From the Executive Director

Six Easy Ways to Stay Connected

The Association makes every possible attempt to notify residents when policy changes occur that may affect them. Short of sending letters, which is very expensive, the following are ways that you can stay informed:

www.SCSCAI.com – Sun City Summerlin Community Association, Inc.’s official information website. Under “Administration,” all agendas, approved minutes and schedules are published for each committee and Board meeting. Watch “Meeting Notices” for up-to-date information of meetings planned. Budgets, financial results and governing documents are all available on this site.

The Link – Official notice of all events that act as a general mailing to residents for elections and the annual budget vote by residents. Read each section carefully for information, future projects, and study the calendar for meetings and events.

www.SunCityLink.com – The website of the Link magazine, featuring up-to-date news from around the community. The Link comes out once a month, but its website can post news, videos, slideshows and information every few days. Watch for estate sale postings on Thursdays, and be sure to check out the classifieds!

e-News Bulletin – Email reminders about community events, changes and emergency information. Sign up at www.scsc.ai and click on e-NEWS subscribe.

Bulletin Boards In Social and Fitness Centers – Important information on upcoming meetings and other announcements are posted in all centers.

Coffee With The Board – The Board meets with residents every third Friday of the month at 10:30 a.m. at Desert Vista. This casual meeting is the perfect place to bring up anything and everything. No decisions can be made, but residents can bring a subject to the forefront.

Remember, this is our community and since we all care, the Board makes sure we can stay informed.

~ Sue Papilion, Executive Director, Sun City Summerlin Community Association, Inc.

Exercise Your Right To Vote

February is an important month in the governing of Sun City Summerlin. An election is being held to name four owners to the Board of Directors.

When your February Link is delivered to your address, there will be a ballot and instructions for sending or delivering your vote to the Association. Read it carefully, follow directions and your important vote will be counted.

It is important that you read the bios of the six candidates running for the four seats on the Board. The service of a Board member is very important to our community. Many members give more than 20 volunteer hours per week. They are responsible for setting policy of the Association and reviewing financial results to see that we are staying within the budget approved by the home owners.

Sun City is a community of around 13,000 residents with a \$15,000,000 annual budget. It has nearly \$15,000,000 in reserves and daily cash flow. It is a big responsibility to govern a business that amounts to a small city. It is, therefore, imperative that the owners select persons to the Board who have found time to learn about the operation of Sun City and have skills that will assist them in the job.

Voting in Sun City is important. Make sure you exercise your right.

Raising The Roof

Two-day Tournament Rallies Support for Ronald McDonald House Charities

If the Ronald McDonald House Charities (RMHC) of Greater Las Vegas kept a tally similar to the one that used to record all the hamburgers sold at McDonald's restaurants, it would display close to 4,000 families served.

A whopping figure the organization takes great pride in. Whopping because, although RMHC is a global organization, the non-profit is hyper committed to keeping its charitable focus local. So, that means that every penny collected in Las Vegas stays in Las Vegas. It's also one of the reasons that put the group on Tony Derhake's radar. The former president of the Men's 18 Holes Golf Club already knew his wife volunteered at Ronald McDonald House every week for nearly two years. The turkey and cheese sandwiches Dottie Derhake and her group of Sun City ladies (Arline Goeschel, Lou Pasqualin, Jean Pullen and Georgia Rutowski) assemble every Wednesday and pack into colorful lunch bags decorated with encouraging messages that are delivered to the families of sick children at UMC and Sunrise Hospitals got Tony thinking about how lucky he and his family have been.

"We're at a point in our lives where we have received so many blessings, and it's now a time to consider giving back and helping out those who need some assistance," Tony said.

Which begs the question: What kind of a fundraiser would a golf club president think of organizing?

"We have three great golf courses in Sun City," said Tony, who used to coordinate golf tournaments in his former life as the executive director for Golf Buick.

"Golf is a great vehicle to make money for charity," he said.

Past president and fellow event organizer John Malley explained how the members have been receptive to the event that is sponsored by RMHC. The idea originated as an invitational, but now will be played as a classic that is open to golfers across the valley.

"We're developing quite a bit of traction now," said John, explaining that sponsors are stepping up and members are growing more passionate about the tournament as plans begin to gel.

