A Year in Retrospect

Our water bill savings is well over \$100,000 per year and we are doing more turf reduction in the coming year, and the additional cost savings will be significant

Paul Henderson,
SCSCAI
Executive
Director

First, Happy New Year to everyone. The outlook for 2018 in Sun City Summerlin is fantastic. We have seen some wonderful advances in our community over the last year and other improvements are planned for the coming year.

The hillside property across from the Tavern at the Falls and along the 18th hole of the Highland Falls Golf Course was in bad need of rehabilitation. Our Golf Course Maintenance crew, working with Alliance Construction, removed all the dead grass on the hillside and replaced it with beautiful desert landscaping. What a beautiful improvement to the area and a vastly improved view from the restaurant.

The Community Preparedness Committee jump-started the Neighbor Watch Program. This program will improve our community's safety and security. With the addition of the K-9 Corps to the program we are continually improving (be sure to check out the story on Page 18). Hopefully, this trend will continue through 2018!

The Landscape and Golf Maintenance crews worked diligently on turf reduction projects that replaced grass with attractive desert landscaping. The turf removal reduces our water consumption, which saves us significant water costs. Our water bill savings is well over \$100,000 per year. We are doing more turf reduction in the coming year, and the additional cost savings will be significant.

We replaced our old, antiquated phone system with a new state-of-the-art phone system. The new system will save us approximately \$36,000 per year in phone service costs.

Our Building Maintenance crews replaced much of our outdoor light bulbs this year with energy-saving LED bulbs. It is estimated that the savings in electricity will total \$79,000 a year.

We have expanded our WIFI network at the Desert Vista property and will be continuing that effort by installing additional service at the Mountain Shadows and Pinnacle properties.

We have made additional improvements to our golf courses, specifically: We renovated the practice area at Highland Falls, and reconditioned the bunkers at Palm Valley and Highland Falls. We hope that these activities will bring additional golfers into our community and improve the profitability of our golf enterprise.

Again, Happy New Year! We hope to see additional improvements to our community in the coming year.

Sun City Selfie: Managers Have Experience to Push SCS Forward

David Steinman,
President, SCSCAI
Board of Directors

As we begin 2017 and continue the operation of our company, we take a close look at our budget and management methods. The budget for 2017-2018 will be formulated in the next three months and presented to the residents for approval in June. Residents are welcome to be a part of the budget process by attending a series of hearings to review each line item. Watch for announcements about these meetings. The key to our success is the management of our community. Our executive director, Paul Henderson, has been onboard for one year. He is supported by department managers with many years of service to Sun City Summerlin.

With nearly 300 employees in various posi-

tions in our community, your Board of Directors is very aware that it takes experienced managers to lead our staff. Most of our managers have served our residents for many years as outlined in the sidebar.

It is not an easy task to fulfill the needs of the more than 13,000 people who reside in Sun City Summerlin. Our managers have the skills and experience to make Sun City a well-known destination for seniors looking for a home to enjoy their retirement years.

The next time you have a conversation with one of our managers and their staff, remember to say "Thank You" for the time and effort they give to make us a premiere senior community in Nevada.

ELECTION Board of Director's 2017 Elections

Board of Directors Election Committee Readies for 2017 Election

This year, Tuesday, February 28, is designated as Election Day and will be the last day to cast your ballot

The Election Committee is preparing to conduct the annual election of Sun City's Board of Directors. This year, Tuesday, February 28, is designated as Election Day and will be the last day to cast your ballot. Counting of the ballots will be on Wednesday, March 1. Five positions will be filled. Each home has five (5) votes that may be cast for one candidate or divided among all in any manner desired. It is critical that not more than five (5) votes are marked.

Ballots (part of the Link mailing label) and a return envelope will be included in your February Link. The ballot instructions will be located on the back of the address label. The ballot portion is perforated. After you mark your votes on the ballot, remove the address portion and insert the ballot into the envelope so that the BAR CODE shows through the window in the envelope. It may then be mailed to the Administration Office, Mountain Shadows Community Center, 9107 Del Webb Blvd., Las Vegas, NV 89134; or save Sun City the cost of postage by depositing your ballot into the ballot box at Mountain Shadows. If you mail your ballot, it must arrive no later than 5 p.m. on February 28, at which time voting will be closed.

Should you lose or accidentally destroy your ballot, another can be obtained at the Administration Office. Before requesting a replacement ballot, be certain that another member of your household has not already voted. If two ballots are received from the same household, BOTH

will be voided. Also, if more than five (5) votes are marked on a ballot, all votes will be voided.

The following is an alphabetical listing of candidates for this election:

1. Jim Akers
2. Bruce Alitt
3. Ken Caroccia
4. Leo Crawford
5. Barbara Holden
6. Marsha Klein
7. Paul Madigan
8. Joe O'Connell
9. Ken Resnik
10. Jay Sesto
11. Gerry Sokolski

One MEET THE CANDIDATES event will be held as part of the Residents' Forum on Wednesday, January 11, 7 p.m., Desert Vista. Each candidate will make a presentation. This will be followed by a question-and-answer period. After this formal meeting, candidates will be available to answer your additional questions.

Each candidate may provide a photo and a statement that will be published in the February issue of the Link.

NOTICE OF ELECTION

Sun City Summerlin Community Association, Inc.'s administrative offices at Mountain Shadows Community Center will be open for voting on Tuesday, February 28, from 8 a.m. to 5 p.m. This is the last day to cast your ballot in the election for SCSCAI's Board of Directors.

Sun City staff members will be available to supply replacement ballots and tend to the ballot box. The ballots will be secured in the Association office until the

following day.

The ballots will be validated, opened and counted, starting at 8 a.m. on Wednesday, March 1, during an OFFICIAL ASSOCIATION MEETING that is open to all residents. There is only one agenda item for this meeting, that being the counting of the election ballots.

