PRESIDENT'S MESSAGE

Joe O'Connell
President, SCSCAI Board of Directors

Start the New Year Right By Enjoying Our Sun City Environment

It is really hard to believe, but 2019 is here. New Year's resolutions are easy to make but hard to keep. Make some you can keep this year. Be nicer to your spouse; eat smarter; work out three days a week; and get out of Las Vegas in the summer. I hope my wife reads the first one. Seriously, we have a great place to live. Try to dwell on the good things we have here. Enjoy our amenities. I drive a Security Patrol car on Tuesday nights and we have to knock on doors pretty late at night sometimes to let you know your garage door is open. David Steinman used to check my door about midnight, but wait till two a.m. to let me know my door was open. I hated it. One of our drivers, Bill Schoening, told me last week there is a device that automatically closes your garage door after a certain number of minutes if you forget to close it. It is called the "Garage Butler." It has six time settings and works on all garage door openers. He said it was easy to install. If you hate late night door bells like I do, it might be worth checking out.

I received an e-mail from someone who was unhappy about her view. She lives above a sub-association, and their trees are growing high enough to block their view. I have heard this frequently in the past four years, and I thought I would recommend that people who have this problem contact the president of the sub and offer to pay for the trimming of the tall trees. Frequently, the sub does not have the financial resources to pay a tree trimmer. If you ask "nicely," they might accommodate you.

Also, our new garbage cans can be replaced with a larger one if needed. We were told we had to wait a month to try them out.

Our month is up and Republic should replace yours if you contact them. I was surprised that the smaller one worked fine for my wife and me. Don't forget that there is a bulk pickup every other week – not every week.

We have a bunch of candidates running for office this year. There are four vacancies. Check them out well and cast your four votes. If you like to complain about things here, you should at least cast a ballot. I am not one of your choices and will miss working with all the other board members, especially "The Judge." (He was always right.)

Start your New Year right, by enjoying our beautiful Sun City environment. 

*Joe O'Connell
President, SCSCAI Board of Directors*

COMEDY AND THEATER COLLIDE IN BROADWAY PARODY 'SPAMILTON'

When Gerard Alessandrini witnessed the sweeping impact of Broadway phenomenon "Hamilton," he knew just what he had to do.

He had to spoof it.

"It was the biggest hit show to arrive in Broadway since I had come there in 1981," remembers Alessandrini, whose Tony-winning revue *Forbidden Broadway* has parodied Broadway productions for decades. "I thought 'Wow, I've spent most of my life spoofing Broadway shows – I have to do this one.'"

A veteran playwright and director, Alessandrini took this comedic undertaking seriously.

The result was the highly acclaimed parody musical "Spamilton: An American Parody," offering clever, satirical songs and energizing dance numbers appealing to theater fans and newcomers alike.

"It's a good family show," he says. "I hope audiences feel the same joy seeing this that I felt when 'Hamilton' arrived in New York."

A HILARIOUS PARODY

Promising nonstop laughs and impressive music and dance numbers, "Spamilton" pokes fun at Lin-Manuel Miranda's creation of "Hamilton" and the show's overwhelming popularity.

"Spamilton" is packed with parody versions of hit "Hamilton" songs, including turning the original show's "What'd I Miss?" into the spoof "What Did You Miss?" satirizing the density of information in "Hamilton."

"The point was to make it all as funny and zany as it could be, with lots of both parody songs and parody dancing," Alessandrini says.

NO HAMILTON KNOWLEDGE REQUIRED

Audiences don't need to see "Hamilton" to enjoy "Spamilton," Alessandrini emphasizes.

The show also parodies the overall theater industry, with jokes about Stephen Sondheim and many other famous Broadway shows.

Even non-theatergoers will appreciate the physical comedy and skilled performances.

"You can enjoy this on many levels," he assures.

LIN-MANUEL'S SEAL OF APPROVAL

Beyond rave reviews from *The New York Times*, *The Huffington Post* and more, "Spamilton" has received the most coveted praise of all.

"Hamilton" creator Lin-Manuel Miranda tweeted that "I laughed my brains out" watching "Spamilton."

"I'm thankful for him and for being a good sport," Alessandrini says. "I think this show is hilarious, and it's fun, lighthearted entertainment."

