PRESIDENT'S MESSAGE

Well summer is almost here, and our pools are filled with residents keeping cool and socializing. I have had the opportunity recently to visit some of our pools and talk with some of our residents using those pools. I am convinced that their attendance at the pools daily has had a positive impact on their lives. They meet, talk, and walk and that has been such a positive for so many of them. I have said it before and will say it again now, Your Board is gratified when we see and hear about residents using our facilities.

The garage sales are behind us. Except for the rain and wind of the first day everyone seemed quite pleased with the format and the results. Even the wind on the other days could not deter the community from shopping and/or selling. I want to thank the Security Patrol for their extra efforts during the garage sale. The Chief and Assistant Chief created a program that they named, "operation swarm". Basically, all five patrol cars were out during the peak hours of the garage sale every day. In addition, for the last two days of the garage sale we had between 20-30 Security Patrol member volunteers put placards in their windows and not only drive around the community during those peak hours but stopped to interact with as many residents as possible who were selling. The patrol members were in uniform and drove either their personal cars or golf carts. *Thank you, Security Patrol.*

While on the subject of Security Patrol. You may have noticed several volunteers driving around the community at dusk. They are looking for homes whose address lights are not working or are so dim as to be ineffective. The patrol members are leaving contact information for the residents as to how and who would be able to help them rectify this situation. Security comes in many forms. This is just one more step in protecting our community.

I attended two Future Planning Committee meetings in the last month. The committee has gathered all the data to be used in finalizing a report. The committee will provide data and comments to the Board but will not make any decisions on what should be done in the future for our community. It is the purpose and goal of the committee to get others talking about where the community should be going in the next three to five years. Cost will be a major factor to be considered on some of the "wants" of the residents. Drafts of the several sections of the report are done and being finalized. The committee wants to thank the nearly 100 new residents and nearly 500 existing residents who have provided comments and suggestions. The committee will address as many as possible but frankly some are either too expensive or not practical. The goal of the committee is to have a document to the Board by the end of June. The primary purpose of getting the conversation started and providing the initial "talking points" identified will mean that the committee fulfilled its assignment.

Be safe. Stay healthy and be kind to each other.

“As I See It . . . ”

From My Collection of "Life Changing Thoughts"

By Alan G. Spector /Link

At her 95th birthday party, my sweet, quiet mannered aunt said "Getting old is good and bad." 1) The good: You can say any damn thing you want!! 2) The bad: Most of my friends are gone!" That might be true, but I would add another very important thing about getting older. You are wiser and know more about life!

So, here are some "Life Changing Thoughts" I have collected over the years. I sure would love to hear yours, 'cause I know for a fact, there is a lot of wisdom out there!! Why not pass on some of the insightful, wise, and thoughtful things

you have learned over the years. I am going to share some of mine and hope you will send yours to me at scsspirit@gmail.com

1. "In your mess, is your message." Even when things seem really bad, or when we have made a poor choice, or when things seem totally out of control, we can ask ourselves What is the message here? What am I supposed to learn from this? What good could possibly come from this?
2. "Enjoy your moment." We get up in the morning and grab that coffee. BUT, did we really enjoy it? We can remember

that the past is done with, the future has not arrived yet, BUT "the present is a present," a gift. We can stop and acknowledge and appreciate the moments of our lives . . . each moment.

3. "Everyone has their own world . . . and everyone must do their own work in their world." If we are fortunate, we have family and friends around us to support, comfort, and assist us, **but** at the end of the day, **we** must do our own work . . . take responsibility for our own lives, and get and give the most we can in our lives.
4. "You should do it when it is easy, and you should **especially** do it when it is not!" Most people are pretty good at doing the right thing when it is easy and doesn't involve much risk or expense. **but**, we really show our metal when we do the right thing when it is difficult, risky, and involves some costs.
5. "The universe never gives us more than we can handle." This is a tough one. In the face of horrific sadness and incredible loss and great fears, there are times when we

are positive that we will break and get lost. Still, if we breathe and open ourselves to life, we will see that we are very able to weather the furious storm, overcome the huge challenge, and make it into the sunshine on the other side. We can survive and we can grow . . . we can create our own future.

So send in **your** "life changing thoughts". We will be eager to hear your thoughts, and maybe we can share some of them in this column. It is very possible that your sharing might change someone else's life also. How wonderful would that be? See . . . **another life changing thought!!**

Long-time Residents: Lynn Kasner-Morgan & Bob Dorsey

New Year's Eve 2017 was a very good day. For on that day, Lynn Kasner-Morgan and Bob Dorsey met at a friend's New Year's Eve party here in Sun City. Lynn is from New York City and Northern New Jersey and Bob from Alamosa, Colorado; Lynn is a second generation Sun City residents and Bob a third generation resident. Bob has lived in Las Vegas since attending college at UNLV and Lynn first started visiting Las Vegas when her brother started graduate school at UNLV in 1977. Lynn is a widow and Bob is divorced. Both feel fortunate to have found each other and share many common interests; among other things, they are avid readers of history, biography and current events.

Bob's Mom, Jackie Conville, moved to Sun City during the first phase of building and still resides here. Bob's grandparents moved to Sun City to be closer to their daughter and were original owners in the second phase of development; both his grandfather and grandmother were living in Sun City when they passed away. Lynn's parents first bought a small home in Sun City and moved to the home Lynn currently occupies in 1996; she bought it in 2015 when her Mom, Mickey Kasner, moved to Las Ventanas (4.2 miles away). Lynn's Dad was an avid golfer which was one of the attractions of her parents moving to Sun City. Lynn became a full-time Nevada resident in 2020 after 5 years of being a snowbird. Lynn retired after 30 plus years at Mount Sinai Medical Center in New York where she was Vice President for Technology, Associate Dean for Information Resources and Systems and Associate Professor of

Medical Education. Bob is a master woodworker and has his own business which he still runs.

