## How May We Help You?

Most homeowners have used the services of the administrative office at one time or another. The staff is always ready to assist with paperwork, payments or answer any questions that residents may have regarding the Association. Recently, I spent some time with the staff at the front desk, answering phones and assisting where I could. I wanted to share with you some of the questions that were asked on a regular basis:

**Q:** *What fees are there for the Association?*

**A:** The current annual assessment for SCSCAI is \$1,284, or \$107 per month.

**Q:** *If I am a homeowner, how do I get an identification card?*

**A:** Homeowners will need to make an appointment with the administration staff by calling 966-1401. They will need to bring in proper identification, such as a driver's license.

**Q:** *Do I live in a sub-association? If so, what are the fees?*

**A:** The easiest and quickest way to determine if your home is located in a sub-association is to look at your house. If you live in a villa or a town home, that is, if your home is attached to another unit, you are in both a sub-association and the master Association. If your home is a detached structure, you are in the master Association only.

There are 39 sub-associations in Sun City Summerlin, each with its own fee schedule. For help determining your sub-association's name and its representative, call the administrative staff at 966-1401.

**Q:** *How do I find out about clubs?*

**A:** The names and phone numbers of all official chartered clubs in Sun City Summerlin, along with their presidents, are listed in the Link.

These are just a few of the many questions that staff help to answer. For more information, visit the Sun City Summerlin website, [www.scsc.ai.com](http://www.scsc.ai.com), where you will be able to find the answers to the majority of your questions. The website is very thorough and easy to maneuver through.

Remember, we are here to help you, whether in person, by phone or on our website.

## Announcing the New Resident Orientation

Another process that the staff conducts is the new resident orientation. This orientation has been done in the past on an individual basis as new owners close on their homes. Sun City Summerlin has now implemented a new process that will bring new homeowners together for a group orientation. We are very

excited to launch this new program, as it will bring new owners together to learn about Sun City Summerlin.

These events will be held every Tuesday, beginning at 2 p.m., and on Friday, beginning at 9 a.m. They will be held in the Exchange Room at Mountain Shadows.

Items scheduled for review are the Association's by-laws and CC&R's, development standards, rules and regulations, age restriction policy, procedures for a guest pass, explanation of NORA, a review of transfer fees and all of the amenities and what they offer. During the presentation, staff will be present to answer questions. New residents also will be given their Association membership card.

If you have any questions or want to make sure you are on our schedule for the next orientation, please call us at 966-1401.

# SCSCAI President's Message

**Leo Crawford**  
President  
SCSCAI Board of  
Directors

The SCSCAI Board wishes all our Sun City residents a glorious spring. Hopefully, the weather will be as wonderful as we all thought it would be when we chose to move to our community. The Board of Directors' election is over and when you read this edition of the Link the new Board will have been seated: a new beginning for the Board.

Congratulations to all the newly elected Board members. Attend a Board meeting and see your new Board in action.

What spring projects are you planning?

1. Read the note in this Link, on page 13, provided by the Community Preparedness Committee (CPC) on doing a good spring cleaning of your garage.

2. When you finally decide to refresh your yard, paint your house, put on a new roof, add a satellite antenna or solar panels, redo your driveway, or anything else on the exterior of your home, be sure you touch base with Community Standards, 966-1496. Contact them in the planning stages of the project, not after you sign a contract or buy the materials. Kathleen and Krista are nice people who will help make sure what you do is in compliance with our CC&R's.

The Architectural Review Committee (ARC) headed by Ken Carocchia does a great job of enforcing our

*Copies of the minutes in their entirety can be purchased for 10 cents per page at the Administration office 30 days after the meeting*

- ♦ The Board of Directors approved the revised P&P 3.4.1 – capital expenditures as recommended by the Legal Services Committee.
- ♦ The Board of Directors approved the settlement agreement between Cleverley v. SCSCAI for \$17,500 as noted in the backup.

standards with a light hand, but the whole committee would really prefer to have no business on their agenda. Let's make the ARC meetings VERY short ones by following the rules.

3. Cut back the vegetation that is edging onto the sidewalk. And while you are doing that, trim tree branches that hang over the sidewalk that people have to avoid when they walk by your home. Included in your trimming should be those beautiful cactus plants that, with their sharp needles, can be nasty should someone brush up against them.

