PRESIDENT'S MESSAGE

The holiday season is almost here. This is a great time to share some time with family and friends. There are so many activities going on in our community that I could never list them all. Almost every club is celebrating the holiday season with a party of some sort. Some are at our community centers, some at The Summit and some off site but all will be a time for club members to enjoy the company of each other. This year there are two community sponsored New Year's Eve parties. There are holiday shows at the Starbright Theater including our own Musicmakers, Silvertones, and The Sun City Dance Company. There is an abundant amount of talent in our community as evidenced by our Theater Club performing the musical, Chicago. Wow, it was an outstanding show and Beth and I are already looking forward to their next production.

Speaking of parties, there have been approximately 20 new Neighborhood Watch groups started in the last two months with more being talked about each week. Several of the new as well as the existing Neighborhood Watches have been having "block" parties. What a great way to meet one's neighbors. Whether or not you have a party or even a Watch on your street, I would encourage you to go meet your neighbors. During this holiday season, I would ask that every resident go wish at least five of your neighbors a "Happy Holiday." Our community gets stronger and stronger the more that we get to know each other. I would ask that all of us try to meet at least one new person on our block. If there is someone who is alone, homebound, or just shy, make an effort to include them in your visits this holiday season.

Have you been to The Summit or Tavern at the Falls lately? Residents can now earn loyalty points for eating at these two community restaurants. I have already earned and redeemed enough points to get two meals. Not only are they both open their normal hours but they have special events weekly. The Summit has Monday Night Football, Sunday Brunch, Golden Knight Watch parties, Happy Hours, and Jazz nights to name but a few. Look in the Link as there is something going on at The Summit for residents to enjoy almost every day or at least four times per week. Many residents are having lunch at The Summit and then playing cards there either before or after eating. Clubs (formal and informal) are meeting there for both breakfast and lunch. The setting is very conducive to meetings especially the "back" room which can be reserved and closed off to provide privacy for meetings.

Dick Clark, President,
Sun City Summerlin
Board of Directors

Be Happy. Be Safe. Be Kind to Others. Be Friendly and Be Thankful.

SCSCAI Election Update – Prepare To Vote

Election news is everywhere. As this article is written, we have yet to know the results of the Nevada and National elections. As you read this, you will know both State and National election results. We will also know the candidates for the SCSCAI, Inc. Board of Directors which we will share with you via email as well as in the January LINK.

Over the next several weeks, you will be hearing Sun City Summerlin election news. As with any election voting is important, and we look forward to a strong response. The names of candidates will be revealed after the Wednesday, November 30, 5:00 p.m. submission deadline and at a "Meet the Candidates" event, sponsored by Residents' Forum, which will be held on Wednesday, January 11, 2023, at the Pinnacle. Instructions on how to participate will be forthcoming closer to the event.

Ballots will be mailed to every homeowner and the mailing will include information about each candidate as prepared by the can-

didate. There are three vacancies on the Board and each elected member will serve a three-year term. Detailed information about how to vote will be in the packet with your ballot.

The 2022 Sun City Summerlin Election Committee consists of Michael Christiansen, Garry Garcia, Ruth Mintz, and Melanie Spector with Lynn Kasner-Morgan as Chair. The goal of the committee is to conduct a fair and open election, to ensure the integrity of the election and that campaign rules are observed, and to count the ballots at the annual meeting. Ballots will be mailed in mid-

January and must be received by 5:00 p.m., Tuesday, February 21, 2023. They will be counted at our Association's Annual Meeting which begins at 8:00 a.m. Wednesday, February 22.

In Celebration of Our Holiday Traditions

Our wonderful community is a mosaic of holiday traditions shared with friends and loved ones.

Whether you light candles on the menorah in recognition of the Festival of Lights (Hanukkah), marvel at the beauty of Christmas honoring the birth of Christ or celebrate African American culture by way of the traditions of Kwanzaa, all are to be celebrated and shared.

The SCSCAI Staff wishes our readers a blessed and safe holiday season.

Meet Irene Kleutgens

Manager, Community Services

Twenty-eight years ago, I arrived in the United States with one bag and my modest savings, and although I miss being close to family and some things so familiar growing up, I never looked back!!

I grew up in a small village in Germany, graduated business school and after finishing an apprenticeship, worked in an accounting department for several years. Looking for adventure, I moved to beautiful Aachen, an exciting city, situated where the borders of Germany, Belgium and the Netherlands meet. I loved living and working in Aachen but was still looking for something. Then I met my future husband!

Dirk is a musician and when he was offered a record deal in the U.S., he asked me to move with him. Without any doubts, I sold all my belongings and after being together for only six months we arrived in Los Angeles. Now the U.S. is my home. The home where I got married, where our son was born and where we bought our first home.

After receiving my green card, I worked several different jobs until Dirk became busier and we decided to establish our own record company. We worked in the music business for many years until the changes in the record industry, and then the big market crash in 2008 brought us to Las Vegas. We adapted to the changes in the music business until the unimaginable happened and due to COVID-19 everything closed, and every event was canceled.

I needed to find work and fast! I was so lucky to find a position with Sun City Summerlin during the pandemic. I love working with Sun City Summerlin's many Clubs and their members, seeing events come alive, helping residents, and working in a fast-paced office where every day brings new challenges. Driving to work in the morning seeing the beautiful landscapes of Sun City Summerlin I feel lucky to be a small part of this beautiful community.

December News

This month, Mountain Shadows Fitness Center will have an installation of Technogym Strength Equipment which will replace the discontinued Precor Line that was purchased in 2011. Replacing this equipment will enhance the experience of gym users and add a facelift to our largest and busiest gym in the community. This is a step in the right direction to provide user friendly, easily adjustable, high-quality, state of the art, commercial strength equipment that will last for many years to come. A great investment to the communities' amenities.

