Looking Forward to the Opportunity to Serve

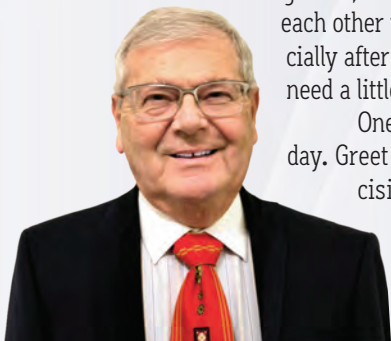

This is my first article as the newly elected President of the Sun City Summerlin Board of Directors. I am both excited and anxious to begin my term as President. I am anxious in that I want to do a good job, and I am looking forward to the opportunity to serve. I am excited because I will have a chance to meet more of the residents of this wonderful community that we live in. The next year should be filled with opportunities for residents to be even more active in our over-55 community. Our clubs are growing in size as more and more residents become more and more active. Our clubs are asking for more times to play cards, experience outdoor activities and hold more meetings. The growth in activity levels gives our staff opportunities to meet the challenge of scheduling all of the needs of the residents.

This year, I would like to adopt a theme that we all thank each other, especially staff for all that they do. That also extends to our residents and for all that we do for each other. Smiling and thanking each other can be contagious, and I think that this is just a small step in making our community even greater. Along the same lines, let's all plan to meet one or two more of our neighbors; be the one who goes next door or across the street. Let's help each other take in/out the trash. Let's pick up each other's debris (especially after our winds play havoc). We should especially help those who need a little extra assistance. Let's all pay it forward.

One last thing: Let's say "hi" or "hello" to someone new every day. Greet someone new in the card room, on a court or a person exercising at one of our fitness centers. If all else fails, just smile and greet someone you encounter walking around, or entering or leaving one of our facilities.

As new opportunities come to light during this year, we will work together to arrive at a consensus on how to accomplish things that will enhance our community. Let's all work together to make Sun City an even better place in which to live, play and enjoy.

RESIDENT STORIES

Love: It's a Wonderful Thing!

(Editor's Note: This story was submitted in response to the call for Sun City Love Stories, following the February Thank You for Your Service feature on Pearl and Jim Rupert. If you have a love story to share, contact the Link at link@suncitylv.com, or 702-966-1436.)

My husband of 34 years died suddenly in February 2013. I decided to sell my house and move to Sun City, where I already had a couple of friends, as well as being closer to my work at the Mountain View Presbyterian Church. A friend in church told me about a nice, small attached condo in Sun City and after seeing it I made an offer that was accepted. I moved in a few weeks later.

In October that year, after mourning for a few months, I decided I should get back into life and was told by a friend about the Boomer Connection. The Club was set to have its first BYOB in a member's house. I decided to join and attend, and when I entered the house, I gravitated to the first person I knew. She was talking to this very attractive man who introduced himself as Don Murphy from Portland, Ore., who also was recently widowed. We chatted for a while, but I had to leave early so no other contact was made at that time. I saw Don at a couple of other events after that where we just said "Hello" and moved on. Finally, a month later at another BYOB in a private

home, we met again and chatted for a longer period of time, where he asked me to go out to dinner with him. We spent the whole evening at dinner talking and getting to know each other. After that, we were a couple. We moved in together in late 2014 and were married in 2016. I tell people that I had a very good marriage with my late husband and really had no interest in getting married again, or even dating. But Don swept me off my feet and my life has taken a wonderful turn since then. We laugh a lot and enjoy life together, and it's a wonderful thing!

Calico Ghost Town "Bluegrass in the Spring"

Sunday, May 10 • Bus departs at 8 a.m.; returns at 4 p.m.

Calico is an old West mining town that has been around since 1881 during the largest silver strike in California. With its 500 mines, Calico produced more than \$20 million in silver ore over a 12-year span. When silver lost its value in the mid-1890s, Calico lost its population. The miners packed up, loaded their mules and moved away abandoning the town that once gave them a good living. It soon became a ghost town. "Bluegrass in the Spring" features bluegrass music, cloggers, old time games,

gunfight shows and more. It's the perfect way to spend Mother's Day!

