BOARD'S MESSAGE

February is an important month in the Sun City Summerlin year. It is when our annual election process for the Board of Directors takes place. It is the results of the election process that forms the Board for the governance of our community Association. As such, it is very important for our homeowners to be informed, evaluate candidates, and elect a suitable group of Directors. Previous messages in the Link have detailed some of the qualities of a good board member (refer to the November 2023 issue, page 4) so we don't have to rehash those now.

In late January a ballot envelope was sent to all homeowners of record. Each address in Sun City Summerlin has a ballot, and each allows for three votes for the three open positions. Included with the ballot and return envelope is an insert which contains the candidate statement and flyer noting their candidacy. All ballots are confidential, but to ensure security and one ballot for each home, there is a code tied to the address. Replacement ballots can be obtained at the Mountain Shadows Administration Office and will cancel the original ballot.

In addition to the candidate page in the election mailing, all candidates had a page in the January Link. And there were two community functions where homeowners could meet the candidates, ask questions, and find out more directly from those running. (A recording of the meeting is also available on our website.)

Ballots can be mailed in. Or they can be placed in the large ballot box found next to the Monitor Desk at Mountain Shadows. This locked box is not opened until the Election Committee does so on counting day, February 28. All ballots are scanned, counted, and verified by the Election Committee. The only involvement of staff is to provide computer support. In addition, the process is open to the public and can be viewed on Zoom.

There are approximately 7,781 eligible ballots which could be returned. Over the past few years, we have averaged about 3,000 voters casting ballots. Frankly, that is a disappointing result! Less than half of our homeowners are determining the future of how our HOA is governed.

In general elections our community has an outstanding record of voter turnout. And for that you must go to a voting location, stand in line, and cast your vote. Or it can be mailed in with an absentee ballot. For our election, it is simply marking a card with your choices and dropping it in the mail or the ballot box. We have made it as simple as possible.

Bottom line – we are asking all our homeowners to please take part in the important process of electing our Board Directors. If you haven't done so already, please dig that election mailing out of your pile, fill it out, and send it in. Your participation is greatly appreciated. Remember, the Board works for you! If you don't participate in voting, how can you expect to be represented.

Be safe and enjoy living in our great community!

In the January issue we ran an article regarding the important matter of providing emergency responders easy access to your home. The article was well received and recognized as important to our community. Additional information has been provided, and we would like to clarify a few points.

One of the suggestions was to utilize the commercially available Knox Box, which contains a key to the house. Fire Station 107 of Las Vegas Fire/Rescue was quite helpful as to how we should approach this matter. The Fire Department recommends using certified Knox Boxes which are keyed for the local jurisdiction. All City of Las Vegas stations have a master key which allows access to a home's box. However, this is a fairly expensive option, and may discourage some homeowners from proceeding.

A simple and economical solution is to install a combination lock box, as shown in the Link article. Fire Station 107 suggests that any resident who bought such a box contact them with the combination and the City of Las Vegas can attach it to the 911 information for the address. Thus, when a resident calls 911 their address pops up on the computer and any special information is provided to the responding units. The combination can also be provided to your emergency contact so that they could give it to responders as needed.

BOARD OF DIRECTORS ELECTIONS

Vote Now for Sun City Summerlin Board of Directors

As you read this article, you should have received your packet in the mail to vote for your choice of candidates running to serve on the SCSCAI Board of Directors. If you have not received your large, white envelope with the red marking "SCSCAI Election Materials Enclosed, Time Sensitive", please contact the Administrative Office at Mountain Shadows, 9107 Del Webb Boulevard. There is one envelope per property, not per resident.

The envelope contains everything you need to know about the 5 candidates running for the Board. There are statements to acquaint you with their qualifications and experience as well as a disclosure statement required by Nevada State Law, which states that the candidate is a member in good standing with the Association and has no conflict of interest in serving on the Board. Candidates are:

Erik Braun

Gerry Sokoloski

Lynn Kasner Morgan

Lenny Libman

John Berthelsen

Each candidate participated in a Residents' Forum sponsored "Meet the Candidates" evening on January 10 and a recording of that event is linked on the SCSCAI web page for your review or in case you missed it (see link below*).