As a final note, along with the better weather, more people will be out walking, enjoying the sights and getting some exercise. Remember that we walkers are not allowed on the golf courses. During the day the golf carts and golf balls are a hazard and at night, the courses are not lighted and you could easily trip and hurt yourself.

# Finance

The next Finance Committee meeting is March 27, 1 p.m., Desert Vista.

## The Finance Committee

*(Note: In November, the Finance Committee recommended and the Board of Directors approved to direct SCSCAI staff to attempt to limit next year's operating expenses to the current budget's expenses of \$13.9 million, even though there are many costs that are expected to increase.)*

March is the month that Sun City Summerlin introduces the budget for fiscal year 2015, which begins July 1. Your Finance Committee plays a key roll in reviewing

and validating the budget so it is ready for the Board of Directors and the homeowners to approve no later than June 24. The Finance Committee acts as an advisor to the Board of Directors. It reviews and recommends financial reports, audits and investments to the Board.

The first presentation of the FY2015 budget will begin on Tuesday, March 18, at an open meeting in the Desert Vista committee room. Homeowners are welcome to attend the meeting and ask questions, as well as listen to the conversations between Finance Committee members, Board members and staff. The budget meetings will last for three days, and any changes that are made to the budget are often a result of these meetings.

The Finance Committee is made up of residents who have had careers in finance, and new volunteers are always welcome. There are sub-committees in audit, insurance and investments that advise the committee. If you are interested in the Finance Committee, come to the monthly meetings that are held at 1 p.m. on the fourth Thursday of every month.

## Now Is the Time to Focus on Lantanas

March is marching in and it's time to work in your garden. You may have noticed that the Landscape Department started trimming the lantanas early this year. I still suggest that you trim them now and not as early as we did for the health of the plant. You should start fertilizing your plants now and get them ready for the growing season. As usual, I suggest a balanced

fertilizer. If you can add organic material to the soil your plants will love you for it. Also, if you planted spring bulbs it's OK to harvest the flowers. However, as the plant dies back don't cut it. Rather, let the plant absorb the nutrients back into the bulb. In the past, I have done both and the bulbs that I didn't cut performed better the next season.

The Landscape Department is looking at more areas for turf reduction. The parks have areas that could save a lot of water with less impact on the community's overall look. In these areas there are large slopes that are unusable to residents.

I hope everyone has a great spring.

The Landscape Department is now watering three days a week and at night. Turf is on Tuesdays, Thursdays and Saturdays; drip on Mondays, Wednesdays and Fridays.

*~ Louis Darling, Director, Landscape Department*

## A Message From the Chief

**Brian Dodd**  
Chief, Sun City  
Summerlin Security  
Patrol

England, Oregon and Vienna all are cold, wet and damp places where the sky is a constant, depressing gray. That's why my wife, Jen, and I came to sunny Sun City Summerlin in 2004, where the sky is blue, everyone is happy and it never rains.

We are committed to this community and have been engaged with it since we arrived. From the

start we have been members of the Cribbage and Hiking clubs, and have been involved with fitness activities. I was the president of the Hiking Club for a couple of years, as well as an instructor in the Fitness Department. After being laid off when the Fitness Department's budget was slashed a few years ago, I helped start the new Fitness Club and continue to teach one class a week as a volunteer. Jen and I started in Security Patrol in 2006 and 2007, and my becoming the chief seemed to be the next logical step of our involvement.

My philosophical goal for Security Patrol is summarized in one word: professionalism. But how can a bunch of volunteer amateurs be professional? Well, stop

by the Security Patrol office and take a look at the full version of my philosophy posted on the chief's notice board. Professionalism is espoused under 10 headings: good customer service, image, quality work, job satisfaction, excellent communications, management mode, one house, high ethics, value, respect for people and balance.

Studies of volunteer organizations demonstrate that there are two keys to success. The first is that the volunteers need to feel they are doing a job worth doing. Study the crime maps of Sun City Summerlin and surrounds and it is clear this is the case. The second is that the volunteers are appreciated for what they are doing. I can thank and appreciate patrol members, but it means so much more when it comes from you. Think about a word of encouragement next time you encounter an officer in uniform.