ELECTION COMMITTEE

11 Vying for 4 Open Seats in SCSCAI Board of Directors Election

The Election Committee is preparing to conduct the annual election of Sun City Summerlin's Board of Directors. This year, Tuesday, February 26, 2019, is designated as Election Day and **will be the last day to cast your ballot**. Counting of the ballots will take place on Wednesday, February 27, 2019, at the Annual Membership meeting. Four positions will be filled. Each home will have **four (4) votes** that may be cast for one candidate or divided among all in any manner desired. **It is critical that not more than four (4) votes are marked.**

Ballots (part of the Link mailing label) and a return envelope will be included in your February Link. The ballot instructions are on the back of the address portion of the mailer. The ballot portion is perforated so the name and address can be removed by tearing the appropriate section at the perforation. After you mark your votes on this ballot, **remove the address portion and insert the ballot into the envelope so that the bar code shows through the window in the envelope.** It may then be mailed to the Administration Office, Mountain Shadows Community Center, 9107 Del Webb Blvd., Las Vegas, NV 89134; or save Sun City the cost of postage by depositing your ballot in the ballot box at Mountain Shadows. **If you mail your ballot, it must arrive no later than 5 p.m. on Tuesday, February 26, at which time voting will be closed.**

Should you lose or accidentally destroy your ballot, another one can be obtained at the Administration Office. Before requesting a replacement ballot, be certain that another member of your household has not already voted. If two ballots are received from the same household **BOTH** will be voided. Also, if more than four (4) votes are marked on a ballot, all votes will be voided.

The following is an alphabetical listing of candidates for this election:

- | | |
|-----------------|--------------------|
| 1. Jim Akers | 7. Debby Smith |
| 2. Dick Clark | 8. Gerry Sokolski |
| 3. Sally Davis | 9. Karl Wiedemann |
| 4. Sandy Krause | 10. Jeff Wilkinson |
| 5. Paul Madigan | 11. Julie Zerbel |

Death Valley Daytrip

In this below-sea-level basin steady drought and record summer heat make Death Valley a land of extremes. Yet, each extreme has a striking contrast. Towering peaks are frosted with winter snow. Rare rainstorms bring vast fields of wildflowers. Lush oases harbor tiny fish and refuge for wildlife and humans. Despite its name, a great diversity of life survives in Death Valley. Comfortable walking shoes are recommended. The average high temperature in February is about 75 degrees.

ITC

Leo Crawford,
Chairman

Good day to all the great folks living in Sun City Summerlin. I hope it was a great year for you and your families and friends. Information technology wise, many of the changes Sun City made over last year were internal, making staff more efficient, especially in the accounting department where we are much better able to keep track of revenue and expenses. We also installed several more large-screen monitors that display what's happening in SCSCAI. Of great import, we also brought a new website online. All in all, a very good year of using technology to make the support of staff and residents better, cheaper and faster. My thanks to everyone on the IT Committee and the SCSCAI staff, especially our Executive Director for all that was done to use IT to make our community better.

For the New Year, probably the two most important things you can do to keep your data safe:

1. Never respond directly to any email requesting your account information, including password or user information. Legitimate requests for changes ask you go to the vendors' website and make the change. DO NOT ever click on the supposed requesting site

address contained in the email. Instead, if you think a change is needed (probably not if they ask you to click on an address in the message), go to your browser and input the address you know for that site. Keep your user data private.

2. DO NOT open email attachments when the email does not contain something that makes you confident the email comes from the person in the "from" line, someone you know or are expecting a note from. It's easy to make it look like the note comes from someone you know but, in reality, the message is from a scammer. An example of something that should ring a warning bell – "This is really funny" followed by an attachment. How did the scammer get your email address? They probably got it when someone you know opened an attachment that allowed the scammer to download the person's address book. So, when you send something with an attachment, make it personal so the person knows it's from you. For example, "Mary, I very much enjoyed lunch last week. I thought you might enjoy the attached." Have a wonderful healthy, happy and safe 2019.

Welcome to 2019! I hope you all had a wonderful holiday season filled with things that make you happy. As we look forward to another year, I first want to thank you for making my first six months in the role of Fitness Director such a pleasure. I am committed to providing you with health and wellness programs befitting a community as dynamic as Sun City Summerlin.

It's a brand new year and we're starting off with a new name, a new focus and a new energy! The old Fitness Department is now the Health & Fitness Department. While this new name may seem like a small difference, it represents a major change in our focus and direction. It is our goal to increase the wellness and vitality of the Sun City Summerlin community by providing educational and experiential opportunities that stimulate your mind, body and spirit.

Your overall health is about more than how much you exercise and what you eat. It is about how much you socialize, how much sleep you get, how often you laugh, and so much more.

This month, we are kicking off our Year of Healthy Living. Each month will feature a different theme with seminars, activities, resources and challenges focused on that particular theme.

