My Pet Project – The Summit

It is with great sadness that I have to admit that opening up The Summit Room to our residents has not been that successful. Last July when we announced this new amenity with a view, I anticipated that residents would come in the morning to enjoy coffee and bagels and meet up with friends over wine at night. A few did come and more and more are enjoying the small game room, but for the most part the rooms are empty from 8 a.m. to 8 p.m.

almost every day.

What went wrong? It is difficult to try to have a room open when it is not rented. Noticing the room's closure was a challenge. Oftentimes, residents would go up to The Summit to enjoy a drink only to find that the room was closed due to a private party. That was frustrating. Food was another issue. Many came to the room expecting a real lunch or dinner, but since there is no cook and the kitchen is not fully equipped, the food available was light fare that many thought was too expensive for what it was. Lastly, when large parties arrived, we did not have enough staff to help them as quickly as they desired.

The successes were many with planned gatherings that were open to all or for specific club events. For example, the Classical Music Club, The Boomers and the men's golf clubs had successful informal socials that they planned with Chef Barbi Meinel, and the Association schedules the popular New Residents Social on the last Tuesday of every month and Open Mic Night on the third Wednesday of the month. Plus, the singles New Year party was a smashing success! These type of events will continue, and we are open to other ideas.

I am a very creative thinker and planner, and I firmly believe that residents want several social opportunities to meet friends and neighbors. Several times a month, your Food and Beverage Department will offer special events in The Summit such as live entertainment and other surprises. Watch your Link and sign up for the e-News Bulletin at www.scscai.com to get the latest e-blasts. Also, be sure to check www.suncitylink.com, where we will get the word out about the upcoming Mother's Day Tea, Live Jazz Piano, Wine Tasting and much, much more. But please keep coming as it's open every day.

Clubs are welcome to plan member social events by calling us at 240-1331.

BOD Election Successfully Completed

David Steinman,
President, SCSCAI
Board of Directors

On February 25, 2015, the residents of Sun City Summerlin elected four new members to the SCSCAI Board of Directors for individual two-year terms. They, along with the five Directors entering the second year of their terms, will comprise your new Board of Directors for the next 12 months. When you see one of the newly elected Directors, please thank them for stepping up to serve their community. Each year, it is difficult to find people willing to invest their personal time in this demanding job.

One of the jobs for Board members is approving a budget for the members' approval. On March 16, 17 and 18, budget hearings will be held, beginning at 9 a.m. each day in the Committee Room at Desert Vista. At these meetings, each line item of the 2015-2016 budget will be reviewed. This is an opportunity for members of our community to comment and ask questions on the new budget. If you ever have wondered what ingredients are part of our \$15,000,000 operating budget and capital needs, you will have a much better understanding after attending these meetings.

So mark the meeting dates on your calendar and we will see you on March 16, 17 and/or 18.

TUESDAY IS NEWSDAY

at www.suncitylink.com ←

Visit the Link Website Every Week for News on Community Events, Club Videos, Classified Ads and More

Did you know that there are three websites operating in Sun City Summerlin that strive to keep residents up to date on what's happening in the community? Two websites are maintained by Sun City Summerlin Community Association, Inc., – www.scscai.com, which is administered by the Association's Information Technology Department and features administrative information, and www.suncitylink.com, which is maintained by the Link Department. The third website, www.scsvillagevoice.com, is a weekly webzine unaffiliated with SCSCAI published by Sun City resident Stan Bjonerud.

In an effort to expand the coverage of meetings, events and news that happens in Sun City, the Link advisory board voted in 2013 to launch a website that would capture activities normally passed on due to deadline and space limitations. The website was created to offer the Link a chance to post important information quickly, as well as publish videos of colorful events.

This month, the Link is reintroducing www.suncitylink.com to residents. A little over a year and a half following its launch, the Link is proud to unveil **TUESDAY NEWSDAY**, whereby residents can visit the Link website every Tuesday to discover new stories, slideshows, videos and classified ads (estate sale listings will continue to post on Thursdays). Tuesday Newsday began in late January and has gained momentum for its innovative coverage of Sun City happenings.

Whether you are interested in the Association's budget, want to volunteer for a committee, decorate a parade float, learn to tap dance, sign up for the Security Patrol, learn about a new nearby business or better understand local wildlife, you'll find something to pique your interest at www.suncitylink.com. And, if you'd like to volunteer to write a story, take a photograph or shoot a video, you can do that, too.

We hope you like what you see, or tell us what you'd like us to cover.

