From the Executive Director

Are you being fair to your fellow residents?

I am writing about a very sensitive subject that all of us should think about as we go through our daily routines here in Sun City. We all know that the residents of the 7,781 homes pay equally for the expenses of our community even if they all don't use them equally and we hope that a few aren't causing more expense for all.

Sue Papilion, SCSCAI Executive Director

Unfortunately, we do have a few who abuse the community and cause extra expenses that all of us are bearing. Simple examples are taking more than your share of food at a free SCSCAI event, or taking the sugar, including the bowl, from our restaurants. Recently, golf has experienced counterfeit golf passes and missing range balls. In addition, some residents complain about the food and want a refund after they ate it all! None of us are privileged or deserve more than others, so we must be considerate of the expense that an action or request might incur. If your food is bad, you should expect to be able to return it, but please don't eat it and then make the unreasonable request of a refund. Please don't take items that are owned by the Association because that is stealing from your neighbors.

There is a process when you see a fellow resident stealing or doing something that is against the rules and regulations or other governing documents. Often I hear, "I know who did it, but I don't want to get involved." You need to report it because that person you saw poisoning trees cost you and your fellow neighbors \$80,000 in increased insurance premiums one year later! If you are concerned about something you saw or know is going on, please call my office, 966-1409.

Remember theft is against the law and is punishable. If you don't want to call me, call the police by dialing 311, which is the non-emergency police phone number.

Rub Elbows With Ronald McDonald at Sun City Men's Classic

Many times during the year our golf courses host outings for large groups sponsored by companies, individuals or charities. A special golf outing known as the Sun City Men's Classic will take place at Highland Falls Golf Course on Friday,

May 8, and on Palm Valley Golf Course on Saturday, May 9. What makes this event different is that all of the work and details are being handled by a group from the Men's 18 Hole Golf Club.

The concept was devised by Tony Derhake, past president of the Club. After consulting with SCSCAI, Tony and a group of Club officers decided to enlist a charity that would benefit from the funds raised by entry fees and sponsors. The 18 Holers have selected the Ronald McDonald House Charities of Greater Las Vegas. This charity keeps all of the funds raised within the greater Las Vegas area. Ronald McDonald House will handle the finances associated with the Classic. The organization will take in all of the revenue and pay all of the expenses.

The Sun City Men's Classic is open to men and women golfers across the valley. Participants do not have to be residents of Sun City Summerlin. The tournament is an opportunity for Sun City to feature two of its golf courses. Highland Falls was recently honored as the best public course in the Las Vegas Valley in the Review-Journal's Best of the Best readers' survey. It is expected the local press will cover the Classic in newspapers, radio and television.

Scheduling a visit to Highland Falls and Palm Valley during the Classic will be a good way to show support for the Ronald McDonald House Charities and the excellent golf courses Sun City has to offer its residents and the public. And you might run into Mr. Ronald McDonald.

Hats Off To Dance

Performances Celebrate Creative Choreography

Photos by Stu Gershon/Link

"We may be seniors, but we are young at heart," said Judy Walker, president of the Sun City Dance Company, which will be bringing its 2015 spectacular, "Hats Off to Dance," into the Starbright Theatre for two weekend performances this month, May 9-10 and 16-17. The shows will be performed at 7 p.m. on Saturdays and 2 p.m. on Sundays.

This year's production will feature glittering costumes, creative choreography and variety acts.

"Our teachers work very hard putting the choreography together and the dancers work just as hard," said Judy. "Our costumes are beautiful, the music is snappy and our variety acts are very creative."

The Sun City Dance Company was founded more than 20 years ago and has grown into a not-for-profit club of more than 100 members and three professionally trained teachers who entertain groups throughout the Las Vegas Valley. In addition to the tap dancers, the Club has a performing drill team. "Most of the tap dancers had no dance experience before joining the Dance Company," said Judy. "And now, after having their families, a professional life or maybe even surviving a serious illness, they are up on stage having the time of their lives."

While Dance Company membership ranges in age from 60 to 92 years, Judy says she likes to refer to the group with a little bit of fun trivia: "Between us there are 6,112 years, 212 children, 340 grandchildren and 102 great-grandchildren. We are very proud of our shows and welcome everyone to come out and enjoy the great time we have entertaining the community."