Due to holidays, parties, and difficulty with room scheduling, only one Snack and Learn seminar will be offered this month on Wednesday December 14 at noon which is sponsored by Summerlin Hospital. There will be a panel of speakers to talk about the pillars of Brain Health.

Year In Review

It's hard to believe we're at the end of 2022 already! It's been a year of change and adjustments with some exciting events and seminars along the way. This year, the department focused on bringing back 3 in-person healthy cooking demos, a 5K/1 mile walk/run with over 240 participants, annual health fair, a balance and memory screening sponsored by UNLV School of Integrative Health and Cleveland Clinic Lou Ruvo Center for Brain Health and seminars that focused on important health and wellness topics. We successfully partnered with some terrific speakers from several different hospitals, wellness centers, and more. Thank you to our residents and community partners who contributed to making 2022 a year of coming back, re-investing in health education, learning and connecting, and improving your commitment to physical activity.

WAY TO GO!

We are truly “All in this together.” Happy Holidays!

"If Love is universal, no one can be left out." Deepak Chopra

By Molly Sher/Link

I started to think about the different faiths, and I wondered if there was something we all had in common. Was there a shared belief? I mean, we all follow the belief that there is something greater than ourselves, but was there a common thread that could bring us all together? Curious to see if I could link any of the religions together with a common belief, I did some research. Did you know that between October and January in today's world we have 15 religious holidays that are observed? I did not!

Many of these religious days are observed by Christians, but here are some you may not be aware of:

October 7 - 8: Mawlid el-Nabi – Islam. This is an Islamic holiday that honors the birth of the Prophet Muhammad, who founded Islam. Shia and Sunni believers will celebrate on separate days by reading the prophet's teachings, according to Interfaith Calendar.

November 28 – January 20: Advent Fast begins – Orthodox Christian. The fasting starts midway through the month with only two weeks until Christmas. The holiday is celebrated by believers lighting Advent candles, hanging wreaths, and attending Church ceremonies, according to Interfaith Calendar

December 6: Saint Nicholas Day – Christian. This holiday honors the birth of Saint Nicholas, the saint who serves as a role model for gift-giving and is commonly known as Santa Claus, according to Interfaith Calendar

December 8: Immaculate Conception – Catholic. In the lead-up to Jesus' birthday celebration on Christmas, Catholics celebrate the day of Immaculate Conception to honor his mother Mary, who they say was preserved from original sin for her entire life.

December 8: Rohatsu (Bodhi Day) – Buddhist. This holiday celebrates the historical Buddha's decision and vow to sit under the Bodhi tree until he reached spiritual enlightenment. It's celebrated through meditation and is embraced similar to how Christians celebrate Christmas to honor Jesus Christ.

December 12: Feast Day of Our Lady of Guadalupe – Catholic. This is a primarily Catholic holiday celebrated by Mexicans and Americans of Mexican descent that honors the reported appearance of the Virgin Mary in Mexico City, according to Interfaith Calendar.

December 16 to December 24, 2020: Posadas Navidenas –

Christian. This is a primarily Hispanic Christian holiday that commends Mary and Joseph's journey to Bethlehem to give birth to Jesus, according to Interfaith Calendar.

December 18 Sundown – December 26: Hanukkah – Judaism. This is the Holiday of the eight-day Jewish festival of lights, which celebrates the Maccabean revolt in Egypt. Eight candles are lit on the menorah to honor the miracle of the oil lasting 8 days.

December 20: Solstice – Wicca/Pagan. Solstice is the point in the year "when the earth is most inclined away from the sun. It is the most southern or northern point depending on the hemisphere," according to Interfaith Calendar. Pagans and Wicca believers will celebrate that event through Yule, in which believers also honor "winter-born king, symbolized by the rebirth of the sun, Interfaith Calendar explained.

December 25: Christmas – Christian. Christmas is a primarily Christian holiday that celebrates the birth of Jesus Christ. Many will attend church, have family parties, and exchange gifts, according to Interfaith Calendar.

