DIRECTOR From the Executive Director

New Year Signals New Projects

Paul Henderson,
SCSCAI
Executive
Director

The patio area adjacent to the High Sierra kitchen at Mountain Shadows will be enclosed within the coming months.

July 1 is the beginning of our new fiscal year and the start of our new budget. Our operating budget for 2016-2017 includes revenues of approximately \$15 million and expenditures of approximately \$15 million. Much of the funds that will be spent in the coming year are for the specific purpose of keeping the community facilities comfortable, neat and clean for your use and enjoyment. The Board of Directors and staff work diligently to keep everything in good repair and looking nice in an effort to sustain and enhance our property values.

In an effort to keep the common properties in good and serviceable condition, we will be spending approximately \$3 million on various repair, replacement and renovation projects this coming year. Some of the larger projects include:

1. New pool furniture at the Pinnacle and Desert Vista outdoor pools.
2. Refurbish Tavern at the Falls with new paint, as well as new dining room furniture. We also plan on expanding the dining

room by enclosing the covered patio area. The outdoor furniture will be replaced and relocated to the lower patio area. These improvements will allow us to bring in more golf tournaments, which will help mitigate the financial burden of the golf courses in general.

3. We plan on enclosing the patio area adjacent to the Mountain

Shadows kitchen and relocating the Exchange Room, library and card room in that area. We will remodel the Exchange Room to accommodate additional office and conference room space.

4. Throughout the year we will be improving and upgrading the lighting around our buildings in the parking lots and sport courts for your safety.
5. Replace the tables and chairs at the Desert Vista meeting rooms.
6. Purchase new and more functional furniture for The Summit room at the Pinnacle.

These and many other smaller projects will be implemented and are intended to improve the quality of life in Sun City Summerlin.

I would also like to thank the Board of Directors who serve many hours on your behalf with no financial compensation to themselves to ensure that the money available to the Association is used in the best possible way to your benefit. **THANK YOU!**

PRESIDENT **President's Message**

Sun City Still One of the Safest Places to Live in the Valley

Recently, Sun City Summerlin experienced some events that pierced the veil of safety.

David Steinman,
President, SCSCAI
Board of Directors

As a senior, you are subject to risks that were much easier to handle when you were in the prime of your life. The risk of health deterioration increases as we pass the age of 55. Safety is very high on the list of priorities. You seek a living environment that minimizes these risks.

Recently, Sun City experienced some events that pierced the veil of safety. Armed robbery and burglary to commercial property was an indication that new risks had surfaced. The ongoing threat of break-ins to our residential property appeared to be multiplying daily. In fact, the rumor mill produced numbers of home burglaries to excessive levels. And residents demanded that our Board do something to eliminate these risks.

Official statistics from Metro indicate that home break-ins in Sun City amount to approximately 1.5 incidents per week in our community of nearly 8,000 residential units. During a three-week period in April-May, I heard many statements that we were having 8-10 home burglaries per week. Despite the recent crime wave in the Las Vegas Valley, we are still considered the safest place to live among the 2,000,000-plus residents of Las Vegas, per Metro stats.

Metro did arrest a suspect in the armed robbery attempts within a week of the occurrence. The break-ins at the Computer and Quilting clubs remain unsolved. Over the past several years, Metro has arrested suspects in home burglaries but this type of crime continues.

What can we do to keep this matter under control? Recently, the Board hired a security consultant to review the risks of security breaches in and around all of the Association buildings. A report was to be issued in June and reviewed by the Board.

What can you do to lower the risk of invasion into your home? Keep all doors (including garage doors) locked at all times, even when you are at home

or working in your yard. These criminals are so bold that they will enter an unlocked back door while you are working in your front yard. Keep a radio or TV on when you leave your home, and when you leave your residence, look around to see if there are any strange vehicles parked nearby, possibly observing your departure. The criminals have the ability to enter your home and exit with your valuables in 5 minutes or less.

Always be vigilant and be prepared to advise Metro or the Security Patrol of unusual happenings in your neighborhood. You need to help yourself and your neighbors by giving good information to authorities, including descriptions and license plate numbers of vehicles.

Let me assure you the Board of Sun City Summerlin takes the issue of crime in our community seriously and will do everything possible to reduce risks. But you are the key to prevention by observation and reporting of unusual situations.

SUPER SUMMER THEATRE AT THE SPRING MOUNTAIN RANCH PRESENTS "MEMPHIS"

Thursday, July 7

Bus departs Pinnacle at 6 p.m.; returns at approx. 10:30 p.m.

\$30 per person includes transportation and show tickets

"Memphis" is set in the places where rock 'n' roll was born in the 1950s – seedy nightclubs, radio stations and recording studios of Memphis. With an original score, it tells the fictional story of DJ Huey Calhoun, a local boy with a passion for R&B music and Felicia Farrell, an up-and-coming singer who he meets one fateful night on Beale Street. Despite the objections of their families (Huey's closed-minded mama and Felicia's cautious brother), the pair embarks on a dangerous affair. As their careers rise, they are challenged by personal ambition and the pressures of an outside world unable to accept their love. **A concession stand is available for food and drink, or bring your own picnic basket. You may bring blankets or regular folding chairs, or rent a folding chair at the park for \$1 each.**

\$20 per person includes transportation and docent-led tour

Breakfast prior to departure is advised, as well as comfortable walking shoes. You may bring snacks and water also. Lunch is not included in the ticket price. The Cold War was not only the longest and most costly war in American history, it also posed the greatest danger our country and the world ever faced. That America emerged victorious from the Cold War was due largely in part to those who worked in secret. Without their contributions, the Cold War could very well have had a different ending. The United States Air Force 9068 Memorial honors the 14 victims of the 1955 top-secret plane crash on Mount Charleston carrying an Air Force crew, Lockheed and Hycon engineers, CIA personnel and scientists bound for Watertown, now known as Area 51, to work on the U2 spy aircraft. The full story of the 14 men aboard and the U2 reconnaissance plane they helped build remained classified for more than 40 years. Also classified as top secret was the account of the men who risked their lives while braving subzero temperatures at the 11,500-foot elevation to attempt a rescue. Over four decades later the formal dedication of this memorial, with dignitaries and families, took place on May 29, 2015. Chairman of Silent Heroes, Steve Ririe, will lead this informative and intriguing tour.