**Statistics:** In one month, **226** residents were alerted that their garage doors had been left open after dark. Patrol drivers investigated **66** flashing emergency lights; **617** homes were checked for vacationing home owners; and **271** visitors stopped by the Information Centers for directions and guidance. Day and night, drivers patrolled every street in Sun City Summerlin, adding **14,360** miles to the five cars' combined odometers.

## Community Preparedness Committee

The next CPC meeting is  
March 5, 9 a.m., Desert Vista.

### Spring Is Here, Tra La La\*

*It's March and thoughts turn to, well, spring cleaning.*

One of the important things you should consider this spring is cleaning out your garage. For many, the garage has become more than just a place to shelter your vehicle; it has become a storage unit for all kinds of stuff, a lot of which is just plain dangerous. And if you think not, just remember back to August when Sun City residents suffered from a garage fire that caused a lot of damage to their home. Think what damage a fire would cause in your garage with all those cans of paint thinner you may have stored ready to catch fire. A good spring cleaning is your opportunity to throw out all those unneeded flammable items.

Consider the following:

- ♦ How many cans of old paint, solvents and other chemicals do you have in your garage?

- ♦ When was the last time you used any of it?
- ♦ What about flammable garments, blankets, paper, and boards that you haven't used in months or even years that are stored near your furnace?

#### **If in doubt, throw it out**

Storing old stuff that is flammable can pose a serious risk to your health and safety. If you don't plan to use it within a few months, ask yourself if you really need it? By the time most folks get around to using those old items they are often unusable anyway, especially after a summer in the heat of your garage.

Do yourself and your neighbors a favor and get rid of unnecessary stuff. March is a great time to clean out the garage.

*\* With fond memories of Tom Lehrer and his pigeons.*

### Art Club Show Set for April 5-6

If you appreciate art, you will love the creations presented by members of the Sun City Art Club during the annual fine arts show, April 5-6, 10 a.m. to 3 p.m., at Desert Vista.

Works in oil, acrylic, drawings, mixed media, out of the box, water color and déjà vu will be presented for display and sale, along with miniature artworks added to the popular art bin for purchase. In addition, teacher art works, floral arrangements and potted plants with painted trading cards will be raffled off.

So who needs to travel to an expensive art gallery, when so many talented artists live and work right here in Sun City. Take in the show, enjoy the refreshments and music that will fill the ballroom, and maybe even invest in a new work of art for your home.

### An Option In Address Light Bulbs

Just like spring signals the gain of an hour on the clock, so should it remind residents to check the light bulbs on their outdoor address signs. Thank you to Sun City resident George Horvat, who stopped by the office to share some valuable information. According to George, Auto Zone stocks Sylvania 194 Long Life bulbs that work just perfectly for Sun City's placards. "These bulbs stay on 24/7. To install the bulbs, you need to swivel the bulb socket on the address bar 45 degrees down to enable you to install/or remove the bulbs," George said. The light bulbs average 3,000 hours each. The two-bulb pack costs about \$5. Another suggestion we found are the #1815 mini Bayonet-Base Lamp light bulbs at Radio Shack. A pack of two bulbs goes for around \$2.50.

### Pet Etiquette

*Help keep Sun City Summerlin beautiful. Remember to pick up after your dog while out on your daily walk. Dogs are a wonderful asset to residents, so please don't give them a bad wrap. Always pack a plastic bag and keep your four-legged friend on a leash. You'll keep them safe and your neighbors happy.*

## WateRobics: Jan Sperry

Jan Sperry had knee surgery in the middle of her move to Sun City Summerlin in June 2012. Having suffered from osteoarthritis since her early 20s, her orthopedic surgeon said he had never seen such severe arthritis and recommended a total knee replacement as soon as she got settled.

Jan did her best through physical therapy despite the severe pain, trying to loosen the knee. She started walking in the pool on her own, but often became exhausted due to the 24-hour pain brought on by her knees.

Nine months after her original surgery, a friend suggested Jan try a WateRobics class, and she started attending every day – sometimes twice a day because she felt so normal in the water. Finally, she could move without pain. Feeling so good, she added an Aquacize class and not only did her knee pain go away, but her sciatica skeedaddled!

Today, 18 months later, Jan remains mostly painfree. She never had the total knee replacement her doctor originally suggested. Most importantly, she attributes her improved knee health to her work in the water. Jan says she has regained muscle tone, her legs have tightened up, she is stronger in all four limbs and she has lost inches.

