## Five Star Tavern Equals Great Service

Five Star Tavern has officially assumed the day-to-day management of the Vista Grille and Tavern at the Falls. When you have a chance, please stop in and meet some of the Five Star staff; they, along with our current staff, are here to make sure you have a great experience in the restaurants.

Jimmy and Stephanie Minchey, the owners of Five Star Tavern, believe in taking care of customers first. As Five Star Tavern begins the transition from management to fully leasing these two facilities, its mission is for residents to enjoy Five Star food, Five Star drinks, Five Star gaming and Five Star fun at all times.

Five Star Tavern will offer Sun City residents a place to relax and watch TV on new HDTVs that will play what you want to watch! All this while enjoying breakfast, lunch, dinner or a late-night snack. When the remodel is complete, residents will be able to enjoy the down-to-earth atmosphere with a classy environment and friendly service.

All this, and you don't even have to leave Sun City. Five Star's goal is to make the tavern a second home to all of our residents.

Some of the great amenities that Five Star Tavern will offer include a top-notch casino with the benefits of a full-service restaurant, and it will do all this with personal service. One of the first things you'll notice will be the new menus. The menus will have many of Five Star's current favorites available, as well as several new items. For golfers, there will be quick-service items to help ensure you make those tee times. In addition, there will be traditional menu items for those with a little more time.

Lastly, there will be new décor, which will include warm woods, wine racks, lots of green plants and new LED lighting. This all will be topped off with the Five Star Tavern name and slot machines when fully completed.

The partnership with Five Star Tavern and Sun City Summerlin Community Association is a great step in providing our residents a wonderful experience with great food and an excellent atmosphere.

On behalf of the Board of Directors and Five Star Tavern, stop by and enjoy.

**Patty Rosia**, Executive Director, Sun City Summerlin Community Association, Inc.

# President's Message

This is my last note to you as president of the SCSCAI Board. **Due to Link editorial deadlines, there will be a new Board seated and a new Board president as you read this note.** Congratulations to the winners and the new Board president. It's hard work being a Board member – the hours are long and it's an all-volunteer position. I very much enjoyed working with my fellow Board members and hope our Board met your expectations. Thank you (in no particular order) Sue, Jim, Bruce, Dick, Ellen, David, Ken R. and Ken C. We all did what we could to help make Sun City Summerlin an even better community.

Of course I can't miss an opportunity for a few last comments.

- Please secure your trash against the wind. The biggest problem is on recycle day when people place the plastic recycle bins out without securing the contents, especially paper products.
- Pick up after your dog.
- Participate. Attend committee meetings, Coffee With the Board, etc.

• If you see something wrong, tell a monitor or send an email. We rely on you to help keep our community a great place to live.

• Read the LINK every month (I know, if you are reading this, you do). Tell your neighbors to read it!

• Be nice to your fellow residents. If someone new moves into your neighborhood, welcome them to Sun City Summerlin, introduce them to your neighbors, ask them what activities they enjoy, give them your LINK to read and show them the community centers.

• Follow traffic laws – STOP at stop signs and obey speed limits.

And finally, have a great summer. As my friend Dick Bennett says in the April Community Preparedness Committee LINK article: "What a great place to live!"

## SCOTTY'S CASTLE AND DEATH VALLEY NATIONAL PARK

**Saturday, April 19**

Bus departs Pinnacle at 7 a.m.; returns at approximately 7 p.m.

**\$60 per person**

This popular trip is back, so don't delay! Join us for another unforgettable tour of Scotty's Castle. Tours are led by a National Park Service interpreter dressed in 1939 period clothing. He or she will share stories about the heyday of the castle in the late 1930s, the construction in the 1920s and the curious relationship between a wealthy couple from Chicago, Albert and Bessie Johnson, and the con man Scotty. The house is fully furnished with the Johnson's original decorations. Some of their clothing even hangs in the closets. A highlight of the program is listening to the Welte Mignon theater organ. This guided tour also includes several scenic stops in Death Valley, as well as a buffet lunch at Furnace Creek Ranch.

