I know that I run the tightest service company in the business. I belong to a National Organization of highly motivated and technically competent heating and air conditioning contractors. Now, how am I going to prove all this to you if I can't get your attention?

Right! I make you a spectacular offer you can't refuse and win you as a new client for life.

Back to my offer.

My Super-Tune-Up includes a painstaking and thorough 14 point examination of more than 50 potential problem areas in your air conditioner. ## Link Always Looking to Improve

The November 2012 resident survey conducted by the Sun City Summerlin Community Association, Inc., included the question: How can we improve the Link magazine? Responses from residents fell basically into eight categories:

- ◆ Advertisements
- ◆ Announcements
- ◆ Editorial Board
- ◆ Overall
- ◆ Costs – production/design/mailing
- ◆ Calendar
- ◆ Editorial suggestions
- ◆ Board of Directors

Overwhelmingly, responses reflected favorable comments about how the Link “keeps improving,” how residents “love” the photography and that the magazine is helpful. Some responses, of which a few are listed below, require clarification:

1. Sell enough advertising to pay for it.
2. The Link is overstaffed.
3. Offer it electronically.
4. Make sure it can be forwarded to snowbirds.
5. More articles about past accomplishments or interesting things happening about residents.
6. New people on the editorial board.

In fact, the Link does sell enough advertising to pay for itself and even generates a profit that is used to offset Association expenses. The Link is 100-percent funded by its advertising revenue. NO Association funds, including resident dues, are ever used to help pay for the Link. The Link is staffed by two full-time people – a managing editor and an ad coordinator, plus one freelance graphic designer. In addition, the Link’s editor is Patty Rosia, who is the executive director of SCSCAI.

The Link is available online at [www.scscail.com](http://www.scscail.com). The magazine posts to the Association’s website approximately the last week of the month (ie: the May Link will be

available online by about April 22). In addition, the Link is forwarded to snowbirds who fill out the appropriate Change of Address form at the Link office at Desert Vista. Forwarding the Link through the U.S. Post Office does not work.

The Link features stories about residents and their accomplishments every month as space permits in the Community News and Neighbors sections. The magazine actively seeks resident input regarding story ideas to: Jeannette Carrillo, managing editor, 363-1546, or [jeannettec@suncitylv.com](mailto:jeannettec@suncitylv.com).

As for new people on the Link editorial board, there have been two in the past two years. Residents are welcome to participate in or join the Link editorial board, especially if they have publishing experience. The Link board meets the third Friday of the month at 9 a.m. in the Committee Room at Desert Vista.

As a result of the survey, the Link has made several changes suggested by residents, and is in the process of researching other ideas, including:

### Accomplished

- ◆ Increase the print size.
- ◆ Have a monthly calendar for restaurant specials/events.
- ◆ The Link accepts residents’ complaints about advertisers and has pulled ads.

### In Progress

- ◆ A business plan to create a Link website.
- ◆ Future articles by SCSCAI Board members that update projects.
- ◆ A Dining Deals section that features special offers by local restaurants to SCSCAI residents only.

The Link thanks all residents who participated in the survey.

## Board of Directors' Motions for March 2013 • [www.scsc.ai.com](http://www.scsc.ai.com)

*Copies of the minutes in their entirety can be purchased for 10 cents per page at the Administration office 30 days after the meeting.*

- ◆ The President appointed the following Board members to the SCSCAI committees: Properties, Sue Papilion; ARC, Ken Carocchia; Golf Oversight, David Steinman; Finance, Jim Akers; Legal Services Committee, Bruce Alitt; Information Technology, Leo Crawford; Community Preparedness Committee, Leo Crawford; CCOC, Ellen Bachman; Fitness Advisory, Dick Danzak; Link Advisory and DHRC, Ken Resnik.

*(Note: There will be some changes regarding chairmanships at the next Board meeting, but this is what occurred at the last BOD meeting.)*

- ◆ The Board of Directors approved a motion for the executive director to contact the two (2) attorneys/law firms recommended by the Legal Services Committee and request proposals from them to be SCSCAI's general counsel. Their proposals should include rates, contacts and other pertinent information as required by the executive director. Said proposals are to be supplied to the Board and to notify these two (2) firms that the BOD would interview them at the next Board meeting, which is an evening Board meeting (April 8, 2013).
- ◆ The Board of Directors approved a non-budgeted project to install a new audiovisual entertainment system at the Desert Vista and Pinnacle fitness centers. This new entertainment system includes flat screen televisions, transmitters, receivers and other necessary equipment. Costs are estimated at \$5,147 for Desert Vista and \$4,442 for the Pinnacle. The project was unanimously approved by the CAP Committee to install the new system in Pinnacle and Desert Vista for less than \$10,000.
- ◆ Motion to accept the audit for the year ending June 30, 2012, and submitted by Hilburn and Lein CPAs on October 31, 2012.