Sun City is a wonderful place to live and both Lynn and Bob take advantage of the many clubs and activities that are available to residents. Although COVID-19 slowed things down somewhat, Zoom business and club opportunities have kept them both engaged in the community. And with things reopening, it has been back to the many events at the Summit including Blues, Comedy, Cabaret and Musical Theater evenings as well as Starbright Theatre programs. Subscriptions to the Broadway series and the Las Vegas Philharmonic at the Smith Center are special treats and a favorite event among the many is the monthly Composer's Showcase which highlights original musical talent in Las Vegas. Lynn also Chaired the SCSCAI Election Committee for the past three years and is on both the IT and CCOC committees.

Lynn and Bob share a cabin in Southern Colorado that has been in Bob's family since the early 1950's and which is a gathering place for Bob's son and his family. With so many people having family scattered throughout the Country, Bob and Lynn are fortunate to have so much family nearby. In addition to both Moms and Lynn's brother in Henderson, Bob's son and step-daughter both live in Las Vegas along with their 7 children. It is a joy to have lots of family time.

Bob and Lynn anticipate many more years in Sun City and spending time together, with the many friends they have made and partaking of the wonderful programs offered within the community.

"Michael Monge
Encore to Encore"

Sunday, July 3, 3 p.m., • \$25

Experience a memorable evening enjoying Michael's band and his charismatic performances of songs by music icons like Frank Sinatra, Tony Bennett, Dean Martin, and Engelbert Humperdinck. Marinate a voice box in fine wine, wrap it in silk and install it in Michael Monge . . . actually, don't bother. Nature already did. Smooth and swingin', this ex-Bronx car-repair-shop owner's Vegas-style Cinder-fella story—plucked from Nowhere Ville when Steve Wynn caught his set at a Florida restaurant and recruited him posthaste—only deepens appreciation of his talents. Whether he's belting Sinatra-style on "The Lady Is a Tramp" or lending his own chic interpretation to a Billy Joel or John Legend signature tune, Monge is a boomerang back to old-school class—it's in his sound, in his style, in his presence.

LIGHTNING STRIKING AGAIN

I don't know about you, but my mother was very protective of her children when it came to lightning. As a storm approached, she'd say "Don't use the telephone, don't go near water, don't stand by a window, no TV!" So I grew up with "an abundance of caution" when it came to lightning. But recently I decided to separate fact from fiction, feeling sure that most of my mother's "Dont's" would be fiction.

To research the "facts," I went to the Center for Disease Control, National Center for Environmental Health, and to my surprise, much of my mother's warnings were correct! Here's what the website says:

Their motto is: "When Thunder Roars, Go Indoors!"

The website offers some interesting examples of caution: The weather forecast indicates a slight chance of thunderstorms and all you see when you look out are some white fluffy clouds, so you and friends go off to

the pool, tennis court, or whatever outside activity, and suddenly you hear thunder.

What do you do, asks the National Center for Environmental Health? Keep swimming or playing until the thunder and lightning get closer, go sit on a metal bench under the trees to see what happens or get in your car and drive home?

The correct answer is that if no substantial, non-concrete shelter is nearby, get in your car and wait out the storm.

The site goes on to explain, "Why? Because being outside when lightning is present is not something to take lightly - ever."

The article reports that lightning most often strikes people who work outside or engage in outdoor recreational activities. If you are caught in an open area, here are some of the things you can do:

- Get down from elevated areas, such as hills or mountain peaks.
- Never lie flat on the ground, crouch down in a ball-like position with your head tucked and hands over your ears.
- Immediately get out of and away from pools, ponds, lakes and other bodies of water.
- Stay away from objects that conduct electricity and concrete floors/walls.

As far as my mother's advice about being indoors and taking safety precautions, the website says that about one-third of lightning strike injuries occur indoors:

- Avoid contact with water; do NOT bathe, shower, wash dishes; lightning can travel through plumbing.
- Avoid electronic equipment of all types.
- Avoid corded phones, they are not safe. Cellular phones are safe to use in a storm.

My mother always said "Better to be safe than sorry." Oh my gosh! Mom was right!

"God only exhibits his thunder and lightning at intervals, and so they always command attention."

- Mark Twain.

HEALTH & FITNESS

June is Alzheimer's & Brain Awareness Month

Support is in the Neighborhood

"You cry, we cry with you. You laugh, we laugh with you", says Marlene Wilson, facilitator for the Alzheimer's caregiver support group that meets the first and third Wednesday at 10 a.m. in room 3 at the Desert Vista Community Center. Marlene has lived in Sun City Summerlin since 1992, a retired special education teacher from California. Her husband served in Korea and Vietnam and lived with Alzheimer's for 8 years. Marlene began attending the support group and 13 years ago became a certified facilitator of the group. She wants Sun City Summerlin residents to know that if you have a family member with Alzheimer's that you are not alone, and you'll find answers and comfort within this group. Please contact her with any questions at 702-254-6144 or mwil2920@gmail.com.

Ellen Quiroz is the co-facilitator with Marlene Wilson for the Desert Southwest Chapter of the Alzheimer's Caregiver Support Group that meets at Desert Vista. She has lived in Sun City for eight years and in Summerlin for 28 years. Ellen joined in 2003 when her husband was diagnosed with Alzheimer's by the VA. Marlene was already a member of the group. Ellen learned that this disease is called the "Long Goodbye"! You say goodbye to your spouse or loved one long before they are physically gone as they stop recognizing who you are and even what the relationship is with them. After her husband passed away in 2013, Ellen attended training and classes and became sanctioned by the Alzheimer's Association in 2014 as a facilitator. She realized she had so much information and compassion to share with others. Ellen is very passionate about this support group and is thankful that she can help others navigate through their personal journeys with this devastating disease.

