Understanding the Difference Between the Master and Sub-Associations

This month I will forgo a discussion on one of our committees and instead discuss our sub-associations.

Each and every month I get questions, comments and complaints that relate to one of the 39 sub-associations located in SCSCAI. A fair number of the folks living in a sub-association do not really understand the differences between what I will call the Master (SCSCAI) and their sub-association (Sub).

You can think of each Sub as a small HOA that must meet the same legal requirements of NRS116 (Nevada Revised Statute) as does the Master. That means the Sub must have a budget, elected officers that meet at noticed meetings where all Board business takes place in open session (except for very limited subjects that can be decided in executive session), a reserve study that contains the capital requirements of the Sub, insurance, votes by the Board, recorded minutes of meetings available for you to read and so on – all the same things that the Master does pertaining to how the HOA is governed.

One of the differences between the Master and the Subs is that the Subs are typically responsible for maintaining basically everything outside the interior walls of the home, including groundskeeping, the roofs, painting the outside of each home when needed and the repair of the driveway or sidewalk. Just as the Master has its own set of governing documents detailing such things as use of the tennis courts and swimming pools, Subs may have some specific requirements that pertain only to the residents of the Sub. The Master assesses each homeowner for the maintenance and operation of SCSCAI common properties and each Sub separately assesses its residents for the maintenance of the Sub common areas. Most Subs have contracted with a maintenance company to maintain the Sub's common area property, while the Master has internal staff to maintain the SCSCAI common areas.

When you bought your home, you were given a set of SCSCAI governing documents, as well as the governing documents associated with your Sub. When you have an issue with your Sub, such as the maintenance of your landscape, you need to call the company your Sub has set up as the procedure to get a common area issue resolved. It does no good to call SCSCAI. The Master cannot fix your issue; indeed, it would not be legal for the Master to do so unless it is a documented health and safety issue.

Call your Sub Board if you are frustrated.

Each Sub must follow the requirements of the Master governing documents. If the Master says houses can only be 10 different colors, the Sub can make it more restrictive and say it will only paint four of those colors. Where the Master can get involved with a Sub issue is when a property is not maintained in accordance with the Master's governing documents. After trying to resolve the issue with your Sub Board with no success and the issue pertains to the development standards, you can file a formal complaint with the Master and SCSCAI will work with the Sub to resolve the issue. But please, please work with the Sub first to resolve the issue.

I hope this helps you understand the differences between the Master and the Subs. For a listing of the Subs operating in Sun City, turn to the directory on Page 81. If you live in a sub-association, just as we recommend for the Master, get involved. Go to your Board meetings, run for office. Help keep Sun City Summerlin the wonderful community it is that we all enjoy.

Nevada Senior Games Comes to Sun City

Story by Jeannette Carrillo;
photos by Richard Becker and Jeannette Carrillo/Link

Sun City Summerlin welcomes Nevada Senior Games competition next month, October 3-5, to Desert Vista as players position themselves to give it their all in Pickleball.

If you're looking to enter, the registration deadline is September 22. Registration is available online at nevadaseniorgames.com, or call Sun City Pickleball President Augie Costanzo, 702-301-2183. The cost to register is \$40 for Nevada state residents; \$45 for out-of-state residents. According to Augie, nearly 200 players are expected to participate in the tournament. Last year, the NSG Pickleball Tournament welcomed 170 players.

Competition is arranged by age group, in four-year spans from age 50-54 to 85-89, and then anyone above age 90. Play will be divided among men's and women's singles and doubles, and mixed doubles. As is familiar in Olympic-style competition, medals will be awarded to winners in each category for first through third places in the form of gold, silver and bronze medals.

"Sun City is excited to welcome Nevada Senior Games to its home courts, which were selected because of their top-quality and first-rate support facilities," Augie said. "We look forward to showing athletes and their guests what a great place Sun City is. We'll be set up to accommodate lots of spectator seating as we can use up to 18 courts for play, and that means lots of family and friends coming to see their love ones."

In all, Augie said there will be at least 50 Sun City residents vying for medals over the three-day weekend.

Currently in its 39th year, the Nevada Senior Games' mission is to promote healthy, active lifestyles for seniors.