Proceeds from the shows will be used to help defray the cost of transportation to perform in Mesquite, Boulder City and Laughlin. Tickets may be purchased at any of the monitors' stations or at www.scscai.com. Tickets are \$11 each.

Years later, Mundo collaborated with versatile bass player Christopher Davis to form the base of the group in 2006. Percussion was added soon after with the addition of a monster drummer, Gabriel Santana Falcon, on the cajon (or box). Also added was rhythm guitar, now featuring the fabulous Johnny Miles. Highland Falls Named Best Public Course

Donny Long,
SCSCAI
Director of Golf

Highland Falls Golf Course took top honors in the 2015 Las Vegas Review-Journal's annual Best of Las Vegas readers' poll with its win as Best Public Golf Course in Las Vegas.

The poll, in its 34th year, relies on the public to vote for their favorite places to eat, shop and have fun.

"I am exceedingly proud of this accomplishment as it is a reflection of all the hard work provided by our Golf Course Maintenance Department, as well as the golf shop staff," said SCSCAI Director of Golf, Donny Long.

"I want to thank not only Brian Bagwell and Roger Knight for their diligence in providing the best possible course conditions, but also their entire staff for going the extra mile at all three of our magnificent courses. This award is also a result of Jim Neighbors and his golf shop staff; they provide outstanding customer service to all of the golfers, as do all of our golf shop staff members. Sun City Summerlin Tradition Salutes the American Flag

The Golf Department salutes all veterans and military families throughout the year. This month, golfers will notice special flag stands positioned at all greens. The stands are part of a tradition started in Sun City two years ago, where regular golf flags are replaced by the American flag. The stands guarantee that the U.S. flag does not touch the ground when a game is in play.

Sun City is proud of the many residents who have served and continue to serve our nation. Thank you for your service.

The awards ceremony will be held Saturday, May 2 at 11 a.m. This year's judge will be Roz Knight, an artist, educator and gallery owner. She currently serves on the Board of the 18b Arts District in Las Vegas. The Club invites everyone to stop by and enjoy the art, ranging from framed pieces to the Art Bin of matted, unframed works, as well as framed miniatures. Celebrate the artists, purchase a work of art, or buy raffle tickets to win paintings donated by our professional instructors. Refreshments will be served and Admission is FREE!

702, 725 Area Codes Functioning in Sun City

Clark County's newest area code, 725, marks a year of service next month (725 went into effect on June 2, 2014). As such, some Sun City homeowners have been assigned the new area code. It is required that callers dial the 10-digit number to reach their party. Remember, some homes in the same geographic area can have the same seven-digit phone number, and so it is the area code that makes the phone number unique.

RESIDENTS' FORUM

May 13, 7 p.m.
Pinnacle

Have you tried to get to Coffee With the Board, but somehow couldn't make the meeting that's scheduled on the third Friday morning of the month? Your Residents' Forum is making it easy for homeowners to meet informally with Sun City's Board of Directors. On Wednesday, May 13, at 7 p.m. at the Pinnacle, Board members will answer questions, listen to your comments and ideas, and the Residents' Forum will provide refreshments and wine instead of the usual coffee and sweets that are served at the "Coffee." There is nothing for you to do and there are no fees or charges. Come on down and enjoy a fun and informative evening. For further information, please call Glenda Rogers, president of the Residents' Forum, 255-7755.

Sun City Libraries Stock Books, Puzzles, DVDs for Resident Use

Quietly and without fanfare, a small group of Sun City residents maintains our two lending libraries. What? You didn't know there are two such places in our Sun City? One is located in Sun Shadows behind the monitor's station and the other is at Mountain Shadows in the Exchange Room.

Items are available on the honor system — no signing in and out, and no due dates. Just enjoy the item borrowed and return it when convenient. More than books are available for loan. There are jigsaw puzzles, magazines, CDs and DVDs. Jigsaw puzzles are available only at the Sun Shadows location.

