PRESIDENT'S MESSAGE

Wow! Spring is almost here. The trees and flowers are budding and blooming. It seems like everyone is in good spirits. Your Board is trying to complete a draft of a proposed budget which will then be presented to the residents. Those of you who tuned in via Zoom have had the opportunity to see how hard the staff works to present the Board with a solid starting point for the budget discussions. It is always a challenge to put a cost on the projects to be done, the equipment to be purchased and the maintenance that must be done. The added challenge this year has been to re-evaluate the Reserve Fund. The huge increases in the price of buying products, equipment and supplies coupled with the inflation that is occurring has made the budgeting process even more daunting this year. The Board is trying to keep fees down while dealing with these issues. Sometimes I feel like a one-armed paper hanger with a deadline.

As reported last month the Future Planning Committee is now analyzing the data that was gathered from the surveys. The preliminary results have been somewhat predictable BUT some of the data is tending to show a very strong interest of the residents in being proactive about our community's future as well as additions that are desired by many. One of the items requested is how to start a new club. We now have about 80 clubs and community organizations. The simple answer is to contact Community Services (Melissa Spina) and get started. She has "starter kits" and can answer any questions. Space, additional space, space utilization, storage and dedicated storage are some of the issues that have been identified in the survey. The data gathering process also included interviews with all the Department Directors and committee members reaching out to all of the club presidents. The response was fantastic and gave the committee even more insight to what might be needed in the future I will keep you updated each month as this process continues.

Beth and I had an opportunity to attend the performance of "The Butler Did It." The Community Theater group did a fantastic job. The residents that took part put forth a tremendous effort as shown in the very well-done production. I was in awe of how many lines the performers had to memorize and then deliver with both timing and emotion. I must say "Great Job", I cannot wait for the next production. Another group of our residents will be performing at the Starbright Theater. On April 23rd and 24th the Music Makers, a choral group will be presenting their Spring Show. Get your tickets early, before they are sold out.

Remember to treat others the way that you would like to be treated. Be Kind. Be Safe.

ELECTION COMMITTEE IN ACTION

The Sun City Community Association, Inc., held its Annual Meeting on Wednesday, February 23, 2022, at 8 a.m. The meeting was called to order by Board of Directors President Dick Clark. After the Pledge of Allegiance, minutes of the February 24, 2021, Annual meeting were approved. There were no resident comments. Mr. Clark introduced Lynn Kasner-Morgan, Chair of the SCSCAI Election Committee who introduced committee members Michael Christiansen, Garry Garcia, Ruth Mintz and Melanie Spector. Committee members then emptied the box, removed the envelopes, scanned the barcode over the return address to document the validity of the household voting. There were 3140 envelopes returned and counting began. There were 35 voided ballots, primarily because more than three votes were cast. The results were certified by Board Secretary Ellen Bachman and results announced by Ms. Kasner-Morgan. The meeting was adjourned at 12:07 p.m.

Congratulations to Dick Clark, Stephen Commander and Kenneth Resnik who were elected to three-year terms on the Board.

WELCOMING SUN CITY'S 2022-23 BOARD OF DIRECTORS

Reprinted with permission from Ellen Greenspan

What is the Board of Directors? The Sun City Summerlin Community Association, Inc.'s, Board of Directors is an unpaid voluntary team of nine property owners elected by the Association members to represent their interests and ensure that Association management acts on their behalf. The president of the board is the chairperson.

How Does the Board of Directors Work? Directors officiate monthly general membership board meetings. They evaluate management performance and tend to major community-interest decisions. Board Directors have staggered terms, meaning that they are not all up for re-election in the same year.

Why Does the Board of Directors Matter? The purpose of the Board of Directors is to make sure that Association management is acting in the best interests of property owners. Each Board member has a fiduciary duty to the Association's members.

Committees, Liaisons, Resident Volunteers: Sun City's Board of Directors head up ten standing committees of the Association and one advisory committee. Each committee is dedicated to uniquely specific functions and decision-making processes. Board members rely on resident volunteers who make up the committees' working arms to reinforce the efficient flow of daily operations.

"Service to others is the rent you pay for your room here on earth." – Mohammad Ali

Residents who want to explore committee volunteer participation should note the Board member/chairpersons' names and contact information listed on Page 6 of the Link.

Fitness Committee members review maintenance and proficient operation of the centers, and are responsive to residents' general feedback. Committee members also investigate any health-related matters requested by the Director of Fitness, Executive Director and Board of Directors.

ELECTION COMMITTEE

Lynn Kasner-Morgan, Chairwoman · lynnkasnermorgan@gmail.com

The President, with the consent of the Board, appoints the Chair and the Chair appoints members of the Committee. Unlike other Committees, there is no Board member or Board liaison to this Committee. The Committee gets its direction from NRS 116 as well as the CC&Rs which indicate rules such as one vote per household and cumulative voting. The Committee prepares the information that goes in the candidate packets, prepares the information that is sent with the ballots and, most importantly, counts ballots at the Annual meeting of the Association. On occasion, the Committee is asked to count other official ballots such as changes to the bylaws, CC&R revision votes and budget approval votes whether in person or when voting by mail is required. The Committee does not conduct candidate events, rather that is done by the Residents' Forum which is an organization consisting of all members of the Sun City Summerlin Community.

Tina Marie Montoya, Events Coordinator, Community Services

My family moved to Las Vegas from California in December 1972. I grew up with my sister Liz, three brothers Tim, Ron & Joe. My family was mostly law enforcement and my father with my three brothers opened American Shooters Supply & Gun Club in 1982. I worked for the LVMPD as a 911 Dispatcher for 12 years before I joined my brother Ron to run the family businesses as the VP of Finances. In 2008, we sold our businesses and I started 4 more businesses with my brother Ron. My family are my best friends, and we spend most weekends and holidays together. We try to go skiing for Christmas in Deer Valley & Park City, UT every year. I love music, having played a few instruments myself and singing in a choir and at church. I am so happy I found the perfect career for me here at Sun City Summerlin as the Events Coordinator. Everyone has made me feel very welcomed. Thank you!