"These guys are going to see two beautiful courses," said John. "Two days, with the first day at Highland Falls and the second day at Palm Valley."

Plus, "The tournament will be a two-day event and played the day before Mother's Day. If your wife is a golfer, a husband-and-wife team entry might be a great Mother's Day gift," added Dick Gluch, president of the Sun City Men's 18 Holes.

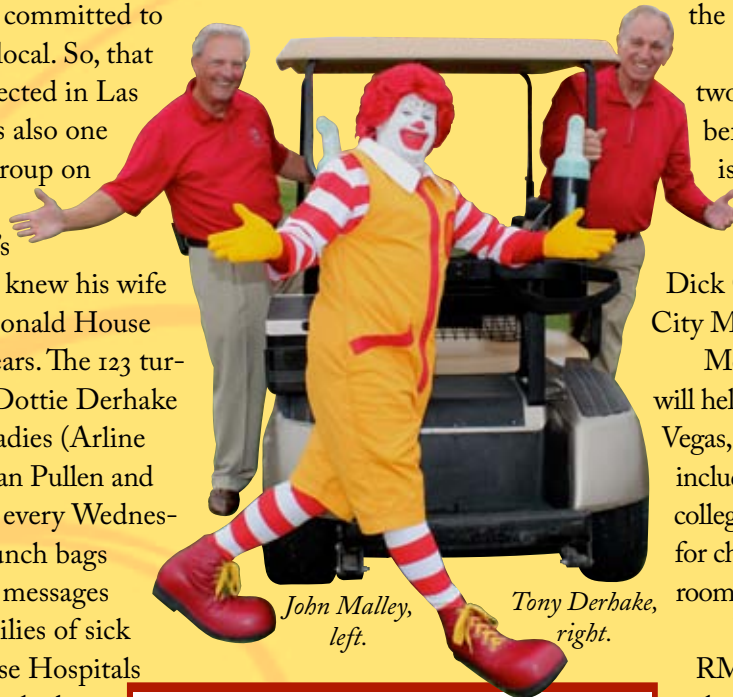

Money raised from the tournament will help fund RMHC's house in Las Vegas, as well as many local projects, including a mobile dental program, college scholarships and activity bags for children waiting in area emergency rooms.

While McDonald's remains RMHC's major corporate sponsor, the organization often looks beyond for help in funding its many endeavors.

"Being familiar with all the good being done through the Ronald McDonald House and wanting to get a group of golfers together that could give back is why

I chose this particular charity for our event," said Tony. "I am glad to say that many of our Sun City golfers are actively working to make this event a success."

The Sun City Men's Classic will take place on Friday and Saturday, May 8-9. It is a two-man team event, using one best ball scoring. The event is open to 144 players. The entry fee is \$200 per player, \$400 per team. Each golfer will receive a gift bag valued at up to \$100, breakfast daily, an awards luncheon, a hosted beverage cart, raffle prizes and more.

Architectural Review Committee

Next ARC meeting is on February 12, 1 p.m.,
Desert Vista

We Are Here For You

The Architectural Review Committee (ARC) is here for you, and we are easy to get a hold of. Just give us a call at 966-1411.

With spring around the corner, many residents look to refresh the outside of their homes. ARC is here to help residents begin a spring project. Please let us know what type of outside project you are thinking of doing, and we will be more than happy to assist you in following the approved community standards that we all must adhere to in accordance with our Association regulations.

On occasion, it is unfortunate when a resident completes a project on his/her own and it is later discovered that certain guidelines were not followed. It is sad when such hard work and financial investment must be changed on a cherished home project because no one bothered to check with ARC.

While it is the goal of ARC to make sure residents comply with Association rules and regulations so that all our properties maintain financial value, it is also our aim to help you, our neighbors. The most dreaded part of our job is having to inform a fellow resident that his or her outside project is not in compliance and has to be redone or undone to the tune of considerable expense.

I can promise you that it is so worth your effort to use the little time it takes to call ARC and do the minimal paperwork, which we can help you with. The effort is so minute and cost-effective compared with a "Guess it's OK"

attitude that may send you into great financial and emotional stress.

Please contact us. We are here for you!