Getting to know so many SCS residents is a side benefit of the classes, Jan said. She is encouraged by Club members' delightfully positive attitudes that keep them coming to classes, especially the 90-plus-year-olds!

"I am inspired by the courageous cancer survivor who credits her success, in part, to participation in the pool classes," Jan said.

"I have had such great encouragement to continue coming to the pool and people telling me I'd feel better. And they were right. I am amazed at the healing properties of the water that improve our health more each day."

## Spotlight On Sun City Summerlin Resident: Arletha Kerns

By Ann Kmit

I just met a lady in the Sun City Swim Club who is an 80-something ball of fire. When asked how old she was, she said, "Just say I'm ageless!"

Meet Arletha Kerns, a 14-year resident of Sun City Summerlin. In her spare time, Arletha is the resident comedian at the Fiesta Casino's Tequila Club, where she wows the guests with jokes and conversation that's a bit on the racy side. She chuckles when she tells of the time when she was a little girl in the third grade: Her friend's mother did laundry for a white family and found a joke written on a piece of paper in a shirt pocket. She read it to the girls and they learned it and then recited the joke before the school assembly. That was all it took for Arletha to fall in love with the applause of the crowd; she's been doing it ever since.

But there is so much more to her story. Arletha was born in South Carolina and grew up in Detroit. She got her master's degree in social work and worked for the federal government. While working for the U.S. government in Korea, she met her future husband – he was a Colonel in the Army and they subsequently lived in Japan, Korea and the Bahamas. They loved to travel. She

recited some of the places they visited like Italy, France, Hong Kong and the Philippines. They truly explored the world.

But wait, there's more! Arletha began golfing and playing tennis as a youngster and continued both pursuits until recently when she had a hip and knee replacement. She still line dances, swims and exercises almost daily at Desert Vista and does her comedy work. She is a member of the Red Hat Club and the Round Table social group, and she is active in the Shadow Hills Baptist Church. Recently, in one week, Arletha attended the following Las Vegas productions: Celene Dion, Boyz 2 Men, the Michael Jackson tribute and Terry Fator, complete with a buffet beforehand. My, what a whirlwind party girl.

She is a happy, loving woman. Oh yes, in addition to her accomplishments, Arletha is proud to report that she has a daughter, Carol, one grandson and two great grandchildren. We are so honored to have Arletha as a member of our community.

## MY LEPRECHAUN

*I once dated a leprechaun, you know  
And everywhere we went, we really stole the show*

*I'm here to tell you that leprechaun was green  
From his head to his toe – if you know what I mean*

*When we danced we sure made a great pair  
But my gold chains would get tangled up in his hair*

*We mingled with royalty from the County of Cork  
And dined with Donald Trump in the state of New York*

*We sailed 'round the world on his 60-foot yacht  
It was green from stem to stern, it was real hot*

*He wanted to get married – I said no way  
If I married a leprechaun  
it would be a cold day*

*I have fond memories of that magical elf,  
And smile when I think of  
him in spite of myself*

## Sun City Ladies Love to Tap

The Tapettes were founded in the summer of 2013 by Linda Parker. The members include Linda Parker, a financial planner/author; Jane Ross, a dance instructor/designer; and Audrey Smith, a music teacher at Lummi Elementary School and a children's book author. All three ladies are residents in Sun City

and are extremely passionate about tap dancing. They strongly feel that tap dancing is not only good for the body, but for the memory, as well. Blaine Senior, a song and dance man, is their exclusive choerographer. You can see The Tapettes in action this month during their part in the "Give Me Gershwin" show at the Starbright Theatre on Saturday, March 8. ## PBS to feature Sun City Rock Star

*Story and photo by Jeannette Carrillo/Link*

PBS TV-Channel 10 will spotlight Sun City Summerlin resident and sculptor Sharon Gainsburg this spring during an episode of the television series “art Scene,” which airs at 7:30 p.m. on Wednesdays.

Sharon, who teaches the Artist Way, a 12-week workshop on unblocking creativity for UNLV’s OLLI (Osher Lifelong Learning Institute) program, has her work on display in collections belonging to IMAS Publishing in Henderson, Nev., Snapple Industries in Long Island, N.Y., General Electric Corporation in Fairfield, Conn., and Jersey Shore University Medical Center in Neptune, N.J., among many others.

