Best Wishes for Happiness and Success in the New Year

I would like to take this time to express my sincere appreciation to all of the members of the Association for the support and dedication they bring to Sun City Summerlin. I also would like to thank all of you for your feedback and suggestions in 2013. Your input is vital to our continued success of the development.

It was in December last year that I was selected by your Board of Directors to be your new executive director. It has been a very busy year. From completing the remodel of Mountain Shadows to working toward a resolution of our restaurants and everything in between. The challenge and goals are clear, and I continue to dedicate my professionalism to your community. The future of the development is my top priority. As you have selected this to be your home, I have made a commitment to ensure that your choice is and will continue to be the right one.

In 2014, more positive things are in the future and you as homeowners have an investment in its success. With these accomplishments, you will have even more reasons to say Sun City Summerlin Community Association is where you call home.

And finally, on a personal note, I hope you enjoy all that the holiday season has to offer and, as always, please do not hesitate to e-mail me at patty@suncitylv.com, or call me on my direct line, 966-1409, if I can be of assistance to you.

Best wishes to you and your family for happiness and good health throughout the coming New Year.

Navigating the Link Website, www.suncitylink.com

Sun City Summerlin's Link magazine initiated its official website, www.suncitylink.com, in August. In addition to timely story coverage of club and Association events, the website features videos and slideshows on news of interest when it happens, in real time. As promptly as the Link can corroborate information, it is ready to be shared with its readership.

A website differs from Internet newsletters in that it does not just revise its content at a scheduled time. Rather, www.suncitylink.com updates information whenever, and as often, as newsworthy occasions happen. It is an ongoing news source. Readers should keep the site's URL readily accessible on their desktops, or better yet, selected as their home page so that they can keep up with what's going on in Sun City that day via the THIS WEEK IN SUN CITY section on the home page.

If not their selected home page, residents are encouraged to check the site every day, knowing that information might even be updated multiple times a day. The website supports and expands coverage of articles in the Link and posts the addresses of weekly estate/moving sales every Thursday afternoon.

The Link website is produced by the same staff that produces the monthly printed Link magazine. Adherence to

professional journalism standards dictates that information on the website is factual and unbiased; www.suncitylink.com strives for accuracy in its reporting and accepts suggestion, as well as notices of critique and correction. Due to ongoing informational value, some reports may remain on the site longer than others.

SCSCAI President's Message

Get Involved With the Great Things Happening in Sun City Summerlin

Good day to all our Sun City Summerlin residents. We are fortunate to live in such a great country and such a great community. On behalf of the Board of Directors, we wish you all a most happy and joyous holiday season.

As I write this note in late October, we are deep into getting the lease approved for an operator to take over the Vista Grille. Sue Papilion, the restaurant committee and the whole SCSCAI Board are working hard to make this lease happen. As someone once said, the devil is in the details, but it looks good so far.

The other activity that will have happened by the time you read this is the signing up to run for the Board of Directors. Our community works so well at such a fair price because of all of our volunteers on the Board and committees, as well as the talented and hard-working staff under the direction of Patty Rosia, our executive

director. Occasionally, attend a Board meeting and some of the committee meetings. You might even want to volunteer to sit on one of the committees. If you are so inclined, talk to the committee chairperson. The Board and committee schedules are in the Link. Get involved! Help keep Sun City Summerlin such a great place to live.

And finally, thanks to Jeannette and Kim and the rest of the Link volunteers for producing such a great magazine. Take a look at the online Link, www.suncitylink.com. I think you will like it. Make it your home page.

Volunteers Needed for the 2014 Election Committee

Elections and ballot votes in Sun City Summerlin are conducted by a neutral, non-partisan group of community members. The only qualification is to be a homeowner. At the start of next year, there will be the annual election for directors to the SCSCAI Board that will require a ballot.

The Election Committee members work on tasks of their choice in coordination of the overall election. They meet occasionally to discuss voting matters and ballot-counting issues. Members help prepare the actual print copy, write articles for the Link and arrange to have the outdoor signs placed. The Association arranges for refreshments for the members and volunteers during voting and counting days.