Landscaping

Report Unstable Walking Surfaces to 254-4092

I want to talk about safety throughout the common areas of Sun City Summerlin, which is important to us all. As you all know we recently celebrated the 25th anniversary of the wonderful life that Sun City offers residents. With the anniversary came the opportunity to see that some of our sidewalks and other concrete areas are getting old. In some locations, the pavement is lifting for various reasons.

The Landscape Department does its best to keep the areas safe, but we need your help. If you see an unsafe area, please report it ASAP and we will do our best to fix it

quickly. Many trips and falls are on areas that have less than a quarter-inch rise.

When walking around the community, be aware of what you're walking on so you don't trip. And, again, please report any unstable areas to a monitor or any other office, including mine, here at the Landscape Department, 254-4092.

I hope everyone enjoys the winter. We are still watering turf on Tuesdays and drip on Wednesdays during the day.

~ Louis Darling, Director of Landscape

SPECIAL ELECTION ISSUE · VOTE FOR THE SCSCAI BOARD OF DIRECTORS

Board of Directors Election Voting Information – How to Vote

Election Day is Tuesday, February 24. This is your last chance to vote.

This year we will be electing four (4) residents to serve on the Board as Directors. The candidates elected will serve two-year terms.

The ballot format is the same as used last year and is prepared for electronic counting. The ballot has two halves and a **pre-posted return envelope**. Instructions are printed on the ballot. A household has four (4) votes. After marking the ballot, remove the “Instructions” side to remove your name and address. **Insert the ballot half into the envelope so that the “bar code,” which is used for validation, shows through the envelope’s window.** On vote-counting day, the Election Committee will cut off the bar code before removing your secret ballot. We will use optical scanners to count the ballots and tabulate the votes electronically.

If you make a mistake marking your ballot, do not correct it. Exchange the old ballot for a new one at the Administration Office.

Each member household will receive one ballot and will have four (4) votes. Before requesting a replacement ballot and envelope, be certain that another member of the household has not voted. Should two ballots be received from the same home, **both will be voided. Casting more than four votes also will void the ballot.** Your votes may be cast for one candidate or divided among two or more candidates.

Pursuant to NRS 116.31034, Section 12

An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in his campaign for election as a member of the executive board, except that his campaign may be limited to 90 days before the date that ballots are required to be returned to the association. A candidate may request that the secretary or other officer specified in the bylaws of the association send, 30 days before the date of the election and at the association’s expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner a candidate informational statement. The candidate information statement: (a) Must be no longer

If you have questions about how to fill out your ballot, or you need a replacement ballot, please call the SCSCAI Administration office at 966-1401.

No candidate information will be available from this source.

Validation and counting of the ballots occurs at an official SCSCAI association meeting on Wednesday, February 25, at 8 a.m., in the Mint and Sahara rooms at Mountain Shadows. The election results will then be announced by the secretary of the Association. All those who wish to witness the ballot tabulation are invited to attend the meeting on February 25.

Please make sure the bar code shows through the envelope window.

than a single, typed page; (b) Must not contain any defamatory, libelous or profane information; and (c) May be sent with the secret ballot mailed pursuant to subsection 8 or in a separate mailing. The association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to this subsection.

The candidate information statements included in this issue of the Link have not been altered in any way from the original form submitted by the candidate.

KARL WIEDEMANN

- QUALIFIED
- DEPENDABLE
- PRACTICAL
- FISCALLY RESPONSIBLE

Unlike golf there is no full-fledged committee of residents to oversee fitness centers, pools, racquet sports and other recreational activities. This important part of our Sun City life style needs a platform where there is more accountability and residents' concerns are adequately addressed. In order to accomplish this goal, I'd like to establish a committee of residents with active participation from our varied recreational areas of interest. Like all other committees, it would have published monthly meetings and report to the Board of Directors.

I may be a new name for many of you since this is my first time running for your Board of Directors but I'm not new to Sun City. Julie, my wife of 52 years, and I retired here 7 years ago and love the community and the active life style. I support the current Board and committees and their efforts in continuing to make Sun City a great and affordable place to live. As a retired small business owner I will bring management experience plus a practical, common sense approach to projects and problem solving. Currently I am president of a sub-association, Fairway View Drive HOA, and my ability and drive to get things done have served the residents well. I believe I will be a good addition to an already effective and well-managed Board of Directors. For your consideration here are my qualifications to serve on the Board:

- 10 years as National Sales Manager for Melitta Coffee
- 34 years as a small business owner responsible for all aspects of running a business. These businesses include:
 - 5 years as a plumbing contractor (10 employees)
 - 13 years as a subcontractor for many builders in Florida including Del Webb's Sun City near Tampa (over 55 employees plus subcontractors)
 - 15 years as a consultant for federal and state safety and health regulations (my wife, son and I)
- 4 years as President of Fairway Drive HOA plus 2 prior years as a board member responsible for finances including budgets and reserve funding.
- 2 years as President of the Euchre Club (resigned 12/31/14)

Since I am 76 years old I can't bring NEW blood to the Board of Directors. I can bring NEW energy and NEW ideas. I am a team player, not a follower. I am a "do-er". While I support current good ideas I am always open to new ones. I encourage resident participation in community activities and am always interested in suggestions for improvements.

I promise to work hard to represent your interests. If you'd like to contact me my phone number is 702-256-1944 and my email address is scswied@yahoo.com.

**I WANT TO SERVE ON YOUR BOARD OF DIRECTORS
AND I AM ASKING FOR YOUR VOTE.**

Bob Robey, Candidates Statement. Married, BA Social Science, Veteran, former Board Member. Retired teacher. BobRobey@cox.net and 702 360-3691(home)

The major reason I have put my name on the Ballot is to try and bring changes to how our Community Board of Directors operate. Openness and transparency, availability of records and accountability are indicators of a well run Association. The tell tale signs of a poorly run Association are membership apathy, extreme tenure of Board Members and rapid turnover of Managers.

Mr. O'Connell insisted at the October 17, 2014 Board Meeting that the Palm Valley Pipes (PVC) need to be replaced at a cost of \$2 million plus of your dollars. Mr. O'Connell also said, "\$3.4 Million". My friends, a cursory check of PVC pipe longevity is that the pipes should usually last 50 to 100 years. Mr. Akers verified on the recording that the replacement is coming up again. The Committee investigating the need for new pipes has never formally reported to the board. Unit Owners are in the dark.

I am also a candidate because when I filed to have a complaint to be heard by the Board on the issue of accountability, my complaint we posted on the Agenda of the November 17, 2014 as being a complaint against the 25th Anniversary Celebration. That was NOT my complaint. My complaint was that the Board of Directors had no knowledge and did not approve the solicitation of money and goods. The Board had no knowledge of income and expenditures for the Celebration. If you listen to the recording of the Meeting, you will hear that Mr. Steinman, Mr. Resnik and Ms. Bachman agree that my complaint was on target. Furthermore, my complaint was not included in the backup of the meeting which is disgrace. Thus my opening paragraph is reflected in actuality. The Unit Owners have no clue.

I urge you to consider my position that Board Members should not be asked to attend Committee Meetings to be informed. Committees must report to the Board, and Committee recommendations must be a part of the Official Records of the Association. Should I be elected I will not attend Committee Meetings. I shall expect Committees to report to the board in writing. There is absolutely no reason for a volunteer, unpaid unit owner who is willing to be on the Board to spend days and hours in meetings. Thus my opening paragraph is on target as demonstrated by the two examples: PVC Pipes and the accounting of the 25th celebration. Written reports by Committees included in the Minutes of Board Meetings will provide openness and transparency.

I have lived here since 1998. I enjoy living here and believe it was a good choice. But, that does not mean I am an open wallet for the arbitrary and capricious spending habits of the Board of Directors.

Association Board Member for two years

Cautious expenditure, prudent investment and transparency have been my guiding principles during my past two years of service to the Association as a Board member. We faced substantial challenges, but we have made dramatic improvements to the way we operate, including:

- Stabilizing our assessments
- Requiring that we invest our financial assets in only government-insured bonds or FDIC-insured deposits, thus protecting the assets that allow our community to grow and thrive.
- Requiring increased transparency in our conduct as board members to properly fulfill our obligation to the membership. For example, we now require competitive bidding for virtually all community goods and services.
- Under my chairmanship, the Legal Services Committee is undertaking a comprehensive review of all our governing documents to ensure they are in compliance with NRS-116, the Nevada State statute that governs homeowners associations. As a result of this review, we also will provide a more user-friendly directory in our website.