Most importantly, in the packet you received via mail, you will find the yellow ballot you need to vote. There are three Board positions open, each with a three-year term and the top vote recipients will be elected to the Board. Please read the instructions on the back of the ballot carefully so your vote will be counted. Note that you **MUST** use the ballot envelope to return your ballot and you should **NOT** write anything on that envelope – no return address. Do not cover the bar code as it is needed to validate your ballot. To ensure privacy, the envelope will be separated from the ballot before counting.

All ballots must be received at Mountain Shadows no later than 5 p.m. on Tuesday, February 27, 2024. Please make sure that you mail your ballot in time for it to be received by the deadline, or you may hand deliver it to the Administrative Office at Mountain Shadows and place it in the ballot box. Ballots must be received no later than 5 p.m. on Tuesday, February 27, 2024. Counting of the ballots will take place at the Annual Membership Meeting starting at 8 a.m. on Wednesday, February 28, 2024. The new Board will take office at the 9 a.m. meeting on Thursday February 29, 2024. The Election Committee urges all residents to exercise your right in casting your vote for the Board.

BOARD OF DIRECTORS ELECTIONS

Introducing . . . Sun City Summerlin's Election Committee

By Michael Christiansen, Election Committee Chair

(Left-right) Sofia Castille, Michael Christiansen (Committee Chair), Melanie Spector, and Ruth Mintz

The Election Committee is a standing Committee appointed by the Sun City Summerlin Community Association, Inc., Board of Directors. The Committee works with the Executive Director, Mitzi Mills, and her staff to ensure we have a fair and transparent election of the HOA Board of Directors. The Election Committee conducts all election and ballots of the Association.

Sun City Summerlin (SCS) has an abundance of opportunities for people to get involved with our wonderful community. The Election Committee is one that I feel provides a most important function within our community. These volunteers are not seen but their actions are felt in the results

of the Board elections. That said following is what this years' Election Committee have to say, in their own words, about serving on the Election Committee.

Ruth Mintz - "My husband and I moved to Sun City Summerlin while Del Webb Corp. was still a big part of the board operation. Through the years, leadership has changed and not always for the best, so when I was asked to join the Election Committee a few years ago, I felt it was a chance to make sure I was a part of the fair and equal election process. Having been an election worker in a Chicago suburb, I was very aware of the work involved. I am pleased to say that it has been a pleasure working with this dedicated Committee as well as with Mitzi and her wonderful staff."

Melanie Spector - "I am honored to be a volunteer on the SCS Board Election Committee. I have been on this Committee for 4 years, and I am pleased to be able to use my background in non-profit organizations and administration to assist the democratic process of our community. While it is my pleasure to serve, I really consider it my civic responsibility to participate in making SCS the amazing place it is today. We are blessed with wonderful volunteer/staff management in our community, and I am honored to do what I can to help. My thanks to everyone for participating in this vital function of SCS."

Sofia Castille - "My husband and I looked for several years for the perfect place to live our best lives. We checked out a lot of Sun City communities in multiple states and decided that Sun City Summerlin had the perfect mix of all the activities we enjoyed! In learning about the many ways to be an involved Sun City Summerlin community member, I endeavored to find a group that would utilize my strengths and offer a sense of purpose. I am happy to have the opportunity to give back to this wonderful community by volunteering my time and skills with the Election Committee."

Mike Christiansen - "My wife and I first bought our current home here in Sun City Summerlin in 2015, having visited many surrounding neighborhoods, we always came back to Sun City Summerlin because "it just felt right". Having served on the Election Committee for the last five years, I was asked to chair for this years' HOA Board election. I embrace the chance to give back to our community by continuing to volunteer and support the process using what I have learned during the course of the past elections. I am privileged to work with a dedicated and professional group of volunteers."

A Tool for Inner Peace in a Crazy World

Lately I've been feeling like time is really speeding up; that we have access to so much information it has become overwhelming. I was always thinking about the next course of action to take, running to do lists in my head, thinking of past actions or people and future actions to be taken.