It is also necessary to set up operations of the voting and counting days. Only on actual counting days and meetings are all members asked to be present. Actual work days rarely exceed four or five, and those are usually partial days. **All Election Committee communications are by email.**

If you are interested in helping a vital Sun City committee, please call Lorin Martin, executive assistant to the executive director, 966-1408. Your name will be put in a file and contact will be made when the Election Committee is forming.

Beginner Golf Clinics a Smashing Success

November resident beginner clinics were a big success. The golf department sold out the first 12 spots in four hours and had to open up a second session, which sold out in two days. Sun City will be running a January resident clinic, which also has sold out, due to the overflow wait list from the November clinics. Since these resident beginner clinics have been so successful, the golf department will look to do more in the spring as the weather warms up. So, keep your eyes on the Link and www.suncitylink.com to claim your spot in an upcoming clinic. In Sun City, everyone from the pros to the pro shop staff are dedicated to getting more residents out on the greens in 2014!

Enjoying the Holidays

The time between Thanksgiving and New Year's Day is the most festive time of year for many people. It also can be a time of stress for many of us. If the holidays make you say "oh no" rather than "ho ho," consider these suggestions for eliminating stress and enjoying the celebrations of the season.

Kristie McWhorter
Director of Fitness
kristiem@suncitylv.com

Make Conscious Choices

Set reasonable expectations for yourself and others. Organize your time and prioritize activities. Be realistic about what you can and cannot do. Think about what you really enjoy during the holidays and plan ahead to include those activities. Also, remember what you don't want to repeat from the previous holiday season. Don't overcommit yourself to too many activities. Careful scheduling and starting chores early can help you better enjoy December events.

Take Care of Yourself

Before the whirlwind of the season starts, recommit to a workable routine of self-care to ward off stress.

Exercise. Exercise helps you manage the stress of the holidays and help keep the pounds off from holiday eating. Even if you can't do your normal workout due to time constraints, any amount of exercise will be beneficial.

Sleep. Be sure to get a full night's sleep every night. Being consistent in waking and sleeping times will help you to maintain energy throughout the day.

Eating. Be aware of what you are eating and drinking. Holiday foods can easily affect your energy levels and cause your blood sugar (and mood) to rise and fall. Enjoy your favorites in small amounts.

Relax. Meditate, listen to music or just relax without feeling guilty about not "doing."

Do Something Fun. De-stress by treating yourself to a comedy movie, maybe even something beyond your normal tolerance for silliness.

Connect with Others. The holidays are a time for enjoying the company of family and friends, the ones who offer you emotional support, care about you and make you laugh.

Give to Others. Planning some volunteer time for the holiday season also may reduce stress.

The Fitness Department staff wishes all the residents a safe and enjoyable holiday season!

Remember Safety First During the Holiday Season

The holiday season is here again. This is the time of year when we need to be especially aware of the hazards around our homes. Here are just a few suggestions from the Community Preparedness Committee to help keep our neighbors safe during this holiday season:

- ◆ Every home should have at least one fire extinguisher that is fully charged and ready to use if needed.
- ◆ Remember to check on and extinguish all candles before going to bed or leaving the house. Never leave a candle unattended. If you have pets, please take precautions to protect them from being burned or tipping over a lit candle.
- ◆ When using holiday lights, please check them for damage prior to using and, if using them outside, make sure they are rated for outdoor use. Never use damaged lights.
- ◆ When using extension cords, check for damage before using. Never try to repair a damaged extension

cord; just throw it away. Be careful not to overload your electrical outlets.

- ◆ When purchasing a Christmas tree, look for a tree that is as fresh as possible. Test its freshness by closing your hand over a branch and running it down the branch to see how many needles fall off. The fresher the tree, the fewer the needles that will fall off. Always place your tree away from all heat sources and remember to keep it watered. A dry tree can be a fire hazard. If a Christmas tree catches fire, it can destroy a home in minutes.
- ◆ This is also a good time to test your smoke detectors to make sure that they are working properly.

Leo Crawford
Chairman, CPC

We in the Community Preparedness Committee wish all of our friends and neighbors a safe and happy holiday season.

“It was the best of times . . .”