Transportation to all events is provided. All bus trips depart from the Pinnacle parking lot, east of the softball field, near the posted signs. Unless otherwise specified, driver gratuity is not included in the ticket price. Tickets may be purchased at Desert Vista, Mountain Shadows and Pinnacle community centers; cash or checks only. New Locking Mailbox Delivers Peace of Mind

A new locking mailbox was approved by the Architectural Review Committee at the May 12 meeting. This is in addition to the two locked mailboxes that were originally approved by ARC. The new locking mailbox is much larger and deeper to accommodate packages containing medication or large

amounts of mail. The approved mailbox is called Mail Manager and measures 10.75 x 11.25 x 21 inches. The black mailbox is model #7506. The white mailbox is model #7507. The police, Post Office and mail carriers all feel this new mailbox will help stop some of the incidences of stolen mail that have occurred recently in our community.

WARNING: Never put up the red flag on your mail box! By doing so you are telling everyone you have mail in your mailbox to be picked up.

Please note that ANY change to your mailbox MUST be approved by ARC, as is the case

with any change to the outside of your property.

We have all heard about the break-ins that have occurred in our neighborhood. There is no reason to panic. Good common sense as to what one should do prevails, and if you are thinking of some security measures, here are some suggestions:

NO SOLICITING

Number: One (1) sign in the front of lot.

Type/Size: Weather resistant, thirty-six (36) square inches maximum.

Height: Thirty (30) inches maximum from finished grade to top of sign in yard. (See Development Standards, Page 18.)

NO TRESSPASSING

Number: One (1) sign in the front of lot. Dwellings bordering a golf course or greenbelt may post a second sign in rear of property.

Type/Size: Weather resistant one-hundred fifty (150) square inches maximum.

Height: Thirty (30) inches maximum from finished grade to top of sign in yard.

Location: In front yard on anodized or brushed aluminum, fiberglass or steel post painted to prevent rust in yard or on wall near front entrance door(s), gate or railing. (See Development Standards, Page 19.)

SECURITY SYSTEM

Number: One (1) sign in front and one (1) sign in rear of lot maximum.

Type/Size: Unaltered weather resistant signs provided by the security company one-hundred fifty (150) square inches maximum in yard and window decals not to exceed thirty-six (36) square inches.

Height: Thirty (30) inches maximum from finished grade to top of sign.

Location: Detached dwellings between the eighteen (18) foot setback from street-side. (See "Development Standards, Page 19.)

SECURITY/SCREEN/STORM DOORS

a. A security/screen/storm door may be added to the front, rear or side of the dwelling. This door must be mounted to the existing door jamb. The color shall be one of the approved standard colors on file in the Community Standards office.

b. Wrought iron decorative security gates may be added to the entry area of the roof enclosed front porch. The vertical distance measured from the ground to the highest point of the gate or any appurtenance attached thereto shall be no greater than four (4) inches higher than the front door. Gates shall match existing wrought iron or may be black, white, tan, or beige.

c. Decorative or wrought iron security coverings are not permitted over windows.

d. Rolling shutters are permitted. Color must be approved by ARC. (See Development Standards, Page 9.)

Residents looking to swap out their current mailbox for the newly approved locking model must file an application with the Community Standards Office.

A NEW FACE FOR HIGHLAND FALLS EMERGES

By Jeannette Carrillo/Link

The renovations to Highland Falls' practice facilities keep moving forward; residents will notice that a lot of work has taken place over the last two months. The once undulating slope of the practice tee is now a level surface and the previous eight-station driving range now offers room for up to 35 golfers to send their practice balls screaming toward the flags.

"By flattening out the entire area, we will have a TPC-style practice facility," said SCSCAI Golf Operations Manager Donny Long, who is excited to present the revitalized venue to residents and their guests. "There will be a huge putting green, a large chipping green with a bunker, a fairway bunker located on the right side of the range and an enormous area of tee space to practice off the grass," Donny said. "We are adding two shorter-approach greens for players to practice their 30- to 60-yard shots, which was requested by many residents."

Add to that other improvements like 260 feet of artificial turf mats that will be added to the area behind the tee box, a 120-foot colored concrete walking path from the parking area to the driving tee, 240 feet of new curbing, relocation of the main water line, and bunker repairs and adjustments along 14 of the course's holes. One of the largest bunker projects will take

place at Hole No. 16, where, in addition to installing a new liner and sand to six bunkers, Sun City's Golf Maintenance staff will eliminate one bunker to the right of the canyon wash and reduce the size of the bunker behind the green to create four new, smaller bunkers.

The impetus for the nearly \$300,000 project is a 2015 golf study commissioned by Sun City's Board of Directors.

"The driving range was one of the first projects suggested by the Keegan report," said Donny. "It's the first experience the guest encounters after checking into the pro shop, so it is a very important area. The previous driving range had a few issues where the practice green and teeing area were built with large elevation changes that waste usable areas. In the windy summer months we would lose those areas due to the 110-degree heat and wind drying out our greens and portions of the tee box."

Donny hopes to unveil the soon-to-be jewel of Sun City's golf courses in October. For now, he's pleased with the progress.

"Our plan is to have the greens and entire facility fully open and operational when we open from overseed," said Brian Bagwell, general manager, golf course maintenance. As for the

artificial mat, once it's installed it will be ready for use. The issue, however, will be water.

"Irrigation will come on throughout the day to get the grass established and the greens will need extra attention as there will be many things happening to them to get them ready for golf play," Brian said. "We can accommodate tournament play; let them practice before the shotgun start and then once golf is out on the course, close the range for the remainder of the day for maintenance. That way, customers don't get wet and the grass has the proper amount of time to heal."