Request for New A/C Units in Time to Tackle Summer Heat

Request for New A/C Units in Time to Tackle Summer Heat

The Common Area Properties Committee (CAP) met in March for a quick and productive session to review the findings of committee volunteers assigned to inspect community centers and golf courses, as well as to vote to forward three projects to Sun City's Board of Directors for final approval.

SCSCAI's Director of Facility Maintenance, Brandon Balek, updated CAP members on the proposed purchase of three make-up air conditioning units for Desert Vista and Sun Shadows, respectively. According to Brandon, the units were quoted to cost \$38,120 each, which falls below the proposed budgeted amount of \$40,000 per unit. As the total funds needed for the project have already been deducted from the projected Reserve Fund Year End Balance, and because the purchase of the three A/C units is within budget, Brandon asked that the Committee recommend the purchase of the items to the Board of Directors. CAP Chairman Dick Clark called for a vote and the Committee approved the request to be placed on the April BOD agenda.

Next up, Brandon reported on the condition of tennis court No. 3 at the Pinnacle Community Center. Brandon said that while his staff was able to repair several of the surface cracks last summer, further deterioration has occurred that necessitates a complete resurfacing.

Brandon explained that there is a remaining balance of \$52,050 set aside for court resurfacing projects and that the cost to

replace tennis court No. 3 would be \$8,900. He asked that the Committee forward the project to the Board of Directors for final approval. The CAP Chairman called for a vote and the Committee approved the request to be placed on the April BOD agenda.

Brandon continued to update the Committee regarding ongoing projects that included the upgrade to the Starbright Theatre's sound system. Equipment has been ordered and should be installed during the month of March. Brandon also shared news about the replacement of the racquetball court floor at the Mountain Shadows Fitness Center. That project, he said, should be wrapped up in June.

The agenda then moved to individual Committee members to discuss the results of their monthly inspections of Desert Vista, the Pinnacle, and Palm Valley and Highland Falls golf courses. Volunteer Marise Mizel was the only volunteer to alert Brandon to a wall in the ladies locker room at Desert Vista. According to Marise, the wall, which has had a previous problem, had been cleaned per a prior request, but there now seems to be a recurring rust spot and a chalky deposit on the wall. Brandon told the Committee he would assign a staff member to look into the issue.

If you are interested in volunteering on the CAP Committee, mark your calendar to attend the April 7 meeting and talk with the Chairman. All homeowners are welcome. The meeting starts at 9 a.m. inside the Committee Room at Desert Vista.

Upon return of the device, ID cards and/or driver's licenses will be returned.

Co-existing With Coyotes

As we approach the end of the coyote breeding season, it is a good idea to keep certain facts in mind to help avoid nighttime visits or a potential pet attack.

According to the Nevada Department of Wildlife, coyotes maintain a year-round presence in our community. While we may not see them, it is helpful to remember that they live among us.

As we enter April, coyote pups will start to learn how to hunt their natural prey of rabbits, rodents and pigeons. Please don't tempt pups into your yard by leaving out pet food and water, or uncovered trash cans.

By observing a few simple suggestions, you can avoid an unwanted coyote encounter.

- ◆ Never feed a coyote
- ◆ Secure garbage can lids
- ◆ Never leave your pet unattended outdoors
- ◆ Always walk your dog on a leash
- ◆ If you feed your pets outside, remember to pick up the food bowls as soon as your pet is finished eating
- ◆ Noise makers and motion-activated lights make for good deterrence
- ◆ If you see a coyote, report it to Mitzi Mills, SCSCAI Executive Director at Mitzim@suncitylv.com

Meet Assemblywoman Shea Backus

Meet Nevada Assemblywoman Shea Backus during her community office hours on Sunday, April 19, 3-5 p.m., at Desert Vista. Residents are encouraged to ask questions or seek guidance from the lawmaker during this event; or they may drop in to say, "Hello." The event is not designed as a campaign opportunity.