Serving as Security Patrol Chief has been one of the best times I have experienced in many years. It was under the most unfortunate circumstances, the death of our friend and former Chief Lou Polizzotti, that I accepted the Chief’s position. As Lou’s assistant, I had spent considerable time with Lou, discussing a philosophical and leadership direction that we agreed should constructively serve patrol officers. Ultimately, we agreed

that whether serving four hours a week or more, the time patrol members spend on duty should be safe, comfortable and gratifying, as well as productive. It’s usually serious business, often rewarding and sometimes we have fun.

I quickly discovered that more than 240 patrol volunteers individually do assigned tasks with enthusiasm and dedication. In fact, each patrol member works so well and autonomously that there is little need for close supervision. It became apparent that my position was to encourage and direct patrol activities. A lot of the chief’s time is spent “putting out fires.” During my past 20-plus years of volunteerism, I have seldom experienced the sense of dedication and pride that is routinely demonstrated by the Security Patrol membership.

Much of our effectiveness is attributable to the Patrol’s administrative officers with whom I have served this past year. They work abundant hours to keep our day-to-day responsibilities running smoothly. As well, the elected Association board members give the patrol outstanding support. Security Patrol board members, past and present,

have encouraged me through the process of becoming a more effective chief. I thank the executive director and our Association staff, all of whom were generous with their help to me.

One of our patriarch members taught me that the patrol has traditions dating back more than 20 years. I learned that, although our activities are directed by a policies and procedures guidebook, we are steered philo-

sophically by traditions established by our predecessors. These traditions teach us humility as we conduct our everyday duties.

My wife, Susan, and I have delayed travel plans in order to complete Lou’s year of tenure. In 2016, I plan to again seek election to the Security Patrol Chief’s position.

To patrol members and the residents we serve, I hope this year has been satisfying and productive. I trust that we will continue our work with the same sense of pride and duty that I have experienced during the past year.

Recycle Program Starts for Sun City Commercial Buildings

At the October 8 meeting of the Sun City Summerlin Community Association, Inc., Board of Directors, a resolution was unanimously passed to begin a recycle program within the following buildings:

- ♦ Palm Valley, Highland Falls and Eagle Crest golf courses
- ♦ Sun Shadows
- ♦ Desert Vista
- ♦ Vista Grille
- ♦ Mountain Shadows
- ♦ Pinnacle

The intent is to convert normal trash discards into recyclable materials. Acceptable recyclables include:

- ♦ Office paper
- ♦ Aluminum & steel cans
- ♦ Phone books
- ♦ Junk mail
- ♦ Cardboard
- ♦ Brown paper bags

- ♦ Paperboard
- ♦ Magazines and catalogs
- ♦ Plastic bags and shrink film
- ♦ Plastic bottles
- ♦ Newspapers

When you attend any event in the six locations or visit a club facility, you will find a new, blue container to deposit your recyclables. All of the Administrative offices at Sun City will be part of the program.

Republic Services of Las Vegas has agreed to lower its bill for services by \$7,843 per year when the Association institutes the recycling program.

This program does not affect the recycling program for residential properties in Sun City.

Coyote Sightings on the Rise in Sun City

Residents Urged to Take Care of Small Pets

Representatives from the Nevada Department of Wildlife cite recent wildfires in nearby mountains and the abundance of birds, rabbits and fresh water on Sun City's golf courses as reasons why coyotes are being drawn to the area.

If coyotes are frequenting your neighborhood, you can be certain they are being fed or are finding food. The key to preventing attacks is to eliminate temptations such as pet food, garbage and drinking water. Work with your neighbors to eliminate food sources that may be attracting coyotes. If a cat or dog is fed outside, always bring leftover food inside as soon as the pet has finished eating. Never feed a coyote. Providing food makes them

lose their natural fear of humans.

It is a good idea to stay with your pet whenever it is outside.

Walls surrounding your property and devices such as motion-activated lights have limited effectiveness. Coyotes have tremendous abilities to jump over or dig under fences.

Lastly, always abide by leash laws when walking your pets. Pets on a leash are safer than those that roam freely.

BOD Wants to Hear From You!

Residents Invited to December 19 Brainstorming Session

The Sun City Summerlin Board of Directors would like to invite all residents to a brainstorming session on Thursday, December 19, 9 to 11 a.m., at Desert Vista community center.

The purpose of the meeting will be for residents to present and discuss ideas on how to improve the amenities Sun City Summerlin offers.