Paula Anderson moved to Sun City Summerlin in 2018 and began volunteering for Lou Ruvo Brain Center. During COVID-19, she secured a position to facilitate a peer-lead zoom support group which is open to anyone to join. Her father was diagnosed with cardio-vascular dementia in 2000, and in 2007, she founded the Dementia Connection of Havasu which provides education and support to the population in Havasu and surrounding areas. "Education and supporting the community is of interest to me. I'm available to speak at meetings. It is not a "pretty" subject, but "knowledge is power". Paula can be reached at 928-412-2134 or founderdch@gmail.com.

Pam Shields, former Director of Fitness here at Sun City Summerlin paved the way for Brain Health education by offering a workshop for Sun City Summerlin residents, called, "Use It or Lose It" which is also the title of her book. Pam lost her mother to Alzheimer's in August 2020. She has passed the torch to me, and I will continue to highlight brain health, Dementia and Alzheimer education in programming for the community.

I'd like to thank these extraordinary women for their commitment to education, support, and service. Please join me this month by participating in the Go Purple in June to raise awareness of Alzheimer's disease. Wear purple and show your support to help end the Alzheimer's epidemic.

Pool Etiquette

It is important to follow a few simple rules for everyone's safety and enjoyment. Each fitness center has facility rules printed at the Fitness Monitor station.

- On-site showering before entering pool is required by the Health District.
- Food and drink are allowed only at the outdoor pools and must be kept at least 4 feet away from water.
- Bottled water is allowed in any pool area. Glass containers, alcohol, and gum are prohibited.
- Children must be 42" tall without shoes.

** Per Southern Nevada Health District, due to stricter regulations in regards to the sizes of pools and/or gallons of water they hold, the Mountain Shadows Outdoor Pool is required to have dedicated supervision in the pool area during operating hours. We had hoped we could get a waiver on this due to our demographics and the depth of the pool, and while they waived the requirement for us to have lifeguards in the area, we recently learned they are going to require us to have a Monitor stationed in the pool area during the hours the pool is open. We currently have coverage at Mountain Shadows from 6 a.m.-6 p.m. Once fully staffed, operating hours will return to 6 a.m.-9 p.m. Mountain Shadows is the only pool impacted by this regulation.*

**Brittney Senko – Office Manager/
Marketing coordinator**

20-year employee (11/12/02)

Unlike Jim and Donny, I didn't take this job because I loved golf. I don't play. I took this job because I was 24 and needed to pay my rent. I never intended to stay in Sun City for long, but what I found here is more than a paycheck, it is a family. I absolutely love the people I work with, and I love what I do. Over the last 20 years I have learned so much about the game of golf and how fun, frustrating, and rewarding it can be, just like my job. I have built a strong connection with the golf team, and I enjoy my role here. My work plays to my strengths and allows me to have a positive impact on the organization. I can honestly say that I hope to be here another 20 years, surrounded by this team that loves what we do.

Why Do We Stay?

**Donny Long – Director of Golf
20-Year employee (7/3/02)**

I started my work career here in Sun City Summerlin when I was a teenager, working in the cart barn. I have fond memories of late afternoon rounds with Jim Neighbors, Shane Sanchez, Billy O'Connor, and Mike Gehner. I am lucky to not only call these guys colleagues but call them friends. I left Sun City for a few years but returned in 2002 and began working at Palm Valley as a Shop Attendant. I became a Class A PGA Professional in 2005 and was promoted to Head Professional/Tournament Director and eventually landed in my current position. It is a privilege to be a part of Sun City Summerlin, I love working with the membership, residents, and staff.

**Jim Neighbors – Head Professional/Merchandiser
30-year employee
(12/10/92)**

My dad loved to play golf and passed his love onto me. I started working in Sun City Summerlin in 1992 as an Assistant Golf Professional and eventually helped to open both Highland Falls and Eagle Crest, working in a trailer while the Pinnacle was completed. Following my passion for golf and teaching, I became a Class A PGA Professional in November 1997 and haven't looked back. I've seen lots of changes over my 30 years here, I've raised a family and now have grandchildren of my own. I stay here in Sun City because I am surrounded by a membership and staff that is family and that's all anyone can really ask for.

Longtime Sun City Summerlin Golf Staff – Donny Long, Jim Neighbors & Brittney Senko.

FOR MY DAD

"Dear Daddy, now I'm seventeen, grown up in many ways" – I wrote that many years ago, to my Dad, for Father's Day. Back then, I was his little girl, though I thought I was more grown. when it seemed to be forever till I'd be grown, no longer 'home'. It's funny when we're at that age with our future so obscure – somehow we thought we knew it all – of that we were so sure! The night prayer that he taught me asked "my soul the Lord to keep," then he'd whistle Irish lullabies that would help me fall asleep. Ah yes – when I was seventeen, with my hopes and dreams ahead how my life had turned out differently, and the direction that it lead. He knew more than I thought he did, and it seems that I knew less and there were times, throughout the years, my life became a mess! I would have given anything to have my 'Daddy's lap' just one more time when needed, to get comfort from my "Pap' –

to once more just feel safe again, and to let him know I see how very much I miss him and just what he meant to me. . . . to say how I miss him, when he tucked me in at night, to know, somehow tomorrow, he'd make things turn out right! I thought my Dad, no matter what, could just fix every wrong – through him I found my inner self, and on my own, I could be strong! Those days are gone forever, and as old as I've become – my Dad is still my hero – and will always be the one who made me who I am today, having raised me on his own – and though he's gone now many years, I have days I feel alone. So, if there is a heaven, and somehow my prayers are heard – I want to send a message, and hope my 'Daddy' gets the word... that I know he's watching over me, and perhaps I won't feel sad if I think of him in heaven, beside God, and see my Dad!