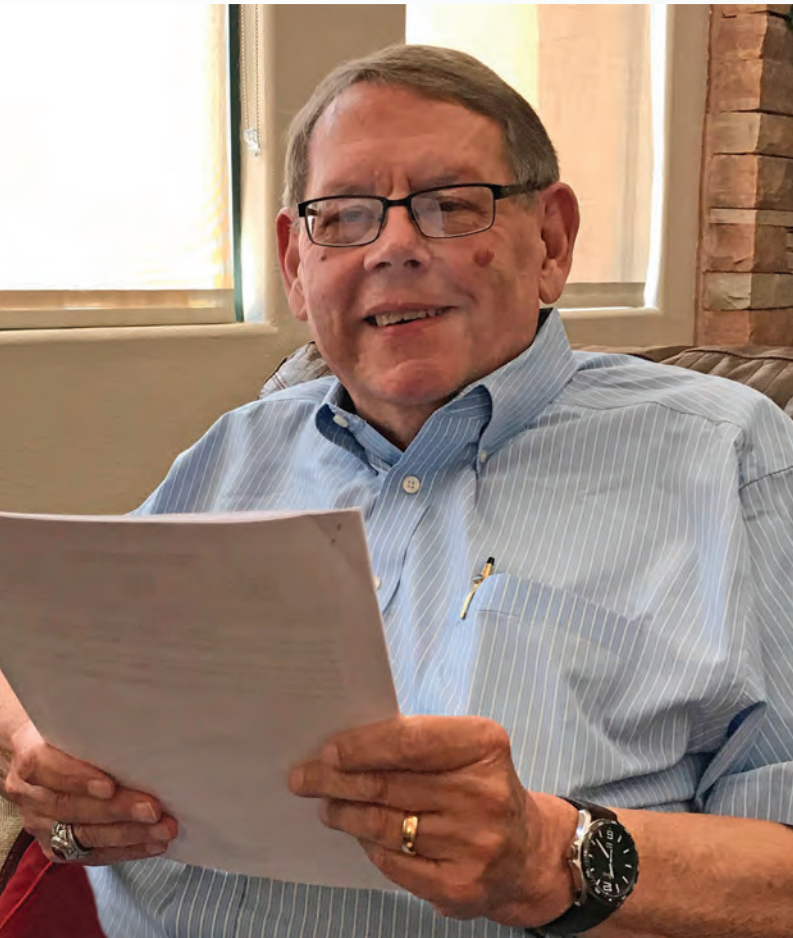

So, mark your calendar to attend the opening ceremony on Thursday, Oct. 3, at 8:45 a.m. There will be a formal welcome, followed by the National Anthem. After that, Augie said, "This thing will be live! Every night after play, scores, rankings, news updates, photos and more will be uploaded to Pickleballtournaments.com. People will be coming from all over to see the Games – from California, Utah, Canada and more. It will be great way to get the word out about Sun City and all that we offer here, along with the spectacle and tradition people have come to expect from the Senior Games.

// We look forward to showing athletes and their guests what a great place Sun City is."

Augie Costanzo, SCS Pickleball Club President

Perimeter walls, which Sun City is responsible for maintaining are constructed of masonry and stucco, and are identified by a brown paint stripe recessed in the walls. In all, Sun City's common walls cover roughly 31 miles of streets throughout the community.

Inspecting Common Area Walls

Members of the Common Area Properties Committee convened their monthly meeting on August 6 after taking July off. Working their way through a packed agenda, CAP Chairman Bruce Alitt asked one of the Committee's newest volunteers, Dave Bacchetti, to explain how he planned to attack his assignment: To inspect all of the community's common area walls for damage and decay, and then report said problems to Sun City's Maintenance Department for repair.

According to Dave, common area walls are defined as developer-installed perimeter walls and developer-installed retaining walls. In both cases, SCSCAI is responsible for the street sides of the walls.

Perimeter walls line the main streets (Rampart, Lake Mead, Thomas Ryan, Sun City, Del Webb and Anazasi boulevards, Cheyenne Avenue, Interstate 215 and Summerlin Parkway). The perimeter walls are constructed of masonry and stucco, and in most cases, are identified by a brown paint stripe recessed in the walls. Retaining walls are used to terrace residential lots that are on the sides of hills. Retaining walls are constructed of masonry blocks.

