A Look Back to 1989 Brings Back Memories

Sue Papilion, *Interim Executive Director, SCSCAI*

October is one of my favorite months, and this year it will be especially great because Sun City Summerlin is 25 years old and I get to take part in a celebration even though I have only lived here for six years. I decided to look back and remind myself and you of what was happening in 1989:

- ♦ George H. W. Bush was inaugurated as the 41st President of the United States.
- ♦ "Driving Miss Daisy" won the Oscar for Best Picture of 1989
- ♦ Gasoline was \$1.12 a gallon.

- ♦ The Exxon Valdez spilled 11 million gallons of oil into Prince William Sound.
- ♦ David Dinkins was elected the first black mayor of New York City.
- ♦ Apple introduced a new portable computer that weighed 14 pounds and cost \$5,800.
- ♦ The average new home cost \$100,000.
- ♦ The San Francisco 49ers won the Super Bowl.
- ♦ The Mirage hotel-casino was opened in Las Vegas as the first huge hotel-resort.
- ♦ And the first residents began moving into their brand new homes in Sun City Summerlin. We will pay tribute to those brave souls who moved here when Lake Mead Boulevard was a dirt road and the nearest store was 6 miles away.

I hope everyone gets a chance to attend an affair and meet a neighbor. Happy Birthday, Sun City!

Time to Celebrate 25 Years of Success

It's finally October and the events that SCSCAI and its volunteers have been planning for months are about to take place. President's Message

Community Prepped to Face Challenges of Next 25 Years

October 2014 is 25 years after the first residents moved into Sun City Summerlin. Most of the early move-ins were on streets at the eastern end of Sun City, close to Rampart Boulevard. Since 1989, Sun City Summerlin has transformed into a first-class senior living community. Today, there remains demand from seniors to move into our community. The newcomers want to be a part of a community that offers senior-oriented activities while maintaining a clean and mature look on properties located along the 73 miles of streets owned and maintained by the city of Las Vegas.

It has been estimated that we have 13,000 residents in nearly 8,000 living units. That is a "small" city. Our population is slightly more than Boulder City, Nev. To maintain a small city, it takes a dedicated staff and residents who contribute their time and talents. Sun City has been fortunate to have many fine staff members over the years and this community would never survive without the dedication of its volunteer residents.

As we enter the next 25 years, we are going to be faced with the continued updating and refurbishing of our community facilities. Sustainability of water and power is going to be an issue of great importance to the Board of Directors.

Living within one of the greatest droughts of our region's history, residents must be aware of conservation measures. The Southern Nevada Water Authority may issue mandatory cutbacks on the use of water. This could have a real effect upon our golf courses.

Living in the desert, where we have more than 300 days per year of sunshine, makes us wonder where the use of solar panels will go in the future and how it will be a factor in Sun City. Already, we see a solar installation at the Mountain View Presbyterian Church in our community. The church expects to cover a great majority of its electric costs from this installation. Fire Station 107 is presently installing solar panels and expects to cover over half of its electric costs to run the station.

We hope that Sun City never stands still and it reacts to the changes scheduled for the next 25 years.

David Steinman,
President, SCSCA

25th Anniversary Celebration Inspires Art Club Members

(Editor's note: The Link editorial board put out a call for entries to Art Club members for an original piece of art that summarized the Sun City's silver anniversary. Congratulations to winner Susan Neiry for her watercolor, which appears on this month's cover. The Link wishes to thank all artists who participated in the contest.)

Untitled by Richard Ramsdell, "In the beginning, after the Sun City site had been legalized, the creators of Sun City hired engineers to assess the needs of our community. All agreed that we'll put as much as possible underground for the sake of aesthetics – things like electricity, water, cable TV, telephone lines, drains, etc. The underground trenches for all of Sun City were dug by machines and operated by knowledgeable individuals. This painting, submitted for part of the 25th year of celebration, represents the foundation of all the things residents have come to expect over the years. Probably we don't give it much thought and it's taken for granted because all those amenities are not visible."