Sun City Classic Gaining Momentum

"We're starting to blossom now," said former president of the Men's 18 Holvers Golf Club Tony Derhake. "We started with 16 volunteers and now we're up to 25 and counting. More guys are becoming passionate

about giving back." The event the Club is excited about is the Sun City Classic set for May 8-9. The two-day tournament will take place at Palm Valley and Highland Falls golf courses. Tony said that sponsorship interest is also increasing, with the tournament gift bags signaling the spike. "The value of the gift bag alone is up to about \$200, with Outback Steak-

house, Summerlin Jewelers, P.F. Chang's, M Resort, South Point Casino, JW Marriott and Rampart Casino, Bonefish Grill and McDonald's just a few of the businesses involved," he said. The event is open to 144 golfers, with a registration fee of \$200 per player. The event includes daily breakfast, an awards luncheon, a hosted beverage cart and the coveted gift bag. To register for the event, visit www.18holers.com, or call (313) 549-1503. All proceeds generated by the event will go to benefit the Ronald McDonald House Charities.

Coyote Season Returns

Due to the hazard coyotes pose to small pets, the Association reminds residents to be extra careful when letting their

dogs and cats outside, as well as when they are out walking in the neighborhoods. Remember to always keep your dog on a leash on its walk as the practice leads to increased safety. Overall, be alert, practice good common sense and you and your pets should be fine.

Nutrition 101

With so many diets and quick weight-loss promotions on the market today, it's hard to remember what a healthy diet really looks like. When in doubt, start over with the basics of good nutrition. The U.S. Department of Agriculture promotes one of the best frameworks for healthy eating, "Choose My Plate." While most of the general recommendations haven't changed over the years, there have been a few adjustments.

Kristie McWhorter,
MS, CPT, GFI,
Director of Fitness
kristiem@suncitylv.com
fitness@suncitylv.com

One change is a slight increase in the recommended number of fruits and vegetables. Women need at least seven servings of fruits and vegetables each day, while men need at least nine. Fruits and vegetables are full of essential nutrients and fiber, which will improve your health and well-being.

Here are some of the USDA's recommended nutritional guidelines to follow for a health plan:

- ◆ Make half your plate fruits and vegetables
- ◆ Choose low-fat dairy, skim or 1% milk
- ◆ Make at least half your grains whole grains
- ◆ Choose healthy fats and oils
- ◆ Vary your protein food choices

Other healthy guidelines to follow include:

- ◆ Pay attention to portion control
- ◆ Drink plenty of water
- ◆ Vary your food choices to make sure you get a wide variety of vitamins and nutrients
- ◆ Know the recommended daily calorie intake for your age, weight, height, activity level and gender
- ◆ Don't deprive yourself of the foods you love; just enjoy them in moderation.

As you start thinking about the basics of diet and nutrition again, you can make these nutritional guidelines part of your everyday life. You can find more information and helpful tools for healthy eating at www.choosemyplate.gov.

Turf Reduction Tops Committee's Project List

Bruce Alitt, Chairman, Common Area Properties Committee

The following information was submitted by Common Area Properties Chairman Bruce Alitt. CAP meets at 9 a.m. on the second Tuesday of the month inside the Committee Room at Desert Vista. This month's meeting is scheduled for March 10.

1. CAP continues its regular property inspections.
2. CAP has reviewed and approved for submission to the Board of Directors the fiscal year 2016 golf course turf reduction plan submitted by SCSCAI Golf Maintenance Director Brian Bagwell. The estimated area is 300,000 square feet. The net cost to the Association after the Southern Nevada Water Authority rebate will be negligible and the savings in water costs will be in excess of \$20,000 per year.

3. The golf course turf reduction for FY 2015 is complete. While final figures are not in the costs, they will be significantly under the SNWA rebate amount.
4. The FY 2016 common area turf reduction plan is nearing completion. The actual work on the FY 2015 turf reduction is well under way and should be completed on schedule.
5. The initial FY 2016 capital expenditure plan was submitted by the executive director during the January meeting. It is being reviewed.

March Is Prime Time to Trim Lantanas

March is the time to get your garden ready for the growing season. It's time to trim your lantanas. You may have noticed that the Landscape Department has trimmed some early this year, but only the yellow ones. We will trim the others now. Why only the yellow? In the past, they have proven to be more accepting of the early trimming time than the others. If this proves to be effective, I will pass the information on to you.

Also, it's a good time to fertilize your plants and start your feeding programs, as you are well aware the soil here is very bad and has very little nutrients in it. So, feeding is very important to the health of your plants. If you can add organic material such as mulch or compost, your plants will love you for it.