The results will be announced by the Association Secretary and reported to the Board of Directors.

Steamboats on the Colorado River were the main way to arrive here for 40 years. This is a hard rock mine tour that takes you into areas where you will see the quartz veins the gold and silver ran in. This is a walking tour approximately 1/4 mile long on gravel, only one level, and will last approximately 1 hour 10 minutes. Inside the mine is a little breezy and cool, especially in the winter.

The prohibition era had a significant impact on American society, including a lasting effect on women's rights, freedoms and fashions. The emergence of speakeasies during Prohibition gave rise to flappers, young women who redefined social expectations and tradition. Highland Falls Makes Playing Golf Easier

The staff at Highland Falls hopes to make playing the course a little easier by relocating its bag drop to the clubhouse entrance. Golfers may take advantage of the amenity as they are now able to drive to the top of the parking lot and drop off their bag/s before parking their car. The change was made to alleviate carrying bags up several flights of stairs on days when the parking lot is full. **NOTE:** Sun City Summerlin is not responsible for lost or damaged items on unattended equipment.

TECHNOLOGY

Information Technology

Mission Innovation Well Under Way In Sun City

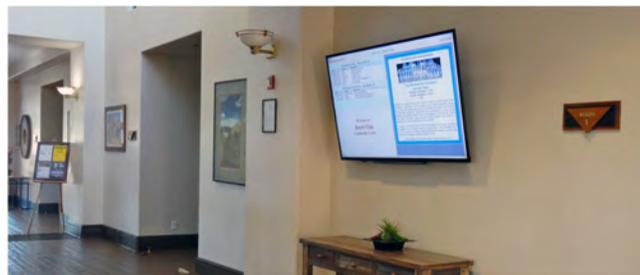

Karl Wiedemann,
Chairman,
IT Committee

Sun City Renaissance! Just over a year ago when I was a candidate for the Board of Directors this was my campaign slogan. When I was elected to the Board and appointed chairman of the Information Technology (IT) Committee, it was still my goal. We have a great community but many facilities, along with equipment and technologies, still need to be updated.

The IT Committee has been hard at work updating Sun City's technological infrastructure. While many of the goals are still down the road, some have been accomplished and others are works in progress. Gone are the old school notice boards. Our community centers now have electronic information boards, Sun View TV monitors, that list upcoming activities and events. Wi-Fi is available at Desert Vista and soon will be available in all community centers.

The effort to move our outdated phone system in Administration and at all monitor sta-

tions into the 21st century is well underway, and may even be complete by the time this article is published. This new telephone technology is expected to save Sun City \$3,000 to \$4,000 a month on the community phone bill.

Yes, there is still much to be done. And, yes, we do run into snags along the way. But I am proud of how much we have accomplished. And there is more to come. The IT Committee will continue its efforts to improve communications and technology throughout our great community.

To be a part of the innovation, plan to attend our next meeting on Friday, January 27, 1 p.m., in Desert Vista's Committee Room.

department **SPOTLIGHT**

There are 10 departments that work to facilitate the daily operation of Sun City Summerlin. They are: Administration, Building Maintenance, Community Services, Community Standards, Fitness, Food & Beverage, Golf, Golf Maintenance, Landscape and Link. Over the next several months the Link will spotlight these departments with the intention of helping residents better understand what they do. So, the next time you have a question or concern regarding a community issue, you'll know exactly where to go for help.

LINK MAGAZINE AND SUNCITYLINK.COM VOLUNTEERS ALWAYS NEEDED

Fancy writing for the magazine, shooting a photo or video for the website? How about helping us proofread? Or maybe you just have an idea you'd like to float.

We'd love to hear from you.

The Link is staffed by two full-time employees of Sun City

Summerlin and one freelance graphic designer. It is organized within SCSCAI as an advisory committee of six resident volunteers, who have experience in publishing, news, education and photography. The editorial committee also has a liaison to Sun City's Board of Directors. The Link meets on the fourth Friday of the month at 9 a.m. at Desert Vista. Meetings are open and residents are invited to attend.

SCSCAI's executive director is the editor of the Link and has the final word over all editorial and advertising.

The Link is divided into two departments – editorial and advertising, with the managing editor responsible for the day-to-day operation. The Link office is located at Mountain Shadows, behind the fitness center adjacent to mini golf and shuffleboard.

In addition to the monthly magazine, the Link produces a website, www.suncitylink.com, which is updated every Tuesday. We refer to the website update as Tuesday Newsday, as it is refreshed each Tuesday morning. This gives us an opportunity to provide coverage of weekend events, as well as the chance to promote activities scheduled for the

upcoming week. One of the most popular sections of the website is the area reserved for estate and garage sales. Dates and addresses are uploaded to the site every Thursday afternoon for sales scheduled Friday to Sunday.

The website also features a weekly advertiser spotlight that showcases a current magazine advertiser. The spotlight gives businesses a chance to share their service philosophy with residents. Last but not least, the website contains a very active classifieds section, where residents may post up to four photos of their items for free (the magazine does not publish photos of items for sale). Over the past year, the Link's website classifieds has built quite a following, with many items reported sold within a few days.

Golf, Energy Improvements Take Top Billing at Monthly Meeting

Ken Carocchia,
Chairman, Common
Area Properties

For those residents who are interested in what is happening in Common Area Properties (CAP), here is a summary of the November meeting. I am very pleased to call attention to the fact that our very own Highland Falls Golf Course was voted “Best of Las Vegas Golf Course” by readers of the Las Vegas Review-Journal. In addition, our LED light rebate from Nevada Energy came in at \$20,000.