JANUARY	FEBRUARY	MARCH	APRIL
Mental Well-being	Heart Health	Nutrition	Brain Health
MAY	JUNE	JULY	AUGUST
Bone Health	Healthy Home	Eyes, Ears, Nose, Throat	Pain Management/ Supplement
SEPTEMBER	OCTOBER	NOVEMBER	DECEMBER
Physical Fitness	Women's Health & Men's Health	Sleep & Stress	Social Interaction

January's theme of Mental Well-being is all about how you feel about yourself and your life, your sense of purpose and your interaction with others. The Oxford English Dictionary defines well-being as "the state of being comfortable, healthy or happy." You can improve your well-being in many ways, including developing meaningful relationships and connecting with others, staying physically active, challenging yourself by learning new things, committing acts of kindness, and being mindful or more present in the moment.

With the 2019 Year of Healthy Living Program, we encourage you to increase your knowledge, try something new, meet new people and, most importantly, HAVE FUN! 🎉

Over 85 and Active

Just Keep Moving, Just Keep Moving

By Jessie Miles, Fitness Specialist

In the 2003 Pixar film “Finding Nemo” the phrase “Just Keep Swimming” was made famous by the lovable character Dory who is determined to never give up. Our motto at Sun City Summerlin’s Health and Fitness Department is similar to Dory’s quest. We want every resident to just keep moving. Any movement is better than no movement at all. There are many residents well into their 80s who continue to swim, play tennis, lift weights and take exercise classes. As we start the New Year, we would like to highlight and honor a few residents, identified with the help of our Fitness Monitors, who are committed to staying strong mentally and physically beyond 85 years old. Eight residents – four men and four women represent all four fitness centers.

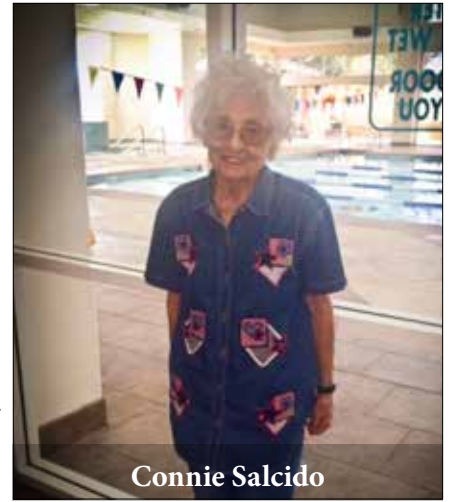

Frank Peters will turn 100 on January 16 and says, “The pool keeps me alive!” Frank swims an hour every day at Sun Shadows. Always smiling, he shares that, “If you exercise, your mind stays sharp.” After his wife died

in 2003, Frank started swimming every day. Born in the Dutch East Indies, Frank spent 3 ½ years in a Japanese prison camp during WWII, moved to the Netherlands, Canada and then to the United States. He moved to Sun City Summerlin in 1999.

It’s 6 a.m. at Sun Shadows and you’ll find **Connie Salcido**, 94, pool walking every day. Connie meets

her friends every morning and refers to them as “Her pool family.” She moved to Vegas in 1989 from Torrance, Calif. She says, “Friendship and community are wonderful here.” She and her pool family celebrate birthdays together and whoever has the birthday, is the one who pays!

Connie Salcido

Alexander Kuechel, 94, and **Janos Strauss**, 90, play tennis five days a week at Mountain Shadows. Alex has played tennis for 67 years, and in his earlier years did gymnastics, ice skating, skiing, ping pong and soccer. Janos also dances ballroom and other social styles. Both are Holocaust survivors. They

will never forget their past, but stay focused on being positive and present. They both say that, “Sports keep you young.”

Rosamond, 102, goes to Tai Chi twice a week at Desert Vista. She says, “All the people in class are so nice and it gets me out of the house.” Rosamond walks every morning.

Manuel Aronstein, 92, comes to Desert Vista Fitness Center almost every day since he moved to Sun City in 1996. He says that as you get older, “You either get stiff or get stiffer.” He listens to his body, and if he doesn’t work out, he feels sluggish and tired. Manuel always keeps a bright attitude to things.

Ruth Wilson, 90, and **Mary Lee**, 89, didn't have the opportunity to dance growing up but always wanted to. It wasn't until they both moved to Sun City Summerlin in 2000 and 2005, respectively, that they started tap dancing at Pinnacle Fitness Center. Ruth says, "I move because

I can't sit still." She says dancing is so much fun. Ruth taught martial arts and exercise classes. She works out three times a week and taps two days a week. Mary was a banquet server until she was 76 years old. Ruth and Mary met at dance class and are part of a special group called the Ya-Ya Girls. Their advice for anyone is to just get up and move!