“As I See It . . .”

“Five Lessons About the Way We Treat People”

- Author Unknown

By Alan G. Spector /Link

First Important Lesson - Cleaning Lady

During my second month of college, our professor gave us a pop quiz. I was a conscientious student and had breezed through the questions until I read the last one:

"What is the first name of the woman who cleans the school?"

Surely this was some kind of joke. I had seen the cleaning woman several times. She was tall, dark haired and in her 50's, but how would I know her name? I handed in my paper, leaving the last question blank. Just before class ended, one student asked if the last question would count toward our quiz grade.

"Absolutely," said the professor. "In your careers, you will meet many people. All are significant . . . they deserve your attention and care, even if all you do is smile and say "hello."

I've never forgotten that lesson. I also learned her name was Dorothy.

Second Important Lesson - Pickup in the Rain

One night, at 11:30 p.m., an older African American woman was standing on the side of an Alabama highway trying to endure a lashing rain storm. Her car had broken down and she desperately needed a ride. Soaking wet, she decided to flag down the next car. A young white man stopped to help her, generally unheard of in those conflict-filled 1960's. The man took her to safety, helped her get assistance and put her into a taxicab. She seemed to be in a big hurry, but wrote down his address and thanked him. Seven days went by and a knock came on the man's door. To his surprise, a giant console color TV was delivered to his home. A special note was attached.

It read: "Thank you so much for assisting me on the highway the other night. The rain drenched not only my clothes, but also my spirits. Then you came along. Because of you, I was able to make it to my dying husband's' bedside just before he passed away. God Bless you for helping me and unselfishly serving others." Sincerely, Mrs. Nat King Cole.

Third Important Lesson - Always Remember Those Who Serve

In the days when an ice cream sundae cost much less, a 10-year-old boy entered a hotel coffee shop and sat at a table. A waitress put a glass of water in front of him.

"How much is an ice cream sundae?" he asked. "Fifty cents," replied the waitress. The little boy pulled his hand out of his pocket and studied the coins in it. "Well, how much is a

plain dish of ice cream?" he inquired. By now more people were waiting for a table and the waitress was growing impatient...

"Thirty-five cents," she brusquely replied. The little boy again counted his coins. "I'll have the plain ice cream," he said.

The waitress brought the ice cream, put the bill on the table and walked away. The boy finished the ice cream, paid the cashier, and left. When the waitress came back, she began to cry as she wiped down the table. There, placed neatly beside the empty dish, were two nickels and five pennies. You see, he couldn't have the sundae, because he had to have enough left to leave her a tip.

Fourth Important Lesson - The Obstacle in Our Path

In ancient times, a King had a boulder placed on a roadway. Then he hid himself and watched to see if anyone would remove the huge rock. Some of the King's wealthiest merchants and courtiers came by and simply walked around it. Many loudly blamed the King for not keeping the roads clear, but none did anything about getting the stone out of the way.

Then a peasant came along carrying a load of vegetables. Upon approaching the boulder, the peasant laid down his burden and tried to move the stone to the side of the road. After much pushing and straining, he finally succeeded. After the peasant picked up his load of vegetables, he noticed a purse lying in the road where the boulder had been. The purse contained many gold coins and a note from the King indicating that the gold was for the person who removed the boulder from the roadway. The peasant learned what many of us never understand!

Every obstacle presents an opportunity to improve our condition.

Fifth Important Lesson - Giving When it Counts

Many years ago, when I worked as a volunteer at a hospital, I got to know a little girl named Liz who was suffering from a rare & serious disease. Her only chance of recovery appeared to be a blood transfusion from her 5-year-old brother, who had miraculously survived the same disease and had developed the antibodies needed to combat the illness. The doctor explained the situation to her little brother, and asked the little boy if he would be willing to give his blood to his sister.

I saw him hesitate for only a moment before taking a deep breath and saying, "Yes I'll do it if it will save her." As the transfusion progressed, he lay in bed next to his sister and smiled, as we all did, seeing the color returning to her cheek. Then his face grew pale and his smile faded.

He looked up at the doctor and asked with a trembling voice, "Will I start to die right away?"

Being young, the little boy had misunderstood the doctor; he thought he was going to have to give his sister all of his blood in order to save her.

So, we can learn "live with no regrets - Treat people the way you want to be treated - Work like you don't need the money - love like you've never been hurt - and Dance like you do when nobody's watching."

HEALTH & FITNESS

April - Stress Awareness Month

Learning to cope with stress and finding healthy ways to deal with situations can go a long way in living a healthy and positive life. This year it seems particularly important for tips and tools.

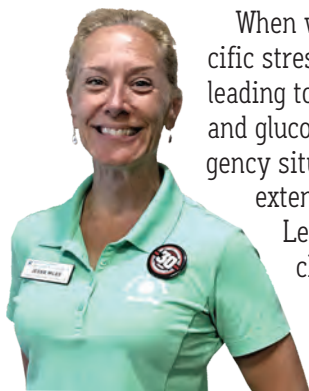

What does stress mean to you?

We all experience stress - yet we may experience it in very different ways. There is no single definition for stress, but the most common explanation is a physical, mental, or emotion strain or tension.

When we are placed in a stressful situation, specific stress hormones rush into our bloodstream leading to an increase in heart rate, blood pressure and glucose levels. This can be helpful in emergency situations but having this "rush" for extended periods of time can be dangerous.

Learning to overcome things we cannot change, can be a good place to start. Here are some basic ideas to cope with stress:

- Give yourself a break if you feel stressed.
- Share your problems and how you are feeling with a family member, friend, or counselor.

Jessie Miles
SCSCAI Director
of Fitness

- Eat healthy, exercise regularly, get plenty of sleep.
- Take control of reactions and focus the mind on something that makes you feel calm and in control.
- Breathe.