Team leader Allan Rosenberg inspected Palm Valley and Highland Falls. There were a few lights out, but all has been taken care of. Team leader Rhoda Ring reported that the Friendship Tree at Desert Vista needs cleaning and Brandon will take care of it. Team leader Amos Barcus reported that there is some fencing that needs to be replaced at the horseshoe

pits at Mountain Shadows and some caulking needs to be replaced at the pool. Also, several ceiling fans have been ordered to replace old ones. Team leader Murray Waks reported that the Pinnacle was inspected and any issues have been taken care of.

Under unfinished business, a motion was made to recommend to the Board of Directors to accept the proposal from the Softball Club not to exceed \$160,000 for the replacement of the natural infield with artificial turf. After considerable discussion, a motion was made to table the initial motion for 90 days, as the criteria of the project has not been met and not enough information was presented to make a recommendation to the Board of Directors. That motion was passed.

Brian Bagwell, golf course maintenance general manager reported:

- Sun City won “Best of Las Vegas” for Highland Falls Golf Course.
- The bunker project should be completed by the time this article is published.
- The turf removal at Eagle Crest has started; Highland Falls is also under way.
- Water costs were discussed, and Brian will report back on this.

Kristie McWhorter, fitness manager, reported:

- A NuStep has been replaced at Desert Vista and that the equipment report is posted on the bulletin board.
- More Plexiglas holders will be made for the equipment.
- Due to the very positive feedback that has been received regarding the Palm Valley Golf Course walk held last year, more walks will be planned this year during over-seed.
- The pool furniture at Desert Vista and the Pinnacle will be replaced.

Brandon Balek, building maintenance supervisor, reported:

- The LED lights have been installed at the sports courts.
- The final application from NV Energy has been received and as soon as the work is inspected, the rebate should be around \$20,000.
- Lighting at the back of the Mountain Shadows fitness center is being looked into because it is so dark in

that area.

- After January, the pool decks will be redone at Desert Vista and Mountain Shadows, and the pool will be re-plastered at Desert Vista.

Louis Darling, landscape manager, reported:

- Turf reduction at the Pinnacle is complete and will be inspected.
- The Lake Mead/Del Webb entrance at Button Willow will be next.
- The color has been done, except at the Rampart entrance, which will be redone. Button Willow West greenbelt will have a pump installed to operate the irrigation system and keep the area green.

Paul Henderson, SCSCAI executive director, reported:

- The lighting switches at the Desert Vista ballroom will be redone. Brandon will present a quote to redo all the rooms for around \$9,000.
- The design-build contractor has completed the plans to submit to the city for final plans check, approval and granting of the building permit.

Ken Resnik, special projects committee member, reported:

- He and his committee met outside the Mountain Shadows social center to review the lighting and found no need to do anything other than have some plants trimmed that are blocking the light. Louis will look into that.

PREPAREDNESS With K-9 Corps

They're On the Job! And Every One of Them Has a Tail

Sun City has recruited a brand new patrol force, whose focus is to prevent crime in their neighborhoods. Forty-eight eager community volunteers are walking regular beats, every day. You'll know them when you see them; they wear red identification tags. There's Buster and Max, Theo, Paisley, Spike, Shredder, Sienna, Trixie, Jingo, Curley, Mickey, Gus, Doctor Pepper, Mister Wonderful, Mountain and Dew, to name a few. These bright-eyed, Neighborhood Watch dogs come in all pedigrees, ages, colors, shapes and sizes. Some of them can run fast, very fast, while others have tiny legs that tend to move slowly. All of them have joined Sun City's K-9 Corps and we think every one of them is terrific.

*Story by
Ellen Greenspan,

Carrillo/Link*

Karl Wiedemann,
Chairman,
CPC Committee

K-9 Corps dogs are leashed and pet owners monitor and report unusual events. They do not confront anyone or intervene in suspected criminal activity. Depending on occurrences, they notify Security Patrol: 254-2303, or in an emergency situation, they take it upon themselves to dial 911. If they see something, they say something; that's all there is to it.

Sun City's K-9 Corps is sponsored by the CPC/Neighborhood Watch Committee. If you would like to start your own neighborhood watch group, or join the K-9 Corps, contact Karl Wiedemann, 256-1944, kdwiedemann@gmail.com or you may contact Ellen Greenspan, 658-4486, efgreenspan@cox.net.

"The dog tags are a great idea for the best part of Neighborhood Watch. You should take the idea national."

~ Sandy Weiser ~

"When I saw this, I thought it totally rocks! I think this is a great way to engage our community in neighbors helping neighbors."

~ Nan Stevenson ~

"Awesome. So glad this is off to a good start. You done good!"

~ Kathy Cassell ~

"I like the idea of dog-walkers helping."

~ RaNae Watsabaugh ~

Starting an Exercise Program

Study after study demonstrates that seniors damage their health much more by being sedentary

Kristie McWhorter,
MS, CPT, GFI,
Fitness Manager
kristiem@suncitylv.com
fitness@suncitylv.com

Current scientific evidence shows that seniors should exercise, even though many older people think it might harm them. Study after study demonstrates that seniors damage their health much more by being sedentary. If you're inactive, you deteriorate. Physical activity can help restore your capacity for movement and for life.

The New Year is a great time to make goals and to make exercise a priority in your life. A complete program should include the following components:

Warm Up – A warm-up period should begin with slow, rhythmic activities such as walking or biking.

Aerobic exercises – Anything that causes an increase in the overall activity of your cardiovascular system (heart and lungs) for a sustained period, such as walking, biking, or swimming. Over time, aerobic activity conditions your heart and lungs to be able to perform a greater amount of work with less effort.

Strengthening exercises – In addition to toning your body and making all movement less strenuous and energy consuming, muscle strengthening and conditioning will help support your joints, thus preventing arthritic prob-

lems and reducing the chance of injuries caused by falls. Such programs can be accomplished by using weight machines and free weights.