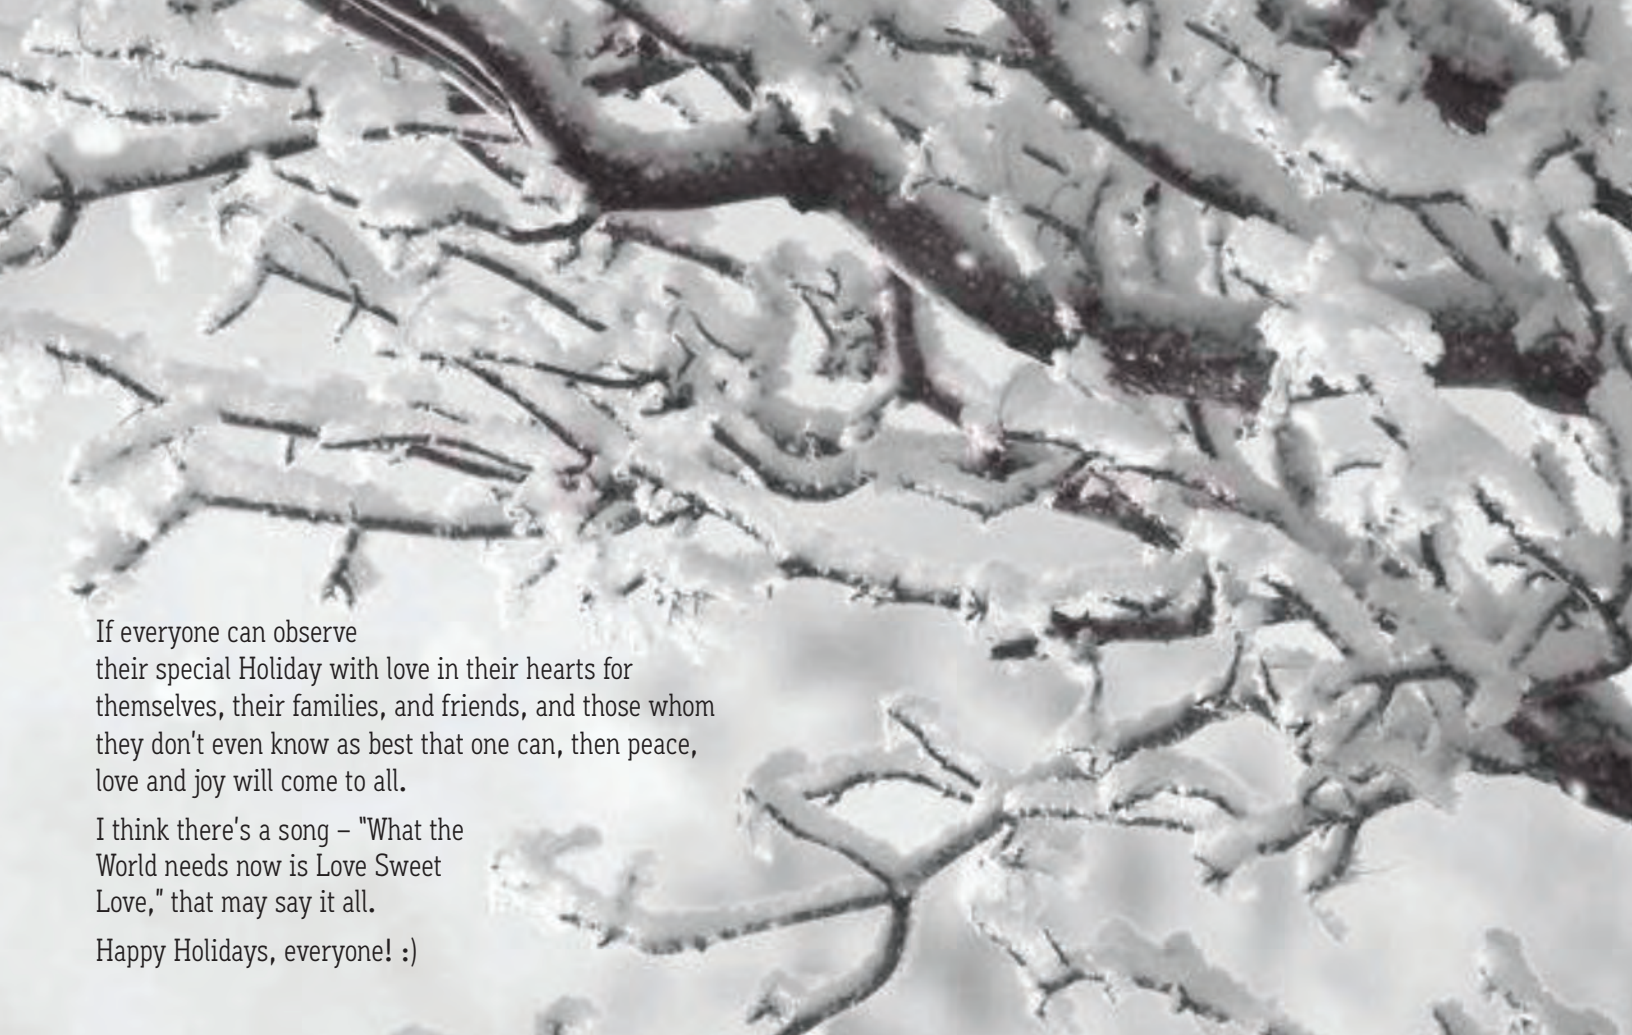

December 26: Zarathosht Diso (Death of Prophet Zarathustra) – Zoroastrian. Unlike many of the other holidays in the month, Zoroastrians honor the death of their prophet, Zarathustra, who founded Zoroastrianism, one of the world's oldest monotheistic religions. (Dates may vary and be celebrated on different days, depending on individual communities.)

December 26 to January 1: - Kwanzaa. An annual celebration of African-American culture held, culminating in gift-giving and a feast of faith, called Karamu Ya Imani. It was created by Maulana Karenga and first celebrated in 1966.

December 28: Holy Innocents Day – Christian. Christians solemnly honor the deaths of children killed by King Herod, who was attempting to kill Jesus, according to Interfaith Calendar.

December 30: Feast of the Holy Family – Catholic. Catholics use this day to honor Jesus, Mary, and Joseph, according to Interfaith Calendar.

December 31: Watch Night – Christian. For Watch Night, Christians will thank God for the safety they received during the year, according to Interfaith Calendar.

If everyone can observe their special Holiday with love in their hearts for themselves, their families, and friends, and those whom they don't even know as best that one can, then peace, love and joy will come to all.

I think there's a song – "What the World needs now is Love Sweet Love," that may say it all.

Happy Holidays, everyone! :)

Working **SMOKE ALARMS SAVE LIVES**

THANK YOU SUN CITY!

A few short years ago Las Vegas Fire & Rescue launched our “Sun City Smoke Alarm” retrofit and replacement program. Since then here are some of the program’s highlights:

- Over 2,100 households visited (over 25% of all homes in Sun City!)
- Removal of over 8,500 obsolete and failing smoke alarms
- Installation of nearly 10,000 new smoke alarms – Includes providing extra devices to the older homes to bring them more in line with current codes and standards
- Installation of over 2,100 carbon monoxide detectors
- Over 2,100 safety discussions with residents about fall and fire prevention topics.
- Over \$20,000 in donations to help provide smoke alarms to needy families throughout Clark County!

