Five Star features a full menu, offering breakfast, lunch and dinner. Hours of operation will be 24 hours a day, seven days a week. The full menu will be served daily, from 6 a.m. to 11 p.m., with a limited, express menu offered during late-night hours. It will be a non-smoking facility (except for the outside patio area). machines on the bar top and several 60- to 70-inch televisions for sports fans. In addition, there will be booths and tables located throughout the space for dining.

For more information on Five Star's floor plan, see page 7. Please be aware that the final floor plan is subject to change. Five Star Tavern is looking at a July 1 opening, however, this timeline could change subject to licensing requirements.

## SCSCAI President's Message

---

What a great community we live in! The people, facilities and amenities are just great. And why are they so great? Because of the efforts of so many caring people. We want everyone to have a say in running our community, but with more than 12,000 residents that's not really possible. So you elect a Board of Directors, consisting of nine members who make decisions on your behalf. On Tuesday, February 25, you will be voting to fill five of the nine seats on our Board. Please be sure to VOTE!

How does the Board of Directors communicate with residents so they can stay up on what's happening?

**1.** The Board meets formally each month, sometimes twice in a month, where we discuss and vote on community matters. The agendas and results, as well as all backup material is posted on SCSCAI's official website, [www.scsc.ai.com](http://www.scsc.ai.com).

**2.** Many formal items are included in the Link magazine, along with information about most community activities such as Starbright Theatre performances, and facility activities and hours.

**3.** The Link maintains an online version of the magazine at [www.suncitylink.com](http://www.suncitylink.com), where you can find information on activities happening THIS WEEK IN SUN CITY, slideshows and videos of club and Association events, club blogs, breaking news, and dates and addresses of weekend estate sales.

**4.** On the third Friday of each month at 10:30 a.m. at Desert Vista, the Board holds an informal get together called Coffee With the Board. At CWTB, residents can ask questions and discuss issues.

**5.** Committee meetings are held each month (schedules are on the calendar page of the Link), where residents on the committees do much of the staff work on issues affecting that committee; recommendations are then made to the Board. The Board chairperson of each committee is listed in the Link under "How to Contact Us" on page 4. If you want to be part of the decision process, attending the committee meetings is a good place to start. Don't be a Monday morning quarterback and complain about what decisions the Board made – participate in the decision process!

### A final note on Garbage.

Our governing directives clearly state that residents may not put out garbage before noon on the day before collection day. The later you put garbage out for collection, the less chance wind has to distribute it. Please follow the rules on putting out your garbage for collection.

## Donny Long Named Director of Golf

**Donny Long**  
*Director of Golf,  
Sun City Summerlin*

I am excited and honored to have been chosen as your director of golf for Sun City Summerlin. Over the past 17 years, I have held numerous positions within the Golf Department here in Sun City beginning as a cart attendant, then after completing PGA school I moved into the golf shop as an assistant golf professional. Later, I was promoted to the tournament director/head

golf professional at Palm Valley Golf Course.

During my tenure with the Association, I have developed a wonderful working relationship with both residents and staff and am pleased to have developed many close personal friendships with those I have met here in Sun City. I am eager to take on this new challenge in my career and am thrilled to be doing so in a community where I feel so welcome.

My goal as the director of golf is to enhance the golf experience through customer service, marketing and new programs for Sun City residents, as well as outside play. The programs I aim to develop will help create more of the country club atmosphere originally intended by Del

Webb. These programs will be available for all types of golfers whether beginners, ladies or any of our many seasoned golfers. I know that with the staff we have cultivated in the Golf Department we will be able to meet the needs of residents and non-residents.

If you have any questions or would just simply like to stop by and chat, please come see me at my new office in the Highland Falls golf shop.

### ■ Jim Neighbors Takes Head Golf Pro Position

Las Vegas native Jim Neighbors was named head golf professional/merchandising manager for Sun City Summerlin Community Association, Inc. Jim began his career with SCSCAI in 1992. He obtained his PGA Professional status in 1997.