Understanding HOA Record Keeping

If you are an officer in an HOA, these free classes presented by the Nevada Ombudsman's Office, Real Estate Division can provide you with valuable information. Learn about an Association's obligation to maintain records and a homeowner's right to receive copies of and to review certain Association records upon written request. The class gets underway Tuesday, April 21, 2-4 p.m., at Desert Vista.

Senator Rosen Sets Up Office Hours

United States Senator Jacky Rosen, D-Nev., will start her monthly office hours in Sun City Summerlin on Wednesday, April 1. Senator Rosen and/or her representatives welcome questions from residents during the official office hours, from 11 a.m. to 1 p.m., in Room 3 at Desert Vista. No campaigning takes place during lawmakers' office events; rather they are intended to help residents through problematic issues.

Come Learn About the Link on Friday, April 24

When the Link Magazine arrives in your mailbox every month, do you have questions like:

- ◆ Is this something that is outsourced by the Association, or is it produced by residents?
- ◆ Where do all of the ads come from and why do we

even carry ads?

- ◆ Who decides what articles are written, what photos are taken – and by whom?
- ◆ Why does the Association spend so much money on a magazine when a simple newsletter would meet state requirements?
- ◆ Why isn't the Link online?

Perhaps you read the Link and think I would like to be involved in that. After all, I have experience/talent as a:

- ◆ Writer
- ◆ Photographer

- ◆ Proofreader
 - ◆ In communications, graphic arts, design
- Come see how we put it all together. And who knows? You might leave with an assignment.

It's Time to Go Garage-saleing

Sun City's Board of Directors approved the Fridays and Saturdays of April 24-25 and May 1-2 for the popular springtime garage sale event. The sales, which may run from 7 a.m. to 3 p.m., will take place at residents' homes throughout Sun City. Residents having a sale can promote their event via signs that they are responsible for putting up and taking down at the end of their sale. For a list of participating sales, see Page 71, where a special Garage Sale Classified Ads section has been created. Please be kind and respect the request for no early birds.

Fitness Crew Tackles Extreme Challenge

SCSCAI's Director of Fitness Pam Shields, left, and Fitness Program Coordinator Jessie Miles were among more than 1,000 people who stepped up for the fight for healthy lungs and clean air during the 12th Annual Scale the STRAT event on February 23.

The fundraiser for the American Lung Association pits participants against 108 floors and 1,455 stairs. The extreme challenge is one of the Lung Association's signature fundraisers. The fastest time logged for the event was 6 minutes and 46 seconds, a record for the event. Pam scaled the Strat Tower in 19:55 seconds, with Jessie coming in at 20:10.

Event organizers reported raising \$321,417.56 toward their goal of \$335,000.

"I always like a good physical challenge and I came across the Scale the STRAT event and thought it would be perfect," said Jessie. "The event raises money for the American Lung Association and it's a unique race experience. What could be better than that! I asked my boss, Pam Shields, Director of Fitness, if she wanted to climb the stairs of the Stratosphere with me and she said, 'Absolutely!'"

"It was a great experience and we'll definitely sign up again next year. Hopefully, with the first organized Sun City Summerlin team!"

The next Security Patrol meeting will be held on
Tuesday, April 28, 6:30 p.m., Desert Vista

Meet Security Patrol's Newest Members

Security Patrol is proud to introduce Tsuneko Meyers and Rich Moeller to the community. Tsuneko is a driver and Rich has cross-trained as an Information Center volunteer and driver.

Driver training is rigorous, involving four sessions with a trainer on at least three different shifts. The trainee learns the responsibilities of each shift and becomes familiar with the neighborhoods. This is followed by four solo hours documented by the dispatcher or watch commander. On completion of the solo driving shifts, the driver is then placed on a shift that needs a driver or a shift that is requested by the driver, providing there is a slot available.