When asked to explain his plan, Dave referred to his written outline, saying, "Inspections will be based on three criteria of walls: Perimeter, retaining and golf/green space areas."

Due to the number of walls, estimated to cover 31 miles, Dave added, "Inspections will be conducted in four phases. Perimeter walls will be visually inspected from golf carts or walking tours. Retaining walls will be inspected by touring all the streets in the community, with inspections limited to walls facing the streets. Golf course/green space inspections will be carried out by golf cart tours and will require an escort due to traffic. Faults expected to be found include water seepage (most common), stucco delamination and general damage."

Following the inspections, visual markers, such as small flags, will be used to indicate the site of each fault. Photos will be taken and a work order will be created in SCSCAI's Maintenance Department database.

"When we determined that our various walls that are the responsibility of SCSCAI were not being routinely inspected, it was determined that a new CAP inspection group was needed," Bruce said. "Dave had just contacted me looking for an opportunity to help. The fit was perfect, and Dave is off to a great start. He will be working closely with our maintenance department on this very important new part of our committee."

Bus departs at 2 p.m.; returns at approx. 11:30 p.m.

Min. 35 guests. Purchase deadline: Monday, Sept. 23

Based on the true story of the Von Trapp Family Singers, Rodgers and Hammerstein's "The Sound of Music" tells the tale of free-spirited Maria Rainer, a young postulant who leaves Nonnberg Abbey to serve as a governess for the Von Trapp children. Through her generosity and trusting persona, Maria transforms the strict household into one filled with laughter, joy and music. Meanwhile, tensions are high in Austria on the brink of World War II, placing Maria and the Von Trapp family in danger as they must decide to support the Nazi regime or risk their lives to follow their hearts. One of the world's most beloved musicals, "The Sound of Music" boasts favorite songs such as "Do-Re-Mi," "My Favorite Things" and "Climb Ev'ry Mountain."

AARP Tax Program Needs Your Help

AARP sponsors an important program in Sun City to prepare income tax returns for residents. The campaign is staffed by volunteers. Last year, more than 700 free returns were processed in Sun City. Each return is prepared by a trained counselor and reviewed by an experienced volunteer to assure a high standard of quality service. But AARP cannot accomplish this alone, and so the organization is looking for volunteers to help. If you have knowledge of income tax rules and computer skills, this friendly group would like to hear from you. All volunteers are required to attend a one-week tax course and pass a minimum proficiency exam. Volunteers must contribute at least four hours a week during tax season. All work is done at the Mountain Shadows Community Center on Thursdays and Fridays, starting in February and running through April 15. If you would like to volunteer, register online at www.aarpfoundation.org/volunteer before October 31. For more information, contact Mike Sanders at 702-724-0476 or sandersmichael774@yahoo.com.

Smoke Alarm Project Off to a Great Start

The community-wide Smoke Alarm Replacement Program, organized by the Neighborhood Preparedness Team, Sun City Summerlin Charities/Volunteers and Las Vegas Fire & Rescue, started off without a hitch on August 17 as firefighters, electrical workers and resident volunteers assembled to work through a list of 45 homes that had been scheduled for the day.

Three teams, each with 15 home assignments, departed the Pinnacle's home base around 7:30 a.m. Each home installation was expected to take about 30 minutes to complete as electricians who donated their time to participate in the event would install two smoke alarms (for a two-bedroom home) and three alarms (for a three-bedroom home), in addition to one combination smoke alarm/carbon monoxide detector, bringing the totals to three and four alarms, respectively. The number of installed alarms was determined by Fire & Rescue officials to meet the minimum fire code.

On this first day, Mojave Electric of Las Vegas was the designated company to work the event. Also, as part of the program, residents got a chance to meet with a city fire inspector who educated them on fire safety and helped them create a fire escape plan.

According to Barbara Holden, NPT leader, "Fire & Rescue approached Sun City Summerlin for this special opportunity to partner on the Smoke Alarm Project because we are a large HOA with infrastructure and a community organization such as Neighborhood Preparedness Team to field volunteers. Sun City's participation is intended to help develop a prototype program that can be refined and taken to other communities in the Valley. There is significant effort in the development phase and proving the concept. The initial boots-on-the-ground campaign would be difficult for a working community to support, but an adult community with retired professionals and emergency management efforts in place lends itself well to the partnership."