Winner! Untitled by Susan Neiry: "Every morning as the sun comes over the mountains and peeks through my honeysuckle, I say, "Thank You!" and wonder how I got to be so lucky as to live in such a beautiful community with such friendly, fun and creative people. I've made amazing friends through the Art Club and am thrilled that you have given us this chance to visually show our appreciation for Sun City. Rather than doing a painting of just one aspect of Sun City, I chose to do a montage showing some of the many activities available to residents. How blessed we are to have such wonderful community and fitness centers all set in beautiful landscaping and surrounded by spectacular mountains."

Fred & Ethel by Doni Murphy: "The wonderful Sun City environment affords me the opportunity to observe desert wildlife. I am fortunate to be visited nearly every morning by this pair of quail. I named them Fred & Ethel, and their presence brightens my day!"

25 Years of Growth by Connie High.

Untitled by Penelope MacNeil: "That marvelous mountain to the west never fails to take my breath away when driving up Sun City Boulevard. I never tire of this beautiful scene: That great majestic mountain jutting out of the earth with unknown history in each layer. Add the mature landscaping of trees, shrubs, palms and the newest addition of terra cotta pots – all make a breathtaking memory whenever I see them. At times it makes me wish I were a geologist instead of an artist. With all the above-mentioned elements, I made the decision to use fibers, rather than my normal oil paints. The clay, soil, foliage all called for threads of all varieties sewn onto burlap, the most basic of fibers, as my canvas."

Sun City and Beyond by Sharon Evans:

"The view from our back yard was the inspiration for this watercolor rendering of just part of the spectacular panoramic view from our home in Sun City Summerlin. The ever-changing, awe-inspiring view includes the entire Las Vegas Valley, as well as the local, attractively landscaped neighborhood golf course, golf clubhouse and picturesque lake. The many wonderful amenities and the wealth of interesting activities which abound here in Sun City is actually a dream come true. We feel extremely fortunate to be a part of this beautiful and friendly community."

Untitled by Pat McMullen: "The use of the numbers was inspired by the 25 Years logo I saw in the last issue of the Link. The drawings were inspired by the mountains outside my window, especially as seen at dusk, so striking against the deep blue sky. The architecture of the community buildings with the tile, glass, rock walls, the greens of the golf courses and many trees completes the perfect setting for life in Sun City Summerlin."

Untitled by Jackie Long: "I am so thankful to my husband for making it possible to live and enjoy golf in Sun City. To have this beautiful setting to practice our passion. We summer in Rapid City, S.D., and winter in Sun City Summerlin."

A Little Bit of Heaven by Marilyn Chernov:

"The creative vision that paired nature with man came to life 25 years ago as Sun City. Gifting us with the beauty of the desert and embracing us to live in their harmony. This inspired my painting "A Little Bit of Heaven" to celebrate this union on earth."

Prickly Pear by Doni Murphy: "I enjoy the beautiful desert cacti each day as I walk in my Sun City neighborhood and love the challenge of capturing them in watercolor. The red fruit on this prickly pear brightens an otherwise muted landscape."

Pretty In Pink by Doni Murphy:

"Sun City represents the desert in its most beautiful form! I especially liked the contrast of the delicate pink blossoms on the sturdy prickly branches of this cactus."

CAP Volunteers Help Keep Sun City Looking Great

Bruce Alitt, Chairman,
Common Area Properties
Committee

I would like to congratulate our wonderful Association on 25 years of operation, and the fact that it is a great place to live and enjoy. It is still looking beautiful.

For all readers who are not familiar with the Common Area Properties Committee (CAP), its members conduct thorough inspections of all the Association's real and personal property. The Committee determines that said property is maintained in a manner to ensure safety of personnel, long life and efficient operation while also keeping a beautiful appearance. This is accomplished by a series of teams that inspect all the common areas and property on a regular basis. These teams are made up of member volunteers, all giving up their time for the betterment of our Association. Reports are written on all inspections and follow up is done to ensure that all discrepancies are corrected. I am personally proud to be a member of and to chair this hard-working committee.

Recently, Landscape Director Louis Darling proposed and CAP approved a remodel of the patio area just outside the Desert Vista Committee Room. I invite everyone to use this beautiful new area.