- ◆ The Board of Directors approved a motion that Legal Services Committee review AB 34 and AB 44 and make appropriate comments as what is effective both financially and procedurally on Sun City Summerlin to be completed by the next Board meeting.  
(Mr. Crawford, president, appointed a committee to strategize, once the results are back – how to implement them. The ad-hoc committee is Sue Papilion, Patty Rosia and Leo Crawford.)
- ◆ Motion to provide authorization to Mr. Ken Resnik to review and revisit the Procedures, Motions filings of the Board of Directors and their proceedings with the Executive Director and staff.

## Exercise Keeps Resident in a Youthful State of Mind

Since moving to Sun City Summerlin, my life has returned to the carefree years of my youth. It is now like summer camp year round. I enjoy the same activities of my pre-teen years. This includes riding my bicycle to the fitness center almost every day, where I swim, participate in body sculpting exercise class, yoga, working out and spending free time on my projects in the model shop.

In the Swim Club, the coach has taught me new strokes and has helped to perfect my form. As a result, I have won a sock full of swimming medals, am president

of the Swim Club and have qualified for the Senior Games national swim meet every year. Recently, I have begun ice skating weekly at a nearby ice rink.

This winter I had the opportunity to water-ski several times. Despite some initial trepidation after not skiing for five years, it turned out to be surprisingly easy and not nearly as tiring as it used to be.

Overall, I feel I am in better physical condition now than in past years thanks to the Sun City Summerlin fitness activities.

## The Residents' Forum Presents Las Vegas City Councilman Stavros Anthony Is Bringing Shakespeare to Sun City!

Wednesday, May 8, 7 p.m. · Desert Vista

Dan Decker, highly respected leader in the local Arts community, author, and nationally recognized authority on Shakespeare, will bring his particular brand of the Bard to Sun City on May 8. His troupe will present a 20-minute digest version of "Romeo and Juliet," using only the scenes between the lovers. Decker says, "Back in the day Shakespeare's troupe did a lot of traveling and he would change his scripts to match his audiences and venues. We do the same thing today in Southern Nevada; we look on the great works not as museum pieces but as play scripts meant to entertain and we have fun with them in front of lots of different audiences." Free tickets are available at all monitor stations. Limit two tickets per resident. As always, there will be coffee and refreshments.

## Stamp Out Hunger on May 11

Sun City residents can take a big bite out of a huge problem on Saturday May 11, when the Stamp Out Hunger Food Drive rolls across the Valley. Sponsored by the National Association of Letter Carriers, the event marks its 21st year in 2013. One week before the event, the U.S. Post Office will send out a post card to alert households to get ready. Then, on May 11, all homeowners need to do is fill a bag or box with nonperishable food items and place the container/s beside their mail boxes. Letter carriers will take it from there, collecting the food and

delivering the mail at the same time. All food collected stays in its respective community, so giving in Las Vegas helps Las Vegans in need. For more information, visit [www.nalc.org](http://www.nalc.org).

# Common Area Properties (CAP)

**Sue Papilion**  
*CAP Chairwoman*

Sue Papilion has been appointed the new chairwoman of the Common Area Properties Committee. As a retailer, she has experience in construction and remodeling, having supervised the building and remodeling of more than 18 stores for her company. In her personal life, she has rehabbed three old homes in California. Sue is looking forward to working with such a strong group of volunteers who inspect the common properties at Sun City to help keep the buildings and grounds in great shape.

CAP approved the addition of a Green Conservation committee. This new committee will seek to find ways to save on gas, electricity and water through conservation, technology, equipment changes and working with the utility companies' business programs. Sun City Summerlin spends over \$2.8 million a year on utilities, so small changes can translate into big savings. If you have ideas

or are interested in conservation or any other committee on CAP, please come to the next meeting on Tuesday, May 14, at 9 a.m. in the Desert Vista committee room.

May is a wonderful time to get out and walk. You should enjoy the greenbelts that are starting to green, as well as the trees and shrubs that are coming back to life. On your walks, remember that the sidewalks are city property. If you see broken box covers or crumbling cement you need to notify the appropriate utility company. When walking in the greenbelts or around Sun City's buildings, watch for raised cement sections and notify the Landscape Department immediately (254-4092). Your safety is important, so please remember not to walk in the streets.