For a program of this magnitude to be successful, it truly takes a team effort. Program Manager Zach Collins and I would like to extend our heartfelt thanks to the following volunteers who spent countless hours helping us coordinate, organize, schedule, educate, install and lead:

Driving in Sun City Summerlin

By Tammy Collins
/Link

Driving within our Sun City Summerlin is often a challenge—fellow drivers speeding, ignoring **Stop** signs, suddenly braking to allow golf carts to cross our thoroughfares, and driving with handicapped placards hanging on rear view mirrors hindering a complete view of the roadway.

We would love to say these driving challenges are caused by outsiders using our Sun City Summerlin streets as shortcuts to their destinations. However, Metro has told us time and again it is we residents who are mainly at fault.

Speed limits are clearly posted throughout our community, as are Stop signs. Golf cart crossings do caution drivers on city streets to Slow Down, but do not indicate a complete stop. The golf cart has the STOP sign, as golf carts do not have the right-of-way. And finally, driving with a handicapped placard is a hazard as clearly stated on the placard itself that it should be removed before operating the vehicle.

Thanks to all Sun City Summerlin residents who follow the rules of the road, and let's encourage everyone to follow the rules to make our neighborhood safe for everyone.

SECURITY PATROL

Final Thoughts From the Board

Alan LeBarts, Chief

As we started our term, there were 2 areas we wanted to focus on.

The first was to build back our membership numbers. After the pandemic, we lost some people, and our ranks shrank to

have increase dramatically.

As we end our term, this is really not the end but the beginning of a new way of thinking.

It has been an honor and a privilege to be your Chief of Sun City Summerlin Security Patrol.

Michael Pennock, Assistant Chief

Security Patrol experienced a few significant changes this year. Importantly, the number of volunteers climbed back to a more pre-pandemic level. Lots of new volunteers means new energy, ideas, and leaders.

Security Patrol has worked very closely with Sun City Summerlin Administration to do everything we can to make our

(Left to Right): Darlene Vaturi, Secretary; Dorothy Macchio, Personnel; Alan LeBarts, Chief; Michael Pennock, Assistant Chief; Janet Bailey, Treasurer

approximately 150 members. Over this last year or so, I'm proud to report we are now back up to about 200. The new members bring in a new passion and vision.

The second area of focus was Community Crime Awareness. Early in our year we rolled out Lights, Camera, Action! We have encouraged residents to keep their house lights on at night. We also asked residents to install as many cameras as they can – minimum of a doorbell camera. I can tell you that I have noticed a huge increase in cameras as I drive our community. The last part we asked for was action. The community has responded in a big way. The calls coming into security reporting suspicious cars and concerns for their neighbors

residents secure in their homes. According to Metro, these efforts really pay off. Break-ins have decreased in Sun City Summerlin over several years. Residents may think about crime more often because we publicize every event we hear about. This helps make other residents more aware of their own situations.

In addition, Security Patrol has become more aware of keeping our own members safe. Several new procedures are in place detailing best practices in various situations.

Janet M. Bailey, Treasurer

As Treasurer for our Sun City Summerlin Security Patrol for the last two years, I have had the privilege of working with many members of the Patrol, Administration, and meeting

many of our neighbors. My husband, Fred, assisted and prepared me for this assignment as his assistant when he was Treasurer. Important duties have included preparing a budget for Patrol and the SCSCAI Administration, assisting in the search for and purchasing four cars to help patrol our neighborhoods, working with other officers to keep those cars on the road, sparkling clean and safe, and getting funding to reorganize the uniform room to keep our members looking professional. Through Mitzi's Friday Zoom "get-togethers," I am able to keep Sun City Summerlin up to date on Patrol concerns.

Dorothy Macchio, Personnel Officer

As Personnel Officer for almost two years, I am proud to say that I've worked with some very professional members. Working with the Heads of Drivers, Dispatchers, and Information Centers, we have improved the way Personnel processes new members into Security Patrol.

As a Security Patrol Board Member, I participated in many innovative decisions that have brought new ideas to the Patrol thereby continuing the progress Security Patrol has made over the decades in keeping the residents of Sun City Summerlin safe and maintaining our mandate of "neighbors helping neighbors."

Darlene Vaturi, Secretary

While being Secretary of the Patrol this year, I've been involved in board, general and executive meetings. While most days run

smooth, there are Board decisions that need to be made to keep our organization in tip-top shape. I'm happy to say we received new cars, new members and a few new procedures and we are finishing the year in good standing.

Mary Fairhurst: Healthy Recipes For The Holidays

We are thrilled to share with our readers two delicious holiday recipes provided by resident and Healthy Cooking Demo Chef, Mary Fairhurst.

Guilt-Free Coconut Vanilla Macaroons

Prep 5 mins · Cook 15-18 mins · Yield 18-20 cookies

Ingredients

- 2 Cups unsweetened shredded coconut
- 3/4 Cup unsweetened almond milk
- 6 tablespoons pure maple syrup or honey
- 1-1/2 tablespoons coconut flour
- 1-1/2 tablespoons almond flour
- 1/2 teaspoon vanilla extract

Instructions

Preheat the oven to 350°. Line a baking sheet with parchment paper.

In a saucepan over medium heat, whisk together the almond milk, and maple syrup (do not boil, just heat).

Add flours and stir until combined evenly and clump free. Now increase heat and boil this mixture. Boil for approximately 3 minutes (or until it thickens a little).

Remove from heat and stir in vanilla and shredded coconut. Let the

mixture cool. Once cool, scoop about 2-3 tbsp. of the mixture and press together into a ball shape. The mix is very gooey and will not be a perfect ball shape but pressing it together removes some of the air. Place balls onto the prepared baking sheet.

Bake for about 15-19 minutes, or until golden brown. Remove pan from oven and keep them on the pan until they are cool.