## Time to Get Ready for Spring

If you have not yet done your winter trimming, it's not too late. Get to work on restoration pruning similar to what we are doing on the streetscapes around Sun City. It's also a good time to get to work on your rose bushes.

This time of year, please be careful when working outside in the cold. Avoid working up a sweat because, if you stop and don't go indoors immediately, you can get chilled to the bone. It takes a long time to warm up again, prime condition for developing cold-related illnesses. So if you do work outside, be sure to maintain a steady pace and take breaks. The Landscape Department is watering dur-

ing the day, once a week. Turf is still on Tuesday; drip on Wednesday; color bed on Monday, Wednesday and Friday.

# SPECIAL ELECTION ISSUE

## 2014 BOD Election Voting Information – How to Vote

*Election Day is Tuesday, February 25, 8 a.m. to 5 p.m. in the Exchange Room at Mountain Shadows. The ballots will be secured in the Association office until the following day.*

This year you will be electing five (5) residents to serve on the Board as Directors. The candidates will be elected for two-year terms.

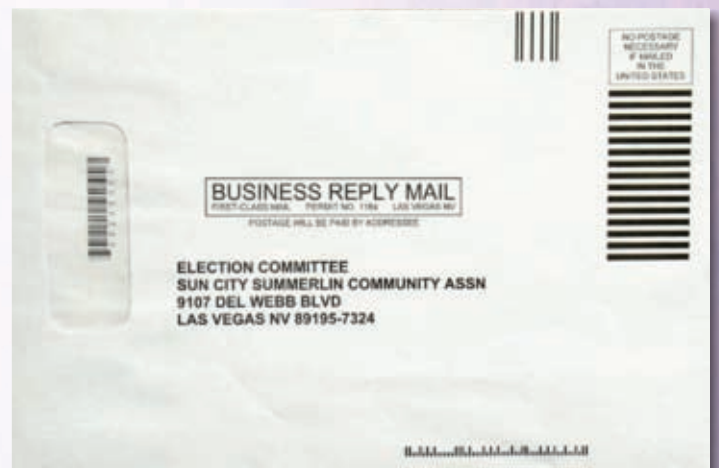

The ballot format is the same as last year and is prepared for electronic counting. The ballot has two halves and a **pre-posted return envelope**. Instructions are printed on the ballot. Each household has five (5) votes. After marking the ballot, remove the “Instructions” side to remove your name and address. **Insert the ballot half into the envelope so that the bar code, which is used for validation, shows through the envelope’s window.** On vote counting day, the Election Committee will cut off the bar code **before** removing your secret ballot. Committee members will use optical scanners to count the ballots and tabulate the votes electronically.

If you make a mistake marking your ballot, do not correct it. Rather, exchange the old ballot for a new one at the Administration office. Before requesting a replacement ballot and envelope, be certain that another member of the household

has not voted. Should two ballots be received from the same home, **both will be voided**. Casting **more than five (5) votes** also will void the ballot. Your votes may be cast for one candidate or divided among two or more candidates.

If you have questions about how to fill out your ballot properly, or you need a replacement ballot, please call the SCSCAI Administration office at 966-1401.

No candidate information will be available from this source.

## Ballot Counting

*Wednesday, February 26, 8 a.m. in the Mint and Sahara Rooms at Mountain Shadows.*

There is only one agenda item for this meeting, that being the counting of the election ballots. The election results will then be announced by the secretary of the Association and reported to the Board of Directors. All those who wish to witness the ballot tabulation are invited to attend the meeting on February 26.

## LEO CRAWFORD

TEL: 478-8806

Email: [cioconsulting@mac.com](mailto:cioconsulting@mac.com)

Good day to all Sun City Summerlin residents. My name is Leo Crawford and I am a candidate for the Sun City Summerlin Board of Directors. I hope this candidate statement convinces you that I am worthy of your support.

**Education:** BA and one year of graduate study from San Diego State College. MSc in Computer Systems Management from the Naval Postgraduate School in Monterey, California.