Donations of gently used and up-to-date media items and puzzles are much appreciated by your Sun City neighbors. So, if you have seen the movie enough times that you can recite the script, or have those songs now loaded on your computer, please consider sharing the disc or tape with others in our wonderful community.

Library volunteers always can use more help. Please consider donating an hour or two a week to help organize these materials. For more information, contact Agnes M. Mauro, 240-8572, or Eva Wardlaw at ejwardlaw@cox.net.

Sun City's libraries accept donations of books, magazines, puzzles and DVDs, as well as volunteer hours.

Community Standards

It's Springtime! Some tips from Community Standards

General Maintenance

- ◆ How do your awnings look? Could they use some cleaning? Maybe a change to a new color. The approved color chart is available at the Community Standards office.
- ◆ How about your mailbox post? It should be either black or white (depending on where you reside). If it is faded, rusted or any other color, it needs attention.
- ◆ Take a look at your wrought iron fencing. If it is faded or rusted, it should be repainted.

Landscaping Tips

- ◆ Treating your lawn with a pre-emergent won't eliminate all weeds from your property, but it will surely reduce them. If you live on a corner lot that is separated from the street by a wall, remember, YOU are responsible for the strip of landscaping in between.
- ◆ Are your trees encroaching into your neighbor's property or over a sidewalk? If so, be a good neighbor and trim the limbs back. If the limbs are encroaching over a sidewalk, City of Las Vegas Code Enforcement will contact you if

you do not. The City's requirement is that the limbs must be higher than eight (8) feet from the sidewalk.

Community Pets

- ◆ Responsible pet ownership includes ensuring that your family pet does not bother your neighbors.
- ◆ Incessant barking can be considered a nuisance. If your dog is left unattended outside and begins to bark, please bring it back inside so as not to disturb the neighboring residents.
- ◆ Residents who walk their dogs must keep them leashed at all times. Even if you feel you have the best trained dog, you can't be sure how they might react in every situation. That's the law!

Moving or Estate Sales

- ◆ If you are moving or have had a death in the household, one two-day sale is permitted. A Sale Permit must be obtained from the Community Standards office and displayed on the residence on the day(s) of the sale.

Work Completed at Sundial West Park

As you may know we are trying to conserve water here in Sun City Summerlin. As part of the turf and water reduction plan that was approved by the Board of Directors, the Landscape Department has just completed work at Sundial West Park.

The park is located on Sundial Drive between Big Timber and Highvale drives. One of the main reasons this area was chosen for modification is because it is watered with potable water, which is very expensive. Another reason was due to the lack of water pressure at that park's location. Some of the work included changing out the sprinkler rotors' (large popup sprinklers) spacing so that the turf will water correctly, which will translate into less watering time, less water use and greener grass. The irrigation for the plants and trees was re-fitted with drip irrigation; the trees are now on separate irrigation valves from the plants. This allows us to meet the needs of the trees, which is different from what plants require.

The trees and plants we chose for the area are conducive to the climate of Sun City and should thrive. We also

transplanted plants from other areas of the community, where there was overcrowding.

I hope everyone enjoys the new look. We are currently working on the design and turf reduction plan for Desert Vista.

The Landscape Department is watering every day at night.

I hope you are enjoying the spring and the activities offered here at Sun City.

Security Patrol • Call 254-2303

Security Patrol's House Check Program

Sun City Summerlin's Security Patrol provides residents who are valid SCSCAI members a service to inspect the exterior security of their properties while they are vacationing or away from home. It is important to understand that the Security Patrol is an all-volunteer community service organization whose members are your neighbors. As such, the extent of available personnel to provide this service is limited and, therefore, house checks of individual residents must be regulated to every other day, over a maximum 30-day time period.

Doors and windows will be individually checked by Patrol drivers. Prior to leaving your house, please make sure that all doors are locked and window latches are closed. Also, check that your filed emergency contact information is correct and current. Residents whose properties are being checked must have a local emergency contact on record.

Security Patrol's house check program is not intended to provide continuing property surveillance for residents who are away from their homes for extended periods of time, nor is it a service for protecting homes that are vacant while they are being marketed for sale or pending rental occupancy. Making provisions for long-term security is the responsibility of the home owner.