JUMPING JACK JANUARY

If you're thinking that jumping jacks aren't for you, think again! Jumping jacks are a full range of motion exercise that gets your heart and lungs working, and improves movement through the arms and legs. But if jumping doesn't feel good on the joints, there's a modified jumping jack that's a great alternative. Step your foot out to the side as you reach your arms overhead and repeat on the other side. Stay on one side for 10 reps then alternate side to side. You can even do seated jumping jacks by stepping your foot out to one side while reaching your arms overhead. Do 20 jumping jacks every day for this 31-day challenge in January. If you're feeling especially motivated, work up to one minute of jumping jacks. Log it in a journal to keep track and stay on course.

BRAIN GAMES

January is the month of mental well-being/stimulation, so check out the word searches at each fitness center. It's a great mental exercise for you to do while you wait for a class, or take the challenge home to work on later. It's important to stay mentally fit.

GYM ETIQUETTE

With New Year's goals and resolutions in full swing, January tends to be a busy month for most gyms and fitness centers. Some tips to avoid frustration during busy hours include alternating the date or time in which you go to the gym. Maybe try an exercise class to add variety to your normal workout routine. Be patient and take a walk around the facility until a piece of equipment becomes available. Please remember that there is a 30-minute rule for cardio equipment when people are waiting.

FITNESS COMMITTEE

Thursday, January 10, 10 a.m.

2019 Rings In a New Name for Neighborhood Watch/Community Preparedness Committee – Neighborhood Preparedness Team

Neighborhood Watch/Community Preparedness Committee

The Sun City Summerlin Community Association (SCSCAI) formed the Community Preparedness Committee, whose focus was to educate member residents about emergency training, while also working together with the Las Vegas Metropolitan Police Department and City of Las Vegas to establish an effective Neighborhood Watch program. “Whereas members of the original Standing Committee must be property owners, all residents of the community are welcome to serve the Neighborhood Preparedness Team, a community service organization,” explained Erik Braun, Co-chair of the Neighborhood Watch/Community Preparedness Committee. Benefactors of the community wide education program include all residents of Sun City Summerlin, some of whom are not property owners, and therefore not endorsed members of the homeowners’ association. The Neighborhood Preparedness Team advocates that all residents, including those who rent their homes, as well as property owners, should be acknowledged as contributors to the Sun City community.

“With the name change to the Neighborhood Preparedness Team, the mission remains the same, but the organizational structure will change to be more inclusive of everyone who calls Sun City their home,” said Erik. “It is entirely right that all Sun City residents, whether they own or rent their homes, are entitled to benefit by the safety preparation standards of the Neighborhood Preparedness Team. The Neighborhood Watch/Community Preparedness Committee established in SCSCAI bylaws will be revised to eliminate the standing Board committee. A community organization, similar in theory to Residents’ Forum or Security

Patrol, will be established. The Team will continue the same safety education and crime prevention mission that supports everyone who lives here. A new constitution and organizational structure through the Chartered Clubs and Community Organizations Committee and Community Services will prevail. The mission, offerings and support to our community will not change; only the organizational structure will change to be more inclusive of everyone who lives here.

The Neighborhood Preparedness Team will continue to work with regard to educating residents to be safer, self-sufficient helping hands working to respond with the confidence of knowing how to react to a natural, industrial related or criminal associated emergency situation. The Neighborhood Preparedness Team comprises 78 Neighborhood Watch groups that keep a keen eye on Sun City Summerlin.

*Erik Braun, Co-Chair
Neighborhood Watch/Community Preparedness Committee*

The Neighborhood Preparedness Transition Team’s next meeting is Wednesday January 16, 9 a.m., in Desert Vista’s Committee room. Everyone is welcome to join us.

FIRE SAFETY CLASS TO REPEAT JANUARY 21

In October, Tim Szymanski, Las Vegas Fire Department’s Public Information Officer, addressed nearly 200 residents at a class focusing on fire safety-related issues for senior adults. Just one point of his instruction emphasized the wisdom of quickly getting out of a house and letting emergency responders deal with extinguishing even a small cooking fire “That can escalate into a possible life threatening situation.” Because allowable room capacity prevented the Neighborhood Preparedness Team from accommodating everyone who tried to attend the fire safety class, organizers will repeat the instruction and welcome back Szymanski on Monday, January 21, 7 p.m., at Desert Vista.

To RSVP for the class, call 702-658-4486.

Meet the Candidates Running for the Board of Directors at the Residents' Forum

Residents' Forum will host an informative event on **Wednesday, January 9**, for all Sun City residents interested in finding out more about the candidates running for our HOA Board of Directors.