'Twas The Night Before Christmas

By Stu Gershon/Link

'Twas the night after Christmas, and as usual I was up. As I passed the bathroom, (TMI: my wife's bathroom seat is down) I heard water rushing, looked inside, and saw the water gushing. From inside the bathroom, the water was covering the floor with 2 to 3 inches of water throughout most of the house.

I woke my wife, and we went outside. We dialed 911 for the Fire Department. Unfortunately, the Fire Department did not know how to turn off the water to the house. However, they came within 15 minutes, and they brought huge "squeegees" to push the water out of the house. We also called my neighbor because he knew how to turn off the water in the house. Then the mitigation and restoration service arrived with giant fans and dehumidifiers and put them all over the house.

Two days later, the restoration service suggested we evacuate the house because of awful smells and mold was growing. The insurance company had a service to find us a hotel, but they failed because this was just before New Year's Eve and CES would be at the Convention Center, which usually draws about 150,000 visitors to our city.

We were told this might be up to a 3-month stay. We ended up finding a long-term "suite" hotel that had units with more than one room. We found one near the airport and we were very comfortable for 68 days!

We are writing this article to inform our residents that this could happen to anyone. We were mostly prepared because I keep all my medications in large clear plastic shoe boxes. We also were given many cardboard boxes to pack clothes and other things we might need. My wife also packed many important documents and papers which we also needed.

The restoration company took a little over two months. They had to replace the bottom three feet of most walls as well as rip up the carpeting and the tiling throughout the whole house. Most of the furniture had to be removed and stored in a special warehouse. Some furniture was even given to the "Furniture Medic" to repair and restore the bottom 3 to 4 inches. Most of the rooms were either partially or completely painted. The house was completely dried out and then all new flooring, both carpet and vinyl "wood" flooring, was installed. We chose both the new carpeting and other flooring ourselves. In addition, all new baseboards were installed.

Our home now looks like a brand new house and our warning is *be prepared for anything*. Also, make sure that you have *enough home insurance* to cover an emergency like this!

SECURITY PATROL

This Is a Dog Story. The Story of A Good Dog.

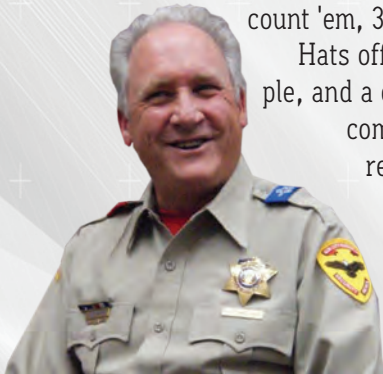

Sunday afternoon we got a call at Base that a lost dog was lying in the bike lane of Lake Mead, heading up to the 215. The caller said it was causing a traffic jam. The Watch Commander went there and protected the scene with a car with a light bar flashing.

So how did the dog get here? Who knew? We called the Pet Officers who retrieved the animal. By this time, he seemed to be used to the friendly people. He agreed to get out of the street and into a car.

The Pet Officers used our chip reader to find the name of the owner . . . who no longer owned the dog. What to do, what to do.

The dog info was put on various social media sites. And we got a hit. The dog's real, current owner called and claimed his pet.

Now, how did the dog get here? We'll never really know. But we do know his journey on foot began at Lake Mead. Not the paved street. Lake Mead. The one with water! This poor animal walked, according to my GPS, over 30 miles from the Lake Mead RV Park to get here. 30 - count 'em, 30 - miles!

Alan Lebarts, Chief
Security Patrol

Hats off to the Sun City resident couple, and a couple from a neighboring community, who made the initial rescue of the dog. And hats off to Security Patrol, especially our Pet Officers, who are experienced in reuniting residents (and others) with their animal companions.

Our American Flag

It can be an overwhelming feeling when the stars and stripes march by in a parade, or when our flag is raised before a sporting event, or when it covers the casket of one of our American heroes. There should be a special sensation when those beautiful colors are flying in a blue sky. Military members and their families know what has been put at risk when that person donned the uniform of our great nation.

June is the month when our flag is celebrated with the fourteenth being the specific day it is honored. It is the month to speak these words, "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all," and take a moment to deliberate what they mean to you.

Sun City Security Patrol has a tradition of helping folks dispose of their once proud flags which have become tattered and worn, not good enough to continue representing our country. The preferred method is by burning the flag. Our neighbors in Sun City may bring their retired flags to the Security Patrol Office in Desert Vista parking area. To assure that the dignity of the event is preserved, Boy Scout Troop 912 assists in the Ceremonial Disposal along with Patrol Members. The young people feel the respect given these distinctive reminders of patriotism, once an important family or group emblem.

This program will continue as one of the Scouts is in the process of constructing eye-catching flag disposal boxes for his Eagle Scout project. They will be distributed over the Las Vegas valley. Sun City is to be one of the recipients.

As we enter the upcoming national holidays; Memorial Day, Flag Day, and the Fourth of July, look around proudly, at all the red, white and blue symbols of our magnificent United States of America.

