SCSCAI's Landscape Department is sporting a new look these days. Gone is the orange and khaki uniform that was replaced with cool-looking safety green and blue jeans in July. So far, feedback has been great and the neon color is easier to see, which helps increase safety while crew members are out working in the community, said SCSCAI Landscape Director Louis Darling.

## Activities Are Key to Retirement

When Del Webb built the first homes, there were many activities for everyone to enjoy. There were concerts on Palm Valley behind the grill and clubhouse, fireworks on the 4th of July, golf cart decorating parades, plus picnics, dances and holiday parties. Del Webb left, and over the years the activities declined as interest in the same-ness declined. I believe successful retirement means being social, getting out and trying new activities to fight loneliness at all costs. Residents in resort communities like Sun City Summerlin are here because they want a successful retired life.

The staff at Sun City is bringing new activity choices for the wide variety of Sun City Summerlin, and there are plans to bring even more. Some of the successful activities have revolved around The Summit being open to residents when it is not rented out for private parties. Open Mic Night has been a huge success, experiencing maximum capacity every third Wednesday of the month. This free event is thanks to resident and professional musician Melanie Spector and friends who organize the musicians who perform. The New Residents Happy Hour is a great place for new and old residents to mingle over free wine with other residents, board members, club representatives and staff every last Tuesday of the month. Small groups use the free game room and enjoy the views, while golfers and residents just visit for great pizza, wine and beer. This month the bar is featuring a new wine for the everyday low price of \$3 a glass.

I now want to announce a new and exciting activity every Friday night, starting on September 4. Live Band Night. Every Friday night, SCSCAI will sponsor Detroit Mike, a local musician and emcee, who will bring proven local groups to play rock, R&B, blues and more. The price is \$10 at the door and a one-drink minimum, which can be anything as long as it is not water. There will be no food served. The door will pay for the band and the drinks will pay for the staff, so the only profit is your enjoyment. Doors will open at the Summit at 7 p.m., where you will get a wristband when you pay. Seating is limited to 84 Summit seats and 40 side room seats. The band will play from 7:30 to 9 p.m., and there will be a dance floor.

I know many of you are enjoying the great new performers at the Starbright Theatre, are planning to attend the Classic Car Show and the new health walks. Other ideas the staff is working on include our own antiques appraisal road show, a wine tasting social and once again a New Year's Eve singles party. We are open to new ideas, and we hope you are, too. Remember, SCSCAI is sponsoring these events to bring you fun new activities and they are all planned to cover their costs but not make a profit.

*Detroit Mike brings his "friends" into The Summit, September 4, to kick off a new Friday-night musical series.*

## Car Show, Garage Sales Set Stage for Free Fall Events

The fall season is fast approaching and the intense heat of summer will be a thing of the past. This season signals some events that are free to residents and visitors. I would like to highlight two of those events for you to consider.

The first is the Classic Car and Motorcycle Show scheduled for Sunday, September 20, between 10 a.m. and 2 p.m. It will be located in the eastern parking lot of Mountain Shadows near the fitness center. During the 25th anniversary of Sun City Summerlin, we held a car show that turned out to be successful and it was decided to see if it would be well attended as an annual event. More than 150 cars, trucks and motorcycles will be on display. This is a good event to meet old friends and greet some new residents of our community.

Because garage sales are not permitted in Sun City Summerlin, your Board of Directors has authorized two weekends in October as days for anyone to set up a garage sale on their property. The dates are October 9-10 and

October 16-17. You may begin your sale at 7 a.m. and clean up by 5 p.m. Residents are responsible for placing their own advertisements in their periodical of choice.

# GET YOUR MOTOR RUNNING!

"The first word that comes to mind, especially living in a retirement community, is the word nostalgia," said Sun City resident and lead organizer Jerry Silvers. Jerry himself used to own a gorgeous T-bird and coordinated car shows back in California. He also was instrumental in putting together the car event for Sun City's 25th anniversary last year.