The program will begin at **6:30 p.m. in the ballroom at Desert Vista**. From 6:30-7 p.m., candidates will be located at tables around the room so you will have a chance to meet and greet them. During that time you are also encouraged to submit written questions that the candidates may be asked later during the moderated program. At 7 p.m., all candidates will be seated onstage. Each candidate will have an opportunity to tell us something about his or her background, including their goals and objectives for Sun City. Following these statements, SCSCAI Executive Director Mitzi Mills, who will moderate the event, will ask each candidate some of the questions previously submitted. Following the onstage forum, candidates will again be available to chat with residents one-on-one. This event is a great opportunity to learn about the candidates so you can make an informed decision at election time. Remember to mark your calendar and meet the candidates for your Board of Directors.

It's Here: Sun City's 2019 Community Map

Residents will find a copy of Sun City's 2019 community map included with their issue of the January Link. This year, the map is proud to celebrate the community's 30th anniversary. Additional copies of the community map are available at the Link and Administration offices at Mountain Shadows. In addition, a downloadable copy of the map may be viewed online at www.suncitylink.com.

Meet Sun City

The following series is designed to introduce residents to staff members. Profiles will feature information on employees and departments to help provide insight into not only the people who get the work done, but a sneak peek behind the scenes.

CeCe Jimenez

Cook, Tavern at the Falls

CeCe Jimenez's love of her job, fellow workers and Sun City Summerlin residents is immediately evidenced by her radiant smile. She says, "Everyone in Sun City feels like a friend and a member of big family. I love it here."

CeCe has worked as a cook at Tavern at the Falls for two and a half years. Prior to that she worked 10 years for The Cheesecake Company at both a Cheesecake Factory location and the Grand Lux at the Palazzo here in Las Vegas. She was made aware of a Sun City job opening by her former manager at Grand Lux, Barbie Meinel. Barbie, former director of our Sun City Food & Beverage Department, asked CeCe to come work for her at Tavern at the Falls.

CeCe can be found preparing breakfasts and lunches at the Tavern from Thursday through Monday. She says she really likes to make French toast and cooking The Eagle breakfast special. She is happy

to be working early in the day as the schedule affords her an opportunity to spend more time with her children and to keep up with their activities. She is the mother of three – Leonardo, 16, Nadia, 12, and Yvanna, 9. Both Leonardo and Nadia have chosen Ju-Jitsu as their favorite activity, while Yvanna likes soccer.

At home, CeCe likes to cook Mexican and Cuban food. Her husband, Ivanhoe Pazos, is from Cuba. She met Ivanhoe at a party here in Las Vegas that she attended at the insistence of her sister. Her sister said she just had to meet this "nice young man." She laughs and says she has a "mixed marriage," as she is from Mexico and her husband from Cuba.

When asked about hobbies, CeCe says she is an avid reader and loves to bake sweets — cakes and cookies.

But her passion is dancing. She and Ivanhoe go salsa dancing each Tuesday. Her ideal retirement would be to read, bake sweet treats and enjoy her family. In addition, she will have more time for dancing. Be sure to stop by Tavern at the Falls and enjoy CeCe's cooking talents. One of her fantastic smiles is the perfect way to begin a Sun City Summerlin day.

Wrap Outside House Pipes

Take preventive measures before severe cold temperatures cause costly damage to frozen pipes. Sun City Summerlin homes have front and back outdoor hose faucets. Insulate both faucets using pipe sleeves that are available at hardware stores, or wrap them repeatedly with an old towel and secure the wrapping with duct tape. When weather drops below freezing, it's also a good idea to turn on your kitchen and bathroom sink faucets and allow water to trickle from them until temperatures rise again.

Following these simple steps can help to avoid costly problems down the road.

DO YOU KNOW?

Sun City Summerlin has two libraries to serve residents' needs. If you love to read and have collected a stash of books over the years, the community libraries

can be a great resource. The libraries are located at Mountain Shadows and Sun Shadows community centers, and maintain the same hours as the social halls. The libraries stock books and magazines donated by residents and lend out the same on an honor system. If you check out a book, just be sure to return it when you're done. And if you have books and current magazines you'd like to donate, they are most welcomed. A drop-off basket at each library is located next to the door for that reason.

Living the American Dream

“They’re coming to America. Got a dream to take them there,” so goes the lyrics of the Neil Diamond song. Coming in search of the American dream, a dream that must be earned with patience and hard work. Take, for example, the life of Sun City resident Daisy Greve.

Daisy’s father, Victor La Salle, left Puerto Rico for New York City in 1949 to provide that opportunity to his soon-to-be-born child. As many before him have done, he left his pregnant wife, Margarita, behind until he could get a job and an apartment. The plan almost worked, but by the time he was settled, Margarita was 8 1/2 months pregnant and unable to travel. So Daisy was born in Puerto Rico and christened Elba Iris La Salle. (Much later in life Elba would legally change her name to Daisy, which she goes by today).