In January, Sharon celebrated the grand opening of her new studio space at 1533 W. Oakey Blvd. in downtown Las Vegas, where a PBS camera crew stopped by to begin filming footage.

“PBS’ art series features artists from Las Vegas and nationally,” said Sharon. “I was selected by contacting them and telling them what I do, and they checked out my website and said, ‘You look more like national material.’”

The “art Scene” segment will feature Sharon working in her studio and interviews with her students, some of

whom live in Sun City Summerlin. Sharon, who has been a guest speaker for the Sun City Art Club, has met many fellow residents interested in art. Over the past few years, while Sharon has been teaching at OLLI, she said, “I have had many Sun City residents participating every semester, and many of them have now completed my intuitive painting class.”

About being featured on PBS, Sharon said, “I am very excited.”

“art Scene” is an Emmy Award-winning series in its second season. As of press time, no air date for Sharon’s segment was available as filming was under way. To check on the show schedule, visit [www.vegaspbs.org](http://www.vegaspbs.org).

## Shiloh and Pat Van

*By Pat and Shiloh Van*

My name is Shiloh. I think that I am a Nova Scotia duck tolling retriever. My mom, Pat Van, took me on as a foster dog about three years ago. Thankfully, she and my ‘Daddy’ fell in love with me and gave me my forever home.

Mom is always involved in helping dogs like me to find good families to live with. Some of my BFFs come over for play dates, but lucky for me I am an only dog.

Mom and I have spent many hours together helping me to learn manners. It has always been my nature to love people, especially when they say how soft I am. So, we decided to become a therapy team! My certification is through Therapy Dogs, Inc. We volunteer at hospitals and hospice. It is such fun to be able to cheer someone up, that includes patients (old or young), visitors and, of course, staff members.

Mom belongs to the Aquacize Club here in Sun City. But since I came along she spends more time with me than the Club. She always makes time at Christmas to collect toys and canned goods from all of the Club

members. We take the stuff down to the Salvation Army. Thank you to all of the nice Aquacize people for your generous donations.

## Spokesmen Revisited:

*Motorcycle Club Open to All Makes and Models of Riders*

*Jumper, a k a Jim Elgin, 75, of Sun City Summerlin.*

They go by names like Jumper, Beek, Drags, Gizmo, Hawkeye and Quacker.

They abhor drama and love to have a good time, riding their motorcycles through the Southern Nevada scenery, meeting every Sunday morning at the Chevron gas station at West Cheyenne Avenue and Interstate 215 (just outside Sun City Summerlin), where Spokesmen MC Las Vegas, Nevada, members arrive, fuel up and visit before heading out on the day's adventure.

The rides can take the motorcycle club anywhere from Mount Charleston to Mesquite and Death Valley to Zion National Park.

"We just did the Bordello Run in Pahrump," said Sun City Summerlin resident and club member Jumper, a k a Jim Elgin, 75. "It was mandatory that we had to stop at four houses."

Getting serious, Jim said the club is "about camaraderie, and I don't use that word lightly."

Jumper, who has been riding with the Spokesmen for over a year, takes his name from his experience jumping out of airplanes while in the United States Army's 101st Airborne Screaming Eagles. Jumper said his buddies have been there for him in times of need, including the time he needed a ride to the airport at 5 a.m. or transportation back from the hospital following surgery.

This month, the Spokesmen will participate in the Bikers for Boxers fundraiser on Sunday, March 16.

"We have a member, Hawkeye, who loves dogs and he's putting the event together for the club," said current

President John Griego. John, a k a Drags, got his name on account of his former NHRA status as a record-setting drag racer.

"We don't have fundraisers, per say, but we participate in a lot of rides to help support others' causes," he said, listing annual events like the Toys for Tots ride and the Ride For Kids that benefits children with brain cancer.

Drags, along with four other club members, started the Spokesmen in August 2012.

"There were five of us who belonged to another club here in Vegas," Drags said. "We left it because we wanted to be able to admit women. Today, all women are equal members in the Spokesmen. We don't have any dues. We're a social club that just loves to ride."

Drags explained how the original Spokesmen motorcycle club was chartered in the 1960s. And when he and his friends decided to form a new club, they looked to reprise the Spokesmen partly because one of the five was a member of the 1960s club.

"We took the name and the original patch. The only thing we did different was change up the design from a three-piece patch to a one-piece one to signify adding the women," Drags said.