Security Patrol's primary function is to provide increased protection for all Sun City residents as a result of Patrol cars' high visibility throughout the community. The sustained presence of Patrol cars moving through neighborhoods is a powerful deterrent to criminal activity. Devoting an excess of time to house checks would decrease the Patrol's availability to complement police protection to keep Sun City safe.

During a recent month, Patrol Drivers notified 263 residents that their garage doors had been left open after dark. They checked 201 homes for vacationing residents, responded to 67 flashing emergency lights and gave directions and other assistance to 258 motorists who

Security Patrol volunteers, top, Jerry and Mary Borowski, and Larry Quan.

stopped by the Information Centers at community entrances. In a single month, the five Security Patrol cars added 17,289 miles to their combined odometers.

~ Ellen Greenspan/Link

Honoring the Stars & Stripes

Join the Security Patrol as it welcomes members of a local Las Vegas Boy Scout Troop during one of Sun City's annual flag retirement ceremonies. The event will take place on Thursday, May 23, 10 a.m., at the Desert Vista picnic area. All residents are welcome to attend. Joe Cerva will provide accordion accompaniment as Boy Scouts present the United States flag, relate its history and then retire the banner.

A Gift to Warm the Heart: Quilts of Valor Gives Sun City Veterans a Snug Hug

Between them they've seen wartime in Rome, Scotland, Africa and Germany. Irwin Weltman served the United States in the Army during the Korean War from 1953-1955; Gene Stephens was part of the 281st MP Company Traffic Section that escorted U.S. and foreign dignitaries (later to be known as President Dwight D. Eisenhower and General George S. Patton) throughout Europe; and Don Solof was assigned to tanks while in the Army from 1956-58.

These days, the trio meets every Friday outside Sun City to catch up on their week and play a few friendly games of Gin – friendly if you don't mind a little healthy competition.

"I've been playing for about two to three years now," said Don, adding that the group is always looking for a few more players. In addition to the game, Don wanted to be sure to give the staff at Southwest Medical Associates (at 8670 W. Cheyenne Avenue, Ste. 105) some much-deserved kudos. "They are absolutely amazing. They are friendly, a very gracious group, and Barbara and Sue are the best."

Little did Don know just how special others in the center really are.

"This changes lives," said Victoria Colburn-Hall, state coordinator for Quilts of Valor, who met and presented Irwin, Don and Gene with a Quilt of Valor recently.

"These quilts are made to comfort and heal those who have served our country and given so much to defend our freedom," Victoria said. Quilts of Valor is a national organization that presents nearly 10,000 quilts a year to veterans.

"Sometimes, a quilt is like a key to unlock emotions," said Victoria, who conducts quilt presentations throughout the year. Her group meets in the adjacent room to where Irwin, Don and Gene play Gin. The ladies dote over every piece of fabric as they measure, cut, stitch and plan patriotic designs. In 12 years, Quilts of Valor has presented nearly 114,000 blankets.

"I use my blanket to keep me warm when I take a nap," said Don of the quilt he received. Little did the three men know that when Victoria asked the men if they were veterans a few weeks prior that they would be the latest recipients of such a snug hug.

Don Solof, left, Irwin Weltman and Gene Stephens show off the quilt Irwin received from Quilts of Valor. Each of the men was presented his own blanket as a gesture of gratitude for their military service.

"I felt like I was a hero instead of just a soldier that was called to serve," said Irwin after the presentation. "It was amazing," added Don. "We're talking about something that happened nearly 60 years ago. It was great to be honored, very heartfelt."

CLUB SPOTLIGHT: Dance Connection
Practice Makes Perfect for Round Dancers

They don't wear pouffy skirts or bolo ties and cowboy boots; and while it's true that some of the music can have a country western flair, the dancers who show up to round-dance classes in Sun City Summerlin are learning to rhumba and waltz to all sorts of music. Similar to square dancing in that there is a designated cuer, "Round dancing is composed of figures, choreography and routines," said instructor Deb Vogt. "It's a lot like learning words and making sentences."