## SPRING GARAGE SALE

**Saturday, April 26, 7 a.m. to noon**

Mountain Shadows Community Center

**\$30 per space for sellers, \$10 to rent a 6-foot table with two chairs**

One man's (or woman's) trash is another man's (or woman's) treasure. Come out to the ever popular annual garage sale at the Mountain Shadows community center parking lot to meet your Sun City Summerlin neighbors and find bargains galore; or rent a space and make a few bucks selling that extra set of dishes, dusty treadmill or jewelry and collectibles (that your kids don't want). Remember, no business booths are allowed. Signup ends one week prior to the event.

Imagine towering cottonwoods and willows by a wandering stream, date palms and abundant wildlife, all hidden away in some of the most spectacular scenery the desert has to offer. China Ranch is a family owned and operated small farm, a lush piece of greenery amid the forbidding Mojave Desert near Southern Death Valley. Enjoy a leisurely guided tour and learn more about the wildlife, plants and history of the area. Try some delicious date nut bread, muffins and cookies, or take home one of the unique gifts you'll find in their store. **It is advisable to wear comfortable clothing, a sun hat and sturdy walking shoes.** Next is a stop for lunch at Pastels Bistro, which boasts a seasonal menu featuring locally grown organics and a special menu crafted for us. On the way home, we'll stop at Sanders Family Winery in Pahrump for a "formal, but humorous" wine tasting.

## Resident Volunteers at Core of a Smooth-Running Sun City Summerlin

Located at the rear of the Desert Vista parking lot, 10362 Sun City Blvd, is a very important building staffed entirely by resident volunteers, who offer three very valuable services to those living in Sun City Summerlin.

- In the center of the building is the headquarters of the Sun City Summerlin Security Patrol. Patrol officers watch over our community, 24/7. Rain or shine, 365 days a year, the office operates five patrol cars. Volunteer positions include police chief, watch commanders, drivers, dispatchers and information center personnel. The three Information Centers operate daily from 8 a.m. to 4 p.m. to provide visitors with directions and to help answer community questions. Security patrol may be reached at 254-2303.
- At the east end is Sun City Charities. This organization provides help to residents seeking to contact government services, and provides assistance with errands or rides to the supermarket or doctor's office. Volunteers also help residents change light bulbs, minor handyman services and more. The office is open Monday through Friday, 8:30 to 11 a.m. For more information, call 254-5831.
- At the West end you will find the Sunshine Service Club. These volunteers provide wheelchairs, crutches, walkers, shower seats and other health-related necessities for resident use **free of charge (must present an Association ID card at time of pickup)**. When grandkids come to visit, the office also stocks folding day beds, car seats, porta-cribs and highchairs. In addition, the Sunshine Service Club accepts donations of non-perishable food items for the Salvation Army. The office is open Monday through Friday, 9 to 11 a.m. For information, call 341-9741.

All the residents who work in these offices provide service on their own time. If you are interested in helping out, head over and introduce yourself. They would love to hear from you.

## Sun City To Save \$8,000 With New Recycling Program

They're here, and you can't miss them – the big, blue recycling trash cans that debuted throughout Association buildings on January 5. Going forward, residents will be asked to help Sun City's recycling efforts by discarding acceptable items into the appropriate bins.

### Recyclable items include:

- Office paper • Brown paper bags • Phone books
- Cardboard • Aluminum cans • Plastic bottles
- Magazines • Newspapers • Junk mail
- Paperboard (cereal boxes, etc.)
- Plastic bags and shrink wrap film

The recycling initiative was passed unanimously by the Board of Directors in October. Recycle bins are available at Sun Shadows, Mountain Shadows, Desert Vista, Pinnacle, the Vista Grille, and Palm Valley, Highland Falls and Eagle Crest golf courses. The recycling effort is estimated to save Sun City Summerlin \$7,843 a year – the amount of a rate reduction SCSCAI will receive from Republic Services for instituting the program.