All suggestions must comply with SCSCAI's CC&Rs, and they must be able to be financed within the Association's budget. Once submitted, ideas will be discussed to determine if they need further study. No decisions will be made during the meeting. Following consideration and adequate research, ideas found to be solid and cost-effective will proceed to SCSCAI's Board of Directors for a vote.

Sun City Sub-association Members Adapt to Enhanced Recycling Program

Palmridge Drive sub-association's 56 member homes converted to Republic Services' Clean Community and Enhanced Recycling Program in September. The program's aim is to encourage more citizens to recycle by eliminating the tasks of separating recyclables and carrying heavy crates to the curb. For program participants, Republic provided two medium-size wheeled containers – one for trash and one to hold all recyclables. The carts come in three sizes. Trash and recyclables are picked up at Palmridge Drive homes once a week on Friday. The system uses mechanized collection trucks that will work only with the new carts. Carts are rolled into the street with wheels backed against the curb.

Palmridge Drive sub-association volunteered as the first group in Sun City Summerlin to make the conversion to enhanced recycling. The effort is independent of current trash collection procedures put in place by the master association, Sun City Summerlin Community Association, Inc. At this point, the program is entirely voluntary.

Joyce Sherwood, a 21-year resident of the Palmridge Drive association, exchanged her containers for the new cans. Joyce is delighted with the program because "both containers fit nicely inside my garage, and I don't have to make three trips to the curb while carrying heavy recycling containers."

Herb and Beverly Smith, Sun City residents for seven years, chose to keep the two medium-size containers. "It's a good deal," said Herb. "We park a car and a golf cart in our garage. We keep the recycling can in the garage and put the trash container outside."

Desert Butte Drive resident Jean Olson had Republic Services swap her medium containers for the more popular smaller ones. "It's perfect for me. I put the trash out every Friday and the recycling container only as often as I can fill it."

Fran Hinden, another Palmridge Drive resident, said she wasn't "too happy" with the new system. Fran does not like having to keep food scraps in her trash container for more than a day or two. Other residents, too, expressed that objection, but they are dealing with it in various ways, such as wrapping scraps in foil and then placing them in a plastic bag before depositing them in the trash container. Another resident said she hasn't detected any odor, but keeps a can of Lysol in the garage and gives the trash can a spritz whenever she thinks it might need it.

Directly across Rampart Drive, 2,500 homes in Sun

City's adjacent community of Desert Shores have been participating in the enhanced recycling program for nearly two years. Desert Shores' resident Jan DeRoth immediately exchanged her containers for two of the smaller ones and now she does a lot more recycling. Jan completely fills her trash and recycling cans once a week and said, "It's easy; I'm 75 but I am not too old to learn some new tricks."

According to Steven DeStefano, Republic Services project manager, more than 150,000 Clark County citizens already are participating in the enhanced re-

cycling program. DeStefano broke that number down to roughly 60,000 in North Las Vegas; 80,000 in Henderson; 15,000 in Las Vegas; and 7,000 in unincorporated Clark County. In Henderson, the program kicked off in 2010 and Republic expects to have every Henderson home involved by the end of this year.

Any group wanting information about converting to enhanced recycling, or individuals with questions, may call Project Manager DeStefano on his direct line, 599-5561. For more on the program, visit www.republicservicesvegas.com.

The Musicmakers

A Powerhouse of Professional Experience

The Musicmakers draw on the experience of members who have worked with such artists as Eartha Kitt, Julie Christie and Michael Jackson. The group rehearses every Monday at the Pinnacle at 1 p.m. The club is open to new members year round.

~ Photo by D.J. Minella/Link.

The Sun City Musicmakers is a diverse group of seniors who love to sing! The group is about 30 members strong who read and comprehend music.

Most members have had experience with choral groups in the past whether with a church choir or various community choral groups. Then there are members with professional backgrounds. George Pollock has played piano on the Las Vegas Strip for 40 years as a band member or piano soloist. He has been an accompanist for such great stars as Eartha Kitt, Julie Christie and many others.

Irene Tolbert has an extensive music background, as well. At 15, she was a member of an all-girl band – she sang and played violin; at 18 years of age she conducted an a cappella church choir; and she sang with the big bands of the 1940s and '50s as a featured vocalist.