My wife, Phyllis, and I have been residents of Sun City for nine years. Every day we are grateful to enjoy the friends we have made here and the many Sun City clubs and activities provided to our residents. I am committed to the homeowners association and to improving our community by keeping and maintaining our golf courses and improving our landscaping for the common areas.

I have utilized my 45-year career as a lawyer and judge to help our community reach its potential. I ask for your vote so that I might continue to build on our successes.

Joe O'Connell

My wife and I have lived in Sun City since July of 2001. Before that, we spent most of our lives in Chicago. I have been very active in Men's Golf, and I have held titles of President, Vice-President, tournament chairman, and many others. Presently, I am the Vice-President, again. I have also been active in the Men's Softball Club, and been President for three years. I had to give it up this year. My wife and I both use the workout facilities at Mountain Shadows and Desert Vista regularly. We love it here in Sun City.

In my past life, I worked for thirty years as a Special Agent with what is now the Treasury Inspector General, Tax Administration. That is a fancy way of saying I investigated Federal crimes involving IRS agents and others who attempted to corrupt them. The last 16 years of that time was here in Las Vegas. I also served honorably in the U.S. Marine Corps for three years, from 1962-1965.

I have been on the Sun City Board of Directors for three years – the latest in 2011. During that year, I held the position of President. I enjoyed working with our CEO at that time, Barbara Cogar. I also found it very pleasant dealing with Sun City's Directors and other workers. Being on the Board can be a real challenge, but is very rewarding. I look forward to that challenge.

Ken Caroccia

Dear Residents, Neighbors and Friends:

For those who may not know me, I would like to introduce myself. My name is Ken Caroccia and I have been a resident of Sun City for 11 years.

During that time, I have served on the Board of Directors and numerous committees (such as the Architectural Review Committee, Common Area Properties Committee, Community Preparedness Committee, Clubs and Community Organizations Committee and the Link). Enough time to know what issues affect our community.

I feel I have the knowledge, know-how, experience and skills to keep our community thriving. I have been married for 46 years to my wife, Heidi, we have two grown children, Danielle and Damon, and one grandson, 3-1/2-year-old Scotty.

702-254-8852

My goals are to maintain reasonable Association fees for our residents, maintain the property values of Sun City (as chairman of the Architectural Review Committee or ARC). I will support every effort to increase golf revenue. While I have been on the Board of Directors, pickle ball and the basketball courts were created, along with the opening of two new restaurants – Five Star Tavern and The Summit. I want to continue to support every effort to keep our community the best place to retire to!

My background in business gives me the knowledge to achieve these goals. I was a store director for Ralphs Grocery Company for 40 years, and I managed over 14 stores and over 200 employees at most locations. I oversaw stores with approximately \$50,000,000 in annual sales. I am the former president of a 1,187-unit master homeowners association in Southern California for eight years. I have been active on the Security Patrol as both a Patrol volunteer and a Watch Commander for 11 years, and I am also active in pickle ball, tennis and pool.

Many people over the years already know that I take your requests and problems that you feel need attention very seriously because I feel it is my duty to serve each resident to the best of my ability.

Many BOD members over the years have believed this is a simple, four- to six-hour-a-week job. I always have put in well over 20 hours some weeks because I attend as many committee meetings, board meetings and other meetings that I can so that I know what's going on in all areas of the community. I put in a lot more hours for six months for the 25th anniversary in order to make it a success.

Anyone can contact me 24/7, and I will get back to them ASAP. My home telephone number is **702-254-8852**. My email is kcaroccia@cox.net. You can trust that if I cannot help you, I will direct you to someone who can.

I love our community and want only the very best for it. I have worked along many BOD members and gotten along with all in reaching a middle ground, which is what you want. I am sure you will agree that a BOD member who is willing to work with others, who is continually striving to improve our community and keeps costs down, and who aims to keep Sun City Summerlin one of the most desirable places to live is what you want, too!

I welcome your votes if you agree.

Thank you!

Stepping On Falls Prevention Program

The Sun City Summerlin Fitness Department will sponsor another falls prevention program called “Stepping On.” This program will begin with a falls prevention screening session held on Monday, February 9, by appointment only. Residents may sign up for an appointment with the Desert Vista Social Monitor.