Pending projects:

- ◆ Mountain Shadows clubhouse remodeling
- ◆ Resurfacing of several tennis courts
- ◆ Repair of Mountain Shadows' walking track
- ◆ Resurfacing of parking lots

## Community Standards

### It's Springtime!

*Some tips from Community Standards*

### Moving or Estate Sales

If you are moving or have had a death in the household, one two-day sale is permitted. A sale permit must be obtained from the Community Standards office and displayed on the residence on the day/s of the sale.

### General Maintenance

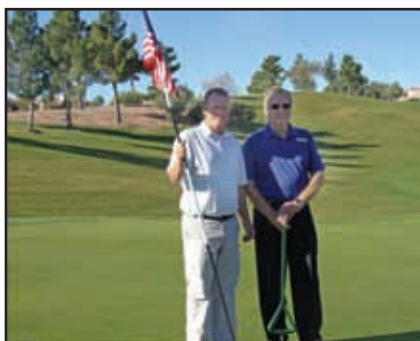

- ◆ How do your awnings look? Can they use some cleaning, repair or replacement? Maybe you just want to change to a new color. The approved color chart is available at the Community Standards office.
- ◆ Don't forget about your windows and screens.
- ◆ How about your mailbox post? It should be either black or white (depending on where you reside). If it is faded, rusted or any other color, it needs attention.
- ◆ Take a look at your wrought iron fencing. If it is faded or rusted, it should be repainted.

### Landscaping Tips

- ◆ If you live on a corner lot that is separated from the street by a wall, you are responsible for the strip of landscaping in between.
- ◆ Are your trees encroaching into your neighbor's property? If so, be a good neighbor and trim the limbs back.
- ◆ How about those palm trees? All dead fronds should be removed.
- ◆ Don't forget to clean up those pine needles and pine cones that collect on your property.

# Golf

## Golf Salutes Active Duty Military Men, Women

Brian Bagwell, SCSCAI director of golf course maintenance, left, and SCSCAI Board member Jim Akers show off a U.S. pin flag and stand that will commemorate American holidays at all Sun City courses.

In an effort to support and thank our military men and women we have made two changes to our golf pricing structure. All active-duty military personnel will pay half the posted rate when accompanied by a full-paying partner.

On Memorial Day, Veterans Day, Independence Day, Pearl Harbor and Armed Forces Day active-duty military personnel will play for free with a full-paying partner.

A few months ago we purchased 18 American flags to be used on national and military holidays on the pins at Highland Falls Golf Course. This program was so well received by our golfers that we will be expanding it to include Eagle Crest Golf Course and Palm Valley Golf Course beginning July 4.

## Landscape

### May I Talk About Safety While Working in the Yard?

Firefighters from Las Vegas Fire and Rescue Station 107 responded to a small brush fire above the Desert Vista parking lot on March 18. According to fire officials, a spark created by welding work was responsible for igniting the blaze.

- ◆ When operating power equipment, always be sure to read and follow the safety recommendations before starting a job.
- ◆ Personal protection equipment also is very important. I have heard people say, "Well, I can't hear very well as it is, so I do not need to use ear plugs." This is false. As long

as you still can hear you can cause damage. I'm not just talking about hearing loss. I knew a guy who refused to wear protection because he couldn't hear well. He damaged the hairs inside the ear so they constantly produced a buzzing noise. It affected his ability to sleep or concentrate - 24/7, the buzzing never stopped. Before he died he told me it was like having a bee in his head and it drove him crazy. So use all the PPEs that are recommended.

- ◆ Please keep the areas under your large plants cleaned out. I know this is very difficult, but as you may know a fire can start with just one spark. It happened recently near the Desert Vista Community Center. Untrimmed bushes are also a place for unwanted creatures to live.

Remember, the safer you are in your garden, the more you can enjoy it.

Landscape is watering every day at night.

## Peddlers and Solicitors in Sun City Summerlin

In tough economic times, working people often must take second jobs to help pay their bills. That young man who delivered a pizza to your home last night could be working a full time job during the day. Door-to-door solicitors who are marketing products and services such as satellite communication systems, home security alarms and magazine subscriptions have become increasingly prevalent in our community as they try to supplement their income.

“Most of them are good people,” said Sun City Security Patrol Chief Bill Schoening. “I’m concerned that we are not frightened by folks who are just trying to earn an honest living when they come to our doors. We need to know our rights, as well as those of the solicitors, and we must use sensible caution.”

Residents should talk through their security door, but should not open their door to anyone who is not expected by or known to them.

