From the Executive Director

Set a New Year's Resolution to Give Back to Sun City

Sue Papilion, SCSCAI
Executive Director

Happy New Year. Wow! When we were young we never thought we would be writing 2015 on checks, and we never would have believed that checks would not be needed! Our grandfathers grew up with horse and wagon transportation and saw airplanes before they died. We grew up without air conditioning and now we live in the desert. Life is wonderful, exciting and fun!

January is an exciting month for Sun City. It is the month staff and committees start planning for Sun City's new fiscal year that begins July 1, 2015. Also, the election kicks off for new Board of Directors at the Residents' Forum on January 14. The event offers a chance for residents to meet each candidate and ask him or her questions.

Planning is key to keeping Sun City financially sound. Strategies help to reserve enough money to replace expensive equipment, vehicles and update facilities, which is the first order of business. Staff managers review their department's reserve items and request that the Common Area Properties Committee inspects and, hopefully, approves their recommendations for replacement. For example, Golf may need to replace a mower, so a CAP inspector reviews the maintenance record and total cost of ownership report, as well as looks at the item before a decision is made. You may not be affected by the purchase of a mower, but you probably have an opinion on how or if Desert Vista should be remodeled, or if new pool furniture is needed. After appropriate committees make their decisions on replacements, the Board of Directors reviews the request and makes its own suggestions.

Committees are an important arm of the Board of Directors, which is responsible for the overall budget, management and organization of the community. Each committee plays an important role in the decisions made by your Board of Directors.

The committees need new volunteers all the time. If you don't have a major area of expertise, don't worry, your interest is enough to get you started. If you care about your community, **YOU ARE NEEDED!**

This year, make a New Year's resolution to give some time back to your Sun City Summerlin resort, and you will find it is fun and you will meet new people, too.

For information, call my office, 966-1409, and I will aim you in the right direction.

NOTICE of Board of Directors' Election – 2015

The Exchange Room at Mountain Shadows community center will be **open for voting until 5 p.m., Tuesday, February 24, 2015**. This is the last day to cast a ballot for the 2015 election for the Board of Directors of Sun City Summerlin Community Association, Inc. The SCSCAI administrative staff will be available to supply replacement ballots and tend the ballot box. The ballots will be secured in the Association office until the following day, Wednesday, February 25, when the ballots will be validated, opened and counted starting at 8 a.m. during an **OFFICIAL ASSOCIATION MEETING - OPEN TO ALL RESIDENTS**. There is only one agenda item for this meeting, that being the counting of the election ballots. The results will be announced by the Association secretary and reported to the Board of Directors.

President's Message

Your Association Has Started the Budget Process

David Steinman,
*President, SCSCAI
Board of Directors*

The fiscal year for the Association begins on July 1, 2015, and ends June 30, 2016. In order to have a budget ready for a vote by the owners at the annual meeting on June 23, 2015, the process begins about six months earlier. In December, the Board of Directors held a workshop with staff and residents to propose ideas for content in the budget.

The income and expenses of the Association contain a lot of detail and changes must be considered on a line-by-line method. This takes at least three months before it is presented to the Board and the residents in a series of meetings in March 2015. At the meeting in March, every line of the budget is reviewed.

After the line-by-line review, the budget is sent to the Finance Committee for review and a recommendation of approval to the Board of Directors. This is followed by approval from the Board for the 2015 – 2016 budget to be presented at the annual meeting of Sun City Summerlin.

A look at the highlights of the audited numbers for the 2013-2014 fiscal year gives you an idea of the size of our Association. The assets of Sun City Summerlin Community Association, Inc., are \$65,528,773, which includes \$46,806,088 net in our land, buildings and equipment.

The statements indicate revenue to your Association of \$15,727,278. Fifty-six percent of the revenue comes from member assessments. Expenses for the operation of Sun City are \$13,936,095 before the non-cash item of depreciation is figured into the statements.