How many thoughts do you think pass through your brain on a given day? A recent Cleveland Clinic study stated, "Your brain is a three-pound universe that processes 70,000 thoughts each day using 100 billion neurons that connect at more than 500 trillion points through synapses that travel 300 miles an hour." Wow!

What can we do to slow life down for the quality of our lives to be more peaceful and manageable? According to my research, the practice of mindfulness may be a tool one can use to achieve such a goal.

What is mindfulness? It is a mental training practice that teaches one to slow down racing thoughts, let go of negativity and calm both your mind and body.

One of the leaders who started teaching mindful meditation in 1979, Jon Kabat-Zinn, said being mindful is "not about mastery, it's about being good enough. For what? For whatever it takes for you to live the life that's yours to live, with a degree of happiness, kindness and a sense of belonging, a sense of meaning and purpose."

There are different methods to practice learning how to be mindful throughout your day and/or meditating on mindfulness. Also, it turns out that there are significant benefits from doing so.

These benefits include reduced stress, improved immunity, better sleep, lower heart rate, more attention to details and listening to others, to name a few.

Briefly described here are steps to mindful meditation:

- Take a seat.
- Set a time limit.
- Feel your breath moving in and out of the body.
- Notice when your thoughts wander off your breathing, allowing them to come and go as if they were simply clouds moving across the sky free of any judgment.
- Be kind to your wandering mind and have patience with it.
- Close with kindness to yourself and gratitude.

How long should you meditate? Research neuroscientist Amishi Jha discovered that twelve minutes of meditation, five days a week "can protect and strengthen your ability to pay attention." For some readers just starting out with this practice, even five minutes working up to twenty minutes eventually would be a good start.

By the way, our very own Fitness Department offers a free meditation class. For more information, contact the Fitness Department at 702-255-2294 for location/dates/times.

On a daily basis, observing your thoughts without judgment is mindful practice. Are you thinking of the present moment or of the past and future events? Focus on what you are doing right now, in this minute, whether it be taking a walk observing your surroundings, petting your animal, or chewing your food.

There are many resources from respected leaders in this field on YouTube for further information.

From my experience it does take some patience as in the beginning I found myself drifting off into thoughts quite frequently. But with practice, I continue to see that it does get easier to do.

"If you are depressed you are living in the past, if you are anxious you are living in the future, if you are at peace, you are living in the present." —*Lao Tzu*

FITNESS Heart Health Month

February is Heart Health Month! It is an annual observance dedicated to raising awareness about heart health and cardiovascular diseases. It serves as a reminder to prioritize heart-healthy lifestyles, learn more about heart disease prevention, and support those affected by cardiovascular conditions. February is chosen because it is a time when many people reflect on matters of the heart, including love and relationships. It is a fitting opportunity to also emphasize the importance of heart health.

How to Promote Heart Health

Improving heart health involves making conscious choices to reduce risk factors and adopt heart-healthy habits. Here are some ways to promote heart health during Heart Month and beyond:

- **Eat a Balanced Diet:** Consume a diet rich in fruits, vegetables, whole grains, lean proteins, and low-fat dairy products. Limit saturated and trans fats, sodium, and added sugars.
- **Exercise Regularly:** Engage in physical activity for at least 150 minutes per week. Activities like walking, cycling, and swimming can help improve cardiovascular fitness (see page 35 for Heart Health Walk).
- **Quit Smoking:** If you smoke, seek support to quit smoking. Smoking is a major risk factor for heart disease.
- **Manage Stress:** Practice stress-reduction techniques such as mindfulness, meditation, or yoga to reduce the impact of stress on your heart (see page 35 for Sound Bath Meditation).
- **Monitor Blood Pressure:** Check your blood pressure regularly and work with your healthcare provider to manage it within a healthy range.
- **Control Cholesterol:** Maintain healthy cholesterol levels by following a heart-healthy diet and, if necessary, taking prescribed medications.