Forty days following her Daisy’s birth, the family was reunited in Spanish Harlem, and later moved to the Bronx where they lived until her parents divorced in 1955.

Her brother and mother eventually settled in Union City, N.J., where, in 1968, Daisy graduated from Union Hill High School. It was time for a career decision. The Vietnam War was raging and that provided an option; the military was hiring and Daisy wanted to be an air traffic controller. A visit to the local Air Force recruiting office provided her with the assurances she wanted. Yes,

she could be an air traffic controller, all she had to do was pass the written test, which she did before enlisting. But the recruiter neglected to mention that the position required 20/20 vision, uncorrected. Daisy had signed up for four years and the needs of the service dictated her assignment. She was sent to March Air Force Base in Riverside, Calif. Her assignment: Administration

Specialist in the 22nd Combat Support Group. There certainly are worse places to be stationed than Riverside, California, but Daisy had set her goals in life a lot higher than being a clerk.

Her enlistment up, she left the Air Force behind, remained in Southern California and enrolled in a local community college. Her education went so well that she earned a full College Entrance Examination Board Scholarship and was

recruited by several universities. She chose the University of Southern California, where she subsequently graduated with a Bachelor of Arts degree in psychology, the first in her family to graduate college. Thus armed, she moved back to Riverside and was hired by the Riverside County Mental Health Department as a counselor in the methadone program, working with heroin addicts trying to free themselves from addiction. She also ...

Want to Help Your Neighbor? Think About Joining Security Patrol

Sandy Lyons,
Security Patrol Chief

Security Patrol
702-254-2303

Happy New Year neighbors. My name is Sandy Lyons and I will have the privilege of serving as Security Patrol's Chief for 2019. The new board members are Jim Strom, assistant chief; Barbara Aimone, secretary; Fred Bailey, treasurer, and Judy Foy, personnel director. I joined Security Patrol in 2011 to learn about my community. I have served as a dispatcher, a driver, and a watch commander. It has been quite an experience. Security Patrol is on duty 24 hours, 7 days a week. When you need us, we are just a phone call away. If you need to speak to me, please call the base, 702-254-2303. If I am not there, the dispatcher will find me and I'll return your call.

Security Patrol offers neighbor-helping-neighbor services. For example, when a driver notices many newspapers scattered on a driveway, he or she will talk to a neighbor asking if the resident is home. If the resident is not home, the driver will pick up the papers and put them out

of sight. We try to reunite lost pets with their owners, and the watch commander will follow up on a concern for any resident. That happens where a family member phones the base asking to check on a resident who hasn't answered their phone for a couple of days or weeks. We follow through on water leaks of all kinds, suspicious vehicles reported by residents, and we will watch your house for 30 days while you are on vacation. We are volunteers and rely on neighbors joining. If you are interested, please phone the base. You also can ride with a driver for a four-hour shift. If you enjoy talking about our community with perspective residents and guests, our Information Centers (IC) would be a perfect fit. We need IC officers. I look forward to 2019 and another great year of helping our neighbors. 🍷

The November Common Area Properties Committee meeting saw a turnout of some 12 residents wishing to express concerns about the rumored early closing of the Sun Shadows swimming pool. SCSCAI Executive Director Mitzi Mills explained at great length that there had been no discussions at the CAP meetings about closing the pool. There were, however, questions raised about the economics of keeping that pool heated in April and October because weather conditions meant that it took more energy for the pool temperature to reach the desired 87 degree temperature during those months. The staff has been directed to do a cost/benefit tradeoff study before recommending any action. That effort is just getting underway. Mitzi assured the residents that they would be kept informed throughout the process. A brief discussion of the feasibility of a solar heating system followed with Mitzi sharing that in her experience, using solar for large bodies of water failed to be cost effective.

Under old business, the committee was presented with a number of bids, including:

- \$11,750 for a central fire detection system for Mountain Shadows
- \$7,635 for new solar shade window treatments for Highland Falls
- A total of three bids for re-carpeting the miniature golf course
- \$44,054 for replacement of the Mountain Shadows roof underlayment
- (The Committee accepted a staff recommendation to forward the sole-source bid for the roofing based on past experience with the vendor. On a unanimous vote, the Committee's recommendation was forwarded to Sun City's Board of Directors.)
- \$19,000 for upgrading the plumbing fixtures in the Pinnacle and Desert Vista restrooms.

SCSCAI Fitness Director Pam Shields presented a proposal to remove (and transplant) four trees from the Desert Vista outdoor pool area. This action had been requested by residents who claimed there was no direct route to the pool and by Pool Monitors because they said the trees blocked their view of the pool. The Committee accepted the recommendation.