Remember that you are not alone. You are part of a wonderful community right here!

The Health & Fitness Department is offering some stress-free seminars and events for April and May.

Here are the highlights:

- Wednesday, April 20- Stress: The Good, The Bad, The Ugly presented by Dr. Glenn Barnes
- Friday, April 22-Herbs: More Than Just a Pretty Face! Presented by Cindy Dixon, Education Specialist-Springs Preserve
- Saturday, May 7- Sun City Summerlin 5K/1 mile walk/run start and finish at Pinnacle Community Center
- Friday, May 13- Strong Bones, Young Posture, Balance & Stability Seminar
- Wednesday, May 25- National Senior Health & Fitness Day at Desert Vista Community Center

Don't forget to relax and enjoy the stress-free outdoor pools in the community starting April 1!

As your new Director of Fitness, I will do my best to listen and learn from each one of you in how we can maintain, improve, and enhance our fitness centers and your experiences within the community!

Stress: The Good, The Bad, and The Ugly

**Wednesday, April 20
1 p.m. • Desert Vista**

Like death and taxes, stress is an inevitability. When taken at its pure definition, stress is simply a stimulus that provokes

a response. While commonly viewed as negative, stress is also necessary for positive growth. Trying difficult things is stressful until they are familiar and/or mastered. Conversely, negative stressors can have all too familiar effects on our well-being and permeate every facet of our lives as well. In this presentation we will discuss a framework in which to place stress, some natural responses (the good, bad, and ugly), as well as some practical tools that can be used to convert the stressor into an opportunity for growth. Dr. Glenn Barnes, UNLV Sports Medicine will be presenting the seminar.

Gardening for Health: Herbs More Than Just a Pretty Face! Celebrate Earth Day

**Friday, April 22,
Noon • Desert Vista**

Herbs are easy to grow, wonderful to eat and virtually pest free. Join us as we learn how

these marvelous plants add fragrance to your garden, contribute to your health and so much more. Cindy Dixon, Education Specialist at the Springs Preserve will be presenting the seminar.

OWNER

Are you the original owner of your Sun City Summerlin home? If so, the "Link" would love to know your story. If you are willing to share your experience, please contact Gail Abrams, Magazine Coordinator, at (702) 966-1436 or GailA@suncitylv.com.

Here's our story . . .

"You have got to see Las Vegas before you die." My father told us, after he had visited several decades prior. So, one year we took his advice and planned a "Vegas Vacation" sans Chevy Chase and crowd.

Aware of Del Webb's Sun City vacation villas, we planned to pose as potential home buyers and "use" a vacation villa as our hotel during our sightseeing trip west. At the time we lived in Ohio. Well, the laugh was on us. It was perfect late September weather. Our vacation villa afforded a fantastic view of the lights of Las Vegas. A full moon cinched it. It was love at first sight.

To get all the "freebies" that came with our villa stay, we had to visit the Sales Center (which, then, was located directly across from Desert Vista). We felt, at least, we owed our assigned salesperson a look at the models. Again, just looking.

Suddenly there it was! Our dream retirement home.

By the end of our week in Las Vegas we had viewed resales, visited Sun City MacDonald Ranch in Henderson, and decided we wanted to purchase a villa in Sun City Summerlin.

The model we chose was truly popular, and our salesperson said there was a lottery for the sites. We flew back to Ohio and waited. Finally, the call came. We provided our credit card number and were set.

But when we looked at the plans mailed to us, there was no kitchen window. We phoned our salesperson and said, "No, thanks. We will wait and try for a kitchen window." The model we chose was so popular that two were often joined—leaving one unit of the two with no kitchen window. Three doors up from that unit, one with a kitchen window became available.

Then visits to Las Vegas began. We visited prior to the lots being graded, when the slab was all there was, when the frame was up and drywall was stacked in what was to be our living room, and finally to close and have it truly ours.

We traveled back and forth to Ohio gathering frequent flyer miles from, then, America West. One of the most memorable trips was our appointment with the Design Center. Did we want a skylight? Bay window? banjo arm in the guest bath? All options and \$\$\$\$. By the way, a banjo arm is an extension of the vanity countertop that goes over the toilet tank.

Ten months later, we sold our Ohio home, our cars, lots of furniture and "stuff." We boarded an American West flight, first

Various phases of construction

class (Remember those frequent flyer miles?) and flew to Las Vegas--never looking back.

While living here, we have visited and "used" other Sun City vacation villas for lodging. At one Sun City in California, we were up-front with the salesperson. We told her we lived in Sun City Summerlin and had no intention of moving. Her reply, "You live in the jewel in the crown of Del Webb Sun Cities." We agreed then and still do today.

THE Spiritual self

The month of April brings many different religious holidays:

- 4/2 to 5/2 Ramadan, a holy month celebrated by Muslims.
- 4/14 Vaisakhi: An ancient festival for Hindus that simultaneously celebrates that Solar New Year and spring harvest.
- 4/15 to 4/23 Passover: A 7-day holiday in the Jewish faith that honors the freeing of the Israeli slaves.
- 4/15 Mahavir Jayanti: A Jain holiday celebrating the birth of Lord Mahavira, the founder of Jainism.
- 4/17 Easter: The most important day in the Christian faith when they celebrate the resurrection of their Lord and Savior Jesus Christ.
- 4/24 Feast of the Divine Mercy: A feast day on the second Sunday of Easter when Christians seek Christ's forgiveness and grace.

No matter the diversity of faiths, many of us still look to faith to guide us through times of adversity. I wondered: but what is the spiritual self? Surely it is more than actively attending these holidays. And what of spiritual self-care, and how do we become more aware of our spiritual self? I reviewed different sources in an attempt to know my own spiritual self better; this is what I found out.

More and more people are searching for calm in the chaos that we encounter daily. While exercising, socializing, a healthy diet and plenty of sleep are wonderful ways to practice self-care, if you want to create a sense of daily well-being, you may want to cultivate an inner world of peace that connects you to something higher. Some call it God, others may prefer the term "Higher Power."