Reserves make up a very important part of our financial picture. On June 30, 2014, we had \$13,405,427 set aside in cash and investments for the replacement of assets that had to be replaced due to normal wear and tear, plus unforeseen damage.

Your Board has been successful in the past few years keeping your annual assessment at a constant level of \$1,284. The Board and staff will spend many days this year going over every line in the budget to find the income and control the expenses to keep your annual assessment at a reasonable level.

Election Committee Set to Count BOD Ballots on February 25

The Election Committee is preparing to conduct the annual election of Sun City directors. This year, **Tuesday, February 24, 2015, is designated as Election Day and will be the last day for residents to cast their ballots.** Counting of the ballots will be on Wednesday, February 25, 2015. Four positions will be filled. Each home has **four (4) votes** that may be cast for one candidate or divided among all in any manner desired. **It is critical that not more than four (4) votes are marked.**

Ballots (part of the Link mailing label) and a return envelope will be included in your February Link. The ballot instructions are printed on the back of the address label, with the ballot portion perforated so the name and address can be removed by tearing it off at the perforations. After you mark your votes on this ballot, **remove the address portion and insert the ballot into the envelope so that the bar code shows through the window in the envelope.** It may then be mailed to the Administration Office, Mountain Shadows Community Center, 9107 Del Webb Boulevard, Las Vegas, NV 89134; or save Sun City the cost of postage by personally depositing your ballot into the ballot box at Mountain Shadows. If you mail your ballot, it must arrive no later than 5 p.m. on February 24. **The polls for voting will close at 5 p.m. on February 24.**

Should you lose or accidentally destroy your ballot, another can be obtained at the Administration Office. Before requesting a replacement ballot, be certain that another member of your household has not already voted. If two ballots are received from the same household, **BOTH** will be voided. Also, if more than four (4) votes are marked on a ballot, all votes will be voided.

The following is an alphabetical listing of candidates for this election:

- | | |
|-----------------|------------------|
| 1 James Akers | 4 Ken Resnick |
| 2 Ken Caroccia | 5 Bob Robey |
| 3 Joe O'Connell | 6 Karl Wiedemann |

One **MEET THE CANDIDATES** event will be held. It will be on **Wednesday, January 14, at 7 p.m.** The location will be at the **Desert Vista Community Center.** The event will be moderated by Mayor Pro-Tem Stavros Anthony. Each candidate will make a presentation. This will be followed by a question and answer period. After this formal meeting, candidates will be available to answer additional questions from residents.

Each candidate may provide a photo and a statement that will be published in the February Link.

CHARITIES' VOLUNTEERS RISE TO THE CHALLENGE OF HELPING NEIGHBORS IN NEED

"Volunteering is the ultimate exercise in democracy. We vote in elections once a year, but when we volunteer, we vote every day about the kind of community we want to live in." – Anonymous

Mary Bird is the office manager at Sun City Summerlin Charities, the community service organization whose volunteers provide handyman services and transportation for residents who are unable to drive. Mary oversees the volunteers.

"My job is to make things flow smoothly for drivers, handymen and the clients they serve," said Mary, emphasizing how the organization always needs more volunteers, especially drivers.

Lea Solomon is a longtime Security Patrol volunteer. Not long after Lea's husband died, she was awakened by a chirping sound coming from her smoke detector. At first, she worried that it meant that there was a fire hazard, but quickly realized it was just her smoke detector's batteries telling her that they needed to be replaced. "I called Charities and the nicest handyman came to my house that day. He climbed a long ladder, changed the batteries and I'll always be grateful to him," Lea said.