Easy Chocolate Vegan Zucchini Bread

Yield 1 loaf

Ingredients

- 2 cups whole-wheat pastry flour *less* 3-4 tbsp. (see note)
- 1/2 cup cocoa powder
- 2 tbsp. coconut sugar
- 2 tsp. baking powder
- 1/2 tsp. baking soda
- 1/4 tsp. salt
- 2 cups thickly sliced zucchini
- 1 cup sliced ripe/overripe bananas
- 2/3 cup pure maple syrup
- 1/4 cup water
- 2 tsp. vanilla
- 1/3 cup non-dairy chocolate chips

Instructions

Preheat oven to 350 degrees. Prepare a loaf pan by spraying/wiping with a touch of oil, and lining with a strip of parchment paper (for easy removal after cooling).

In a large bowl, add dry ingredients: flour, cocoa powder, coconut sugar, baking powder, baking soda, and salt. Stir through until well combined.

Add zucchini, bananas, & maple syrup to a blender. Puree until smooth (this takes just a minute in a high speed blender, a regular blender will take longer). Once well pureed, add water and vanilla and blend again.

Add wet mixture to dry and stir through until just well combined, and add chocolate chips if using. Transfer mixture to loaf pan.

Bake for 50-55 minutes, or until set in the center (test with a toothpick if unsure). Remove and let cool in the pan on a cooling rack. Once cool, remove loaf and cut into slices.

Notes

Flour Note: Measure the 2 cups of flour, and then remove about 3-4 tbsp. from the amount. **Muffin Swap:** If you want to make into muffins, fill 12 muffin cups (lined with parchment liners) and bake for 25 minutes.

“As I
See It . . . ”
“Don't Be *That*
Elephant”
We Set Our Own Limits

By Alan G. Spector /Link

Here we are preparing for the New Year 2023! **Wow**, where did 2022 go? As always, this is a time when many reflect on the year passed and consider making changes for the coming year. I recently recalled the following story which brings us a vital lesson.

The Elephant Rope

A man was walking nearby to a group of elephants that was halted by a small rope tied to their front leg. He was amazed by the fact that the huge elephants are not even making an

attempt to break the rope and set themselves free.

He saw an elephant trainer standing beside them and he expressed his puzzled state of mind. The trainer said "when they are very young and much smaller, we use the same size rope to tie them and, at that age, it's enough to hold them.

As they grow up, they are conditioned to believe they cannot break away. They believe the rope can still hold them, so they never try to break free."

Moral: It is the false belief of the elephants that denied them their freedom for their lifetime. Likewise, many people are not trying to work towards success in their life just because they failed once before. So, keep on trying and don't get tied up with some false beliefs of failure.

When I read this powerful story, I could not help but think of all the ways our past experiences, our false beliefs, and our fears helped to limit our aspirations and our happiness.

- Beliefs about our families
- Beliefs about ourselves and others
- Beliefs about getting older
- Beliefs about being able to try new things
- Beliefs we cannot control our emotions and reactions
- . . . and so many other prejudiced beliefs

Just think: does our past really pre-determine our future? Or do WE really direct our future? Who is in control of our challenges, today and tomorrow? When we hear those little voices in our heads telling us not to try, that we have never done that, or that we will never overcome difficulty . . . whose voice is it we hear? We can decide not to listen to those voices and to **do, achieve, overcome, grow, survive, prosper**. We can, we can. So, who controls us? What controls us? How can we become masters of our own lives. We might suggest that we can take a good look around us and find the things in our lives to be grateful for. There are so many . . . if we will but look and be open to them.

There is so much beauty in the world. We need not let the problems in the world get us down, we can work to change things. We can focus on all the wonderful things around us. Don't just look out the window, go outside, breathe deeply, open your eyes wide, feel the warmth of the sun, and let the breeze brush your face. Blessings are all around us, and we have so much to be thankful for.

With a "can do" attitude and a heart full of gratitude, self-confidence, inner strength, and mindfulness, we **will** find that freedom that enriches our lives and helps us face our challenges and opens us to the best lives we can envision. **Then**, we break those ropes that have only threatened our freedom but never truly bound us in reality.

Are You Concerned About Solicitors in Your Neighborhood?

- Do You Know Your Rights?
- Do You Know a Peddler's Rights?

Your Community Standards office often receives calls regarding solicitors or peddlers who are ringing doorbells in Sun City Summerlin neighborhoods. Most are honest, hardworking folks trying to earn a living and/or showing their support for a political candidate or religious organization.

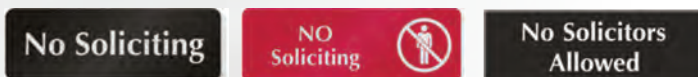

Solicitors may be intrusive or disruptive to your privacy or daily routine and may understandably raise concerns for one's safety. There are many misconceptions about the rights of solicitors as they pertain to calling on your home, but there are definite City of Las Vegas and Clark County code requirements that are designed to protect your privacy. For solicitors to be ringing your doorbell, they must meet firm licensing requirements, including those listed on the City of Las Vegas Business Licensing Division website.

Contrary to not-so-popular belief, Solicitors or Peddlers do not need the approval of Sun City Administration or the Community Standards Office because . . . all Sun City streets are city-owned public streets!

It's good to know that the City of Las Vegas does not take the presence of a peddler lightly and, in addition to a Peddler Permit, a peddler must pre-qualify by obtaining a "Sheriff's Work Card," which is issued by Metro's Records and Fingerprint Bureau. The Work Permit represents yet another layer of scrutiny, which includes interviewing, photographing, and fingerprinting the applicants.

However, licensed or not, under City code, your best defense against unwanted visits from solicitors may be a properly placed sign on your front gate or in your front entry that says, "NO SOLICITORS ALLOWED," or similar wording. Such a sign legally prohibits a solicitor from entering your property and ringing your doorbell.

If you have a notice in place, and solicitors enter your property, they are violating municipal code, may be reported and are subject to citation. However, if you invite them in, they are absolved of any compliance requirements, despite any sign. Various easily accessed City of Las Vegas websites provide specific details of peddler licensing and conduct requirements.