Do you remember when a pair of fuzzy dice dangling from a rear-view mirror was all the rage? How about when T-birds and Sting-rays ruled the road? Cruising down the boulevard with your steady or heading to a party serenaded by the Beach Boys' "Little Deuce Coupe?"

"The second reason to consider having a car show in Sun City is that we have a community of classic car owners. Some of them members of clubs, but many who have never attended and exhibited at a real car show," he said.

Fellow show organizer and resident Dennis Nicpon, who will display his prized 1973 Pontiac Firebird (pictured on the cover), said most of the cars that participated last year will return this year. Plus, he and Jerry made the rounds at local car shows this spring in hopes of wooing outside classics. They were successful.

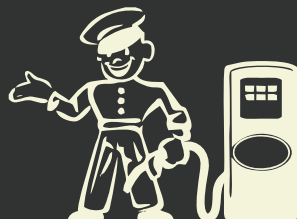

Those memories and more are what organizers of Sun City Summerlin's Classic Car and Motorcycle Show hope to rekindle as they present an exhibition of automobiles and motorcycles on Sunday, September 20, from 10 a.m. to 2 p.m., at Mountain Shadows.

According to SCSCAI Executive Director Sue Papillon, the Board of Directors approved and funded the car show because they believe our residents need and enjoy various types of recreation enjoyment."

JEANNETTE

## CLASSIC CAR SHOW

In all, there will be more than 150 vintage vehicles on display, in addition to several motorcycles owned by Sun City residents.

"I could have easily registered another 100 vehicles," Jerry said. "The response I received from local classic car clubs and private collectors caught me off guard. They all wanted this event to be a success by offering their best cars because, in the past, all the major car shows were in the Henderson area. The Summerlin community classic car owners have been neglected all these years and they want their own full-fledged show. It's wonderful how people in the classic car community took me into their confidence and offered me their experience, knowledge and contacts."

And it's not only the guys who are looking forward to the show, added Dennis. "There's a 1966 Ford Mustang with pony interior that's painted a rare gold color that I hear is coming. My wife, Gloria, is going to be tickled pink when she sees it. She had a convertible one just like it back in the day and she was a real hot-rodder, I tell you."

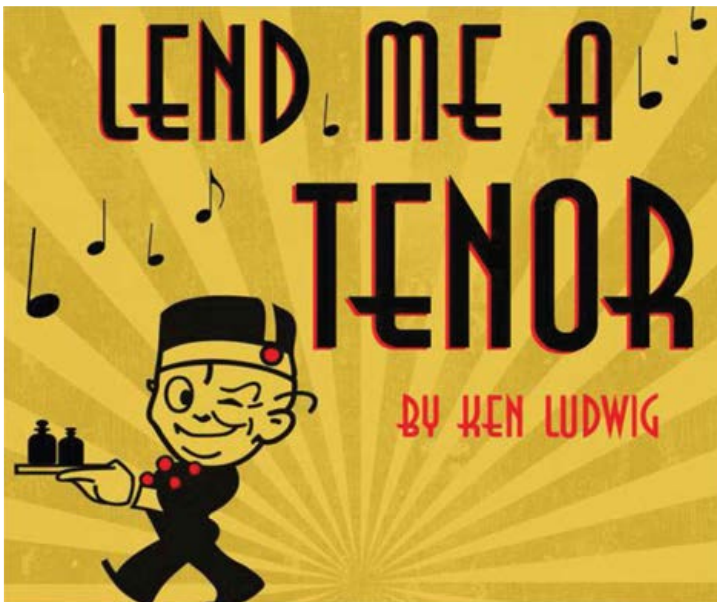

Whether you're a car collector or a fan of vintage wheels, Jerry said visitors can expect to see Model As, muscle cars, a 1964 Porsche 356 SC coupe, Cadillacs, Chevys, T-birds, a 1971 De Tomaso Pantera, Studebakers, Shelbys, one-of-a-kind roadsters and more. In addition to the displays, there will be food, music, art and vendors to help shape the event into a full-circle family affair.