The next Town Hall meeting, where residents are able to learn more about the program, and sign up and pay for the installations, is scheduled for Monday, September 23, 7 p.m., at Desert Vista. This notice serves as a reminder to those residents who are already RSVP'd and have a ticket for entry into the event. Only residents with tickets will be allowed into the September Town Hall. Don't worry if you are not yet registered as the program will continue in 2020 with an even better process to handle the installations.

For more information on the program, continue to check the Link for program dates and registration deadlines.

Palm Valley Comes Alive After 2-Year Project

As you read this September issue, the Palm Valley Golf Course is only two weeks away from opening on Monday, September 16, following a massive irrigation project to replace the original watering system installed by Del Webb 30 years ago. The irrigation project started last year with work along the front nine and nears completion with the finished work along the back nine.

When the course opens in the next few weeks, we will need a little time to clean up some areas surrounding the course. We appreciate the patience of homeowners over the last two years and are very excited to show off the results of this extensive project.

So, grab your clubs and a cart, and we'll see you soon for 18 holes. We'll be anxious to hear your feedback!

Donny Long, SCSCAI Director of Golf

THANK YOU FOR YOUR SERVICE

IRVING BONN: FOR KEEPING B-25 BOMBERS IN TIP-TOP SHAPE

In 1944, there were nearly 11.5 million Americans in the armed forces. Of that total, approximately 3 million servicemen and women never left the United States. An equal number, 39 percent, fell into each of the following categories: They volunteered as opposed to being drafted, were enlisted as opposed to being officers and served in non-combat roles. Irving Bonn from Chicago, and currently of Sun City, fell into all three categories.

Born at the tail end of 1925, Irv and his twin brother Leon couldn't wait to join the service. Parental approval was out of the question

1945," Irv said.

"I was discharged in New Mexico. Myself and three friends chipped in to buy a 1937 Packard and headed for California. We didn't make it. The car died before we even left New Mexico. One of my friends was a mechanic, but the best he could do was to get it running on four cylinders. We limped into Las Cruces, sold the car and boarded a bus to Los Angeles."

Irv's civilian career was fairly typical of the period. He used his GI bill to attend Los Angeles College, built upon the plumbing

One of the many posters and letters Irv received from elementary schoolchildren across the country, this one from a school in Preston, MD. When a vintage B-25 came to Las Vegas, Irv couldn't resist posing with it. Young Irv Bonn, left, and his twin brother Leon. Irv today with the American flag he crafted from poker chips.

and you had to be 18 to enlist. One month after achieving that milestone, the brothers presented themselves at the local Army Air Force recruiting station and signed up. That was January 1944 and no one thought the war was going to end any time soon.

The brothers were sent to Shepherd Field outside of Wichita Falls, Texas, for basic training. After basic, Irv remained at Shepherd Field for training as an aviation mechanic specializing in the B-25 Mitchell medium range, twin-engine bomber. The B-25 gained fame in April, 1942, when Lt. Colonel Jimmy Doolittle used a flight of B-25s to bomb Tokyo.

For the remainder of 1944 and early 1945, Irv performed maintenance and repairs on the bombers.

"In 1945, I qualified for training as a bombardier and was sent to the University of Tulsa in Oklahoma for schooling, but before the course was completed the war ended. So, I went back to Shepherd Field and stayed there until I was discharged on November 2,

and electrical skills he learned in the service, had a career as a commercial restaurant designer, married and had children.

In December 1993, he and wife, Willyne, moved into their newly built Sun City home.

Some of his more memorable military-related events occurred while living in Sun City. In 2013, Irv was honored to be selected as part of the first Honor Flight-Nevada.

"Senator (Dean) Heller came to the airport to see us off and, of course, we got letters from Senator (Harry) Reid and other politicians, but the best part was all the letters we got, addressed to us personally, from elementary students across the country. I have a two-binder scrap book of that trip," Irv said.

"And, almost as good, when I go out these days wearing my World War II veteran hat are the ladies who come up to me with a kiss on the cheek and say thank you. In fact, quite often someone insists on picking up my restaurant check," he said with a smile.