Balance Exercises – Lower body strengthening exercises will help you to improve your balance.

Core Strengthening Exercises – Your body's core (the area around your trunk and pelvis) is where your center of gravity is located. When you have good core stability, the muscles in your pelvis, lower back, hips and abdomen work in harmony. They provide support to your spine for just about any activity.

Flexibility (stretching) exercises – Stretching exercises serve a number of purposes, including maintaining full motion in your joints, keeping muscles from shortening and tightening, preventing or lessening the effects of arthritis.

Cool Down – If you have been participating in vigorous physical activity, it is extremely important not to stop suddenly. Abrupt stopping interferes with the return of the blood to the heart and may result in dizziness or fainting. You need to reduce the intensity of the exercise gradually and end with a few slow stretches.

Warning: Be sure to consult your physician before beginning an exercise program.

MR. GYM ETIQUETTE

Do you know why we shower before using public pools? It may seem silly to get wet before we get wet, but it isn't just about dirt or germs. Lotions, soap residue and other body products worn into the pool interact with one another in the water and can create an unsafe environment. Do yourself and others a health favor and shower off well before getting into the pool.

Benefits of Treadmill Training & How to Get Started

Charli Sue Douglass
SCSCAI Fitness Specialist, CPFT, GFI

Walking is often called the best and easiest form of exercise, but when it's too cold or too hot to go outside it is often overlooked. Come inside to get your walk on! Treadmill training or walking is a great way to get healthy, and you never have to worry about the weather. Walking helps to maintain healthy muscles, bones, ligaments, tendons and keeps your joints flexible, which increases your ability to balance. Your cardiovascular fitness improves by strengthening your heart and lungs, reduces blood pressure and cholesterol levels. Wow, it makes you want to start treadmill training right away if you aren't already doing it. Here's how to get started:

Get Familiar with the Treadmill's Control

Panel. Sign up for an equipment orientation for basic instruction from a trainer at your fitness center or read the instructions on the machine console before you turn it on. Most treadmills have the same features, including preset or manual

workout selections, start and stop buttons, speed and incline adjustments and body weight input.

Know the Safety Features. Learn where the emergency shut-off switch is and test it. Typically, it is a large red button in the middle of the machine console. Our treadmills are equipped with safety clips to attach to your pant waist. If you trip or lose your balance, the safety clip will automatically pull the emergency shut-off switch for you.

Start Slowly. To start walking on the treadmill, straddle the belt. It's often easiest for a beginner to hold onto the handrails and place one foot on the belt and follow along with the machine pace. When you are comfortable with the pace, step onto the belt, let go of the handrails and walk normally.

Get to Walking. Start by walking at a slow, comfortable pace that allows you to maintain a conversation. Keep your head up and stay centered in the middle of the belt (not too far forward or back). Increase the speed or incline to challenge yourself.

Do You Know?

There Is a Difference Between Community Monitors

Do you know the difference between a Social Monitor and a Fitness and Pool Monitor? These groups of resident employees look out daily for our well-being and enjoyment of our social, craft, club and fitness properties. Each group has specific responsibilities.

Common duties for both groups include enforcing Sun City Summerlin's rules and regulations; dealing with first aid and safety issues; checking equipment in and out for use by clubs and individual residents; preparing work orders for facility and equipment repairs; performing room counts to track facility usage; and providing customer service to residents and guests by answering questions and any other needed assistance.

Social Monitors serve at Mountain Shadows, Desert Vista and the Pinnacle. They are under the supervision of Melissa Spina, Community Services manager. Additional duties of Social Monitors include: Selling tickets to shows, dances, bus trips and other community performances and events; selling guest passes; reconciling monies at the end of shifts; preparing coffee and water for meetings and rentals; and signing up residents for AARP's driver safety classes, the AARP annual tax program and fitness lectures. In addition, Mountain Shadows Social Monitors are responsible for the neatness of the Mountain Shadows library and for posting notices on the Mountain Shadows wanted/ad board.

Kristie McWhorter, Fitness manager, oversees Fitness and Pool monitors. These monitors are located at Sun Shadows, Mountain Shadows, Desert Vista and the Pinnacle fitness centers. Duties specific to Fitness Monitors are: Observing residents for unsafe actions or behaviors that might indicate health emergencies such as low blood sugar, stroke or heart attack; resolving any resident conflicts that may occur at fitness centers; managing fair usage of fitness equipment and pool lanes; and working with custodians to ensure a clean environment.

Social, Fitness and Pool Monitors are trained in first aid and CPR, as well as the use of AED's (automated external defibrillators). In addition, this year Fitness and Pool Monitors participated in a water training safety class, taught by ARC-certified life guard educators from Lifeguard Society. The instruction focused on helping those in our pools and spas who might be having a health emergency.

All of our monitors work diligently to aid those of us residents and our guests in enjoying our Sun City amenities. They all have our safety and well-being as their prime concern.

Wednesday,
January 11,
7 p.m.
Desert Vista

Every year the Residents' Forum sponsors a Meet the Candidates Night so that you can learn about what's important to the candidates running for Sun City's Board of Directors. This year there will be 11 candidates running for five available seats. After an introduction, where the candidates will talk about why they are running for Sun City's top job, residents will have a chance to ask a few questions of their own. Please be sure to mark the date on your calendar and if you have a question you'd like to ask, be prepared to head to the microphone when it's your turn. Following the presentation, candidates will be available for one-on-one time.

SERVICE ORGANIZATIONS Volunteer

Sun City Summerlin Charities

Charities provides residents who are unable to drive with transportation to medical appointments, shopping and other personal services. We also perform handyman services such as replacing light bulbs, smoke alarm batteries and furnace filters, as well as repair cabinet hinges and drawer glides. We currently need more volunteer drivers to meet a heavy demand for transportation services. If you are interested in helping your fellow residents maintain an independent lifestyle, call us at 254-5831 or stop by our office adjacent to the Desert Vista picnic area. We're open Monday to Friday, 8:30-11 a.m.