**Work Experience:** Twenty years in the USAF, in operations positions such as missiles, satellites, computers and communications, retiring after 20 years as a Lt. Col. Seventeen years with the County of Orange, CA., leaving as the Chief Information Officer, responsible for the County's computers and telephones. I had a budget responsibility for about \$300 million. Google "Leo Crawford County of Orange" for more information. Two years with my own consulting company primarily doing strategic planning. Eight years as the VP for Technology and as a consultant (still working for them as a consultant) for the U.S. branch of a French company that operates toll roads in the U.S. Two years on the SCSCAI Board of Directors, including one year as Board President.

**Skill set:** Budget preparation and execution, personnel matters, strategic planning, business case development, and change management and implementation.

**ACCOMPLISHMENTS:** I spent the last two years doing my best to make Sun City an even better place to live, including having the honor of serving as Board President for the last year. I would never claim that what we accomplished was only the result of my efforts; rather, what we accomplished was the result of the efforts of many people. With that said, here are just a few of the Board's accomplishments I am particularly proud of: after a lot of effort by a lot of people, I recently signed the lease agreement for a private company to operate the Vista Grille; the Executive Director now provides a weekly written report to the Board; we have a Board approved Landscape strategic plan; I wrote Strategic plans for the IT and CPC committees; purchasing decisions for capital equipment now use a total cost of ownership to validate the replacement need; and we improved communication between the Board and the residents with the monthly Coffee with the Board, a president's column in the LINK, and the on-line Link.

**SUMMARY:** If you still are not convinced to vote for me, the best recommendation as to how well I performed as a Board Member will come from your friends and neighbors. We have a fairly small community and it won't take long for you to find someone who knows me and can provide a reference. I would very much like to work on your behalf for two more years as a Board member. I ask for your vote on February 25, 2014.

SUN CITY SUMMERLIN DIRECTOR!**

# Good Day Sun City Summerlin Homeowners,

---

As a candidate for Sun City Summerlin Board of Directors, I would enjoy the chance to win your support.

I moved to beautiful Sun City Summerlin from Broomfield, Colorado, where I lived for 25 years. As a Sun City homeowner, I believe we must retain the principles that have made us strong while developing new and innovative ideas to meet the challenges of changing times. Since my arrival to the community I have become a member of the Sun City Security Patrol, the Emergency Officer in Charge for the Community Preparedness

Committee, a member of the Sun City Senior Softball League, and I attend Mountain View Presbyterian Church. My older brother's family also lives in Sun City.

Presently, I am a full-time volunteer for the American Red Cross, Mile HI Chapter, since 1997. I wear many hats at the Red Cross, from Disaster Action team leader to staff supervisor for major disasters. I helped manage the main warehouse for Sandy Disaster in New York, Issac Disaster in Louisiana, and the wildfires across the country, including this year's Las Vegas wildfire. Recently, I returned to Colorado to help manage the horrible floods in September. These assignments involved working in tough conditions and harsh environments, and working closely with fire and police personnel, as well as the National Guard and FEMA.

My past experiences have been very fulfilling. Upon graduating from college, in Colorado, I was a teacher in Denver for a few years before leaving and starting my own interstate trucking company. In 1980, 1981 and 1983, I was the Colorado State Champion for driving tractor trailers (semi).

I was a member of the Colorado Governor's Advisory Committee on highway improvements and emergency management for several years, and I was chairman for the master plan for Broomfield County, Colorado.

I have been a volunteer fireman/paramedic, and I coached sports activities from T-ball to college soccer (football and girls softball were my favorites). Programs I helped start in my hometown provided enjoyment for all – from high school students giving time to help the elderly to a non-profit farmer's market to raise funds for local groups and school programs. I have always been a people person and enjoy helping, listening and providing what it takes to get the job done, safely.

Thanks and please feel free to talk to me whenever you may see me, I will always be a good listener.

# Common Area Properties Committee

The next CAP meeting is Tuesday, February 11, 9 a.m., Desert Vista committee room. Visitors are welcome.

## Conserving Water/Costs Core of Landscape Action Plan

The Sun City Summerlin Board of Directors passed a landscape plan in December. The Properties Committee has been working on defining this plan for the last six months because water costs Sun City more than \$2 million a year, and due to a 17-year drought, water will only become more expensive.

