From the Executive Director

Happy to Put My Business Experience to Work for You

Sue Papiion, *Interim Executive Director, Sun City Summerlin Community Association, Inc.*

Most of you know me as a board member, so why am I writing to you as the executive director of Sun City Summerlin Community Association, Inc.? Two months ago, Patty Rosia resigned her position as SCSCAI executive director and your Board of Directors asked me to take the position temporarily while they searched for a new director. So, in June, I resigned from the Board of Directors and started working as the interim executive director for SCSCAI.

I retired six years ago from running my own business, so I am experienced in construction, government regulations, contracts, advertising, accounting, human resources, planning and, of course, management. I hope you feel comfortable having me work for you!

I love being retired and having so much “me” time, so it is a real shock getting up early and going to work, even with the great commute. I am currently devoting my time to establishing operating procedures that will act as a guide for employees and residents. This will help the new executive director learn the job more quickly. Staff and I will continue the projects in process and follow the plans already approved.

The two projects near to my heart are water usage reduction and The Summit. I hope that by now you have had a chance to enjoy the view from The Summit and have met with friends for a glass of wine in the evening or for coffee and a bagel in the morning. It is a beautiful location and it should be open whenever possible for all of us to enjoy.

Soon you will notice grass dying on the sides of the golf course or around a clubhouse. That is the beginning of Sun City’s plan to reduce the grass that takes 6 feet of water to keep green in Las Vegas. We all have read about the drought in the West and it’s not supposed to get better soon, so we have to reduce the plants and trees carefully and not replace them in an effort to conserve resources. Along the medians, trees are beginning to die. As a result, they will be systematically removed and not replaced. Drippers will be shut off and some water will be saved.

I love Sun City Summerlin and it is my home, too; so I am devoted to keeping it beautiful and the best place to retire in the world. I am also planning to get back to my retired life, so I will help your Board find the right person to run our wonderful community as I have a vested interest.

SECURITY PATROL

KEEPS AHEAD OF THE CRIME CURVE

From the Chief

Brian Dodd, Chief,
Sun City Summerlin
Security Patrol

“Well, what the @#&!*% use is Security Patrol if you don’t do xxx?” These are among the more devastating words a Patrol dispatcher can hear from a resident whom she or he is trying to help, especially considering that the dispatcher may be volunteering four or eight hours of shift work each week. To check what Security Patrol can and can’t do,

readers can consult the list provided in April’s Link magazine. From the list, you will see that we do a lot of diverse things, including ensuring our Association property is secure at night and providing a visible crime-detering presence in our community. Mostly what we don’t do is enforce anything, including CC&Rs. If you call us about something that you see is illegal or wrong, most of the time we will ask you to make the report directly and give you the phone number if needed.

A new activity the Patrol is starting is getting in touch with residents who have been targets of crime, asking if we can talk privately with them. It is entirely voluntary. Their answers might help us to recognize emerging trends and provide compatible safety information to Link magazine and Link website readers.

A major frustration we face is when we become aware of a crisis, yet can’t do anything about getting it solved because the affected resident has not completed an emergency contact form. Either that, or the information on the form is not current. Imagine that you are away and we see water pouring out of your house or garage. If you have not given us a local emergency contact person who has a key to your house, we can’t investigate it and the best we can do is get the water turned off outside, which may result in your plants dying.

An even more serious example is a neighbor who hasn’t seen you in a while and notices an accumulation of mail and newspapers. When that good neighbor becomes concerned enough to call Security Patrol, we have a sequence of

measures we take that gradually escalate until the situation is resolved. Ultimately, it may result in Las Vegas Metropolitan Police Department officers accessing your house by using a locksmith's services. How much easier it is when we can take care of the concern ourselves by calling your local emergency contact person. With proper approval, we can enter your home with your neighbor to see if you are lying on the floor, or just traveling away from home while having forgotten to cancel the mail and newspaper.

Emergency contact forms are available at Security Patrol headquarters at Desert Vista; at Mountain Shadows community center or on the Association's web site, www.scscai.com. Complete the requested information and take it to the administration department at Mountain Shadows. Do it now. We are all about "neighbors helping neighbors. Help us to help you.

Pictured at right: Security Patrol drivers Elke and Art Plaggemeier explain the life saving potential of the Vial of Life sticker and emergency contact form. The two volunteers go door-to-door throughout the community calling on residents whose contact information either is not on file or it is not current. Here they are updating resident Cooky Bono's information as an important part of the Patrol's "Neighbors Helping Neighbors" philosophy. If you recognize Elke and Art at you front door, welcome them. Know that they are there to help you.