The next Security Patrol meeting will be held on Tuesday, September 24, at 7 p.m., Desert Vista

Come for a Ride-along and See What We Do!

Let's say you have four hours in the week not calendared in your retirement plan. And, let's say you are curious about the Security Patrol cars driving in your neighborhood. Maybe you're curious about the entire organization – the how, what and why of the Patrol.

Security Patrol's ride-along policy is just the experience to satisfy your curiosity. Here's how it works:

All residents are invited to spend time with a driver, a dispatcher and/or an information center volunteer.

This writer signed up for the ride-along. Head Driver Norm Cohen met me at Security Patrol's base located at the end of the Desert Vista parking lot next to the Pickleball courts. He gave me a form to check off my request for a drive lasting one, two or four hours where I would observe the driver performing the duties required for the 0800 shift. Then I signed a waiver of liability for personal property damage or loss required by the Association.

Next were introductions to the watch commander, dispatcher and drivers on the shift, and a brief tour of the facility. Vacation house checks requested by residents are conducted on the 0800 shift. The dispatcher assigned patrol areas to the drivers along with the clip board holding the house checks in each area and a radio to communicate with the dispatcher.

Norm explained the car check that's required at the beginning of each shift. Inside the trunk were items for emergencies and a dog leash. We even took extra bottles of water for residents who might be experiencing difficulties while walking or running in the heat. Each driver did a radio check on the car and handheld radios. The dispatcher acknowledged with a 10-4. It's another language, but easy to learn.

During the next four hours, I observed the duties performed by Norm, including the hourly radio checks between the dispatcher and each driver and the volunteers at the Information gatehouses. Around 10:30 a.m. the dispatcher radioed that a neighbor had called in a concern about a man going door to door in her neighborhood appearing to be looking at

each front door. The neighborhood was in our assigned area and we drove to investigate. We found the man and Norm asked him if we could be of any help and what he was doing in the neighborhood. The man replied that he was checking the address lights over the garage door. If they were out, he went to the front door and told the resident that he could change out the light for a fee. He showed Norm his licenses and permits. Since all was in order, Norm wished him a good day and told him that he could not solicit after nightfall.

The ride-along was an informative experience that I highly recommend to all new residents. Joining Security Patrol is a meaningful way to fill that activity blank in your calendar.

Call the Security Patrol Base at 702-254-2303 and a dispatcher will get you started.

Precautions In Place to Prevent Hacking

Good day to all our Sun City Summerlin residents. For the Information Technology Committee report this month I will highlight some of the ongoing or recently completed projects.

Leo Crawford

Chairman, Information Technology Committee

The last few months we worked with our new computer support vendor, Information Technology Services (ITS), helping them learn our systems and us learning their personnel and processes. I'm pretty sure you have read the newspaper articles about the theft of user personal information from business computers. We are working with ITS, examining our network topology, firewalls, switches and all other vulnerable spots to minimize the possibility of someone stealing our data files. You can never be 100 percent safe, but we can take reason-

able precautions to prevent the hacking of our systems.

Because Microsoft intends to terminate support for Windows System 7 at the end of 2019, included in this year's budget is funding to upgrade any necessary personal computers to System 10. Along with an operating system upgrade, some PCs will be replaced.

We installed one more of the information displays at Pinnacle. The displays are a great way to get a quick overview of what is happening in SCSCAI.

A very big project that we will soon kick off is the migration from Microsoft Office to Microsoft Office 365. One of the biggest gains from going to Office 365 "on the Cloud" is that our office users will be able to access their Office applications from anywhere, and the new applications greatly simplify our support requirements.

As the last item, we were getting a lot of spam – the email junk, not the food, on our systems so we installed an anti-spam solution to cut down on those annoying and unwanted emails.

IT'S TIME TO REVIEW THE NEW MEDICAID LAWS.

This is an Advertisement.

A brother and sister came to my office, mom had passed years earlier and Dad, dying from Parkinson's disease, was entering hospice. He had been in a skilled nursing facility for the last ten years. The two kids worked extra jobs to keep Dad's house, hoping he would return home one day. Worst case the kids figured, when Dad passes they would recover their funds by selling the house.