Sunshine Service Club

We loan canes, walkers, wheelchairs and other medical equipment, as well as car seats, high chairs, strollers and mattresses to Sun City residents with a valid Association ID. We also collect aluminum tabs, Campbell's soup labels and food donations to be distributed to charity. Help us fill Salvation Army food barrels with non-perishable food items. The barrels are located at our warehouse and in the lobby of Mountain Shadows. Our equipment warehouse is located at Desert Vista to the right of Security Patrol. We are open Monday to Saturday, 9-11 a.m. Our general meetings are the first Monday of the month and are open to prospective members and guests. We had our elections and our new officers for 2017 are as follows: President Lou Pasqualin;

First Vice President Linda Frieberg; Second Vice President Midge Howell; Treasurer Beth LeHeup; and Secretary Sharon Beilman. Our general meetings are from 11 a.m. to 1:30 p.m., and we serve lunch. This month we meet on January 2. If you have any questions or are interested in volunteering, call 341-9741.

Couples on Patrol Share a Unique Twist on 'Date Night'

The members of Patrol are a microcosm of the residents of Sun City

Security Patrol Chief

This is my first of 12 opportunities to communicate as the chief of the Security Patrol with the residents of Sun City Summerlin. I always have felt more comfortable when I was able to communicate verbally, so writing these 12 articles will be a chance for me to express myself in a different manner.

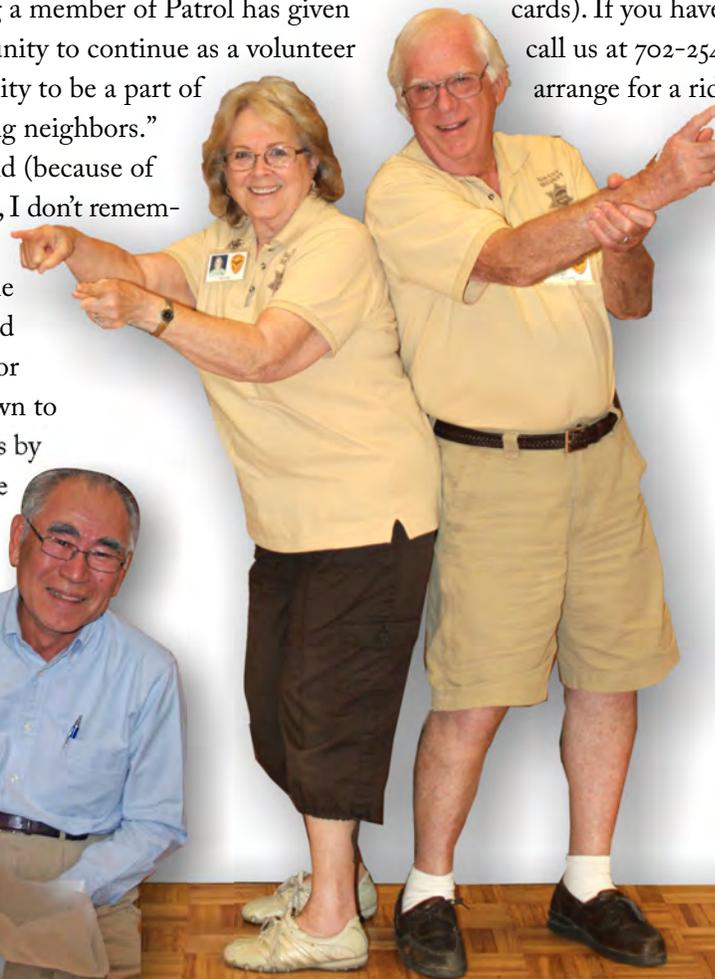

The Security Patrol celebrated its 25th birthday last year and now we, the members of the Patrol, have the opportunity to continue the accomplishments of those who came before us and the opportunity to add to that list of accomplishments. Patrol members come from a great variety of backgrounds. Their occupations or vocations prior to retirement were teachers, a nurse, a secretary, salesmen, a doctor, a lawyer, a CPA, a homemaker, military, a cab driver, a union member, a caterer and an administrator to name just a few. The members of Patrol are a microcosm of the residents of Sun City. But, the members of the Patrol have one thing in common, they are volunteers. Like so many other residents of Sun City, they were volunteers before they retired. Being a member of Patrol has given them the opportunity to continue as a volunteer and the opportunity to be a part of "neighbors helping neighbors."

It has been said (because of my advancing age, I don't remember by whom) that as good as the recipient of a good deed might feel for the kindness shown to them, that it pales by comparison to the good feeling of the

volunteer (or "Good-deed Doer" as the Wizard of Oz call them). I remember as a youngster growing up, hearing the praise that presidents Eisenhower and Kennedy gave several times in speeches. They both referenced millions, now billions, of dollars that would have to have been spent to accomplish what volunteers did every day.

Being a volunteer comes in so many forms; at your place of worship, in your club, in your community or for your next door neighbor. There are about 220 members in the Patrol, slightly more than half are female. Interestingly, there are 35 couples in the Patrol who work together on the same shift. My wife and I work together on Friday nights and the other couple that we work with coined the phrase "date night." Besides patrolling, we have time to talk about vacations, children and, of course, grandchildren.

There is an opportunity for you, the reader, to join as a volunteer. If you, and most of you have, volunteered before, come and join us. The commitment is only four hours per week (the equivalent of a round of golf or an afternoon of cards). If you have any interest at all, call us at 702-254-2303. We can

arrange for a ride in one of our cars or a conversation with one of our members. This could be an opportunity for you to meet a wonderful group of people.

