## RSVP Now for Thanksgiving Dinner at Tavern at the Falls

**Sue Papilion**, *Interim Executive Director, SCSCAI*

Being social or getting together with friends and family is very important to everyone. Social activities are the essence of Sun City Summerlin, but where those activities once revolved around clubs, it is changing to activities involving food, music and conversation. In the past, Sun City had restaurants, but they became unsuccessful as national restaurant chains and casinos opened up nearby competition. While Sun City still owns the restaurants in the community and keeps them open for golfers, the association strives to find a solution to how it can better serve non-golfers while still providing the concessions and refreshments all golfers require.

The Vista Grille has now been successfully leased to Five Star Tavern that serves good food and offers gaming and cocktails in a non-smoking environment. It has become a very popular place for dinner.

Tavern at the Falls, located next to Highland Falls Golf Course, not only serves food for golfers for breakfast and lunch, but it has become a favorite spot for women who gather for lunch. There are tasty salads, homemade soups and wonderful desserts available on a newly crafted menu. The Tavern at the Falls is not open for dinner, but it has a fun daily happy hour from 4-6 p.m. There is also a football brunch offered every Sunday so you can watch the game on the new large televisions. Plan on enjoying Thanksgiving dinner at the Tavern at the Falls. A holiday dinner will be served on Thursday, November 27, from noon to 6 p.m., for \$19.99 per person, which includes pie for dessert. Make your reservations now at 228-2136.

The Summit was a restaurant a long time ago, but it now serves as a rental venue and a fun gathering spot where residents can meet and socialize. Happy hour is served between 4 and 6 p.m., and there is a wide selection of wine and cocktails. Sandwiches are back on the menu, along with soup and chili. We are working on a plan to have live music at the Summit once a week and who knows what else. The Summit is open daily from 8 a.m. to 8 p.m. to all residents, even if they don't want to eat because it is a place to meet others, first and foremost. Please sign up for the e-news bulletin (instructions are listed on page 6 of every Link) so you can be notified when the Summit is closed due to a private rental. For more information on the Summit's schedule, call 240-1313.

# President's Message

## Community Committees Are a Great Place to Start Volunteering

What is it like to be a member of a Sun City Summerlin committee or the Board of Directors? After retirement many of us consider sharing our time and skills as volunteers in our community, however, volunteering takes time and much commitment. If you cannot devote the necessary hours to be a board member today, I would strongly suggest you make it known to a board member or the executive director that you are willing to serve on one of our committees. That way you can begin to learn the method of governance in Sun City Summerlin. Applications to declare candidacy for the Board of Directors are due in the administration office at Mountain Shadows by 5 p.m. on Wednesday, November 26.

Over the years, the Residents' Forum has sponsored a Government Night in Sun City event. This year, I have been asked to organize the meeting on November 12 at Desert Vista, starting at 7 p.m. If you have any interest in the city or county governments, this is your chance to meet the leaders and ask questions. The program will begin with

brief comments from Las Vegas City Manager Betsy Fretwell, Las Vegas Mayor Pro-Tem and City Councilman for Ward 4 Stavros Anthony; William McDonald, City of Las Vegas fire chief; and Larry Brown, Clark County commissioner and former Las Vegas City Councilman of our Ward 4. Light refreshments will be served.

Please take the time to thank Sue Papilion for agreeing to accept the position of permanent executive director of Sun City. Sue was Sun City's interim executive director, a past member and president of the Board of Directors.

Best wishes during the Thanksgiving holiday season. Please enjoy your time with friends and family. We have much to be thankful for in our community.

**David Steinman,**  
*President, SCSCAI  
Board of Directors*

Mountain Shadows community center

**Free Admission**

“Our move to the Mountain Shadows community center in Sun City Summerlin will be a wonderful step to continue the ArtWalk, which is now a 15-year tradition in Las Vegas,” said local artist and ArtWalk producer Mark Vranesh. “The Sun City community is the heart of Summerlin and a beautiful place to accommodate the outdoor festival.”

ArtWalk will take place over the November 8-9 weekend, from 10 a.m. to 4 p.m. The event is sponsored by Sun City Summerlin Community Association, Inc., and is free. The event is open to the public. There will be food and refreshments available for purchase and plenty of nearby parking.