We are still working on turf and plant reduction throughout the community and will continue to do so. This will save on water, which will save you money. We will work hard on these changes so that they will be beautiful.

The Landscape Department is watering turf on Tuesdays, Thursdays and Saturdays at night/early morning; drip

is watering on Mondays, Wednesdays and Fridays at night. I hope everyone has a wonderful spring.

Emergency Contact Card Is Most Valuable Thing You Can Carry

Who Am I? Do you carry an identification card with you? This card should have your name, address, and the name and phone number of someone who can be called if you are in an accident or become ill when you may be bike riding, walking with your dog, or just out walking alone. Time becomes a critical factor for emergency responders to properly treat you, or contact someone who can make decisions about your care. “When time is of the essence, a basic identification card could save minutes and maybe even your life”, said Sun City Summerlin resident Dick Bennett, Las Vegas Metropolitan’s Citizens Volunteer Program Site Supervisor. Are you diabetic? Do you have allergies? Are you taking medication? “Answers to these questions can accelerate your treatment when time counts,” said Dick. Your identification card should be carried in a pocket separate from your wallet or purse.

Cell Phones. When asked if they carry identification at all times, residents often answer, “I have my cell phone.” Your cell phone number can be traced back to you in an emergency, but this will take time, explained Sun City resident Barry Jacobson. “It’s not the best method of identification if you are hurt or disoriented,” he said. A suggestion is to list the number of the person you want contacted in your cell phone directory as Emergency Contact. If you put a space at the beginning it will be the first number that shows up in your cell phone directory.

Emergency Contact. This blue form from Security Patrol is one of the most vital information sources that residents should have on file. It tells Patrol volunteers who to contact if there is an emergency situation at your home. If letters are piling up in your mailbox, or a watchful neighbor worries that they have not seen you and no one is answering your

telephone or door bell, Security Patrol needs to know who you want them to contact. We want to believe that bad things never will happen to us, but in an unexpected incident a simple emergency contact could make the difference between life and death. Vial of Life and Emergency Contact forms are available at Security Patrol headquarters.

Vial of Life. The red emergency sticker on your front door or window alerts emergency responders that your personal medical information is in a packet that is adhered to your refrigerator. This is where to list medical conditions, medicines that you are taking, allergies, doctor names and insurance information. If you are incoherent, hospital personnel will have vital information to efficiently treat you.

Just the Facts.

In one month, patrol cars drove **15,331** miles throughout the community. Patrol drivers had **241** open garage doors secured after dark, and **558** vacationing residents’ homes were checked.

THE PEOPLE'S CHOICE

EARLY VOTING: MARCH 21 - APRIL 3 ★ ELECTION DAY: TUESDAY, APRIL 7

Stavros Anthony will work to protect YOUR Tax Dollars.

**STAVROS ANTHONY IS READY TO GO TO WORK TO BUILD A BETTER CITY
THAT MEETS THE NEEDS OF ALL LAS VEGAS, NOT A CHOSEN FEW.**

For Anthony, it all begins with working hard to protect your tax dollars. He has steadfastly stood against using your money to benefit private enterprises or expensive projects that aren't in your best interest.

Anthony voted against using tax dollars for the controversial Downtown soccer stadium and the Mob Museum. He also voted against the new City Hall project.

He will put an emphasis on developing a long-term plan so the city can move confidently forward, not just with Downtown development, but in meeting the needs of the neighborhoods throughout the six city wards.

Anthony has a vision to achieve dynamic growth to benefit all Las Vegas including:

- Build better and safer roads.
- Provide for even better emergency services, including fire and police.
- Fund services and facilities for seniors, children and other groups.
- Develop a proactive business development plan that is a partnership, not a play-for-pay policy.
- Work with key community sectors such as health care and education to help them locate and build in Las Vegas.

Our Own 'Mrs. C'

~ By *Stu Gershon/Link*

For over a decade, from 1975 to 1985, families all across America sat in front of their TV sets every Tuesday night to watch Richie, Fonzie and Potsie and their adventures on “Happy Days.” This group of friends was watched over by Richie’s Mom, Marion Cunningham or “Mrs. C!” Well, we in Sun City have our own “Mrs. C,” also named Marion Cunningham, who, along with two other instructors, choreographs and teaches the beautiful members of our fantastic Sun City Dance Company.

Like her television counterpart, Marion soothes the ruffled feathers, finds the solution to the problem and keeps everyone on their toes. From finding a missing dance costume to a loose tap, Mrs. C has got it covered.