# Security Patrol

## Ride Along With Security Patrol After Dark

Call 254-2303

**Judy Hunt**, Chief,  
Sun City Summerlin  
Security Patrol

It was nighttime when two Security Patrol cars left headquarters to begin their four-hour shifts. The drivers called the dispatcher to check that their radios were transmitting clearly and to let her know where they would start to patrol.

One car was driven by a woman volunteer, who has been a Patrol driver for seven years. Almost immediately, she was waved over by a resident who showed her his remote garage door opener. “It stopped working,” he said. “Did you try changing the battery?” asked the Patrol driver. The resident didn’t know how to access the battery, so the Patrol driver did it for him. She directed him to a nearby store where he could buy a replacement battery and promised to return to his home an hour later to put it in his remote door opener. After she installed the fresh battery, the garage door worked like new.

Later, the same driver spotted her first open garage door for that night. There was a golf cart with a set of golf clubs parked inside the exposed garage that could easily be stolen. The driver also saw an expensive-looking racing bicycle and a cabinet with tools hanging on pegs. More disturbing, the door between the garage and the home had been left ajar. No one answered when the Patrol volunteer knocked on the door. Together, with the Patrol’s watch commander and a caring neighbor, Security Patrol volunteers entered the home to check for anyone who might be in trouble inside. No one was in the house. Apparently, the property owner had left in a hurry, neglecting to secure the doors. With the neighbor present, the Patrol officers closed the door to the

home, as well as the garage door. An alarm system in the utility room had not been activated by the homeowner. During their four-hour shift that night, the two Patrol drivers alerted nine more residents that they had forgotten to close their garage doors.

The other Patrol driver was called to the home of residents because a very confused woman had knocked on their front door. The woman had wandered away from her home and was lost. The Patrol drivers and their dispatcher were able to learn the woman’s name and call her husband to take her home. The same Patrol driver also traced running water to its source and advised homeowners that a sprinkler had broken in their front yard. The driver helped turn off the outdoor water until the homeowners could have the sprinkler fixed the next day. The driver’s next stop was easy. He whacked a big spider on a frightened woman’s wall.

During the remainder of their Patrol shifts, the two drivers rattled gates at maintenance yards to make sure they were secured for the night. Later, when all four community centers had closed for that day, the Patrol drivers walked around each building to check that every door was locked. They also reported the locations of two streetlights that were not illuminated. It was a routine night for both Patrol volunteers. It’s always good when there are no dreadful circumstances that need involvement with police or emergency responders.

In one month, **256** residents were alerted that their garage doors had been left open after dark. Patrol volunteers checked **733** homes for vacationing homeowners, and they added **13,720** miles to the five patrol cars’ odometers, while driving along every street in the community looking for anything out of the ordinary.

When doing so, please do not place mail in the box after the last pickup of the day. For added security, residents may drop off their outgoing mail at the Administration office at Mountain Shadows during regular business hours.

### Stepping On Falls Prevention Program

The SCS Fitness Department will be sponsoring another falls prevention program called Stepping On. This program begins with a falls prevention screening session held on Monday, September 21, by appointment only. Residents may sign up for an appointment with the Desert Vista Social Monitor.

During the screenings, participants will fill out a questionnaire and perform a few simple balance and stability tests in which the individual's risk of falling will be assessed. Recommendations will depend on the results of the individual tests. One recommendation will be to attend the Stepping On Falls Prevention Program classes that begin October 5. Some participants may be referred to their health care provider for further intervention as necessary.

The Stepping On Falls Prevention classes will be held on Mondays, 1-3 p.m., October 5 to November 16 (seven weeks, two-hour sessions). Participants must be pre-screened to attend these classes during the screening session held on September 21 and commit to attending all classes. Sign up for both the screening and the class with the Desert Vista Social Monitor. Class size is limited. When full, a waiting list will be collected for future classes or cancellations. For more information on this program, contact SCSCAI Director of Fitness Kristie McWhorter, 363-1486.