The newly repaved patio near the craft rooms at Desert Vista offers residents a great place to sit and enjoy the view. Each table is fitted with an umbrella so that there's shade at any time of day.

Community Garage Sale Set

October 24-26, 8 a.m. to 3 p.m.

Great weather in October lends itself to so many activities in Sun City Summerlin and the three-day weekend of **October 24 to 26** is no exception. For those are the dates SCSCAI has set aside for the community garage sales that take place at residents' homes.

Get ready to do some fall cleaning as the popular event returns from 8 a.m. to 3 p.m. Advertising signs may be placed in the street medians and on street corners as long as they are removed by the responsible resident at the conclusion of the sale.

Due to residents' requests the garage sales will be permitted throughout the community over the three days. There is no longer a restriction according to your address. If you wish to sell for three days straight, more power to you. Or, consider selling and shopping over the three-day weekend. It's your choice.

Residents' Forum

Meet the Candidate Day

The Summit

Saturday, October 11, 3-6 p.m.

Your Residents' Forum invites you to stop in and meet some of the candidates that will be on the November ballot. We will be having this event at The Summit because we are trying a new format in a new venue.

The candidates enjoy meeting with Sun City residents and talking with us on a one-to-one basis. You will have the opportunity to visit with the candidates and tell them how you feel about issues affecting all of us. We have this event every year for the benefit of our residents and candidates.

Stop by, enjoy a drink and hors d'oeuvres with the candidates and chat a while. You'll be glad you did. Tickets will be given out when you arrive that can be redeemed for a glass of wine, beer or soft drink. One ticket per person. For questions, call Glenda Rogers, president, 255-7755.

Landscape

Sun City Summerlin Still Going Strong After 25 Years

The Landscape Department would like to congratulate the residents on their 25th anniversary, and we hope everyone is enjoying the events that are planned this month. The Landscape Department staff is very proud to be a part of this community even though most of us don't live here. I have been here for 16 years and during that time have experienced many ups and down with the community, and it's good to see how it always comes up on top due to the folks who live here. Together we can continue to make Sun City a wonderful place to live no matter what comes our way. Over the years, we have lost some wonderful people and I remember every one of them, as well as the things they did to keep this community going. The future still

holds some challenges, but together we will overcome them and maintain the great life that is Sun City. Happy 25th anniversary.

Walk Your Way to Health & Happiness

Walking is one of the easiest, safest and most inexpensive types of physical activity. It's also relaxing and requires little athletic skill and does not call for club membership or special equipment other than sturdy, comfortable shoes. The results of walking are physically rewarding – a trim, fit body better able to deal with the physical challenges of life and it will add enjoyable years to your life.

As always, consult with your physician before beginning an exercise program. For those with a long history of inactivity, problems with obesity, or don't like strenuous activity, walking is a great way to begin an exercise program. You can start slowly, then increase your speed and maintain a steady pace.

Walking will improve your cardiovascular fitness, muscle strength, balance and coordination. Walking gets the heart beating faster to transport oxygen-rich blood from lungs to muscles. Hearts and lungs grow more efficient with a regular walking regimen, reducing blood pressure. Walking is even a central element of medical rehabilitation. Recovery from many ailments, including a heart attack, is facilitated by a regular walking regimen. Walking also will improve your lower body muscle strength and balance.

When you're ready to begin, the best way to start is walking 10 to 20 uninterrupted minutes at least three times a week. Walk at a comfortable pace, slowing down if you find yourself breathing too heavily. Don't tire yourself. If 20 minutes is too much, cut back to 10 or 15 minutes. You can gradually increase your time and pace as your body adapts to the exercise.

Don't forget to drink lots of water and cool down after exercise by slowing down your pace. Stretching your muscles after a walk is always a good idea.

You are now ready to begin a walking program. A great way to start is to join us in the 25th Anniversary Fun Day 5K Walk, Breakfast and Old-time Candy Buffet on Saturday, October 11. Registration is open and ongoing at the social monitors' stations at each community center, and packet pick-up will begin at 8 a.m. on October 11 at Mountain Shadows. Las Vegas Mayor Carolyn Goodman will kick off the walk at 9 a.m. You can just do the small route around Mountain Shadows or you can do the whole route (approximately 3 miles) through Sun City neighborhoods. Either way, walking is a prescription for a healthier, happier life!