During the screenings, participants will fill out a questionnaire and perform a few simple balance and stability tests in which their risk of falling will be assessed. Recommendations will be given depending on the results of the individual tests. Some participants will be recommended to attend the Stepping On Falls Prevention Program classes that are scheduled to start on Monday, February 23. Others may be referred to their health care provider for further intervention as necessary.

The Stepping On Falls Prevention classes will be held on Mondays, from 1 to 3 p.m., February 23 through April 6 (seven weeks for two-hour sessions). Participants must be pre-screened to attend these classes during the session held on February 9, and commit to attending all classes. Sign up for both the screening and the class with the Desert Vista Social Monitor. Class size is limited. When full, a waiting list will be maintained for future classes or cancellations. For more information on this program, contact the Director of Fitness, Kristie McWhorter, at 363-1486.

The Stepping On Falls Prevention program is designed to challenge the older adult to realistically appraise his or her risk and provide a forum for gaining knowledge about safety practices. The Stepping On program’s aim is to facilitate the older persons’ taking control of his or her situation, explore different coping behaviors and encourage follow-through on safety strategies in everyday life. The seven-week series will consist of education, group discussions, physical exercises and guest speakers. The classes will be taught by Sun City Summerlin Director of Fitness Kristie McWhorter, who is also a certified group leader for the Stepping On Falls Prevention Program.

Spotlight On: Cheryl Dunham, WateRobics

“I wanted to express my gratitude for the WateRobics Club. It has helped me tremendously,” wrote Sun City resident Cheryl Dunham about her positive experience with one of the Association’s chartered, fitness-related clubs.

“I have Ankylosing Spondylosis, which is a degenerative disc disease that causes hip, knee and ankle tendon pain. The pain was very bad for over 10 months prior to (me) going to WateRobics. I was using (4) 650 milligrams of Tylenol three times a day. After joining and exercising only a few days, I was able to cut that dose to only (3) 650 milligrams twice a day, and now after about eight weeks of the exercise I’ve been able to cut the dose to only (2) 650 milligrams twice a day. The pain is almost totally gone, just have some stiffness now.

“I couldn’t go for walks or hikes, which are things I love to do, and now I am able to walk to and from the Sun Shadows community center a couple of times a week. I still can’t push it or I get pain again. I’ve also hiked at Red Rock Canyon, and LV Wetlands Park without much problem.

“So THANK YOU so much for this program. I would recommend this to everyone who suffers with pain. I just love it.”

Wednesday, February 11, 7 p.m.**

We will have that great band, In the Mood, for your dancing and listening pleasure. Don't have a partner? No problem, The Residents' Forum is an equal opportunity organization. Women can dance with women and men can dance with men, or you can dance alone if you feel like it. We're all neighbors, and we all like to have a good time. We are working on a surprise or two for the evening, so please be sure to check www.suncitylink.com for more information.

Open Mic Moves to The Summit

Sun City's open mic nights return by popular demand. The events held in December were so successful that organizer and resident Melanie Spector has arranged for more musical evenings to take place on the third Wednesday of every month. On February 18, head up to The Summit to hear from guest musicians, or sign up to take the mic yourself. Registration begins at 5 p.m. for the jam that starts at 6 p.m.

Audrey Smith: Ms. Senior Nevada Puts Focus on Talented Youth

~ By Stu Gershon/Link

In addition to capturing the title of Ms. Senior Nevada, Audrey Smith took home the award for Most Talented for singing, dancing and playing the piano during the 2014 pageant.

Audrey Smith has lived in Sun City for just over two years, although she has lived in the Las Vegas Valley since 1990 with stops in Phoenix, Ariz. Audrey is a native of New York state, but came to us almost 25 years ago as a well-trained teacher in elementary education. While teaching, Audrey pursued many of her talents as a pianist, an actor, a dancer and a singer.

Audrey was nominated and selected for "Who's Who Among American Teachers," and has been beloved by her students wherever she taught. She kept her students' interest by having them perform, some in class productions and some in school-wide plays and musicals. She has written and produced two student-oriented musicals, "The Halloween Misfits" and "The Mischievous Bugs," which were both published as children's musicals and books. "The Halloween Misfits" even won a national award in the children's category at the annual Halloween Book Festival in 2011 in Hollywood, Calif.