In addition to the improvements designed to boost the player's experience, the Golf Department will see an opportunity to attract more tournaments as the expanded tee area will accommodate tent setup and food and beverage.

"We needed these upgrades to catch up to speed with the surrounding competitors," Donny said. "Nearby courses offer extended opportunities for golfers to practice and then capture revenue down the line when they return to book tee times."

Due to that, Highland Falls will offer a new monthly range membership in addition to the current range card that discounts range balls.

"It's great to see that Highland Falls is getting that extra touch to create a full opportunity to experience golf," said Tony Derhake, former president of the Men's 18-Holers golf club. "I applaud the Board of Directors for moving forward on the project. When complete, Highland Falls will be as good a golf course as you can play."

Chairman, Golf Oversight Committee

The large bunker behind the green at No. 16 on Highland Falls will be reduced to four smaller bunkers.

Bunker Project at Highland Falls

We are ahead of schedule with the bunker project. Holes 1 through 10 have been completed, and it is now estimated that this project will be finished three months ahead of schedule. We want to thank you for your continued patience as we work to improve our course with as little impact on play as possible.

Golf Club Membership

Membership in the various golfing clubs in Sun City continues to grow. With planned tournaments for men, women and mixed teams, there are opportunities for everyone. Several differ-

ent annual golfing packages are available to make your golfing experience even more economical. There is one tailored for nearly every play frequency, from once a week to every day. You now can use your credit card to purchase your annual golf package. Visit the Administration office at Mountain Shadows or any of the pro shops for more information.

LANDSCAPING **Landscape Department**

Cover Up for Safety While Out in the Summer Sun

Summer is upon us again and I would like to remind everyone about the heat. When working outside try to do the work in the morning before it gets too hot. Drink plenty of water and don't forget to eat. Also wear a hat with a brim and light-colored clothing. Sunscreen is a must. This is also good advice when you are running errands or just out having fun.

As for your plants, take care not to over water them. When watered during the hottest times of the day, plants will wilt. It is natural to want to water them but don't, unless the plant requires it. Check the root system before adding extra water. The biggest killer of plants is over

watering during the summer months. If you water when the roots are still wet and they don't dry out it will lead to root rot. As I have mentioned before, if you're not sure invest in an inexpensive moisture probe. You can usually get one at your favorite hardware store or nursery. Stick the probe into the soil and as far into the root ball as you can and check what the moisture reading is. The reading should be in the middle after the watering and around 2 or 3 at the end of the day.

I hope you all enjoy the weather. The Landscape Department is watering every evening.

Building Better Balance

Poor posture can contribute to poor balance.

Kristie McWhorter,
MS, CPT, GFI,
Fitness Manager
kristiem@suncitylv.com
fitness@suncitylv.com

Over time, poor posture may be caused by habits from everyday activities such as sitting in office chairs, looking at the computer, driving, standing for long periods of time and even sleeping. Poor posture can easily become second nature, causing or aggravating episodes of back pain and damaging spinal structures. Poor posture also can contribute to poor balance, which may increase the risk of fall-related injury.

Fortunately, the main factors affecting posture and balance are completely within one's ability to control and correct. Basic lifestyle changes and conscientious movements can improve your posture and balance, not to mention your quality of life.

Please join the Fitness Department as we continue to explore ways of Building Better Balance Through Proper Posture. This seminar, scheduled for Tuesday, July 19, noon, at Desert Vista, will focus on postural alignment and help-

ful tips to improve both posture and balance. We will introduce new exercises and assessments that you can perform on your own at home. Please see page 19 for further information regarding the upcoming workshop.

If you are unsure of where to start, consult with your doctor for clearance and guidance. There are many options for exercise at Sun City Summerlin through various clubs and Fitness Department classes and seminars. For more information, contact the Fitness Department, 363-1486.

Charli's Corner

Perform Better with Good Posture!

Charli Sue Douglass
SCSCAI Fitness Specialist, CPFT, GFI

Good posture is the backbone of a strong core! When you are not aware of your posture your shoulders and chin move forward and your back slouches. Simply sitting up tall will help position your spine better and move your head and shoulders back. Practicing slouching and then sitting up is a great way to improve your posture. You can do this while watching TV, on your computer, driving your car or playing cards.

Your core is not able to activate and stabilize with poor posture, which is also a major factor in balance and falls. Here are two simple exercises you can do to improve your posture and strengthen your core.

Chin Tucks: Helps to correct forward head position that develops while sitting for long periods of time.

1. Sit in a supportive chair as erectly as you can. (Can also be done standing.)
2. Keep your head straight, breathe in and draw you head back so your neck is in line with your spine. HINT: Take your index finger, place it in the middle of your chin, push your chin back and up.
3. Hold this position for 10 seconds, repeat five times every hour.

Elbow Press Backs: Helps to strengthen the neglected mid-back muscles.

1. Sit in a supportive chair or stand with your back against a wall. Tuck your chin in, breathe.
2. Bend your elbows at your sides and close your fingers in a relaxed fist.
3. Gently press your elbows back into the back of the chair or wall.
4. Hold position for 10 seconds as you breathe deeply. Do not move.
5. Breathe in and release this position slowly.
6. Begin with three repetitions and build to 10-20 reps, once to twice per day.

Come and learn more about exercises that can improve your posture by signing up for the Building Better Balance Through Posture seminar on Tuesday, July 19, at Desert Vista. See any Social Monitor to sign up.

Go For the Gold

Nevada Senior Games Open to Athletes, Volunteers

There's no better way to sum up participation in the Nevada Senior Games said the organization's Vice President Jerry Lindsay. "Fitness for the fun of it is what we do. It's our motto and we encourage everyone from couch potatoes to those who have had some sort of high school or college athletics experience to get involved."

Lindsay, 79, has been participating in the Games since 2008. That year he entered a few track & field competitions and came away with a gold medal in the 100-yard dash and a silver medal in the 50-yard dash. The following year he said he pulled a hamstring close to the Opening Ceremo-

nies and had to switch his focus to bowling, where it has remained ever since.