Deb said for this kind of dancing her students can't wear tennis shoes. Solid-soled shoes allow dancers to slide along the floor when Deb begins to call out:

*"Quick, Quick, Slow
Basic
Fence Line Twice
Half the Basic
New Yorker, Twice
Peek-a-boo, Chase
He Turns to Face
Both Cucaracha"*

And other such phrases.

Round dancing, as Deb explained has its own language made up of cucarachas, walking crabs and lariats; throw in a couple of peek-a-boos, a chase, a fence line and, Voila!, you have a hot new routine.

In one demonstration, Deb joined the circle with a partner, her headset, and cranked up the music.

*"Quick, Quick, Slow
Progressive Walk 6
Quick, Quick, Slow
Same Technique
Circle Away and Together
Ball Flat, Ball Flat, Ball Flat
Quick, Quick, Slow"*

Deb punctuated her final move with a smile and a pose.

"Good, and that makes it rhumba," she said. "When you dance rhumba your toes never leave the floor. It's ball flat, ball flat. That helps the hip. It's the way to walk and look sexy."

Six couples turned out for Tuesday's afternoon class. The dancers in Sun City are a united bunch who enjoy the chance to move, learn new steps and stay active.

"They are beginners," Deb said of her students that day. "They work their butts off. If I'm not here on a Saturday, they practice, and they're super nice to each other."

The beginning ballroom dance class meets in the studio at the Desert Vista fitness studio on Tuesdays and Saturdays from 2-4 p.m.

For those interested in learning more about ballroom dancing and the Dance Connection in general, Club President Kris Steinwand explained that next week's event at Desert Vista (on Tuesday, March 31) couldn't have come at a better time. "The idea for the expo came about after the Dance Connection did the 5K Fun Day during Sun City's 25th anniversary celebration. Everyone had fun watching and participating, and we wanted to create that environment again," she said. "There will be mini dance classes, so people can experience what goes on in some of the classes, as well as dance demonstrations from Flamenco, round dance, hula and ballroom. The event is free, and we're looking forward to a great evening of fun with our members and prospective new members."

For more information or tickets to the expo, call Kris, 443-8759.

CLUB SPOTLIGHT: Musicmakers Name Margaret Dagget Director

Margaret Dagget, a four-year Sun City Summerlin resident and life-long musician, took over as director of the Musicmakers earlier this year. Her concerts with the group in April at the Starbright Theatre were a success, and Margaret says she can't wait to meet other new singers in the community in the coming months.

Prior to her move back west, Margaret organized and sang with the Riverside Quartet that performed throughout New Jersey and northeast Pennsylvania, and she was a chartered member of the Riverside Chorale that, among other concert appearances, performed at Carnegie Hall. Additional musical credits include directing a show chorus in Alaska and singing the lead in a women's quartet, singing and directing stints in California and Oregon, and performing with San Francisco Bay Area folk duos and trios.

Margaret is the youngest in a family of musicians. Her father was a soloist and a conductor in California, and her sister attended Stanford University on a voice scholarship and sang with the San Francisco Opera Company following graduation. Margaret's foray into music started early, when she began leading her fellow Brownies in song. Throughout her life, Margaret has been a musician and an instructor, from the first grade through graduate school.

Today, Margaret is aided in her musical efforts by Dennis, her longtime roadie, who carries everything except a tune.

The Musicmakers is one of Sun City's two chartered choral organizations that are open to interested singers. For information on joining the group, call Club President Pat Bedunnah, 384-4222.

To learn more about our Club, log onto our website at www.scslegc.com. We accept beginning and seasoned golfers. You can try out our club twice before joining. Racquetball

We are having nominations for the new board coming up in December. If you'd like to be a board member, contact any board member and give us your information and what office you'd like to hold. We have doubles and singles available every day of the week. Check out our schedule for club time, or just pick a partner and come on down to the Mountain Shadows fitness center. If you are a squash player or a handball player, give it a go. We have four levels of play to ensure you get the competition you'd like. Get to our website for more details, www.scsrball.com. In the meantime, I'm Bob Altomondo, president of the club, and I can be contacted at 743-3901 or raltomondo@cox.net.