Audrey is currently preparing for retirement as a teacher (she'll never completely quit, but she will stop teaching) and will produce some of these programs into school-wide, after-school productions at the nearby Lummis Elementary School in Summerlin. She also plans to assist her daughter Stephanie Koons, who is a kindergarten teacher at Lummis.

Not one to sit around and relax, Audrey has formed a company called Audrey Productions, LLC, where she teaches musical theater, tap dance and gives piano lessons to children. She has performed in community theater and dancing, and will be joining our own Sun City Dance Company, of which her sister Kate is a longtime member.

Last May, close to her 60th birthday, Audrey was encouraged to take part in the annual Nevada State Pageant that was held at the South Point. To her surprise, Audrey received the award for Most Talented and the overall championship title of Ms. Senior Nevada. This was her first experience in any kind of pageant, and she sang, played the piano and danced to the overall appreciation of the entire audience. Audrey next went on to represent our state in the annual Ms. Senior U.S.A. Pageant held in Atlantic City, N.J., in October. Although she didn't win, Audrey found the pageant to be "a most enlightening experience."

Because her first delight is to work with children, Audrey says she wants to focus on Audrey Productions and help to develop the talents of the students at Lummis Elementary and, maybe, all around Las Vegas. She also wants to spend more time with her two beloved grandchildren, Ryan, almost 2 years old, and her new granddaughter Scarlett, 7 months.

Security Patrol: 254-2303

Security Patrol Relies on Neighbors Helping Neighbors – Call 254-2303

Judy Hunt, Chief, Sun City Summerlin Security Patrol

Security Patrol is a community service organization whose officers are concerned with the safety and well-being of Sun City residents. Call the Security Patrol dispatcher, day or night, if something out of the ordinary worries you. They will check it out, and if help is needed, they will make sure that you get it.

You can help the Security Patrol by adding your neighborhood awareness to theirs. Know your neighbors, look out for each other and exchange telephone numbers. Complete your emergency contact information sheet and file it with administration or the Security Patrol.

If you see a flashing 911 emergency light, call Security Patrol. Often the lights have been turned on in error, but a Patrol driver always will investigate to make sure all is well.

Patrol officers concern themselves with the welfare of disoriented residents and lost pets. They check water leaks and suspicious vehicles. Out-of-town family members

sometimes call if they are unable to reach their Sun City relatives by telephone.

A concerned resident recently called because she was worried about her neighbor's open garage door. The Patrol dispatched a driver who, according to the neighbor, said that someone was inside the house and unresponsive. The dispatcher called the resident's emergency contact person who provided a key to enter the house. Paramedics were called when the resident was found in need of medical attention. Security Patrol members always are grateful for the assistance they get from concerned neighbors helping neighbors.

In a recent month, Security Patrol drivers stopped their cars 261 times after dark to knock on residents' front doors, alerting them that their garage doors had been left open. We'll never know how many times the Patrol, in having a garage door secured, may have prevented a burglary. Patrol volunteers also checked the outsides of 456 homes for vacationing residents. While doing those house checks they discovered unlocked windows and doors, and had them secured. No one can measure the bad things that did not happen because of the Patrol's vigilance.

Security Patrol dispatchers encourage residents to call 254-2303 to report anything they might see or hear that alarms them. Call if you see a strange car parked in your neighbor's driveway when you know they are not at home. Never hesitate to alert the dispatcher to anything you see that doesn't seem right to you. If nothing is wrong we'll all be happy.

In one month, Security Patrol drivers traveled 14,128 miles along every street in Sun City Summerlin.

"An artist talented enough to be a household
 name," raved NBC. "Tommy is the epitome
 of great music," remarked 27-time Grammy award winning
 producer Quincy Jones. "An artist talented enough to be a
 household name," reported NBC. Soulful jazz influence meets a
 contemporary pop sound anchored by a voice that evokes an era of
 time gone by. Within the past few years, Tommy has conquered Las Vegas
 stages and made a headlining name for himself in arenas generally reserved
 for generations-older entertainers. Respect for the past and its legendary
 crooners are always present in Tommy's music and lyrics. Tommy has
 opened for Frank Moreno, and has been featured in shows with Clint
 Holmes, Louie Anderson, Michael Buble, Matt Goss and "Jersey Boys."
 Tommy and his big band of musicians deliver a perfect mix of music, lyric,
 showmanship and variety. Don't miss an opportunity to see the next big star

SPOTLIGHT ON: Canasta Club Club President Is Club's Secret Weapon

Forty people and counting. That's about the number of new members Canasta Club President Linda Collins says have signed up during her first year. Linda took the helm in 2014 with the pledge of, "I'm going to fill up this room." And that's exactly what she set about doing.