Marion’s dance career started at the age of 4 in San Francisco, where she performed for the San Francisco Children’s Opera Dance Troupe. After that, she joined the San Francisco Ballet Company and performed for many years. When she left the ballet, Marion joined a major dance studio. There, she taught ballet, ballroom, tap and jazz. Marion also entertained for the veterans’ hospitals and the USO during the late 1960s, performing for Vietnam vets in both San Francisco and Hawaii.

Marion attended college in San Francisco and earned her degree in accounting. She worked for one of the city’s famous fine jewelry stores, Shreve’s, and the well-known German restaurant Schroder’s.

Marion and her husband, Brian, loved motor-homing while living in California. They moved to Sun City Summerlin in 1994 when Brian retired from IBM. While Sun City was still in its infancy, Marion joined the ever-expanding Dance Company and has progressed through the years to become one of its tap teachers.

Marion has two children, a son whom she lost nine years ago, and a beautiful daughter and a 6-year-old granddaughter who is the light of her life. She also has three step-daughters and three step-grandsons living in Texas.

Just like the first “Mrs. C” on TV, our Mrs. C watches over her large flock of Dance Company members to make sure everything is going smoothly.

“Out of our almost 90 members, 99 percent of the ladies have never danced before,” said Marion. “Now it’s their time to shine.”

And between Marion and the club’s two other teachers, Liz Burkey and Jane Ross, the ladies are doing just that.

Offering audiences a classic showroom/nightclub experience with the class, glamour and flair of vintage Las Vegas, and Voted Best of Las Vegas, Art Vargas has received accolades from both audiences and critics, and he has become a popular performer known as the best there is.

Chartered Clubs

Patrol is a community organization of resident volunteers who dedicate themselves to making Sun City Summerlin a safer place to live. They are all about neighbors helping neighbors. Call 254-2303, any time. Someone's always there to help you.

Sewing (Just Sew)

Join us for our monthly membership meeting at Desert Vista on Wednesday, March 4, 1 p.m. Come find out about our Club and coming activities. We welcome donations of fabrics, notions and yarn for our various projects. Everyone is invited to come to the Just Sew Room at Mountain Shadows and see the beautifully handcrafted gifts to buy for someone special or just for you. Please call Julia Lorensen, 228-9898, or Carla Fishman, 255-9898, for more information.

Shuffleboard

Our Club is ready to begin a great year of play. New members are joining and friendly competition is rampant. Games are played Tuesdays, Thursdays and Saturdays at 9 a.m. You are welcome to play all days or

whichever days meet your schedule. Much different from other sports, shuffleboard does not commit you to a specific team. We pair up the day of play. Come by and give the game a try. It will take about five minutes of your time to learn. The courts are located behind Mountain Shadows between the tennis courts and putt-putt golf. For information, call Andy Lawson, 242-1540.

CLUB SPOTLIGHT: Classical Music

Happy Birthday, Mozart

A rainy Monday evening did not deter approximately 170 members and guests of the Sun City Classical Music Club from celebrating Mozart's 259th birthday on the eve of the actual event. The January 26 performance featured eminent flutist Paul Fried (who claims his hometown as Las Vegas, by the way). Paul was joined on stage by De Ann Latourneau, violin; Lindsey Springer, cello; and Dimitri Kourka, viola.

Following the concert, audience members and musicians moved down the hall to the Summit Restaurant, where all were treated to birthday cake. The cake was donated by Joni Fried, Paul's sister, of the well-known Las Vegas institution, Freed's Bakery.

The Sun City Classical Music Club holds monthly concerts at the Starbright Theatre. Dues are \$1 per person, per calendar year. For information, contact Club President Will Rydell at lledyrw@aol.com or 580-0727.

Writer's Workshop

Join us at three sessions per month, the second, third, and fourth Monday at Sun Shadows, 9-11 a.m. Whether you're interested in novels, short stories, memoirs, poems, etc., we have classes

and members to assist you in a social and educational atmosphere. We welcome all visitors. On Monday, March 16, will be a continuation of our Authors Seminar Series with a special guest speaker. Contact Jerry Silvers, president, 489-3305. Visit our International blogs to read and meet some of our talented members: www.suncityww.blogspot.com and www.summerlinww.blogspot.com.

Yoga

Classes are held at Desert Vista on Tuesdays, Thursdays and Saturdays, 8-9:45 a.m. Beginners are welcome in any of our classes. The only requirement is that you can get up and down from the floor without assistance.

Monthly fees: One class weekly, \$20; two classes weekly, \$30; three classes weekly, \$45. Call Carolyn, 243-3758 or Joannie, 233-4416.