Pat Skulrak sang with the prestigious Master Singers of UNLV.

Jeanene O'Shea has performed magic at many venues with her accordion expertise.

The talented Megan Schnizlien, choral director of this group, is a native of Las Vegas. Megan began playing the piano at the age of 7. She sang in various choral groups from grade school into high school and college. Currently, she is a student at UNLV working toward her BFA in music education with an emphasis on choral studies and vocal coaching. She is also the music director at Heritage United Methodist Church, where she directs an adult and children's choir. Megan is also mu-

sic director for Broadway in the H.O.O.D. (Helping Others Open Doors) a community theater group that produces quality Broadway musicals in at-risk neighborhoods in Las Vegas. Recent works Megan has been a part of include performances with Gordon Mote, Gustav Mahler's Symphony No. 2 with the Las Vegas Philharmonic and "The Color Purple" at West Las Vegas Library. Megan enjoys teaching musical skills to the Musicmakers, and in January/February will be conducting three free workshops in music appreciation at the Pinnacle music room (January 8 and 22, and February 5, 1-2:30 p.m.). Topics covered will be ways to warm up your voice before singing, simple note reading techniques and the positive health effects available through singing.

Eddie Fluellen, piano accompanist, began his musical journey at the age of 8 years old in Akron, Ohio. Eddie is also an accomplished trombone player, who writes, arranges and produces music. Eddie now resides in Las Vegas, where he is consistently called upon to perform with a variety of well-known local and national acts, most notably he played for Michael Jackson.

Musicmakers always welcome new members to join their group. They perform two concerts a year – one in the spring and another during the holiday season. This means rehearsals are ongoing from January to June and September to December.

This year's holiday concert at the Starbright Theatre is December 14-15. For more information on times and ticket prices/sales, see page 30.

The Silvertones

From Sing-along to Full Force Chorus, Group Is 50 Members Strong and Growing

The Silvertones will perform for family and friends at the Starbright Theatre, December 7-8. For additional information, see page 30.

~ Photo by D.J. Minella/Link.

The Silvertones have been entertaining Sun City residents and friends since signing the original constitution on April 22, 1991, one of the first charter clubs in Sun City Summerlin. We began as a sing-along group and performed free of charge at Desert Vista. As we improved over the years, we outgrew Desert Vista's small stage and moved to the Starbright Theatre, thus requiring additional revenue beyond just membership dues. By then we had attracted a fan base willing to support us through ticket sales. Our 20th anniversary concert drew a sellout crowd.

Our present director and accompanist, George Puccini and Martha Olson, have challenged us to higher levels of performance throughout the past 16 performances. George selects a theme and researches all music genres for the correct music that fits the chosen theme. He then carefully arranges, scores and choreographs the music to appropriately fit the ranges and talents of the Silvertones' chorus, always advancing the envelope a few degrees.

Martha interprets George's composition and, with skilled fingers on the piano, breathes life into his notes and symbols. She hammers the musical score into our heads and out through our voices. If the piano were a Tommy gun, we'd all be dead. She's the only person I know who broke her wrist pounding the keys. We manage to maintain a roster of approximately 50 members. As usual, the women outnumber the men at a 30/20 split, allowing ample voices for the

four basic sections – soprano, alto, tenor and bass. Some of our singers reach high soprano and high tenor ranges. A section within the altos sings harmony, much of their music written especially for them by our director. Occasionally, we perform four-part harmony.

George and Martha select voices that blend especially well together to form duets on up to choruses of a dozen or more singers, and we have no shortage of capable soloists. Utilizing our variety of talents from singing to dance to light and sound from the booth and even carpentry to build sets, our performances remain fresh and exciting.

We do not require an audition to join Silvertones. If you can carry a melody, like in the shower (or elsewhere since we do require clothing), we will find a place for your voice. If you are capable of harmonizing, indeed, you are welcome.

In addition to our two seasonal concerts each year, we have performed within the community, most recently at the opening of the new fire station in Sun City. We have performed for other clubs, community centers and one time at the Suncoast.

I am proud to represent Sun City Silvertones as its president these past two years and as president-elect for the 2014 season.