For six years, Ralph Pendelton has been a volunteer driver and a handyman. He takes non-drivers to medical appointments, grocery shopping, to the beauty salon, "or pretty much wherever they need to go," Ralph said. Mac McCormick also

Sun City Summerlin Charities' volunteer Martha Goessmann, top, is one of several helpers who mind the desk during Charities' office hours. Right, the building located at the south end of the Desert Vista parking lot, which was donated to Sun City Summerlin by the Del Webb Corporation, serves as the headquarters for Charities, the Sun City Summerlin Security Patrol and Sunshine Services. Opposite page, left, a pinup board inside the Charities' office displays several thank you cards the organization has received from residents grateful for the services its volunteers provide. Opposite right, a plaque posted outside the volunteer services building is a testament to the "spirit of giving."

is both a driver and a handyman volunteer. One of Mac's recent clients had injured his shoulder in an auto accident and could not drive. Mac provided transportation to physical therapy sessions for the resident.

"I grew up in a neighborhood of older people in St. Louis, where I learned to help with such jobs as putting in peoples' storm windows in wintertime. My mom always was proudest of me when I was helping someone," Mac said.

Janet Moseley is a volunteer handywoman for Charities. She changes smoke detector batteries, furnace filters and light bulbs for Sun City residents. Sometimes, women are not comfortable having a strange man work in their homes," said Janet, adding that male residents occasionally are surprised when she shows up to do their repairs. "You're a woman, one guy assured me when, carrying a ladder, I knocked on his front door to change his furnace filter," Janet said.

Helen Beal attests: "The wonderful volunteers who drive me where I must go are vital to this community. My husband

died three years ago and I don't drive. I've never missed an important appointment, thanks to the wonderful drivers. I'd be lost if I could not depend on them," Helen said.

"My wife and I depend on the volunteer drivers to take us to medical appointments," said Steve Zakanycz. "Losing our transportation ability meant we couldn't do things or go places. Our health would be jeopardized if we didn't have this help from the Charities' drivers."

Jerry Borowski changes furnace filters, replaces light bulbs and does a host of other tasks for his neighbors and church congregants.

"People are so thankful when I'm able to help them with jobs that they're unable to do by themselves," he said, explaining that unsteady legs and balance problems prevent residents from climbing ladders. "I grew up

with parents who took satisfaction from helping others. When I was a kid, at the family dinner table, conversation usually was about what we had done that day to help someone in the neighborhood."

To learn more about becoming a volunteer driver or handyman for Sun City Summerlin Charities, or if you need assistance, call 254-5831. The office is open Monday through Friday, 8:30 to 11 a.m., and is located adjacent to the Sun City Summerlin Security Patrol headquarters at Desert Vista.

Making Resolutions a Reality

Whether you want to lose weight, quit smoking, get your finances in order or spend more time with your family, here's some advice to help make your resolutions stick. Remember, winners do what losers don't want to do. Have passion, take action, and you'll get what you're after.

Kristie McWhorter,
MS, CPT, GFI,
Director of Fitness
kristiem@suncitylv.com
fitness@suncitylv.com

Set a very specific goal.

Resolving to “exercise more,” for example, is not specific enough. “I will work out 30 minutes a day four days a week” is more specific. If you want to spend more time with your family, make an appointment every week to spend time together.

Set a goal that has a measurable outcome.

“Getting in shape” is not quantifiable. Without a goal that is measurable, how will you know when you've made progress or even reached it?

Assign a timeline.

“Someday” is not a day of the week. The difference between a dream and a goal is a timeframe for making it happen. A deadline also can help motivate you and prevent you from procrastinating.

Identify small steps.

Major life changes don't just happen; they happen one step at a time. Keep putting one foot in front of the other. Steady progress through well-chosen, realistic, interval steps produces results. Know what those steps are before you set out.

Create accountability.

If you know precisely what you want — and there are real consequences for not doing the assigned work — you are more likely to continue in your pursuit of your goal. Find someone in your circle of family or friends to whom you can be accountable. Make periodic reports on your progress.

Change your lifestyle.

It is difficult to be overweight or inactive without a lifestyle that supports it. Willpower will not make things change. Be sure to clean up your environment by removing obstacles in your way. Remember that you don't break habits: You replace one behavior with a new one.