Sun City residents support the Nevada Senior Games in a big way every year, either by volunteering, attending as fans for support or competing in any number of events. In all, there are 19 sporting competitions that athletes can take part in. Men and women aged 50 years old and over are eligible to participate. This year the Games are scheduled from September 16 to October 19 at venues throughout the valley. The \$35 registration fee includes a Nevada Senior Games T-shirt; some sports require additional fees. Online registration is ongoing at Nevadaseniorgames.com.

On July 12, the Fitness Department will welcome a seminar on the Nevada Senior Games (see page 19 for more information).

Pine Tree Removal Continues

The Landscape Department continues its work to reduce the number of plants and trees throughout Sun City Summerlin in keeping with the community's Green Committee recommendations. The project is ongoing and the Landscape Department reports it has removed pine trees from the Pinnacle pool area, as well as the area behind the Mountain Shadows Fitness Center. SCSCAI's Board of Directors approved the plant and tree reduction plan as a way to help conserve water, as well as maintain the health of the community's native vegetation.

Legislators Hold Monthly Office Hours

Monthly meetings are not intended to be campaign stops, rather they are designed to offer help to residents with day-to-day issues. Those seeking assistance will need to bring any and all supporting materials to help explain their issue.

U.S. Congressman Crescent Hardy

A representative for United States Congressman Crescent Hardy will be in Sun City for the lawmaker's monthly office hours, Saturday, July 5, 10:30 a.m., Desert Vista.

Nevada State Assemblyman Glenn Trowbridge

Nevada Assemblyman Glenn Trowbridge will be in Sun City for his monthly office hours, Saturday, July 9, 10 a.m., Desert Vista.

Sun City Summerlin Golf Ambassador Program

Golf ambassadors Eileen and Robert De Doelder introduce prospective homebuyers to life in Sun City.

Established in 2012, the Sun City Summerlin Golf Ambassador Program's goal is to provide personalized, one-on-one meetings with golfing visitors who are interested in exploring the idea of moving into the community. A complimentary round of golf, lunch and tour of the amenities helps prospective residents gain familiarity with all that Sun City has to offer. Eight Ambassador couples are available, and are matched with prospective resident(s). The Ambassadors are not connected to any Realtor and no attempt is made to sell a house, rather to extoll the benefits of the community. Ambassadors continue to follow up with visitors and may even help their new friends get settled if they decide to move. Many friendships have been formed through the program.

The Sun City website, scscai.com, has a link to the Golf Ambassador program that features a questionnaire. Once filled out, the form is forwarded to the Golf Ambassador chairman, who is responsible for making contact where arrangements are made for a convenient get-together.

People who have come through the Ambassador program report that the greatest value they received was experiencing, through existing residents, what it actually is like to live in Sun City Summerlin. It's great!

Local A.A. Meeting an 'Exercise in Caring'

By Aileen Zsenyuk

When you first meet Stan O. you know that you've met a man on a mission. It's not that he's extreme or fanatical about Alcoholics Anonymous (A.A.). In fact, he seems quite the opposite. But Stan O. is serious. And you quickly become aware that he cares deeply about helping others whose lives have become unmanageable because of their powerlessness over alcohol.

A.A. was started in 1934 by Bill W. Since then that is the only way he has been known: Bill W. The practice continues to this day; all members of the group are known only by their first names and the first letter of their last names.

To prepare to write this article, I followed Stan O.'s advice and attended an A.A. meeting in Sun City. It was an exercise in caring. What impressed me most about the group of about 40 men and women was the active support shown to each member. First-timers were greeted, offered coffee and generally helped to feel at home. It surprised me how quickly newcomers were assimilated into the group.

Upon entering the meeting each person was handed a card that contained just a single word; my word was "change." After a brief greeting by the facilitator, each member spoke for no longer than two minutes on a topic or experience based on the word on his or her card. Speaking was purely voluntary; anyone could decline to speak, but no one at this meeting abstained. That is a good indication of the level of comfort among the attendees.

Before telling their story, each member stated his or her first name and last initial, in

keeping with Bill W.'s concept. This was followed by, "I'm an alcoholic." This recognition of the problem is the first of the 12 steps an A.A. member practices. The stories were sad, humbling, triumphant; some were even humorous. As each member finished speaking, support was demonstrated in the form of hand-clapping, thanks and congratulations.

At an A.A. meeting, each alcoholic meets others who have suffered the same pains, the same embarrassments, and the same feelings of guilt; so he or she no longer feels alone. At an A.A. meeting the alcoholic is free to express him or herself and deal with the problem.

A.A. starts the process of recovery by promoting the Twelve-Step Program. It begins with recognizing and admitting that the person is an alcoholic, is powerless to control it and that alcoholism is destroying their life. This first step is perhaps the hardest of all. It takes a special kind of strength at a crucial moment for someone to recognize and admit that the need for alcohol is something they cannot control. None of us wants to admit that a situation is hopeless, but that is the first step to ending the misery that is alcoholism.

Sun City Summerlin is fortunate to have a branch of A.A. in the community. There are no dues for the group, but a voluntary collection is taken at each meeting to help with maintenance costs. A.A. groups meet at Saint Andrew's Lutheran Church, 8901 Del Webb Blvd. For a schedule, see Page 24 or call

Stan O., 809-7475.

12 Steps of Alcoholics Anonymous

We admitted we were powerless over alcohol that our lives had become unmanageable.

Came to believe that a Power greater than ourselves could restore us to sanity.

Made a decision to turn our will and our lives over to the care of God as we understood Him.

Made a searching and fearless moral inventory of ourselves.

Admitted to God, to ourselves and to another human being the exact nature of our wrongs.

Were entirely ready to have God remove all these defects of character.

Humbly asked Him to remove our shortcomings.

Made a list of all persons we had harmed, and became willing to make amends to them all.