Darlene Vaughan,
Security Patrol

COMMUNITY STANDARDS

Exterior Residential Lighting

Security professionals tend to prefer flood-type lighting that lights up broader areas, rather than concentrated beams that are said to decrease the deterrence-effect. Professionals encourage placing lighting closer to rooflines to make them more secure from tampering and to broaden the light-flooding effects on the ground. Some security professionals also prefer

"motion detector" lights, which tend to provide a "surprise effect" and may be more likely to drive would-be thieves away.

While we do not recommend any particular system or lighting fixture, we suggest that the placement of exterior security and other lighting on your home should be done with some forethought and consideration of the above points.

There are a great number of lighting options available, and it is important to choose what is best for your application. Security lights can be expensive. Their selection deserves your time and attention if they are to provide maximum benefits and minimize surround neighbor issues.

Landscape And Miscellaneous Exterior Lighting

We bring to your attention the following from page 9, Lighting – sections e. and f. in the Sun City Development Standards manual.

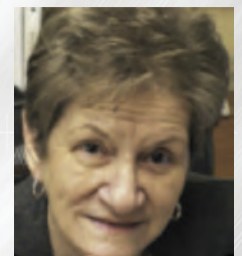

e: "Clear garden/landscape lights, including regular and

solar powered lights, are permitted in landscaped yard areas. Spotlights are acceptable, providing they do not intrude on surrounding property, common areas or street. Hard wired systems must have cables buried."

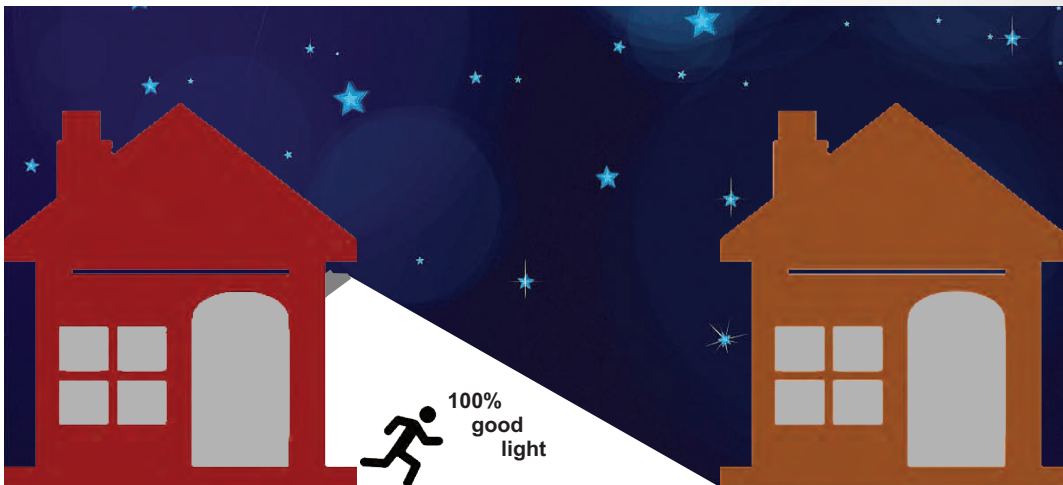

f: "Decorative miniature clear lights may be permanently installed on trees, shrubs, front and back patios."

Temporary colored Holiday lights are permissible as long as they adhere to the Association's install and take-down dates.

Regardless of use, the placement and installation of lighting on the outside of your home must follow the Standards and they require pre-approval from the Community Standards office. Applications are available on-line or at the Standards office located in the Mountain Shadows Community Center building.

*Barbara Davidson,
Director, Community Standards*

Given the need to improve the security of our homes, we have a myriad of new and improved lighting options to select from. Many of the newer lights are LED-based and give off much more light – as well as brightness and glare – than the standard older floodlights.

While we welcome the enhanced security these lights provide, we are also aware that, if these brighter lights are not properly aimed, they can become intrusive and offensive to surrounding neighbors, walkers and, even drivers. Incorrectly aimed lights can be considered "nuisances" if they are improperly placed and could lead to complaints, which will need to be remedied via the Community Standards formal complaint process.

The best way to avoid lighting complaints is to be sure that lights are aimed downward, where they can do their job, but not be offensive to their surroundings. Also, correct placement on your home is crucial because poorly placed lights are often ineffective and a waste of energy. Importantly, properly placed lighting can also provide a measure of pleasing aesthetics.

DID YOU KNOW?

**How To Properly Illuminate
the American Flag**

The American flag is a proud, cherished symbol of our Nation. In order to protect the flag's integrity, it is customary to raise the flag at dawn and lower it at dusk. You may display the flag at night, but it must be properly illuminated. Two or more light fixtures are recommended, each fixture generating 150 lumens of light with a narrow, targeted beam aimed at the flag.

[NRS §§ 116.3108, 116.31083, 116.3109; Roberts Rules of Order ("RONR") (11th ed.) § 43; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

4. Definition of Official Sources of Publication: Official Sources of Publication include, but are not limited to, the following sources of publication that are maintained under the control and direction of the Board: 1) an official website; 2) an official newsletter or other similar publication that is circulated to each Unit Owner (Link Magazine); or 3) an official bulletin board that is available to each Unit Owner. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

5. Definition of Unit Owner Publication: Unit Owner Publications are publications distributed through the Association's official sources of publication as a result of a Unit Owner's request to exercise their rights under NRS 116.31035 or permissively submitted by a club or resident. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

6. Definition of Issues of Official Interest: Issues of official interest are: (1) issues on which the Board of Directors or Unit Owners will be voting as further addressed herein, including, without limitation, elections (hereinafter referred to as "Voting Issues"); and (2) the enactment or adoption of rules or regulations that will affect the Association. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