Tsuneko moved into Sun City Summerlin in 2018 and attended new member orientation in 2019.

"I joined Security Patrol because I wanted to learn about this community. I love this community and wanted to contribute," she said.

Patrol drivers encounter many situations involving neighbors who may need help.

"We see people who are ill, and I love the 'Thank you' we get when we tell people that their garage door is open," Tsuneko said smiling and she recalled several situations. "My experience as a customer service professional helps me to deal with people."

One of the challenges for drivers is finding a shift that fits with their personal schedule.

"I picked the 2000-hour (8 p.m. to midnight) shift because the 0800 shift required me to wake up before 7 a.m. It didn't work well."

Tsuneko concluded with, "I really like Security Patrol, and I feel good about doing the job."

Rich Moeller cross-trained as a driver then decided on the Information Center.

"I joined in the summer of 2019. I wanted to learn about Sun City, meet new people, to contribute to the community. I learned about Security Patrol in the Link," he said.

"Driver training introduced me to open garage doors, 911 lights, house checks and putting reflective tape on Dumpsters."

Information Center volunteer training includes helping visitors

Above, Tsuneko Meyers. Below, Rich Moeller.

get to their destination within Sun City. Volunteers distribute community maps and answer myriad questions about the location of golf courses, community centers, Realtors and, inevitably, how to get to the home of their family or friend. Information Center volunteers learn radio communications and answer the hourly radio check from the dispatcher. They are an asset to the community.

Moeller works as a substitute when a shift is open.

"If the day is slow, not many people come to the window and I can catch up on my reading. People in Security Patrol are so friendly and nice. I'm happy to be here."

Security Patrol depends upon new members to continue helping all neighbors. If you are interested, please call Security Patrol base at 702-254-2303. A dispatcher will be happy to help you get started.

Pool Season Is Here!

Our pools and spas offer some of the most used and enjoyed activities in Sun City Summerlin, and we are excited to welcome the 2020 summer season. Our scheduled opening date is Wednesday, April 1, contingent on improvement in the current health crisis. For your enjoyment, we offer two indoor pools, three outdoor pools, three indoor spas and two outdoor spas. See Page 30 for the schedule of pool hours and locations.

Water exercise is one of the best ways to get exercise, have fun and increase your quality of life. We've got lots of news pertaining to Sun City's pools.

Off-Season Pool Work

Our Maintenance Department has been hard at work during this off season, getting the pools ready for the opening.

- ◆ The Mountain Shadows pool has been resurfaced.
- ◆ The Mountain Shadows spa has been resurfaced using Pebble Sheen, a higher quality, more durable finish that will last twice as long as a plaster finish.
- ◆ Additional lighting has been installed at the pool, and two outdoor ceiling fans have been installed at the pool area.
- ◆ Handrails at Mountain Shadows and Desert Vista have been sanded and polished. New handrail covers have been installed.
- ◆ Pool decks have been washed, patched where necessary, and painted. (The Sun Shadows pool deck will be replaced in May).
- ◆ Pool furniture has been inspected, cleaned and repaired as necessary.
- ◆ All pools have been cleaned and chemical levels tested by the Clark County Health Department

Revised Pool Rules

Based on input from residents and pool monitors, the Fitness Department has made changes to the pool rules. These include:

- ◆ Time in lanes, whether swimming or walking, has been increased from 30 minutes to 45 minutes.
- ◆ Dedicated lap swim times at Desert Vista and Sun Shadows (daily 6-8 a.m. and 4-6 p.m.) have been eliminated.

Pam Shields,
SCSCAI Health &
Fitness Director

The pool at The Pinnacle.

Pool Hours

All pools open at 6 a.m. The Desert Vista pools close at 10 p.m.; Mountain Shadows, Pinnacle and Sun Shadows pools close at 9 p.m.