## STOP Sign Accident Causes Major Damage

Sun City Summerlin resident Emily Arena was attempting to make a left-hand turn onto Thomas Ryan Boulevard at 9:30 a.m. on Tuesday, February 18, when she was hit full on by a 2005 Chevy pickup that failed to stop at the flashing **STOP** sign located on the corner of Thomas Ryan and Sun City boulevards.

Upon impact, both airbags in Emily's 1995 Cadillac Sedan DeVille deployed, causing various contusions to her upper torso, several bruised ribs and injuries to her hand and left foot. Emily's car, which she described in "pristine condition that didn't have a scratch on it" was damaged beyond repair.

"I'm lucky to be alive," said Emily. "It's a good thing I didn't have a passenger with me because they would probably be dead."

Emily was rushed by ambulance to Summerlin Hospital from the accident scene. She was released later the same day.

"I want to tell everybody about this, and how important it is to obey the law," Emily said.

"Everyone knows me in that car. Now, my heart is broken. My ribs are broken. This really has turned my life upside down and taken over my life," said Emily,

*Emily Arena's 1995 Cadillac after the accident*

describing how, six days after the accident, she has hardly left her home due mainly to not feeling well. Every day, she said, brings a new set of aches and pains, but also because she has to be available to answer phone calls from her insurance company and schedule doctors' appointments.

Now, without a car, Emily said she has to rely on friends to take her places. While she is eligible for a car from her insurance company, she said she doesn't want to drive.

"At first I was in shock and now I'm angry and a bit uneasy about driving," Emily said. "There's no excuse for this – to ruin peoples' lives. We are all vulnerable because we have lawbreakers here."

## New Pool Furniture Channels a Caribbean Vibe at Mountain Shadows

Bright blues and greens will provide pops of color at the pool area at Mountain Shadows, with some new lounge chairs and umbrellas.

SCSCAI's Board of Directors unanimously approved the purchase of 10 new sling-style, mesh lounge chairs, four new umbrellas and miscellaneous canopies, totaling \$7,139.43, during its monthly meeting on February 4 at Desert Vista.

The bid, which was presented by SCSCAI Fitness Director Kristie McWhorter, came in more than \$2,800 under the \$10,000 approved for the project.

The new lounge chairs and umbrellas will debut April 1 at Mountain Shadows. The lounges are constructed out of a high-grade commercial mesh, are rated for years of use and meet all of the Fitness Department's specifications. Kristie said she looks forward to hearing from residents about the new design and colors inspired by Key West and Aruba.

It is springtime and the outdoor pools open on April 1! Sun City Summerlin is made up of many residents with a variety of needs. Everyone has to share the facilities, and there are rules in place to help make usage fair, safe and enjoyable for all. Our pool rules are in accordance with the SCSCAI Rules & Regulations and the Southern Nevada Health District guidelines.

**Kristie McWhorter,**  
Director of Fitness  
kristiem@suncitylv.com

1. On-site showering is required prior to entering and re-entering the pool or spa. If lotions are used, individuals must shower again. Appropriate swim attire must be worn (no cutoffs or street/gym clothes).
  2. Street shoes are not allowed in the pools or pool areas. Clean pool shoes are acceptable.
  3. Persons with a cold, cough, sore or inflamed eyes, any skin or communicable disease, or with open sores or bandages must not enter the pool or spa.
  4. Diving, running and horseplay are not permitted. Climbing over, swinging, or leaning heavily on lane ropes or ramp rails is not permitted.
  5. Pool toys, such as balls, rings, diving toys, etc., are not permitted. Oversized inflatable or flotation devices are not permitted. Exceptions are safety devices, kick boards, noodles and arm floaties, as long as they are used properly and not for horseplay.
  6. Children (under 19) must be 42 inches tall (without shoes) to use the pool and must be supervised by an adult at all times. Children (under 19) are not allowed in the spas.
  7. Lane users must share lanes with those performing similar activities (i.e. swimmers, walkers, etc.) as much as possible by circling or splitting the lane in half. Time in lap lanes is restricted to 30 minutes when others are waiting and sharing is not reasonable.
  8. Lap swimming time is from 6 to 8 a.m. and 4 to 6 p.m. at indoor pools. During these times, priority is given to lap swimmers in three lanes and one lane is set aside for walkers to share.
- Rule pamphlets are available at each fitness center monitor station. Also, please be sure to communicate basic rules to your guests so that everyone's visit will be consistent and enjoyable.