7. Qualification of Voting Issues: Voting Issues are limited to Association issues that the Board of Directors or Unit Owners will be voting on in accordance with the requirements of Nevada law and/or issues that the Board of Directors or Unit Owners will be voting on pursuant to the requirements of the Association's governing documents. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

8. Official Association Publications That Simply Identify Issues of Official Interest Do Not Trigger the Unit Owner Publication Rights Under NRS 116.31035: Official Association Publications that simply identify Issues of Official Interest without further description shall not be deemed to trigger the Unit Owner Publication Rights of NRS 116.31035. Examples of such potential Official Association Publications are documents objectively identifying candidates and/or ballot questions. Unit Owner Publication Rights of NRS 116.31035 are not triggered in such scenarios because as detailed in this Policy, Unit Owner Publications are limited to the same terms and conditions applicable to reciprocal Official Association Publications and therefore Unit Owners would not maintain the authority to publish any description/information additional to what was already identified in the Official Association Publication, e.g. candidates and/or ballot questions. Requiring the Association to subject itself to the time and

cost of having to distribute an identical Official Association Publication runs contrary to the purpose of the law and therefore NRS 116.31035 will not be interpreted in such a manner. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

9. Publications Are Strictly Limited to the Topic(s) of the Reciprocal Official Association Publication: Publications that may be produced by Unit Owners pursuant to NRS 116.31035 must be limited to the topic(s) discussed and/or at issue within the reciprocal Official Association Publication. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

10. Unit Owner Publications Are Limited to the Same Terms and Conditions Applicable to Reciprocal Official Association Publications: Publications that may be produced by Unit Owners pursuant to NRS 116.31035 are restricted to the parameters in which reciprocal Official Association Publications are contained. Such parameters, dependent upon the Source of Official Publication, may include, but are not limited to, font size, number of words, number of pages, number of images, time constraints for audio and/or audiovisual publications, and other applicable format terms and conditions. Such parameters shall include identification of the person(s) making the statements for publication. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

11. Unit Owners Must Submit to the Association Their Request to Exercise Their Rights Under NRS 116.31035 Within Ten (10) Days of the Publishing of the Association Publication Applicable to the Unit Owners' Request: Unit Owners must submit to the Association their request to exercise their rights under NRS 116.31035 within ten (10) days of the publishing of the Association Publication applicable to the Unit Owner's request. Unit Owners must submit such request in writing to Association Management via certified U.S. Mail, other certified delivery service, or hand delivery. Requests may not be submitted via electronic mail and any attempts to submit such requests through electronic mail will not be recognized. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

12. Publications and Remarks Must Not Contain Inappropriate Statements: As more specifically delineated herein, Publications and Remarks must not contain any statements, art, or information that is defamatory, libelous, profane, violent and/or threatening, derogatory, or denigrating.

- A. The terms defamatory, libelous, profane, violent and/or threatening, derogatory, denigrating or disparaging shall bear the meaning of such terms as established by Nevada statute, Nevada common law, general common law, generally accepted definitions (ex: Webster's Dictionary), as well as the definitions/restrictions set forth within these rules.
- B. Defamatory and/or libelous statements include, but are not limited to, statements where an assertion of fact and/or an opinion harmful to the reputation of another is presented as factual but fails to be substantiated by supporting documentation establishing the fact(s) presented: (a) for Publications, within three (3) days of the Association's notice of a violation and/or non-conformance with these rules or request/demand for supporting documentation; (b) Remarks may be addressed immediately by the Board of Directors during a meeting without prior notice and despite the provision of supporting documentation because such averments at a meeting violate RONR (11th

ed.) for decorum.

1. Allegations of criminal acts must be supported with documentation establishing the facts presented, which must include, at a minimum, official court records demonstrating a conviction for the act alleged. Absent such documentary proof of an allegation of a criminal act, the allegation shall be treated as defamatory under these rules.
 2. Allegations of a person's lack of ability and/or fitness for trade, business, or profession must be supported with documentation establishing the facts presented, which must include, at a minimum, a record demonstrating a criminal and/or civil adjudication by a court, commission, or arbitrator affirming the assertion at issue or a settlement or stipulated determination affirming the assertion at issue. Absent such documentary proof an allegation of a person's lack of ability and/or fitness for trade, business, or profession shall be treated as defamatory under these rules.
 3. For Publications the Association may demand that a Unit Owner submit supporting documentation establishing the fact(s) presented by a Unit Owner through any means that may be documented, e.g. e-mail, mailing of a letter including such demand, affidavit confirming oral demand made upon Unit Owner.
 4. The Association reserves the right to deem any statement harmful to the reputation of another that is veiled as an opinion but presented as factual to be a statement of fact upon which supporting documentation may be required by the Association.
- C. A profane statement is one that includes, but is not limited to, statements that are explicit in nature, vulgar, indecent, lewd, sexual, or which is reasonably considered to be obscene.
 - D. A violent and/or threatening statement is one that includes, but it not limited to, statements that are directed at certain persons or groups of persons that are reasonably considered to incite, promote, and/or threaten violence or assaults to be committed against such certain persons or groups.
 - E. A derogatory statement is one which includes, but is not limited to, racial, sexist, homophobic, demeaning statements and/or statements that may be found to attack or threaten an individual based upon their national origin, ethnicity, religion, gender, sexual orientation, physical disability, or mental disability.
 - F. A denigrating or disparaging statement is one which includes, but is not limited to, statements that attack the character, reputation, mental state, and/or capabilities of an individual.
 - G. Statements utilizing the words "fraud," "liar," or "lie" in reference to another unit owner, resident, or employee of the Association violate this policy.
 - H. Any statements which are defamatory, libelous, profane, violent and/or threatening, derogatory, or denigrating violate this Policy. The Association is not obligated to distribute or produce any statements that contain information believed to be defamatory, libelous, profane, derogatory, denigrating or disparaging. Persons making