Made direct amends to such people wherever possible, except when to do so would injure them or others.

Continued to take personal inventory and when we were wrong promptly admitted it.

Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

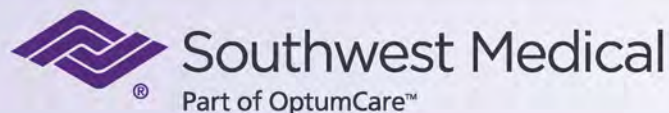

Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs.

PROPERTIES **Common Area Properties Committee**

Sun City Needs New Volunteers to Continue Community's Success

The Common Area Properties Committee works hard to make sure it recommends what is best for all, but we need some help.

Sue Papillon,
Chairwoman,
Common Area
Properties
Committee

As we begin our new fiscal year on July 1, Sun City has lots of projects and new equipment and capital to plan for. “Plan” is the operative word and something that is necessary when spending millions of dollars. By now you should have seen the huge list of planned expenditures for items and projects for the New Year. Did you think about them? Did you review the budget for expenditures?

I have always believed that our community is all about the residents and I have represented you that way both as a board member and as the executive director. A Board member’s fiduciary responsibility is to preserve your investment and the value of Sun City for each of you. The Common Area Properties Committee works hard to make sure it recommends what is best for all, but we need some help.

If we are entering a renaissance phase to refresh the community, we need involvement and input. Do you want a larger Tavern at the Falls? Should the Administration office take over the Exchange Room or build a new room onto Mountain Shadows’ patio area? Has free Internet been successful at Desert Vista? What other items do you believe are needed as we look at the future? New residents move into our community every day, but no one comes to board meetings or volunteers for committees. If

the same people are on the same committees and boards all the time, everything will remain the same. New residents with business experience or technical knowledge are needed, as well as people who think outside of the box and are not afraid of change.

I will be leaving Sun City Summerlin very soon because I want to live near my children and brand new grandchild, but I will still be living in an active retirement community in California. I have researched many such communities and visited several and they are all changing and updating their amenities and activities. Their residents are very involved in open hearings, plans and budgets, and they demand attention to every detail and dollar spent. They do cost-benefit analysis studies and have created websites to track and update changes. I believe there is so

little resident involvement here because Sun City Summerlin competes with Las Vegas, the casinos and their entertainment. Each of you cannot let that continue to happen or else Sun City Summerlin will lose value to the new active retirement communities being built in Las Vegas. I love Sun City Summerlin and have put my heart and soul into trying to make it what the new retiring population expects, but now the community needs new residents to get involved.

Fourth of July BBQ to Feature Family Recipes

Since our First Fourth of July celebration went so well last year, we've decided to start a new tradition. I would like to invite you to celebrate Sun City Summerlin's 2nd Annual Fourth of July BBQ Picnic Buffet at The Summit. Come and enjoy a BBQ buffet in the comfort of The Summit Room with a panoramic view of the Las Vegas skyline.

It is such an honor for me as a chef to be able to personally cook for residents this holiday. Independence Day is one of my favorite holidays and it is such a pleasure to have an opportunity to create a menu that includes my own family recipes. Starting with my creation of bourbon bacon baked beans, followed by the pulled pork you enjoy every day at Tavern at the

Falls. Best of all, I will present my twist on my grandma's recipe for Hawaiian macaroni potato salad. I feel like I'll be having a BBQ in my own back yard.

On Monday, July 4, The Summit Snack bar will be open until 5 p.m. Since we will be having the picnic that day, the pizza menu will not be available, but we will have hot dogs and packaged snacks for purchase. Although The Summit Room and Snack Bar will be closed, the patio will remain open for fireworks viewing later that evening.

Whether you spend the Fourth of July with us at The Summit or not, the Sun City Summerlin Food & Beverage team would like to wish you all a safe and happy holiday!

Resident Pushes Past PTSD to Recapture the Spirit of Competition

Residents who work out at the Mountain Shadows Fitness Center know her as Deborah. Five days a week, Deborah hits the gym for about 45 minutes a day. For 37 years she's dedicated herself to building the award-winning muscle she puts on display at bodybuilding competitions around the United States. In March, she took fourth place at the NPC Jay Cutler Classic at the Palms. This month, July 20-23, she will take to the stage at the NPC Masters National in Pittsburgh, Pa. Unlike the March event, where she competed against women in different age categories, the Masters will pit Deborah against women in her 55-year-old age group. Also unlike March, when she hadn't expected to compete, Deborah is excited about traveling to Pennsylvania. Her training schedule started roughly 12 weeks ago. And if the physical preparation seems rough, Deborah says the mental conditioning is tougher, especially when you're working through post traumatic stress disorder.

Deborah was diagnosed with PTSD three years ago, following the suicide of her husband.

Deborah recalls the day her husband of 15 years came home and headed for their bedroom. Upon following him into the room Deborah said she saw her husband take his life right in front of her.

"There were angels in the room that day," she said. Because before he pointed the gun at his own head, he pointed it at Deborah, paused, and then turned it on himself. What happened next set Deborah on a course of grief, anxiety, introspection and healing.

"I used to walk around in circles for hours. I didn't know what was wrong with me until I went to counseling and they told me I had post traumatic stress," Deborah said.

Upon hearing the term, PTSD, Deborah said she didn't think it was real.

"But it is. People in the military, God bless them. They come back with PTSD and unless you've gone through something you don't really understand. What I went through. What I saw. Your body goes into flight mode. Certain things are a trigger, like sirens or loud noises, and then your mind goes back to that vision. It's devastating."

During the years since the suicide, Deborah said, "I was like a sparrow with a wing that was broken. I had to decide to fly again or not, and I chose to fly again."

But learning to re-trust the wind and cast yourself into the sky without fear of dive-bombing to earth is anything but easy.

"It was very difficult to go on stage," said Deborah. "The first competition after his suicide I walked off. I wasn't ready. He was a well-known body-builder and when they introduced me they mentioned his name. I couldn't take it."