## Health Nut: Kris Steinwand

Kris and Dennis Steinwand made the decision to move to Sun City Summerlin to be closer to Kris' parents, who also live here.

At 299 pounds, Kris knew she had to do something about her weight, and so she set about downsizing, not only her home but herself, as well.

Her first goal was to join the Zumba Gold class. The thing she wasn't sure of, however, was whether or not she could keep up. Today, after a year and a half of moving into Sun City, Kris has made great progress and credits the fitness centers and Dance Connection Club for her success. To date, Kris has lost 130 pounds and has been able to keep it off.

In addition to joining that first Zumba Gold class, Kris attends regular Get Up & Boogie and line dance classes. Kris enjoyed the classes offered by the Dance Connection Club so much that she ran and was elected president of the club this year.

On the days Kris doesn't have class, she goes to the fitness center and works out on the elliptical, weight machines and exercise bike. Kris has been able to maintain her weight by incorporating healthy habits into her lifestyle. She no longer takes several pills a day for diabetes, high cholesterol and high blood pressure.

Kris and Dennis have three boys, who are all married. Kris says that when her kids found out about all of the classes she was trying they were really shocked. Kris says, when growing up, her kids always had an overweight mom, but not anymore!

Kris hopes she can continue to encourage others to get up and move and enjoy life.

## Three-year Plan Designed to Save Money, Precious Resource – Water

Sun City Summerlin was built by Del Webb 25 years ago. The design was to give retired people a nice place to retire to, keep active and enjoy themselves. To sell homes, Del Webb did a lot of greenscapes to attract buyers throughout the country, and it built a beautiful community that you all are proud to call home.

Now, fast forward 25 years, and things are changing in the valley and in the Southwest in general. That change is water. Water is one of the most valued resources throughout the world, and it's even more valuable here in the desert. Due to the drought that keeps the snowfalls low on our side of the Rockies, water is the No. 1 topic that all public agencies deal with, and that includes what happens in Sun City.

In the past few years, residents have seen a reduction in the use of turf grasses throughout Sun City Summerlin.

## ■ GOLF CARTS AND DRIVER SAFETY

When it comes to golf in Sun City Summerlin, safety is the No. 1 concern for residents and visitors, alike.

The most obvious question about golf carts in use is who has

the right of way at street crossings? The answer:

**The automobile always has the right of way.**

If a vehicle stops on the street and waves a golf cart across, cart drivers should REFUSE and wave the car through. Golfers can never count on other traffic stopping.

For an automobile driver in the community, it is imperative that when driving on the streets that border the golf courses, always slow down to a crawl but do not stop. Motorists always have the right of way. Always remember to use that right of way with a slow caution.

**CONGRATULATIONS!**

And, unfortunately, we need to do more. Today, there is a three-year plan in place in our community that was drawn up and approved by the SCSCAI Board of Directors. The Landscape Department will do what's necessary to conform to this policy. We are looking into not just turf reduction, but also plant reduction and the type of plants we purchase in the future.

So, please help and support our efforts in this matter. Be assured you will still have a beautiful community, but it will be using less that will, in turn, save money and a precious resource in the long run.

Thanks for your understanding and support.