OFFICIAL NOTICE

such statements during a meeting of the Association may be immediately censured. [NRS §§ 116.3102, 116.31035, 116.31065; RONR (11th ed.) § 43; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

13. Permissive Publications Must Not Contain Inflammatory Statements: In addition to not including Inappropriate Statements as set forth herein, publications that are submitted to the Association for publication in the Official Sources of Publication must not include inflammatory statements. Inflammatory statements include, but are not limited to, any opinion on politics, national origin, sex, religion, race, sexual orientation, gender identity or expression. The Association's Official Sources of Publication are intended for sharing information about community events and not the opinions of clubs or residents that other residents may consider controversial. This section does not apply to Unit Owner Publications provided pursuant to the exercise of publication rights under NRS 116.31035. This section applies to Link Magazine but does not apply to other Association publications.

14. The Association Reserves the Right to Refuse to Publish Any Unit Owner Publication or Allow Remarks that Fail to Comply With the Requirements of this Policy: Should a Unit Owner submit a Unit Owner Publication to the Association for Publication or Remark for inclusion in meeting minutes that fails to comply with the requirements of this policy the Association may refuse to publish such publication or include such remark. The Board of Directors may immediately suspend a unit owner's right to speak at a meeting in the event the unit owner's remarks at the meeting violate this Policy. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

15. Distribution of Unapproved Publications or Statements by Board Members. Because all Board members have an opportunity to contribute before such publications or statements are deemed an Official Association Publication, Board members may not distribute through the Association's Official Sources of Publication or other similar forum publications or statements that are inconsistent with the Official Association Publication and thereby also inconsistent with fiduciary obligations imposed upon a Board member by NRS 116.3103. Any such statement or publication by any Board member may be deemed to be a violation of this Policy. Further, such statements or publications are not and will not be deemed an Official Association Publication subject to this Policy or be subject to Unit Owners' rights under NRS 116.31035. [NRS §§ 116.3102, 116.31035, 116.31065; CC&R, Art. XII, §§ 1 and 2; and Bylaw § 6.1(a)]

16. Imposition of Fines and Sanctions for Violation of this Policy: For violation of this policy the Association may impose a fine of \$100.00 or, where the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine may be in any greater amount commensurate with the severity of the violation. Further, the Association may impose any sanctions permitted by the Governing Documents. EFFECTIVE DATE, the secretary or another officer of the Association shall cause this Resolution to either be hand-delivered or mailed, via United States mail, to the mailing address of each unit or to any other mailing address

designated in writing by the unit's owner within thirty (30) days of the date of execution below and electronically mailed to any electronic address provided for such notices. Said resolution shall be effective thirty (30) days after the date of such notice, which may be proven by a proof of mailing and/or delivery retained in the Association's records.

THE RULES ESTABLISHED BY THIS RESOLUTION shall be effective and remain effective from the date set forth herein until such time as they may be amended, abolished, changed, or otherwise eliminated by the Association's Board of Directors.

INCORPORATION INTO OMNIBUS RULE DOCUMENT, subsequent to and in accordance with this Resolution, the Association may incorporate the rules and regulations established within this Resolution into a single, omnibus, document containing other rules and regulations for the Association. The language of the Resolution must be incorporated into such an omnibus document in the same manner as it is set forth herein. Incorporation of the language of this Resolution into an omnibus document shall be considered a courtesy or convenience to residents and shall in no way be construed to require the delivery or mailing of the omnibus rules to remain effective. The rules established by this Resolution shall be effective and remain effective from the date set forth herein until such time as they may be amended, abolished, changed, or otherwise eliminated by the Association's Board of Directors.

WHEREAS, the Board of Directors has obtained the opinion of legal counsel that the adoption and imposition

of the Anti-Discrimination and Anti-Harassment Policy proposed by this Resolution conforms to the requirements for rules adopted by community associations pursuant to NRS 116.31065; and

WHEREAS, the rules and regulations of the Anti-Discrimination and Anti-Harassment Policy are in addition to the rules and regulations previously established by the Association, but should a rule or regulation previously adopted by the Association conflict with the rules and regulations provided in the Anti-Discrimination and Anti-Harassment Policy, that rule shall be deemed and read to conform to and/or be superseded by the rules provided within the Anti-Discrimination and Anti-Harassment Policy and

NOW, THEREFORE, IT IS HEREBY RESOLVED, that the Board of Directors of the Association adopts the following Anti-Discrimination and Anti-Harassment Policy as specifically set forth herein:

- 1. Individuals within the Association Shall Not Threaten the Health, Safety, and Welfare of the Association and Individuals therein or Otherwise Create a Hostile Environment in the Association** [NRS 116.3102, 116.31031, 116.31065, 116.31184, and 116.4117; CC&Rs §§ IV(2)(h), IV(2)(aa), and V(3); Bylaws §§ 6.1(a) and 6.2(b)]: A member of the Board of Directors, an officer of the Association, a unit's owner, resident, tenant, or guest of the unit owner, resident, or tenant shall not, without legal authority, be permitted by any act, omission, conduct, or by any other means, to threaten the health, safety, and welfare or otherwise engage in a course of conduct which causes harm or serious emotional distress (or reasonable apprehension thereof to that person), or creates a hostile environment for any other person who is the community manager; an agent or employee of that community manager; a member of the executive board; an officer, an employee, or agent of the Association; another unit's owner or resident; a guest or tenant of a unit's owner; a vendor; or a contractor.
- 2. Harassment or Other Conduct which May Create a Hostile Environment** [NRS 116.3102, 116.31031, 116.31065, 116.31184, and 116.4117; CC&Rs §§ IV(2)(h), IV(2)(aa), and V(3); Bylaws §§ 6.1(a) and 6.2(b)]: Harassment or other conduct which may create a hostile environment shall include, but is not be limited to: a) physical violence and/or threats of physical violence or other harm; b) verbal abuse; c) intimidation; d) bullying; e) physical abuse; f) committing any