Being at peace with yourself and the world at a deeper spiritual level allows you to enhance your inner power in order to show up in the world with meaning, ease, and grace. But how do we practice self-care in a way that nourishes our spiritual thirst?

One resource I referenced mentions that we are part ego, coping styles and fear, but another part of us wants to live in truth to allow for the best possible good for all, sans ego. As we follow this path, we may start to feel balanced and supported no matter what problems we are dealing with.

Whether you are actively working on your spiritual self or never considered yourself to be very spiritual in the first place, there are a few recommended suggestions you may want to try. Whatever suggestion feels right for you is the one you should experiment with:

Prayer or meditation: Sitting with your mind in meditation or prayer helps to practice being in the present moment, which is ideally the only place we should be.

Be the "observer not the actor:" Sitting back in any given situation and simply observing your own thoughts and feelings is powerful. Ram Dass, a spiritual teacher and psychologist, said "Everything changes once we identify with being the witness to the story rather than the actor in it." Personally, I find this thought fascinating, and it never occurred to me before now.

Be out in nature mindfully: This is also part of self-care. We can turn off the headphones and cells and really observe and listen to nature. It doesn't have to be complicated; thinking about the fresh air you are breathing and watching your dog explore its surroundings is a good start.

Gratitude and appreciation: You have read about this before; instead of ruminating about the negative things that may be happening, there is power in concentrating on the more positives in your life and being appreciative for the gifts you have.

I learned that the more peace, love and joy we cultivate within ourselves, working with God or our Higher Power, the more we are able to pass those blessings on to others. Just by "being" we make the world a better place for all!

"The unexamined life is not worth living."
— Socrates

SECURITY PATROL

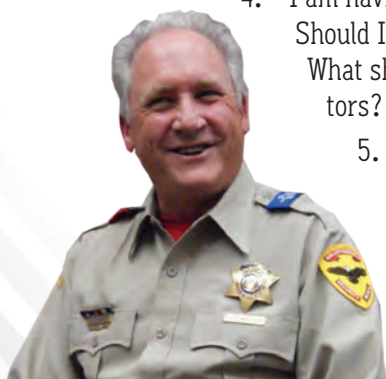

One Day in May (Or Perhaps Eight)

We cannot help you if we cannot find you, SO...one day in May (maybe eight), (actually evening), we will be driving with a fist full of flyers letting you know that the lights are out on your address sign. It is so easy to miss this very important detail as so many of us do not venture out after dark. We will not be ringing the doorbell or calling but will leave the flyer near your front door. It will have some suggestions to correct your address light situation. Hope this will help our community, not only for our security patrol, but also for an emergency event if you have called 911. You are welcome!

Try this little quiz:

1. Who do I call if someone in the home takes a fall and cannot get up?
2. Should I report a burglary to Security Patrol?
3. Can I be a part of "Neighbors Helping Neighbors"?
4. I am having some renovations done. Should I let Security Patrol know? What should I suggest to my contractors?

Alan Lebarts, Chief
Security Patrol

5. Where is Security Patrol located?
6. Can I get any other questions answered?
Answers (in case you need them):
 1. Call 911 and have emergency response

from Las Vegas Fire and Rescue. They are on duty 24/7 and have told this writer many times, they wish folks would call right away to prevent possible disasters. THEN if you need some support while waiting for them, please notify Security Patrol. We leave the medical situation to the professionals, but the presence of a familiar face may help.

2. If you feel comfortable! This would be AFTER you call Metro to report. We are always looking for patterns, or opportunities where the burglars have taken advantage of members of the community. We know one of the top reasons is an inviting open garage door, but we would like to let folks know of any others.
3. Of course! Security Patrol is always welcoming new members. There are so many jobs to fill, not just drivers, or our great officers who man the Information Centers at the three community entrances. People who enjoy crunching numbers, folks who are more "social event" inclined, experts in internet technology, and communications hardware maintained for the heavy use they receive. The cars must be kept in tip-top shape, plus so many more; there are numerous opportunities for community members to help. If you would like to be a part of this, there is a job for you. Plus you will be meeting some of the best folks around.
4. So many community members are renovating parts or all of their homes. The biggest concern is for safety of drivers using the public streets, where contractors must store the materials and equipment necessary for the work. Have a conversation with your chosen company and see if they will provide reflective cones and any other safety apparatus needed. The most dangerous time for motorists is after the sun has gone down. If you should need extra help with traffic cones, Security Patrol has a supply of them to loan. Just give us a call and we will try to help you out.
5. To find the office for Security Patrol, please drive to the far end of the Desert Vista Community Center parking lot. We are in the offices in the middle section of the building. Lots of signs on the doors.

Of course, just call us or drop by. You may see your question in a future issue of the LINK!

UNLV HEALTH
 Here for your primary and specialty care needs.
 Call us a **702-660-UNLV** or visit us online at **unlvhealth.org**.

Welcome Neighborhood Preparedness Team members.

It was a pleasure to meet and talk with so many of you at Saturday's Home & Security Expo here in Sun City. We appreciate your interest in becoming part of the *Neighborhood Preparedness informational network*.

We are in the early stages of expanding this network and are very encouraged by the level of interest we experienced at the Expo. As members of this team we have become part of a security and safety solution and will begin receiving the following from the *SCS Neighborhood Preparedness Team*:

- Notices of upcoming presentations by security experts and our Metro Police
- Crime and natural disaster alerts, updates and information
- Tips, tactics and tricks to protect yourself and your property from...
 - Burglary, robbery, porch pirates, auto and other thefts
 - Scams, fraud and cybercrimes
- The comfort of knowing your neighbors have your back

We have been sending out first communications. Whether or not you are a **Neighborhood Watch** Block Captain, please feel free to share this information with your Sun City friends and neighbors and encourage them to contact us at NPTSCS@gmail.com to get themselves on our email/contact list.