Many art lovers will be familiar with the popular festival that was previously held at the Trails Village Center in Summerlin. Other art events produced by Mark Vranesh Studio include the Anthem Highlands ArtWalk, as well as festivals held at Bruce Trent Park and Boca Park in October. Over the years of producing the ArtWalks, Vranesh has built a solid collection of participating artists who are proud to present their works to shoppers. Artists come from California, Arizona, Utah, Nevada and Colorado to sell their one-of-a-kind works in sculpture, jewelry, mixed media, painting, glass and unique crafts.

In addition to the art, musician Vibhas Kendzia will entertain visitors throughout the weekend with his original compositions in native flute and saxophone.

# Community Preparedness Committee

## Emergency Community Communications Unit

When telephone, radio, television and satellite systems become non-functional due to a disaster, the Sun City emergency communicators support the Sun City CPC emergency center. The unit is made up of amateur radio operators and auxiliary communication members.

It is the duty of CPC communicators to operate the Emergency Operations Center during emergencies to provide support to the Board of Directors, Sun City's departments, community and fitness centers, coordinating real-time information between Sun City Summerlin Security Patrol and managing radio communication interoperability with county, city, state emergency management and non-government organizations such as hospitals, the Red Cross, Salvation Army and churches. The Emergency Operations Center is the main gathering point where all information is collected and decisions are made.

It is important that Sun City residents be prepared in the event of a disaster or emergency. Have a family communications plan. Listen to TV and radio bulletins, if available. Have a plan for contacting or finding one another should an event occur. Some suggestions include:

- ♦ Make plans with relatives or friends outside Sun City, preferably out of state with household members with emergency contact information.
- ♦ Discuss how to prepare for emergencies that are most likely to happen here in Sun City. Read Community Preparedness Committee articles in the Link and attend Link seminars and training courses offered by the Community Preparedness Committee, Sun City Security and Las Vegas Fire & Rescue Station 107.
- ♦ Choose two places to meet:
  1. Right outside your home in case of a sudden emergency, such as a fire.
  2. Outside your neighborhood, in case you cannot return home or are asked to evacuate.

Choose an out-of-area emergency contact person. It may be easier to text or call long distance if local phone lines are overloaded or out of service. (For example, a different area code might work while a local area code may not work.)

If you have to evacuate:

- ♦ Decide where you would go and what route to take. You may choose to go to a hotel/motel, stay with friends or

relatives in a safe location, or go to an evacuation shelter set up in Sun City.

- ♦ Practice evacuating your home. Drive your planned evacuation route and plot alternate routes on your map in case roads are impassable.
- ♦ Plan ahead for your pets. Keep a phone list of pet-friendly hotels/motels and animal shelters along your evacuation routes.

We are always looking for Sun City residents who are interested in volunteering and becoming part of the Sun City Emergency Operations unit. The only qualification we require is a willingness to "help one another when in need." For more information or to join, call Ken Johnson, 254-5840.

*~ Ken Johnson, W7BES - CPC Communication Unit*

*~ Paul Madigan, Emergency Operations Center Manager*

**The next CPC meeting is Wednesday, November 5, 9 a.m., Desert Vista.**

# Landscape

## Winter Is Just Around the Corner

As the temperature starts getting down into the low 40s the Landscape Department will start watering during the day. It will be on Tuesdays for the turf areas and Wednesdays for drip. Please be aware when you enter the parks or any areas that have grass that the irrigation may come on. I do not have an exact date on this change, but when I do I will send out a notice through the e-mail blast. The times also will be posted on the Link website. Remember, if you ever see any ice on walkways, report it as soon as possible so we can treat it. Call 254-4092 or 363-7655.

The other thing I wanted to bring up is how to notify me if there is an issue that needs to be dealt with. My office number is 254-4092, or you can call Lydia at the Golf Course Maintenance Department at 363-7655 and she will take a message. **Please do not make a request directly to a landscape staff member.** They are not allowed to make a decision or stop what they are doing to fulfill a request. All work requests must come through me from the office. Please understand that the chain of command must be followed. I appreciate your help with this.

I hope everyone has a happy Thanksgiving and enjoys the cooler weather.