But time marches on.

Deborah Strong shows off the prized sword she took home for Women's Physique at the NPC Jay Cutler Classic in March.

Deborah moved to Sun City a year ago because she said she needed peace.

"These people give me peace," she said. "They are amazing. They talk with me and they love me. They give me hugs. People here are genuine, and the best thing is that they all have stories. I love to listen to their stories."

Add support to peace and Deborah says she's found a place where she is beginning to fit in.

"I believe your blessings come to you if you are good to people," Deborah said. "I'm looking for the new norm and that's hard for me. But faith, that's what's important to me. I don't know how people do it without faith because I have hope that I will see him again."

Choose to Accentuate the Positive, Throw Away the Negative

Please consider joining or forming a Neighborhood Watch to increase your and your neighbors' safety and security.

In life it is easy to allow things and people to anger you and stress you out. It's easy to blame circumstances for the way we feel. The truth is there is nothing outside of us making us react as we do. We choose how we react. We choose to take offence, to be angry, to be unforgiving or to be hostile. But we can choose to be unoffended, calm and forgiving. We choose whether to react in a positive way or to react in a negative way. Choose to accentuate the positive and throw away the negative. Let all of us choose to be positive, and let each one of us choose to be the best "me" that we can be. Let's wake up each morning with a smile on our face and gratitude in our heart that we have another day vertical and above the sod. Be thankful to have been given another chance to care for and serve each other – our family, friends, associates and neighbors.

Please consider joining or forming a Neighborhood Watch to increase your and your neighbors' safety and security. For more information, contact Kathy Cassell, crime specialist, Las Vegas Metropolitan Police Department, 702-828-4305.

Snowbird Pre-flight Checklist

Before you head out for the summer, take a few steps to safeguard your home while you're away.

- Check all doors, including the garage, and ensure all latches are fully closed.
- Close all blinds and other window treatments.
- Turn off the power to the garage door opener.
- Turn off water valve to the clothes washer. (You may want to consider shutting off the main water supply to the interior of your home, as well).
- Turn water heater setting to low or "pilot" and turn cold water inlet off.

Bill Henriod,
Security Patrol
Chief

- Stop daily newspaper delivery, or have a neighbor pick up and hold for your return.
- Inform your neighbors if others are expected to be in the house during your absence (cleaning personnel, relatives, real estate agents).
- Consider installing timers for lights to turn on at dusk and off at your normal bedtime. Timers for the TV and radios also should be considered.
- If you have a grass yard, arrange to have the lawn cut while you are away.
- If you will be gone for several months, consider arranging for landscape trimming.

In one month, Security Patrol volunteers alerted residents to 255 garage doors that had been left open after dark. They did 406 house checks and investigated 45 flashing emergency lights. The Information Centers at community entrances gave directions and guidance to 248 visitors. During their 24-hour shift, Patrol drivers logged 14,837 miles patrolling Sun City's streets.

"LOVE LETTERS" **BY A. R. GURNEY**

Sunday, July 24, 2 p.m. · \$20

Maggie Peterson and Ronnie Schell bring their prodigious talents to "Love Letters," a play by A.R. Gurney, a finalist for the Pulitzer Prize for Drama. Andrew Makepeace Ladd III and Melissa Gardner, both born to wealth and position, are childhood friends whose lifelong correspondence begins with birthday party thank you notes and summer camp postcards. Romantically attached, they continue to exchange letters through the boarding school and college years, where Andy goes on to excel at Yale and law school, while Melissa flunks out of a series of good schools. Andy's last letter, written to her mother after Melissa's untimely death, makes it eloquently clear how much they really meant to each other over the years, physically apart, perhaps, but spiritually as close as only true lovers can be. Maggie is best known for playing Charlene Darling on "The Andy Griffith Show," and appearing in "Love American Style," "Green Acres," "Gomer Pyle USMC" and "The Odd Couple." Ronnie is an actor, stand-up comedian and cartoon voice actor (Peter Puck). He also appeared on "You Bet Your Life," "Gomer Pyle USMC," "The Andy Griffith Show," "The Golden Girls," "The Brian Keith Show," "Charlie's Angels" and "Hogan's Heroes."

"DUETS . . . THE GREATEST DUETS OF ALL TIME"

Saturday, August 27, 7 p.m. · \$20

One big name on a red-hot hit is great, but sometimes two superstar voices come together in an inspired pairing that is truly special. More than 50 years of Hot 100 hits single out the biggest songs by two singers to ever hit the charts. With a superb cast of eight performers from the Las Vegas Strip and hits from the pop and country charts, Mistinguett Productions presents the beloved duets by such singers as Donna Summer and Neil Diamond, Diana Ross and Lionel Richie, Elton John and Kiki Dee, Dolly Parton and Kenny Rogers, and Roberta Flack and Donny Hathaway. Songs include "No More Tears," "Islands In the Stream," "You Don't Bring Me Flowers," "Time of My Life," "How Do You Keep the Music Playing" and so many more. Crossing over to our favorite Broadway show duets, as well as some "Popera" pieces, you will enjoy a little Judy Garland and Barbra Streisand with a medley of "Get Happy," "Summer Nights" "All I Ask of You" and other favorites. Top it all off with Andrea Bocelli and Celine Dion's "The Prayer." Truly an evening of fabulous music and singers.

It will be made to provide additional shows if possible. Tickets may be purchased online at www.scscai.com, prices include Live Entertainment Tax. Tickets are non-refundable. Purchases may be made (subject to change required). For information on Starbright Theatre shows, call 240-1301.

"OH, WHAT A NIGHT!"

A MUSICAL TRIBUTE
TO **FRANKIE VALLI &
THE FOUR SEASONS**

Friday, August 19, 7 p.m.