Also, the chance to help in this wonderful retirement community by being a volunteer, or a neighbor who helps his/her neighbors.

FEATURE: CHANGE IN MAIL DELIVERY SCHEDULE HAS CARRIERS WORKING

Mail delivery work shifts for Sun City's U.S. Postal carriers have been changed by the Summerlin Post Office. Previously, carriers serving Sun City Summerlin delivered mail from 7:30 a.m. to 4 p.m. A revised schedule now has them delivering mail from 8:30 a.m. to 5 p.m. The later starting time is causing mail to be home-delivered as late as 8 p.m. in Sun City.

"It is appalling that senior citizens can't get their mail on a timely basis," said Tom Brennan, a 19-year resident of Sun City. "For residents' safety, mail should be delivered while there is still daylight."

There are 17 separate mail districts throughout the Las Vegas Valley, but only the Summerlin district and one other area have had their deliveries altered to later hours. Sun City residents Bruce and Jeannie Petrie, who live directly behind Mountain Shadows Community Center, are getting their mail as late as 7 p.m.

"Our neighbors are upset about having to go out after dark to get their mail and I sympathize with them," Bruce said.

Resident Lonnie Shannon, a Neighborhood Watch K-9 Corps dog walker, has lived on High Range Drive for less than a year. She worries about her neighbors, who she sees going out for their mail at night.

"It is risky for some of them to navigate sloping driveways at night," she said.

Mail not distributed by 5 p.m. requires carriers to stay on the job until everything is home-delivered. No mail is held over until the next day, necessitating that some carriers are working as late as 9 p.m.

"We're paid time-and-a-half for overtime, but most nights I'm not home until after 9 o'clock," said one longtime Sun City mail carrier.

Some mail carriers have expressed concern about delivering mail later than they did in the past because residents who find their boxes empty in the afternoon may assume that they are not getting mail that day and fail to recheck the box at a later hour.

"After dark I may put mail in their box that remains there, unlocked, overnight," explained one mail carrier who wears a miner's cap as he negotiates his route in the darkness.

As to why the delivery schedule was changed remains a mystery.

As of press time, nine telephone calls to the local post office to ask the question were never answered; and a recorded message was not accessible.

In all, 15 postal carriers serve Sun City Summerlin. For outgoing mail, residents are reminded to use the blue mailboxes located at their nearest community center.

"AN ENCHANTED EVENING WITH BARBRA"

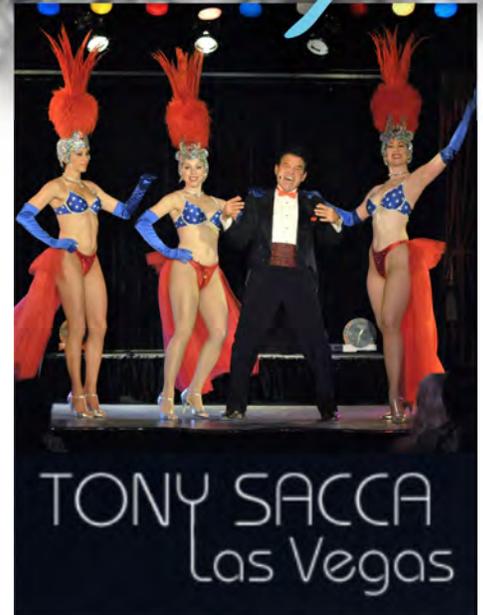

Saturday, January 14, 7 p.m. · \$20

Streisand fans young and old will feel as though they've spent an enchanted evening with Barbra herself. Acclaimed as "the best tribute artist," Sharon Owens takes her audience on a journey through the Streisand years – 60's Broadway, 70's Disco and 80's films, captivating them with such favorites as "Don't Rain on My Parade," "The Way We Were," "Evergreen," "Woman In Love," "Somewhere," "People" and many more. Sharon's interpretation of the infamous Streisand is amazing and thrilling to watch as their personas intertwine. Sharon also brings a few of her own stories to life and dedicates the "Yentl" segment to her own father who passed away very young. It's a show you won't want to miss!

Wednesday, January 25, 7 p.m. · \$15

Back by popular demand – Brian Hoffman's highly acclaimed tribute to Red Skelton brings back great memories of families sitting around the living room, watching the one and only TV in the house, laughing and enjoying each others' company. Brian's expert portrayal of Red Skelton will have you in stitches as he re-creates some of Red's most well-known pantomimes and characters. Laugh with Clem Kadiddlehopper, that dim-witted country bumpkin; giggle along with Gertrude and Heathcliffe, the two seagulls; and feel the love of Freddy the Freeloader, the hobo who lived in the city dump. Add a little "Guzzlers Gin," a couple of pantomimes and the "Pledge of Allegiance" to make this a true tribute to Red Skelton, one of America's favorite clowns. A heartfelt performance from start to finish.

"TONY SACCA IN CONCERT" With The Sexy Saccettes

Saturday, January 28, 7 p.m. · \$20

Most folks in "Vegasville" probably know Tony Sacca as the host and producer of one of the longest running TV variety shows in Las Vegas history. However, many people may not know that Sacca is a veteran entertainer, singer, showman and musician who performed in major hotels and nightclubs throughout the country before he located to Las Vegas in 1981. In 1986, he appeared on NBC's "Late Night With David Letterman." "Tony Sacca in Concert" presents all-American music with the Sexy Saccettes accompanied by Grammy Award-winner Gary Anderson and his band. The show will be a musical journey down memory lane with doo wop, Motown, classics and rock 'n' roll.

Be sure to get your tickets early for all Starbright Theatre shows. If an event sells out, every attempt will be made to sell tickets as well as at the Mountain Shadows, Desert Vista and Pinnacle community centers. All tickets can be purchased online with a credit card, or pay with cash or check at the community centers (except for the Tony Sacca in Concert show).