It was turning dark recently when the Security Patrol’s dispatcher heard from a resident complaining about solicitors at her door. The resident explained that two men were trying to interest her in purchasing a home security system. They were aggressive in attempting to persuade her to allow them into her home, she said. The dispatcher sent a Patrol driver to the resident and then spoke with two more callers who said they were upset by the same solicitors. The Patrol driver engaged the solicitors in conversation, explaining that they should not be disturbing residents after dark. He

*Residents who do not want to interact with solicitors should post visible signage on their property that conforms with Las Vegas Municipal Code 6.62.120, concerning location restrictions for door-to-door peddlers.*

suggested that they discontinue their efforts until the following day and confine their solicitations to daylight hours. Both argued that they intended to continue their activities until 9 p.m. “because people are at home in the evening.” After a prolonged debate, the Patrol driver convinced the sales reps that they were harming their company’s reputation and no residents would be receptive to their nighttime sales efforts.

The Las Vegas Municipal Code 6.62.120, concerning location restrictions for door-to-door peddlers or solicitors, reads: “No person shall attempt to peddle or solicit at any dwelling where there is displayed near its entrance a sign bearing the words “No Peddlers or Solicitors” or similar words. Residents who do not want to interact with solicitors should post such a publically visible sign on their property.

If ever concerned about safety, residents are encouraged to call Security Patrol headquarters at 254-2303.

## Community Preparedness Committee

### Learn How to be a Lifesaver

The Community Preparedness Committee is responsible for helping residents prepare for an emergency and for establishing a limited capability to help residents should a general emergency such as an earthquake occur. It may take up to 72 hours before first-responders such as fire and police can render assistance and we all should think about what we can do to help ourselves in such a situation.

Our strategic plan details what we strive to accomplish and includes such objectives as cardiopulmonary resuscitation (CPR) and first aid training, sponsoring speakers on how to save gas, water and electricity in an emergency

situation, as well as training residents to help out in a general emergency. Please avail yourselves of the many classes and speaker presentations that will be offered in the coming year with the goal of making you better prepared for an emergency. Learning CPR or first aid could make you the lifesaver of a friend, neighbor or loved one.

Look for more information in each Link magazine. If you want to learn more about the CPC or can offer your emergency helping skills, contact Teresa Frederickson, 202-0513, or attend a CPC meeting scheduled on the first Wednesday of each month at 9 a.m. in the Desert Vista committee meeting room.

CLUB SPOTLIGHT

# Dance!

*Sun City Dance Company  
Ready for the Big Show*

The Sun City Dance Company Tap will present “Senior Sensations” at the Starbright Theatre this month. For show dates, times and ticket prices, see page 29.

The Club is composed of a group of women ranging in age from 60 to 90 years old. Members perform in five tap classes – Act I, Act II, Act III, Act IV and the 32-member Drill Team. They rehearse two and a half hours each week for 40 weeks each year in preparation for their biennial shows that take place in odd-numbered years. In addition to marking new routines, the May shows will feature glamorous new costumes. The Club has three instructors, Liz Burkey, a former Radio City Music Hall Rockette, Marion Cunningham and Jane Ross. Under their leadership, the members work very hard to entertain Sun City residents, and they perform at local events and as far away as Mesquite.

## Mountain Shadows Display Case:

*The Precision Sport of Bocce Ball*

Bocce ball players try to roll or throw a hard, heavy ball, underhanded, as close as possible to a smaller target ball called a pallino. Sun City's bocce ball players have great fun, and it is fun to watch them as each tries to "kiss" or knock their opponent's ball away from the pallino. A team wins when nine points are scored. A game of Italian origin, bocce players put the ball on the target with remarkable accuracy. Athletic skill is not necessary; mastering bocce comes after lots of practice.

Joseph Gannatti

Club member Joseph Gannatti, 90, has been playing bocce since he moved to Sun City 21 years ago. He snuggles up to the pallino twice weekly when the club plays on Mondays and Thursdays at Sun Shadows community center. The four bocce courts can accommodate eight teams of four players each. Members play at 2 p.m. during winter; 7 p.m. in hotter weather.

Club dues are \$5 a year. There are bocce courts outside Sun Shadows and Desert Vista community centers. Club President Henrietta Rapp stressed that it is a non-strenuous sport providing light exercise,

fresh air and friendly rivalry. Henrietta gave away the secret about how they keep the bocce balls so shiny: "My husband is the official ball cleaner and he shines each ball with olive oil. To keep our bocce balls glistening, I give him a bottle of Italian olive oil for Christmas every year."