Saturday, August 20, 7 p.m. · \$20

From the creators of the recently sold out show "Four By Four," Michael Chapman and Chapquist Entertainment present the long-awaited return of the smash hit show "Oh, What A Night! A Musical Tribute to Frankie Valli & The Four Seasons." This exciting musical revue once again teams the award-winning producer/director Michael Chapman with Motown producer George Solomon and choreographer Paul Holmquist. "Sherry," "Big Girls Don't Cry," "Walk Like A Man" and "Can't Take My Eyes Off You" are just a few of the many hits you'll enjoy from the dynamic songbook of those boys from Jersey. Great choreography, boundless energy, humor and, of course, instantly recognizable classic pop songs will make this, "Oh, What A Night!"

HOOTENANNY

**HICKORY WIND PERFORMS
"A GOOD OLD FASHIONED
HOOTENANNY!"**

Wednesday, August 31, 7 p.m. · \$12

When is the last time you went to a good old fashioned hootenanny? A place where you could hear those great folk songs you sang along with back in the day. Hickory Wind brings those feel-good songs back to life for your enjoyment with a sound inspired by Peter, Paul and Mary, The Kingston Trio and New Christy Minstrels. If you have never been to a hootenanny, the experience will give you a feeling of the music that shaped our culture and reflected the times back in the 1960s, and '70s. Don't pass up a chance at some real history in folk music. Break out the tie-dye, love beads and granny glasses. Peace and love!

CLUB SPOTLIGHT: Quilt Club Stitching a Lesson Into a Work of Art

Like everything else on the planet, quilts have a history. And it is that story that former Club President Lin Stahlhut aims to share with residents when the Quilt Club moves into the display windows at Mountain Shadows this month.

"Did you know that a yellow box sewn into a quilt pattern during the Civil War was linked to the Underground Railroad?" Lin said. An example of a fabric block displaying a similar yellow symbol will be on display, as will a quilt made in 1899. Other quilts will illustrate the evolution of colors, fabrics, themes and sewing techniques over the centuries.

The **piece de resistance** of the Mountain Shadows display, however, will be the annual raffle quilt the Club aims to award at this year's Arts & Crafts Fair on October 1. "The king-size quilt is a monster of a beauty," said Club President Theresa Cooper. "The quilt was donated to us and it's beautiful, showing images of Japanese lanterns in reds, blues and shimmering white." Tickets for the raffle quilt are on sale now and may be purchased at the Quilt Room at the Pinnacle, or from any Quilt Club member. Tickets are \$1 each or 6 for \$5.

For those who love quilted items, the Club has other items for sale, including baby bibs and sun hats, placemats, quilt sets, luggage holders, steering wheel covers, microwave bowl holders, children's closet organizers and more at its Pinnacle studio. In addition to creating sellable works, members gather weekly to participate in charity workshops, where items are donated to several community organizations.

If you're interested in the Quilt Club, think about attending the general meeting on July 11, 9:15 a.m., Desert Vista. Programs usually feature a speaker, show-and-tell and refreshments. Dues are \$20 a year. As with any club, residents may attend for free for the first two sessions before deciding to join.

Top, Club President Theresa Cooper points out a historic feature on a quilt to club members Darlene Vaturi, center, and Lin Stahlhut. Center, a yellow box sewn into a quilt during the Civil War era heralded a household sympathetic to the Underground Railroad. Bottom, a quilt crafted in 1899 is part of the club's display at Mountain Shadows this month.

(The deadline for August 2016 chartered club articles is Wednesday, July 1. If you have any questions, call Jeannette Carrillo, 966-1436, or email jeannettec@suncitylv.com.)

We invite you to join us for the July meeting, which will be held on July 14, Sun Shadows, 2 p.m. This month we are reading the classic, "The House of Mirth" by Edith Wharton, who became the first woman to receive the Pulitzer Prize for literature. The New York Times

called this work "A novel of remarkable power." and established Wharton as a major American writer. The book is a brilliant portrayal of human frailty and nobility, and a bitter attack on false social values. It should be a lively discussion. Sun City residents and their guests are welcome. CLUB SPOTLIGHT: Guys and Gals Golf Club Monthly Outings Pair Pleasure With Precision

"Golf combines two favorite American pastimes; taking long walks and hitting things with a stick."

-P.J. O'Rourke (journalist and author)

Arnold Palmer described golf this way, "Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening – and it is without a doubt the greatest game mankind has ever invented."

One Sunday a month, a large group of couples gathers to play golf at one of the three courses in our community. The Guys and Gals Golf Club, 150 members strong, gets together to enjoy this game that has been around in some form since the days of Julius Caesar.

Amos Barcus, the Club's current president, describes the game as exciting, relaxing and aggravating. Barcus has been "trying to do this sport for 30 years." He says part of the appeal is that anyone's success is solely dependent on himself or herself. "The intent of the Club is to have fun. It's a nice social thing."

Wesley Sheffield plays couples golf "because of the ladies." He has been playing golf for about 30 years, and has been a member of the Club for three years. He says that he would not have an opportunity to golf with women if it weren't for the Guys and Gals Golf Club. Sheffield says that women tend to get a bad rap around the course and that some widely held stereotypes about lady golfers are simply not true.

GottaGoGolf Magazine in the article, "4 Reasons Why I Like Playing Golf with Women" states that golfing with women provides a better social environment on the course and that although women average a few more shots per round than men, they seem to move faster on the course.

If you are interested in joining Guys & Gals Golf, contact Amos Barcus, 463-1046, or Aggie Zinn 478-9503.

~ By Beth Nappe/Photos by Jeannette Carrillo/Link

Above: It's all fun and games until someone snaps their club. But seriously, according to Guys and Gals Club president Amos Barcus, members have a lot of fun while finding a challenging day of golf during the Club's monthly tournaments. CLUB SPOTLIGHT: Men's Niners Group Slices Playing Time of Golf in Half

Sun City Summerlin was formed in 1989. Our community was designed as a golf community, with three golf courses in the master plan and golf-cart-permissible streets. In 1994, the desire for an alternative to playing a full 18 holes of golf and the time necessary to do so resulted in the formation of the Men's Niners Golf Club.