Medicaid has changed. It is now a loan, NOT a benefit. Every dollar Medicaid spends on you is tracked. When you pass, Medicaid expects to be paid back from your Estate. The rules to qualify for Medicaid have also changed. Instead of 200,000 people on Medicaid in Nevada, there are now over 600,000. When the Estate Tax was reduced, a huge hidden tax was put into place, called a "recovery" by some politicians...very misleading.

I explained to the kids that Medicaid was no longer a benefit, but a loan. With Dad being in a skilled nursing facility - \$8,000 a month (average cost in NV), 12 months a year - \$96,000, for 10 years - equaled \$960,000. The kids were forced to sell Dad's home to pay Medicaid back. They received no inheritance and had lost years of extra jobs worked to cover the cost of Dad's home.

"DAD'S HOME WAS SOLD TO PAY BACK MEDICAID"

When the Federal Government raised the Federal Estate Tax threshold to 11.2 million dollars it appeared to reduce their supply of our money. But congress had already found a new source of funds - stealing the life savings of our seniors. The method for capturing these funds... changing Medicaid.

While most people can afford the cost of assisted living for a spouse, few can afford the \$8,000 monthly cost of a skilled nursing facility. In order to qualify for Medicaid assistance a single person is allowed to keep \$2,000 in assets and if both spouses need assistance the amount increases to \$3,000. If you can't pay the \$8,000 a month, you'll be forced to reduce your life savings to impoverishment levels and have no safety net in order to receive Medicaid's help. There is a better way.

Contact an Elder Law Attorney and plan for Medicaid as part of your estate plan. Save financial and emotional heartache for you and your family.

Golf (Men's) 18 Hole

"Sometimes, being with your friends and golfing is all the therapy you need." – chirpingbirdie.com. I do two days of pot games and preside over the SCSMGC Thursday tournaments. I will tell you that these three days are a significant part of my life. It is because of the friends that I have developed over the last four years and, of course, their reciprocal friendship. On another note, I hope you have been able to browse our new website and see that we have represented our golf club appropriately. Thanks go out to Mitch Swetsky for his efforts to improve and update our website. Thursday, September 5, brings to us our second round of our annual member-member golf tournament. The rest of the month will be normal Thursday tournaments. Be looking for the 2020 board member nomination request. There are seven voting board members that will be elected at our Thursday, December 12 meeting, 1:30 p.m., Desert Vista, along with two co-chair (non-voting) members. Further, if you look at our site and go to the board members, you will see that we have many other volunteers who assist the board in supporting our Club activities. Our hope is that you will consider volunteering to lead, or assist,

in one of these positions. Questions? Check out www.18holers.org, or call President Colbert, 859-979-4376.

Golf (Men's) Niners

Just like back to school, our golfers who left for the summer begin to return. For September, we have four tournaments planned for Thursdays at 7:30 a.m. Look for sign-up sheets for the October-Fest golf and picnic that will take place on October 19, 7:30 a.m. Those of you who are interested in serving on the board or you want to submit a member, please give your name to the nominating committee: Tony Chiodini, Lynn Grotwold, Jack Kolcon. Election of officers will be November 21, 9 a.m., Pinnacle. Our two-day out-of-town golf tournament is being planned, so watch for a sign-up for this activity. Want to join us? Find applications at our golf shops, or online www.scsniners.com. Questions? Call Chairman Pete Bentivega, 941-223-6550.

Golf (Women's)

Golfers are a quirky breed. We love the game and can't wait to get to the first tee. Off we go – driver, 4 wood, 8 iron, putter! Yay! Then suddenly we run into the group in front of us. Oh no! We are going to be forced to spend more time doing what we love with good friends! Give it a rest, golfing pals and gals, enjoy every moment, each swing, each putt. Embrace the round and come join our very patient women's group. We will match you with a buddy who will show you the ropes and introduce you to our members

Our membership includes retired firearms instructors, armorers and range safety officers from the law enforcement and military communities. We maintain lists of beginner's classes, places to shoot, local gun-smithing and concealed carry weapon (CCW) permit instructors. During our regular meetings, we host an invited speaker. What is real estate like in Sun City Summerlin? Home prices go up and home prices go down. Is buying homes for investment purposes the thing to do, or is renting better because a big down payment is not the way to go? An expert and Investment Club member will share her many years of experience and enlighten us all. We will also have our initial nomination for 2020 officers on Wednesday, September 25, 7 p.m. Elections will be held at Desert Vista on November 20, 7 p.m. Come join us for investment information, a few jokes and camaraderie. Sun City is the Place to Live!!