~ *Louis Darling, Director of Landscaping*

**Wednesday, November 12, 7 p.m.**

Please join Sun City Summerlin Community Association, Inc. Board of Directors President David W. Steinman as he has arranged for several Las Vegas City and County dignitaries to come to the Residents' Forum meeting on November 12.

There will be short addresses by Las Vegas Mayor Pro-Tem and City Councilman Stavros Anthony (top, left); Clark County Commissioner Larry Brown (top, right); Las Vegas City Manager Betsy Fretwell (bottom, left) and Willie McDonald (bottom, right), Chief of Las Vegas Fire & Rescue. ## Do You Have High Blood Pressure?

It is estimated that 1 out of 4 adults in the United States has elevated blood pressure, and that more than 30 percent of them are unaware of this fact. Since persons with hypertension may not exhibit any symptoms, they often go undiagnosed until complications occur. Regular blood pressure screening can facilitate early diagnosis and treatment, and reduce the risk of further complications associated with hypertension.

**Kristie McWhorter,**  
MS, CPT, GFI, Director  
of Fitness  
kristiem@suncitylv.com  
fitness@suncitylv.com

Blood pressure is the force exerted against the artery walls as blood is carried through the circulatory system. Blood pressure is recorded as a measurement of this force in relation to the heart's pumping activity, and it is measured in millimeters of mercury (mmHg). The top number, or systolic pressure, is the measurement of the pressure that occurs when the heart contracts or beats. The bottom number, or diastolic pressure, is the measurement recorded between beats, while the heart is at rest. The systolic number is placed over the diastolic number. An example would be 110/70 (read as 110 over 70).

Hypertension, or high blood pressure, is an indicator that the force required for blood flow is greater than normal. According to the Sixth Report of the Joint National Committee on Detection, Evaluation and Treatment of High Blood Pressure (JNC VI), a blood pressure measurement of less than 130/85 is considered "normal;" 130-140/85-90 is defined as "high normal." For more information, see accompanying chart.

Blood pressure is considered to be elevated when repeated measurement is greater than 140/90 of either the systolic, diastolic or both measurements. A diagnosis of hypertension is made when a person has had two or more elevated readings after the initial assessment. For your convenience, Summerlin Hospital provides free monthly blood pressure screenings for residents. For dates, times, see the box below.

	Category	Systolic BP (mmHG)	Diastolic BP (mmHG)	Follow-Up Recommendations
	Optimal	less than 120	less than 80	Recheck in 2 years
	Normal	less than 130	less than 85	Recheck in 2 years
	High-Normal or Pre-Hypertension	130-139	85-89	Recheck in 1 year
Hypertension	Stage 1	140-159	90-99	Confirm within 2 months
	Stage 2	160-179	100-109	Evaluate within 1 month
	Stage 3	180 and above	110 and above	Evaluate immediately

## Tips to Reduce Your Chances of Becoming a Crime Victim

### Out and About

- ♦ Pay attention to people around you; what are they doing? Is anyone watching you, or following you?
- ♦ Do not leave your car unattended while the engine is running, even for a few minutes. Stop the engine, lock the car and take the keys.
- ♦ Have your keys out and ready as you approach your vehicle.
- ♦ Try to carry only the amount of cash you will need. Limit credit cards to those necessary for your shopping trip. Keep a list of all credit cards, along with customer service phone numbers to call if your credit card is lost or stolen.

### In Your Home

- ♦ Install secondary locks on your windows, front doors and sliding glass doors.
- ♦ Light the exterior of your home around doors, windows and the driveway.
- ♦ Be able to approach your door from the outside knowing there is not a hidden intruder waiting for you.
- ♦ Use the peephole, or look through a window.
- ♦ Do not open your door to strangers.

### Bev Frase: A Hero For Children

~ By Ann Kmit

Bev Frase is a widow who has lived in Sun City for 18 years. I met the sweet, 84-year-old in the arthritis exercise class, where everyone knows her because at the beginning of class she lets out a loud whistle that alerts all members to quiet down and be ready for exercise! Bev told me her brothers were jealous because they couldn't learn to whistle like her. But that is not her only talent.

As a young married mom with a working husband and three little girls, Bev decided that since she loved children so much she would take in foster children. So she applied to the department of Social Services in Milwaukee for her license.