Safety Tips

Cynthia Beck, Crime Reporter, Sun City Summerlin Security Patrol

- Door peepholes cost less than \$10 and can be installed at any level on the front door.
- Unbreakable clear window film placed on the window next to front door costs approximately \$100, installed.
- When leaving on vacation, place a piece of furniture in front of the sliding patio doors. I place a small credenza with a lamp on it. Lamp is then on a timer.

Fresh Face for Desert Vista Parking Lot

~ Photos by Stu Gershon/Link, Brian Dodd/Security Patrol and Edward Arbuckle/Sun City resident

Work to repave the Desert Vista parking lot began as scheduled on Sunday, June 1, with the removal of concrete bumper blocks. With that task accomplished, a crew of workers from American Asphalt set about replacing the old asphalt. The project continued for two weeks without incident and was completed on time and on budget (\$401,678.28). The project calls for a slurry seal to be applied 10 to 12 months from now. The overall contract includes a three-year limited guarantee of work (warranty).

Mail Theft

Residents should take precautions to reduce their chance of becoming victims of mail theft. Instead of using your home's mail box to send outgoing letters, consider using the secure post office boxes located at Sun City's community centers. For your safety, also remember to remove mail as soon as it's delivered. If you must deposit mail into your home's mail box, **DO NOT** raise the red flag. In addition to signaling the mail carrier, the flag also may catch the attention of others.

SURPRISE!

If you're curious as to what the "surprise" will be, come to the Residents' Forum Workshop on Wednesday, August 6, 1 p.m., Pinnacle committee room, to participate in the preparation of the surprise event. There will be clues in the online edition of the LINK prior to the meeting. Be sure to check the web edition periodically. If you need information, other than what the surprise will be, you can call Glenda Rogers, president, 255-7755.

AARP Income Tax Program Needs Your Help

AARP sponsors an important program in Sun City to prepare income tax returns for our residents. This program is staffed by volunteers who prepared more than 630 free returns last year for lower income and disabled residents, or persons who do not have the resources to do their own return. Each return is prepared by a trained counselor and reviewed by an experienced volunteer to assure a high standard of quality service. We need your help, especially with the quality review step in the process. If you are a retired tax professional, accountant, attorney or otherwise experienced in tax matters and would be able to volunteer for as little as four hours per week to review completed returns, you would make an important contribution to this service for our neighbors. We work at Mountain Shadows on Thursdays and Fridays from the beginning of February until April 15. Please call Ken Oswald, 341-6376, after August 5 if you have questions, or feel you may be interested in helping us.

Community News

Neighborhood Watch

If you'd like to contribute to keeping Sun City Summerlin one of the safest communities in the valley, according to Las Vegas Metro statistics, why not consider starting a Neighborhood Watch on your block?

The program is one of the oldest and most recognized projects to

help neighborhoods win the battle over community crime.

For more information on how to start a Neighborhood Watch, call Kathy Perkins, Crime Prevention Specialist, Las Vegas Metropolitan Police Department Northwest Area Command, 828-4305.

Community Garage Sale Set for October 24-26

SCSCAI's Board of Directors approved the dates for the community garage sale event that allows residents to conduct sales at their homes.

Instead of separating the event over two consecutive weekends, the BOD set Friday,

October 24, to Sunday, October 26, as the days for the event. Sales may be held throughout the community at individual residents' homes from 8 a.m. to 3 p.m. As always, signs may be placed the day before but must be removed promptly after the sale ends.

Common Area Properties

Handrails a Hit With Bocci Club

During his summary of work completed by the Common Area Properties Committee, Chairman Bruce Alitt reported on the installation of handrails at the Sun Shadows bocce ball courts during the monthly Coffee With the Board meeting in June. Bruce said that the handrails were installed following an inspection he and SCSCAI Fitness Director Kristie McWhorter and SCSCAI Director of Maintenance Dennis McGrew made of the playing area.

"After taking a look at the need for the handrails, which had been requested of the Association for quite some time, Dennis had an idea that he took back to his shop," Bruce said. "He then had his staff install a railing and it got great reviews. That was followed by installing a handrail at each end of the four bocce courts." As for the cost of the handrails, Bruce said the expense was "very nominal." Next up, similar handrails are scheduled to be installed at the bocce courts at Desert Vista.

Following a recent club night, Bocci Club President Henrietta Rapp described the handrails: "We love them. They're fantastic, especially because they have handy grips and in the summer your hand doesn't slip and in the sun you don't get burned."