Since I started selling Las Vegas real estate in 1985, people have been asking me, "How's the Real Estate market?" Like so many things that are viewed over a long period of time, the market in Las Vegas has been very cyclical. Our valley has seen tremendous economic and population growth, and the market has had many highs and lows over the past 35 years.

Median home values have come back to all-time highs in both Las Vegas & Sun City Summerlin. Your neighborhood is one of the areas that really holds its value over time. It is unique in the sense that it is a true destination community.

Please give us the opportunity to help you buy or sell in Sun City Summerlin. We will make your transaction smooth and easy & that will give you more time to play golf... or just enjoy your retirement. Because...

Organ, Piano and Keyboard

Introducing "Musicality 101," every Tuesday, 10-11 a.m., Pinnacle Music Room. Musicians and singers are welcome! We're getting together to create beautiful music. Bring your talent and your instrument (we have a piano and two organs). Please call Marti, 683-4112, if you have questions. This month, we're working on "Killing Me Softly" and "You've Got a Friend in Me." We meet in the Pinnacle Music Room on Tuesdays, 9 a.m. We play selections from the Hal Leonard E-Z Play #200 "Best Songs Ever" book, as well as other songs. The instructor, Sandy, teaches every other Tuesday. The Club will hold its annual election of officers on November 12, 9 a.m., in the Music Room at Pinnacle.

Pan

Pan has everything the card player looks for – fast action with a combination of skill and luck. It is played with eight decks of cards with the 8s, 9s and 10s removed. It's played at poker tables with six to eight players. There are various stories, some risqué, about the origin of this game. Our Club plays Tuesdays at Mountain Shadows, 10:30 a.m. to 3:30 p.m. with varied start and end times. Bring your lunch as we break about half-way through for refreshments. You can also find Pan played most every day and night at open cards at Mountains Shadows and at many Sun City homes. We will be forming new tables, as well as a beginner's table. Election of officers will be November 12, noon, Mountain Shadows. Dues are \$12 per year. Club officers are Linda Harrington, president; Pat Jenkins, vice president; Anita Cohen, treasurer; and Judy Williams, secretary. Call Linda Harrington, 778-1436, or Judy, 992-0786, or email judy.sisters@gmail.com. Learn to play Pan every Thursday at Mountain Shadows, 1 p.m.

Photography

Photography Club is for photographers of all levels. The Club meets the second Thursday of the month, 7 p.m., Desert Vista. We welcome visitors to attend their first two meetings for free. Annual dues are \$10. Our calendar and monthly theme are on our website, www.photography-scslv.club. Contact Norm Wright, 255-5545, or snapsclsv@gmail.com. Election of officers will be November 14, 7 p.m., Desert Vista. Visit www.photography-scslv.club/p/calendar-of-meetings-and-events.html.

Pickleball

Tired of the same old workout? Try Pickleball. It's a great way to get your exercise. The Sun City Pickleball Club has 10 courts located at Desert Vista by the Security Patrol Office. We meet on

Tuesdays, Thursdays, Saturdays and Sundays. Start time is 7 a.m. We offer doubles with many levels of players, or singles if you are more adventurous. From beginner to those who qualify for tournament play, you can find a game, as well as players who are willing and eager to teach you the game. We have all the equipment you need to try the game. Please wear tennis or court shoes and bring water. Our year-end party will be November 12. There will be food, drink and great people. Look for our first annual Welcome to Pickleball Social coming in September. Club members will demonstrate how to play Pickleball and provide lots of goodies. October 3-5 we'll host the Senior Pickleball Games. For information, call President Augie Constanzo, 375-4533. Check out our website, scpickleball.com. Election of officers will be November 18, 5:30 p.m., Desert Vista.

Pinochle

Are you new to pinochle, or do you need a couple of brush-up lessons? We have members who can book time to meet with you prior to playing with this Club. The Pinochle Club meets for double- and single-deck pinochle every Tuesday at Mountain Shadows. Players check in for play no later than 4:45 p.m. Play begins at 5 p.m. This Club is so much fun. Challenges, laughter and meeting new folks top the evening - honest! Call Sandi, 925-642-6764.