The task began last January, when Linda started holding free lessons at Mountain Shadows.

"I have taught 63 people since January," Linda said. We worked really hard at the beginning of the year, following up with couples who took lessons, signing them up and attending the club night at Desert Vista. From there, it was a lot of word of mouth, and we would see people coming back. Every Monday we would have new people showing up for lessons."

As the year progressed and new faces became visible around the room, many members began to comment on Linda's patience and overall commitment to the Club. If there was a table that needed a sub, Linda was there to fill in. If new members had general questions, needed directions around the community or had trouble getting their membership card, Linda was there to offer assistance.

Remember to bring your Sun City Association card for the monitor to see. The game starts at 7 p.m. and is finished by 9:30 p.m. Call Trudy, 838-9959.

Canasta

What a fabulous end-of-the-year party held thanks to our wonderful President Linda Collins and her tireless helpers. The Canasta Club plays cards every Thursday from 6-9 p.m. in the High Sierra Room at Mountain Shadows. New players are always welcome. Call Linda, 912-1615, or Darlene, 263-1873, to get started with lessons. Have some fun – join the club!

Left: Canasta Club President Linda Collins and club member Carol Sage. Above: 2015 Canasta Club officers, from left, Darlene Vaturi, vice president; Jolene Michaels, treasurer; Susan Katunis, secretary; Linda Collins, president.

"I'm a retired math teacher. I used to teach junior high, so these little old ladies didn't scare me," Linda said with a broad smile as her Canasta table companions looked on. One member sitting to Linda's left, Carol Sage, fired back: "She's such an expert teacher. The Club is what it is because of her. It's about respect, and Linda really cares."

To show their appreciation for all her hard work, Canasta Club members took up what was supposed to be a little collection to say thank you to their president for a busy, productive year. What resulted was a generous gift that knocked Linda's socks off. The presentation was made during the Club's holiday party in December.

"I was shocked. I wasn't expecting anything like that. I don't know how they did that under my nose, but they did. And I appreciate it very much," Linda said.

The Canasta Club plays cards every Thursday from 6 to 9 p.m. in the High Sierra Room at Mountain Shadows. Lessons are held on Mondays at 9 a.m. and 6 p.m. For more information, call 912-1615.

Our hosts are Gene, Martha and Chuck Hila. The next club meeting is Monday, February 10, 7 p.m., Desert Vista. All Sun City residents are invited to join us for coffee and cookies and learn about RV-ing Sun City style. Call President David, 592-0581.

Our Club is ready to begin a great year of play. New members are joining and friendly competition is rampant. Games are played Tuesdays, Thursdays and Saturdays at 9 a.m. You are welcome to play all days or whichever days meet your schedule. Much different from other sports, shuffleboard does not commit you to a specific team. We pair up the day of play. Come by and give the game a try. It will take about five minutes of your time to learn. The courts are located behind Mountain Shadows between the tennis courts and putt-putt golf. For information, call Andy Lawson, 242-1540.

Silver Foxes

Please join us for exercise classes to Richard Simmons' tapes at Sun Shadows. We welcome new members to get moving at our classes on Mondays, 10-11 a.m.; Tuesdays and Thursdays at 9-10 a.m. and 10-11 a.m.; Saturdays at 10-11 a.m. The Club's yearly dues are \$8. Silvertones

Do you remember Elvis, Bobby Darin, Do-Wop, your high school band, and the early stirrings of rock 'n' roll? Well, the Silvertones will be re-incarnating the fabulous '50s for our spring show, May 2-3. Start the New Year with a song or

two, or more. If you like to sing, can carry a tune and will commit to weekly rehearsals on Thursdays from 1-3 p.m., we would like to have you join us. Our winter concerts in December were a standing-ovation success. Just visualize yourself fitting in among our group of 50-plus singers (no professional experience necessary). If interested, contact Joan, 363-3330.

Softball-Men's

We meet and throw out the first pitch every Monday, Wednesday and Friday at 9 a.m. at the Pinnacle field.