If you expressed an interest in starting a Neighborhood Watch (NW) or simply learning if there is an active program on your street, we are passing the contact information you provided to Manuel Barela who oversees the Neighborhood Watch program at Las Vegas Metro. We will do our best to ensure they contact you soon. However, do be patient, he will have a lot on his plate as our new Crime Prevention Specialist.

If you know anyone else in Sun City that would like to learn more about **Neighborhood Watch**, we strongly encourage you to ask them to contact us at the above email address. Additionally, if you know a Block Captain, please ask them to contact us. As part of this effort, we are trying to identify our current Captains, which is information Metro cannot share with us due to privacy concerns.

Don't forget, we meet at Desert Vista Community Center the **FOURTH** Wednesday of each month at 10:00AM. Again, thank you so much for joining this important effort.

IN your Easter BONNET, With all the FRILLS Upon it . . .

Some of us in Sun City may remember those days but will anyone under 35 ever have the same memories of going to Kaufmann's, or Macy's, or any department store to find just the right outfit, and I DO mean outfit. It wasn't just the dress, but the patent leather shoes, the laced ankle socks, matching purse (perhaps a matching hanky to put in the purse), and to literally top it off, the Easter Bonnet! For the young man, the Easter outfit may have been his first suit since his Holy Communion and will double for their Confirmation, complete with grown up shoes, maybe penny loafers, a matching belt, and dress shirt with clip on tie!

Even when money was 'tight', the ensemble may have been hand-me-downs; the outfit may not have been as impressive as we might have liked, but most did the best they could for their kids. My Dad, raising two girls on his own, still knew what mattered - to do what he could for his 'girls.' Come Easter morning, we strutted up to St. Canice to do our Easter Duty. The Easter baskets had to wait . . .

They had spent the past year wrapped in newspaper and stored in the attic or basement, neither of which most of us here in Las Vegas have! Getting older, we were devastated to find out there was no Easter Bunny but were pacified by being able to contribute to the decorating. As we rooted through the straw, we often found year old jelly-beans or petrified chocolate eggs, and heaven forbid, a colored egg long forgotten. Never understanding why we still could not eat them, they were replaced with fresh coconut eggs wrapped in foil and chocolate bunnies we hoped would have solid ears, not the hollow kind which made us feel cheated, and a renewed supply of jelly beans.

The eggs we were now allowed to help decorate may have looked like a 'psychedelic trip' as we got carried away with the drops of food coloring, but we thought they were works of art. Placed carefully on fresh straw from the Five & Dime, we carefully arranged everything 'just so!' It was like Halloween with-

out having to go out and collect your own candy. THIS is when Easter started. Being from the East Coast, like Halloween, many an outfit was shrouded in a heavy coat but underneath, we looked spiffy, and knew, once we got home, what was waiting for us. Arriving home from church, now that the Easter baskets were fair game, off came the lacey white gloves, the clip on tie, and there was no thought of the next trip to the dentist.

A few might remember the trouble someone went to fixing Easter dinner, roast leg of lamb or ham was normally on the menu, but it depended on your ethnic background and traditions. Being raised Irish Catholic, nearly every household was similar, but the Easter baskets had to wait, although having them for the entrée would have been incredibly wonderful. We were unceremoniously told, "You will have to wait until after dinner!" Seemed like the longest dinner in our lives at times.

There were times, growing up, while having nothing to do between church and dinner, some of my neighborhood friends and I would go up the hill and walk through the cemetery, taking pictures of our outfits with our Brownie camera. Sounds a tad macabre, and not sure why we did it, but we considered it OUR tradition. Of course, there were a lot of things I did with my neighborhood friends growing up that are more than questionable today.

Within a few days, the eggs were now in the refrigerator, the candy would be in a bowl, and finding the jelly-beans would be like an archeological dig - and yet, some would remain buried till next year. I have often used the phrase, "It was a kinder, gentler world . . ." So as Easter comes this year, whether you have a new outfit or even make it to church, may the true meaning of this day not be forgotten. Peace on earth should not be confined to Christmas! While I only know about my own history and upbringing, allow me to say to all, be it Happy Easter or Happy Pesach, may we all celebrate whatever Holiday you believe in, and find the kinder and gentler world we all deserve.

Art

Artists of all levels from beginners to advanced, and those who just love art, are welcome to join the Club. Dues are \$15 a year. All art classes are now back to full schedule. The Art wall at Mountain Shadows Community Center is back up and running. Each month we will feature the work of one of our members. Please stop by and enjoy. Our next general monthly meeting will be held on Monday, April 18, 1 p.m., in Desert Vista, Room 1. For more information, contact Steve Brenner at 749-7737 or visit our website at www.suncitysummerlinartclub.net. The sculpture pictured above is by Dennis Luiz.

Arthritis

Do those painful joints keep you from exercising? We have a solution. Slip into your swimsuit and join us in the pool for soothing exercises that get those joints limbered up. These exercises safely move every part of the body. Stretching, range of motion, flexibility and balance improve health and wellness. This low-impact pool exercise Club meets Tuesdays and Thursdays, 10:30-11:30 a.m., Desert Vista indoor pool. Check with your doctor to ensure you are fit enough for the class. Annual dues are \$35. Call Pam Miller 804-240-8626.

Be Fit

Sign-up today to get or stay fit with Be Fit! We offer three Yoga classes – Gentle, Yin and All Level, along with Barre Method, Pilates, Cardio & More and Strength & Toning. Residents are invited to drop in and try one class for \$3 – space available! If a member wants to try other classes, \$3 will be collected; based on space available. Schedules and registration details can be found at the Fitness Centers or by emailing scsfit@fastmail.us. Be Fit is a great way to get or stay in shape year-round! For information, contact Nancy Sanders at 423-9039 or email scsfit@fastmail.us!