"I didn't do it for the money, that's for sure. We were paid about \$25 per month for each child. I did it for the satisfaction of providing a stable home for these babies," Bev said.

Bev said that she only had newborns to begin with, but that the children stayed with her sometimes for two or three years.

### ONE MONTH'S SECURITY PATROL STATISTICS:

Sun City Summerlin Patrol drivers alerted 261 residents that their garage doors were left open after dark. Drivers responded to 28 flashing emergency lights. 796 homes were checked for vacationing residents. 211 visitors stopped for directions at the information centers. In one month, 13,796 total miles were patrolled throughout Sun City Summerlin.

### In your Car

- ♦ Don't drive without first locking doors and closing windows.
- ♦ When walking out to your car, try not to do it alone.
- ♦ Do not let anyone approach you on foot while you are in the drive-through at an ATM.
- ♦ When stopped in traffic, in case you must pull away quickly, leave enough room between your car and the one in front of you.

"But one little boy, Kevin, stayed with us until he was 5 years old. By that time he was an absolute part of our family and I couldn't give him up, no sir. So, we adopted him. ... Eventually he put himself through college and today he is a vice president of the U.S. Bank in Milwaukee. ... I love him dearly, and he loves me, too."

"And my daughters loved the babies as much as I did," Bev said. "It was a perfect home for training my children to become loving, nurturing mothers themselves, and I'm proud to say that they have been wonderful mothers."

## Two State-Licensed Notary Publics Serve Sun City Residents

Pam McCartney (top) and Jill Myers (bottom)

A notary public is an official of integrity appointed by state government, typically the secretary of state, to serve as an impartial witness in performing fraud-deterrent actions related to the signing of important documents.

A Notary's duty is to screen the signers of documents — such as property deeds, wills and powers of attorney — for their true identity, their willingness to sign without duress or intimidation, and their awareness of the contents of the document or transaction.

Impartiality is the foundation of the Notary's public trust. They are duty-bound not to act in situations where they have a personal interest. The public trusts that the Notary's screening tasks have not been corrupted by self-interest. A notary's log book is a legal document that can be inspected by the state secretary's office for use in court.

Pam McCartney (top) and Jill Myers (bottom) are Sun City's two licensed notaries. Both have full time accounting department jobs. Pam is the Accounts Payable staffer, while Jill prepares payroll for 300 employees and has other accounting responsibilities.

An appointment should be made for notary service: Jill, 966-1413, Pam, 966-1406. No walk-ins, please. The fee for notary service is \$5 per document. When the appointment is made, the notary has a chance to review the purpose of the document to be notarized and advise if a witness is required.

Clients are cautioned never to pre-sign anything that is to be notarized. Documents must be signed in the presence of the notary. Neither can a document be notarized that is printed in a foreign language.

Pam prefers to notarize witnessed wills and documents, instead of real estate transactions. Jill's preference is real estate documents where a witness is not required. Most often, depending on their work schedules, a morning appointment can produce a finished document that same afternoon.

## ART CLUB'S ARTIST OF THE MONTH, HELEN BEAL

*"If you hear a voice within you say, 'You cannot paint,' then by all means paint, and that voice will be silenced."*  
~ Vincent Van Gogh ~

Each month, more than 40 members of Sun City's Art Club select the Artist of the Month, whose favored artwork is exhibited in the lobby at Mountain Shadows community center. Helen Beal, a longtime productive Art Club member, was the tribute artist in September. Five of her paintings were displayed for residents' enjoyment during the month. She has been an enthusiastic Art Club member since she became a Sun City resident 14 years ago.

The excellence of Helen's work has been acknowledged in competitive exhibits since 1999, when her entry took Best in Show in a major Florida art competition. She also won a third-place award in the Las Vegas Art Roundup, a show supported by the Las Vegas Art Museum. Competing in Sun City art shows, Helen won first place in 2002 and took second-place honors in 2005 and 2011.

Helen prefers working in watercolors. She favors landscapes and floral pieces, as well as human figures. Helen has practiced her art for 20 years, emphasizing that her skills have been enriched by the Club's terrific resident teachers. "It's a great Art Club," she said, noting that there is a lot of talent among club members.