Quilting

The Quilt Club meets on the second Monday of each month at 9:15 a.m. at Desert Vista. Stop by the Pinnacle quilt room to purchase handmade items or to buy raffle tickets for this year's beautiful quilt. We

will have several classes this fall for both the new and advanced quilters. Call Sandy Lawlor, 877-9887 for information or visit our website at www.scsquiltclub.org. Election of officers will be November 11, 9:15 a.m., Desert Vista.

R.V.

R.V. wagons are rolling through the countryside as the RV Club holds camp-outs at locations throughout the Southwest. We've enjoyed kayaking in Morro Bay, Calif.; Shakespeare on stage in Cedar City, Utah; and bluegrass music on the beach at Lake Havasu, Arizona. We've also strolled through historic San Diego, meandered Sedona, ridden a train that provided breathtaking views, and enjoyed a festive dinner while looking out on the rugged Colorado River's Black Canyon from Willow Beach. Plans are taking shape for upcoming trips through 2020 that

will include a mix of old and new destinations. For example, join us as we travel to Flagstaff, Ariz.; St. George, Utah; Death Valley and Valley of Fire. If you have an RV, travel trailer, or want to rent one, join us! Call President Tim Troxel, 719-331-9770. We meet at Desert Vista, 7 p.m., on the second Monday of the month. Election of officers will be November 11, 7 p.m., Desert Vista.

Our next meeting is on Wednesday, September 4, 9 a.m., Desert Vista. Members must wear name badges while in the Wood Shop. Election of officers will be December 4, 9 a.m., Desert Vista. Anyone interested in being on the board, tell the president. Dues are \$20 until the end of the year. Next year's dues are \$40, plus a locker for \$25. We do small repairs for residents. Wood and tool donation are welcome. For more information, please call Bev, 838-2621 or the Wood Shop, 240-1325.

At the December 12, 2018, meeting of Sun City Summerlin's Board of Directors, the Board unanimously approved a motion to accept the recommendation of the ARC at its November 8, 2018, committee meeting to amend Article III, Section 6, of the Development Standards. This change will be effective October 5, 2019. The amendment with the changes marked reads as follows:

Color Concrete Coatings – Color concrete coatings and stains of concrete driveways, patios and walkways must have prior written approval of the ARC. ~~Only earth tone colors will be considered for approval.~~ **The color of the concrete coatings and stains must be from the approved color palette for homes. However, the color palette that has been approved for front doors is not approved for concrete coatings and stains.** Color and texture samples must be provided with the application for approval. Sidewalks and driveway aprons in the public right-of-way may not be color-coated or altered from original concrete texture.

The clean version reads as follows:

Color concrete coatings and stains of concrete driveways, patios and walkways must have prior written approval of the ARC. The color of the concrete coatings and stains must be from the approved color palette for homes. However, the color palette that has been approved for front doors is not approved for concrete coatings and stains. Color and texture samples must be provided with the application for approval. Sidewalks and driveway aprons in the public right-of-way may not be color-coated or altered from original concrete texture.

Blue Pages of the Link: The Blue pages of the Link Magazine are where each month you will find the motions from the Board meetings, updates on Association business, meeting dates and other monthly Board of Director, Committee and Administrative news.

Did You Know?: Did you know that at almost every meeting of the Board and even at "Coffee with the Board" we still have homeowners that will tell us they were never made aware of an issue, the budget or meeting dates, and when we tell them it was in the Link Magazine they tell us they never read it. The Link Magazine is mailed to every

home. Encourage your friends and neighbors to take the time to read it, even if they only read the Blue Pages so they know what decisions have been made by the Board of Directors.

Don't Be the Last to Know: If you have not signed up to get news and information about Sun City Summerlin as it happens, you are missing out. It is easy to sign up to receive not only the weekly updates and agendas for meetings, but to read the facts behind the latest rumors or find out what your neighbors here in Sun City are concerned about. To sign up, just send an email to our Executive Director, Mitzi Mills at mitzim@Suncitylv.com and write "sign me up."