The current president of the Niners, Lynn Grotewold, said there are more than 100 members of the Niners. Lynn added that the Club likes to grow by attracting the casual golfer, who doesn't currently belong to an organized club. The Niners also offers an alternative to former members of the Men's 18-Holers Golf Club who want to continue golfing, but in a slightly more relaxed atmosphere. The Club has a diverse membership, with members ranging in age from 55 to 95, who span a wide range of golfing ability.

The Club meets every Thursday morning at one of the three Sun City golf courses. Play is rotated among the three courses and tournament formats vary to include individual scores, best ball and scrambles. At home, the Club hosts two special events a year – the spring and fall invitationals. Each includes a picnic; members are encouraged to bring guests. In addition, the Niners organizes two tournaments at other courses in and around Las Vegas that may include an overnight stay. A highlight of the year is the annual holiday party, which is held at the Suncoast.

Members of the Men's Niners say they enjoy the more relaxed atmosphere of playing nine holes every Thursday morning in Sun City.

For more information on the Men's Niners, call Lynn Grotewold, 675-4699, or visit the Club's website, www.scsniners.com.

Golf (Men's) 18 Hole

We are well into summer and the heat is with us. Our 7 a.m. start time will be a help keeping the heat off of us for most of the round. Our special event for July will be red, white and blue 7 a.m. start at Highland Falls on July 5. The golf courses are looking good, and we are asking each member to rake the bunkers, fill the divots and repair ball marks. Let's be proud of our courses. Golf (Men's) Niners

No matter if you are a hacker or an experienced player, if you feel that four-plus hours of the day dedicated to golf is just too much, then this is the club for you. The

Niners have weekly tournaments alternating among our three great Sun City golf courses. You will be teamed with players of similar abilities, and it is a great way to meet new golfing friends. We play 9 holes when we play Palm Valley or Highland Falls and alternate between 9- and 18-hole scrambles during our monthly visits to Eagle Crest. If you are interested in sharing in the fun, please visit us at www.scsniners.com, or contact our Membership Chairman Vin Richards, 233-2618.

Residents' Forum

The Resident's Forum is an organization that all residents belong to. Its mission is to bring programs of interest and fun to residents. If you have any questions or ideas for future programs come to the planning meetings every 1st Wednesday, 1 p.m. at the Pinnacle. This month, residents will be entertained by the Doo-Wop group Richie D and the Hi-Lites and, of course, it is free. Doors open at 6:45 p.m. on July 13, Desert Vista. Any questions? Please call Glenda Rogers, president, 255-7755.

R.V.

Our club will be on summer break this month, which means that most of our members will be out of town visiting friends and family living in cooler climates. Our

regular monthly meeting will resume on September 12, 7 p.m., Desert Vista. Please mark your calendar and come visit us then and have some cookies and coffee during informative conversations. For additional information, contact our president, Dave Stahlhut, 592-0581.

Sawdusters

It's time to get off that couch and join in the fun making things out of wood. We are open seven days a week from 8 a.m. to 5 p.m. All members must go through a safety class

before using any of the club's tools. Some items are for sale and are located in the shop window. A reminder to all who use the table saws: You must wear safety glasses and must have two people in room when you are working. We do repairs for Sun City residents. For information, call Bev Pasco, 838-2621, or at the Wood Shop, 240-1325.

Security Patrol

Security Patrol is a community organization of resident volunteers who dedicate themselves to making Sun City a safe place to live. They are all about neighbors helping neighbors. We welcome new volunteers for positions including drivers, dispatchers and information center officers. For more information, please contact us at 254-2303 any time; someone is always there to help you. Our monthly general meeting is on Tuesday, July 26, 7 p.m.

No monthly meeting in July or August, but Thursday workshops will continue as usual from 9 a.m. to noonish. Come join us for fellowship and fun sewing. If you have a favorite little girl who has an American Girl doll, you need to come see the beautiful handmade outfits for sale in our room at Mountain Shadows. Please call Linda Habel for more information, 228-6898.

Shuffleboard

The Club is always open to new members. No experience is necessary. Equipment and a short coaching session is provided at the beginning of play to acquaint

Welcome to our club. We are located at the Mountain Shadows Community Center, in the craft wing. We are open seven days a week, from 8 a.m. to 9 p.m. This is a picture of one of our members who is also our vice president, Walter Medla. His latest project is the "Walt Disney Castle." Come over and see his and

other projects displayed in our show window at the studio. We welcome you also to come and see our members hard at work on their projects. Also in the main part of the community center, by the library, is a display case. Many of our members' work will be displayed there during the month of August. Perhaps this will stimulate you to join our club and display your work for others to see. For information, call our president, Sam Policicchio, 704-4492.

Sun City Summerlin Charities

Charities provides residents who are unable to drive with transportation to medical appointments,

shopping and other personal services. We also perform handyman services such as replacing light bulbs, smoke alarm batteries and furnace filters, as well as repair cabinet hinges and drawer glides. We currently need more volunteer drivers to meet a heavy demand for transportation services. If you are interested in helping your fellow residents maintain an independent lifestyle, please call us at 254-5831 or stop by our office adjacent to the Desert Vista picnic area. We're open Monday to Friday, 8:30-11 a.m.

Sunshine Service

We loan canes, walkers, wheelchairs and other medical equipment, as well as car seats, high chairs, strollers and mattresses to Sun City residents with a valid Association ID. We also collect aluminum tabs, Campbell's soup labels and food donations to be distributed to charity. Help us fill Salvation Army food barrels with non-perishable food items. The barrels are located at our warehouse and in the lobby of Mountain Shadows. Our equipment warehouse is located at Desert Vista, to the right of Security Patrol. We are open Monday to Saturday, 9-11 a.m. Our general meetings are open to prospective members and guests and are held the first Monday of the month. There will be no meeting in July. Our warehouse will be closed on July 4. We enjoyed our annual club picnic on June 6 at the Desert Vista picnic area. If you have any questions, please call 341-9741.