# Architectural Review Committee

## Some Information From Community Standards

It is not unusual for us to receive the same questions over and over from residents. This month, we are providing some of the information that is frequently requested. The Development Standards have recently been revised and updated, and will be included in your May Link. Please be sure to look for them.

**Mailboxes** – If you live in a single-family home, your mailbox and post is your responsibility. Your mailbox should be either black or white (depending on where you reside). All posts within the community are black. If they are faded, rusted or any other color, they need attention. If you need to replace the mailbox you probably will not be able to find an exact model. Replace it with one as close as possible to the original. They can be found at Lowe's or Home Depot, or call Community Standards at 966-1411 if you have questions.

**Sidewalks** – The sidewalk in front of your property is YOUR responsibility. If it is cracked or raised, it is up to you to repair it. If the damage is caused by a utility box of some kind, you can contact the company to see if they will repair the problem. You should also take care that your landscape rock does not become a tripping hazard by spilling onto the sidewalk.

**Tree Limbs** – Are your trees encroaching into your neighbor's property or over a sidewalk? If so, be a good neighbor and trim the limbs back. If the limbs are encroaching over a sidewalk, City of Las Vegas Code Enforcement will contact you if you do not maintain them. The City's requirement is that the limbs must be higher than 8 feet from the sidewalk.

**Corner Lots** – If you live on a corner lot that is separated from the street by a wall, remember, YOU are responsible for the maintenance of the strip of landscaping in between.

**Parking** – If you park your vehicle on your driveway, make sure that it is pulled up enough so as not to block the sidewalk. If you park in the street, please do not park any part of the vehicle on the sidewalk.

**Trash pickup** – Our pickup days are Tuesday and Friday. Trash can be picked up as early as 6 a.m. If your trash is not available for pickup at that time, Republic Services will not return to get it.

**Sub-association residents** – Remember that sub-association owners must first submit an ARC Application

to his/her association president for approval before submitting the application to the ARC.

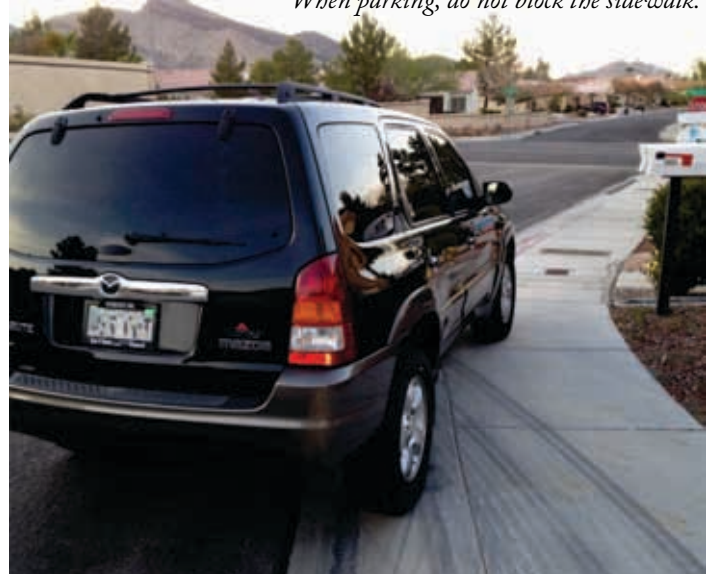

**Neighbor to Neighbor Issues** – A complaint is deemed a Neighbor-to-Neighbor issue when a "considerable number of persons" are not affected by the problem. A Neighbor-to-Neighbor issue is considered a private nuisance.

Neighbor-to-Neighbor issues can involve a broad range of topics, including property line issues, party-walls, seeping walls, views, trees, shrubs, blowing leaves, parking, pet and bird issues, noise, odors and blowing trash to anything that enters your property from a neighbor's property that you feel interferes with the peaceful use and enjoyment of your property.