Originally, the handrails had been requested by Bocci Club players who said they would help to alleviate the spills several players had taken while stepping over the

Volunteers are still needed. We are pleased that we have had several calls from volunteers, but we need more. If you can put in two hours between 1:30 and 3:30 or 3:30 and 5:30

Landscape

The Men in Orange

I'd like to take the opportunity this month to introduce residents to their Landscape Department, better known as the men in orange, who work extremely hard to keep Sun City's trees, flowers, medians, green belts and community areas blooming and beautiful.

Overall, the Landscape Department is made up of 11 groundskeepers, a mechanic, a spray tech, three irrigators, two mow crews, a superintendent and me.

Each day begins at 5:30 a.m. and wraps up at 2 p.m. Crews take their morning break where they happen to be working at 8:30 a.m. and resume their individual tasks at 8:45 a.m. At 11 a.m. they return to the shop, located on Villa Ridge Drive near the intersection of Lotus Hill, and have lunch. Once a week, usually after lunch when all members are assembled in one place, we have a safety meeting during which I also check on the progress of the day's work.

Over the course of the week, tasks are assigned to different days. For example, on Monday we have a morning trash run. Each employee walks his area and picks up any trash he finds. Also on Mondays, we check all the equipment – oil and other fluids, lights, and turn signals, etc. – to ensure everything is functioning properly. On Fridays during pool season, workers are assigned to the fitness centers to clean the pool areas.

In general, crews are divided into small groups of one or two and assigned an area that they maintain. Del Webb

Boulevard has two workers who are responsible for maintaining the streetscapes; Mountain Shadows has one worker and so on. As for water, three irrigators are responsible for irrigation, hand watering and checking plant moisture. Weed maintenance and fertilization throughout all common areas require one spray tech. The largest crew, made up of three workers, handles turf – mowing, edging, line trimming, as well as tree and dead animal removal.

Now the fun stuff begins. For special projects like landscape construction, adding boulders, rock, concrete, rock walls or paver stones, I have two workers.

Last but not least, a mechanic works on the equipment, doing oil changes, tune-ups and helping with other tasks as needed.

So the next time you see your men in orange, be sure to give a wave. It's a great way to say thanks for all the hard work they do.

Enjoying Our Pools!

Our fitness centers are used daily by hundreds if not thousands of residents who enjoy the wonderful amenities. Among these amenities are the pools and spas, which offer some of the most enjoyed activities at Sun City Summerlin. In order for all residents to enjoy their

Kristie McWhorter,
Director of Fitness
kristiem@suncitylv.com

experience at the pools, we suggest picking up a rules pamphlet from the monitor's desk and becoming familiar with the pool rules and water classes.

Showering & Sanitation Laws: Showering before entering the pool or spa is required by the Southern Nevada Health District as a means to help reduce contaminants. It is also highly recommended to rinse off by showering after exiting the pool. Although chlorine (salt or liquid) is necessary to keep the pools clean and sanitary, showering after swimming will keep your skin and suit in healthier condition. No adult disposable briefs are allowed to be worn in the pool or spa.

Pool Chemicals: Pools and spas are maintained on a nightly basis by the maintenance department's licensed pool operators. Chemical levels are checked nightly and balanced to be within guidelines. Chemical levels are also tested by an outside agency on a regular basis. Pools and spas are drained and water is changed at least every six months. When necessary (usually due to contamination) pools and spas are drained and refilled requiring a two-to-three-day closure.

Pool Water and Bodily Fluids: Association rules and the Health District restrict individuals with any open sores from entering a pool or spa. Regardless of where the open sore is, you cannot enter the pool or spa (even if the sore is on top of your head). For those who like to spend hours walking in the pool, please remember to vacate the pool often and use the restroom. Studies show that swimming pool urine combined with chlorine creates many health risks for individuals. Please use good hygiene and do not urinate in the pools or spas.

Pool Water and Air Temperatures: Indoor pool water temperatures are held between 85 to 87 degrees. Air temperatures are held as close to the water temperature as possible. Outdoor pool temperatures are more difficult to control depending on overnight temperatures and the presence of wind. During the high heat of summer, the heater is not used and the temperature of the water is determined by the sun.

Former Ice Skater Settles Into Health and Fitness in Sun City

~ Story and photos by Stu Gershon

Sally Howarth has been a resident of Sun City Summerlin since 1996. We often talk during our workouts at the Pinnacle fitness center and I am amazed at her flexibility. Sally was a champion ice skater in the Pacific Coast area, and she was a line captain and performer in the Shipstads & Johnson “Ice Follies” from 1957 to 1961. The show traveled to 24 cities throughout the United States and Canada.