(Left to right): Ashley Lawson & Jessie Miles

- **Maintain a Healthy Weight:** Achieve and maintain a healthy weight through a combination of balanced eating and regular physical activity.
- **Limit Alcohol Consumption:** If you drink alcohol, do so in moderation. Excessive alcohol consumption can contribute to heart problems.
- **Get Adequate Sleep:** Aim for 7-9 hours of quality sleep per night to support heart health.

History of Heart Month

Heart Month has a long history dating back to the 1960s when it was initiated by the American Heart Association (AHA) in the United States. Since then, it has grown into an international observance, with various countries and organizations participating in heart health awareness activities.

The goal of Heart Month is to reduce the prevalence of heart disease and stroke by educating the public, advocating for policies that support heart health, and funding research into cardiovascular conditions. Information provided by the American Heart Association.

THE QUILTING CLUB

PROUDLY KEEPS THE TRADITION OF QUILTS OF VALOR® ALIVE

By Gail Abrams/Link

The Quilting Club was established in 1992. Last year, there were 76 members. Residents are encouraged to visit the quilt room and join the club. Presently, Diane Lais is President of the Club and Carole Nelson is the Chairperson for Quilts of Valor® (QOV).

Diane and Carole, both club members for 9 years, explain the steps that go into creating a QOV:

All club members participate in the design of a QOV. The quilt usually measures 55" x 60-70". Quilt kits are given out to club members. The quilt kits contain star blocks. The stars in the blocks represent the Military. They are always three colors: red, white, and blue. Once the star blocks are made, they are combined into a quilt top and sewn together. Carole then gives the quilt to Louise Davenport (Director of Valor Quilters of Nevada). She does the "long arming" (explained below). Once completed, the quilt is returned to the club and a label is attached (detailing who made each part of the quilt). The QOV recipient will receive a certificate detailing his/her name and rank. In addition, the recipient's name and rank is sewn on the label of the quilt. It can take 2-3 months to complete a QOV. There is no cost to the recipient for the QOV.

"Long Arm" is the quilting process that is done by a "long arm" machine that sews together a large area of cloth.

Diane and Carole welcome Sun City Summerlin residents to come forward with the name of individuals who may qualify as a QOV recipient. The Quilting Club has been involved for 10 years with QOV.

The ceremony honoring a Veteran is very moving. Louise Davenport reads the text on the certificate. Then, she calls out the Veteran's name to recognize him/her. Louise and members of the Quilting Club take the quilt up to the recipient, wrap him/her in the QOV and say: "Welcome Home."

One of the QOV recipients was a male member of the club. He was in his 80's when he joined the club after his wife passed (she was a club member). One day, he stopped into the club quilt room with quite a few quilts that his wife had not finished. Low and behold, the club members taught him how to quilt! He was a club member for 10 years, well into his 90's.

The club has fun events scheduled during the year. In May, they have a picnic. Their recent Holiday Party was a great success. Diane organizes a tea party for new members. She is planning a Chairperson Appreciation Luncheon to thank members who chair different functions within the club.

Diane and Carole invite you to visit their club quilt room and check out the sales window. The items sold help pay for club supplies. If you drop by and see something you want to buy, Carole's telephone number is noted in the display area. Please give her a call to set up a convenient date/time.

(Right-left) Diane Lais, President and Carole Nelson, Chairperson for Quilts of Valor®

Quilting Club Board of Directors (Left-right): Linda Pendleton, Secretary, Diane Lais, President, Mel Larrabee, Vice President & Karen Kretchmar, Treasurer

Every year, the club creates a special quilt that they raffle to raise money for supplies. Tickets are sold and the raffle is held at the Arts + Crafts Show in October where they hold the drawing for the lucky winner.

You are invited to stop by and visit the Quilting Club to learn more and look into becoming a member.

“As I See It . . . ”

Yes, You Can

By Alan G. Spector /Link

Like everyone, there have been times when I just did not think I had the strength, wisdom, or knowledge to manage the challenge before me. The problem/task/job felt just too big/difficult/risky to tackle (substitute your own challenges). Negative thoughts of failure, loss, or embarrassment seem to often live just below our positive sense of confidence to succeed.