Children at the Pools

Do you want to bring the grandkids? According to SCSCAI's CC&Rs, individuals under 19 years of age are considered children. In order to use the pool or be in the pool area, children must be 42 inches tall without shoes. Children must be supervised by a responsible adult at all times.

Children's hours are 1-4 p.m. at Desert Vista (indoor pool only) and 10 a.m. to 1 p.m. at Mountain Shadows and Pinnacle. Children are not permitted at the Sun Shadows pool and Desert Vista outdoor pool.

To ensure a smooth, enjoyable experience at the pools, we encourage you to pick up a rules pamphlet from the Fitness Monitor desk.

- ◆ **Showering and Sanitation Laws:** Showering before entering the pool or spa is required by the Southern Nevada Health District in order to reduce the contaminants that are brought into the pool and spa. It is also highly recommended to rinse off by showering after exiting the pool.
- ◆ No adult disposable briefs, colostomy bags or catheters may be worn in the pool or spa.
- ◆ Street shoes are not allowed in the pools or pool areas. Dedicated and clean pool shoes are acceptable.
- ◆ Persons with a cold, cough, sore or inflamed eyes, any skin or communicable disease, or with open sores or bandages must not enter the pool or spa.

Season Opening Pool Party

Join us for a party on May 30, 6-9 p.m., at the Pinnacle to celebrate the pool season! The party will be free to residents and their guests. We'll provide live music and refreshments. There will be a cash bar. Look for more details in the May Link.

Summer is back. Enjoy the pools! Please notify us if you are not completely satisfied with your experience.

WHAT'S AHEAD IN APRIL

As we continue with our theme for 2020, "Healthy Living: Head to Toe," we will address the shoulders, arms, core, heart and lungs (April through June). See Page 29 for the schedule of seminars.

As the Health & Fitness Department wraps up the summer, in July and August, it will focus on overall health. From September to November, programs aimed at the lower body – hips, knees, feet, etc. will be targeted. Each month, Sun City's Health & Fitness staff will continue to dig deeper into each area of the body, and will work hard to bring residents educational experiences that provide a more in-depth look into their own health and wellness.

NUTRITIONAL TIP

Choose Healthy Meals as You Get Older

Follow some simple tips for better health at each stage of life:

- ◆ Drink plenty of liquids and stay hydrated.
- ◆ Make eating a social event – meals are more enjoyable with others.
- ◆ Plan healthy meals. Find sensible and flexible ways to choose and prepare healthy foods.
- ◆ Know how much to eat. Learn about portion size.
- ◆ Vary your vegetables, a good source of fiber. Choose colorful veggies.
- ◆ Eat for your teeth and gums. Eating softer foods can help.
- ◆ Use herbs and spices. Add flavor to your meals.
- ◆ Keep food safe. Throw out food that might not be safe and cause food-related illness.
- ◆ Read the nutrition facts label. Make the right choices when buying food.
- ◆ Ask your doctor about vitamins or supplements. Food is the best way to get nutrients, but sometimes vitamins and supplements can help.

PHYSICAL TIP:

Improve Balance: Strengthen Your Core

Starting Position: Stand facing a desk or counter with your feet together.

Movement: Tighten your abdominal muscles and lower your upper body weight onto your forearms on the desk or countertop. Clasp your hands together and align your shoulders

directly over your elbows. Step back on the balls of your feet until you are balancing your body in a line like a plank. Hold the position. This is one rep.

Tip: Keep your shoulders down and back, and breathe comfortably.

Where To Start: If you're feeling unstable, you'll need to see a doctor before beginning an exercise routine. Instability may be related to problems with your inner ear organs, vision, muscles or joints. They all send signals to the brain, which processes the information and sends signals back to your muscles to make the movements necessary to maintain balance.