Club Spotlight

It's 2 New Classes & 2 New Instructors for Dance Connection

Jonathan Jimenez is a former Dance Connection Teacher who has returned to Sun City. He has been dancing his entire life, but jokes that he started out with "two left feet."

After hard work and dedication, Jonathan was cast in an international show choir called Young Americans in California. Before moving to Las Vegas, he was the resident choreographer for the Youth Cultural Arts Foundation in Bellflower, Calif., for 16 years. He went to the nationally accredited Musical Theater Conservatory AMDA in Hollywood, Calif., where he studied various dance styles. Along the way, he has performed in dinner theater and cruise ship-style shows. Jonathan moved to Las Vegas four years ago and started teaching Zumba classes for the YMCA and other fitness facilities. Jonathan recently was employed as a singing gondolier at the Venetian, but left to dedicate his time to fitness. He has just been promoted to Health & Wellness Coordinator for the Heinrich YMCA in Las Vegas. Jonathan is excited to be involved with the Dance Connection in Sun City.

If you'd like to welcome Jonathan or sign up for one of his classes, he will be teaching the 8 a.m. Get Movin' class on Tuesday, Thursday and Saturday at the Pinnacle Dance Room. He also will lead Just Dance at 1:30 p.m. on Wednesdays at the Pinnacle and 10 a.m. on Saturday at Desert Vista.

Jonathan's personality really shines when he's teaching Sittin' & DanSin' at 2:30 p.m. on Wednesdays at Pinnacle. The name says it all! This class is designed for members who are limited in mobility, balance and other physical issues, or for those who just want a great upper-body workout.

Marcia Wise

Marcia Wise is originally from Wisconsin and has lived in Las Vegas for 30 years. She just retired from the Clark County School District, where she taught junior high math and dance for 22 years. Marcia has been singing professionally for 40 years. She currently sings with an eight-piece band, the Deja Vu Dance Band. It has been performing at the South Point

every Wednesday for the last nine years, and also has appeared at the Suncoast and Rampart casinos. Marcia will be teaching Get Up & Dance on Wednesdays at noon at the Desert Vista Fitness Center, starting January 2. The class is designed to prepare students to be able to get up and dance should you go to any weddings or other affairs.

Stu Gershon/Link

Sittin' & DanSin' instructor Jonathan Jimenez's personality really shines as he leads residents through a fun and fit afternoon routine.

Golf (Ladies) Executive - At our November general meeting we were privileged to have Sue May, past president of SNGA and now Rules Chair for SNGA. She gave an informative talk on the changes of the USGA Rules of Golf, effective January 2019. Congratulations to Elaine Faella for her hole-in-one on Hole #4, 108 yards. We closed out the year with a great holiday party at Spiedini's. Vickie Belford thanked her board and officers for their service this past year and introduced our new President Rosie Walisever. Rosie, in turn, introduced the rest of the officers and her board. We play every Tuesday morning at Eagle Crest and tee times for January remain at 8 a.m. Our next general meeting will be Tuesday, January 22, at Desert Vista, with lunch being served at 11:30 a.m.; meeting at noon. We are always welcoming new members. Applications can be found on our website, www.scsleg.com. Tee times are 8 a.m. with a 7:30 a.m. check-in every Tuesday at Eagle Crest. Play 9 or 18. Call Sandy Wright, 661-478-0076, our membership chairwoman, if you have questions. Happy New Year!

Golf (Men's) 18 Hole - "Each day holds the possibility of a new beginning. Things didn't go your way yesterday? Don't be afraid to try again today!" Anonymous. 2018 for our Club was great. We ended with 209 members. As your president, I was happy to see our Club enjoy many rounds of great golf and camaraderie over the last year, not without a few hiccups, of course. My biggest thanks was that we as a club, and as the owners of our golf courses, came together and provided our support to make the courses better and what we deserve. You answered the call when I asked for your participation in the Golf Oversight Committee and when I asked that you provide our golf staff with your comments and concerns. It was great to see the staff respond to the golfers. This year I have asked new Club members how they heard about our golf community. Not one mentioned advertisement. In fact, they mostly stumbled upon SCS. If anyone would like to join the board as our advertising committee chair, please let me know and we can discuss. I am looking forward to another year as your president for our Men's Golf Club (18 Holvers). If you have questions, check out our website, 18holers.org, or you can call Colbert, 859-979-4376.