I was recently reminded of a powerful quote from Rosalind Carter (who just passed away at age 96), "You can do anything for 20 minutes... except hold your breath!" I take that to mean we can do anything we need to do... but we cannot quit! Sure, some things take longer than 20 minutes, but if we break them down into 20 minute segments, things are more manageable and much more doable. Holding our breath... means giving up, and that is the end of the ballgame. Not an option... just try it!

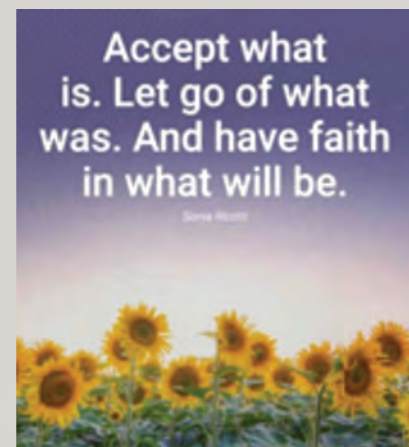

Have you ever had to face a problem/challenge and wondered what to do? Where to turn? How to get through that situation? Well, I have learned that the answer is always there when you need it... it is all around us... all we have to do is open our eyes and hearts and look for it. Have you ever

said "Wow, why didn't I think of that sooner?" Well, why didn't we... just stop, think, and be open to the positive paths that lay before us. We have family, friends, and resources to provide us with clues... we have our faith (whatever and wherever that may come from for each of us) and the heart to shine the light on the constructive paths which are available to us. "YES, WE CAN!"

A wonderful tale from the Mad Hatter... "Would you like a little more tea?" Alice: "Well, I haven't had any yet, so I can't very well take more." March Hare: "Ah, you mean you can't very well take less." Mad Hatter: "Yes. You can always take more than nothing." (Lewis Carrol) It seems that we can always go up if we realize that "now" is the base. It is all how we look at things... "YES, WE CAN!"

So, now 2024 is here and all the holiday celebrations are over, and it is time for us to give power to our ability to overcome and to have confidence in our inner strength and courage. It is time to just let loose and enjoy our many blessings and to appreciate our ability to deal with whatever comes our way. "YES, WE CAN...!" Look at where we are and what we have overcome in our lives... and just know that we can live this life every single day to the fullest.

COMMUNITY STANDARDS

Being The Best That We Can Be

Barbara Davidson, Director, Community Standards

The Over-55 Active Adult Planned Community phenomenon first emerged in the U.S. in 1954 with about 200 homes being built on a remote 325-acre farm in Youngstown, Arizona, about 25 miles northwest of Phoenix.

The over-55 retirement concept had taken root and, as the Greatest Generation "came of age", the Del Webb Sun City Arizona community sprouted in 1960, producing the longest running restricted-age community in the U.S. On the opening weekend over, 100,000 visitors viewed the striking new community and by 1978, nearly 25,000 homes had been built in the desert.

The Sun City Arizona community kicked off the spread of Del Webb's empire and in 1989 Sun City Summerlin opened its temporary sales office in Summerlin, offering the first 400 homes for sale. The rest is history, and those original 400 homes soon increased into the 7,781 Las Vegas Valley residences we know today.

Now over 30 years old, Sun City Summerlin has consistently maintained a top-tier position on the list of the best over-55 communities in the U.S., which is a huge accomplishment considering the availability of emerging concepts, features, and amenities. It is estimated that about 5,000 over-55 communities exist in the U.S. today, bringing with them a very competitive marketplace.

Maintaining a leading position in this environment is no small feat and Sun City Summerlin has repeatedly risen to the occasion with upgrades and improvements to its extensive ame-

nities and the ongoing attention paid to the maintenance of facilities and landscaping.

Importantly, Sun City Summerlin's status as a premier community has been greatly enhanced by the continuing interest and attention that Owners pay to their own homes and yards, and that will be a critical element to our future success.