OFFICIAL NOTICE

tortious acts; g) committing any criminal acts; h) using profane language; i) yelling or screaming in a manner to offend or intimidate individuals within the community; j) discrimination and/or discriminatory conduct on the basis of race, color, religion, sex, national origin, handicap, sexual orientation, and gender identity or expression; or k) unwelcome conduct that is sufficiently severe or pervasive as to interfere with the use, provision, or enjoyment of a home, Association facility, or service. Hostile environment harassment does not require a change in the economic benefits, terms, or conditions of the dwelling or housing-related services or facilities, or of the residential real estate transaction.

3. Determination of Harassment or Other Conduct which May Create a Hostile Environment [NRS 116.3102, 116.31031, 116.31065, 116.31184, and 116.4117; CC&Rs §§ IV(2)(h), IV (2)(aa), and V(3); Bylaws §§ 6.1(a) and 6.2(b)]: The Board shall determine, in its sole discretion, whether acts occurring within the Association create a hostile environment or constitute harassment. Acts may be deemed to create a hostile environment or harassment regardless of whether they occur in person or through other communication mediums. Whether harassment or other conduct which may create a hostile environment occurred or exists depends upon the totality of the circumstances. Factors to be considered include, but are not limited to, the: (a) the nature of the conduct, (b) the context in which the incident(s) occurred, (c) the severity, scope, frequency, duration, and location of the conduct, and (d) the relationships of the persons involved. Neither psychological nor physical harm must be demonstrated to prove that harassment or other conduct which may create a hostile environment occurred or exists. Evidence of psychological or physical harm may, however, be relevant in determining whether a harassment or other conduct which may create a hostile environment existed or occurred and, if so, the severity of the violation and related fines that may be imposed. Whether conduct is sufficiently severe or pervasive as to constitute harassment or other conduct which may create a hostile environment is evaluated from the perspective of a reasonable person in the aggrieved person's position.

4. Interpretation Consistent with State and Federal Law: Harassment or other conduct which may create a hostile environment under this policy/rule shall be interpreted in a manner consistent with the laws governing such terms under both state and federal laws, including, but not limited to, the chapters, codes, and sections of law generally referred to as 42 U.S.C. §§ 3601 *et seq.*, NRS 116.001 *et seq.*, and the regulations and cases arising thereunder.

5. Violations of this Resolution May be Deemed a Health, Safety and Welfare Violation [NRS 116.3102, 116.31031, 116.31065, 116.31184, and 116.4117; CC&Rs §§ IV(2)(h), IV (2)(aa), and V(3); Bylaws §§ 6.1(a) and 6.2(b)]: Any violation of this Resolution by any member of the Board of Directors, an officer of the Association, a unit's owner, resident, tenant, or guest of the unit owner, resident, or tenant who violates this section may be deemed a threat to the health, safety, and welfare of the Association; a member of the executive board; an officer, an employee, or agent of the Association; another unit's owner or resident; a guest or tenant of a unit's owner. Such a violation may subject the violator to a fine commensurate with the severity of the violation and any other appropriate remedies available to the Association. The amount of a fine imposed pursuant to this section shall be determined at the discretion of the Board of Directors. The Board shall determine, in its sole discretion, looking at the totality of the circumstances, whether a violation of this resolution rises to the level of constituting a health, safety, and welfare violation.

EFFECTIVE DATE, the secretary or another officer of the Association shall cause this Resolution to be either hand-delivered or mailed, via United States mail and/or electronic mail, to the mailing address of each Unit and/or to any other mailing address designated in writing by the Unit's Owner within thirty (30) days of the date of execution below. Said Resolution and Anti-Discrimination and Anti-Harassment Policy shall be effective thirty (30) days after the date of such hand-delivery or mailing, which may be proven by a proof of mailing and/or delivery retained in the Association's records.

INCORPORATION INTO OMNIBUS RULE DOCUMENT, subsequent to and in accordance with this Resolution, the Association may incorporate the rules and regulations established within this Resolution into a single, omnibus document containing other rules and regulations for the Association. The language of the Resolution must be incorporated into such an omnibus

document in the same manner as it is set forth herein. Incorporation of the language of this Resolution into an omnibus document shall be considered a courtesy or convenience to residents and shall in no way be construed to require the delivery or mailing of identical rules for the rules set forth herein to remain effective. The rules established by this Resolution shall be effective and remain effective from the date set forth herein until such time as they may be amended, abolished, changed, or otherwise eliminated by the Association's Board of Directors.

RESOLUTION TO CONFORM WITH NRS 116, this resolution was drafted in conformance with Nevada and Federal law, including, but not limited to, Chapter One-Hundred Sixteen of the Nevada Revised Statutes, as of the date of execution of this document. Further, pursuant to this statement of conformance within this Resolution and NRS 116.1206, this Resolution and the rules and regulations established hereby shall be deemed and read to conform to and/or be superseded by Chapter One-Hundred Sixteen of the Nevada Revised Statutes (NRS 116.001 *et seq.*) and any future amendments to such Chapter, and no amendment to this Resolution shall be necessary for such conformance.

IN WITNESS THEREOF, the Association has executed this Resolution on the day of _____, 2022.