Beading and Jewelry

The Beading & Jewelry Club meet the first Tuesday of the month at Desert Vista at 1 p.m. The remaining Tuesdays we meet in the Silver Room at Mountain Shadows at 1 p.m. If you are

interested in learning a new creative hobby, please come join us to see what we are all about. Ellen Crawford holds classes for beginners to learn the basics. You can call her at 478-8806 to register for her next class. No experience necessary. Any other questions, please call Paula Nuzzo 820-9343. We are looking forward to seeing you.

Bicycle

The Bicycle Club does group rides starting at the lower Desert Vista parking lot on Tuesday and Thursday and Sun Shadows on Saturday. Our Winter schedule began on December 1st, so all rides will start at 9:00 a.m. Anyone with a bicycle (or e-bike) and a helmet is more than welcome to join us for any ride. Don't worry about keeping up, we're just an easy-riding bunch of SOB's (Seniors on Bicycles). For more information, please email Gary Trowbridge scsbikeclub@gmail.com.

Billiards

Billiards or pool has been around for more than 100 years. The social side of pool has played an important role in the lives of thousands of people. Decelerate the aging process and perk up several cognitive functions. Polish the psyche and come visit us at Desert Vista on Monday, Wednesday, or Friday at noon. For more information, call Gavin Lightner at 838-2767.

Bocci Ball

Bocci afternoon play has begun. Play commences at 2 p.m., sharp on Mondays at Sun Shadows, and Thursdays at Desert

Vista. Hope to see you all soon. For information, call Henrietta at 987-3456.

Book

The Sun City Summerlin Book Club is planning to meet 1:30 to 3:30 p.m. on Thursday, April 14. Our book choice for April 2022 is Miss Benson's Beetle by Rachel Joyce. If you haven't already paid, dues for 2022 are \$10.00. You can pay with cash or check at the meeting. We will

abide by all current safety directives from the Association and communicate any updates by email and Facebook (Sun City Book Club). For more information, contact Cherie: 541-233-6545 or klipsan2@gmail.com.

Bridge, Duplicate

The Duplicate Bridge Club meets at Mountain Shadows on Wednesdays and Saturdays at noon. Want a challenging afternoon of duplicate bridge? We typically play 26-28 boards. Join us for a great duplicate experience. Need a partner? Call the club President Gloria Traxler at 341-1244 or Marilyn at 254-8245.

CLUB SPOTLIGHT *BEADING & JEWELRY CLUB*

Our club consists of many friendly and talented people. We offer at least one new beading project a month taught by one of our talented members. At the present time we do not have our own room, leaving us to meet only one day a week. We are working on acquiring our own craft room as we are the only craft club without a place to call our own. We have many new members learning the basics of beading. The classes at this time are directed for the beginner beaders to further their expertise to take on more intricate pieces. The pictures seen here are works done by our members.

We meet every Tuesday at 1 p.m. in the Silver Room at Mountain Shadows except for our business meeting at Desert Vista the first Tuesday of every month at 1 p.m. Club membership is \$10.00 a year. Ellen Crawford instructs classes for beginners at the Silver Room every couple of months. No experience is necessary. We offer new members a basic set of tools at a small cost to get you started. Call Ellen at 702-478-8806 to sign up.

Golf, Men's 18 Hole

Gentlemen due to popular requests we have gone back to you needing to check in 30 minutes prior to tee time. If you're 1 minute late you will be allowed to play but you will not be in the side pot, closest to the pin or the skins. So, my advice is you get to the course early so you can participate in everything. Don't blame or get upset at the board. It's your responsibility to get to the course in time to sign up and check in. Contact Phil Kapsimallis at 818-489-6076.

Guardianship. Naming a friend or family member as your guardian was impossible several years unless the desired guardian was a Nevada resident. Our guest speakers worked with legislators to change that law which allowed private and public guardians to decimate the savings of seniors under their care and provided control of anything the "wards" owned. Seniors believed they were secure but quickly found out that the first thing taken was their freedom. Nothing was safe, not even a family trust since the court gave the guardian full power of attorney. Learn all about Guardianship April 27 at Desert Vista, 7:00 p.m. Annual dues of \$10 provides a year of valuable financial and investment knowledge. Steve Commander, President Investment Club.

The replacement of all five (5) pumps was budgeted to be done in the 2020/2021 fiscal year as part of an escalation of projects that were delayed because of COVID-19. The Reserve Study funding model shows the pumps being replaced in the fiscal year ending June 30, 2021, at which time this line item would be funded at \$3,766.32. While this replacement of the housing and addition of the Variable Frequency Drive are not a complete replacement, both extend the life of the pumps, and the Variable Frequency Drive also reduces the wear and tear on the pumps and motors and will reduce our electricity costs. Without sales tax, shipping or the miscellaneous parts that may be needed by staff to do the installation, this item will be under the amount allocated in the reserve funding model by \$732.26.

This would bring the total purchase to eight (8) microphones which means all rooms at Desert Vista would be equipped with a wireless microphone and Desert Vista Room 5 would be equipped with four (4) microphones. Another advantage of the Shure wireless system is that the batteries are lithium rechargeable batteries that come with a docking station. After use of the microphone the microphone is plugged in to the docking station and it will always be charged. In addition, the charge holds up to 12 hours of continuous use. This item was not budgeted for and will be an unbudgeted New Capital Expense in the amount of \$8,284.19 including tax, and after purchase will be added to the Reserve Fund for future replacement.