The Community Standards office recognizes its assignment to assist Owners in the pursuit of projects and improvements that are in support of our common goal to make us "the best that we can be."

Following is a list of top ten communities in the U.S., as recently published in Investopedia:

FEBRUARY 17 RANDOM ACTS OF KINDNESS DAY

My friend and I had just finished enjoying a McRib over lunch when a gentleman came over and asked "Are you ladies done? Let me take your trays and put your trash in the bin for you". Never saw him before, but thought, what a kind, unexpected gesture - what a nice thing for someone to do for strangers! Perhaps all is not lost...

Just what would it take to do something nice?
It needn't cost money, so doesn't come with a price.
You could hold the door open, and let someone else through
when the person ahead just let the door slam on you.
You come to a stop sign, just hold back for a minute.
You don't have to be first - you're not racing to win it.
Make a kind, simple gesture when it isn't 'expected'.
Send a card to a friend to make them feel re-connected.
You find a stray shopping cart adrift in the lot,
so put it back in the rack, clear that blocked parking spot.
If a trash can is found in the street end of day,
move it back on the curb, out of any car's way.
At the checkout, move items up close to the clerk -
there's a chance they've already faced their share of jerks.
Forget about email and forget sending a text,
try talking in person - a "conversation" comes next!
We all know there's someone who's just sitting at home -
a phone call might help them feel NOT so alone!
Say "Bless You" if a stranger should happen to sneeze.
Maybe use words more often like 'you're welcome', and 'please'.
Has the world that we live in made us so out of touch -
that just being thoughtful doesn't matter that much?
You may not get 'thanked', but simply do it because
they may pay it forward or just give them pause.
Be they younger or older, just do something nice.
It will make you feel better without thinking twice.
It may become second nature, and just make you smile,
and turn into a habit not done once in a while.
A small act of kindness leaves its mark, so you see -
so, if you read what I write - here's a **"Thank You"** from me...

Mary Fairhurst loves to cook. A few years ago, due to health issues, Mary started taking non-vegan recipes and experimenting with healthier food options. Have you attended one of Mary's Healthy Cooking Demos? Her classes are very well received. Mary focuses on recipes that reduce the use of sugar, sodium and even lactose. Her classes started in 2018 and continue today three times a year. Mary shares her cooking classes in a PowerPoint presentation offering cooking tips and hacks. Following, Mary shares two delicious, easy-to-prepare sweet recipes. *Enjoy!*

Mary's High Protein Peanut Butter Bites

Directions

Prep Time: 15 min
Yield: 24-32 Bites
Cook Time: Zero

Ingredients

1-15 oz. can white kidney beans
1/2 cup good creamy or crunchy peanut butter *1
1/2 cup maple syrup
3/4 cup rolled oats
3/4-1 cup PB Powder *2

Optional:

1/4 cup dark or semi-sweet chocolate chips (dairy free is needed)

***1 Use natural peanut butter** with no added sugar or salt.

***2 for more chocolate** use Chocolate PB Powder!

Drain and rinse the can of beans and add them to the food processor, along with all remaining ingredients, starting with 3/4 cup of PB Powder.

Process until fully combined, scraping down the sides as needed.

Check the consistency of your mixture, if it feels too soft or too sticky to shape into balls, add the remaining 1/4 cup of PB Powder, and pulse to combine.

Scoop and roll the mixture into 1/2 balls. Place them on a sheet of parchment paper or plate and repeat with all the mixture.

Store the balls at room temperature for 2-3 days, in the fridge for up to 5 days, or airtight in the freezer for up to 3 months.

Tips

Instead of blending the chocolate chips into the batter, I place 2 chocolate chips in each ball as I roll them.

Roll your balls using damp hands to avoid mixture from sticking to your hands.

Mary's Easy Dairy-Free Cheesecake

Prep: 10 min

Servings: 12

Cook: 40 min

CRUST INGREDIENTS

1.5 cups pitted dates packed

6 tbsp. hot water

2 tsp. vanilla extract

1.5 cups rolled oats (GF if needed)

Heat oven to 350 degrees.