After her stint with the Ice Follies, Sally moved to Hawaii and because “there was no ice there,” she opened up her own dance studio and taught ballet, tap and jazz. In addition, she kept up with her own dancing and jogging. After 35 years of teaching dance, Sally retired to Sun City Summerlin to be closer to her daughter in California.

As an athlete, exercise has been an important part of Sally’s life. She manages to stay healthy by finding activities that keep her limber and mobile. She enjoys the fitness centers our community offers and spends almost ninety minutes, five days a week in them, doing stretches and she even works with the machines. Sally is proud that she can walk four miles in an hour (if there is no one waiting for a treadmill) and usually finishes with a speed of 4.5 mph and an incline level set to more than 2.5.

Sally, who celebrated her 80th birthday on July 1, is proud that she can accomplish her workouts without breathing hard.

The fitness center at Desert Vista has become an integral part of her life and the people she meets and sees there every day are like her family. Her goal is to remain healthy, fit and retain a fabulous positive attitude.

All of this work keeps Sally healthy, limber, and in a great frame of mind. By the way, did I mention that she turned 80 on July 1?

Sally Howarth retired to Sun City Summerlin from Hawaii to be closer to her daughter in California.

Community Standards

Some Information From Community Standards

It is not unusual for us to receive the same questions over and over from residents. Much of this information was provided in the April 2014 Link, but it was asked again during the June Coffee with the Board meeting.

Mailboxes: If you live in a single-family home, your mailbox and post are your responsibility. Mailboxes should be black or white (depending on where you reside. All posts within the community are black). If they are faded, rusted or any other color, they need attention. If you need to replace the mailbox you will not be able to find an exact model. Replace it with one as close as possible to the original. Some of these models also are available in locking units. They can be found at Lowe's or Home Depot, as well as many other retail outlets.

To ensure the safety of your mail, it is recommended by the post office to deposit your mail in the U.S. post boxes located inside the parking lots at Desert Vista, Mountain Shadows and the Pinnacle.

Sidewalks: The sidewalk in front of your property is your responsibility. If it is cracked or raised, it is up to you to repair it. If the damage is caused by a utility box of some kind, you can contact the company to see if they will repair the problem. You should also take care that your landscape rock does not become a tripping hazard by spilling onto the sidewalk.

Corner Lots: If you live on a corner lot that is separated from the street by a wall, remember, you are responsible for the maintenance of the strip of landscaping in between.

Tree Limbs: Are your trees encroaching into your neighbor's property or over a sidewalk? If so, be a good neighbor and trim the limbs back. If the limbs are encroaching over a sidewalk, city of Las Vegas code enforcement will contact you. The city's requirement is

that tree limbs must be higher than eight (8) feet from the sidewalk.

Palm trees: If the fronds on your palm trees are brown and drooping, it is time to have them trimmed.

Pine needles and pine cones: These annoyances can make your yard look unkempt. They must be raked up or blown off and removed from the property. Please be mindful of the appearance of your property.

Home Exterior: If you plan to repaint your home, you can stop by the Community Standards office and browse through our approved color catalog. The book may not be removed from our office. If it is more convenient, you can stop by Dunn Edwards Paints, 7450 W. Lake Mead Blvd., where there is a copy of Sun City Summerlin's approved color catalog. All applications for painting must have color samples attached when submitted to the Architectural Review Committee for approval. The Community Standards office does not supply paint samples.

Estate/Moving Sales: If you are moving or have had a death in the household, one two-day sale is permitted. A sale permit must be obtained from the Community Standards office and displayed at the residence on the day(s) of the sale. Items offered for sale must be the property of the resident requesting the sale. The Association reserves the right to enter the property to verify.

CLUB SPOTLIGHT: ORGAN, PIANO AND KEYBOARD CLUB

Learning the Language of Music

The meeting, or more accurately class time, starts off slowly, easily welcoming members of the Organ, Piano and Keyboard Club into the music room at the Pinnacle, where the group meets every Tuesday at 9 a.m. Members arrive, take a seat and wait their turn as instructor Sandy Jackson attends to the student whose fingers are busily working the keyboard.

Club President Freyda Wayne said most of the club time is dedicated to playing music. A short business meeting occurs on the second Tuesday of each month.

“Learning to play in front of people is a big part of learning,” said Freyda. “Playing music helps with depression, keeps the mind active and as with all clubs, it’s social. It’s proven that people who play music live longer.”