156-2021.2022 Desert Vista Community Center – Ballroom – New Furniture – Card Tables

MOTION by Dick Clark to **accept** the recommendation from the Common Area Properties Committee from their meeting on February 15, 2022, that fifty (50) new card tables be purchased for use at the Desert Vista Ballroom. This purchase is to replace fifty (50) existing tables that have outlived their useful life, have legs that are no longer straight and are so heavy that it creates a slow down for setting up and taking down events. The new tables will be sturdy, commercial grade and lighter in weight, with an emphasis on strong leg structure. The Director of Community Services, Melissa Spina and Interim Director of Facilities and Maintenance, Fred Scarrone recommend the best tables to purchase are those from Today's Classroom LLC. The quote from Today's Classroom LLC is \$11,742.69 including tax and shipping. This was budgeted for in the Reserve Fund for \$10,000.00 making this item **\$1,742.69 over budget.**

233-2021.2022 – Desert Vista Community Center – Model Builders Room – Replacement of Tall Tables

MOTION by Dick Clark to **accept** the recommendation from the Common Area Properties Committee from their meeting on February 15, 2022, that ten (10) new worktables be purchased for the Model Builders Room which is located at Desert Vista Community Center. This purchase is to replace ten (10) existing tables that are 40" in height and require the user to stand or to sit on a high stool, with their legs dangling or tucked into the stool. The new tables would be 30" in height allowing users to sit with their feet on the floor. The Common Area Properties Committee recommends that staff work with the Model Builders Club to

determine the best tables and table accessories for the room, and that ten (10) tables be purchased at a cost not to exceed \$5,250.00 including tax and shipping. If assembly is required, it will be done in-house by SCSCAI staff.

234-2021.2022 – Community Facilities – Restroom Signs and Janitorial Room Signage Replacement

MOTION by Dick Clark to **accept** the recommendation from the Common Area Properties Committee from their meeting on February 15, 2022, that twenty-nine (29) existing restroom signs and eight (8) janitorial room signs be replaced. This replacement is for the purpose of updating the signage to a more aesthetically resort style signage that is easier to read. Our current signage is thirty (30) years old and reflects the age of our community, this simple and inexpensive change will make a difference in first impressions. This also keeps with what we have heard from our Owners in regard to there being too many signs and stickers being placed on doors as signage, by putting all of the details on one or two signs, sign clutter will be reduced. The Common Area Properties Committee viewed a sample of the sign and was in agreement that the white acrylic sign with black lettering, that sits out from the wall is aesthetically pleasing and a much-needed upgrade and recommended that staff move forward in purchasing all thirty-seven (37) signs in an amount not to exceed \$1,500.00 and the signage to be installed by our maintenance staff as they have time.

MOTION by Gerry Sokolski to **accept** the recommendation of the Director of Golf to purchase three (3) drop safe replacements for Palm Valley, Highland Falls and Eagle Crest golf locations. In addition, the recommendation is to purchase two (2) drop safes for Tavern at the Falls and Summit Restaurant as well as three (3) drop safes for the Social Monitors at Mountain Shadows, Desert Vista and Pinnacle. The drop safes are in the Reserve Fund budget for the golf department in the following fiscal years; Palm Valley Replacement FY – 2021, Highland Falls Replacement FY – 2024, Eagle Crest Replacement FY – 2021. The drop safes are not in

the Reserve Fund budget for Tavern at the Falls, Summit Restaurant or the Social Monitor Stations. The total purchase of eight (8) drop safes from Safe Keeper will be in the amount of \$12,880.85 including delivery, installation and removal and disposal of existing safes. This amount, when distributed between the departments, will be \$742.17 under the reserve funding for the golf department specifically. For Tavern at the Falls, Summit Restaurant and the Social Monitor stations this item was not budgeted for and will be an unbudgeted New Capital Expense in the amount of \$8,050.53 for five (5) drop safes from Safe Keeper and will be added to the Reserve Fund for future replacement.

This is to replace our current rental clubs and bags, which need replacement due to the amount of wear and tear they receive. The staff at the Pro Shops will salvage the best of the used clubs and bags and offer them for sell in the Pro Shop. This is a Reserve Fund expense

schedule for fiscal year ending 2021, that was postponed due to COVID-19 travel restrictions, as we believed with less travel the need for rental clubs and bags would be low. This purchase will exceed the Reserve Fund allocation by \$22,907.00.

New Overseed Schedule for Palm Valley, Highland Falls and Eagle Crest

This year we will be closing all three (3) of our courses for the same three weeks. The courses will close, weather permitting on September 12, 2022 and reopen on October 3, 2022.

This decision was based on the history of our past overseed schedules and their respective results. We also considered what will allow us to provide the best playing conditions possible for our resident golfers.

Many of you will remember that in September of 2021 we had a staggered schedule but our courses were all closed for three weeks instead of the normal two. We did this because when opening for play after two weeks, even though signs and ropes were posted to prohibit golfers from driving on the fairways, they did so anyway. This would pull the recently germinated grass up by the roots, which in effect would defeat the purpose of overseeding in the area impacted. Moving to three weeks provided the grass an extra week to grow and we opened pushing the ninety-degree rule. For those of you that do not play golf, this means you drive on the cart path to where your ball rests, then enter at a ninety-degree angle to your ball. After hitting your shot, you return to the cart path. This change was successful and protected the newly germinated grass. As a general rule our golfers should follow the ninety-degree rule year-round. It will provide a better playing surface for all of us.

This year we will adhere to the same three-week plan on each course, however the schedule will not be staggered. All three courses will be closed during the aforementioned schedule. This is being done as the timing of the overseed is critical. In years past we attempted to close one of the courses in late August and wait until mid-September to overseed the remaining two. In years where it was still very warm out the bermuda turf was still thriving and would choke out the seed and it would not thoroughly germinate. The result would be a poor overseed. The opposite has also occurred. If you wait too late in the year it is too cool to get the seed to germinate. Again, the result is a poor overseed. Changing to this new schedule will allow us the best opportunity for a successful overseed on all three of our courses.

Our goal is to provide our golfers with a very playable surface year-round, and to provide all of our residents with golf courses that look great and are well maintained. Both of these initiatives will help us maintain and drive property values.