Otherwise, there is little that can be done to stop solicitors from ringing your doorbell if they have proper credentials, as

defined below. Importantly, the Community Standards Office does not endorse any company or product or otherwise encourage soliciting in any way.

Municipal code allows anyone to solicit anywhere in the City between the hours of 8 a.m. and 8 p.m., including in Sun City Summerlin.

In order to solicit, a representative of any soliciting company is required to carry a city-issued "Peddler Permit" or a copy of their company's "Clark County Business License." Said permit or license must be displayed on request of any person. Company ID does not satisfy the license or permit requirements. A company badge or business card is not enough!

Separately, it should be noted that Municipal code allows any religious or political "canvasser" to work anywhere in the city, including Sun City Summerlin, between 8 a.m. and 8 p.m., with only proper organization credentials and no other soliciting permit required.

In light of the above signage message, please note that the Sun City Summerlin Development Standards provide guidance on size and placement for all residential signage. In the case of "Solicitation" signs, the following Standard applies. An application for same must be submitted to the Community Standards office.

Sun City Summerlin Development Standards, page 17, section 3: "No Soliciting" Signs
Number of signs: One sign in the front of the Dwelling.
Type/Size: Weather resistant thirty-six (36) square inches maximum.

We hope that this information will provide you with a better understanding of the rules that govern the folks who visit our community to sell their wares. You have every right to ask for credentials and should feel comfortable in doing so. Peddlers will be expecting your questions!

Thank you,

Barbara Davidson, Director, Community Standards

CHARTERED CLUB LISTINGS

(The deadline for January 2023 chartered club articles is Thursday, December 1, 2022. If you have questions, contact the Link at 966-1435 or eileend@suncitylv.com.)

Aquacize

The Aquacize Club will hold its general meeting and election of 2023 board members on December 7, at 2 p.m. in the Desert Vista ballroom. All members are welcome. Board nominations can be made through class

reps, or at the meeting. A holiday party lunch will follow the election for those members that signed up by November 6. Exercise in water is healthy, low impact, easy on your joints and covers all muscle groups. The current class schedule is:

1) Desert Vista 8 a.m. 2) Sun Shadows 8 a.m. 3) Sun Shadows 10 a.m. 4) Desert Vista 7 p.m. Dues are \$5 per year. For more information, call Richard Adkins at 714-1014.

Art

Artists of all levels from beginners to advanced, and those who just love art, are welcome to join the Art Club. Dues are \$15.00 a year. We will not be having a general meeting in December as our members will be gathering for our wonderful annual Holiday Party on December 12 at the Summit Restaurant. Our next general meeting will be after the first of the year on January 16, 2023, at 1 p.m. in Room 1 of Desert Vista. In the meantime, all our art classes are up and running. For more information, please visit our website at www.suncitysummerlinartclub.net. If interested, please contact Steve Brenner at 749-7737.

Arthritis

Do those painful joints keep you from exercising? We have a solution. Slip into your swimsuit and join us in the pool for soothing exercises that get those joints limbered up. These exercises safely move every part of the body. Stretching, range of motion, flexibility and balance improve health and wellness. This low-impact pool exercise Club meets Tuesdays and Thursdays, 10:30-11:30 a.m., Desert Vista indoor pool. Check with your doctor to ensure you are fit enough for the class. Annual dues are \$15. Call Pam Miller 804-240-8626.

Basketball

Join us in making basketball a new community exercise option. Our court is located at Desert Vista. Times are limited and court dimensions challenging. We've requested the court be relocated and are working through the Associations Conceptual Idea process. We hope to offer both regularly scheduled men's and women's pick-up games as well as horse, 21, and just shooting around. Presently we offer "friendly" pick-up games on Tuesday evenings starting at 5:30 p.m. In addition, the court is reserved and available Mondays 7 a.m. to 10 a.m. Please contact Jim Mathews (503) 894-3040 or Al Bonardi (631) 398-1891. Election of club officers will take place Tuesday, January 31, 2023, 1:30 p.m. Room 3 Desert Vista.

Be Fit

Important, exciting news! We've added 3 new classes to our schedule – Step Aerobics, Stability Ball and Ballet Fusion! These classes along with All Level, Yin and Gentle Yoga, Cardio in Motion, Mat Pilates, Strength & Balance, and Strength & Toning are a great way to get or stay in shape year-round! Check out our new schedule, class descriptions and registration details. These can be found at Fitness Centers or email us at scsfit@fastmail.us. For more information, contact Nancy Sanders, President, at 423-9039 or email scsfit@fastmail.us!

Beading and Jewelry

The Beading & Jewelry Club meet the first Tuesday of the month at Desert Vista at 1 p.m. The remaining Tuesdays we

CHARTERED CLUBS

meet in the Silver Room at Mountain Shadows at 1 p.m. If you are interested in learning a new creative hobby, please come join us to see what we are all about. Ellen Crawford holds classes for beginners to learn the basics. You can call her at 478-8806 to register for her next class. No experience necessary. Any other questions, please call Paula Nuzzo 820-9343. We are looking forward to seeing you.

Bicycle Club

The Bicycle Club does group rides starting at the lower Desert Vista parking lot on Tuesday and Thursday and Sun Shadows on Saturday. In December rides will start at 9 a.m. Anyone with a bicycle (or e-bike) and a helmet is more than welcome to join us for any ride. Don't worry about keeping up, we're just an easy-riding bunch of SOB's (Seniors on Bicycles). Reminder – Club Meeting with election of club officers is December 8 at 4 p.m. at Desert Vista. For more information, please email Gary Trowbridge, scsbikeclub@gmail.com.