Golf (Men's) Niners - We had new officers elected on December 13 to continue the success we had in 2018. We have most of the board staying on for 2019, and I personally want to thank them for staying on, as well as all their efforts in 2018. We plan on having a general membership meeting after golf at Eagle Crest on February 14, to thank

Golf (Women's) - The Turkey Trot Invitational Tournament shoot-out the day before play was followed by a cocktail party. Many thanks to Debby Smith for hosting the large group at her home. Some of the attendees gave a shout-out to one of our sponsors. Weather was perfect for the tournament and the numerous raffle prizes and luncheon prepared and donated by Atria Seville made the day exceptional. The following week, elections were held for our board of directors with the following results: President Irene Jamison; Vice President Billie Dauk; Secretary Sue Andrews; Treasurer Linda Carey; Tournament, Chris Klee; Handicap, Neska Delasanta & Aggie Zinn; Team Play Captain Gail Grundy; Social, Leslie Halvorson. 2018 Show Turnout Bigger & Better

Photography Club

With a little help from their friends in the Art Club, who loaned them numerous easels, Sun City's Photography Club's shutterbugs displayed more than 200 prints in a

luxurious layout that swept through all five meeting rooms at Desert Vista.

Many visitors said they found it difficult to decide which photo should be awarded Best in Show, but the overwhelming

favorite proved to be Diane Frankenfield's

"Lunar Eclipse - Calico Basin." (left) Runners-up were Don Lytton's "Sidewalk Reflections, Venice, Italy" and Dean Otteson's "Delicate Arch, Utah" (top).

A Photo Club member and professional portrait photographer, Cliff Rourke offered portraits at the show in return for a donation to the Club. As always, many photos and the popular photo-cards were available for purchase.

The Photography Club is for enthusiasts of all levels. Prints displayed at the show were taken with cameras ranging from cell phones to sophisticated DSLR equipment. The Club meets the second Thursday of the month at Desert Vista, 7-8:30 p.m. Annual dues are \$10 per person. For more information, visit www.Photography-SCSLV.club.

Mitzi Mills, SCSCAI Executive Director

Executive Director's Report

Is It a Service Animal, a Support Animal or a Pet? Why Is That Dog Allowed in Our Buildings? Are We Governed by the ADA?

Believe it or not, these questions rank at the top of the list as far as the most asked questions and the questions that raise the most concerns with our homeowners. I have to admit garbage can and refuse service questions still rank No. 1 in the question and concern department, but people bringing dogs into the community buildings is definitely a close second.

In fairness, no one is complaining about service dogs and the need some of our homeowners have for their help, but when the disability is not evident or the dog appears to be more of a pet than a working animal I hear from a lot of people.

Part of the concern is the simple fact that many people do not know what state and federal rules regulate member-only areas and which ones regulate public spaces.

The Americans With Disabilities Act (ADA) governs public spaces such as our golf courses, theater and restaurants. It is not applicable to our common areas that are restricted to our members and their guests. Our common areas are governed by the federal Fair Housing Act.

What Is the Difference Between a Service Animal and an Emotional Support Animal?

Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. The most common are guiding a person who is visually impaired, alerting a person who is subject to seizures or even calming a person who suffers from Post-Traumatic Stress Disorder. The work or task a service dog performs must be directly related to the person's disability. Service dogs may accompany persons with disabilities into places that the public normally goes and are allowed at our facilities that are open to the public. An emotional support animal is an animal that provides a therapeutic benefit to its owner through

companionship. The animal provides emotional support and comfort to individuals with psychiatric and other mental impairments. The animal is NOT specifically trained to perform tasks for a person who suffers from emotional disabilities. Unlike a service animal, an emotional support animal is not granted access to places of public accommodations. However, under the federal Fair Housing Act, an emotional support animal is viewed as a "reasonable accommodation" and is allowed in common areas that are for the sole use of members.

What Areas of the Community Can a Person Take Their Emotional Support Animal/Assistance Animal?

The law states that an assistance animal is allowed "in all areas of the community where residents are normally allowed to go, unless doing so would impose an undue financial and administrative burden or would fundamentally alter the nature of the business."

According to the Fair Housing Act, assistance animals (also known as service animals)

Are not pets, but are "working animals" that help owners in a variety of ways.

Do not need to be trained or certified to perform a specific task.

The person who needs to use an assistance animal because of a disability must first make the request to the appropriate people (in our case the Association), and must submit our form and a letter on the provider's letterhead of the disability and disability-related need from a medical doctor or treating therapist who can establish the disability and need for the assistance animal.

If the resident has an assistance animal that violates rules or creates a nuisance, the owner of the home or resident can be found in violation of the community documents.

Rules include but are not limited to – the animal must be on leash, the resident must have control of the animal at all times and the resident cannot leave the animal unattended.

We want to accommodate our residents and their needs. Pets are not allowed in any of our buildings. Emotional support/assistance animals are not allowed at the golf course, theater or restaurants. Service animals are allowed in all areas.