When the Community Standards Office receives a Neighbor-to-Neighbor complaint, one courtesy notice is sent to the offending party advising them of the alleged problem. If the issue is not resolved, the complainant can contact the appropriate city agency (animal control: 229-6444 #2; code enforcement: 229-6615; parking enforcement: 229-6432; Clark County Neighborhood Justice Center: 455-3898). The NJC helps resolve conflicts at no cost through a comprehensive information and referral program and through mediation services. Mediation is a process that assists disputing parties to resolve their differences confidentially and reach a mutually satisfactory agreement with the help of a trained, neutral third party mediator.

# Common Area Properties

## Volunteers Work Toward Solutions in Water Savings, Energy Efficiency

**Sue Papiion**, Chairwoman, Common Area Properties Committee

As committee chairwoman of the Common Area Properties Committee, I am very proud that the committee has accomplished so much. Here is a list of additional projects that your fellow residents have worked on besides inspecting every

building, golf course and landscaped area.

1. Developed a new three-year Landscape Strategy Plan, which sets Sun City Summerlin on a path of water conservation while maintaining the beauty of our community. The committee recognized that many of our plants are slowly dying due to old age and heat stress, so a replanting guideline was developed that is aimed at ending the overcrowding of plantings. The landscape committee also met with the Las Vegas Water Authority to learn about programs to help reduce more of our grass areas because grass needs 6 feet of water to survive our summers. This plan was adopted and is in effect now. As staff action plans are solidified, more details on what exactly will help water reduction will be available.

2. The green sub-committee looked at electrical usage and developed a two-year baseline of usage so improvement can be tracked. Solar energy was seriously looked at in the form of covers over the parking lots, on golf carts and for the swimming pools, but it is still too expensive for the benefits. The golf courses use the most electricity pumping water, so the committee mapped out where some cuts in usage can be made at night. The green committee has now morphed into one that is driven by the executive director and staff since their budget performance is based on reducing expenses.

3. Reviewed requests for capital expenditures for fiscal year 2015 to make sure that it would be money spent on items that really needed replacement. Cost benefit analysis and total cost of ownership calculations were used to help justify the committee's recommendations to the board.

4. Resurfacing of the Desert Vista Parking lot was stopped by CAP because it was necessary to find a way to stop the spreading cracks instead of just covering them

## ■ MEN'S CLUB DEBUTS IN SUN CITY

In the "Well, It's About Time" department, Sun City Summerlin has a new, chartered club for men! There has been a Women's Club in SCS for some time, but now men will have their own social club. This is a great opportunity for men to get out, have some fun things to do, meet some other SCS men, pursue special interests and activities, and develop some special friendships. All SCS men are invited to see what a wonderful community of men we are developing here.

The SCS Men's Club began as an idea of Alan Spector, who moved to Sun City in 2012 with his wife, Melanie. Alan had been involved in men's groups in Chicago and was hopeful there would be such a group here. Not finding one in the community, he began getting together with Bob and their friendship flourished. Soon, Marty, Sam, Stanley, Benny, Vinny, Howard, Dick, Richard, Reed, Del, Art and others wanted to join the weekly breakfast get-togethers. As the idea grew, it developed into a wonderful way for men to share common interests and experiences, have fun together and include their significant others in many of the activities.

The Men's Club will hold its second breakfast meeting on Tuesday, April 29, 9 a.m., Desert Vista. There will be an interesting program and a continental breakfast with a \$4 charge. You can attend this meeting and try it out without having to join immediately.

Pro-tem officers are Alan Spector, president; Vinny Pizzitola, vice president; Stanley Evans, treasurer; Benny Ruda, secretary. For information, contact Alan at ags717@gmail.com or 847-558-5423, or Vinny at vpiz45@yahoo.com or 485-9756.

earrings project. You won't want to miss it. Come in early to sign up and get your materials list. To register for the next **beading introductory class** (no previous experience required), call Ellen, 478-8806. Contact Vicki, 256-6247.