FILLING INGREDIENTS

16 oz. vegan cream cheese*
at room temperature

2/3 cup sugar**

2 tbsp. cornstarch or tapioca starch

3 tbsp. plant milk of choice

1 tbsp. lemon juice

1 tbsp. vanilla extract

Crust

Add the dates, hot water & vanilla to the bowl of a food processor and process until mostly smooth, scraping down the sides as needed. Then add the oats and pulse several times to break them down but don't puree them. Spread the mixture in an 8" pie tin or pie plate and press it down with a spoon or glass.

Filling

In a large mixing bowl, add your softened cream cheese and sugar and beat on low until smooth and creamy. While still on low, add in the cornstarch, milk, lemon juice, and vanilla. Continue beating until smooth. Pour the filling into the crust. Bake the cheesecake for 40-45 min. Check at 40-45 min. Don't overbake. Remove from the oven and let cool completely. Once cool, refrigerate for at least 4 hours or overnight for best results.

Notes

* Use a good quality vegan cream cheese like *Miyoko's Tofutti* or *So Delicious*.

** To keep it sugar free, use erythritol or monk fruit sweetener.

COMPENSATION IS \$100.00 CASH!

SUN CITY SUMMERLIN PATROL

Read, Heed and Follow!

Winter, spring, summer, fall; sound familiar? Those were the seasons most of us lived through in a former life. Now we have F1, rodeo, fireworks, ice hockey, and football (to name just a few). Las Vegas does have a fascinating procession of spectacles year-round. BUT, if you are ready to put a little more structure in your life, consider membership with the Sun City Summerlin (SCS) Patrol. We will train you for a position of your choice, driver, dispatch, or information officer. These could lead to promotions into leadership positions.

Our neighbors in Sun City Summerlin count on us to be available 24/7 to help or guide them to the proper help. Stop by or call our base of operations at the end of the Desert Vista parking area. The folks in the SCS Patrol are some of the very best you will ever meet. May be the most rewarding experience you will ever have.

Following are a few miscellaneous items to save in your phone directory!

Who Are Those People!

SCS Patrol will appear a bit different this year. New uniforms will set us apart as we do our assigned duties. Be assured that we will continue to look professional as we guide you through special events or show up on your Ring camera to remind you of that pesky garage door that forgets to close.

EIP (Extremely Important Papers)

PLEASE UPDATE your Emergency Contact sheets. We must have your signature, so just drop by the SCS Patrol Office and complete. Pick out a friend or neighbor in Sun City Summerlin in addition to your out-of-town family members. This could make a big difference during a hectic experience.

For Our Many Pet Parents!

Major Help In Reuniting Those Furry Critics With Their Families

(This information from the City Of Las Vegas website <https://www.lasvegasnevada.gov>) dated 10/18/23

At the Oct. 18 City Council Meeting, Las Vegas City Council approved an ordinance requiring dogs and cats within the city to have a microchip.

Starting Aug. 1, 2024, all dogs or cats over the age of

four months residing in the city of Las Vegas must have a microchip.

Owners must register their contact information and microchip numbers with the microchip registration company and Animal Protection Services through the animal pet licensing program; if there's a change in ownership, information must be changed within 30 days.

The new requirements do not apply to:

- An animal whose owner has resided within the city fewer than 30 days
- An animal brought into the city temporarily for a show or exhibition

Breeders will be required to comply with the new ordinance. They need to ensure that all dogs and cats offered for sale have been microchipped before being transported to a pet shop or sold.

Violations of the ordinance will result in a misdemeanor and upon conviction may be punished by a fine of up to \$1,000, imprisonment of up to six months or a combination of both.

In the next few months, our Animal Protective Services team will establish programs to encourage and facilitate microchipping.

Making Sun City Better!

SCS Patrol continues to follow our motto "Neighbors Helping Neighbors". Give us a wave as we are driving the streets of our wonderful community!

Some of the things we do for the SCS Community:

- Being the eyes and ears of Sun City Summerlin.
- Observe and report suspicious activity.
- Provide house checks when residents are away.
- Remind residents to close garage doors at night.