The plan calls for a reduction in water consumption by 20 percent over a three-year period, sets standards for plant removal and replacement, and encourages the creation and implementation of an attractive landscape design for the three major entrances into our community. In the next two months, the departments of Landscape and Golf Course Maintenance will put together an action plan that will affect the 2014/15 fiscal budget, which begins July 1. These plans will identify the areas of grass removal and other items that will start to bring them into compliance with the new landscape guidelines.

The biggest and most drastic visual change will be the removal of grass throughout the community. To maintain grass in Las Vegas, the Southern Nevada Water Authority reports that it takes approximately 6 cubic feet of water

per year. SNWA has a turf reduction plan that will reimburse Sun City with a little more than \$1 per square foot of grass removed. The Landscape and Golf Course Maintenance departments plan to select the grass on the steep sides of greenbelts and golf courses and around the community buildings for removal. The steep, grassy areas are dangerous to mow and our buildings have the highest landscape water bills. The change to our community buildings may be a shock to the senses, as rocks and plantings will look more like our yards than the grassy lawns we have all enjoyed. However, CAP does not want anyone to panic, as SNWA requires that beautiful plants and trees continue to cover 50 percent of the area where grass was removed.

CAP will keep residents updated and informed as actual action items develop, and will meet with residents where grass and tree removal will have a direct impact on their property. To see a copy of the approved landscape plan, go to [www.scscai.com](http://www.scscai.com) and look under Board of Directors minutes for December 3, 2013, or email [Spapilion@cox.net](mailto:Spapilion@cox.net).

# Community Preparedness Committee

The next CPC Hams meeting is February 19, 9 a.m., at the Pinnacle.

## Emergency Communications Team Keeps Sun City Connected

How would Sun City respond to a disaster if one should occur in our community? The Sun City Community Preparedness Committee is a group of dedicated residents whose mission it is to help our neighbors in the event of an emergency. To that end, members support three functions: medical, training and logistics.

Within the logistics function, CPC operates and maintains a communications infrastructure that would be a vital component in supporting any emergency situation should telephone, radio and television cease to function.

CPC operates fixed and mobile radios, and the committee trains emergency response staff on how to use and maintain all equipment. CPC's Emergency Communications Center is located at Fire Station 107 in Sun City, and supports the Emergency Operations Center, which is the focal point for responding to emergencies in our

community. The center allows CPC volunteers to communicate with city, county and federal/military emergency personnel to coordinate any necessary response. To make sure CPC is ready to respond, members meet monthly to radio check our systems, verify operations and train.

CPC is always looking for amateur radio operators (HAMS), or for anyone with communications experience to become part of the communications group. Come join us in making Sun City a safer place to live. For further information, contact Ken Johnson, 254-5840.

## Coffee With The Board

February 21, 10:30 a.m. · Desert Vista

Come hear what Sun City residents are talking about. Unlike the monthly Board meetings, where residents are limited to three minutes to comment on a subject, Coffees are designed to spark conversations. While no decisions

may be made during the meeting, the opportunity to bring a topic to the Board and the community is well served. Since the Coffees began a little over a year ago, residents have been successful in securing a date for the annual fall yard sales, and the Art Club enjoyed success when it got the go-ahead to reprise its gallery wall that had been displaced following the renovation of Sun Shadows. The display wall is now located in the lobby area at Mountain Shadows and Club members are happy.

“The meetings are a good way to listen to residents who have something on their minds,” said SCSCAI Board member Ken Caroccia. “If a resident can’t make a board meeting, this gives them a second chance during the month to talk with the Board. It’s like the old days when neighbors would talk with neighbors over the fence. It’s not really a ‘meeting,’ but more like a chance to visit.”

Coffee talk discussions are not limited by timers, minutes are not recorded and sweets and coffee are served to encourage an informal atmosphere. Depending on the topic on the table, conversations can get interesting because one never knows what someone is going to say. On one hand, that’s the beauty of not having a formal agenda. On the other hand, be prepared to sit a while. Everyone is welcome and the newer the faces the better.