Our biggest and most ambitious production to date, Mistinguett and Bill Fayne have decided to start the year off with the very best talent Vegas has to offer. With all the shows closing on the Strip, we are in luck and taking advantage of the featured performers who have not been available until now from "Jersey Boys" "Million Dollar Quartet," "Vegas the Show," "Steve Wynn's Showstoppers," "Rock of Ages," "Jubilee!," "The Producers," "Phantom of the Opera," "Tony & Tina's Wedding," "50 Shades" and more. In addition to the vocal performers will be Mistinguett's Showgirls performing a tribute to "Jubilee!," "Lido" and the "Folies Bergere," along with Dennis Blair's tribute to Shecky Greene, Rodney Dangerfield and George Carlin. There also will be a magical tribute to Lance Burton, Mac King, and Penn & Teller by Fielding West. Last but not least, the show will feature a loving tribute to icons Elvis, Wayne Newton, Steve & Eydie, Liberace, The Rat Pack, and Prima & Keely. With a cast of 25 Las Vegas performers and a kicking band you can't miss this one. Two shows only, get your tickets early!

"THE MAGIC OF MANILOW AND MIDLER"

Saturday, February 4, 7 p.m. · \$20

A brilliant collaboration between the piano man and the sassy singer who both started their careers together in the bath houses of New York City. Barry Manilow's music is never more magnificent than with the piano and vocals of Terry Davies, a seasoned performer who began his career in England and now owns TAD Management in Arizona and three other locations around the world. Sherie Rae Parker has been performing as Bette Midler in "Legends in Concert" here in Las Vegas and "Stars in Concert" in Berlin for many years. She brought her "Divas" show to the Starbright Theatre last year and this year, accompanied by the fabulous TAD Swing Band, you'll hear all the hits that you love: "Mandy," "I Write the Songs," "Boogie Woogie Bugle Boy" and "The Rose," as well as duets, jokes and a good time!

"COMMUNITY THEATER SHOW"

CHARTERED CLUBS

CLUB SPOTLIGHT: Pickleball Tournament a Success

Sun City's Pickleball Club welcomed 96 players from neighboring states to its first-ever tournament held December 2-4 at Desert Vista. The tournament featured men's and women's singles and doubles, along with mixed play. The action got under way on Friday, despite howling winds of up to 40 miles per hour. Over the weekend, tough competition could be enjoyed on all 10 courts.

While winning players collected medals for their top performances, it was perhaps the U.S. Marine Corps.' Toys For Tots program that reaped the overall prize. According to Club President and tournament organizer, Augie Costanzo, nearly \$3,000 and a boxful of toys were collected for the charity. All proceeds generated by the tournament's \$15 registration fee, along with donations made by generous residents, went straight to Toys For Tots.

Sun City Pickleball Club President Augie Costanzo opens the men's doubles competition on Saturday, December 3, at Desert Vista. The inaugural tournament welcomed players from Nevada, Arizona, Utah, Arkansas and Texas.

Right, Sun City residents and Pickleball Club members take a moment before their Saturday matches. From left, Bruce Alitt, Carl Leatherman, Tim Murray, Ytai Abougzir (not a resident), Bob Altomondo and (Murry Bell (not a resident)).

(The deadline for February 2017 chartered club articles is Friday, December 30. If you have any questions, call Jeannette Carrillo, 966-1436, or email jeannettec@suncitykv.com.)

Aquacize

Start your new year out right by joining the Aquacize club. The 2017 officers are Marianne Jagmin, president; Ellen Quiroz, vice president; Diana Michael, treasurer; and Donna Stevens, secretary. Aquacize offers fun and healthy exercise six days a week at different times to suit your schedule. There are classes Monday-Saturday. 8 a.m. and 7 p.m. at Desert Vista; and 8 and 10 a.m. at Sun Shadows. We are now collecting 2017 dues – see a class representative to make your payment of \$10, payable by check to Sun City Aquacize Club. Our next general meeting will be Wednesday, February 8, 1 p.m., Desert Vista. Please sign up with your class representative to attend. Further details will be announced soon. If you have any questions, contact our President Marianne Jagmin, 243-3932.

Art

Start 2017 with an Art Class. We have instructors for various mediums: Drawing, watercolor, oils, acrylics and mixed mediums. Learn something new to enhance your life. At our January 16 meeting our instructors will give a brief synopsis of their classes. Dues are \$15 per year, payable at the meeting. For more information, call President Steve Brenner, 749-7737.

Arthritis

This low-impact pool exercise club meets Tuesdays and Thursdays, 10:30-11:30 a.m., Desert Vista indoor pool. The exercises safely move every part of the body. Stretching, range of motion, flexibility and balance exercises improve health and wellness. Check with your doctor to make sure you are fit enough for the class. Our instructor, Tim, is certified for water exercises and first aid from the American Red Cross. Annual membership dues are \$45. Contact Jim and Linda Gaughan, 233-1087.

Beading and Jewelry

We are bringing in the New Year with a change in schedule. There is no business meeting at Desert Vista this month. January 10 is our annual appreciation luncheon at noon in the Skylight Room at The Summit. We normally meet most Tuesdays, 1-3 p.m. in the Silver Room at Mountain Shadows' crafts building. Annual dues are \$10. Start the New Year off by learning to make a floating illusion necklace. This featured class will be instructed by Phyllis Brodsky on January 17. Hurry in to get your materials list,

and also check our calendar for the next demo day topic. To register for our next beading introductory class (no previous experience required), call Ellen Crawford, 478-8806. For any other information, call Vicki Socol, 256-6247.

We also have a program that's announced to members by the weekly email. Guests are welcome. Visit our website at <https://groups.yahoo.com/group/SCSCBike>. Call 920-3983, or email SCSCBikeGroup@yahoo.com.