The Stepping On Falls Prevention program is designed to challenge the older adult to appraise his or her risk realistically and provide a forum for gaining knowledge about safety practices. The Stepping On program's aim is to facilitate the older person's taking control of their situation, explore different coping behaviors and encourage follow-through on safety strategies in everyday life. The seven-week series will consist of education, group discussions, physical exercises and guest speakers. The classes will be taught by the Kristie McWhorter, who is also a certified group leader for the Stepping On Falls Prevention Program.

Friday, September 18 · 7:30 – 10:30 a.m.

Come out for a fun walk on the **only day** we will be allowed to walk the all-new cart path at Palm Valley Golf Course. After \$1 million was spent to replace the cart path at Palm Valley, residents are being invited to walk the area to see how well your money was spent. Come enjoy the greens and the beautiful landscaping throughout the golf course. Water stations and bathrooms are provided along the route. The length of the walk will be determined based on the construction status at the time of the event, but can range from 2 to 5 miles, with plenty of points at which to take breaks or to end your walk early. No registration is necessary.

Five Star Restaurant will offer food specials and a light snack will be provided after the walk.

The golf course will be open all day to walk, or you can drive your golf cart, however, water stations will be available only from 7:30 – 10:30 a.m. Walkers only are permitted from 7:30 – 10:30 a.m. No dogs allowed. Portions of the golf course are still under construction, and those areas will be closed to walkers and golf carts.

The Palm Valley Golf Course will open on Saturday, September 19; so this will be your only chance to walk the cart path in a safe environment. Golf course cart paths are closed to walking due to safety concerns of flying balls and golf carts.

## MR. GYM ETIQUETTE

Gyms are social places by nature. The social atmosphere, however, can come with a tendency to get overly familiar. It is considered good manners in a gym to respect others' privacy and their time by keeping conversations on the gym floor to a minimum or moving away from the equipment if you are having a more lengthy or involved conversation.

### When to Change your Exercise Routine

*Your body isn't changing.* If you train the same way day in and day out, you will not experience continuous growth. Our body adapts quickly to exercise stimuli, and once it adapts it needs different exercise routines in order to see continued, positive changes. Think about it this way:

When we first start drinking coffee, we needed only one cup to get ourselves going in the morning. As time progresses, our body adapts to this stimulant and more is required for the same effect. This is how exercise works, too. If we do the same exercises the same way over and over again, our body will plateau and stop getting stronger. We will no longer see any results from our efforts.

Here are a few tips on how to change your exercise routine so you can continue to see and feel results.

1. **Make slow transitions:** If you are training one way for more than six months, it's time to mix up your workout. If you always do the treadmill, start on the bike, elliptical or stepper for 5-10 minutes, then finish up on the treadmill.
2. **Ask for help:** If you've never lifted weights before or you would like to know how to use a different cardio machine, sign up for an equipment orientation class (see the schedule on this page).
3. **Change your intensity:** Slow down your repetitions on the weight equipment and do a full range of motion. I talked about this in last month's Link article.
4. **Work out with a partner:** I have a workout partner and we meet every Monday, Wednesday and Friday at 5 a.m. I wouldn't get up that early to work out on my own, so she helps me keep motivated to get up and get it done.
5. **Weight room:** Change the number of sets and reps you do. If you always do two sets with 15 reps, go for three sets and 10 reps. It's the same number of reps, but you end up adding an extra set. You will be surprised how different it feels.
6. **Strength Machines:** If you use a weight machine for all your exercises, switch it up and add a couple of dumbbell exercises to your routine. Dumbbells are a great alternative for bicep curls, overhead presses and chest presses.