Residents Driving in Sun City Summerlin

Judy Hunt, Chief, Sun City Summerlin Security Patrol

Speed limits are 30 mph on the three major thoroughfares in Sun City Summerlin – Del Webb, Sun City and Thomas W. Ryan boulevards. Security Patrol head driver Tak Matsumoto explains that the speed limit on all remaining streets is 25 mph.

“That includes posted connector streets such as Button Willow, Darby Falls and Villa Ridge, as well as neighborhood residential streets,

whose speed limits are not posted,” Tak said.

Resident drivers must come to a full stop at intersection stop signs. For maximum visibility, stop signs at Sun City’s intersections are larger than standard signs. Furthermore, lighted stop signs blink at some of the community’s busier intersections.

Sun City streets are public roads, whose laws are enforced by the Las Vegas Metropolitan Police Department.

“Our Patrol volunteers do not confront drivers who exceed posted speed limits, or those who fail to obey stop signs,” said Sun City Summerlin Security Patrol Chief Judy Hunt. “Traffic citations are levied by Metro police officers who definitely patrol in Sun City Summerlin. Moving violation fines are steep and often accompanied by points that may increase insurance premiums.”

Citations and fines levied in traffic court won’t always change the bad habits of careless drivers, regardless of age. For bad drivers to become more attentive, too often the results of their carelessness must be personally experienced in an accident that happens to them or someone they love, reports the Las Vegas Metropolitan Police Department.

On the favorable side, older drivers tend to limit their driving during bad weather and at night, according to AAA Foundation for Traffic Safety. They also realize a lower incidence of impaired driving as they are less likely to drink and drive. Additionally, 77 percent of older motor vehicle occupants wear seat belts compared to lesser numbers among younger motorists.

Experienced drivers tend to plan familiar routes on well-lit streets, and they maintain adequate distance between their car and those in front of them. Mature drivers avoid such distractions as listening to loud music, talking on a cell phone, texting or eating while driving.

Resident drivers must come to a full stop at intersection stop signs. For maximum visibility, some stop signs blink at the community’s busier intersections.

Driving helps active adults stay mobile and independent, but the risk of being injured in even a minor fender-bender is genuine. Vision should be checked annually with glasses and corrective lenses worn if prescribed for driving, cites the Center for Disease Control and Motor Vehicle Injuries. To avoid possible side effects or drug interactions, drivers should be certain that their doctor or pharmacist reviews prescribed medications.

Within the boundaries of Sun City, the Security Patrol Procedures Manual reminds volunteer Patrol drivers that golf carts must obey traffic regulations. Gas-driven or battery-operated golf carts are permissible on public streets, whose speed limits do not exceed 35 mph. Head lights must be operational after dark. Exactly as when operating any motor vehicle, golf cart drivers in residential communities are required to have a valid driver’s license in their possession.

Water, Water Everywhere – Not Sun City Departments Work to Reduce Liquid Costs

Sun City Summerlin’s Golf Maintenance Department completed a xeriscaping project at Highland Falls Golf Course in October aimed at reducing expenses for water and maintenance. The plan is part of an expansive turf reduction project approved by Sun City’s Board of Directors through the Southern Nevada Water Authority’s water rebate program. According to GCM Director Brian Bagwell, the work at Highland Falls involved 6 acres of grassy area in front of the lake that runs along Sun City Boulevard. Brian and his golf superintendent Roger Knight worked on a plan to utilize drought-tolerant plants, along with different sizes, shapes and colors of rock placed in pleasing patterns. In addition to the work in front of Highland Falls, Brian described other projects at Highland Falls’ Hole No. 12. The project, Brian said, will be featured in an upcoming SNWA newsletter that will showcase the breadth of the design, which features a large, impressive dry creek bed.

In addition to the work completed by the Golf Maintenance Department, Louis Darling, director of Landscape, is heading up equally impressive projects in his department.

“We are in the process of turf reduction on Greenbelt No. 7, which is also known as Sundial West Park, located on Sundial Drive, west of Del Webb Boulevard between Big Timber and Highvale. This greenbelt is watered with

potable (drinking) water and is a very large park. Work is under way and we expect to be finished by the end of February,” Louis said.