### Arthritis

This low-impact pool exercise club meets Tuesday and Thursday, 10:30-11:30 a.m., Desert Vista indoor pool, and safely moves every part of your body. Stretching, range of motion, flexibility and balance exercises improve health and wellness. We urge new members to check with their doctor to make sure they are fit enough for the class. Our instructor, Tim, is certified for water exercise and first aid from the American Red Cross. We will hold our annual meeting at the Desert Vista indoor pool before class at 10:15 a.m. on Tuesday, November 11, to elect our slate of officers for 2015 and to conduct any other business. Thank you for your help Rosemary Manning, nominating committee chairperson. Call Peggy, 489-3586; or Rosemary, 363-0971.

We meet most Tuesdays, 1-3 p.m., in the silver room at Mountain Shadows crafts building. Annual dues are \$10. This month only, on November 4, our 1 p.m. business meeting will be held in the silver room instead of at Desert Vista. Please note that day's one time change of venue. On December 2, we need a quorum for our election of 2015 officers. It is imperative that all current members attend. Cheryl Kovalik is going to wow you at our next featured class, on November 18, with her instruction on making a herringbone necklace. Hurry in to get your materials list. To register for our next beading introductory class (no previous experience required) call Ellen Crawford, 478-8806. For information, call Vicki Socol, 256-6247.

## SUN CITY MILITARY AND FRIENDS CLUB SALUTES THE VETERANS AND ACTIVE MILITARY

*"FREEDOM IS NOT FREE"*

*The Military and Friends Club is strong because of the dedication and devotion of club officers, from left, Lorraine Spofford, secretary; Herman Bishop, president; Gerald Daino, vice president; and Andy Schizas, treasurer.*

### **Cribbage**

The Cribbage Club meets at Mountain Shadows every Wednesday and play starts promptly at 6:30 p.m. We welcome new members and lessons are available for novices or just to refresh your skills. Our club members are extremely friendly. The following players achieved 400 games in August and September – Gene Fasciana (401); Marty Sabell (407); and Bob Lampert (409). The cribbage Club will be nominating members to serve as officers and voting will take place December 10. Call Pat Risler, president, 252-7351.

According to Sun City Summerlin records, the Military and Friends Club was founded in 1996 as the Retired Military & Friends Club. In 2006, the word "retired" was dropped from the club name and changed to its current title – Military and Friends Club. Included are members, both male and female, of each branch of the service, who served in World War II and every conflict since then. In addition, many "friends" are included in the club's membership.

When attending one of the Residents' Forum club fairs, I stopped to visit at the table of the Military & Friends Club. I knew from the warm greeting I received there that my husband and I would be welcomed to the club even though we had not served in the military. We would be "friends," as the name of the club indicates. We feel great admiration for the military, and to support this club is one way we can make our feelings known.

The club has three objectives:

- ◆ Provide support to military-related personnel, organizations and functions.
- Provide information about veteran and governmental programs or resources to members.
- Provide opportunities for our members to interact socially.

Membership opportunities include participation in Club functions by serving on a standing committee, or by being available to help with projects and social events. This is not a requirement. It is always hoped that members will attend and enjoy meetings and parties. The club meets six times a year, and a schedule of events for the year is published in January. Some of the meetings are informational with speakers; some are strictly social. Dues are \$8.

For membership information, call President Herman Bishop, 255-9625.

## Musicmakers

Under the direction of Megan Schnizlien, the Musicmakers continue working diligently on their Winter Concert, "A Holiday Portrait" to be presented Saturday, December 13, 7 p.m., and Sunday, December 14, 2 p.m., in the Starbright Theatre. A Holiday Portrait is a heartwarming celebration of all the joys the season can bring. Using the theme of the family photo album, the story takes a touching look at the value of family relationships. An excellent script (with staging and featuring venues and small groups) ties the musical selections together in a delightful way. The friendly closing, in which the audience is asked to smile as they pose to have their picture taken, makes a positive statement surely to be

warmly received by all. Tickets are \$8 and are available from the social monitors at Mountain Shadows, Desert Vista and the Pinnacle, or by calling Bill, 645-8534. Elections will be held November 3. Call President John Harris, 255-4738.