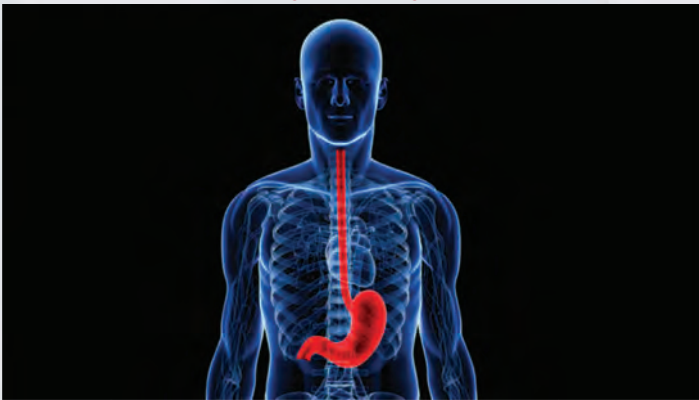

If your doctor recommends physical therapy to strengthen your core, you'll go through an evaluation to determine and prescribe the right exercise routine. Once you've been assessed, your physical therapist will likely guide you through a series of gentle stretches and strengthening exercises.

Don't wait for balance problems before you start working on your core. You can prevent balance problems, as well as back pain, by maintaining a strong core at all times.

AIR FORCE VET MAKES NAVAL ACADEMY HISTORY

By Bob Cohen/Link

*Photo of ship by Steve Linder
Photo of Jim by Bob Cohen/Link*

In February 1813, while our young nation was fighting England in the War of 1812, The Navy sent 28-year-old Commodore Oliver Hazard Perry to Erie, Pa., with orders to complete the construction of a fleet of 10 ships to ensure that the U.S. kept control of Lake Erie. He completed the construction of the fleet the following August. The next month, he defeated the English fleet and ensured control of the Northwest Territories, after which he wrote in his final report that: "We have met the enemy and they are ours."

Flash forward to 2015, Sun City resident and Air Force veteran Jim Twohig began building a model of Perry's flagship, the Niagara. While Perry was able to build the original in approximately six months, it took Jim 3 years and some 2,000 hours working in the Model Builders Club studio at Desert Vista to complete his very detailed model. To be fair, as astonishing as Perry's accomplishment was, he had lots of help. Aside from kibitzing from his fellow Model Builders Club members, Jim worked alone.

Built to 1:64 scale, the model is 43 inches long, 27 inches high and 11 inches wide. And, like the original, is equipped with two long cannons and 18 cannonades.

The model has won Best of Show and People's Choice awards in the National Model Contest, in addition to First Place in the Best of the West contest. In 2016, it was exhibited at the Nautical Research Guild's Annual Convention – all very notable events. But those accolades pale compared to what was in the future.

As detailed by Jim, "For over 150 years, the Preble Museum at the U.S. Naval Academy in Annapolis has collected historically significant objects illustrating the history of the U.S. Navy. The War of 1812 Exhibit displays objects, equipment, paintings, uniforms, etc. from that era. While world-renown and priceless, the exhibit does not have a model of the USS Niagara!"

Enter retired Navy Captain Bruce Adams, President of the Sun City Model Builders Club and graduate of the Academy class of 1969. While attending his 50th class reunion at Annapolis last October, Bruce toured the Preble Museum and noticed that the exhibition lacked a model of the Niagara. He did not hesitate to bring that omission, and the fact that Jim Twohig's award-winning model existed back in Sun City to the attention of Museum Director Grant Walker.

Obviously interested, Director Walker asked for more information and detailed photos. Returning home, Bruce updated Jim on the possible opportunity to donate his model and make Academy history – a fact not missed by the Air Force veteran. Jim and Bruce then enlisted the help of fellow Model Builders Club member and graduate of the Naval Academy Class of 1969, retired Marine Corps Lt. Colonel Steve Linder. Steve took detailed photos that were used in the formal presentation to the Preble Museum's curators last December.

The result: An enthusiastic acceptance of Jim's model and the approving of funding of the "Crating, Shipping and Delivering" of the model Niagara. Jim's model will now be part of the Academy's history!