### CPC Congratulates Brittney Schriever

The Community Preparedness Committee presented former CPC recording secretary, Brittney Schriever, with a farewell gift during the Board of Directors' meeting on December 3. Brittney, who was promoted to marketing coordinator for Golf Summerlin, works out

of the Highland Falls pro shop. Since leaving CPC, Brittney has reprised her recording secretary duties for the Golf Oversight Committee.

"This is a very personal moment for me," said SCSCAI Board President and CPC Chairman Leo Crawford, as he handed Brittney a beautifully carved glass trophy.

"We at CPC relied on Brittney to keep our sanity. When something needed to be done, Brittney was the one who always said, 'I can do that. I can help with that.' She absolutely made the CPC Committee work better, and we miss her already," Leo said.

## Shuffleboard Club Members Ken and Deanna Gager Get on With Living

*Story and photos by Jerry Silvers*

Shuffleboard in Sun City Summerlin is a great sport for friendly team competition while enjoying the fresh air and healthy exercise that our doctors always prescribe.

In addition to all the healthy stuff, it is a great opportunity to meet interesting new members of our community with equally interesting stories. It is one of these stories I'd like to tell you about.

Ken and Deanna Gager are my new team members at the shuffleboard courts. I observed them compete in one of the games and they were quite experienced at team competition. Ken was particularly accurate with his puck shots. I noticed that his left arm was partially missing.

After the game, we started chatting, getting to know each other and I asked him where he lost his arm, assuming it was during military service. I learned it wasn't while in the military that Ken lost his arm, his left eye and the partial use of his right eye, where he is considered legally blind. This all was in service to his community as a member of the Nevada Highway Patrol. This physical damage was the result of a mail bomb that was sent to his home in Minden, Nev., on September 8, 1993.

Thinking that it was a 42nd birthday present from their son, who was in the military, Ken opened the package that exploded. Deanna was saved from extreme injuries because she had bent down to get something from the refrigerator's bottom drawer.

*Former Nevada Highway Patrol officer Ken Gager and his wife, Deanna, moved to Sun City Summerlin in 2012. Ken Gager's story of survival is documented in a segment of the TV series "Real Stories of the Highway Patrol."*

The explosion ripped a hole in the kitchen roof, shook loose every piece of drywall in the house, shattered windows, ruptured pipes and sent water gushing, filled the air with smoke and debris, and was heard five miles away. The bomb consisted of six sticks of dynamite packed tight in a bristling cocoon of fence post staples, nails and screws. Other shrapnel exploded with the release of a pressure switch.