Members come from all over the valley. Today, the Spokesmen MC Las Vegas counts 53 members on its club roster and welcomes visitors all the time.

For more information on the Spokesmen MC Las Vegas, NV, email Jumper at [valkyrienynv@aol.com](mailto:valkyrienynv@aol.com).

## Aquacize

We had a nice Valentine's dessert social and business meeting on Tuesday, February 11, at Desert Vista. Thanks to all who helped with the social and to those who donated gifts.

Those of you who haven't experienced the fun and friendship of Aquacize, **come and join the fun for just \$10 a year after trying it out two times for free.** Winter classes 8 and 10 a.m. at Sun Shadows; 8 a.m. and 7 p.m. at Desert Vista. For more information, call Club President Marilyn Kristal, 778-7419.

## Art

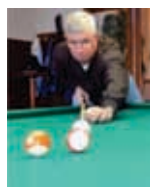

Our next meeting will be held at 1 p.m., March 17, Desert Vista. Our program will be on Zentangle. **Learn the ins and outs, swirls and twirls of this new art form from a certified Zentangle teacher.** The fine art show is coming up April 5-6. Get busy preparing your art entries. A new category at the art bin will include the sale of framed miniatures, (9x7 or smaller, including frame), or oils (6x6, 9x7 or smaller) unframed. See entry form for details. Hear the final plans for the art show and join the fun by volunteering. Don't forget to visit the art display at Mountain Shadows. For information, call Sandy 405-8559.

## Arthritis

This low-impact pool exercise club meets Tuesday and Thursday, 10:30-11:30 a.m., Desert Vista indoor pool, and safely moves every part of your body. Stretching, range of motion, flexibility and balance exercises improve health and wellness. We recently rescinded the need for signed medical permission slips. However, we urge new members to check with their doctor to make sure they are fit enough for the class. **Our instructor, Tim, is certified for water exercise and first aid from the American Red Cross.** Call Peggy, 489-3586, or Rosemary, 363-0971.

## Beading and Jewelry

We meet most Tuesdays, 1-3 p.m., in the silver room at Mountain Shadows (crafts building). Annual dues are \$10. March 4 is our 1 p.m. business meeting at Desert Vista. Please note that day's change of venue. Our featured class on March 18 will be **Ellen Crawford's junk dangle necklace.** Come learn how to turn those extra beads **sitting in your closet into a work of art.** To register for the next beading introductory class (no previous experience required), call Ellen, 478-8806. For information, call Vicki Socol, 256-6247.

## Billiards

We shoot pool every Monday, Wednesday and Friday, noon to 4 p.m., in the billiards room at Desert Vista. For information, call Bob Richardson, 286-1448.

## Bocci Ball

Open Bocci: **Mondays and Thursdays, Sun Shadows.** **Game start times are 2 p.m.** We welcome new members. If you know how to play, great; if not, it's easy to learn. Call Rose, (203) 314-3527.

## Ceramics Club Invests In the Community

*Photo by Edie Bush*

The Ceramics Club participates in charity projects throughout the year. During the holidays, members create whimsical banks for the children in the pediatrics unit at Summerlin Hospital. In addition to the cute animal banks, children get a roll of nickels to help get their savings started. Another project close to members' hearts are the ceramic containers they create for seniors enrolled in Catholic Charities' Meals on Wheels program. Ceramic goodie bags are stuffed with requested sundries and hand-delivered in December.

## Sawdusters' Studio a Glorious Construction Zone

The Sawdusters Club is a group of men and women who work their passions in the woodshop at the Pinnacle community center. This month's meeting will be on March 5, 9 a.m. Residents interested in the Club are welcome to stop by. According to Club President Bev Pasco, a former resident of Michigan, Club dues are \$30 a year, plus supplies. Current projects include (top, right to left) Joe Ficara's miniature carousel, which will feature horses that move up and down; Jim Saylor's sculpted wood

bowl that will eventually be given to a charity for an auction; and Frank Panfili's miniature violins and guitars. A beautiful life-size piece can be seen in Rich Habel's custom-made bookcase that he's crafting for his home. The woodshop is located on the north side of the Pinnacle, closest to the computer lab. If you can't find it, just listen for the high-pitched whining of the band saws or the many other pieces of equipment.