After that, Louis said he will begin working with a landscape designer to create an aesthetically pleasing plan that will eliminate much of the grass surrounding the Desert Vista community center. Stay tuned for more information on that project as it develops.

Turn Your Attention to Roses, Texas Rangers

January is here and I have a couple of reminders to mention. First, if you're a rose bush grower you already know this, but for everyone else it's time to prune your roses. Also, if you plan on doing a restoration pruning on your *Leucophyllums* (Texas rangers), this is when you want to do it. Remember, the lower you cut them the higher the chance that they will sprout from the roots, which will create more plants. If this happens and you don't want them, cut off the sprouts. Do not spray herbicide, which could kill the main plant.

I wish everyone a healthy and happy New Year.

No More Pink Houses, In Accordance With Architectural Review Committee Standards

Ken Caroccia,
Chairman,
Architectural Review
Committee

The Community Standards office has more than 50 approved color schemes for residents to choose from when painting the outside of their home, and none of them is pink, not any more. Home exterior colors offer diversity from monotone, but not more than four paint colors may be applied to a property and trim, including gates, entry doors and garage doors.

Sun City Summerlin is an adult community designed to respect visual appeal, minimize environmental impacts, and maximize water and energy conservation principles. Established standards are maintained to preserve and enhance these concepts. The guidelines determine measures for architectural style and design, landscaping, site improvements, color choices and materials. They also include a review process for changes made within the community. These development standards have been approved by Sun City's Board of Directors and ARC.

ARC's role is to review, monitor and control the development of Sun City Summerlin. Property owners must adhere to responsibilities with regard to maintaining or changing the exterior appearance of private property. Home owners are required to submit a written application and have approval from ARC before making exterior changes to their property. Changes may include, but are not limited to, landscaping, pools, spas, fences, walls, patio covers, security doors, concrete work, exterior painting, as well as any other structural or visual modifications to the front, sides or back of a property.

Requests to ARC must be submitted by the property owner on a completed application form. Forms are available in the Community Standards office at Mountain Shadows community center. The office is open 8:30 a.m. to 4:30 p.m., Monday to Friday. For information, call 966-1411.

Residents Invited to Weigh In on Future of CPC

Your Sun City Association Board of Directors will host a workshop with the Community Preparedness Committee in January 7, 9 a.m. The purpose of the meeting will be to discuss the future of the committee. All residents' input is important. Please come to the meeting and voice your

thoughts. CPC gathers the first Wednesday of each month at 9 a.m. in the Committee Room at Desert Vista, unless otherwise published. This is your community and your committee. We need to clarify what CPC's future is. For information, call Glenda Rogers, Board liaison, 255-7755.

"TOMMY WARD . . . 'BABY BUBLE' "

Saturday, February 21, 7 p.m. · \$18

"Tommy is the epitome of great music," remarked 27-time Grammy award winning producer Quincy Jones. "An artist talented enough to be a household name," reported NBC. Soulful jazz influence meets a contemporary pop sound anchored by a voice that evokes an era of time gone by. Within the past few years, Tommy has conquered Las Vegas stages and made a headlining name for himself in arenas generally reserved for generations-older entertainers. Respect for the past and its legendary crooners are always present in Tommy's music and lyrics. Tommy has opened for Frank Moreno, and has been featured in shows with Clint Holmes, Louie Anderson, Michael Buble, Matt Goss and "Jersey Boys." Tommy and his big band of musicians deliver a perfect mix of music, lyric, showmanship and variety. Don't miss an opportunity to see the next big star produced by the great Quincy Jones.

We have new projects and new classes starting in January. We welcome donations of fabrics, notions and yarn for our various craft and charity projects. Call Julia Lorensen, 255-9898.