Thank you for your support and thank you for living in Sun City Summerlin – America's Premier Active Adult Golf Community.

n. **Zoom Available:** Presently we are doing these meetings in person and by Zoom. In advance of the meeting, the agendas and back up material are (1) emailed out to everyone on our email blast list and (2) available on our website at SunCitySummerlin.com

- c. **Type:** A Town Hall style setting where the Owners in SCSCAI are given an opportunity to present their comments and topics of concern in regard to SCSCAI directly to the Board of Directors. The Board of Directors are the decision makers (except for Architectural matters), and your input, ideas and suggestions are valuable and appreciated by them.
- d. **Participants:** YOU – the Owners and residents lead the meeting with your topics and the Board members provide input, background, answers and comments based on the topics the Owners present.
- e. **Attendance:** Any Owner, resident, and designated staff members. Vendors, Contractors, Newspaper reporters (of course this does not include any Owners who is a reporter) and other people from outside SCSCAI cannot attend without an invitation.
- f. **Agenda:** NO. This is not a meeting, it is a SCSCAI event where you provide the topics and speak directly to the Board members in an informal atmosphere.
- g. **Minutes:** NO. This is not a meeting, it is a SCSCAI event where you provide the topics and speak directly to the Board members in an informal atmosphere.
- h. **Recorded:** NO. This is not a meeting, it is a SCSCAI event where you provide the topics and speak directly to the Board members in an informal atmosphere. However, while these events are being done in person and by Zoom, the Zoom recording is available for your viewing if you were unable to attend.
- i. **Motions:** NO. This is not a meeting, the Board cannot make motions at an event.
- j. **Decisions Made:** NO. This is not a meeting, the Board cannot make motions at an event, the Board makes decisions through motions.
- k. **Homeowner Comment Session:** THE ENTIRE MEETING IS OPEN FOR YOUR COMMENTS, QUESTIONS, CONCERNS AND STATEMENTS REGARDING SCSCAI.

l. Time Limit on Homeowner Comments: THE ENTIRE MEETING IS OPEN FOR YOUR COMMENTS, QUESTIONS, CONCERNS AND STATEMENTS REGARDING SCSCAI AND THERE IS NO TIMER. All that is asked is that you keep in mind others may want to make comments as well.

m. Action Taken on Homeowner Comments: The Board of Directors in attendance at the Coffee with the Board cannot take any action at this event on the items you present. They may refer the matter to the Executive Director to (1) place on a Committee agenda (2) place on the Board agenda (3) refer to staff or (4) to follow up with and provide additional information to the Owner.

n. Zoom Available: Presently we are doing these meetings in person and by Zoom. Zoom participants do not have the ability to ask questions or make presentations but are able to see and hear the discussion.

4. 4 O'CLOCK ON FRIDAY AT SUN CITY SUMMERLIN (Friday@4) THIS IS A WEEKLY HOUR LONG SCSCAI CURRENT NEWS UPDATE WITH A 15 TO 30 MINUTE QUESTION AND ANSWER PERIOD.

- a. **When:** Every Friday
- b. **Time:** 4:00 PM
- c. **Type:** SCSCAI News update and report on SCSCAI events and news from the previous seven (7) days, and upcoming seven (7) days.
- d. **Participants:** This two part event starts with a report from the Executive Director on the current news (past 7 days and the next week 7 days), followed by reports by chosen guests from the Board, Committees, Staff and Chartered Clubs and Organizations on topics that the Owners and residents have asked questions on during the week or a previous Friday@4. The last 15 to 30 minutes is for Owners to ask questions. Questions are answered by the Executive Director or Board Members, staff members and representatives from Charter Clubs and Organizations that are

called on. Questions that need research or meetings with others are referred to a future Friday@4 for a report.

e. **Attendance:** Any Owner, resident, and designated staff members. You are required to provide your first and last name to be allowed in the Zoom room. Vendors, Contractors, Newspaper reporters (of course this does not include any Owners who is a reporter) and other people from outside SCSCAI cannot attend without an invitation. Board members from time to time attend but are not always at these updates.

f. **Agenda:** NO. This is not a meeting, it is a SCSCAI current news update and question and answer period.

g. **Minutes:** NO. This is not a meeting, it is a SCSCAI current news update and question and answer period.

h. **Recorded:** YES. The Zoom recording is available for your viewing if you were unable to attend.

i. **Motions:** NO. This is not a meeting. Only the Board of Directors and Board Committees can make motions on behalf of SCSCAI.

j. **Decisions Made:** NO. Only the Board of Directors can make motions on behalf of SCSCAI.

k. **Homeowner Comment Session:** As news and current events are reported Owners and residents write their questions in the Chat area on the Zoom presentation. The Executive Director may also call on people to ask their own questions. **There is not a commentary session**, this is a question and answer session, not a session where individuals present their own commentary on subjects or present items for Board consideration. Those types of comments should be presented at Coffee with the Board and/or the Board of Directors Meeting.

l. **Time Limit on Homeowner Comments:** This News event is only an hour long and there is a lot of information to present. Some topics

create more questions than others. I stay on a question until there are not any new questions on that subject. If you have participated you already know we move through questions in a timely manner, and we have never had an issue in the past with people taking too much time on any particular item. **There is not a commentary session**, this is a question and answer session, not a session where individuals present suggestions or commentary for the SCSCAI Board of Directors. Those types of comments should be presented at Coffee with the Board and/or the Board of Directors Meeting.

m. **Action Taken on Homeowner Comments:** The Board of Directors in attendance at Friday@4 cannot take any action at this event on the items you present. I take questions or concerns that need more input to the proper person or entity and then report on it at the next Friday@4.

n. **Zoom Available:** These sessions are only by Zoom.

As you can see, we have many resources for you to get questions answers, but only two resources for you to present commentary to the Board of Directors. The Board of Directors, outside of Architectural decisions, is the only entity that can make decisions and the only entity that can approve rules and regulations for the community. On Friday@ 4, all of us appreciate your questions and concerns, but it is not the right venue to present a commentary and suggestions for action for the Board of Directors to take.

I also want to encourage you to attend the Board Committee meetings for specific topics, the committee members are the ones who make recommendations to the Board on how to vote on projects and issues. Almost every project or issue goes first to a Board Committee.