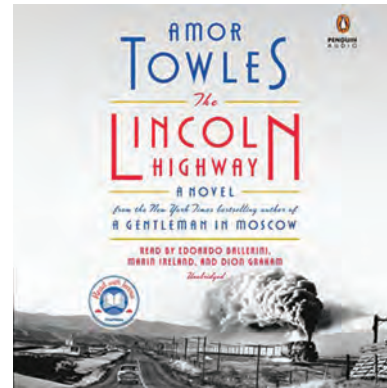

Billiards

Billiards or pool has been around for more than 100 years. The social side of pool has played an important role in the lives of

thousands of people. Decelerate the aging process and perk up several cognitive functions. Polish the psyche and come visit us at Desert Vista on Monday, Wednesday, or Friday at noon. For information, call Gavin Lightner at 838-2767. Election of club officers will take place December 5, 12 noon, in Billiard Room.

Bocci Ball

The Bocci Ball Club plays on Mondays at Sun Shadows and Thursdays at Desert Vista at 2 p.m. Please arrive a little early so we can start at 6:30 p.m. sharp. Hope to see you all soon. For information call Henrietta at 987-3456. Election of club officers will take place December 13, 6:30 p.m., at Desert Vista.

Classical Music

On December 12 at 7 p.m., the Classical Music Club will meet at the Starbright Theater for our monthly meeting. Our "meetings" are actually concerts, and this month we will feature Shakeh Ghoukasian and The String Connection, a violin and viola studio for advanced students. This is our opportunity to invite young students to experience performing in a professional theater, often for the first time. Classical music needs all the support it can get in order to survive for future generations. Ms. Ghoukasian, a member of the Las Vegas Philharmonic Symphony, was Director of the Nevada School of Arts in downtown Las Vegas for many years and has performed at the Starbright many times. Doors open at 6:40 p.m. For more information contact Will Rydell at lledyrw@icloud.com. Pictured above is Shakeh Ghoukasian and an unknown student December 2021.

CLUB SPOTLIGHT

MUSICMAKERS

Lighting Up Lives With Music

Once a person has music in their lives, they will always have music in their DNA. Most of the members of the chartered club Sun City Summerlin Musicmakers, have been participating in musical fields all their lives, be it as a performer or in an audience or listening to wonderful recordings as they move through their day. Some though, have just jumped into the fun of making beautiful sounds.

Musicmakers include both singers and instrumentalists. They meet twice a week in the Pinnacle Music Studio, home also to the Silvertones and the Organ, Piano, & Keyboard Clubs. Our Musicmakers singers put together four-part harmony choruses under the musical direction of Michael Dubay, an extremely talented pianist and band leader. Mr. Dubay is busy around the Las Vegas area as he also shares his ability at many of the well-known venues and shows, most notably "Menopause the Musical", Jordanaires, Tony Arias and others. The singers of Musicmakers feel so fortunate to have him as our director and our friend.

Instrumentalists are loosely organized and "jam" (the art of playing with other musicians in small or larger groups) each session. There are percussionists, guitarists, keyboard specialists, along with any other artists who enjoy sharing music with friends. Most importantly, the chance to sing or play together is a social highlight every week for all of the members.

A few times each year, Musicmakers has the opportunity to be headliners on the Starbright stage. Their programs are planned to give audiences a fun and entertaining performance from their Sun City Summerlin neighbors. For more information or to join the group, see club listings in the Link.

Golf, Women's

Gifts come in all sizes. Often too small or too large. Often the wrong color. Often something we have no use for. Often something we donated to Saver's years ago. But there is one gift that is always the right size, the right reason, the right time, and place. You can't wrap it up in a box or gift bag. You can't put a red ribbon on it. But you can cherish it and flourish knowing it is yours. It is the gift of friendship, of camaraderie, of time spent laughing and crying together. 2022 was a very challenging year for the Women's Golf Club. A time of loss and a time of fresh faces. We gathered to mourn old friends and to welcome new friends. Come join our ladies and share hours on our beautiful courses getting to know each other and even more so getting to know we can depend on each other. Golf is our passion. Come make it yours. For information, contact Diane Riggs at nandriggs@gmail.com or 661-303-7232. Happy holidays. Hope to see you soon.

The Model Builders' Club Members: True Passion For Their Craft

The Model Builders' Club was established in 1993. The Club's mission is to provide a creative, safe, and pleasant environment for members to enjoy their hobbies. With a membership of 40+ residents, the Club attracts members who build doll houses, model planes, ships, cars, and military vehicles, as well as wood carvers and leather crafters.

The Club's "feather in their cap" is the HO scale model train layout completely redesigned in 2018. Previous to 2018, the first model train started in 1995 as a Lionel train running on a single track around a Christmas tree. By 2017, the Club had named the model train layout "Lone Mountain Railway" which featured four separate operating lines, as well as tunnels, bridges, various structures, and mountains. However, due to poor structure, piecemeal construction, uneven tracks and older technology, Club members began working on a new, redesigned layout. The old layout was dismantled, taking care to salvage structures and parts for future use.

Construction of the current "Lost Mountain" Railroad began in 2018. Club members designed the overall layout, the wiring, switching and electronics, as well as the scenery and buildings. It features Digital Command Control and Computerized (DCC) technology. Designed for safety and easy access (to maintain and repair as needed), the new uniform track has 35 switches, and 3 separate lines, allowing Club members to run many trains simultaneously, with realistic sound and motion, by a single remote digital controller.

Stats On The Model Railroad:

- Approximately 300 square feet of layout
- Two main lines and one trolley line
- A vintage downtown (right out of "American Graffiti") with lighted buildings, street lights and stop lights
- A rural village, complete with farms, orchards, a bandshell, and a scenic lake
- Overall, more than 80 buildings and structures, 75 vehicles (cars, buses and trucks) and 200 detailed painted pedestrians walking the streets

The Model Builders Club looks forward to welcoming Sun City Summerlin residents, their families and guests, for an Open House over the December holiday period.