## Billiards

We shoot pool every Monday, Wednesday and Friday, noon to 4 p.m., in the billiards room at Desert Vista. For information, call Bob Richardson, 286-1448.

## Bocci Ball

Open Bocci: Mondays and Thursdays, Sun Shadows. **Game start times are 2 p.m.** We welcome new members. If you know how to play, great; if not, it's easy to learn. Call Rose, (203) 314-3527.

## Book

The Club meets the second Thursday of each month, 2 p.m., Sun Shadows. At the April 10 meeting, we will discuss the book, **"Disenchanted: One Woman's Journey**

for Freedom from Saudi Arabia” by Victoria Kilbury. Special guests will join us to lead our discussion. Come early to enjoy snacks and chat with old and new friends. Contact Judy at 478-7060, or judyhirni@hotmail.com.

### **Boomer Connection**

The Boomer Connection is a social club for the young and young at heart, active, social members of Sun City Summerlin. **If you're new to Sun City this is a great way to meet new friends.** All club communication is done by email only. Contact Julie Zerbel, juliezerbel@yahoo.com.

### **Bridge: Couples**

Are you looking for a friendly game of bridge? Join us at Mountain Shadows on Fridays, 6:30 p.m. **Annual dues are \$5, weekly play is \$1. Foursomes are necessary.** If you need a partner or a foursome, call Mary Jo, 254-4540, or Sue, 838-9089. Singles are always welcome. Former Art Club President and member Del Bennett helped the Art Club launch its new gallery wall in September in the lobby of the Mountain Shadows community center. The space will showcase the work of a different club member each month. Past President Patty Stroupe introduced Del and the five paintings she created this year to guests who attended the afternoon reception.

"We worked with Patty (Rosia, SCSCAI executive director) and Melissa (Spina, SCSCAI director of Community Services) to arrange for this wall space," said Patty, adding that the location holds great real estate in Sun City. "People are excited and they want to share their work," Patty said. "They are able to do some fun things and they look forward to sharing their art with the community."

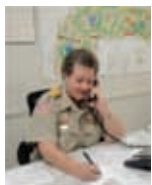

Of her exhibit that, which was on display throughout October, Del said it is representative of recent trips she's taken.

"When I travel, I take a lot of pictures," she said. "And those photos have manifested into the canvases of an English garden; the Olympic Peninsula; Santa Fe, New Mexico; and the Sierra Nevadas."

For more information on the Art Club wall, or to find out how to display your work, call Dell, 240-8584.

## ■ MODEL BUILDERS' PARADISE

A steady crowd of 200 visitors poured in and out of the Desert Vista ballroom on Saturday, February 1, as the Model Builders Club presented its Artisans In Action exhibit.

Club member Toni Giuffrida, 92, welcomed visitors from his table situated close to the entrance.

On his display table were wood carvings of Disney characters, animals and an airplane model he was in the middle of building.

"I wear my baseball cap to show people that we're seniors," he said. "I hear the word hobby and you mostly think of younger people, or playing golf. But we're seniors and we're doing things like this. We still have our eyes and the movement of our body to do this kind of work. I still have my flexibility."

Another wood carver, Dean Otteson, answered questions about his latest wood panels. Dean said he researches his artwork in history books and drawings to create the three-dimensional art work.

Further into the room, Vicki Ashenfelter shared her unique miniature scenes, featuring a luxurious bathroom fashioned out of a perfume box and a pair of mobile brothels – one "classy" and the other "sassy."

Vicki's art is just plain fun. Ever since she was a kid, she said she liked to create models from scratch. Her artwork features everyday items transformed into objects d'art, where a candle becomes a jukebox, a Barbie doll leg is transformed into a lamp and clear beads glisten as foaming bath bubbles.

Model Club President Bill Winchester said the event was, "The best we've ever had. We had 16 to 17 artists, sharing their models . . . everything from steam punk to leather work to doll houses, ships and trains. It was the biggest variety of models we've ever displayed."