The songs students play change every two weeks, with the music selected by Sandy, who makes the weekly trek to Sun City from the Family Music Center on West Sahara Avenue. Music can come from the Hal Leonard E-Z playbook or standard music that Sandy embellishes to accommodate more advanced players.

“We all get a little stuck in what we’ve been used to playing,” said Freyda, explaining how Sandy, who has been the club’s instructor since 1993, switches up the weekly versions of music to show students the range of rhythmic possibilities.

The same range can be said of the students, who run the gamut from beginner to veteran.

One student, Hiroko Grokhowsky, didn’t play music at all before joining the Club two years ago, said Freyda. Today, Hiroko makes an appointment with the Pinnacle social monitor to practice every week on the Club’s Lowry organ.

“Music is a funny thing. If you practice every day you make a lot of progress.

Playing music distracts you from everything because you begin to use your whole body. Sensorarily, you are involved and it totally envelops you,” Freyda said.

As with all Sun City Summerlin clubs, residents are invited to attend two meetings before making the com

Residents' Forum

Every resident is a member of The Residents' Forum and it's free! Please come to our planning session every first Wednesday at the Pinnacle at 1 p.m. We need volunteers and program ideas. Call President Glenda Rogers, 255-7755.

R.V.

We will be on summer break, which means that most of our members are going out of town to visit friends and families living in cooler climates, therefore we will not have our regular monthly meeting at Desert Vista. Our next club meeting will be Monday, September 8. If you have any questions about our club, try to catch us when we are in town, or call our President Gene, 233-9870. Have a great and safe summer!

Sawdusters

Do you miss making items out of wood? So, what's keeping you away from the wood shop? Come on down and check us out. We have classes for new members and refresher courses for others.

Do you have broken wood items that you need repaired? We do most repairs in our shop located at the Pinnacle. Call Bev Pasco, 838-2621, or the wood shop, 240-1325.

Security Patrol

The Security Patrol's board meeting is Tuesday, August 19, 9 a.m. Desert Vista. The patrol's potluck dinner and general membership meeting is Tuesday, August 26; potluck dinner at 6 p.m., meeting follows dinner.

If you appreciate the concept of neighbors helping neighbors, you might make an excellent Security Patrol volunteer. Call 254-2303, a dispatcher is always there. It could be you who answers the phone.

Sewing (Just Sew)

No monthly meeting in July and August, but crafts on the first and third Thursdays and charity workshops on the second and fourth Thursdays are ongoing. Help days are the

Members play at 9 a.m. on our courts behind Mountain Shadows on Tuesdays, Thursdays and Saturdays. For more information, call Andy Lawson, 242-1540.

Men's Softball Club Marks Another Anniversary

October will begin the 17th year for the Men's Sun City Softball Club. If you need to exercise, test old skills or just come out and have some fun, stop by the Pinnacle softball field any Monday, Wednesday or Friday at 8:30 a.m. We are always in need of additional players of every skill level. To see what we get up to, check out our website at www.suncityseniorsoftball.com.

There's no need to purchase a glove or bat, we're happy to share ours until you decide you really want to play. Until then, you will be able to play three games before you need to make a commitment. Once you've played your three games you can register with the club for \$30 per year. Membership gives you a team shirt, a hat, several BBQs, two potluck picnics with your spouse and our fully catered annual dinner meeting. Such a deal for \$30!

Prior to the start of the 2014-2015 season, we play pickup games every Monday, Wednesday and Friday at 8:30 a.m. Come join us.

See you at the Pinnacle ball field.

Silvertones

The Silvertones will begin rehearsals for another concert season on Thursday, August 28, 1 p.m. We will get our first glimpse of the musical arrangements director George Pucine has prepared for the winter holiday program. We are always looking for new members who like to sing, can carry a tune, and can commit to weekly rehearsals on Thursday afternoons, 1-3 p.m. in the music room at the Pinnacle. Now would be a great time to join our group as summer winds down and fall beckons. For information, call Roger, 228-1477.

Softball-Men's

It's August and our softball teams are being set for the 2014-2015 season. Based on the participation, it looks to be a very competitive season. We start the first week of October, after a grueling summer with pickup games and outside tournaments hosted by our club. We meet (and throw out the first pitch) every Monday, Wednesday and Friday, 8:30 a.m., at the Pinnacle field. We also get a game going on Saturday at 9:30 a.m. We always have room for more players and especially new residents moving into our community. You can get more information at our website, www.scssoftball.com, or contact Terry at (808) 366-1239 or fowlerto03@gmail.com.