At first it may feel uncomfortable or difficult to make changes to your exercise routine. But remember, when you make those changes you are going to feel stronger, healthier and get better results.

## Former LVMPD Police Chief Calls Sun City Home

In 1983, Las Vegas was in the grip of a major crime era. Prostitution, organized crime and street crime caused Las Vegas to be rated by the FBI among the Top 10 most crime-infested cities in the nation. In 1983, John T. Moran was elected sheriff and the head of the Las Vegas Metropolitan Police Department. He promised the citizens that he was going to tame the Las Vegas/Clark County community. Subsequent changes in the department spotlighted one of Sun City's own, John L. Sullivan, at the time a 22-year veteran of law enforcement who was promoted from captain to deputy chief of police/chief of detectives. Under John's command were the Detective Bureau, Vice and Narcotics Bureau and Organized Crime/Criminal Intelligence Bureau. Within the first four years of Moran's first term in office the crime rate had been drastically reduced. By the end of his second elected term the same FBI statistic that had placed Las Vegas in the bottom 10 of safe cities had upgraded it to one of the Top 10 safest cities in the nation.

Upon John's retirement, Governor Bob Miller, D-Nev., recognized John's career with a proclamation that stated he had trained more of Nevada's law enforcement officers than any one instructor in the history of police training in the state. Also, it went on to say he furthered the profession and advancement of Nevada's law enforcement in the state more than any one other individual.

In the beginning of 1995, John retired from the LVMPD after a 34-year law enforcement career.

### Tales to Tell

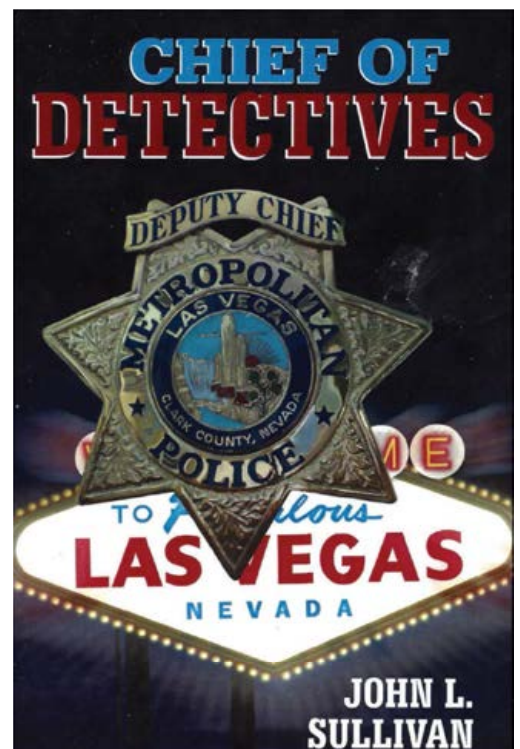

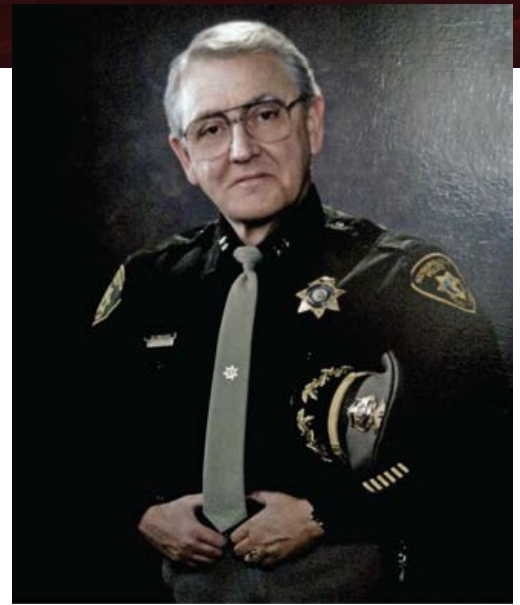

I had always listened to and enjoyed John's stories about his police career. John and I go back many years to when we lived in Kansas City, Mo., and went to the same elementary, junior high and senior high school. We lived around the corner from each other and were high school sweethearts.