Kick
ankle pain
 to the curb

Do you suffer with ankle pain so much so that it's impacting the quality of your life? You have options. Arthritis, reduced range of motion, and decreased quality of life are a variety of problems associated with ankle pain. New technologies, such as Wright's INBONE® implant, are available to help restore your normal lifestyle by providing stability, improved mobility, and reduced stress to the joint. Ask your doctor if INBONE® could be right for you and free yourself of ankle pain.

The INBONE® Total Ankle is intended to give patients limited mobility by reducing pain and restoring movement in the ankle. There are certain risks with ankle replacement surgery, which you should discuss with your surgeon. These may include pain and bruising, damage to blood vessels or nerves, infection, or blood clots that can travel to the heart and lungs. As with any joint replacement, the prosthesis cannot be expected to be as strong, reliable, or durable as a natural healthy human joint. Please visit inbone.com for more information. Additional product labeling can be obtained by calling 800.238.7117.

CLUB SPOTLIGHT

Shuffleboard Club Takes Home Medals from Nevada Senior Games

From left, Charmaine Young, Susan Neiry, Jerry Silvers, Rody Mejia and Stan Chupnick

The Nevada Senior Games shuffleboard competitions were held on Saturday, October 5, at Justice Myron E. Leavitt Family Park at East St. Louis and Eastern avenues in Las Vegas.

The event involved individual, as well as team competition (on Sunday).

We are proud to announce that our Sun City Summerlin Shuffleboard Club won five gold medals and two silver medals against strong competition. The major competitors were seniors from clubs that traveled to Nevada from cities as far away as Seattle. This competition was based on national regulation shuffleboard, with referees, judges, score keepers and special beads applied to each court.

This was the second year that Sun City participated in the Nevada Senior Games.

Security Patrol

By the numbers: The five Security Patrol cars were driven a combined total of 172,000 miles during the past 12 months. Currently, the patrol roster has 240 members, translating to more drivers patrolling the community than ever before. It should be noted that six years ago, before the Patrol began driving hybrid cars, we averaged 16 miles per gallon of fuel. Currently, the hybrid patrol cars are averaging 40-41 miles per gallon. Security Patrol is a community service organization whose volunteers make Sun City a safer place to live. If you need help or information, call 254-2303, any time. Waterobics

We have outstanding instructors that really get us moving through the water for a great pool experience. Check us out on-on-one. We welcome all residents to participate in classes twice before joining. You can't beat the water for getting more out of a workout. Eight 45-minute workouts weekly at 9 a.m., Monday through Friday, plus Monday, Wednesday and Friday at 1 p.m. All sessions are designed and led by certified instructors in the Sun Shadows pool. Dues are \$110 per year and pro-rated each month for new members. We have fun activities throughout the year. Officer elections are December 12 at the general meeting. For more information, call Adrienne, 228-5673.

Women's Club

Fun, good food, entertainment and prizes are in store for members at the holiday party on December 19, Desert

Vista. Our incentive program drawing will be held, lunch will be served and we will be treated to the songs and musical stylings of Vita Corimbi. She has appeared in the show "Menopause the Musical" and has been the pianist for the Las Vegas Tenors. Doors open at 11:30 a.m.; program begins at 12:15 p.m. Call Judy 242-0727.

Writer's Workshop

If you love to write and want to be inspired by the most talented and friendly people in Sun City, come join us the second and fourth Monday at Sun Shadows, 9-11 a.m. Whether you're interested in memoirs, poetry, novels, short stories, etc., we have classes and members to assist you in a social and educational atmosphere. We welcome visitors to come and enjoy listening to our talented writers and poets. Because of the holiday season, we will be having only one session on Monday, December 9. **Our holiday party will be on December 8, Desert Vista, 3:30 p.m.** Contact Jerry Silvers, 489-3305. Also, visit our International blog, www.suncityww.blogspot.com.

Yoga

All of our yoga classes are held at Desert Vista on Tuesdays, Thursdays and Saturdays, 8:15-10 a.m. Beginners are welcome in any of our classes. **The only requirement is that you can get up and down from the floor without assistance.** Monthly fees: one class weekly, \$20; two classes weekly, \$30; three classes weekly, \$45. Walk-ins any time are \$5 per class. Elections, December 17. Call Carolyn, 243-3758, or Marilyn, 254-6280.
