the current hours of operation are adequate, and if not what hours you would like to see them open. Please be sure and specify which fitness center or community center you are writing about.

**Ham Radio Operators** – We are looking for Sun City Summerlin residents who share the common interest, hobby and public service of being an amateur radio operator.

Desert Vista basketball court.

**Parking** – Would you purposely make someone with a walking disability walk down the curb, out into the street and around your vehicle when they are out for a little exercise? Would you make them walk further than necessary to attend a meeting, event or exercise class at our centers?

Of course not! But that is exactly what happens when cars are parked on the sidewalks in front of the homes or a handicap-only parking space is used by someone without the proper tags.

**Sidewalk Parking** – Put this number in your cell phone – 702-229-6615 (Las Vegas Parking Enforcement). When you are out walking or even driving by and see someone parked on the sidewalk call the number, press option 4 and report it. Have the address and the license plate ready.

Sidewalk parking is a violation of two separate city ordinances – sidewalk obstruction and residential parking. Also, if you send me an email with the address and a picture (or description of the car) with the license plate number I will send the owner of the property a head's up letter that they are violating city ordinances and could receive a ticket and fine from the City of Las Vegas. You do need to send this concern to me by email (MitziM@SunCityLV.com) or drop it off in writing to my office at Mountain Shadows (signed) as I do not take reports of this nature over the phone.

I appreciate your input on these items. This is not a vote, but an information gathering exercise to help me in my management reports on certain items. It is important that you only respond to items you use or participate in. You will see more of these types of inquiries from me as issues come up, and your input is always appreciated.