After high school John enlisted into the U.S. Coast Guard and I went into nurses' training, married and started my family. After 36 years of being apart, and while we were both single, we met by chance and rekindled our relationship. At the time John had been living in Las Vegas for over 20 years and was a deputy chief/chief of detectives of the Las Vegas Metropolitan Police Department and I was the office administrator for several physicians' offices in the greater Kansas City, Missouri/Kansas City, Kansas, areas.

After a whirlwind long-distance courtship in 1990, I became John's wife and I moved to Las Vegas without looking back. I became acclimated in a short period of time and loved the area. People have told us both that we had a storybook tale about how we found each other and became husband and wife after so many years. Perhaps it was those sentiments that one day led John to sit down at his computer and tell his story. As I had always observed John's accomplishments as a police officer and listened as he related some of his stories of his career to me, I encouraged him to write a book telling his story. His life has been an interesting and accomplished one. In July, he finally did it. He penned his first book, "Chief of Detectives."

We both love the Sun City community and those who we have met over our 15 years living here. We are both going to be here for the duration.

~ Pauline Sullivan

## Club Spotlight: Investment Club

### Education Meets Good Times at Group Get-together

Money, money, money is very important to all of us no matter what our age. That is why the Sun City Investment Club is dedicated to assisting residents in all aspects of their finances, e.g. stocks, bonds, mutual funds, Roth and traditional IRAs, government securities, munis, ETFs, options, annuities, trusts, wills, probate, senior law, Medicare/Medicaid, precious metals, FINRA and so much more by constantly providing expert speakers at all of our events.

The education provided to our members every month is invaluable to our overall financial well-being and that of our children, grandchildren and charities, who someday will greatly benefit from the wise and intelligent investment decisions we make. Our members range from the novice to the financially well-educated. Our great membership camaraderie also allows for the sharing of ideas, individual consultation that furthers our investment expertise and great refreshments. The Club provides free membership events like BBQs, a year-end holiday party and free raffles. In addition, many of our guest speakers provide free dinners at meetings for our members. Come join us and learn how to become a better investor, while learning how to improve your finances. Club dues are \$5 a year. For information, call President Steve Commander, 304-1768.

### Silvertones

Finally, the Silvertones have just begun rehearsals for another winter holiday season on Thursday, August 27, at 1 p.m. Our musical arrangements have meticulously been prepared by our gifted director, George Pucine, who will present a fresh approach to the holiday classics for our winter program to be held December 12-13. Our piano whiz, Martha Olson, will execute the music for our gala. Stay tuned for more surprises! We are always looking for new members who like to sing, can carry a tune and will commit to weekly rehearsals on Thursday afternoons from 1-3 p.m. in the music room at the Pinnacle. Nominations of officers will occur on November 5; elections will be held two weeks later on November 19 during our regularly scheduled rehearsal. Link up with our group to experience singing like an angel. Call Joan, 363-3330.

### Softball-Men's

We'll be starting our 2015-2016 season this September, so if you're in the mood, dust off your glove and bat and join up. We meet, and throw out the first pitch, every Monday, Wednesday and Friday at the Pinnacle field. We also have a pickup game on Saturday. We always have room for more players and especially new residents moving into our community. Call President Jim Parker, 858-0569, or visit [www.scssoftball.com](http://www.scssoftball.com).

### Spanish

The Spanish Club is turning out some great Spanish-speaking students well on their way to conquering the ability to converse with the Spanish-speaking world. It has been a pleasant uphill chore. All of our instructors have done a great job and I say to them, "Ole!" Don't you wish you would have joined our classes? Nominations for 2016 Club officers will be held in September; elections will be held on November 25. For information, call Ray LeMay, 254-1499, or email [raylemay@gmail.com](mailto:raylemay@gmail.com).