Health & Fitness

HEALTH NUT

Burt Scheck enjoys his daily swim at the Desert Vista indoor pool. In addition to the exercise, he says the social aspect of the facility is unlike anywhere else.

Burt Scheck is 92 years old and his wife, Irene, has been his bride for 69 years. They have been residents of Sun City since 1990. Burt says, "At my age, exercise keeps your joints working and your heart healthy." He also believes in the Yin and Yang theory of keeping one's life in balance. In all, he says, "It's part physical and part mental, which is why he not only does his exercise regimen every day, but he also does puzzles, Suduko, Ken-Ken, Jumble and crosswords. All this keeps him in total balance.

Burt came out of the United States Army in 1945, and for about 10 years he found time to run five miles each day along the lakefront of Evanston, Ill. He also went to the YMCA and learned how to play handball. In 1955, he injured one of his knees, so running and playing handball were replaced with a strong regimen of swimming. He swam where and whenever he could. The swimming helped him recover faster than regular rehabilitation, he said.

In 2008, Burt underwent knee replacement surgery. When it came to his rehab, he remembered his days spent in Chicago-area pools and decided to do his physical therapy in the indoor pool at Desert Vista. The pool allowed him to swim almost whenever he wanted and, besides the exercise, swimming gives him a feeling of solitude, which, he says, helps make his mind stronger. Burt has swam at Sun Shadows, but he really enjoys the Desert Vista indoor pool because there is a social aspect to the facility that he didn't find elsewhere.

Burt says he believes in the Five Ds – dedication, desire, devotion, determination and discipline. His health and well-being is always on his mind, and he used the Five Ds to name his five sons – Dale, Dean, Donald, Duane and Danny.

Security Patrol

It Is Not Necessary to Open Your Front Door, Any Time

Longtime Watch Commander and Security Patrol Driver Jim Maher counsels residents that it is unnecessary, even unwise, to open your front door to anyone who knocks on the door or rings your doorbell especially after dark. Unless you know who is there, if you have an outside security door, talk through it. If you do not have a security door, it is

unnecessary to open anything. If you talk through a closed door, you should be heard by anyone on the other side

If you are awakened by a Security Patrol driver alerting you to an open garage door, or a flashing emergency light, he or she will be clearly recognizable. Through your front window you should identify a uniformed patrol officer with

a badge. The Patrol car with its rotating bright amber lights should be easily visible in front of your home. Jim Maher emphasizes that you will not offend the patrol officer if you do not open your door. He or she is interested only in checking on your welfare, or letting you know that something might be amiss at your home.

Pavone (pictured), who re-creates the music of Frank Sinatra, Tony Bennett and Paul Anka; comedy impressionist, "The Man of a Thousand Voices," Rich Little; comedy magician and star at the Tropicana Murray Sawchuck, a few fabulous surprise guests and a line of beautiful showgirls. Featuring the Vegas Goodfellas

*Saturday, November 15, 7 p.m.
\$15 per person*

From the beginning of Rock'n'Roll with Bill Haley & the Comets to the Doo-Wop of Frankie Valli and Elvis to The Beatles, The Doors to the Rolling Stones, this show covers

two decades of hits by all your favorite artists. Since its formation in 2007, Vegas Goodfellas has entertained audiences in all showrooms on and off the famous Las Vegas Strip. Recipients of the prized Best of Las Vegas award for a rock band by the Las Vegas Review-Journal fan poll, this show features the solid harmonies of three great singers – Danny Rome, Phil Ricco and Jerry Clark. Their repertoire transcends the legendary decades of rock music of the '50s and '60s. Whether your tastes run from the street corner days of close vocal harmony or the twisting, mop top era of the swinging sixties, this show will take you back to the "American Graffiti" days.

Be sure to get your tickets early for all Starbright Theatre shows. If an event sells out, every attempt will be made to provide additional shows if possible. Tickets may be purchased online at www.scscai.com, as well as at the Mountain Shadows, Desert Vista and Pinnacle community centers. All