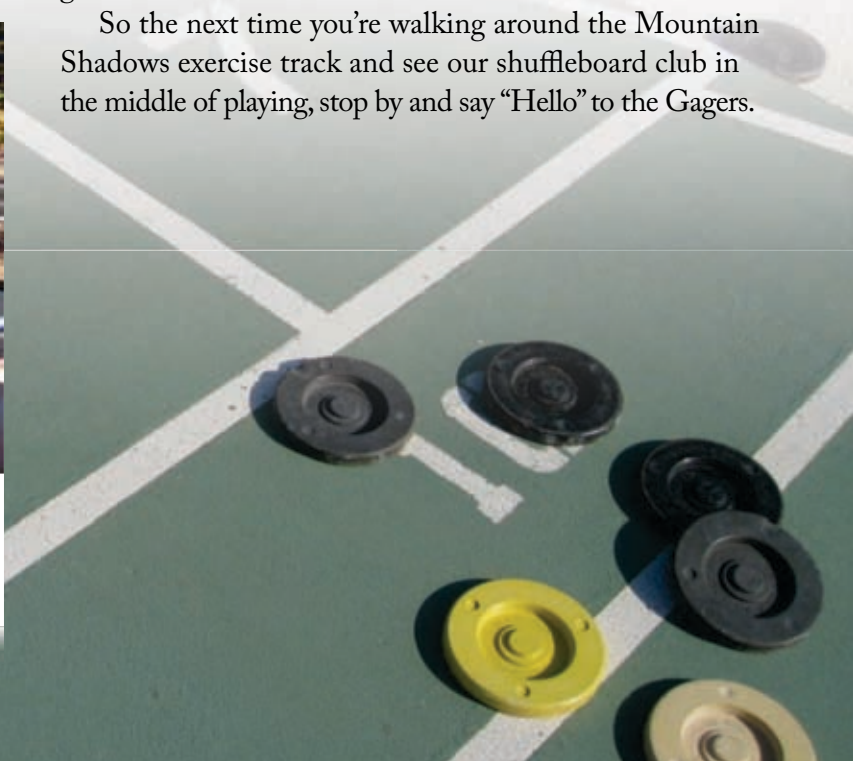

The investigation of the bombing revealed that the bomb had been contracted by Robert J. Collins, whom Ken had arrested on burglary and fraud charges during a routine traffic stop. While imprisoned, Collins met Avrom Sander Finkel, the bomb maker. Following the explosion, both men were subsequently arrested and are now serving 75 years and 80 years, respectively.

The battle for Ken's life took four months and 25 surgeries on his arm, abdomen and eye, in addition to plastic surgery to repair the extensive damage done to his face. His story has been re-created in a documentary and in the television series "Real Stories of the Highway Patrol."

Ken and Deanna have been married 44 years. They moved to Sun City in 2012 and split their time between Las Vegas and their other home in Lincoln City, Ore. They are avid boaters and fishermen.

I asked the Gagers' permission to tell their story and Ken agreed with one exception – "Please call all the men and women in uniform heroes," he said. "I'm no hero. I'm lucky we are both alive to enjoy our children and grandchildren."

So the next time you're walking around the Mountain Shadows exercise track and see our shuffleboard club in the middle of playing, stop by and say "Hello" to the Gagers.

## Security Patrol Drivers Graduate Metro's Citizens' Police Academy

By Ellen Greenspan/Link

**S**un City Summerlin Security Patrol drivers Thomas and Patricia Dennis were among 37 graduates of Metro's Citizens' Police Academy in November. For anyone wondering what the world of law enforcement is all about, the Las Vegas Metropolitan Police Department sponsors an exhilarating, hands-on program that allows citizens to experience most police department functions. CPA classes are taught by senior police officers who specialize in each class discipline. The Academy gives students first-hand information on how the Department operates, and examines the culture of police work. It provides an excellent opportunity for citizens to interact with police department officers. The CPA has become one of Metro's most popular programs and has a waiting list of applicants.

*Former Clark County Sheriff Douglas Gillespie & Patricia Dennis.*

CPA students meet every Wednesday from 6 to 9 p.m. The academy involves both classroom and interactive instruction. Thomas and Patricia Dennis said they came away from the program with a realistic understanding about what it is like to be a police officer. Participants are given the same information that Metro's police recruits and officers receive.

Academy instruction includes Constitutional law and an overview of the legal system. There's a jail tour of the Las Vegas detention center and emphasis on gangs and narcotics trafficking. SWAT and K-9 demonstrations are conducted up close and personal. Other topics deal with

homicide, air support and the handling of potentially violent domestic situations. Thomas Dennis told about their involvement in a mock, but very realistic domestic situation, where they learned how police officers are trained to defuse the likelihood of violence. Police officers also described circumstances that might require use of force, and they expounded on such crimes as identity theft, fraud and vice.