Honoring Residents Corner: Dorothy Schulze - 100 Years Young

By Donna Kris - Daughter

In my opinion, Dorothy has done a lot in her 100 years and has served as a role model for me.

Dorothy had to drop out of high school at 17 and yet at 30, studied for and got her American citizenship.

As a single mother for a number of years, she taught herself to sew and knit to make clothes for her two young children.

She met and married an Air Force officer and partnered with him in his military career. She facilitated the family's many moves to duty stations in Hawaii, Europe and the East Coast and continued when her husband started a second career with CargillAg weighing grain trucks in Pasco, WA, until he retired as an Area Manager for one of the Nebraska grain elevators.

Dorothy's fortieth decade was full of accomplishments and rich in experiences. Nearly drowning as a child, Dorothy learned to swim, got her GED and took classes earning a Cosmetology License, and with her husband, rode as a passenger on a decked-out Honda Anniversary Gold Wing motorcycle traveling from one coast to the other and up through Canada, the land of her birth.

In her 50's Dorothy took up golf and tennis. She was lucky enough to achieve at least one Hole in One and possibly two on courses here in Sun City Summerlin.

While not one to be a "joiner", she participated in the Just Sew Club because she delighted in making garments for new babies in local hospitals.

Dorothy became a widow in 2009. Even through grieving she continued her pattern of giving to others and for several years benefited the Nevada Partnership for Youth, Safe Nest and homeless youth at Cimarron Memorial High School.

While life didn't allow her to pursue her dream to be a doctor, Dorothy raised children who were successful in their careers: a daughter who achieved her bachelor's degree and retired as a Federal employee and a son who had his own martial arts studio and later retired from the Australian court system. She's also a great-great grandmother.

A Cupcake and Coffee Event was held for her at the Tavern at the Falls on December 18 where 20 of her friends were able to join in the celebration.

Aquacize Club members can choose from several different class times and locations. Classes last about 45 minutes. The current class schedule is:

1) 8 a.m. Desert Vista. 2) 8 a.m. Sun Shadows (winter) – Mountain Shadows (summer). 3) 10 a.m. Sun Shadows. 4) 7 p.m. Desert Vista (winter) Mountain Shadows (summer). Dues are \$5 per year. For information, call Veronica Douglass at (661) 435-4880.

Art

Artists of all levels from beginners to advanced, and those who just love art, are welcome to join the Art Club. Dues are \$15 per year. We hold general meetings the third Monday of each month, at which time we discuss Club business and offer guest presentations or demonstrations. Our next general meeting will be held on Monday, February 19, 2024, in Desert Vista's Room 1 at 1 p.m. The Club offers courses or sessions in beginning, intermediate, and advanced watercolor, acrylic and oil painting, as well as drawing, acrylic pouring, colored pencil, abstract painting and mixed media. We also provide regular updates on local art events, information about our instructors and Club activities, including our annual Fine Art Show. For more information, including our class schedule, please go to our website at www.suncityartclub.org or contact Steve Brenner at 749-7737.

Arthritis

Do those painful joints keep you from exercising? We have a solution. Slip into your swimsuit and join us in the pool for soothing exercises that get those joints limbered up. These exercises safely move every part of the body. Stretching, range of motion, flexibility and balance improve health and wellness. This low-impact pool exercise Club meets Tuesdays and Thurs-

We've requested the court be relocated to a "joint-friendly surface" or a new dedicated court built. SCSCA is reviewing options through the Conceptual Idea process. Presently the court is reserved for shooting on Sundays from 11 a.m. to 1 p.m. and Tuesdays & Thursdays evenings from 5- 8 p.m. If you are interested in playing some friendly 3-on-3 or 4-on-4, please contact Jim Mathews (503) 894-3040 or Al Bonardi (631) 398-1891 for additional details.

Join us to collectively embrace diversity, foster acceptance, and cultivate an environment where our Sun City Summerlin's LGBTQ+ members can participate, thrive, and flourish. For membership information, call 725-291-LGBT (5428).