Book

The Sun City Book Club will be holding its monthly meeting on Thursday, January 12, Sun Shadows, 2 p.m. We are excited about this year's book list, which includes classics, mystery, history and fiction. Each one poses the potential for great conversation. The January selection will be "The Boys on the Boat" by Daniel James Brown, The No. 1 New

York Times–bestselling story about American Olympic triumph in Nazi Germany. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did. The team went on to shock the world by defeating the German team rowing for Adolf Hitler. Sun City residents and their guests are welcome. If you decide to become a member of the group you can do so for \$2 dues per year.

CLUB SPOTLIGHT: Bicycle Club Celebrates One Year of Touring the Valley

Las Vegas is a fabulous city for bicycling. There are miles and miles of multi-use trails, and many major streets have bike lanes to help cyclists safely tour the city.

Sun City Summerlin is blessed with mostly quiet streets that are great for relaxed rides and offer quick access to streets with bike lanes for longer, more demanding rides. Destinations are as diverse as the Strip, downtown Summerlin, Red Rock Canyon and Kyle Canyon at Mount Charleston. Rides may include stops at scenic views, a coffee shop, a farmer's market or other unique points of interest.

The Sun City Summerlin Bicycle Club currently rides three days a week – Tuesday, Thursday and Saturday. Any resident of Sun City Summerlin is welcome to join the Bicycle Club or join us as a guest on one of our rides.

As a winter chill descends across the Valley as our first year ends. We plan to once again take advantage of cooler temperatures and adjust our ride schedules and routes accordingly. Riding consistently keeps the body in shape year round. When extreme weather threatens rides may be cancelled on short notice. On iffy days, check email for changes in ride status.

The Sun City Bicycle Club meets the second Tuesday of the month at Desert Vista. Check SuncityBicycleClub.org for more details, or email us at SunCityBicycleClub@gmail.com. Our Club telephone number is 920-3983. Learn more about us by attending one of our regular meetings. Cyclist at all skill levels are welcome.

Gun Club

If you're new to firearms ownership, have been considering purchasing a firearm for home defense or concealed carry or are an old hand at firearms and

looking for others to practice with, the Sun City Gun Club is the place for you. The club is a resource for all things gun related. We offer free in-house training courses that will teach you all about firearms, help you select a firearm, show you how to clean/maintain your firearm and teach you about the legal aspects of a defensive shooting. We also can provide resources on how and where to secure basic firearms training, where to secure your concealed carry permit, offer

referrals to local gun ranges and shooting clubs, and we can provide resources for firearms, cleaning supplies and ammunition. Additionally, the Gun Club hosts guest speakers, an annual spring BBQ and a holiday luncheon in December.

CLUB SPOTLIGHT: Writer's Workshop Fancy a Story That Needs Telling?

Variety is the spice of life at the Writer's Workshop. No matter the topic you're interested in – memoirs, fiction, poetry, the Club offers an outlet for authors exploring all mediums.

During a recent meeting that featured 15 members sharing their latest published projects, those in attendance learned a little bit about e-books, ghostwriting, journaling, genealogy and hobos.

"These are not books about hobos, but novels that are hobos," said Roger Storkamp, explaining how he has numbered books he has written and left them at locations around the country or with people he knew would be traveling.

"I have roughly 3,000 books floating around the world and have gotten some interesting feedback, including a note with a returned book from Venice," he said.

For Roger, writing just happens. A prolific author, he is currently working to promote his latest book, "Showgirl Memoir," which chronicles the life of Las Vegas showgirl Mikel Peterson.

While at first it may have seemed that necessity sparked the invention for Ranae Watsabaugh's speciality, it became clear quite quickly that the author just digs learning about the past.

"I love history," Ranae said as she held up two texts she was hired to write. "A Sentimental Journey," a beautiful hard-bound book, features the memories of four living generations of the Murphy family.

"I wanted to know whose names were on the headstones," she told the group. "Genealogy is in my heart. This is my sentimental journey. This is who I am, and I'm not alone. I walk this world with their memories and that's who Ranae Watsabaugh is."

Top, Roger Storkamp shows off the artwork for his latest book "Showgirl Memoir" during a published authors' presentation at the Writer's Workshop. Center, Dorothy Macchio reads an excerpt from her e-book "The Courier," while Ranae Watsabaugh shares a story behind the research of "A Sentimental Journey."

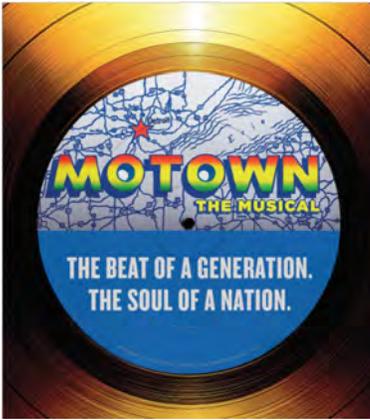

But you don't have to be a published author to be a member of the Writer's Workshop. In fact, beginning writers are strongly encouraged to attend a meeting, as are those who desire to tell a story but need a little help putting their fingers on a keyboard.

As the year begins, the Writer's Workshop has a number of activities planned. The group meets three times a week, and not every member attends every class. If there is a topic you are particularly interested in, call the club's president, Maxine Muccigrosso, 360-1863, to see what's on the horizon. Sun City residents may attend two club meetings for free before having to decide if they'd like to join.

THANK YOU

The Geary family would like to thank all my mother's wonderful friends for being so warm and gracious during her 16 years in Sun City, Summerlin. Marge Geary died Dec. 4 surrounded by her children. She was 79. Marge joined several Sun City clubs. She served as president of Sun City Art Club, running art classes and producing award-winning paintings. She is survived by five children and seven grandchildren. Thank you all for the kindness and friendship my mother felt during her time in Sun City; she will be missed.