The Model Builders Club welcomes new members as well as donations of trains or model kits. For information on the Club, or its meeting schedule, please call President Bruce Adams, 760-622-9850.

Each Fall, the Nevada Senior Games take place in greater Las Vegas. At the games, participants can compete in over twenty different sports. This year's tennis event at the Games took place at Whitney Ranch Tennis Center in Henderson Nevada on September 23rd through the 25th. Sun City Summerlin was well represented in the tennis competition.

Five Sun City Summerlin residents and members of Sun City's Tennis Club competed and brought home five gold medals and two silver medals for four different events.

Winners

Age 60–64 Men's Singles Event, Russ Klein won a Gold Medal
 Age 65–69 Men's Doubles Event, Walter Pratt and Charles Sung won Gold Medals
 Age 60–64 Women's Doubles Event, Sandy Biedryck and Terry Powers won Gold Medals
 Age 60–64 Mixed Doubles Event, Sandy Biedryck and Walter Pratt won Silver Medals
 All the matches were heavily contested. Endurance was tested as three of the players were on the court over four-and one-half hours the first night of competition due to back-to-back scheduling in the first round. Getting through the matches was tough. Winning made it worthwhile!

Medal winners immediately qualify to play in the 2023 National Senior Games hosted in Pittsburgh, Pennsylvania next July 7th through July 18th. We wish Sun City Summerlin's competitors the best of luck as they prepare to capture bigger prizes on the national stage.

Plans for 2023 are to stitch together the various block watch areas into a community wide rapid response network. For information on how to become involved with NPT and Neighborhood Watch contact Mary Fairhurst at (435) 214-6123.

IT IS AN AMENITY

FOR THE BENEFIT OF ALL OWNERS

(This is an amended republishing of this article)

Dear Sun City Summerlin Owners,

Living in an Association is only as beneficial to you as an Owner, as you make it. Your annual assessment of \$1,976.40 is a real bargain if you use the amenities or participate in Chartered Clubs. For those who moved here with good intentions to use the gyms, take up golf or start or renew a hobby, and have not had time or desire to follow through on those intentions, you may not see as much value as your friends or neighbors do.

This is Large Scale Community living, where there are numerous amenities, clubs and activities and the expenses are spread equally over every Owner based on ownership not usage. The usage and benefits you get for your \$1,967.40 Annual Assessment, (\$164.70 a month), depends on you, your interests, what stage of life and retirement

you are in.

Large Scale Community Living will always benefit the active person that lives in the community year-round the most, and each person needs to evaluate for themselves where they fit on the benefit scale and when living in a Large-Scale Community benefits them financially and when it does not. These are personal decisions that each Owner must determine.

The thing that cannot happen in a Large-Scale Community is for Owners to try to make a case for trying to eliminate expenses by carving out amenities they do not personally use, or they think are not beneficial.

It seems every year around this time, when we publish the audit for the previous fiscal year, the Board of Directors starts getting comments on the costs related to the restaurants and golf courses. People forget that these two areas are amenities just like the rest of the community, with one difference being they generate revenue from those who use them to offset the annual assessment.

- The restaurants and golf courses were part of the amenities listed in Sun City Summerlin Community Association when it was designed and built.
- A representative of Del Webb, testified in front of the Clark County tax authority stating the restaurants were being built as an amenity and would never make a profit, as they are for the primary purpose of providing food and beverage to the residents of Sun City Summerlin on-site.
- The intent in a Large-Scale Community is for the price of the food and beverage (consumables) to be paid for by the customer, and like all of the other amenities in SCSCAI, the rest to be paid for by the Assessment.
- Owners bought here for different reasons, some may use the gyms, some may use the golf courses, some may join Chartered Clubs and some may use the Pickleball Courts, and believe it or not, some people buy here so they can have access to restaurants without going out of the community. We have people who eat at our restaurants every day.

What is important to remember is you cannot single out one amenity, without impacting the value of the entire community to those who live here now and who will buy here in the future. For example, should we quit maintaining some of the Common Area Landscape since it is on the high end of expenses or possibly quit maintaining portions of the golf courses. Of course not, the maintenance of these areas benefits and appeal to many of our owners, it is what you purchased, and what you expect.

The other statement that comes up in the blogs and writings to the Board is that more Owners need to support the restaurants, and while I understand the comment, support comes in many forms, for example, each of you support the restaurants through your annual assessment. It is important to not look at our restaurants as a retail venture, but as the amenity they are.

So do not get caught up in the comments that we operate our restaurants or golf courses at a loss. The restaurants are part of the Association, are paid for through your Assessment and the amount of your Assessment paid for this amenity is offset by the dollar amount paid by patrons for the food and beverage they consume while at this amenity. The same goes for golf. There are only four amenities that contribute additional income to the Association, they are Link Magazine, the Restaurants, the Golf Courses, and the entertainment and shows sponsored by Community Services.

If you look at the Summary of Operations on page 92 of the September Link Magazine, it shows that for the fiscal year ending June 30, 2022 (unaudited), the net restaurant assessment expense was \$494,566 for the year or an average of \$5.23 per home per month and the net golf course assessment expense was \$1,252,291.00 for the year or an average of \$13.41 per home per month. For comparison the net expense common area landscape assessment expense was \$1,949,905.00 for the year or \$20.88 per home per month. The net expense of our other amenities, including but not limited to such things as swimming pools and spas, fitness centers, dedicated rooms, outdoor sports courts and card rooms to name a few was \$2,745,304.00 for the year or \$29.40 per home per month.

You can see your annual assessment is hard at work providing the maintenance and amenities you purchased and that add value to your home and to your lifestyle. Through your annual assessment we keep all of the amenities open and maintained for those who “want” to use them.

Sincerely,