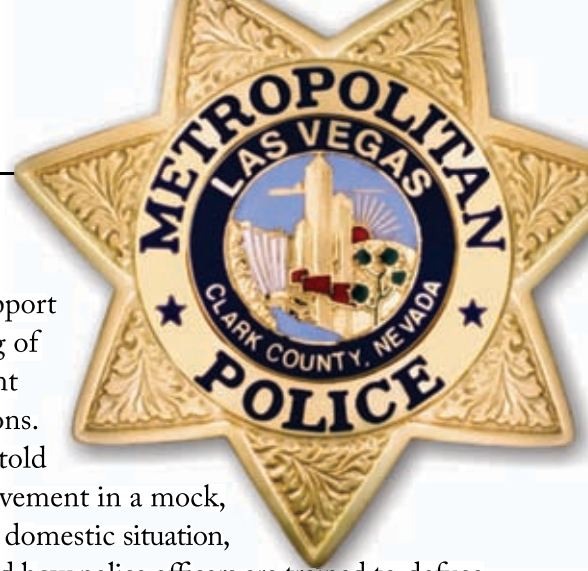

Several of the classes took the Dennises out of the training center, allowing them an opportunity to ride along with an on-duty patrol officer. They underwent a closely supervised firearms session at Metro's firing range and they accompanied a patrol officer making an actual traffic stop. For one class, they sat in with a police dispatcher and a 9-1-1 communications specialist.

Thomas and Patricia's CPA graduation ceremony featured law enforcement speakers and an overview of Metro's police volunteer program. Diplomas were presented to each graduate by former Sheriff Douglas Gillespie. Upon graduation, participants become members of the Citizens' Police Academy Alumni Association. That association meets monthly and presents speakers from various law enforcement and legal agencies, and offers related tours.

For information about the Citizens' Police Academy Program, call 828-2754, or visit [www.lvmpd.com](http://www.lvmpd.com). There is a CPA application on the web site.

Ankle Pain.

**Do you suffer with ankle pain but don't know what options are available to you?** Arthritis, reduced range of motion, and decreased quality of life are a variety of problems associated with ankle pain. New technologies, such as Wright's INBONE® implant, are available to help restore your normal lifestyle by providing stability, improved mobility, and reduced stress to the joint. Ask your doctor if INBONE® could be right for you and free yourself of ankle pain.

The INBONE® Total Ankle is intended to give patients limited mobility by reducing pain and restoring movement in the ankle. There are certain risks with ankle replacement surgery, which you should discuss with your surgeon. These may include pain and bruising, damage to blood vessels or nerves, infection, or blood clots that can travel to the heart and lungs. As with any joint replacement, the prosthesis cannot be expected to be as strong, reliable, or durable as a natural healthy human joint. Please visit [inbone.com](http://inbone.com) for more information. Additional product labeling can be obtained by calling 800.238.7117.

# Chartered Clubs

## Euchre, Uker, Yucker, Yoocur?

*However You Spell It, It is a Great Card Game and a Terrific Club*

The correct spelling of the card game is “euchre,” but it is pronounced “yoo-ker.” The Sun City Euchre Club meets for fun and cards every Wednesday at 6 p.m. at Mountain Shadows. If you are from the Midwest, you have probably played euchre before or know someone who has.

You don't need a partner to start playing euchre, although you are more than welcome to bring one, two, three or more! There are usually four players per table and seating is assigned for the first round. After that, players switch partners, so you'll get to meet and play with different club members.

Euchre is a relatively simple trump card game. It is played with a deck of 24 cards since all cards below 9 are removed. Each player is dealt five cards. The dealer places the remaining four cards face down on the table. The top card on that stack (or “kitty”) is turned face up and can be declared trump. Moving clockwise from the dealer, each player has the option of “ordering” that card up and naming it as trump. The dealer must pick it up and discard one from his hand so he will still have five cards. If no one orders it up during the first round, the card is turned face down and the players have the option of naming any other suit as trump. Once trump has been named, the highest card in the suit is not the Ace . . . it is the Jack, which is called the right bower. The second highest trump is the Jack of the same colored suit. In other words, if hearts are named as trump, the highest card is the Jack of hearts. The second highest trump is the Jack of diamonds and is called the left bower. Each player gets to deal twice for a round of eight hands. This usually takes about 15 minutes. We play five rounds, take a break and then five more rounds. We usually finish a little before 9 p.m.

So give us a try, everyone is welcome. For information, call Karl or Julie, 256-1944.

*(The deadline for April 2014 chartered club articles is February 24. If you have any questions, call Jeannette Carrillo, 363-1546, or email jeannettec@suncitylv.com.)*