Shuffleboard

Our Club is ready to begin a great year of play. New members are joining and friendly competition is rampant. Games are played Tuesday, Thursdays and Saturdays at 9 a.m. You are welcome to play all or whichever days meet your schedule. Much different from other sports, shuffleboard does not commit you to a specific team. We pair up the day of play. Come by and give the game a try. It will take about five minutes of your time to learn. The courts are located behind Mountain Shadows between the tennis courts and putt-putt golf. For information, call Andy Lawson, 242-1540.

Silver Foxes

Join us for exercise classes to Richard Simmons' tapes at Sun Shadows. We welcome new members to get moving at our classes on Mondays at 10 a.m.; Tuesdays and Thursdays at 9 a.m. and 10 a.m.; and Saturdays at 10 a.m. The Club's yearly dues are \$8, which are due in January. For information, call Sue, 739-9696.

We look forward to seeing you there.

Silvertones

Do you remember Elvis, Bobby Darin, doo-wop, your high school band, and the early stirrings of rock 'n' roll? Well, the Silvertones will be re-incarnating the fabulous '50s for our spring show, May 2-3. Start off the New Year with a song or two. If you

like to sing, can carry a tune and will commit to weekly rehearsals on Thursdays from 1-3 p.m., we would like to have you join us. Our winter concerts in December were a great success. If you are interested, contact Joan, 363-3330. Our first 2015 rehearsal in preparation for our spring show will be Thursday, January 8, 1 p.m., in the Music Room at the Pinnacle. Call Joan, 363-3330.

Softball-Men's

We will be taking a holiday break from playing through January 5. We meet and throw out the first pitch every Monday, Wednesday and Friday at 9 a.m. at the Pinnacle field. We also get a pickup game on Saturday at 9:30 a.m. We always have room for more players and especially new residents moving into our wonderful community. You can get more information by going to our website, www.scssoftball.com, or calling our President Terry Fowler at (808) 366-1239, or email him at fowlert003@gmail.com.

Spanish

Have you ever wanted to learn Spanish? Now is your chance. We offer classes for those who know only how to order a margarita up to a class for fluent Spanish speakers. Classes are held at Sun Shadows every Friday at 9 and 10 a.m. The beginning class is also held on Wednesday at 10 a.m. Classes are taught by volunteers from the community. Please contact Terry, 255-2880, or t.clark@earthlink.net.

Stained Glass

Happy New Year! We have our first meeting of 2015 on January 10, 9 a.m., Mountain Shadows, stained glass room. Come welcome our new officers and see the many samples of our members' works. We will have a demo and helpful hints to improve your glass project. This is a good time to pay your dues and talk with some of the new members. For those interested in taking a class we will have our four-session class on Monday and Tuesday, January 19-20 and 27-27, 6-9 p.m. Everyone is welcome to come to our meeting. Please call President Roger Wager, 243-0873.

Sunshine Service

Our first meeting of the New Year will be Monday, January 5, 10:30 a.m., Desert Vista. It will be very interesting as our guest speaker will be Mr. Joe Daszek, a

former president of the Club. Joe will talk about his recent trip on an Honor Flight to Washington, D.C. Guests are welcome. We lend medical and children's equipment for resident use. Hours: Monday to Saturday, 9-11 a.m., 10362 Sun City Blvd. Aluminum tabs, toiletries, Campbell's Soup labels and greeting cards are accepted for various charities. Anyone interested in joining the Club may contact any of us or just come on over to the Desert Vista indoor pool during our regular swim time, Monday, Wednesday, and Friday from 9-10 a.m. We have swimmers at all levels and instructors who can teach swimming or improve your form. Beginner swim lessons are offered free to club members. Annual dues are \$10. Contact Carol Rudolph at 869-3303.

Table Tennis

Now that the New Year has arrived, you may want to shed some of those extra pounds that you put on over the holidays, and what better way to lose them than playing ping pong. The fast pace play will help you shed pounds while having fun. We play every Monday, Wednesday, Friday and Sunday at Pinnacle fitness center, 9 a.m. to 1 p.m. Come join us. The
